

The Order 2581

Chapter: 2581

.....

After leaving the Martial Arts Alliance, Chen Ping went directly to the Long family.

At this time, the Long family is also very lively, and many sect families have come to seek refuge!

Because the Long family is backed by Chen Ping, these people are like this.

When Long Xingxu saw Chen Ping coming, he immediately went out to greet him.

“Mr. Chen, now the Long family has received a total of...”

Long Xingxu wanted to report with Chen Ping.

But Chen Ping waved his hand: “Don’t call me Mr. Chen, I am half of the Long family. You and I are brothers, so we should treat each other as brothers.”

Chen Ping hated the Long family at first and wanted to kill the entire Long family.

But now Long Jingguo and his son are dead, and the whole thing was done by Long Jingguo. Many Long family members didn’t know about it, so there was no need to implicate them.

Chen Ping’s words made Long Xingxu stunned for a moment, but then his face showed surprise!

He knew that Chen Ping’s words were tantamount to his complete acceptance of the Long family and himself...

“Brother Chen Ping, we have accepted more than a dozen sects and aristocratic families now, and there are countless sects and aristocratic families among them who want to alliance with the Long Family.”

“I plan to form an alliance so that I can fight against that martial arts alliance!”

“But there is one thing. With such a huge organization, our Long family’s resources are limited, so I’m afraid it will be difficult to maintain...”

Long Xingxu said to Chen Ping.

“You have the final say on alliance matters, but you have to know how to identify those sects who are just outsiders.”

“As for resources, I have a solution. You can order someone to send me pen and paper!”

Chen Ping said to Long Xingxu.

“good!”

Long Xingxu nodded and immediately ordered someone to bring paper and pen!

Then Chen Ping entered the room, closed his eyes slightly, recalled carefully, and then quickly started drawing on the paper.

The drawings he drew were all maps and introductions to the ancient ruins he saw when he was in the Martial Arts Alliance!

Although Ning Zhi didn’t let him take out the book, Chen Ping’s extraordinary memory had long since left him with a photographic memory.

Chapter: 2582

Soon, maps of more than a dozen ancient ruins were drawn by Chen Ping.

Long Xingxu looked on, a little confused, not knowing what Chen Ping was drawing!

“Put these things away. These are ancient ruins and contain a lot of resources. When the time comes, the Long Family can also conduct trials to consolidate the Long Family’s status...”

Chen Ping handed those things to Long Xingxu.

Long Xingxu was dumbfounded. He was holding those maps with a look of shock on his face. He couldn’t understand how Chen Ping knew the addresses of so many ancient ruins!

“I’m going to stay here for a few days. You can do whatever you want. You don’t have to entertain me...”

Chen Ping waved his hand and said.

“knew.....”

Long Xingxu nodded, then turned and walked out.

“By the way, can the Long family’s dungeon be opened?”

Chen Ping asked.

Long Xingxu stopped and said, “You can open it. After Long Jingguo’s death, the magic circle in the dungeon will disappear. Brother Chen Ping, do you want to go to the dungeon to take a look?”

Long Xingxu thought Chen Ping was going to visit the place where his mother was imprisoned!

Chen Ping shook his head: “No, since the dungeon can be opened, then store those Sky Thunder Stones, maybe they will be used one day!”

“I’ve sent someone to save it!”

Long Xingxu said.

“Okay, it’s okay...”

As soon as Chen Ping waved his hand, Long Xingxu left!

The reason why Chen Ping thought of those Heavenly Thunder Stones was that he could use these Heavenly Thunder Stones to directly blow up the Martial Arts Alliance’s dungeon if there was no other way.

But if you want to blow up the dungeon without hurting Su Yuqi, you need to know the detailed structure of the dungeon.

Although Chen Ping went in twice, it was only for a very short time, and he did not observe carefully!

Now he thinks it will be difficult to get in. Even if there is a space magic weapon like the Qiankun Circle, there is no way to get in. The Martial Arts Alliance has already re-restricted the space in the dungeon!

“It seems like we need to find an opportunity to go into the dungeon and take a closer look!”

Chen Ping got up and walked out of the room, planning to go for a walk on the street to see if Ge Fuhai was back!

Chapter: 2583

If he wants to know the secret of Zixiao Mansion, it seems he can only ask Ge Fuhai!

In addition, Chen Ping also wants to get in touch with Hu Mazi. If he really wants to go to Tianfu Sect to find out what’s going on, having Hu Mazi follow him will get twice the result with half the effort!

Because it was getting late, Chen Ping found a small but unique restaurant, ordered some food, and ate alone!

Although the restaurant is not big, it is full and there are many people eating!

At this moment, the two women not far from Chen Ping caught Chen Ping's attention!

Because he found that the auras exuded by these two women were very strong. The most important point was that the auras exuded by these two women actually contained fluctuations in spiritual power!

You must know that only immortal cultivators can produce spiritual power in their bodies. If they are warriors, they will only produce vigor!

Chen Ping couldn't help but focus on the two women, and even seemed to be in a trance.

If he wasn't afraid that the other party would find out, Chen Ping would have wanted to use his spiritual sense to investigate and see if these two women were monks!

"Sister Qiu Ju, look at this guy. He's looking straight at us. It's so disgusting. He looks like a big pervert..."

Han Qing'er had long noticed that Chen Ping was looking directly at them, so she said with disgust on her face.

"Miss, let's eat quickly and go back after eating. This guy has spiritual power and should be a monk. He probably also discovered our identity..."

Qiu Ju whispered to Han Qing'er.

"No, I want to teach this guy a lesson. I don't know what methods this guy uses to deceive so many girls into going crazy for him..."

As Han Qing'er said, a ray of consciousness headed towards Chen Ping!

Chen Ping frowned, with bursts of surprise in his eyes!

Han Qing'er's spiritual consciousness spread out, and Chen Ping discovered that Han Qing'er was actually in the realm of the Great Wuhou!

You must know that in the entire Kyoto martial arts world, there are only a handful of such young Dawuhou, and I have never heard of any girls reaching the level of Dawuhou.

Just when Han Qing'er's consciousness entered Chen Ping's mind, a golden light suddenly flashed in Chen Ping's mind, instantly cutting off Han Qing'er's consciousness!

“ah.....”

Han Qing'er screamed in surprise.

“Miss.....”

Qiu Ju asked hurriedly: “Are you okay?”

“This guy's consciousness is so powerful...”

Chapter: 2584

Han Qing'er's face turned a little ugly!

When Chen Ping saw that Han Qing'er had used her spiritual consciousness, there was no need for him to hide her.

So a huge spiritual consciousness enveloped Han Qing'er, and he wanted to find out who Han Qing'er and the others were.

But just when Chen Ping's consciousness was shrouding Han Qing'er, Qiu Ju's body flashed with a faint purple light!

After Chen Ping's consciousness came into contact with this light, he was instantly defeated, leaving no room for struggle!

Chen Ping's eyes widened and he looked in disbelief.

Someone who can defeat his own consciousness so easily must be much stronger than him.

"Kyoto, since when did we have such a master?"

Chen Ping couldn't believe that a young woman could be so powerful.

"Miss, let's go..."

Qiu Ju said to Han Qinger.

"Afraid of what he will do, this guy is no match for you!"

Han Qing'er stared at Chen Ping coldly, still hating Chen Ping!

Just now, Chen Ping cut off her consciousness without ceremony, which frightened Han Qing'er!

"Miss, if we stay outside for too long, the master of the palace will punish me when we go back..."

Qiu Ju looked confused.

Seeing Qiu Ju like that, Han Qing'er could only sigh helplessly: "Okay, I'm not leaving..."

Han Qing'er got up and walked out with Qiu Ju. Chen Ping followed him out without even eating!

He was very curious as to where these two people with such cultivation levels came from!

You must know that the entire world is very lacking in spiritual energy. If you want to cultivate to this state, it will be more difficult than waiting for him!

Chen Ping also relied on the power of Condensing Heart Technique and many opportunities to break through to the realm of Dawuhou.

Han Qing'er and Qiu Ju were walking in front, and Chen Ping was following behind.

"Are you sick? Why are you following us?"

Han Qing'er couldn't bear it anymore and yelled at Chen Ping.

Chapter: 2585

"Miss, I don't mean any harm, I just want to get to know you..."

Chen Ping just wanted to know how Han Qing'er and the others used to achieve such a level of cultivation in this era of lack of spiritual energy.

"Want to get to know us?" Han Qing'er smiled: "I think you just want to date us, right?"

"I've seen a lot of men like you. Do you want to trick us into having sex because you think we're beautiful?"

“You don’t even look at yourself like that, are you worthy?”

Han Qing’er suddenly taunted Chen Ping.

Chen Ping really just wanted to get to know the two of them and where they were from!

There was no thought of coaxing them into bed.

But I didn’t expect Han Qing’er to be so direct!

“Miss, you misunderstood. I have no intention of tricking you into sleeping with me. I just want to get to know you...”

Chen Ping explained!

“Who believes it!” Han Qing’er rolled her eyes at Chen Ping and said, “Stop following us, or I will kill you...”

After saying that, Han Qing’er followed Qiu Ju forward, and her figure disappeared into the night!

Chen Ping was a little helpless, he didn’t expect to meet such an unreasonable woman!

Chen Ping turned around and planned to go back to eat, but as soon as he turned around, he noticed waves of terrifying aura fluctuations not far away!

Then there were loud shouts and sounds of fighting!

When Chen Ping saw this, he hurried forward!

At a corner, Chen Ping saw four men in black attacking Han Qing’er and Qiu Ju!

The strength of the four men in black was not low. Han Qing'er received a slap on the shoulder and blood spurted out of her mouth!

"Miss, let's go, let's go quickly..."

Qiu Ju shouted at Han Qing'er with one against four!

Han Qing'er's eyes were full of reluctance, but in the end she gritted her teeth and ran towards Chen Ping!

When a man in black saw that Han Qing'er was about to run, he jumped over and rushed over!

Qiu Ju wanted to stop her, but she was tightly entangled by the other hurried men in black and couldn't get away at all!

Chapter: 2586

The man in black just jumped up and reached behind Han Qing'er, and then slapped Han Qing'er with his palm.

Han Qing'er was injured herself, so she turned around and rushed forward with a palm!

boom.....

Han Qing'er's body was instantly knocked away and landed heavily at Chen Ping's feet!

"Miss, are you okay?"

Chen Ping hurriedly helped Han Qing'er up!

When Han Qing'er saw it was Chen Ping, she kept vigilance in her eyes and followed Chen Ping to distance herself!

It seems that Han Qing'er still regards Chen Ping as a bad guy!

The man in black walked towards Han Qing'er step by step, while Chen Ping stood in front of Han Qing'er!

"Boy, you have nothing to do here, get out of here..."

The man in black glared at Chen Ping and said.

"Who are you? Why do you want to attack a girl?"

Chen Ping asked the man in black.

"I told you, this is none of your business..."

After the man in black finished speaking, he reached out and grabbed Han Qing'er.

When Chen Ping saw this, his body flashed with golden light, and then he punched the man in black!

The power of the dragon was brought into full play by Chen Ping!

The golden dragon surrounds the fist!

"The true form of the golden dragon?"

The man in black's eyes flashed with surprise for a moment, and then he also punched!

boom.....

There was a flash of golden light, and Chen Ping felt a huge force that knocked him over.

Chen Ping's body hit the wall so hard that it collapsed in an instant!

Chen Ping felt a sweet sensation in his throat, and a mouthful of blood spurted out!

Chapter: 2587

With his body injured, Chen Ping slowly stood up and looked at the man in black in front of him in disbelief!

He himself is the Great Wuhou now, but he doesn't want to be unable to withstand every move in front of this man in black!

One can imagine how powerful this man in black is!

Chen Ping couldn't understand, what happened to Kyoto?

Why did so many masters suddenly appear?

"Boy, who are you? Why do you want to interfere in our affairs?"

The man in black asked in a cold voice.

"I just saw you bullying a little girl and couldn't stand it. I didn't know what was going on between you..."

Chen Ping wiped the blood from the corner of his mouth and said.

“Since you don’t know, then stay away and don’t force me to kill you...”

After the man in black finished speaking, he ignored Chen Ping and grabbed Han Qing’er!

Chen Ping jumped up again, and dazzling golden light erupted from his fists!

“Holy Light Fist...”

Chen Ping smashed towards the man in black.

Although he knew he was outmatched, Chen Ping still took action!

“Ancient Holy Fist?”

The man in black’s eyes narrowed slightly, and there was a bit of surprise in his eyes again!

boom!

A burst of golden light suddenly appeared, and the huge force shook Chen Ping’s body out again!

It wasn’t until this moment that Han Qing’er looked at Chen Ping without losing her vigilance!

“Are you OK.....”

Han Qing’er stepped forward and asked with concern.

“It’s okay!” Chen Ping shook his head.

However, Chen Ping knew that the man in black did not use all his strength and did not seem to want to kill him!

Chapter: 2588

“Boy, don’t force me to kill you, get out of here right now...”

The man in black walked towards Chen Ping and Han Qing'er step by step!

“Go away, it’s none of your business here, there’s no need to risk your life...”

Han Qing'er knew that she was doomed, so she pushed Chen Ping!

“Don’t worry, we will be fine...”

After Chen Ping finished speaking, the Qiankun Circle suddenly appeared in Chen Ping’s hand!

As soon as the Qiankun Circle was thrown away in his hand, a black hole instantly appeared in mid-air!

Chen Ping pulled Han Qing'er and jumped into the black hole!

The man in black hurriedly took action, but the black hole in mid-air had disappeared!

“There are actually space magic weapons? What is the identity of this young man?”

The man in black looked into the air with a solemn expression on his face!

Han Qing'er had already escaped, but the man in black turned back. The four of them attacked Qiu Ju. Every move was a killing move, as if they didn’t want Qiu Ju to live!

At this time, Qiu Ju was already scarred, and she was holding on with a breath of true energy!

“Quick, over there...”

This is the sound of chaotic footsteps and loud shouts!

Hearing this movement, the four men in black looked at each other, and then their figures flashed and disappeared in an instant!

Qiu Ju dragged her seriously injured body and left quickly. It seemed that she didn't want to be seen!

Just after the four men in black and Qiu Ju left, more than a dozen people hurried here!

The leader of these dozen people is Xing Jun from the law enforcement team!

Xing Jun looked at the ruins around him and the blood on the ground, his face became very solemn!

“Captain, the person has run away...”

said a member of the law enforcement team.

“Let's go back...”

Xing Jun waved his hand and withdrew!

Chapter: 2589

On the other side, Chen Ping and Han Qing'er used the space of the Qiankun Circle to teleport to the door of Long's house!

Chen Ping and Han Qing'er supported each other and walked into Long's house!

When the servants of the Long family saw Chen Ping coming back covered in blood, they immediately reported it to Long Xingxu.

"Brother Chen Ping, what's wrong with you?"

Long Xingxu asked in shock.

Chen Ping's current strength is that of the Great Wuhou. How many people in the entire Kyoto martial arts world can injure Chen Ping like this?

"Prepare a room for me, and send someone to Medicine God Valley immediately to get some herbs!"

Chen Ping said to Long Xingxu.

Long Xingxu nodded and immediately ordered people to go to Medicine God Valley to get the herbs!

And he personally took Chen Ping and the others to the room!

After entering the room, Chen Ping waved his hand and asked Long Xingxu to go out.

Han Qing'er's face was very pale at this time, and she was obviously seriously injured!

But Chen Ping himself is not much better!

"What is this place?"

Han Qing'er asked Chen Ping.

“This is my home, you can just heal in peace!”

Chen Ping said to Han Qinger.

Han Qinger looked at Chen Ping, a look of embarrassment appeared on her face!

If she heals her wounds now, and if Chen Ping plots evil intentions against her while she heals her wounds, then Han Qing'er will really be in trouble all over the world.

Chen Ping also saw Han Qing'er's concerns, so he got up and walked out.

“I have sent someone to get the herbs. If nothing happens tomorrow, your injury will be healed!”

After Chen Ping finished speaking, he walked out of the room.

Seeing Chen Ping walking out of the room, Han Qinger closed her eyes slightly and quietly began to heal!

It's just that because there is too little spiritual energy in the world, Han Qinger's healing speed is very slow!

Chapter: 2590

Chen Ping went to the next room to start healing!

.....

Kyoto, Dharma Protector Pavilion!

Although it is already late at night, the lights in the Dharma Protector Pavilion are still on!

Mr. Shi sat at the table, frowning slightly!

“Mr. Shi, I have already investigated the scene. It is definitely not caused by a fight between ordinary warriors!”

“Kyoto has regulations that do not allow warriors to fight in the city. I believe no one would dare to violate it openly!”

“And judging from the breath left at the scene, these people are very strong. I suspect...”

Xing Jun hesitated, not knowing whether he should say it or not!

“Your suspicion is right, these are the people in the secret realm!”

Mr. Shi nodded. He seemed to have guessed what Xing Jun was thinking without Xing Jun saying anything!

“Then who are these people? Why do they dare to go out of the secret realm and openly fight in the secular world?”

Xing Jun said with a surprised look.

Mr. Shi shook his head: “I don’t know, but this kind of thing may happen more and more in the future. The real big turmoil may not be far away...”

Xing Jun listened on the sidelines. Although he didn’t understand what turmoil Mr. Shi was talking about, what he knew was that the scene of blood flowing into the river might happen again.

Early the next morning!

Chen Ping's strong body, his injuries are no longer serious!

Xu Changsheng hurried to the Long family with various elixirs and herbs!

Knowing that Chen Ping was injured, Xu Changsheng was very anxious, so he came with the medicine himself!

"Valley Master, are you okay?"

After seeing Chen Ping, Xu Changsheng asked nervously.

"I'm fine..." Chen Ping shook his head: "Have you brought the medicinal materials I asked for?"

"I brought it, and some pills..."

Xu Changsheng hurriedly gave Chen Ping all the elixirs and herbs he had brought!
