

The Order 2601

Chapter: 2601

“Mr. Chen, that person is Mengchen’s cousin, named Teng Chenglin. After Mengchen’s father died, the huge family property was given to Mengchen. It was difficult for a girl to manage it. It happened that her cousin found here, So I stayed!”

“But this man is also a business genius. In just one year, he has managed the Shen family in order and made a lot of money.”

“Mengchen plans to let her cousin take care of the Shen family after we get married. After all, after giving birth, Mengchen has to recuperate in Kyoto and cannot come to Baihai City every day.”

Bai Zhantang said to Chen Ping.

“It seems like this cousin is pretty good, maybe I’m too sensitive...”

Hearing what Bai Zhantang said, Chen Ping relaxed a little bit of his vigilance!

To be able to help take care of the family business for a year and still achieve such results, then Teng Chenglin is indeed good!

After chatting for a while, Chen Ping and the others also went to rest!

At this time, in a room of the Shen family, more than a dozen people were hiding inside, and everyone exuded the aura of a great master!

In a place like this, having so many great masters appear at the same time is definitely the most awesome power!

Teng Chenglin looked around and then entered the room!

“how’s it going?”

one of the leaders asked.

“Go back and report to the sect leader that the girl from the Shen family has returned. The wedding will be held in three days, and all the prominent people in Baihai City will be there!”

“Then it will be an opportunity. Our Broken Heart Sect can occupy the entire Baihai City, and we will no longer have to be sneaky in the future. I have worked hard to hide in the Su family for a year, and it is worth it.”

Teng Chenglin said to the leader.

“Okay, I’ll go right away, but you have to keep an eye on them to see if they bring any masters. That Bai Zhantang is from Kyoto. If they bring two masters, we will be in trouble.”

The leader advised Teng Chenglin.

“Don’t worry, I brought an old man and a young man with me. I don’t have much strength...”

Teng Chenglin said confidently.

The Shen family was preparing for the wedding of Bai Zhantang and Shen Mengchen, so no one noticed that there were more than a dozen people in the Shen family!

After a night’s rest at Shen’s house, Chen Ping and Hu Mazi got up early.

They plan to find the ancient ruins of Tianfu Sect!

Although there is a map showing the general location, it is not that simple to find the entrance to the ancient ruins.

Chapter: 2602

If the entrance had been visible at a glance, others would have discovered the ruins long ago!

Because Bai Zhantang has to take care of Shen Mengchen, he cannot accompany Chen Ping and Hu Mazi!

However, we still sent a car for Chen Ping and the others to use as they pleased!

According to the location on the map, Chen Ping and Hu Mazi arrived at the place quickly!

Chen Ping looked at the majestic mountains and the canyon between the two mountains, and a familiar feeling suddenly hit him!

“Are the ancient ruins located in Xuanyue Valley?”

Chen Ping looked at Xuanyue Valley and felt a little incredible!

“Have you been here?” Hu Mazi asked.

“Well, I came here a year ago...”

Chen Ping nodded!

Now, the entire Xuanyue Valley has become a tourist attraction, with amusement facilities everywhere, and it is much larger than a year ago!

Chen Ping asked the driver to wait outside, and then walked towards Xuanyue Valley with Hu Mazi!

After Chen Ping entered Xuanyue Valley, he let go of his spiritual consciousness and wanted to detect some clues!

But after walking a long way, I didn't capture any useful information.

There are only some warriors such as grandmasters playing among the tourists.

But as the two of them walked further and further away, there were gradually no more tourists, and the air began to become colder.

"What do you two do? You can't enter here casually, it will be dangerous..."

At this time, two people wearing security uniforms appeared from both sides and stopped Chen Ping and Hu Mazi!

At a glance, the two people are the security personnel of the scenic spot!

But Chen Ping discovered something unusual about the two people. How could a scenic spot hire two masters as security guards?

Chen Ping's consciousness had already detected the strength of the two people!

But these two people knew nothing about Chen Ping and Hu Mazi.

After all, the difference in realm and strength was so great that they simply couldn't detect the auras of Chen Ping and Hu Mazi, and regarded them as ordinary tourists!

"Sorry, we were just walking around and ended up here!"

Chapter: 2603

Chen Ping smiled slightly, then pulled Hu Mazi and turned around and walked back!

When the two security guards saw Chen Ping and the others leaving, they turned around and went back!

“Are we going back like this? There must be something weird here...”

Hu Mazi said to Chen Ping.

“Of course I know, but we can’t alert the enemy. Those two security guards are obviously not from the scenic spot!”

Chen Ping said, looking at the mountains aside, and then jumped, reaching halfway up the mountain!

At this time, Chen Ping was the Great Wuhou, and even walking on the mountainside was like walking on flat ground!

“Damn, are you bullying me for not being as strong as you?”

Hu Mazi looked at Chen Ping and cursed in dissatisfaction!

However, Hu Mazi took out two talismans, and then drew them in the air with his fingers. Then the two talismans rose into the air, directly lifting Hu Mazi up!

The two of them were walking halfway up the mountain, dodging the security guards below!

As Chen Ping and Hu Mazi went deeper, Chen Ping’s consciousness quickly noticed a strange power.

“There are actually experts here?”

Chen Ping frowned and quickly retracted his consciousness to avoid being discovered.

“It seems there are a lot of people hidden here?”

Hu Mazi felt it too.

“Let’s sneak over slowly...”

Chen Ping followed Hu Mazi, hiding his figure and moving forward slowly!

Soon, houses appeared one after another, and there were patrols patrolling around. It was obviously a sect camp!

“Damn it, I didn’t expect that in just one year, someone would occupy this place again!”

Chen Ping didn’t expect that Xuanyue Valley would have a new owner so quickly!

However, many sects will definitely like such a strategically located place, so it is normal to occupy it.

At this time, in the Broken Heart Sect in Xuanyue Valley, the master of the Broken Heart Sect was anxiously waiting for something!

Soon, three men in black robes with a copper mark on their chests appeared!

Chapter: 2604

Upon seeing this, the head of the Broken Heart Sect rushed forward to greet him.

“My subordinates pay their respects to Lord Black Bronze Robe...”

The leader of the Broken Heart Sect hurriedly stepped forward and knelt before the black copper robe.

“Excuse me, how did you go about what you were told?”

Black Copper Robe asked.

“It’s been done. I’m just waiting for the black bronze robe master to enter the ruins to explore...”

The leader of the Broken Heart Sect said hurriedly.

“Yes!” The black copper robe nodded!

It turned out that the map of the ancient ruins of Fu Zong was taken away by Chen Ping that day. After Ning Zhi knew that he had been tricked, he immediately sent people to prepare to explore the ruins first.

And this Broken Heart Sect was arranged here in advance by the Martial Arts Alliance. Some important ancient ruins will have sects arranged in advance by the Martial Arts Alliance!

Soon, three men in black bronze robes led several people from the Broken Heart Sect towards the entrance of the ruins!

“Damn, it turns out there are people from the Kyoto Martial Arts Alliance here, and three black bronze robes suddenly came...”

Chen Ping couldn’t help but curse!

But with his current strength, it would be easy to deal with three black bronze robes, not to mention there is a Hu Mazi beside him!

“what should we do?”

Hu Mazi asked Chen Ping.

Chen Ping frowned slightly and thought quietly for a moment!

“Do you think ancient ruins like Tianfu Sect are dangerous inside?”

Chen Ping asked Hu Mazi.

“You don’t have to ask, it will definitely happen. A sect like this will definitely set up layers of agencies before it dies.”

“Maybe if you go in, you won’t get anything, and the people will be gone!”

Hu Mazi said with a solemn expression.

“In this case, let’s wait. The strength of those three black bronze robes probably won’t be able to gain much from the ancient ruins...”

Chen Ping said.

Chapter: 2605

“Then we just wait like this?”

Hu Mazi looked at the cliff and asked with some displeasure.

“Then how can we wait?”

Chen Ping was stunned!

“Of course I’m going down to drink tea and wait. You’re not even afraid of those ants down there, are you?”

Hu Mazi smiled!

There is not even a Wuhou in the entire Broken Heart Sect, only the leader of the Broken Heart Sect is a peak grand master!

With such strength, not to mention Chen Ping, even Hu Mazi has been able to deal with it!

If Chen Ping takes action, it will be to use anti-aircraft guns to kill mosquitoes!

Chen Ping smiled helplessly and could only nod.

The two people jumped down from mid-air and landed firmly in the Broken Heart Sect!

“who?”

At this time, several members of the Broken Heart Sect on patrol saw someone suddenly intruding. They rushed over and surrounded Chen Ping and Hu Mazi.

Chen Ping and Hu Mazi didn’t even look at these little guys from the Broken Heart Sect!

“Don’t tell me, the environment here is good...”

Hu Mazi glanced around and said.

“I just don’t know if the tea here suits your taste!”

Chen Ping smiled.

“Whether it suits your taste or not, you’ll know after you try it!”

After Hu Mazi finished speaking, he walked straight towards the depths of the Broken Heart Sect.

Chen Ping followed behind and walked inside together!

The two of them singing harmoniously made the minions of the Broken Heart Sect look at them in a daze.

“How dare you break into our Broken Heart Sect and dare to be so arrogant...”

A member of the Broken Heart Sect couldn’t stand it anymore, brandishing a broad-backed knife in his hand, and rushed towards Chen Ping and the others!

Chapter: 2606

The other members of the Broken Heart Sect also rushed towards Chen Ping and Hu Mazi!

Chen Ping and Hu Mazi did not stop and kept walking forward.

Immediately afterwards, Chen Ping waved his hand, and a huge aura swept through him like a strong wind.

In an instant, those people from the Broken Heart Sect were blown away a hundred meters away, and they fell to the ground one by one, dead and injured!

Soon, Chen Ping followed Hu Mazi to the hall of the Broken Heart Sect!

At this time, the leader of the Broken Heart Sect was following the senior leaders of the sect, waiting for news about the three men in black bronze robes!

Seeing someone suddenly intruding, the head of the Broken Heart Sect frowned!

“Who are you? How dare you break into my sect?”

“Are all those guards outside dead?”

The leader of the Broken Heart Sect yelled!

Chen Ping didn't speak, but Hu Mazi punched him and found that several senior executives of the Broken Heart Sect were sitting on their seats with freshly brewed tea in front of them!

Hu Mazi walked towards a senior executive of the Broken Heart Sect, and the senior executive of the Broken Heart Sect stood up and looked at Hu Mazi warily!

“what you up to?”

The top brass of the Broken Heart Sect frowned slightly, and the aura on their bodies began to rise.

“I'm just having a cup of tea, you're so nervous!”

After Hu Mazi finished speaking, he suddenly stretched out his hand, grabbed the collar of the senior member of the Broken Heart Sect, and threw it away!

Bang...

The senior member of the Broken Heart Sect fell heavily against the wall, vomited blood, and died of exhaustion!

At this time, everyone was stunned and looked at Hu Mazi in disbelief!

You must know that to be able to become a high-level member of the Broken Heart Sect, one must be at least a fifth-grade Great Martial Sect or above, but now he was thrown away casually and died!

At this time, all the senior leaders of the Broken Heart Sect stood up, their whole bodies trembling slightly.

And the head of the Broken Heart Sect also looked extremely ugly!

Hu Mazi picked up the tea, took a sip gently, then nodded and said: "Well, yes, it is good tea, top quality Biluochun, come and try it..."

Hu Mazi waved to Chen Ping!

Chapter: 2607

Chen Ping walked over, and when a senior member of the Broken Heart Sect saw this, he hurriedly gave up his position without waiting for Chen Ping to take action!

Chen Ping sat with Hu Mazi on the left and right, quietly sipping tea!

And those people from the Broken Heart Sect were all sweating profusely and their hearts were about to stop with fear!

"You...who are you?"

The leader of the Broken Heart Sect asked cautiously.

Snapped!

The words just fell!

I saw Chen Ping wave his hand, and a burst of energy instantly hit the head of the Broken Heart Sect in the face.

“You don’t deserve to know our identities...”

Chen Ping gave the head of the Broken Heart Sect a cold look!

At this moment, the leader of the Broken Heart Sect quickly shut his mouth!

“I’m a little hungry, go prepare something to eat!”

After Hu Mazi took a sip of tea, he said to the head of the Broken Heart Sect.

“Okay, okay...”

The leader of the Broken Heart Sect nodded repeatedly and ran out in a hurry!

And the senior executives of the Broken Heart Sect also followed out, but Chen Ping and the others did not stop them!

After running out of the hall, the Broken Heart Sect members breathed a heavy sigh of relief.

“Sect Master, what should we do? These two guys look very strong, they must be Wuhou masters.”

A senior member of the Broken Heart Sect asked.

“First stabilize these two people. When the black bronze robed master comes out of the secret realm, he will naturally be able to deal with these two people...”

The leader of the Broken Heart Sect said.

Soon, sumptuous food and wine were served, and Chen Ping and Hu Mazi began to eat and drink!

The two of them felt as if they were at home, very comfortable!

Not caring at all, many people around the hall were eyeing the two of them!

Chapter: 2608

This kind of dimensionality reduction blow really makes people feel happy!

After having enough wine and food, Hu Mazi picked his teeth and said: "It feels so good to have someone waiting on me..."

Chen Ping did not speak, but spread out his spiritual consciousness to explore everything in the ancient ruins!

However, after Chen Ping's spiritual consciousness entered the ancient ruins, he could not detect anything at all, as if he had entered a chaotic world!

Immediately afterwards, an extremely overbearing and powerful aura instantly cut off Chen Ping's consciousness!

Chen Ping was startled and his body shook involuntarily!

"What's wrong with you?"

Seeing this, Hu Mazi asked quickly.

Chen Ping said with an ugly face: "This ancient ruins looks really dangerous..."

Just as Chen Ping finished speaking, he heard a huge sound coming from the depths of Xuanyue Valley!

boom.....

A burst of terrifying aura rushed towards the face, and many people in the Broken Heart Sect were blown away in an instant, and fell heavily on the cliff. They could not die anymore!

Many houses in the Broken Heart Sect were also destroyed by this breath!

Everyone looked at the depths of Xuanyue Valley in shock, their faces extremely ugly!

“what happened?”

Hu Mazi stood up quickly.

Chen Ping, on the other hand, had already rushed out and headed straight for the entrance of the ancient ruins!

Hu Mazi follows closely behind!

Soon, at the entrance of a cave as dark as hell, a man in black bronze robe was desperately running out!

“Help, help...”

The black bronze robe shouted, and behind the black bronze robe, a thing that looked like a fierce ghost with its teeth and claws was roaring continuously.

When the black copper robe ran out of the ancient ruins cave, the guy who looked like a ghost didn't want to stop at all!

Roaring loudly, he still rushed outside!

“What is this?”

Chapter: 2609

Chen Ping frowned. He didn't expect that there would be such a monster in this ancient ruins.

“This is not a monster, it's just a transformation charm!”

Hu Mazi said, muttering something in his mouth, and then he took out a spell from his hand, and then flew towards the monster!

boom!

Just after the talisman approached the monster, flames suddenly rose, and the monster roared several times and disappeared in an instant!

On the ground, there was a piece of yellow paper with the monster that just appeared on it!

But the yellow paper also burned into ashes in an instant!

Chen Ping looked at it in disbelief, then looked at Hu Mazi and asked: “Is this... this shape-changing talisman so powerful? If you paint yourself on this talisman, wouldn't there be one more person?”

Hu Mazi nodded: “Theoretically, it's possible, but I've never seen anyone with such a shape-shifting talisman.”

“If this weren't the lowest form of transformation talisman, it would be impossible for me to crack it!”

When Chen Ping heard this, his eyes flashed. If he could learn this kind of spell and draw a few people, wouldn't he have a lot of helpers?

Hu Mazi seemed to see what Chen Ping was thinking, so he smiled and said: "This transformation talisman also has limitations. Even if you can draw yourself, the transformed you will not survive for three days, and your strength is only It will only be half of yours."

"So, don't think too much about things, but if you really learn this shape-shifting talisman, you can escape at a critical moment!"

After hearing this, Chen Ping was a little disappointed, and then looked at the black copper robe that had already been frightened!

"When you went inside, what did you see?"

Chen Ping asked the black copper robe.

The black copper robe's eyes were dull and he kept mumbling: "Hell, this is hell, this is hell..."

"It looks like this guy is scared out of his mind..."

Hu Mazi smiled disdainfully.

Chen Ping, on the other hand, had a solemn expression. The ancient ruins could scare a Wuhou into silence. One can imagine how dangerous it is inside!

At this time, the leader of the Broken Heart Sect had already hurried over with his people. When he saw a man in black bronze robe, he immediately knelt down and worshiped!

"Lord Black Bronze Robe, these two people in front of me broke into our sect secretly. Please take action to capture them..."

Broken Heart Zongzhi said angrily.

He still doesn't know that the black copper robe in front of him has lost his mind and become a fool!

Chapter: 2610

Chen Ping and Hu Mazi looked at each other, and then laughed.

The laughter of the two people made the head of the Broken Heart Sect look confused instantly!

"You want a fool to catch us?"

Hu Mazi asked with a smile.

"Idiot?" The leader of the Broken Heart Sect looked puzzled!

"Look, is he a fool..."

After Hu Mazi finished speaking, he kicked the black copper robe hard, and kicked the person directly in front of the head of the Broken Heart Sect.

"Hell, this is hell, help me..."

The black copper robe kept mumbling to himself!

The leader of the Broken Heart Sect looked at it in disbelief, and then cautiously shouted: "Master Black Bronze Robe? Master Black Bronze Robe?"

But the black copper robe seemed not to hear it, and kept talking about hell!

At this time, the leader of the Broken Heart Sect was dumbfounded, completely dumbfounded!

“Do you think he can still arrest us in this condition?”

Chen Ping asked with a faint smile.

Plop.....

The leader of the Broken Heart Sect instantly knelt on the ground.

“Spare my life, please forgive me, sir...”

The other members of the Broken Heart Sect also knelt down and worshiped on the ground!

“You are all members of the Kyoto Martial Arts Alliance, how can I spare you?”

Chen Ping’s face turned cold!

As long as they are from the Kyoto Martial Arts Alliance, Chen Ping will not let anyone go!

He wants to fight to the end with the Kyoto Martial Arts Alliance!

After saying that, Chen Ping slapped out a palm and instantly smashed the head of the man in black bronze robe!

Although this black copper robe is stupid, Chen Ping will not let him go!
