

The Order 2551

Chapter: 2551

Long Xiao was dumbfounded, and the soul behind Long Xiao was also dumbfounded...

“That’s it?”

Chen Ping smiled coldly!

After saying that, Chen Ping jumped up, and then a golden spiritual power hit Long Xiao!

boom!

This punch directly caused Long Xiao to spit out blood, and the soul behind him also swayed and became dim.

“Fight your best, neither you nor I can escape...”

Soul said to Long Xiao as if he was resigned to his fate.

After hearing what the soul said, Long Xiao’s heart almost collapsed. He relied on the soul in his body, but now the soul said such things!

Then wouldn’t they be doomed?

Long Xiao didn’t want to die. He finally broke through to Da Wuhou, but he still hadn’t enjoyed enough the feeling of being worshiped by others!

“Chen Ping, I admit defeat, I admit defeat...don’t kill me, don’t kill me...”

Long Xiao collapsed, completely collapsed.

He doesn't want to die, and he doesn't want to keep fighting!

He only hoped that Chen Ping could bypass him!

At this time, the soul in Long Xiao's body became anxious. Long Xiao was completely collapsed now, and there was no longer any hope.

The soul now regrets that it was completely integrated with Long Xiao.

Now that the two of them live and die together, Long Xiao's collapse has made the soul very passive!

"You bastard, what are you doing? What are you doing?"

The soul roared.

But Long Xiao seemed to not hear it, ignored it completely, and continued to follow Chen Ping to beg for mercy!

"Chen Ping, I know your identity. I am your brother. You can't kill me. We are a family..."

Long Xiao wants to play the emotional card with Chen Ping. As long as he can survive, Long Xiao can do anything!

"Shut up, I don't have a family like you!"

Chapter: 2552

It didn't matter if Chen Ping didn't listen to what Long Xiao said. The more Long Xiao said this, the more angry Chen Ping became!

His mother has been imprisoned for more than 20 years, but Long Xiao still has the nerve to claim that they are a family member!

Chen Ping's face was cold, and the golden light on his body kept flashing, and he walked towards Long Xiao step by step.

Long Xiao knelt down to Chen Ping with a bang!

Under the gaze of everyone in the martial arts world, he actually knelt down in front of Chen Ping!

At this moment, Long Xiao was completely defeated!

"Hahaha, I didn't expect that Long Xiao is also a coward."

"Isn't he crazy some time ago? He wanted to be the number one in the martial arts world, but now he's kneeling down."

"He's just a guy who is strong on the outside but useless on the inside..."

Seeing Long Xiao kneeling down, many people began to mock loudly!

"Trash, what a trash, why did I choose your body in the first place..."

The soul cursed angrily, and then a ray of consciousness instantly broke through Long Xiao's brain!

The soul must completely control Long Xiao's body, otherwise they will definitely die!

Just after Chen Ping approached Long Xiao, a cold air suddenly emerged from Long Xiao's body.

Then Long Xiao, who knelt on the ground, suddenly rushed towards Chen Ping, roaring from his mouth!

Although Chen Ping was on guard, he was still beaten back again and again!

But now Chen Ping's physical body has reached the extreme level of strength. Even if Long Xiao suddenly takes action, Chen Ping cannot be hurt at all.

Although Long Xiao is now controlled by the soul, the strength of the soul has also dropped a lot, and I am afraid it is not as strong as the strength exuded by Long Xiao!

It's just that this soul doesn't want to sit back and die, because he knows that even if he kneels down to Chen Ping, he still can't escape the fate of death!

Chen Ping held the golden light in his hand and punched Long Xiao hard on the chest!

In an instant, a big hole was punched out in Long Xiao's chest, and a black shadow was forced out of Long Xiao's body in an instant!

The black figure fell to the ground and seemed to want to say something, but was punched out by Chen Ping.

Without his soul, Long Xiao regained control of his body. Looking at the blood hole on his chest, Long Xiao's eyes were full of horror!

"Please, let me go, let me go..."

Chapter: 2553

Long Xiao cried, his face full of prayer!

"I won't let you go, not just you, I won't let anyone in the Long family go..."

After Chen Ping finished speaking, he punched Long Xiao hard on the head!

In an instant, Long Xiao's head was smashed to pieces, and the breath on his body slowly drained away, until finally there was no trace of breath left.

Looking at the dead Long Xiao, Chen Ping didn't even have the slightest joy of victory in his heart!

Slowly walking down the martial arts field, Chen Ping left without looking back...

"Long family, I'm here..."

Chen Ping's eyes flashed with coldness.

Long family!

At this moment, there is a headless corpse placed in the hall of the Long family. This corpse belongs to Long Xiao.

Long Jingguo looked at his son's body and couldn't believe it for a long time!

"No...impossible, this is definitely not my son. My son is the Great Wuhou, no one can kill him..."

Long Jingguo shook his head desperately. Because he didn't have a head, Long Jingguo didn't want to believe it!

Because of this, he can always think that his son is still alive!

"Master, this is indeed the body of the young master. Chen Ping also broke through to Dawuhou, so the young master will..."

Long Xingxu said softly at the side.

“Shut up, shut up...”

“My son will not die, Xiao’er will not die, he will be back soon...”

Long Jingguo yelled, he was unwilling to admit that this was true.

Long Xingxu stepped aside, his face expressionless, and he stopped talking.

After a while, Long Jingguo seemed to accept the reality and burst into tears.

“Xiao’er, my son, why are you dead? Why are you dead...”

Long Jingguo threw himself on Long Xiao’s body and kept crying.

“It’s all that Chen Ping, I will definitely avenge you, avenge you...”

Chapter: 2554

Long Jingguo wiped away his tears, his eyes a little more fierce.

Get up directly and head towards the Long family’s dungeon!

Long Jingguo came to the dungeon, his face full of anger!

At this time, Long Ruotong saw Long Jingguo coming and stood up directly.

Over the years, she has become accustomed to Long Jingguo flogging her every time he comes!

Sure enough, Long Jingguo took off the whip and whipped Long Ruotong hard.

He wanted to vent all his anger on Long Ruotong!

Soon, Long Jingguo became tired from the beating and gasped for air!

“Your son killed my son. I will definitely avenge this. I will let you watch your son die with your own eyes...”

Long Jingguo said fiercely to Long Ruotong!

When he heard the mention of his son, the expression on Long Ruotong’s face changed slightly!

But it quickly flashed by. After so many years, Long Ruotong didn’t want Long Jingguo to catch any of his weaknesses!

Long Ruotong knew that the more she cared about her son, the more dangerous his son would be!

Seeing that Long Ruotong’s expression remained unchanged, Long Jingguo walked out of the dungeon angrily!

“Sir, someone informed me that Chen Ping is coming to the Long family. He is a great Wuhou. How should we deal with it?”

Long Xingxu asked quickly.

A great Wuhou could completely wipe out the entire Long family.

Long Jingguo fell into deep thought. He didn’t know what to do. What could the Long family do against a great Wuhou?

Although he kept saying that he wanted to avenge his son, he didn't have the strength.

After pondering for a moment, Long Jingguo's eyes flashed with coldness and he gritted his teeth!

"Xingxu, go and gather everyone in the Long family to prepare against foreign enemies..."

Long Jingguo ordered to Long Xingxu.

After sending Long Xingxu away, Long Jingguo walked into the study silently!

Soon, Long Jingguo came out with a letter, and then opened a secret room in the backyard of the Long family. In the secret room, four people were resting. These four people were the strongest people in the Long family. It is the state of Wuhou in his later period.

Chapter: 2555

However, few people know the existence of these four people. This is Long Jingguo's trump card and will not be exposed easily!

But this time, Long Jingguo had to use them. Even if these four people came forward, Long Jingguo knew that they would not be Chen Ping's opponents. Long Jingguo had other plans for them.

"The four of you, take my letter and escort someone to Zixiao Mansion..."

Long Jingguo said to the four people.

"Master, who are you escorting?"

one of them asked.

“Don’t ask so many questions. Send the person there and come back soon...”

After Long Jingguo finished speaking, he ordered people to wait outside, and he walked into the dungeon again!

When he came out, there was one more person. He saw that this person’s hands and feet were chained with iron chains, and his head was covered with black gauze, making it impossible to tell his appearance.

“Remember, the letter must be given to a person named Han Fusheng. Do you understand?”

Long Jingguo warned solemnly again.

Soon, the four people escorted the person away, and Long Jingguo took out some dark stones from the secret room and placed them all in the dungeon!

“Chen Ping, even if I die with you, I will kill you...”

Long Jingguo’s eyes were filled with fierceness!

But what Long Jingguo did was witnessed by Long Xingxu who was hiding aside.

Long Xingxu knew that the Long family was now at a moment of life and death.

It is impossible for the Long family to deal with a great Wuhou.

“Long Jingguo has hidden so many thunder stones. Does this mean that the entire Long family will be wiped out along with Chen Ping?”

Long Xingxu narrowed his eyes slightly and frowned tightly!

“who?”

Long Jingguo seemed to sense someone around him, and asked alertly.

Long Xingxu was startled and quickly backed away, while Long Jingguo walked towards him with a vigorous step.

Seeing that Long Xingxu was about to be discovered, an extremely domineering aura instantly covered the entire Long family!

Then there was a loud bang!

Chapter: 2556

The main door of the Long family was blown down!

“Long Jingguo, get out of here...”

Chen Ping’s voice came rolling in mid-air!

Long Jingguo’s expression changed, and then he jumped up and headed towards the front yard!

Long Xingxu secretly breathed a sigh of relief and hurried towards the front yard!

When Long Jingguo rushed to the front yard, he found many corpses lying on the ground!

In just a short moment, Chen Ping actually killed so many people from the Long family.

“Chen Ping, you killed Xiao’er and still dared to come to the Long family. You are simply bullying others...”

Long Jingguo glared at Chen Ping and shouted loudly!

At this moment, Long Jingguo felt an indescribable feeling in his heart.

A few months ago, when he saw Chen Ping, he only thought of Chen Ping as an ant!

But now, Chen Ping has become a figure that he cannot reach!

“Too much bullying?” Chen Ping smiled coldly: “I not only want to kill your son, I want to kill the entire Long family. If you obediently release my mother, I can make your death more comfortable...”

“Presumptuous, how can you say that you also have the blood of my Long family, and I am also your elder. Is this how you talk to your elders?”

Long Jingguo scolded Chen Ping angrily.

“elder?”

“You are worthy...”

After Chen Ping finished speaking, in a flash, he was already in front of Long Jingguo, and then he slapped Long Jingguo hard on the face!

Long Jingguo had no time to dodge and was slapped so hard that all the teeth in his mouth fell out.

As the head of the Long family, he was slapped by Chen Ping in front of many servants. This made Long Jingguo very embarrassed!

“Chen Ping, if you can, kill me. I will make it impossible for you to see your mother in your lifetime...”

Long Jingguo gritted his teeth and threatened Chen Ping loudly!

Long Jingguo's words really stunned Chen Ping.

His mother was still in the hands of Long Jingguo, so Chen Ping didn't dare to act too rashly!

Chapter: 2557

Seeing Chen Ping being frightened by him, Long Jingguo instantly became proud.

"You go and kowtow to my son now. If you satisfy me, I can consider letting your mother go..."

Long Jingguo said to Chen Ping.

Chen Ping's eyes narrowed slightly, staring closely at Long Jingguo.

"You are worthy of letting me kneel down..."

After Chen Ping finished speaking, waves of terrifying pressure suddenly erupted from his body!

Under this pressure, everyone in the Long family felt their shoulders sink and fell to their knees heavily. Some of the weak ones vomited blood and died on the spot!

Even Long Jingguo held on to the pressure and finally fell to his knees helplessly!

Chen Ping looked down at Long Jingguo who was kneeling in front of him: "I tell you, you have no qualifications to talk to me. You have no other choice but to listen to me. I will find ten thousand ways to make your life worse than death." ..."

As Chen Ping said, a golden light instantly penetrated Long Jingguo's body.

Soon, Long Jingguo felt an unbearable itching all over his body, and there was also a heartbreaking pain.

It's like thousands of ants eating your heart, not to mention how painful it is!

Long Jingguo rolled on the ground with a ferocious expression!

The old and dignified Wu Hou was now like a rogue, rolling on the ground!

The servants of the Long family, seeing Long Jingguo like this, had indescribable expressions on their faces.

Only Long Xingxu was kneeling on the ground, with a bit of coldness in his expression!

"Okay, I'll let you go, I promise you, let your mother go..."

Long Jingguo gasped for air, and the intense torture made him agree to Chen Ping's request.

Seeing that Long Jingguo agreed, Chen Ping waved his hand, and the golden light shot out from Long Jingguo's body instantly!

At this time, Long Jingguo was already covered in cold sweat. He exhaled heavily and then stood up!

"take me....."

Chen Ping said coldly to Long Jingguo.

He knew that only Long Jingguo could open the dungeon.

Long Jingguo nodded, then turned and walked towards the backyard, while Chen Ping followed behind.

Chapter: 2558

“can not go.....”

At this moment, Long Xingxu, who was kneeling on the ground, suddenly stood up and said to Chen Ping.

Chen Ping looked at Long Xingxu and asked, “What’s going on?”

When Long Jingguo saw Long Xingxu suddenly stood up, he immediately gave Long Xingxu a fierce look!

“Chen Ping, you can’t go to the dungeon. Your mother is no longer in the dungeon now. There are thunder stones in the dungeon. Even if you are Daluo Jinxian, you will be blown to pieces.”

“Long Jingguo is planning to use the entire Long family to die with you...”

Long Xingxu said to Chen Ping.

Chen Ping was startled and turned to look at Long Jingguo!

Long Jingguo was going crazy at this time and shouted: “Long Xingxu, what the hell are you talking about? I will kill you...”

Long Jingguo never expected that Long Xingxu, who had always been loyal to him, would suddenly say such words at this time!

Long Jingguo took action against Long Xingxu, and he struck hard every time. After all, Long Jingguo was a veteran Wuhou. Although he couldn’t beat Chen Ping, to deal with Long Xingxu, it was not just a slap in the face!

But who would have expected that Long Jingguo slapped Long Xingxu with his palm, and Long Xingxu narrowed his eyes, and a Wuhou aura suddenly burst out from his body.

A palm was pushed out, followed by Long Jingguo's palm, and they collided hard.

boom.....

There was a violent explosion.

Long Jingguo's body actually took a few steps back, while Long Xingxu took a step back and stabilized his figure!

This sudden change stunned everyone.

Chen Ping also frowned. He didn't expect that Long Xingxu's strength was so high.

But Long Xingxu hid it so deeply that Chen Ping didn't even notice it!

"Long Xingxu, you...you...when did you become so strong?"

Long Jingguo looked at Long Xingxu with a shocked face and asked.

"As a collateral member of the Long family, I am also a member of the Long family. I am loyal to the Long family..."

"For so many years, as the head of the Long family, you only gave the best resources to your son, and we got nothing!"

"Since you don't give me resources, I can only obtain them in my own way."

Chapter: 2559

“I have been practicing secretly in order to one day become the head of the Long family and replace you and your son...”

Long Xingxu said to Long Jingguo with a sneer.

Long Jingguo seemed to suddenly realize at this moment: “The dragon spring water was not originally exhausted, but was stolen by you?”

Only then did Long Jingguo understand why the Longquan water, the most important resource of the Long family, was becoming less and less, and finally almost exhausted.

It turns out that Long Xingxu has been secretly taking it!

Long Xingxu was responsible for Longquan water, and Long Jingguo had never doubted it. Now that he thinks about it, it's really ironic.

“You traitor, I will never forgive you...”

Long Jingguo was furious and rushed towards Long Xingxu again.

But as soon as he took two steps, he was controlled by a huge suction force. Chen Ping waved and held Long Jingguo in his hand!

“How dare you lie to me?”

Chen Ping glared at Long Jingguo, and then punched Long Jingguo hard in the chest!

Long Jingguo spurted out a mouthful of blood, with a ferocious look on his face!

“Chen Ping, if you kill me, kill me, you will never know where your mother is...”

Long Jingguo gritted his teeth.

“Tell me, where was my mother hidden?”

Chen Ping held Long Jingguo’s collar and kept shaking and roaring.

“Haha, I just won’t tell you. I want you to never see me again...”

Long Jingguo laughed.

“ah.....”

As if going crazy, Chen Ping smashed towards Long Jingguo.

Punch after punch, punch to the flesh!

Long Jingguo’s face was so smashed that he was deformed, but he just didn’t say anything!

Long Jingguo could only breathe a dying breath, but still did not say where he had hidden Chen Ping’s mother.

“Your mother was sent to Zixiao Mansion by someone he sent...”

Chapter: 2560

At this time, Long Xingxu spoke!

“Zixiao Mansion?” Chen Ping frowned. He had heard this name before!

It seemed that Zixiao Mansion was the one who wanted to propose marriage to his mother. Later, his mother escaped from the marriage and was hunted down by people from Zixiao Mansion...

“Then where is Zixiao Mansion?”

Chen Ping asked.

Long Xingxu shook his head: “I don’t know either!”

Chen Ping set his sights on Long Jingguo: “Tell me, where is Zixiao Mansion?”

“I won’t tell you!”

Long Jingguo gritted his teeth and then glared at Long Xingxu!

“You don’t need to ask him. He sent four people there. When you come back, just ask those four people...”

Long Xingxu gave Chen Ping advice!

When Long Jingguo heard this, he immediately cursed: “Long Xingxu, you traitor to the Long family, you will not die well...”

“Am I a traitor to the Long family? You don’t even let your own sister go. No matter what I do, I’m better than a pig like you...”

Long Xingxu sneered!

Long Jingguo was so angry that his whole body was trembling. He never thought that he would be in this situation!

“Since it’s useless, then go die...”

Chen Ping looked at Long Jingguo coldly, and then stepped out!

puff.....

Long Jingguo’s head was crushed in an instant, and there was no sound for an instant!

After killing Long Jingguo, Chen Ping’s eyes swept across the rest of the Long family!

Feeling Chen Ping’s gaze, the others lowered their heads!

“Chen Ping, you and I share the blood of the Long family, and they don’t know anything about it. I hope you won’t kill them all...”

“As long as I become the head of the Long family, I will definitely announce to the entire martial arts world that our Long family will stand behind you and will never be your enemy.”

Long Xingxu said to Chen Ping sincerely.
