

## **The Order 2561**

Chapter: 2561

Chen Ping looked at Long Xingxu. He didn't know whether what Long Xingxu said was true or not, but the people of the Long family did not know. These things were all done by Long Jingguo.

"Okay, I believe you!"

Chen Ping nodded.

Long Xingxu was overjoyed. With Chen Ping's support, his position as the head of the Long family was almost guaranteed. Who in the Long family would dare to disapprove?

Long Xingxu naturally became the head of the Long family, while Chen Ping stayed in the Long family, waiting for the return of the four people...

Kunlun Mountain, at the foot of the mountain!

Four people were hurriedly walking forward with a man whose face was covered by a black scarf!

When they reached a boulder, the four people stopped!

After observing the surroundings, one of them stepped forward and muttered something. Then he saw a wave of void in mid-air, and then a dark crack in time and space appeared!

When the four people saw this, they hurriedly led people in, and then the crack was closed!

Soon, the scenery in front of the four people changed. The originally tree-lined environment was now indeed covered with snow!

Fortunately, these four people are all in the realm of Wuhou, so the coldness has no effect on them at all.

The four people looked up and saw a magnificent palace appearing not far away. Reflected in the white snow, the palace was very majestic!

“This is the legendary secret realm. If you can come here in your lifetime, it will be a worthwhile trip...”

One of them sighed and then walked towards the palace.

When the four of them arrived at the palace gate, they saw a plaque with three large gilt characters on it: Zixiao Mansion.

In front of the gate of Zixiao Mansion, two guards were wearing silver armor with stern expressions.

The aura on his body is very powerful, much stronger than these four people.

“Who are you?”

the guard asked coldly.

“We are from the Long family. We are here to deliver someone to Zixiao Mansion, and we have a letter to deliver to a man named Han Fusheng.”

One of the four people stepped forward and said cautiously.

“Bold, we, the master of Zixiao Mansion, are you too, can you call him by his first name?”

The two guards became angry, and their auras instantly exploded.

Chapter: 2562

The four Long family masters' legs weakened and they knelt on the ground!

These four people are all in the later stage of Wu Hou. They are considered masters in the Kyoto martial arts world, otherwise they would not be kept by Long Jingguo as their trump cards!

But now, these four Long family masters have no power to fight back in front of the two guards of Zixiao Mansion!

“Spare your lives, you two, we didn't mean it either...”

None of the four people expected that the man named Han Fusheng was actually the head of Zixiao Mansion.

If Long Jingguo explained it to them, they would never ask this question.

In fact, Long Jingguo didn't know that Han Fusheng was just a young master in Zixiao Mansion back then, and he was the one who fell in love with Chen Ping's mother, Long Ruotong.

Who would have expected that more than twenty years later, Han Fusheng would become the head of Zixiao Mansion.

“The master of the palace has an order to let them in...”

At this time, a light suddenly appeared in mid-air, and then a woman wearing a white dress walked out of the light!

The woman wears a hairpin and has fair skin, but judging from her appearance and clothing, she should be a servant of Zixiao Mansion!

The two guards nodded slightly when they saw the woman.

The four masters of the Long family stood up, took Long Ruotong with them, and followed the woman into the light!

The light disappeared, and the figures of several people also disappeared!

When the four Long family masters reacted, they found that they were already in a main hall!

The main hall is very large, but there is no one there!

The four masters of the Long family did not dare to breathe. Inside, the four masters of the Long family felt that they were not even as good as ants!

“Master of the Palace, people have been brought...”

The woman said to the chair made of white marble in front of her.

Just when the four Long family masters were wondering why this woman was talking to the air.

There was a fluctuation in the air, and then a middle-aged man suddenly appeared on the empty chair.

This man is Han Fusheng, the master of Zixiao Mansion!

The four Long family masters were dumbfounded. They had never seen such an advanced space spell before.

It’s simply amazing and endlessly varied!

Chapter: 2563

“This is our Palace Master. Didn’t you say you have a letter to give to the Palace Master?”

The woman asked the four Long family masters.

Only then did the four Long family masters react. They hurriedly took out the letter and stepped forward cautiously: "Palace Master Han, this is the letter our master dragged us to bring..."

A Long family master carefully handed over the letter!

Han Fusheng just waved, and the letter came into his hands.

After opening the letter, Han Fusheng only glanced at it, with a bit of surprise flashing in his eyes.

Followed by surprise with surprise and excitement!

Han Fusheng slowly raised his head, and finally his eyes fell on Long Ruotong, whose face was covered by a black scarf!

"I didn't expect it, I really didn't expect it..."

Han Fusheng stood up slowly, and then with a wave of his hand, the black scarf covering Long Ruotong's head fell to the ground, and Long Ruotong's peerless face was revealed!

Seeing Long Ruotong, the four masters of the Long family were obviously stunned!

They have been raised by the Long family and used as trump cards. Naturally, they also know Long Ruotong and know a thing or two about the changes in the Long family.

But they didn't expect that Long Ruotong was still alive!

"Tong'er, I didn't expect you to be really alive. It's great, it's great..."

Han Fusheng's face was full of joy and he walked quickly towards Long Ruotong.

Han Fusheng, who was not watching, took a step forward, but in just a blink of an eye, Han Fusheng was already in front of Long Ruotong.

Long Ruotong looked at Han Fusheng with no expression on his face.

But when Han Fusheng saw Long Ruotong being chained up, anger burst into his eyes!

"What a courage..."

Han Fusheng reached out and took off the iron chain from Long Ruotong's body. He looked at the four masters of the Long family and said, "What's going on?"

Sensing Han Fusheng's anger, the four Long family masters panicked.

"Palace Master Han, this is what our family master did, we have no idea what happened!"

The four people explained hurriedly.

"snort....."

Chapter: 2564

Han Fusheng snorted coldly and didn't even look at his move. The four Long family masters suddenly burned with light blue flames!

The four Long family masters screamed in an instant, just for a moment!

The four Long family masters were burned to ashes, and the last strong wind blew by, and even the ashes disappeared without a trace.

It was as if these four people had never been here!

Four masters of Wuhou's late-stage strength were dealt with in an understatement.

If everyone in the martial arts world sees it, their jaws will definitely drop.

After dealing with the four masters of the Long family, Han Fusheng looked at Long Ruotong: "Tong'er, I didn't expect to see you again. After more than twenty years, you are still so beautiful and charming."

"How have you been over the past few years? You ran away to avoid me. Do you know how sad I was?"

Han Fusheng looked at Long Ruotong in surprise and joy, but Long Ruotong said nothing and had no expression on his face. More than twenty years of imprisonment had long left Long Ruotong without any emotional fluctuations!

Except for Chen Ping, nothing would cause Long Ruotong to have any emotional fluctuations!

Seeing that Long Ruotong remained silent, Han Fusheng frowned slightly and stepped forward to gently take Long Ruotong's hand.

Long Ruotong didn't hide or speak, just like a robot!

But just when Han Fusheng took Long Ruotong's hand and was about to say something, his face suddenly changed wildly and his body quickly retreated!

"Mu Lan, take Tong'er to the side hall immediately and serve me well. If Tong'er is unhappy at all, I will kill you!"

Han Fusheng said to the female servant.

“Follow your orders!” Mulan’s face was full of nervousness, and he stepped forward to gently support Long Ruotong and walked towards the back.

“By the way, you must not let Madam know...”

Han Fusheng warned!

“As ordered...” Mulan helped Long Ruotong leave.

Just as Mulan helped Long Ruotong leave, a middle-aged woman hurriedly walked in from the front door!

“Madam, what’s so urgent?”

After Han Fusheng saw the middle-aged woman, he hurriedly stepped forward and asked.

It turned out that this middle-aged woman was An Lingrong, Han Fusheng’s wife.

“Qing’er, she.....”

Chapter: 2565

An Lingrong opened his mouth and stopped mid-sentence. Then he frowned slightly and looked around!

When Han Fusheng saw this, his expression changed, and he was obviously very nervous!

“Madam, what’s wrong with Qing’er?”

Han Fusheng asked.

But An Lingrong waved his hand, making Han Fusheng shut his mouth, and then closed his eyes slightly, as if he was feeling something!

When Han Fusheng saw this, cold sweat ran down his forehead.

He quietly pinched the magic formula with his right hand, and rays of light like fireflies scattered throughout the hall, seeming to be hiding some kind of aura!

Soon, An Lingrong opened his eyes, frowned and said, "Why do I feel that there is something feminine in this hall?"

"Where is it? Why can't I smell it?"

Han Fusheng pretended to smell it!

"Stop pretending to me, have women ever come to this hall?"

An Lingrong asked Han Fusheng.

"Oh, I remembered. Mulan came here just now, and I gave her some instructions..."

Han Fusheng hurriedly explained!

"Why do I feel that this smell doesn't taste like Mulan's?"

An Lingrong frowned, with a look of confusion on his face!

"Why not? You are just too worried. We are in a secret realm. Where can a woman come here..."

Han Fusheng stepped forward and put his arms around An Lingrong's shoulders, saying with a loving look.

"Huh, you guy, you are so lewd all day long. Let me tell you, there are no other women, and you are not allowed to have ideas about those maids. I have long seen that the way you look at them is wrong..."

An Lingrong snorted coldly.

"Madam, where are you thinking? After all, I am also the master of the palace. How can I be fooling around with those maids..."

Han Fusheng said pretending to be angry. After he finished speaking, he quickly asked: "By the way, what did you just say about Qing'er?"

"Oh, Qing'er ran away..."

An Lingrong said anxiously.

Chapter: 2566

"Run away? Did you run away to Sunset Cave again?"

Han Fusheng frowned.

"No, no, this time she ran away to the secular world and I couldn't keep an eye on her!"

An Lingrong waved his hands hurriedly and said.

boom.....

When Han Fusheng heard this, he suddenly broke out in a cold sweat, and his anger rose up: "Are those guards dead? Even the young lady can't watch, it's so damn..."

"I'll send someone to look for her right away. We must find Qing'er..."

Seeing Han Fusheng's angry look, An Lingrong hurriedly persuaded him, "You don't have to worry. Qiu Ju went out with Qing'er, so there shouldn't be any danger."

When Han Fusheng heard that someone was following him, he breathed a sigh of relief!

"If someone is following you, you have to send someone to find them quickly..."

Han Fusheng is such a precious daughter, and he doesn't want anything to happen to his daughter!

"I have already sent someone to notify Waning Moon Castle to ask Lu Chang to find Qing'er. This will also create space for the two children to come into contact..."

An Lingrong said.

When Han Fusheng heard this, he immediately laughed: "Madam is still smart. As long as our Zixiao Mansion and Canary Castle are married, the resources in the entire secret realm will belong to our two families..."

The secret realm where Han Fusheng and the others are located is vast, and there are many sect families in it. In order to compete for resources, the families in these secret realms will also fight!

Among this secret realm, the Sunset Cave and Waning Moon Cave have the most resources.

The Sunset Cave is on the territory of Zixiao Mansion, and the Waning Moon Cave is on the territory of Waning Moon Castle.

If the two families are married and share resources, then there will be no problems with other sect families.

When the two families unite, they can annex other families.

.....

Kyoto!

Chen Ping waited for three days in a row at the Long Family, but did not see the four masters of the Long Family come back, so he simply stopped waiting!

And Long Xingxu also stabilized the entire Long family in these three days, and then issued a statement on the martial arts forum!

Declaring that the Long family has left the Martial Arts Alliance and will follow Chen Ping's footsteps in the future!

Chapter: 2567

This statement instantly caused waves in the entire martial arts world!

"Damn it, it seems that the Long family has been defeated by Chen Ping."

"Didn't you see? The head of the Long family has changed. This should be a puppet supported by Chen Ping. I haven't even heard the name."

"Just wait, the martial arts alliance is going to be in trouble."

"I think it's not just the Martial Arts Alliance that's unlucky, there should also be those families who join the Martial Arts Alliance..."

In the forum, many people started talking about it!

Many families were afraid of Chen Ping's revenge and announced their withdrawal from the martial arts alliance!

Many families have also expressed their willingness to follow Chen Ping's footsteps and obey Chen Ping's orders!

But Chen Ping didn't care. He knew that these grassroots families only chose to follow him after seeing his current strength.

If one day, their strength fails, these families will definitely switch sides again!

So Chen Ping simply ignored those families who asked to follow him!

Chen Ping ignored it, but the Martial Arts Alliance couldn't sit still.

Within the Kyoto Martial Arts Alliance!

Ning Zhi's face was very ugly. He was crushed by Long Xiao, and now, Long Xiao was killed by Chen Ping.

The strength gap between him and Chen Ping is naturally self-evident!

Nowadays, many families choose to withdraw from the martial arts alliance, and many families of friends choose to follow Chen Ping. This makes Ning Zhi very embarrassed!

Now that Zhu Zhishan is dead, the mess of the Martial Arts Alliance will fall on him.

"How can this Chen Ping be so powerful?"

Ning Zhi couldn't understand what kind of skills Chen Ping had practiced. His strength had improved so rapidly, and he could easily handle leapfrogging battles!

"You have just stepped into Dawuhou. You still need to concentrate on your cultivation. Don't think about other things."

At this time, a voice sounded in Ning Zhi's mind.

Ning Zhi didn't want to think about it, but the facts were before his eyes. If Chen Ping brought trouble to the Martial Arts Alliance, how would Ning Zhi deal with it?

If the top management of the martial arts alliance is in such a mess now, who will bear the responsibility?

"Chen Ping will not let go of the Martial Arts Alliance. His next target will definitely be the Martial Arts Alliance. His girlfriend is still imprisoned here..."

Chapter: 2568

Ning Zhi frowned and said.

The soul no longer speaks, this is indeed a difficult knot to resolve.

Because the Martial Arts Alliance uses Su Yuqi's blood to continuously train masters!

Including Ning Zhi, it was only after taking Su Yuqi's blood that his strength improved so quickly.

"Deputy Leader Ning, then Chen Ping..."

A member of the Martial Arts Alliance walked in and wanted to report to Ning Zhi!

But before he finished speaking, Ning Zhi stretched out his hand, and a burst of force instantly blew the head of the martial arts alliance member open!

The smell of blood filled the air, making other members tremble with fear!

“Zhu Zhishan is dead, I am the leader of the alliance, please remember...”

Ning Zhi glanced at the other martial arts alliance members and said.

These people all lowered their heads and no longer dared to speak!

“It seems that we can only alert the higher-ups, otherwise it will be difficult for people like the Martial Arts Alliance to stop Chen Ping...”

Ning Zhi frowned. He knew that with the current strength of the martial arts alliance, there was no way he could stop Chen Ping!

But just as Ning Zhi finished speaking, he saw a burst of space fluctuations in the martial arts alliance hall, and then a man covered in black robes appeared.

The beauty on the chest of the man in black robe is silver, which is obviously more advanced than Ning Zhi's black copper robe!

“You all go down...”

Ning Zhi waved his hand and asked the members of the Martial Arts Alliance to go out.

After everyone left, Ning Zhi knelt down and worshiped: “I respectfully welcome the elder in black and silver robes...”

The black and silver robe took out a shining silver vajra directly from the black robe!

“The great power knows your situation and has specially ordered me to bring you a martial arts weapon. In critical moments, this martial arts weapon can keep you safe.”

The black silver robe said and handed the vajra to Ning Zhi!

Ning Zhi looked at the vajra, his eyes full of fire!

This is the Martial Saint Weapon, the weapon used by the real Martial Saint.

Although I don't know the current fate of the owner of this Martial Saint Artifact, this Martial Saint Artifact that has been infused with the power of the Martial Saint Artifact can easily deal with a great Wuhou!

Chapter: 2569

“I would like to express my gratitude to you. I will do my best to run the martial arts alliance well...”

Ning Zhi said with excitement.

“Almighty said, Chen Ping is also a rare genius. It would be best if he can win over him and make him his own. If not, make peace for the time being and don't have any more conflicts with him. You have more important things to do. !”

The black silver robe said.

“Elder in black and silver robes, Chen Ping's girlfriend is imprisoned in the Martial Arts Alliance dungeon. If you want to make peace with Chen Ping, you can only let his girlfriend go.”

Ning Zhi looked confused.

If Su Yuqi is not released, how can Chen Ping live peacefully with the Martial Arts Alliance!

“madness.....”

The black silver robe shouted coldly: “It’s just a woman, it won’t be that important. Now the martial arts alliance has so many resources, just promise some to Chen Ping. In the face of women and resources, I believe that all practitioners , will choose resources!”

“I see!”

Ning Zhi nodded repeatedly, he knew the consequences of offending an elder in black and silver robes!

Along with a burst of black mist rising, the black silver robe disappeared instantly!

Ning Zhi stood up with the vajra in his hand, his eyes full of fire!

With the Vajra here, Ning Zhi doesn’t want to make peace with Chen Ping!

He wanted to kill Chen Ping to avenge his father and the entire Ning family!

Just after Ning Zhi came up with the idea of killing Chen Ping for revenge, the soul in his mind suddenly said: “You’d better do what the mighty wants, otherwise you and I will die miserably...”

Soul’s words instantly made Ning Zhi suppress the thought of revenge!

“Someone is coming...”

Ning Zhi shouted.

“Ning... Alliance Leader, what are your orders?”

asked a member of the Martial Arts Alliance.

This member almost shouted the wrong thing and lost his life!

“Go find Chen Ping and give him a message. Just tell him that I want to invite him to come to the Martial Arts Alliance to discuss some things with him!”

Ning Zhi ordered.

Chapter: 2570

“Looking for...that Chen Ping?”

This member of the Martial Arts Alliance had horror in his eyes!

They all know Chen Ping’s current strength, and Chen Ping hates the Martial Arts Alliance. If they, the members of the Martial Arts Alliance, take the initiative to send them to Chen Ping, isn’t that asking for death?

“Didn’t you hear that?”

Looking at the frightened look of the martial arts alliance members, Ning Zhi frowned.

“Follow your orders, obey your orders...”

The martial arts alliance member hurriedly retreated!

Ning Zhi sighed: “I didn’t expect that Chen Ping would put so much pressure on the Martial Arts Alliance...”

“With the Martial Saint Weapon here, you don’t have to be afraid. Let’s talk...”

The soul spoke calmly.

“I’m afraid that Chen Ping will be fined if he doesn’t eat the toast. This guy is very strange.”

It’s not that Ning Zhi doesn’t want to talk. If he can really make peace, he will have the opportunity to practice peacefully.

When the time comes, as long as you are strong enough, are you afraid that you won’t find a chance to seek revenge against Chen Ping?

“When you are making peace, you have to show the martial arts weapon so that he can see the threat. It will be much easier...”

The soul is giving Ning Zhi advice!

“Right!”

Ning Zhi nodded.

.....

At this time, Chen Ping was at the Ge family. He did not wait for the four masters from the Long family. Chen Ping knew that if he wanted to get news about the Zixiao Mansion, he could only find Ge Fuhai!

Because Ge Fuhai is also an immortal cultivator and knows where the immortal cultivating sects are hidden, he should also know about Zixiao Mansion!

“Chen Ping, my father is not at home at all. He has been gone for a while. He said he was going to our Ge family. I don’t know where...”

Ge Jiayi said to Chen Ping.

“Since the head of the Ge family is not here, I won’t bother you...”

Chen Ping smiled slightly and said!
