

The Order 2531

Chapter: 2531

“The dignified eldest son of the Long family actually used a child to threaten a girl to take off her clothes. Can you still have some shame?”

Following a sharp shout, a sharp and terrifying wind struck towards Long Xiao!

This strong wind hit Long Xiao’s arm, causing Long Xiao to let go of the child in an instant.

“who?”

Long Xiao was shocked. He didn’t expect that there was a master hiding at the scene!

At this moment, Chen Ping slowly stood up, and then took a step forward. His body was instantly on the martial arts field, and he followed Long Xiao’s eyes.

“Chen Ping...”

Seeing that it was Chen Ping, Long Xiao’s eyes were filled with anger and his teeth chattered!

He had been looking for Chen Ping and was worried that he couldn’t find it. Now he didn’t expect that Chen Ping would deliver it to his door.

Everyone was surprised when they saw that Chen Ping appeared. After all, Chen Ping had disappeared for several months, and now he suddenly appeared, which surprised many people!

Especially Ge Jiayi, seeing Chen Ping’s appearance, suddenly felt a sense of security in her heart!

“Chen Ping, you...when did you come?”

Ge Jiayi asked Chen Ping.

“I am always here.....”

Chen Ping smiled lightly: “Take this child down...”

Ge Jiayi nodded and took the child down!

At this time, Xiaoru, who was in the stands, saw Chen Ping smiling at Ge Jiayi, and immediately said to Gu Ling'er beside him: “Sister Ling'er, Brother Chen won't fall in love with that woman, right? I'm afraid It's you who are going to have another sister.”

“Don't talk nonsense, Brother Chen is not that kind of person. He has Sister Ling'er and Sister Yuqi, so there is no way he is looking for another woman.”

Zhao Chuang hurriedly helped Chen Ping speak!

“Brother Chen Ping is not looking for a woman because he is afraid that a woman will look for him. I think Ge Jiayi looks wrong at Brother Chen Ping...”

Xiaoru pouted.

“Stop guessing. Chen Ping is a dragon among men. Even if he has a few more women, it's appropriate. I won't mind...”

Gu Ling'er said with a smile, it seemed like she really didn't care!

Seeing Gu Ling'er say this, Xiaoru and Zhao Chuang were speechless...

Chapter: 2532

On the martial arts field, Chen Ping and Long Xiao stood opposite each other!

The auras of the two people are constantly rising, and their eyes are full of fighting spirit and killing intent!

“Chen Ping, today will be our life and death battle. I will never give you a chance to survive...”

Long Xiao said with confidence.

“Are you so sure that you can beat me?”

Chen Ping asked calmly.

“Hahaha, you are only at the peak of Wuhou, how can you be my opponent as Great Wuhou? Didn't you see that even Ning Zhi, the newly promoted Great Wuhou, was beaten and fled by me?”

“You, a peak Martial Lord, dare to stand up. I don't know whether I should admire your courage.”

Long Xiao laughed and said.

“Really?” Chen Ping snorted coldly: “I only need the peak strength of Wuhou to defeat you. You have forgotten that I am a fighter who has leapfrogged the level. You couldn't beat me before, and you can't beat me now!”

“In my eyes, you will always be a waste, a waste that relies on your soul even for cultivation!”

“If you don't have a soul, you are worse than an ant. Anyone here can kill you!”

Chen Ping's words deeply hurt Long Xiao.

“Chen Ping, you are looking for death, you are looking for death...”

Long Xiao roared, and the aura on his body began to explode. A huge black hand formed in the air, and then slapped Chen Ping fiercely.

Chen Ping’s eyes narrowed, and then a dazzling golden light flashed on his fist, and then he punched out.

I saw a pillar of light soaring into the sky, hitting the huge hand in the sky.

boom!

After a loud noise, the giant hand formed by condensation shattered into pieces under Chen Ping’s blow, turning into black mist and dissipating in the sky!

Long Xiao frowned and his face turned a bit ugly!

Chen Ping, on the other hand, remained motionless, with a cold look in his eyes!

In just their first encounter, Long Xiao could feel that although Chen Ping was only at the peak of Wuhou, his strength was no worse than that of Ning Zhi!

Long Xiao looked at Chen Ping’s ordinary look, his eyes burning with anger.

His fists were clenched tightly, and the aura of Da Wuhou on his body was constantly erupting!

Chapter: 2533

Wave after wave of energy rushed towards Chen Ping and enveloped him!

Chen Ping raised the corners of his mouth, and his body emitted golden light. Under the golden light, the enveloping aura disappeared instantly!

“You are a peak Wuhou, and your strength is comparable to that of the new Great Wuhou. It seems that you are indeed very talented.”

“It’s a pity that you met me today. Although I am also newly promoted to the realm of Dawuhou, I am the first person to suffer a thunderstorm in Dawuhou, and I still survived.”

“My current strength is comparable to that of a third-grade Great Wuhou, so if you fight with me, you have no chance of winning...”

Long Xiao narrowed his eyes and said in a cold voice.

“Really? If I don’t try, how do I know I have no chance of winning?”

“Although your strength is comparable to that of the third-grade Great Wuhou, it’s a pity that you are missing an arm. This is your shortcoming...”

Chen Ping smiled coldly, with a bit of amusement in his eyes!

This sentence completely made Long Xiao angry. His arm was chopped off by Chen Ping, but Chen Ping still dared to mention it!

“Chen Ping, don’t think you are great. Don’t forget that your current mother, including your girlfriend, are all in my hands. You can’t even protect your closest relatives. Follow me here. What nonsense are you talking about?”

Long Xiao stared at Chen Ping with provocation on his face!

Chen Ping hurt him, so he would never make Chen Ping feel better!

Sure enough, after Long Xiao finished speaking, Chen Ping's face became extremely ugly!

An extremely cold killing intent erupted from Chen Ping's body, and the entire martial arts arena seemed to have entered a harsh winter in an instant.

Everyone trembled involuntarily!

"Long Xiao, you successfully angered me..."

Chen Ping gritted his teeth, and his voice sounded like it was coming from the Nine Nether Hell, which made people shudder!

Feeling the aura emanating from Chen Ping, Long Xiao's heart trembled. He regretted not irritating Chen Ping like this!

When a person is provoked, he may show greater strength than usual!

"Don't take it lightly, this guy's aura is too scary..."

At this time, the soul in Long Xiao's body spoke.

Long Xiao's eyes looked at Chen Ping full of vigilance, no longer showing contempt and arrogance just now!

The strength of Chen Ping, a peak Wuhou, made him, a great Wuhou, very wary. It must be said that Chen Ping's strength was indeed too abnormal.

Chapter: 2534

At this moment, Chen Ping was furious, the golden light on his body kept flashing, he clenched his fists tightly, and the power of the dragon was condensing on Chen Ping's right fist!

"Holy Light Fist....."

Chen Ping punched Long Xiao.

This punch was thrown, followed by a dragon roar, and a golden dragon was seen heading straight towards Long Xiao!

When Long Xiao saw this, he waved his hand quickly, and a burst of energy instantly formed a barrier in front of him!

But soon, the golden dragon broke through the barrier and opened its bloody mouth towards Long Xiao!

Seeing this, Long Xiao made a seal with one hand, and then quickly passed through the air, only to see a black mark appear, and the mark went straight to the golden dragon.

The mark instantly covered the golden dragon's body. The golden dragon, which was originally glowing with golden light, quickly disappeared. In the end, both the golden dragon and the mark disappeared!

"This Chen Ping is really strong. With Wuhou's peak strength, he fought against the great Wuhou and ended up in a draw..."

Someone couldn't help but said in surprise.

But as soon as he finished speaking, the mark that had disappeared suddenly appeared out of thin air, and this time it appeared so suddenly that Chen Ping didn't even have time to react!

The mark hit Chen Ping hard on the chest, and Chen Ping's body flew backwards instantly.

The power of Da Wuhou is very terrifying.

"Damn, I thought it would be a draw, but it turns out that Long Xiao has a back-up plan..."

The guy who just said it was a tie was instantly slapped in the face!

Seeing Chen Ping being knocked out and flying out, Zhao Chuang and Gu Ling'er were very worried.

However, Chen Ping's body was not seriously injured. While his body was retreating, Chen Ping had already launched a counterattack and struck forward with a palm.

The wind roared from the palm, and then a golden palm was seen hitting Long Xiao's body!

Long Xiao's body also flew upside down, following Chen Ping on a par!

Although this blow did not cause any substantial damage to the two of them, it was considered a tie.

A tie would be a loss of face for Long Xiao. After all, Chen Ping was only at the peak of Wuhou's strength. If he could tie with him, a great Wuhou, Long Xiao would definitely lose face.

"Chen Ping, if I don't kill you today, I will leave the martial arts world..."

Long Xiao gritted his teeth, and the anger in his body continued to rise!

"Don't worry, you won't leave the martial arts world, because you will leave the whole world..."

Chapter: 2535

After Chen Ping finished speaking, his figure suddenly disappeared, and then he saw a golden light approaching Long Xiao quickly!

Chen Ping has an indestructible golden body to protect his body. Coupled with his powerful and abnormal physical body, he can better utilize his advantages in close combat!

When Long Xiao saw that Chen Ping actually wanted to fight up close, bursts of black light suddenly emitted from his body, and then his body was also wrapped in black light, like Chen Ping's indestructible golden body, forming a pair of armor to protect his whole body!

And outside Long Xiao's body, there is a layer of faint white light that has been flashing, as if it was the light of Buddha!

"Chen Ping, do you think your physical body is the only one who is strong? My body has suffered a thunderstorm and is no worse than yours..."

Long Xiao said and punched out with one punch!

The two people kept colliding, and the huge energy aftermath caused everyone around them to stay away!

Every collision caused the heaven and earth to shake, and ripples appeared in the void, seeming to tear the entire void apart!

Neither of them holds back at all, and they go all out every time they take action!

The aura in Long Xiao's body became stronger and stronger. After the blessing of the soul, Long Xiao became more and more courageous as he fought!

Chen Ping, on the other hand, started to look a little struggling.

At the peak level of Wuhou, it is indeed difficult to face Long Xiao, who is almost at the level of the third-grade Great Wuhou!

With this kind of great realm improvement, the strength will increase exponentially.

It is already amazing that Chen Ping can fight against Long Xiao until now!

Just when Chen Ping was fighting with Long Xiao, in the Kyoto Guardian Pavilion, Xing Jun said to Mr. Shi: "Mr. Shi, in the martial arts field, Chen Ping and Long Xiao started fighting."

"Oh, so Chen Ping is back?" Mr. Shi was a little surprised: "Has he entered Dawuhou?"

"No, it's just the peak of Wuhou. But even if he is at the peak of Wuhou, he doesn't seem to suffer any disadvantages when he fights with Long Xiao."

Xing Jun replied.

"You haven't stepped into Da Wuhou yet?" Mr. Shi frowned: "If he hadn't stepped into Da Wuhou, he would not be Long Xiao's opponent at all..."

"Let's go take a look..."

After Mr. Shi finished speaking, he stood up hurriedly and went straight to the martial arts field.

When Mr. Shi took Xing Jun to the martial arts arena, Chen Ping and Long Xiao had already fought more than a hundred moves.

Now the aura on Chen Ping's body is getting weaker and weaker.

Long Xiao seemed to feel the weakening of Chen Ping's aura, which made Long Xiao even more confident.

Chapter: 2536

"Hahaha, Chen Ping, within a hundred moves, I will definitely kill you."

"But for you, a Wuhou at the peak of his strength, to be able to fight with me till now is already remarkable."

After Long Xiao finished speaking, he punched out with a fierce punch. Chen Ping's body was instantly thrown out, and the indestructible golden body also cracked a lot!

Chen Ping's eyes narrowed slightly and he looked at Long Xiao coldly!

He knew that Long Xiao was right. If it continued like this, Chen Ping might not be able to support a hundred moves!

Long Xiao's increased strength exceeded Chen Ping's imagination!

"This is Chen Ping's end. After all, it's such a big difference. It's already pretty good to be able to fight until now."

"It seems that from now on, the martial arts community in Kyoto can only live under Long Xiao's clutches."

"It seems that Long Xiao has become the number one person in Kyoto's martial arts world, and no one is refuting it."

Many people can see that Chen Ping is about to lose!

"Hurry up and absorb this boy's strength. Maybe it will help you become a Martial Saint in the future. By then, the whole of Daxia and even the whole world will be at your feet."

In Long Xiao's mind, an old voice urged anxiously.

"Martial Saint, Martial Saint..."

Long Xiao's eyes flashed with light, and then a black light began to flash above his head!

This light, carrying endless pressure, came straight towards Chen Ping with a crushing force!

The terrifying atmosphere instantly enveloped the entire martial arts arena, making everyone breathless. Many people fell to their knees!

Feeling this breath, Chen Ping gritted his teeth tightly, and the golden light flashed on his fists!

Wave after wave of divine dragon power was added to Chen Ping's fist, making Chen Ping's fist grow several times larger.

“Holy Light Fist...”

With an angry shout, Chen Ping punched out, and a terrifying fist wind swept up instantly.

The black light instantly collided with Chen Ping's explosive fist wind!

A huge explosion sounded!

Chen Ping's fist was instantly shattered by the black light and hit Chen Ping hard!

Chen Ping's body was thrown directly into the air!

Chapter: 2537

He was thrown high and dropped hard again!

boom!

Chen Ping's body instantly smashed the entire martial arts arena into a deep pit!

You must know that this martial arts arena was specially built for everyone to compete. The materials used are extremely hard diamonds, and they are even blessed with formations.

But even so, a deep hole was still dug out!

Chen Ping gritted his teeth and slowly stood up from the pit!

At this time, Long Xiao looked down at Chen Ping from above, like a god!

“Hahaha, you are no match for me at all. Even if you are trying to be strong, what’s the use!”

Long Xiao had a sneer on his face.

Immediately, above Long Xiao’s head, another black light flashed, like a bolt of lightning, it shot out towards Chen Ping in an instant!

Long Xiao will not stop unless Chen Ping dies in front of his eyes!

Today’s battle was a battle of life and death. Someone had to die between him and Chen Ping.

Seeing this, Chen Ping made a move with his right hand, and the Dragon-Slaying Sword appeared in his hand!

Blessed by the power of the divine dragon, the dragon-slaying sword shines with light!

Wave after wave of breath came out from Chen Ping’s hand, lingering on the sword body of the Dragon Slayer Sword!

As if sensing Chen Ping’s dangerous situation, the Dragon-Slaying Sword kept buzzing!

“Nine Shadows Divine Sword, the first sword...”

Chen Ping shouted angrily, and the terrifying sword light suddenly burst out!

The sword light that shot out violently collided with the black light, but it had no effect at all.

Like a moth to a flame!

After the sword light touched the black light, it disappeared instantly.

When Chen Ping saw this, his expression turned extremely ugly and he gritted his teeth!

“The second sword...”

brush.....

Chapter: 2538

Another sword light shot out!

But the result is the same, the sword light collapses at the first touch and has no effect!

Seeing the black light getting closer and closer, a hellish death aura enveloped Chen Ping’s body!

Taking a deep breath, Chen Ping held the dragon-slaying sword and roared!

“ah.....”

Immediately afterwards, Chen Ping took the Dragon-Slaying Sword and faced the black light directly!

Rumble...

The golden gilt light and black light collided instantly, causing a huge wave of air!

The entire martial arts arena was instantly submerged in a white light!

Everyone closed their eyes, unable to bear the irradiation of this light!

It became so terrifying that it overturned many people a hundred meters away!

Slowly, the light dissipated and the air waves disappeared!

Everyone hurriedly looked towards the martial arts field and found that in the deep pit, Chen Ping was covered in blood, the light on his body had long disappeared, and the dragon-slaying sword was stuck beside Chen Ping!

“do you died?”

“You won’t die so easily, right?”

Everyone started talking quietly!

“Brother Chen.....”

When Zhao Chuang and the others saw this, they rushed forward like crazy.

Gu Ling’er also jumped up and was beside Chen Ping in an instant!

“Chen Ping, Chen Ping...”

Gu Ling’er kept calling Chen Ping, but except for some weak breathing, Chen Ping’s eyes were closed tightly, as if he didn’t know anything!

“Brother Chen, Brother Chen, wake up, you can’t die...”

Zhao Chuang cried. A grown man cried loudly in front of hundreds of people!

And Xiaoru looked at Chen Ping who was motionless, and the anger in her body was rising!

Chapter: 2539

Soon, a burst of white light appeared on Xiaoru’s body, and then a pair of white armor appeared, wrapping Xiaoru’s body completely!

Rays of holy white light enveloped Chen Ping, as if they were healing Chen Ping!

However, Chen Ping remained motionless, obviously it was of no use!

“Haha, you can’t save him...”

Long Xiao laughed wantonly.

Zhao Chuang and the others all looked at Long Xiao angrily, their auras rising rapidly!

Even if they die, they can’t watch Long Xiao kill Chen Ping!

“You ants, are you still trying to stop me?”

Long Xiao felt the killing intent on several people and smiled even more proudly.

None of Zhao Chuang or the others spoke, but the cold gleams in their eyes indicated that they were going to fight desperately.

“Mr. Shi, what should I do?”

At this time, Xing Jun in the crowd asked Mr. Shi in a low voice.

Now Chen Ping is about to die, but Xing Jun finds that Mr. Shi is not ready to take action yet.

“Wait and see, Chen Ping won’t die so easily...”

Mr. Shi’s eyes narrowed slightly and he said calmly!

As soon as Mr. Shi finished speaking, he saw Chen Ping’s body suddenly emitting spots of light!

Chen Ping’s whole body seemed to turn into a ray of light!

Then there were dark clouds in the sky, lightning and thunder!

Chen Ping’s body slowly floated into the air, and his whole body was covered in that light!

“This...what is this?”

“Isn’t this a thunder disaster? Is Chen Ping about to break through?”

“How is it possible? Who’s going through the thunder tribulation in a coma?”

“Such a terrifying scene, how powerful must the thunder tribulation be?”

Everyone looked at the vision in mid-air and talked in shock!

Chapter: 2540

Rumble.....

Suddenly, there was a shocking thunder, followed by a bolt of lightning that instantly struck Chen Ping!

Chen Ping's body, which was originally floating in mid-air, was instantly slashed and dropped a lot, and bursts of burnt smell kept coming out!

Long Xiao looked at this scene and laughed!

"Hahaha, God is really helping me, even God can't stand this Chen Ping, he actually launched such a huge thunder disaster!"

"I don't need to do this. Chen Ping will be burned soon."

Long Xiao laughed wantonly.

Zhao Chuang was very anxious and jumped up to save Chen Ping!

Even the steel and iron bones can't withstand this kind of terrifying lightning disaster!

"Don't move. With your strength, if you can't reach me, you will be beaten to ashes by the power of thunder..."

"We have to believe in Chen Ping. I believe he will definitely be able to break through..."

Gu Ling'er pulled Zhao Chuang and said.

Zhao Chuang had no choice but to look up in the air and pray that Chen Ping could get through it!

Rumble.....

Waves of thunder rolled in, as if coming from the horizon!

Click...

Another bolt of lightning struck down, hitting Chen Ping's body hard!

This time, Chen Ping's body instantly burst into flame-like light!

Seeing this scene, some people sighed, while others were thankful!

Gu Ling'er and Zhao Chuang's faces were full of worry!

"The breakthrough of Da Wu Hou actually caused two thunder tribulations. It seems that this boy is really talented. Fortunately, you seriously injured him before he broke through. Otherwise, we would have been in trouble if we really wanted him to break through."

The old voice said in Long Xiao's mind.

Long Xiao also felt very lucky. Such a terrifying thunder tribulation really made Chen Ping break through. Long Xiao estimated that he would never be Chen Ping's opponent.

"Mr. Shi..."
