

## **The Order 2541**

Chapter: 2541

In the crowd, Xing Jun anxiously called Mr. Shi!

Now Chen Ping's body was obviously burning with flames, and he was about to be burned to ashes.

Mr. Shi stared closely at the flame-like light without saying a word!

Seeing this, Xing Jun could only turn his attention to Chen Ping again!

Under the gaze of everyone, the light on Chen Ping slowly dissipated, and Chen Ping, who was originally lying down, slowly stood up!

Chen Ping's eyes burst out with two scorching rays of light, and he glanced at everyone in mid-air!

"Brother Chen is not dead, Brother Chen is not dead..."

When Zhao Chuang saw this, he roared excitedly.

And everyone was sighing for a while, with faces full of surprise.

They couldn't figure out how Chen Ping survived this terrifying thunder disaster.

Seeing that Chen Ping was not dead, Long Xiao's expression turned extremely ugly!

At this moment, Chen Ping stood like an immortal in the sky, but the dark cloud above his head did not dissipate!

Rumble.....

Immediately afterwards, another thunderstorm came rolling in!

“What? Three thunder tribulations?”

“Is this fucking crazy?”

“It’s weird, it’s really weird...”

Everyone’s jaws dropped when they heard the sound of rolling thunder!

At this time, even Mr. Shi was slightly surprised!

The one who was most surprised was Long Xiao.

He broke through Da Wuhou and passed through a thunder tribulation!

Even so, he can be considered a unique and gifted person.

But now, Chen Ping has experienced three thunder tribulations?

How could this be?

Chapter: 2542

At this moment, Long Xiao’s originally arrogant self-confidence was completely shattered.

“Stop him quickly, stop him quickly, we must not let him survive the thunder tribulation, otherwise it will be over...”

At this time, the old voice in Long Xiao's mind urged hurriedly.

Long Xiao calmed down instantly. After taking a deep breath, black light began to emit from his body!

Soon, these black lights condensed on Long Xiao's palm!

"Stop him, he's going to attack Brother Chen..."

At this time, Zhao Chuang discovered that Long Xiao was going to take action against Chen Ping!

You must know that the moment of breakthrough is the most vulnerable time. If Long Xiao attacks Chen Ping at this time, Chen Ping will be in danger.

Zhao Chuang roared and rushed forward regardless of the danger.

"Ants....."

Long Xiao didn't even look at Zhao Chuang. With a wave of his hand, Zhao Chuang's body flew out instantly.

When Gu Ling'er saw this, he jumped up!

But just as he rushed toward Long Xiao, Gu Ling'er was instantly knocked away by a huge force!

The difference in strength between them is too big, and there is no way they can cause any stagnation or obstruction to Long Xiao!

Long Xiao's feet trembled slightly, and his whole body instantly jumped into the air.

But the moment Long Xiao just jumped up, a holy white light enveloped Long Xiao!

This white light caused Long Xiao to freeze, and the soul in his body hid instantly!

I saw Xiaoru wearing white armor, with streaks of white light emanating from her body, restraining Long Xiao!

The thunder is getting closer and closer, and the thunder disaster is about to start!

“ah.....”

Long Xiao knew that time was running out. After shouting loudly, he broke free from the shackles of the white light in an instant.

And Xiaoru felt like she was hit hard. After spitting out a mouthful of blood, she fell to the ground instantly!

“go to hell.....”

Long Xiao’s whole body turned into a black light and headed towards Chen Ping!

Chapter: 2543

Click.....

At this moment, thunder disaster came again!

Huge lightning struck down hard!

And Long Xiao also arrived in front of Chen Ping, but was instantly knocked away by the terrifying power of thunder!

Long Xiao could only watch helplessly as this thunderstorm struck Chen Ping!

A ray of light shot out from Chen Ping's body, and his whole body seemed to be penetrated!

Long Xiao prayed silently, praying that Chen Ping wouldn't be able to withstand this thunderstorm!

You must know that these are three thunder tribulations, and each thunder tribulation is more powerful than the last.

Everyone was watching nervously. They were all waiting to see if Chen Ping could withstand this thunder disaster!

Even Mr. Shi's face showed a trace of nervousness!

At this moment, Chen Ping's entire body became transparent, and the bones and blood on his body were clearly visible!

The Dantian in Chen Ping's body was spinning crazily, while the Nascent Soul was quietly changing!

Yuanying, who was originally only the size of a thumb, slowly began to grow, and his facial features began to be clearly visible!

This is simply a smaller version of Chen Ping!

However, as Nascent Soul's facial features change, Chen Ping's physical features are also changing!

In theory, in the realm of transformation, you can not be controlled by the laws of heaven and earth, and you can change your physical features at will!

But now in this spiritually exhausted social context!

Is it possible to realize the ability of transforming into a physical form that can change physical characteristics?

However, Chen Ping doesn't care about the changes in physical characteristics. What he needs is strength and changes in strength!

Suddenly, Chen Ping opened his eyes, and in an instant, two rays of light shot out from Chen Ping's eyes!

The dark clouds in the mid-air disappeared instantly under the illumination of this light!

But at this moment, the aura on Chen Ping's body had made a qualitative leap and change!

Even Chen Ping's physical body is more than ten times stronger!

This is a big breakthrough, bringing various benefits!

Chapter: 2544

Looking at Chen Ping's breakthrough, Long Xiao's face looked as ugly as if he had eaten shit!

Chen Ping didn't break through, but when Wu Hou was at his peak, Long Xiao couldn't defeat Chen Ping quickly.

Now that Chen Ping has broken through, it is almost impossible to defeat Chen Ping. Moreover, Chen Ping has still broken through three thunder tribulations, which is simply abnormal!

"Go...go quickly..."

In Long Xiao's mind, the old voice urged!

Long Xiao turned around and was about to run away, but just as he turned around, Chen Ping's voice came to his ears.

"The outcome has not yet been decided, why do you want to run away?"

"Didn't you say that one of us must die today?"

Chen Ping said coldly.

Long Xiao was shocked. He didn't know why Chen Ping suddenly appeared next to him?

"Keep running and ignore him..."

In my mind, the old voice urged!

Long Xiao didn't look back and continued to run away!

On Long Xiao's back, a black shadow appeared, and then a big black hand slapped Chen Ping!

This is the spirit showing up, and he is delaying Chen Ping so that Long Xiao can escape!

"Hmph, it's just a soul without a local, but it dares to attack me..."

Chen Ping snorted coldly, and shot out his palm instantly. Golden light flashed out of his palm, with light blue flames!

The moment Chen Ping touched the big black hand, he blew it open, and a scream came from behind Long Xiao!

Long Xiao didn't dare to look back, so he could only run as hard as he could, with the cold sweat on his forehead constantly flowing down!

At this moment, Long Xiao had already lost his confidence and was terrified inside!

"Quickly, use space magic to trap him..."

The old voice said in Long Xiao's mind.

Moreover, there was a hint of fear in this voice. As soon as he took action, Chen Ping was injured, and this soul was also scared!

Long Xiao hurriedly activated the magic formula, and then the entire void began to twist and deform!

Chapter: 2545

Chen Ping and Long Xiao, who were originally in tandem, now seemed to be far apart, yet very close at the same time!

"Space magic?"

Chen Ping raised the corner of his mouth: "This space spell is not very good at performing it!"

Chen Ping said, punching the void in front of him, and saw a golden light flashing in the void, followed by an explosion!

The entire void was shattered by Chen Ping in an instant!

The void shattered, and Chen Ping could see clearly again that Long Xiao was running ahead with a look of panic on his face!

“Still want to run...”

Chen Ping took a step forward, and his figure instantly appeared in front of Long Xiao. Then his golden fist hit Long Xiao’s chest hard, and Long Xiao spurted out a mouthful of blood.

Long Xiao’s body instantly flew up, forming a parabola in mid-air. Long Xiao, who had already escaped some distance, was punched back by Chen Ping back to the martial arts arena!

Long Xiao’s body hit the martial arts field heavily, and he looked around with horror in his eyes!

Everyone looked at Long Xiao and burst into bursts of laughter and contempt!

Long Xiao stood up and glanced at the people who were laughing at him.

Feeling the murderous intent in Long Xiao, those people shut their mouths instantly, because the battle was not over yet. Who could guarantee that Chen Ping would be the winner in the end?

Just now, Chen Ping was still at a disadvantage, but he made a breakthrough in the battle. If Long Xiao got some chance and defeated Chen Ping, wouldn’t those who laughed at him die without a burial place?

Chen Ping’s body slowly fell from the air and landed in front of Long Xiao.

“I said, you can’t escape. One of us must die...”

Chen Ping looked at Long Xiao and said coldly.

“How could you even break the void?”

Long Xiao’s eyes were full of panic, and his brows were knitted tightly together.

“I won’t just break the void, I will also break your head...”

After Chen Ping finished speaking, he stepped out with his foot, and then swung out his extremely powerful fist in an instant!

Above the fist, golden light flashed, with a devastating force, and the whole world changed color!

Long Xiao was shocked, black light rose up from his body, trying to block Chen Ping’s attack!

boom!

Chapter: 2546

But it was useless, the black light on Long Xiao’s body was instantly shattered, and then the whole person was knocked away!

Long Xiao was vomiting blood in mid-air and his expression was extremely ferocious!

When everyone saw this scene, they all became excited and started shouting again.

“Beat him to death, beat that Long Xiao to death...”

“Come on, we must not let Long Xiao live!”

“I’m going to cut him into pieces with a thousand knives...”

Many people began to cheer for Chen Ping and unanimously denounced Long Xiao!

Zhao Chuang listened to the shouts of the crowd, his eyes full of disdain, these idiots will support whoever is stronger!

Long Xiao was furious when he heard the crowd's roars, but there was nothing he could do.

At this time, Chen Ping turned to look at the crowd. The people sitting here were all people from Kyoto's martial arts world, including almost all martial arts families!

"What does it have to do with you whether I kill him or not? Don't think that I have forgotten how you people targeted me..."

Chen Ping's face was cold and his tone was gloomy!

In one sentence, all the guys in the martial arts world were shut up, and their expressions were full of embarrassment!

"Hahaha, these guys are just fagots. It's sad to have people like you in Kyoto's martial arts world..."

"Chen Ping, you can be considered a man, use all your strength and fight to the death with me..."

Long Xiao wiped the blood from the corner of his mouth, and the soul in his body slowly appeared. The entire black mist enveloped Long Xiao's whole body!

"Fight to the death with you?"

The corners of Chen Ping's mouth raised: "You are not worthy yet..."

After saying that, Chen Ping's figure instantly turned into a golden light, and in a blink of an eye, he arrived in front of Long Xiao!

boom!

Another punch, but this one hit Long Xiao's chest directly with ground-breaking force, causing Long Xiao's chest to sink and his whole body to twist!

"This Chen Ping is far more powerful than I thought. I was worrying too much..."

On the stands, Mr. Shi stood up slowly and left directly.

He felt that it was unnecessary for him to come here. He should imagine Chen Ping and believe that Chen Ping could win!

Chapter: 2547

"ah....."

Long Xiao roared, filled with anger and didn't know how to vent it!

He found that in front of Chen Ping, he didn't even have the ability to fight back!

This sudden strength gap is difficult for Long Xiao to accept!

"Calm down, calm down..." The old voice in Long Xiao's mind kept reminding: "We still have a chance..."

After the old voice finished speaking, he saw black figures struggling out of Long Xiao's body!

Like a clone, every struggling figure carries endless aura!

Long Xiao looked at the figures that kept appearing, and he felt a little stupid!

He doesn't even understand what these are!

“These are resentful souls whose strength has been absorbed by you. Now you listen to me and take action...”

The old voice urged Long Xiao to take action against Chen Ping!

Long Xiao shouted angrily, and then his figure flashed, heading towards Chen Ping in an unpredictable manner!

Long Xiao moved, and those black shadows also moved at the same time.

Long Xiao’s whole body was mixed in the shadows, and he couldn’t be seen at all.

The aura keeps rising, and every black shadow can add strength to Long Xiao’s attack!

Soon, a vast force erupted, and countless black shadows overlapped and finally converged on Long Xiao!

Chen Ping watched Long Xiao’s attack calmly!

There was no expression on his face, he just stood there quietly.

After Long Xiao arrived in front of him, Chen Ping clenched his fist and punched out under the flash of golden light!

Chen Ping knew that in the face of absolute power, all gorgeous tricks were illusions!

With one punch, golden light suddenly appeared, and a force that swallowed mountains and rivers instantly flooded the entire martial arts arena!

Even the mountains not far away were shaking and making sounds under this huge force at this moment!

Long Xiao frowned, he felt a danger approaching!

There was fear in Long Xiao's heart, and this fear made it impossible for him to display his domineering spirit again!

Chapter: 2548

Long Xiao was just scared by Chen Ping...

"waste....."

The old voice snorted disdainfully, and he could feel the fear in Long Xiao's heart!

With an angry roar from the soul, the dark shadows that had gathered around Long Xiao unexpectedly appeared again and surrounded Chen Ping!

Only then did Long Xiao realize that it was not him who was really attacking, but that he was just a bait!

Chen Ping's punch hit Long Xiao's body hard. Long Xiao's body instantly burst and blood spurted out!

But at the same time, Chen Ping was also shrouded in countless black shadows, trying to devour Chen Ping like thousands of ghosts eating his heart!

Long Xiao fell to the ground, his heart full of anger, and it was very difficult to stand up!

But seeing Chen Ping trapped, Long Xiao's anger also subsided a lot!

Long Xiao never thought that he would be betrayed by the soul in his body!

“You don’t have to be angry. Everything you have now is given by me. If I can give it to you, I can also give it to others. Go and kill Chen Ping now...”

The old voice said slowly.

Long Xiao stood up and glanced around. Everyone felt Long Xiao’s gaze and lowered their heads one after another!

Finally, Long Xiao’s eyes fell on the master of the Long family!

“You guys come here...”

Long Xiao ordered to several people.

Several experts from the Long family walked over cautiously.

“Master, what are your orders?”

Several experts from the Long family asked.

“Leverage your strength...”

After Long Xiao finished speaking, several black rays of light instantly shot out from his palm, hitting several Long family masters in an instant!

Then, using the black light as a guide, the energy from several Long family masters continued to surge towards Long Xiao’s body!

Several Long family masters struggled, but to no avail!

In just ten seconds, several masters of the Long family have become mummies!

Chapter: 2549

Long Xiao also felt more comfortable than ever before!

“This time, let’s truly integrate...”

The old voice sounded slowly, and then Long Xiao felt the aura in his body rising continuously!

Slowly, a huge black shadow appeared behind Long Xiao!

A black figure was seen holding a fly whisk, hanging behind Long Xiao. Everyone looked at the scene in front of them in surprise.

This was the first time they saw what the soul looked like.

Long Xiao didn’t notice the changes behind him, but suddenly swung out a palm, and a giant palm instantly appeared in mid-air, and a terrifying aura rolled in!

This palm was shot directly towards Chen Ping. Now Chen Ping was trapped and had no way to deal with this palm!

“Do you really think you can trap me like this?”

With a sneer, Chen Ping’s golden light flashed, and then a holy and pure light rose into the sky!

The dark shadows that trapped Chen Ping were instantly wiped out by this light!

Chen Ping, on the other hand, lightly slapped Long Xiao’s huge palm to pieces!

“It turns out that the soul in your body is a demon...”

Chen Ping looked at the black figure behind Long Xiao and said coldly.

Long Xiao’s face was extremely ugly. It turned out that Chen Ping had deliberately pretended to be trapped just now. It seemed that he was happy in vain.

Long Xiao has used almost all his strength now, but he can’t do anything to Chen Ping!

Even the souls are truly integrated now, but there is still nothing they can do against Chen Ping!

Long Xiao couldn’t understand why Chen Ping was so strong and why he could dominate him in every aspect.

Long Xiao’s face was ugly, but the soul behind him had an even uglier face than him!

The reason why he followed Long Xiao’s true fusion was so that he could kill Chen Ping!

But he didn’t expect Chen Ping to pretend to be trapped.

Now that the soul has truly merged with Long Xiao, it means life and death. If Long Xiao dies, the soul will also be gone.

After living for thousands of years, I have always dreamed of being reborn, but if my soul is lost like this, how can this soul accept it?

“I will never allow failure...”

Chapter: 2550

Long Xiao roared, but the voice he made was very old and hoarse!

Chen Ping knew that this was the voice of the soul!

Soon, the soul waved the dust in its hand, and a huge black hole appeared above their heads. The black hole, with endless suction, planned to suck Chen Ping into it!

With the emergence of the black hole, waves of trembling aura continued to spread, and everyone became nervous!

“All things are born, all things are destroyed, all things have their destination...”

Long Xiao kept chanting something, and the aura emanating from the black hole became more and more terrifying!

Chen Ping looked up at the black hole, and finally there was a hint of solemnity on his face!

“You want to send me away?”

Chen Ping narrowed his eyes slightly: “But I break this space...”

Chen Ping’s body jumped up and headed straight for the black hole.

As he jumped up, Chen Ping’s body exuded endless golden light.

“Holy Light Fist.....”

White streaks of holy light continue to move toward the black hole!

Holy Light Fist is also an ancient art. It was passed down to Chen Ping by an old devil who has existed for thousands of years. The secrets in it are naturally unfathomable!

Even Chen Ping himself failed to fully understand the mystery of Holy Light Fist!

Rays of holy light were swallowed up by the black hole!

“Hahaha, it’s useless. This is a summons from the underworld. Nothing can stop it.”

The soul laughed.

Chen Ping didn’t make a sound, but kept waving his fist towards the black hole, and the holy light disappeared into the black hole!

Soon, the world trembled, and then the entire sky began to twist, as if it was being pulled hard.

boom.....

A white light burst out of the black hole, as bright as the sun.

And the black hole also disappeared without a trace in an instant under this intense white light!

The light gradually faded, and the sky returned to its original appearance!
