

The Order 2521

Chapter: 2521

The servant shook his head!

“It turns out that someone has broken through Da Wuhou. Even if he breaks through Da Wuhou, what will happen? I just want to use him to establish my authority...”

Long Xiao’s eyes narrowed slightly, and then he went straight to the Martial Arts Alliance in Long Jingguo!

Long Xiao is the Great Wuhou who suffered a thunder tribulation. Even though Long Xiao has just broken through, Long Xiao’s strength is comparable to that of the third-grade Great Wuhou!

When Long Xiao and Long Jingguo rushed to the Martial Arts Alliance, the faces of the sects and aristocratic families who came to attend the meeting changed drastically, like an old book seeing a cat!

When Ning Zhi, who was in charge, saw this, he immediately understood that during this period, Long Xiao seemed to have used thunderous means to make these sect families fearful!

“Ning Zhi, is it your intention to bring these to a meeting?”

Long Xiao looked at Ning Zhi who was sitting on the chair and asked coldly.

“That’s right, since Alliance Leader Zhu is dead, then I, the Deputy Alliance Leader, will be directly promoted to Alliance Leader. Why not if I call these members of the Martial Arts Alliance for a meeting?”

“You, on the other hand, killed Alliance Leader Zhu and occupied the Martial Arts Alliance. Do you really think that no one in the Martial Arts Alliance can control you?”

Ning Zhi’s eyes narrowed slightly, and the aura on his body continued to surge!

“Just you?” Long Xiao sneered: “You deserve it...”

Come on, Long Xiao actually slapped it out with a palm, and a terrifying strong wind went straight towards Ning Zhi!

Ning Zhi instantly burst out with a powerful aura, which directly neutralized the strong wind that Long Xiao shot!

The two of them were both Dawuhou, and they didn't use their full strength in their first fight!

“Long Xiao, this is the martial arts alliance. I don't want to fight with you. If you are not convinced, we will meet at the martial arts field tomorrow...”

Ning Zhi said with a thunderous voice.

“Okay, when the time comes, I will let everyone in the martial arts community in Kyoto see how you died in my hands.”

Long Xiao's eyes were full of confidence. He only broke through after a thunderstorm. How could he be compared to Ning Zhi?

After finishing speaking, Long Xiao glanced at everyone present: “Listen, get back here now, I will let the past go. If you stay here, after I kill Ning Zhi tomorrow, I will take away all the people left here.” Kill them all...”

Long Xiao's tone was unquestionable, and everyone in the hall was trembling in their hearts!

Everyone looked at each other, not knowing what to do.

This is to let their team, if they make the wrong choice, they will lose their heads.

“Okay, that’s it for today. You all go back. Remember to go to the martial arts field tomorrow to see how I kill this arrogant person...”

Chapter: 2522

Ning Zhi waved his hand and asked everyone to go back.

Everyone left in a hurry as they were granted amnesty!

But this time, Ning Zhi occupies a certain position in everyone’s hearts. Many people are praying silently, hoping that Ning Zhi can kill Long Xiao and take the position of alliance leader!

Now Long Xiao has been despised by many people, but everyone is afraid of his strength!

The news that Ning Zhi and Long Xiao were dueling in the martial arts field immediately caused a stir in the martial arts world!

However, many people are cheering for Ning Zhi and hope that Ning Zhi can win!

“It’s interesting. I didn’t expect these two people to fight. However, Ning Zhi is quite talented, and he has also broken through to the realm of Great Wuhou!”

After Chen Ping got the news, he said with some surprise.

“During this period, Long Xiao has almost betrayed his relatives and left. Many people in Kyoto’s martial arts community are eager for his death. It seems that Long Xiao’s fate will not be long...”

Long Wu said calmly.

“Mr. Chen, who do you think will win this time?”

Zhao Liguang asked Chen Ping.

Both of them are talented young people, and they have only recently broken through to the realm of Dawuhou.

If a fight breaks out, life or death will be uncertain!

“Which one of them can win depends on the souls in their bodies. Which one is more powerful does not depend on their physical abilities!”

“Even if they are extremely talented, it is almost impossible to break through to the realm of Great Wuhou in such a short time. They all rely on the souls in their bodies...”

Chen Ping’s eyes flashed coldly: “No matter who wins, I’m going to join in the fun tomorrow...”

the next day!

The martial arts arena was already crowded with people very early, and many people were looking forward to the fight between Ning Zhi and Long Xiao!

Almost everyone from Kyoto’s martial arts community was present.

A large part of these people hope that Ning Zhi can win. After all, compared to Long Xiao’s brutality, the martial arts alliance is still very restrained.

Ning Zhi also came to the martial arts arena with five men in black bronze robes. Ning Zhi attached great importance to this stop, because this stop would establish his status in Kyoto’s martial arts world.

This is a once-in-a-lifetime opportunity, Ning Zhi must go all out!

Long Xiao also brought several masters from the Long family to the martial arts arena. Long Xiao’s appearance caused the originally bustling martial arts arena to become silent for an instant!

Chapter: 2523

After many people saw Long Xiao, they felt deep fear in their hearts!

Looking at everyone's attitude towards him, Long Xiao raised his lips slightly. What he liked most was seeing everyone's fear of him!

"Long Xiao is a big bad guy, I must kill Long Xiao today..."

At this time, a sharp voice sounded among the crowd!

Everyone immediately looked towards the voice, and the person who just shouted this sentence originally wanted to run away after shouting.

It's a pity that I didn't make it and was betrayed by everyone's eyes!

This is a child who is only a teenager, and the childishness on his face has not faded.

"court death....."

Long Xiao narrowed his eyes, and a cold killing intent instantly rose up.

In front of so many people, this guy dared to challenge his majesty, how could Long Xiao endure it!

As he spoke, Long Xiao raised his hand, and a burst of energy instantly filled the air, crushing towards the teenage boy.

Everyone felt this aura and began to avoid it one after another, while the child's face was full of fear!

But just after the energy arrived in front of the child, it was blocked by a breath.

“Long Xiao, he is just a child. If you attack a child, what kind of man do you think you are?”

At this time, Ge Jiayi stood up slowly!

Ge Fuhai originally didn't let Ge Jiayi leave the Ge family casually, but today Ning Zhi followed Long Xiao to fight, and Ge Jiayi couldn't control her curiosity, so she ran out!

She wanted to see what kind of battle the two great Wuhous would break out!

Ge Jiayi is very talented, and she has always been eager to break through Da Wuhou.

Seeing Ge Jiayi stand up, a smile appeared on Long Xiao's originally cold face.

“It turns out to be Miss Ge. I haven't seen you for a long time, and you are becoming more and more beautiful...”

Long Xiao had an evil smile in his eyes!

Long Xiao also liked Ge Jiayi before, but it was a pity that Long Xiao at that time, although extremely talented, was not as successful as he is now!

His strength is not as high as Ge Jiayi's, so he doesn't dare to confess!

But things are different now. In the entire martial arts world in Kyoto, Long Xiao is the only one who dominates, and Long Xiao has grown to the extreme!

Chapter: 2524

Ge Jiayi looked at Long Xiao like that, her eyes full of disgust!

But Long Xiao didn't know it and stepped forward directly, following Ge Jiayi a few steps closer!

"The most talented woman in Kyoto's martial arts world. Looking at the entire martial arts world, I am afraid that only Miss Ge can match me."

"Do you know why I haven't done anything to your Ge family during this period? It's because of you..."

"Miss Ge's beauty has always fascinated me..."

As Long Xiao said this, he actually stepped forward to take Ge Jiayi's hand in front of everyone!

Ge Jiayi's expression changed and she quickly took two steps back!

"Long Xiao, look at how you are now, neither human nor ghost. Do you still deserve to like me?"

"I feel sick when I see you. Don't come near me anymore..."

Ge Jiayi taunted Long Xiao unceremoniously!

Ge Jiayi's words made the smile on Long Xiao's face disappear instantly!

"You are looking for death..."

Long Xiao's face changed at every turn. Just now he kept saying that he liked Ge Jiayi, but at this moment, his eyes were full of murderous intent, and he wanted to slap Ge Jiayi to death!

Ge Jiayi's expression changed. She knew that she would not be Long Xiao's opponent!

There is a world of difference between Wuhou and Dawuhou, the improvement of a large realm.

Just when Long Xiao was about to attack Ge Jiayi, a huge energy came over and enveloped Long Xiao instantly!

“You are so shameless for a grown man to attack a woman and give her a child...”

As he spoke, Ning Zhi jumped up and then landed steadily next to Ge Jiayi.

“Miss Ge, don’t be afraid. As long as I’m here, no one can hurt you...”

Ning Zhi said to Ge Jiayi very gentlemanly.

Ge Jiayi looked at Ning Zhi with disgust in her eyes. Without saying anything, she turned around and walked into the crowd!

“Ning Zhi, don’t be so fucking hypocritical. You want to be a hero to save the beauty, but when you don’t see it, they ignore you. Don’t take yourself seriously...”

Long Xiao said with a smile on his face.

“You and I are evenly matched, but I have more brains than you. Only a brainless guy like you would take the initiative to fight against the Martial Arts Alliance. Only then would you feel that as a great Martial Lord, you are invincible...”

Chapter: 2525

“It’s a joke. The world is so big. What can you, a little prince of Wu, do? You are an ignorant person...”

Ning Zhi had personally witnessed the meeting of the top leaders of the Martial Arts Alliance. Let’s not talk about the strength of that great power. The strength of the black silver robe and black gold robe alone was much stronger than that of the black bronze robe!

Maybe among those black silver robes and black bronze robes, there are also a lot of Wuhou, but they don’t show up...

“I don’t think it’s you who is ignorant. You just stepped into the Great Wuhou, is it because you have the ability to fight against me?”

“Although you and I are both newly promoted Great Wuhou, you are far worse than me. I can defeat you with one hand...”

Long Xiao snorted coldly, his eyes full of disdain.

He was the Great Wuhou who had already surpassed Lei Jie. Unlike Ning Zhi, Ning Zhi was certainly no match.

“Hahaha, you are really capable of bragging. You want to defeat me with two hands, but what a pity do you have? One of your arms was cut off by Chen Ping, and you are now like this, and you still dare to be so arrogant!”

Ning Zhi laughed, which made Long Xiao’s face look even uglier.

At this time, in a corner of the stands, Chen Ping was staring at Ning Zhi and Long Xiao. Sitting next to Chen Ping were Zhao Chuang, Xiaoru, Gu Ling’er and the others!

Chen Ping put on a simple disguise to avoid being recognized.

“Brother Chen, who can win between these two guys?”

At this time, Zhao Chuang asked softly.

Chen Ping didn’t speak, but his eyes kept flashing!

Chen Ping couldn’t use his spiritual consciousness to detect it. As long as Chen Ping used his spiritual consciousness, he believed that Ning Zhi and Long Xiao would notice him immediately.

After a while, Chen Ping said: "Then Long Xiao will win..."

"Why?" Zhao Chuang asked curiously.

"No need to ask, just look carefully..."

After Chen Ping finished speaking, he stopped talking.

At this time, on the martial arts field, Ning Zhi and Long Xiao were already at war with each other!

"Ning Zhi, today I will let you know the difference between the two newly promoted Dawuhou..."

After Long Xiao finished speaking, the aura on his body exploded instantly, and then he jumped up, with waves of terrifying energy heading towards Ning Zhi!

"Is this the power of Lord Wu?"

Many people felt the aura on Long Xiao's body, and all of them looked surprised!

Chapter: 2526

Facing Long Xiao's attack, Ning Zhi also went all out and directly burst out the most powerful aura in his body instantly!

The two breaths collided one after another, the color of the sky and the earth changed instantly, bursts of explosions sounded, and the whole earth was shaking!

The two great Wuhous fight against each other. This kind of scene is not something that anyone has the chance to see.

Rumble.....

The galaxy shook, the avenue roared...

Ning Zhi and Long Xiao both performed very strange spells, some of which were unheard of or unseen...

These are the souls in their bodies, their own special skills!

“Long Xiao, with this little ability, you still dare to be arrogant...”

Ning Zhi shouted loudly, and then his body became illusory in mid-air, as if he was invisible!

Then, Long Xiao only felt that his body was hit hard, and his body trembled slightly!

After this heavy blow, Ning Zhi’s figure appeared, but his face was full of disbelief!

That was his strongest blow just now, and it only made Long Xiao tremble!

At this time, Ning Zhi’s face became extremely ugly!

When everyone around them saw this, they all held their breath and became nervous!

Many of them hope that Ning Zhi will win, but looking at the situation now, Ning Zhi seems to be at a disadvantage!

“Haha... How can you hurt my body that has suffered a thunderstorm...”

Long Xiao laughed crazily, and then his body was instantly wrapped in black, and the black aura turned into a huge hand!

And this big hand slapped Ning Zhi fiercely.

“Run, run quickly...”

At this time, in Ning Zhi’s mind, an old voice loudly urged Ning Zhi!

Ning Zhi was stunned, and that huge hand slapped him hard!

boom!

Ning Zhi fell instantly, and then hit the ground hard!

After making a move, Long Xiao did not stop, but continued to shoot out bright brilliance from his hand, directly bombarding Ning Zhi’s body!

Chapter: 2527

At this time, Ning Zhi found it difficult to get up!

Seeing this scene, everyone was dumbfounded. In the battle between the two great Wuhou, the winner was decided too quickly!

“The young master is mighty, the young master is mighty...”

When the Long family members saw this, they all shouted loudly!

“ah.....”

Ning Zhi suddenly burst out with an angry shout!

Then a black shadow instantly appeared inside the body. This black shadow could not be seen at all in the diffuse black fog, not even the man or woman could be seen!

“This is going to force me to take action...”

The black shadow shouted loudly, and then Ning Zhi’s body stood up instantly!

And that black shadow was attached to Ning Zhi’s back. From a distance, it looked like Ning Zhi was carrying someone on his back!

At this moment, Ning Zhi’s strength began to surge, and his eyes turned red!

“Even your soul is joining the battle, but it’s useless. Today will definitely be your death...”

Seeing Ning Zhi’s strange behavior at this time, Long Xiao said nonchalantly.

Whoosh...

As soon as Long Xiao finished speaking, he realized that Ning Zhi was already in front of him, and then he punched Long Xiao in the body!

Long Xiao’s figure swayed and he took several steps back! ,

At this moment, hope rose in Ning Zhi’s eyes, and everyone clenched their fists and began to encourage Ning Zhi!

Bang bang bang.....

Ning Zhi struck while the iron was hot and punched more than a dozen times in a row, forcing Long Xiao to retreat!

“This soul is so powerful. I seem to have found a soul attached to my body now...”

“Wouldn’t that make me a puppet? Then I would lose all privacy.”

“What I want is privacy, what I want is strength, I’m praying for a soul to take a fancy to my body right now.”

“Now that there are souls to help me, my cultivation progress will be doubled with half the effort...”

Everyone looked at Ning Zhi, who had no power to fight back. After his soul left his body and joined the battle, the battle situation turned around instantly. This made many people begin to hope that they could have souls in their bodies!

Chapter: 2528

Chen Ping listened to the discussions of the people around him. He knew that if the martial arts world continued like this, the end would not be too far away. When people use all means to pursue strength, they will never go far!

“Brother Chen, it looks like Ning Zhi’s explosion is very powerful. Isn’t Long Xiao unable to withstand it?”

Zhao Chuang asked Chen Ping.

“Don’t be impatient, just read on slowly. Ning Zhi is probably already looking for a chance to escape. Don’t look at his arrogance and constant attacks. He is looking for opportunities to escape on the way to attack.”

“Because if the fight continues, Ning Zhi will be defeated, and he knows it, so he attacks with all his strength to give Long Xiao an illusion and let him relax his vigilance, so that he can escape!”

Chen Ping followed Zhao Chuang and explained in detail!

Zhao Chuang didn't quite understand and could only continue to watch.

At this time, Ning Zhi became more and more courageous as he fought, and kept attacking Long Xiao. Long Xiao looked a little embarrassed and could only parry!

Seeing Ning Zhi getting stronger and stronger and about to win, many people began to shout excitedly.

"Council Leader Ning is mighty and kills Long Xiao directly, kills him..."

"It's not a pity for Long Xiao to die, he should be skinned and cramped..."

Some people were cheering Ning Zhi on and kept shouting!

Chen Ping looked at the shouting people and shook his head secretly. He knew that after Long Xiao won, with Long Xiao's character, these shouting people would definitely suffer.

boom.....

With a loud noise, Long Xiao was knocked back again!

But when Long Xiao retreated, this time Ning Zhi did not seize the opportunity to attack one after another. Instead, he paused, jumped up, and ran towards the outside of the martial arts field!

Seeing Ning Zhi suddenly escaping, everyone was stunned. They were all nailed to the spot like puppets!

No one thought that Ning Zhi, who clearly had the upper hand, suddenly turned around and ran away.

Isn't this scientific?

Even Zhao Chuang opened his mouth, then turned to look at Chen Ping aside, his eyes full of admiration!

Because what Chen Ping said was absolutely right, Zhao Chuang had to admire him!

“Hahaha, if he hadn’t run so fast, I would have spared his life...”

Long Xiao laughed.

He didn’t pursue him because Long Xiao hadn’t thought about killing Ning Zhi yet. What he needed was for everyone to see that no one could defeat him!

Chapter: 2529

Ning Zhi ran away, Long Xiao won!

The battle between the two great Wuhou actually ended in such a funny situation!

As the Great Wuhou, Ning Zhi turned around and ran away in front of everyone without any regard for face!

Doesn’t this make everyone laugh?

But few people know that face is worthless to Ning Zhi!

Ning Zhi ran away. Those people who just shouted that they wanted to kill Long Xiao were all stunned now. They were all pale and trembling!

“Who just shouted that you want to kill me? Now stand up for me...”

Long Xiao shouted loudly, and a terrifying aura filled the air!

puff.....

One person was so frightened that he vomited blood and died!

The remaining few people fell to their knees one after another!

“Master Long, please spare your life, Master Long, please spare your life, we are willing to follow Mr. Long forever...”

Several people kowtowed to Long Xiao desperately!

But there was no expression in Long Xiao’s eyes. With a sudden wave of his hand, the heads of several people who were kneeling on the ground suddenly collapsed and turned into flesh!

Everyone looked at Long Xiao’s cruel scene, and no one dared to speak!

But at this time, Long Xiao was focused on a place among the crowd!

In this place, I saw the teenage children from the beginning still staying here and not leaving!

Long Xiao’s meaning is very obvious, that is, this child has offended him, and he must not keep him!

“Long Xiao, why do you always stare at a child? He just said the wrong thing!”

At this time, Ge Jiayi stood in front of the child and said.

“You want to save her?” Long Xiao narrowed his eyes slightly: “If you want to save him, then listen to me and take off your clothes now, I can spare this child’s life...”

When Ge Jiayi heard this, her face turned red with anger: “Beast, you are just a beast...”

“Beast?” Long Xiao raised the corner of his mouth: “I am a beast, what can you do? If you don’t take off your clothes, then don’t blame me...”

Long Xiao waved his hand, and a huge suction force instantly sucked the child into his hand.

Chapter: 2530

A teenage child was controlled by Long Xiao at this moment. His face had already changed and tears were flowing out.

“Sister, save me, sister, save me...”

The child cried and begged Ge Jiayi to save him!

Ge Jiayi also looked anxious at this time, but how could she be willing to take off her clothes in public?

There were hundreds of people around, all watching helplessly, and no one asked to help!

There were many people among them who were making noises, urging Ge Jiayi to take off her clothes quickly. After all, these people also like to watch the free strip show.

What’s more, Ge Jiayi is a famous beauty in Kyoto!

“Aren’t you going to take it off?” Long Xiao put a little force on his hand, and the child was instantly speechless!

Ge Jiayi looked at the child whose face was red and his eyes were so wide that they were about to bulge out. She felt uncomfortable and anxious inside!

He clenched his fists tightly and bit his lips tightly, looking very helpless!

“Take it off quickly, saving one life is better than building a seven-level pagoda...”

“Why don’t you just take off your clothes, close your eyes, and act like there’s no one around!”

“Hurry up, hurry up, don’t waste your feelings...”

Many people began to urge Ge Jiayi!

Ge Jiayi’s tears flowed out. She, a girl, had to bear this now.

Ge Jiayi began to regret not listening to her father. If she had not run out secretly, maybe this would not have happened.

Now looking at the dying child, Ge Jiayi is in a dilemma!

“Brother Chen, what the hell are these people from sects and aristocratic families in the martial arts world? Even if they don’t help, they are still making noises...”

Zhao Chuang’s lungs were about to explode as he listened to those people urging Ge Jiayi to take off her clothes.

“The martial arts world is really terrible...”

Chen Ping said calmly.

At this moment, after an ideological struggle, Ge Jiayi began to take off her clothes.

Slowly, she unbuttoned the first button on her body!

Seeing Ge Jiayi taking off her clothes, everyone was silent for a moment, their breathing was stagnant, and they stared with wide eyes!
