

## The Order 2571

Chapter: 2571

Chen Ping knew that the Ge family land that Ge Fuhai mentioned must be the place where the Ge family's cultivating immortal family was hiding!

But since Ge Fuhai is not here, Chen Ping can only wait for a while before talking.

Just when Chen Ping turned around and was about to leave, Ge Jiayi suddenly blushed and said: "Chen Ping, you...can you stay a little longer? I want to talk to you..."

Ge Jiayi watched Chen Ping break through and Chen Ping kill Long Xiao, which shocked Ge Jiayi!

As the saying goes, beauties love heroes, at this time, Ge Jiayi had already fallen in love with Chen Pingchun!

She doesn't care if Chen Ping has a girlfriend...

How could Chen Ping not see what Ge Jiayi meant, but he was not in much mood to talk to Ge Jiayi at this time!

His mother was sent to Zixiao Mansion. Chen Ping didn't know what his mother would go through, so he was very anxious at the moment!

"Ms. Ge, I'm very busy now. I'll wait until I have time..."

After Chen Ping finished speaking, he left.

Chen Ping headed straight for the Medicine God Valley. Since he didn't know where the Zixiao Mansion was now, he would focus on the Martial Arts Alliance.

Find a way to rescue Su Yuqi...

But when Chen Ping arrived at Yaoshen Valley, he was a little dumbfounded!

I saw that many people in the martial arts world came here to seek refuge with Chen Ping, hoping to get Chen Ping's protection!

These people all know that Chen Ping is the master of Medicine God Valley, and many people who follow Chen Ping have also united to Medicine God Valley!

So all these people came running!

The Valley of the God of Medicine, which I had avoided before, was now crowded with people!

"Mr. Chen..."

"Mr. Chen..."

Seeing Chen Ping appearing in Medicine God Valley, many people started shouting crazily.

There were many girls among them, screaming crazily and treating Chen Ping as their idol!

One of the girls in a blue dress stood at the end of the crowd and looked at Chen Ping quietly.

"Sister Qiu Ju, is there nothing special about Chen Ping?"

"They don't even have three heads and six arms. Why are these girls so crazy?"

Chapter: 2572

“I have traveled so far with them in vain...”

The girl in the blue dress said slightly disappointed.

This girl is Han Qing'er, the daughter of Han Fusheng. After escaping from the secret realm, Han Qing'er has been wandering around Kyoto. Everything in Kyoto is very novel to Han Qing'er.

Later, Han Qing'er heard a group of girls talking about Chen Ping, and praised Chen Ping to the sky, comparing him to a god!

This aroused Han Qing'er's curiosity, so she followed along!

But when she really saw Chen Ping, she was very disappointed!

“Miss, these are just mortals, of course you don't like them!”

“I think we should go back, otherwise the palace master and his wife will be anxious if we stay out for a long time.”

Qiu Ju persuaded Han Qing'er.

“I'm not going back, I want to play for a few more days...”

Han Qing'er said and jumped away!

“Miss, you are in danger!”

Qiu Ju hurriedly chased after him.

“What's the danger? I think the guys here are no match for me.”

“What’s more, you are still by my side to protect me. Who dares to take my chances?”

Han Qing'er was not worried at all.

According to the martial arts realm, Han Qing'er is already a Great Wuhou.

So with such strength, there is nothing to worry about.

No one noticed Han Qing'er leaving, and all focused on Chen Ping.

“Chen Ping, I love you, I really love you...”

“Chen Ping, I want to give you a child. I want our child to be as awesome as you!”

“Chen Ping...”

Those women were shouting like crazy!

Just like those ardent fans who chase stars, if Chen Ping wants these women to do anything at this time, they will agree without hesitation.

Chapter: 2573

Chen Ping looked embarrassed, while Gu Ling'er looked gloomy!

Why is Chen Ping also his man? Now that his man is being shown love by so many women, Gu Ling'er is of course jealous.

“Valley Master, you are finally back. These people have been stuck here for several days. Even if you ask them to leave, no one will leave...”

Xu Changsheng followed Chen Ping with a look of helplessness.

“What should we do? Then drive these people away?”

Chen Ping was helpless and didn't know how to deal with these people.

“We can't blast them away unless we use force, but in that case, the Valley Master will have to speak out...”

Xu Changsheng said with a slight frown.

“What should I do? It seems that being a star also comes with a lot of worries...”

Chen Ping couldn't think of any good way. He couldn't really accept these people, these sect families, right?

Chen Ping doesn't have the energy, let alone the resources to share with these people!

“Chen Ping, hasn't the Long family already issued an announcement and is following you?”

“You can tell these people that the Long family can represent you in the future, and ask this person to go find the Long family.”

“That guy Long Xingxu has some brains. I believe he can handle it well.”

Long Wu came over at this time and said to Chen Ping.

“Yes, let these people find the Long family...”

Chen Ping nodded happily, and then told those people again!

After hearing what Chen Ping said, many people began to flock to Long's house!

As for how Long Xingxu operates, Chen Ping doesn't have to worry.

After sending everyone away, Chen Ping summoned Zhao Ligu, Xu Changsheng and the four villains, including Long Wu, to discuss it together.

See how to rescue Su Yuqi from the Martial Arts Alliance!

"Mr. Chen, you are now in the limelight, but the martial arts alliance is gone. Many sects and aristocratic families have left the martial arts alliance."

"Why don't we take many sect families and destroy the martial arts alliance directly? I don't believe we can't save Miss Su!"

Zhao Ligu said loudly.

Chapter: 2574

"I don't think so. If the Martial Arts Alliance really can't bear such a large-scale attack on the Martial Arts Alliance, what should we do if we kill Miss Su?"

"We can't push the martial arts alliance too hard. After all, Miss Su is in their hands and they can use it as a bargaining chip."

Ding Buda immediately opposed Zhao Ligu's proposal.

Chen Ping remained silent, he was also undecided now.

At this moment, suddenly several people from Medicine God Valley walked in with one person tied up!

“How is this going?”

Xu Changsheng asked.

“Elder Xu, this guy is from the Martial Arts Alliance. He was sneaky and was caught by us!”

A person from Medicine God Valley said.

“People from the Martial Arts Alliance?”

When Xu Changsheng heard this, he immediately became furious!

“I was ordered by the alliance leader to come here to bring a message to Mr. Chen...”

Seeing Xu Changsheng furious, the members of the Martial Arts Alliance hurriedly explained.

“Bring me a message?”

Chen Ping looked surprised: “Is your leader Ning Zhi now?”

“Yes, yes, our alliance leader invited you to the Martial Arts Alliance, saying that he had something important to talk to you about...”

The martial arts alliance member said cautiously.

“What are you talking about?”

Chen Ping asked.

“I don’t know about that. I’m just responsible for delivering the message.”

The martial arts alliance member shook his head.

Chen Ping frowned slightly, and a piece of spiritual consciousness instantly entered the mind of the martial arts alliance member.

After exploring with his spiritual consciousness, he found that this man was not lying. Chen Ping withdrew his spiritual consciousness and waved his hand!

Let that martial arts alliance member go!

Chapter: 2575

“Valley Master, Ning Zhi invites you suddenly. Is this a scam?”

Xu Changsheng asked.

“There must be a scam. That boy Ning Zhi has always been very sinister and always wants to deceive people. You must not believe his words!”

Zhao Liguó said.

Chen Ping didn’t speak, but frowned slightly, as if he was thinking about something!

After a while, Chen Ping breathed out: “I’m going to the Martial Arts Alliance to see what tricks Ning Zhi wants to play...”

Chen Ping decided to go and have a look. After all, Su Yuqi was in their hands, and Chen Ping also knew that Ning Zhi was a very bad guy. If he didn't go, it would be troublesome for Ning Zhi to attack Su Yuqi.

“Chen Ping, be careful. I have heard about Ning Zhi. He is a very scheming guy...”

Long Wu warned Chen Ping.

“Uncle Long, don't worry, any scheming is useless in the face of absolute strength!”

Chen Ping smiled slightly and then set off for the Martial Arts Alliance!

At this moment, Ning Zhi, after receiving the news that Chen Ping was coming, was already ready!

The vajra was placed in his hand, and dozens of people were arranged around the hall, all of them were Wuhou!

The martial arts alliance can have such strength, and it is inseparable from Su Yuqi.

Although he had the vajra in his hand, Ning Zhi was still a little unsure and extremely nervous!

“Don't be nervous. You have the martial arts weapon, so Chen Ping can't do anything to you.”

“What's more, his girlfriend is also in our hands. If he dares to kill you, you can threaten his girlfriend!”

“But why is Dang Neng going to go there this time? You'd better win over Chen Ping!”

“If possible, promise him more resources!”

Soul said to Ning Zhi.

“I will try my best to persuade you!”

Ning Zhi nodded.

However, Ning Zhi didn't have much hope for this peace negotiation, because he knew what kind of character Chen Ping was!

But since the higher-ups asked him to do this, he had no choice but to obey!

Chapter: 2576

It was almost evening before Chen Ping's figure appeared at the door of the Martial Arts Alliance!

Seeing that Chen Ping was coming, the guards at the door hurriedly hid far away. No one dared to stop Chen Ping!

These people from the Martial Arts Alliance saw Chen Ping like a mouse seeing a cat!

Chen Ping walked straight into the hall, and Ning Zhi was waiting for him now!

As soon as Chen Ping entered the door, he set his sights on the vajra in Ning Zhi's hand!

A huge aura emanated from the vajra!

This made Chen Ping's eyes narrow slightly!

It seems that Ning Zhi is really going to play tricks this time!

Ning Zhi also saw Chen Ping noticing his vajra at this moment, and smiled slightly, then quickly stood up and said: “Chen Ping, you are here, please sit down...”

“Watching tea...”

Ning Zhi gave an order, and soon someone brought tea to Chen Ping!

Chen Ping was not polite and sat directly opposite Ning Zhi: “What do you want from me? If you have something to say, just say it, and if you have something to say, let it go. I’m very busy.”

Chen Ping’s attitude made Ning Zhi feel unhappy, but he didn’t dare to get angry. He could only pretend to smile and said: “I came to you this time to make peace with you.”

“As the saying goes, it is better to dissolve enemies than to make enemies. If you are unhappy with our martial arts alliance, let him go. We should put down our hatred.”

Chen Ping looked at Ning Zhi and suddenly leaned towards Ning Zhi, which shocked Ning Zhi!

“Put down your hatred?” Chen Ping raised the corner of his mouth: “I killed your father and destroyed your Ning family. Can you really let go of your hatred?”

Ning Zhi’s body trembled slightly after hearing Chen Ping’s words.

How can you let go of this kind of hatred for killing your father!

“Control your emotions, he is deliberately irritating you...”

The soul is constantly reminding Ning Zhi!

Ning Zhi took a deep breath, and then said with a smile: “That is all in the past. Now I just want to practice and improve my strength. I have long since given up on the revenge of killing my father.”

“When is the time to retaliate? Even if I seek revenge on you and kill you, my relatives will not survive!”

Ning Zhi said it was easy, but he was in extreme pain in his heart!

Chen Ping looked at Ning Zhi with a hint of admiration in his eyes. This Ning Zhi's level of forbearance was beyond the imagination of many people!

Chapter: 2577

"You can make peace with me if you want, but you have to show sincerity first."

Chen Ping sat down again and said calmly.

"Of course, of course we are sincere. Whatever you want, just say it..."

Ning Zhi saw this and asked hurriedly.

"My girlfriend has been arrested by your martial arts alliance for so long. Now let her go, let me see the sincerity of your martial arts alliance."

Chen Ping wants to take this opportunity to rescue Su Yuqi!

After Chen Ping finished speaking, Ning Zhi frowned slightly: "Chen Ping, you should also know that there is a huge force behind the Martial Arts Alliance. Even the leader of the Martial Arts Alliance is just a pawn!"

"I can't decide whether to let your girlfriend go, but I can guarantee you that your girlfriend will definitely receive the best treatment!"

When Chen Ping heard this, he immediately became furious: "That's nonsense. You use my girlfriend's blood to help your martial arts alliance cultivate masters. Are you here to tell me that she can receive the best treatment?"

"I'll fucking lock you up and bleed you every day. Is it okay if I say you receive the best treatment?"

Chen Ping's eyes widened, and endless killing intent rose from his body!

"Chen Ping, please calm down. As cultivators, we should keep our children's love in mind. Apart from this request, I can agree to everything else."

"Our Martial Arts Alliance has a lot of training resources, I can provide them to you!"

Ning Zhi persuaded Chen Ping, he was afraid that Chen Ping would really become violent!

Chen Ping stared at Ning Zhi closely, and then the murderous intention in his body gradually subsided. After sitting down again, he said to Ning Zhi: "Since you said so, I will change my request and give me the vajra in your hand." , I fell in love with it at first sight..."

When Ning Zhi heard this, he immediately took the vajra in his hand, for fear that Chen Ping would snatch it away!

"So, no?" Seeing Ning Zhi like that, Chen Ping said with a cold smile.

"I can't make the final decision on this...this thing. You are making other demands!"

Ning Zhi said a little embarrassed.

"You can't make the decision in anything, just talk to me about it, go find someone who can make the decision!"

Chen Ping stood up, turned around and left!

"Chen Ping, our Martial Arts Alliance has mastered many ancient ruins. If you promise not to be enemies with our Martial Arts Alliance anymore, we are willing to give you a ruins as compensation!"

Ning Zhi said loudly.

The Martial Arts Alliance holds trials every year, so you need to have a large number of trial sites on hand!

Chapter: 2578

When Chen Ping heard this, he took back his steps, then turned to look at Ning Zhi: "Can I choose at will among the ancient ruins you mentioned?"

"sure!"

Ning Zhi nodded.

"Okay then, I'll pick an ancient ruins..."

Chen Ping sat back again!

Ning Zhi was overjoyed and hurriedly ordered someone to bring a thick book. The cover of the book was already a little worn and looked very old and vicissitudes of life.

"Chen Ping, this book was left by many seniors. It records some lost ancient sect ruins. You can choose one from it!"

Ning Zhi said to Chen Ping.

"What if I take this book away?"

Chen Ping smiled coldly.

“That’s impossible. This is the treasure of our Martial Arts Alliance. The Martial Arts Alliance has relied on this book for its development for so many years. No one except the top brass of the Martial Arts Alliance can read this book.”

“It is our greatest sincerity to let you read this book and choose an ancient ruins from it!”

Ning Zhi shook his head with a cold expression!

When Chen Ping saw this, he stopped saying anything and started looking at the ancient book in front of him!

I saw that it recorded the ruins of various disappeared ancient sects, as well as detailed introductions to the ancient sects!

Every time Chen Ping turned a page, it was like discovering a new continent. He didn’t expect that the Martial Arts Alliance would have such a treasure!

Ning Zhi saw that Chen Ping was turning the pages very slowly and carefully, so he frowned slightly and said: “I can tell you that the further back in this book, the richer the resources of ancient ruins, but the more dangerous they are. Let’s see if you dare!”

After Ning Zhi finished speaking, he stared at Chen Ping closely!

When Chen Ping heard this, he quickly turned to the back and looked at the ancient ruins behind!

Seeing Chen Ping flipped to the back, an imperceptible smile appeared on Ning Zhi’s lips!

What he just said was meant to provoke Chen Ping.

In order to let Chen Ping choose a dangerous ruins, if Chen Ping really goes to explore it, he might die inside!

When the time comes, his revenge will be avenged, and the martial arts alliance will no longer be threatened by Chen Ping.

Soon, Chen Ping's eyes stopped at an ancient ruins!

Chapter: 2579

This ancient ruins used to be a sect called Tianfu Sect. This sect mainly focused on talismans and practiced talismans diligently!

The reason why Chen Ping fell in love with this relic was because Chen Ping was the weakest in spells.

And in this regard, Hu Mazi is relatively proficient. It will be easier to bring Hu Mazi with you when the time comes!

"I chose this place..."

Chen Ping pointed at Fu Zong that day and said.

After Ning Zhi took a look, he ordered someone to bring a pen and paper and asked Chen Ping to copy it down.

After copying, Ning Zhi drew a cross on the back of the ancient ruins.

It means that this ancient ruin has been explored!

Chen Ping put away the copied map, put it in his pocket, and returned the book to Ning Zhi!

Ning Zhi took the book and said with a smile on his face: "Chen Ping, our grudges should be resolved now. If you need our help for anything in the future, our Martial Arts Alliance will never refuse..."

Ning Zhi vowed with a serious look on his face.

“Of course, the grudge between us has been eliminated. I hope you won’t seek revenge from me for killing my father.”

Chen Ping said to Ning Zhidao.

“sure.....”

Ning Zhi suppressed his anger, smiled and nodded!

“But our grudges have been eliminated. I can’t just let it go when the Martial Arts Alliance arrested my girlfriend.”

“If the Martial Arts Alliance doesn’t release my girlfriend, I will dismantle the entire Martial Arts Alliance!”

Chen Ping said with a gloomy look.

The aura exuding from Chen Ping gave everyone the illusion that Chen Ping could destroy the martial arts alliance with just one move.

“what do you mean?”

Ning Zhi’s face turned cold and he said with anger.

“I said, the grudge between me and you can be eliminated, but the grudge against the Martial Arts Alliance cannot be eliminated!”

“If you don’t let my girlfriend go, sooner or later I will kill the Martial Arts Alliance.”

Waves of chills erupted from Chen Ping's body!

Chapter: 2580

"Chen Ping, you are not keeping your word. As an important figure in Kyoto's martial arts world, how can you do this?"

Ning Zhi suppressed the anger in his heart and asked Chen Ping.

"How am I doing?"

Chen Ping smiled coldly: "You caught my girlfriend, do I still have to be grateful to you?"

"Let me tell you, if my girlfriend is not released for a day, I will not give up following the Martial Arts Alliance for a day..."

After Chen Ping finished speaking, he turned around and walked out!

"Chen Ping, you have gone too far..."

Ning Zhi was angry, the vajra in his hand was buzzing, and he was about to attack Chen Ping.

Following Ning Zhi's roar, the Wuhou who were hiding in the darkness also rushed out one after another and surrounded Chen Ping!

Chen Ping glanced around and sneered: "You even want to stop me..."

After saying that, Chen Ping suddenly burst out with terrifying pressure.

This terrifying pressure instantly caused the surrounding Wuhous to kneel to the ground one by one, and some even vomited blood!

The gap in absolute strength cannot be made up by the large number of people.

Looking at this scene, although Ning Zhi held the martial arts weapon in his hand, he still felt a little timid in his heart!

“Are you going to make a move? If you make a move, I can give you two moves. If you don’t, then get out of my way...”

Chen Ping looked at Ning Zhi coldly, trampling Ning Zhi’s dignity to the ground!

Ning Zhide’s expression was extremely ugly, but he still didn’t dare to take action!

“Coward...”

After Chen Ping finished speaking, he turned around and walked out.

Until Chen Ping left, Ning Zhi didn’t make a move!

But after Chen Ping left, Ning Zhi became furious, a strong wind swept across, and Ning Zhi waved the vajra in front of him!

A terrifying force instantly knocked down the entire door of the Martial Arts Alliance!

“Chen Ping, I will make you pay the price...”

Ning Zhi roared angrily, a cold light flashing in his eyes!
