

## **The Order 2591**

Chapter: 2591

Chen Ping took these things and knocked on the door next door!

The door opened. After a night of healing, Han Qing'er's face was obviously much better, but her breathing was still a little unstable!

But Han Qing'er couldn't help being surprised when she saw Chen Ping acting like nothing happened!

It had only been one night, and the spiritual energy between heaven and earth was so scarce, Chen Ping's injuries healed so quickly!

"Are you okay?"

Chen Ping asked Han Qinger.

Han Qing'er nodded: "It's nothing serious..."

"There are some herbs and elixirs here to help you heal..."

Chen Ping gave Han Qing'er all the elixirs and herbs brought by Xu Changsheng.

Han Qing'er looked at these things in front of her, and she knew that in the secular world, these things must be priceless!

"Why are you helping me?" Han Qing'er asked in confusion.

She and Chen Ping were not relatives, nor did they know each other. Han Qing'er was surprised that Chen Ping was so kind to her!

“Don’t worry, I have no intention of helping you. When you get better, you can leave freely.”

Chen Ping was afraid that Han Qing’er would misunderstand what he had planned for her, so he said quickly.

“I...” Han Qing’er opened her mouth, not knowing what to say. In the end, she could only say: “Thank you, I will repay you.”

Chen Ping smiled, said nothing, turned and left. He helped Han Qing’er not in return for her!

.....

Zixiao Mansion!

Qiu Ju dragged her seriously injured body back!

When Han Fusheng heard that his daughter was missing, he was instantly furious, and An Lingrong also cried because he was worried about his daughter.

“This is so damned. Who on earth dares to do something to my Han Fusheng’s daughter...”

Han Fusheng’s anger continued to rise!

“Master, those people are definitely not from the secular world. They should also be from the secret realm. They are very powerful...”

Qiu Ju said to Han Fusheng.

Chapter: 2592

“The people in the secret realm, the people in the secret realm, who is behind this plan to target my Zixiao Mansion?”

Han Fusheng frowned and thought hard.

He knew that what these people really wanted to deal with was not Han Qing'er, but Han Qing'er was just a bargaining chip. What they really wanted to deal with was their Zixiao Mansion!

“Qiu Ju, where is Lu Chang? I sent someone to notify him and asked him to find Qing'er. Didn't you see that?”

An Lingrong asked.

An Lingrong had already sent someone to notify Canyue Castle and asked Lu Chang to find Han Qing'er.

If Lu Chang had found Han Qing'er, maybe this wouldn't have happened.

“I didn't see Mr. Lu...”

Qiu Ju shook her head.

“What is this Lu Chang doing? Why was he asked to find Qing'er, but there was no trace of him?”

An Lingrong's face was full of regret, he might as well send people from Zixiao Mansion to go out and find Han Qing'er.

That way, this wouldn't happen.

“Qiu Ju, go down and rest. Don't mention the disappearance of the young lady to anyone...”

Han Fusheng waved his hand!

He was afraid that after the news spread, many people with ulterior motives would be even more detrimental to Han Qing'er!

"Resurrection, what should we do? Hurry up and send someone to find Qing'er..."

An Lingrong said anxiously to Han Fusheng.

Han Fusheng nodded and immediately sent dozens of people to Kyoto to look for Han Qing'er.

However, in order not to arouse the alarm of the secular world and the authorities, these people could only leave the secret realm in batches!

Another day has passed!

With the pills and herbs, Han Qing'er's injuries were almost healed!

Han Qing'er took the initiative to find Chen Ping and followed Chen Ping to say thank you!

"Thank you very much. I have to leave, otherwise my parents will be anxious to death..."

Han Qing'er found Chen Ping and said.

Chapter: 2593

"Do you need me to take you back?"

Chen Ping asked.

Chen Ping said this just because he wanted to know where Han Qinger was from and what his identity was!

However, Chen Ping was afraid that Han Qing'er would be disgusted, so he didn't ask directly!

Han Qing'er shook her head: "No, I know you really want to know my identity, but I can't tell you. All I can tell you is my name. My name is Han Qing'er, what's your name?"

"My name is Chen Ping..."

Chen Ping smiled slightly.

"Okay, I'll remember it. If I have a chance in the future, I will definitely repay you."

Han Qing'er said, took a piece of transparent jade from her body, and then handed it to Chen Ping!

"I have worn this since I was a child. Now I give it to you as a way of repaying your life-saving grace!"

Han Qing'er handed the jade to Chen Ping. Chen Ping wanted to refuse, but seeing that there was nothing strange about the jade and it was not very valuable, he accepted it!

Chen Ping didn't know that in the near future, this jade would save Chen Ping's life!

"Let's go, I'll take you out of Kyoto..."

Chen Ping can now conclude that Han Qinger is not from Kyoto.

Han Qing'er did not refuse and followed Chen Ping out of Long's house and walked on the streets of Kyoto.

Looking at the bustling Kyoto, Han Qinger had an indescribable feeling in her eyes!

After this time, Han Qing'er knew that she might never have the chance to leave the secret realm again in her life!

Although the secret realm is very good, with rich spiritual energy and a lot of resources!

But for Han Qing'er, what she prefers and yearns for is this secular world...

Chen Ping felt very strange when he looked at Han Qing'er like that. Han Qing'er looked at the ordinary high-rise buildings and the people passing by, as if she was nostalgic and fresh.

Could it be that Han Qing'er is a fairy from heaven who came down to earth? Never seen these?

But at this moment, suddenly a terrifying aura suddenly struck in the direction of Chen Ping and the others!

Chen Ping's expression changed drastically. He could feel that these auras were all terrifying, and each of them was no worse than his own!

"It's broken, let's go..."

Chapter: 2594

Chen Ping grabbed Han Qinger and ran away!

But it was too late, a dozen people had already surrounded Chen Ping and Han Qing'er!

These people exuded auras that instantly suppressed Chen Ping, making him unable to move!

Chen Ping's eyes were full of horror. He originally thought that he had reached Dawuhou and could easily escape even if he was defeated by a master.

But at this time, Chen Ping realized that with his little strength, he was powerless to fight back!

"You all stop it..."

Han Qing'er suddenly frowned and shouted angrily at the dozen or so people.

With Han Qing'er's angry shouts, the aura that suppressed Chen Ping instantly dissipated, and Chen Ping was free again!

"Miss, please come back with us..."

One of them said respectfully to Han Qing'er.

Han Qing'er nodded, then looked at Chen Ping: "Chen Ping, thank you..."

Chen Ping's face showed no expression at the moment. The area where he had just lost the ability to move had been a huge blow to Chen Ping's heart!

Han Qing'er followed those people and left, while Chen Ping stood there blankly!

It took a long time for Chen Ping to react!

"So strong. I didn't expect that there are still people with such strong strength in this world..."

Chen Ping looked at the direction Han Qing'er left, and he suddenly felt like a frog in a well.

For many days, Chen Ping stayed at Long's house without eating, drinking, or even going out!

No one knows what Chen Ping is doing these days!

Dong dong dong.....

On this day, Long Xingxu knocked on Chen Ping's door!

"What's up?"

Chen Ping's voice came from inside the room!

"Brother Chen Ping, someone is looking for you outside the door, saying he is your old friend..."

Long Xingxu said.

Chapter: 2595

"what is it call?"

Chen Ping frowned slightly. He didn't know why he had old friends in Kyoto!

"He said his name was Hu Mazi..."

As soon as Long Xingxu finished speaking, he saw Chen Ping suddenly open the door, with light shining in his eyes!

But at this time, Chen Ping had a beard all over his face and looked very decadent!

"Where are they? Bring them in quickly..."

Chen Ping said anxiously to Long Xingxu.

Long Xingxu didn't dare to delay and hurriedly brought Hu Mazi in!

Hu Mazi was shocked when he saw Chen Ping!

"Holy crap, did you fall into Savage Mountain? How did you end up like this?"

Hu Mazi's face was full of confusion.

You know, Chen Ping was a handsome young man before, but now he has become an uncle with stubble on his face!

"Master Hu, come in and tell me that I have something to ask you..."

Chen Ping pulled Hu Mazi into the room!

Then he ordered Long Xingxu to send someone to guard the door and no one was allowed to enter!

"What's going on? Making it so mysterious?"

Hu Mazi looked confused!

"Master Hu, let me ask you, from whom did you learn this spell?"

Chen Ping asked.

"Of course it's my master. Isn't this nonsense?" Hu Mazi looked at Chen Ping strangely.

“No, I know it was your master who taught you. Which sect do you belong to?”

Chen Ping was a little anxious, so he spoke a little incoherently!

“The Celestial Master Sect, the founder of our Celestial Master Sect is the famous Tianshi Zhang...”

Hu Mazi looked proud when he talked about his master’s sect.

Chapter: 2596

“Then do you know the Tianfu Sect? It is also a person who specializes in practicing talismans.”

Chen Ping asked.

Hu Mazi was stunned for a moment, then looked Chen Ping up and down: “Why did you suddenly ask about the Tianfu Sect? It was an ancient sect that disappeared many years ago.”

“Later on, most of the sects that specialized in practicing talisman arts originated from the Tianfu Sect. Even Zhang Tianshi, the founder of our Tianshi Sect, was just a young disciple of the Tianfu Sect back then...”

When Chen Ping heard this, his eyes widened in shock: “I didn’t expect that Fu Zong would be so powerful today?”

“That’s of course. I think back then, the head of the Tianfu Sect personally wrote a rune, and it was this rune that suppressed the demons for hundreds of years. This shows how powerful this rune is!”

“Let me tell you, martial arts are rampant now, and many people feel that spells are useless. In fact, this is not the case. Talismans can save people, kill people, and even keep a party safe!”

“The talisman drawn by a real high-level talisman master can instantly kill a Martial Saint. The same talisman drawn by a senior talisman master can also instantly increase the strength of a great Martial Lord to that of a Martial Saint!”

“You must know that the magic of talismans is ever-changing and endless. Isn’t it because of a talisman of Tathagata Buddha that the legendary Monkey King was crushed on the Five Fingers Mountain?”

Hu Mazi kept talking about the spells with Chen Ping, which also gave Chen Ping a deeper understanding of the spells!

“Let me show you something...”

As Chen Ping spoke, he took out the map of the ancient ruins of Tianfu Sect, and there were some detailed records on it!

When Hu Mazi saw this map, his whole body trembled with excitement.

“This...this...how is it possible that Tianfu Sect still exists today? It’s simply incredible.”

“Where did you get this map from? Is it fake?”

Hu Mazi couldn’t believe it, how could such a map still exist in the world!

Chen Ping didn’t hide anything. He told Hu Mazi how he drew the map in the Martial Arts Alliance!

“Since it came from the Martial Arts Alliance, it can’t be wrong. It’s great, it’s great. I didn’t expect that I would be able to see the oldest sect in spells in my lifetime...”

“Let’s go, let’s go now, I can’t wait...”

Hu Mazi pulled Chen Ping and started to walk out.

“Wait a minute, I have to clean it up!”

Chen Ping is like a savage now, he has to clean up before leaving!

These days, Chen Ping always suffers from a huge inferiority complex. In his current state, it is difficult for him to even take a step forward!

Unless you encounter a big opportunity, but opportunities are hard to come by. If you want to encounter another opportunity, you don't know how many years and months it will take!

Chapter: 2597

And if Chen Ping can understand this spell and draw the kind of spell that can shock all things and protect the common people, then Chen Ping's strength will increase rapidly like a rocket.

When the time comes, draw an amulet for everyone around you, so you don't have to worry about anyone being captured!

Chen Ping cleaned himself up and regained his energy!

"Oh, a big man is just following a woman, doing whatever he wants to do. Hurry up and leave..."

Hu Mazi couldn't wait any longer, so she took Chen Ping and headed straight to the airport!

"Master Hu, didn't you say you didn't dare to return to Kyoto? Why did you come back this time?"

Chen Ping asked puzzledly.

"Then Zhu Zhishan is dead, so I'm still afraid of a bird. Once Zhu Zhishan dies, no one will know my identity except you..."

Hu Mazi had a smile on his face. It seemed that Zhu Zhishan's death made him very happy.

The two people got on the plane and headed straight to Baihai City.

The ancient ruins of Fu Zong that day were near Baihai City, thousands of miles away from Kyoto!

Chen Ping looked out the window of the plane, feeling a little dazed!

I remember the last time I went to Baihai City, it was a year ago. I followed Bai Zhantang to Baihai City for the matter of Xuanyue Valley.

“I don’t know what happened to that boy Bai Zhantang following Shen Mengchen...”

Chen Ping looked out the window and smiled lightly!

Since Chen Ping’s hostile forces have become stronger and stronger, Chen Ping has seldom let the Bai family participate in it, and he doesn’t want the Bai family to be implicated because of him!

After all, the Bai family is just an ordinary business family. Even if there are a few martial arts masters, they are just looking after the family and the courtyard!

When you really step into the world of martial arts, just a few martial arts masters are not enough!

“Mr. Chen...Mr. Chen...”

Just when Chen Ping was looking out the window in a daze, he suddenly heard a familiar shout!

Chen Ping turned his head hurriedly and was stunned: “Bai Zhantang? Why are you here?”

Chen Ping was very surprised. He had thought of this guy just now, but he met him unexpectedly!

“Mr. Chen, it is indeed you. Just now Mengchen said it was you, I still can’t believe it!”

Bai Zhantang was very surprised to see Chen Ping, and then waved to the seat not far away.

Chapter: 2598

Soon, Shen Mengchen came over, but at this time, Shen Mengchen's belly was much bigger. She was obviously pregnant!

"Mr. Chen, I just looked like you, so I asked Zhantang to come over and have a look. I didn't expect it was really you!"

Shen Mengchen also said happily.

Chen Ping looked at Shen Mengchen's belly and said slightly surprised: "Are you two married?"

Bai Zhantang nodded: "Yes, I am already married. It can be regarded as a marriage ceremony. This time I returned to Baihai City to hold a wedding there!"

Shen Mengchen blushed and lowered his head slightly. After all, girls are shy when they get pregnant before marriage!

"Hahaha, that's great. You two are lovers and finally got married."

Chen Ping laughed happily!

"Mr. Chen, what are you doing in Baihai City?"

Bai Zhantang asked strangely.

After all, Baihai City is not a big city, and there are not many tourist places. Generally, few people go there to play.

“I’ll go over with my friend to do some errands...”

Chen Ping smiled lightly.

“Chen Ping, is this your friend?” asked Hu Mazi on the side.

“Yes!” Chen Ping nodded, and then followed Bai Zhantang and Shen Mengchen to introduce: “This is Master Hu!”

“Hello, Master Hu...”

“Hello, Master Hu...”

Bai Zhantang and Shen Mengchen both said hello to Hu Mazi!

Hu Mazi nodded slightly, then looked straight at Shen Mengchen’s belly!

This look made Shen Mengchen feel a little shy, while Bai Zhantang’s expression changed slightly and his brows furrowed.

If Chen Ping hadn’t been there, Bai Zhantang would have taken action against Hu Mazi.

It would be weird if he didn’t take action when he looked directly at his wife like this!

“Master Hu, what are you doing?”

Chen Ping pushed Hu Mazi!

Chapter: 2599

Hu Mazi said with a solemn expression: “Madam, do you know that you are pregnant with twins?”

Shen Mengchen nodded: “I know, I’ve already had a checkup!”

“One of your twins is possessed by an evil spirit. It’s probably hard to save him.”

Hu Mazi frowned and said solemnly.

“What?” Shen Mengchen was shocked!

Bai Zhantang on the side said with a cold face: “Master Hu, what do you mean?”

Bai Zhantang immediately became anxious when he said that he could not save his child!

Chen Ping waved his hand towards Bai Zhantang, signaling Bai Zhantang to stop talking, and then said to Hu Mazi: “Master Hu, do you have a way to solve it?”

Chen Ping knew what this Hu Mazi was capable of. Although his strength was not high, in terms of exploring tombs, finding holes, and drawing talismans to ward off evil spirits, few people could match him!

“Now I can only draw a charm and let this lady wear it every day. I also need to supplement with some nutrition. I think she will be fine!”

As Hu Mazi said this, he took out the yellow paper he carried with him and quickly drew a spell.

Then he folded the charm, put it into an exquisite sachet, and handed it to Shen Mengchen!

Shen Mengchen looked at it blankly, not knowing what to do or whether he should accept the sachet, so he looked at Bai Zhantang!

“Listen to Master Hu, Master Hu won’t talk nonsense!”

Chen Ping said calmly.

Seeing what Chen Ping said, Bai Zhantang hurriedly took the sachet and thanked Hu Mazi profusely!

After several hours of flying, the plane landed smoothly in Baihai City!

After getting off the plane, Shen Mengchen and Bai Zhantang invited Chen Ping to Shen’s house to witness their wedding.

Chen Ping did not refuse. Finding the ancient relics of the Tianfu Sect cannot be accomplished overnight. We don’t know how long it will take, so staying in the Shen family is not out of the question!

Several people were waiting at the exit for the Shen family to send a car to pick them up, but after waiting for half an hour, no car came!

“What are you doing, cousin? We have already agreed on what time we will arrive.”

Shen Mengchen frowned slightly, his face full of displeasure!

Shen Mengchen was very embarrassed to ask Chen Ping and the others to wait here.

“How about we take a taxi back, don’t wait any longer...”

Chapter: 2600

Bai Zhantang helped Shen Mengchen and stopped a car!

Then several people came to Shen's house in a car!

At this time, the Shen family's residence was obviously much larger and more imposing than a year ago.

After Shen Dianshan died, Shen Mengchen, a girl, began to take charge of the entire Shen family!

In addition, Xuanyue Valley has also become the property of the Shen family, so over the past year, the Shen family's status in Baihai City has continued to rise!

Especially the resort in Xuanyue Valley has also brought a lot of profits to the Shen family!

"Mengchen, you are back. Just now I asked the driver to pick you up..."

At this time, a middle-aged man with a thin body and a sharp mouth came over and said to Shen Mengchen.

"Cousin, didn't I tell you the time in advance? Why are you still delayed?"

Shen Mengchen frowned, obviously unhappy.

"I forgot. I won't do it next time." Shen Mengchen's cousin smiled awkwardly, then looked at Chen Ping and followed Hu Mazi and said, "Who are these two?"

"Cousin, these are two of my friends..."

Bai Zhantang said.

"Oh, please come in quickly, please come in quickly..."

Shen Mengchen's cousin quickly invited Chen Ping and the others into the room!

After ordering someone to bring the tea, Shen Mengchen's cousin left!

Shen Mengchen also went to his room to rest because he was too tired from flying, while Bai Zhantang accompanied Chen Ping and Hu Mazi!

"Master Hu, did you see the weirdness of that man just now?"

Chen Ping asked with a smile on his face.

"Well, there is an evil aura about him, he is probably an evil cultivator!"

Hu Mazi said calmly.

"Evil cultivator?" At this time, Bai Zhantang took a breath of air!

"Zhantang, who is this person? And why is he in the Shen family? It seems that his status in the Shen family is not low..."

Chen Ping asked Bai Zhantang.
