

The Order 2611

Chapter: 2611

When the people of the Broken Heart Sect saw this, they kowtowed one by one like pounding garlic!

“Uncle, we are not from the Kyoto Martial Arts Alliance, we are not...”

The head of the Broken Heart Sect tried his best to explain!

“No? If not, why would you obey the orders of these men in black?”

Chen Ping asked.

“It was Alliance Leader Zhu, the Alliance Leader of the Martial Arts Alliance, who found us with the token and ordered us to move here.”

The leader of the Broken Heart Sect said.

“Then Zhu Zhishan is dead a long time ago, and you still don’t know? And what token did he hold that makes you so afraid?”

Chen Ping asked in surprise.

“I have seen that token. It was the token that the evil cultivator Fan Jiang carried with him twenty years ago. This token can summon all the evil cultivator sects in Daxia, but I don’t know how it got into the hands of Zhu Zhishan. !”

“But now that Zhu Zhishan is dead and the token is missing, the future evil cultivator sect will be in disarray and no one will be able to mobilize it!”

Hu Mazi followed Chen Ping and explained!

After hearing this, Chen Ping suddenly laughed: "It doesn't matter if the token is gone, I can make Fan Jiang appear!"

After Chen Ping finished speaking, he opened the storage ring, and a black mist appeared instantly!

Then the black mist condensed into a human form, and it was Fan Jiang who became a soul!

Seeing this scene, Hu Mazi was a little dumbfounded. He never knew that Chen Ping still carried Fan Jiang's soul!

Wasn't Fan Jiang dead long ago?

When the leader of the Broken Heart Sect saw Fan Jiang, he was extremely excited!

"Mr. Chen....."

After Fan Jiang appeared, he respectfully called Chen Ping!

Now everything he has is in Chen Ping's hands, and he can only obey Chen Ping!

"Look at these people, are they your disciples..."

Chen Ping asked Fan Jiang.

Fan Jiang glanced at the people of the Broken Heart Sect, and then asked: "Which sect are you from?"

Chapter: 2612

“Back to my ancestors, we are from the Broken Heart Sect.”

The leader of the Broken Heart Sect quickly replied.

“Broken Heart Sect?”

Fan Jiang frowned, I remember that your sect leader didn't have this kind of strength?

The leader of the Broken Heart Sect looked embarrassed and said: “Back to our ancestors, most of the evil cultivators were hunted down back then, and only some of them survived. Our current strength is considered to be pretty good among the evil cultivators sect.”

Fan Jiang was fine. He sighed heavily and then said, “Listen here. From now on, you must follow Mr. Chen's lead and follow Mr. Chen's orders...”

“As ordered...” The leader of the Broken Heart Sect quickly kowtowed and agreed!

The ancestor has spoken, which is more powerful than a token!

“Mr. Chen, if you encounter evil cultivators in the future, just ask me to come forward...”

Fan Jiang said to Chen Ping in a flattering manner.

“Okay!” Chen Ping nodded, and then asked Fan Jiang: “You also know some ancient ruins. How much do you know about the ancient ruins of Tianfu Sect?”

“Mr. Chen, I know that ancient ruins are only a thousand years old. Like this Tianfu Sect, I am afraid it is thousands of years old. I really don't understand this kind of thing!”

Fan Jiang replied!

“In this case, then you should go back. When the right opportunity comes, I will find you a physical body...”

After Chen Ping finished speaking, he opened the storage ring and collected Fan Jiang’s soul!

The leader of the Broken Heart Sect led everyone to kowtow to Chen Ping desperately.

“I, the Broken Heart Sect, swear to follow Mr. Chen to the death...”

The leader of the Broken Heart Sect shouted loudly!

Now that their ancestors are in the hands of others, do these guys dare to disobey?

Chen Ping glanced at the head of the Broken Heart Sect and said: “You can follow me, but you must not practice evil skills or suck the essence of innocent people. If I find out, I will kill you without mercy...”

“We will follow your instructions...”

The leader of the Broken Heart Sect agreed again and again!

Chen Ping glanced at Hu Mazi: “Master Hu, let’s go in and take a look?”

Hu Mazi forgot to glance at the dark entrance and sighed: “Let’s go, life and death are fate, wealth and honor are in the sky...”

Chapter: 2613

“Don’t worry, as soon as we see something is wrong, we will withdraw. This time we are just exploring the way!”

Chen Ping smiled lightly and then walked in first!

As soon as he stepped into the entrance, Chen Ping adjusted his aura to the extreme. He didn't dare to be careless here!

Then Chen Ping wanted to emit his spiritual consciousness to explore the way, but found that his spiritual consciousness could not be emitted at all!

Chen Ping and Hu Mazi took every step carefully and were very energetic!

"Master Hu, do you think there are still people alive in these ancient ruins?"

Chen Ping suddenly said this!

"possible....."

Hu Mazi nodded.

Chen Ping was stunned for a moment, and then looked at Hu Mazi in disbelief: "Master Hu, this is a sect from thousands of years ago. Is there anyone who can live for thousands of years?"

"The magic of spells is ever-changing, and all of them contain heavenly secrets. Just like the elixir, one can live forever after taking the elixir of life. Is there no spell that can make people survive for thousands of years?"

Hu Mazi said with a faint smile.

"So what do these charms look like? Are they all the same as the ones you drew? Do you need a piece of yellow paper?"

Chen Ping asked curiously.

“Stop comparing yourself to me. In the eyes of a real spell master, my tricks are nothing.”

“A real spell can be anything, or any object. You can even draw a spell in the void, and even a human brain can plant a spell.”

“These are all spells. If you ask me what the spells look like, how should I answer you?”

Hu Mazi looked at Chen Ping and asked.

Chen Ping was speechless for a while. He didn't know much about talismans, and he didn't know much, only the most basic things. That's why he asked such an incompetent question!

The two people carefully took a few steps forward, and suddenly the entire ruins began to shake!

“Holy crap, is it going to collapse?”

Hu Mazi couldn't help but curse!

At this moment, a heat wave suddenly hit in front of Chen Ping and the others, followed by a raging fire!

With the light of the fire, Chen Ping and the others saw several corpses lying on the ground, obviously those people in black copper robes and the Heartbroken Sect!

Chapter: 2614

“Rewind quickly...”

Chen Ping pulled Hu Mazi, and the two of them quickly retreated!

But in the process of retreating, the stone walls on both sides burst into flames, and the entire entrance turned into a fire field burning with raging fire!

Chen Ping's expression changed drastically, and even their retreat was burning with flames!

The raging fire has surrounded them!

"Damn, this sky fire talisman can actually exert such power. It seems that the guy who drew these talismans is definitely a talisman master..."

Hu Mazi said with a solemn expression.

"what should we do?"

Chen Ping asked Hu Mazi.

In a place like this, Chen Ping could only ask Hu Mazi if there was any good way.

"I'll try to see if the fire-avoiding talisman can help us get through..."

After Hu Mazi finished speaking, he took out a brush from his arms. After biting his fingertip, he dipped the brush in his own blood.

Then Hu Mazi was in mid-air, waving his brush!

Soon, a rune appeared in mid-air. The rune flashed with red light, and finally enveloped Chen Ping and Hu Mazi.

"Walk....."

Hu Mazi pulled Chen Ping and then rushed forward!

Chen Ping looked at Hu Mazi in shock: "I didn't expect you to be able to do without talismans?"

Hu Mazi rolled his eyes at Chen Ping: "Damn, I said I was rubbish. That was modesty. Don't underestimate me..."

Hu Mazi followed Chen Ping, using the fire avoidance talisman to block the heat wave of the flames, and kept running forward!

sizzling.....

Heat waves kept making sounds in the ears of Hu Mazi and Chen Ping.

boom.....

Suddenly, the fire-avoiding talisman was destroyed, and then the flames mixed with a terrifying force attacked the two people!

Chen Ping and Hu Mazi had no time to dodge!

Chapter: 2615

He was directly thrown away by this force!

"Indestructible golden body....."

Chen Ping's body shimmered with golden light, and the faint golden light turned into scales, covering Chen Ping's whole body!

As Hu Mazi was being thrown away, he instantly took out a talisman from his arms and stuck it directly on his body!

The two people were hit by the heat wave, their bodies kept rolling, their bodies hit the stone wall, and then they were pushed back by the heat wave.

The two of them were tortured like this for several minutes before the burning flame was extinguished and the heat wave disappeared!

Chen Ping coughed and slowly became afraid. He, a great Wuhou, was actually in such a mess!

If Chen Ping hadn't made a prompt decision and activated the Indestructible Golden Body.

Now he was afraid that not a single piece of clothing on his body was left, and they were all burned!

"Master Hu....."

Chen Ping looked at Hu Mazi lying motionless not far away, and hurriedly ran over and helped Hu Mazi up.

Looking at Hu Mazi's dark face, Chen Ping couldn't help but laugh.

"Damn it, you were still laughing, and the two of us almost died..."

Hu Mazi glared at Chen Ping!

The charms attached to Hu Mazi's body were burned, and his clothes had a few holes in them. Fortunately, they were still intact!

"Luckily I protected my clothes, otherwise I would be honest with you now!"

Hu Mazi felt relieved when he saw that his clothes were fine!

It would be embarrassing if you were naked!

“We have just entered the entrance. We didn’t even see the Fu Sect’s gate that day, but we encountered such a powerful talisman. Wouldn’t it be even more dangerous behind it?”

Chen Ping frowned and said.

“That goes without saying, I think we should go back...”

Hu Mazi started to back off!

“We’re here now, but we have to see the gate of Tianfu Sect before we talk...”

Chen Ping activated his indestructible golden body and walked forward slowly!

Chapter: 2616

Seeing this, Hu Mazi could only take out a few charms and stick them on his body!

“Bless me, my ancestor. I just came here to have a look. I have no other intentions. Please don’t embarrass us!”

Hu Mazi kept chanting!

It could also be that what Hu Mazi was talking about really came true. Chen Ping and the others did not encounter any danger along the way!

Soon, an open area appeared in front of the two of them, and in this open area, a ruined wall appeared.

A quick glance shows that this place has been through the Great War.

Among the ruins, a towering gate tower seems to indicate that this place was once a prosperous and glorious sect!

“Tianfu Sect, this is Tianfu Sect...”

Hu Mazi looked at the three characters Tianfu Sect on the gate and shouted excitedly!

Surprise also flashed in Chen Ping’s eyes, and he ran directly towards Fu Zong that day!

Upon seeing this, Hu Mazi was about to remind Chen Ping, but Chen Ping was stunned.

Immediately afterwards, an overbearing Qi Jin struck, making Chen Ping unable to dodge and was instantly knocked away.

“I was just about to remind you, why are you so reckless? There must be a secret in Tianfu Sect today. If you break in, aren’t you looking for death?”

Hu Mazi hurriedly helped Chen Ping up and said.

Chen Ping wiped the blood from the corner of his mouth, frowned slightly and said: “What a terrifying energy...”

The strength displayed by that energy just now is probably no worse than that of Da Wuhou at his peak!

“How about we exit first? I’m afraid it won’t work if we rush in like this without preparing anything today.”

Hu Mazi persuaded Chen Ping.

“I’m trying it once, but if it doesn’t work, we’ll quit...”

Chen Ping was a little unwilling and slowly approached the gate tower of Tianfu Sect again!

This time, Chen Ping walked very carefully, using his spiritual power to the fullest with every step!

Buzz.....

Just when Chen Ping stepped into the gate tower of Tianfu Sect, the void suddenly shook!

When Chen Ping saw this, he was so frightened that he quickly backed away.

Chapter: 2617

But at this moment, in mid-air, as the void shook, a white-haired old man appeared unexpectedly.

It’s like a projection, reflected in mid-air!

“Who are you, please retreat quickly...”

The old man had a serious look on his face and shouted in a cold voice.

Chen Ping was startled and looked at the old man in the air with some confusion!

And that Hu Mazi fell to his knees with a thud: “Disciple, bow to the ancestor...”

“Who are you, please retreat quickly...”

The old man shouted coldly again!

“Senior, we just admire the Tian Fu Sect’s magic skills and come here to ask for advice.”

Chen Ping cupped his fists towards the old man and said.

“Asshole, Fu Zong is here for you to come and go at will. If you don’t retreat quickly, don’t blame me for being rude...”

After saying that, the old man disappeared in mid-air!

Immediately afterwards, a terrifying energy shot out from within Fu Sect that day!

This time, Chen Ping was already prepared. After the energy shot out, Chen Ping also punched him!

The golden fist shone with light and directly met the energy!

boom!

The huge collision caused the space to vibrate and the roar continued!

Chen Ping, on the other hand, felt a tightness in his chest and kept retreating!

“Chen Ping, let’s go, don’t be reckless...”

Hu Mazi stood up, grabbed Chen Ping, and quickly ran away from the ruins!

“I didn’t expect that there are actually living people in these ancient ruins that are thousands of years old...”

Chen Ping's face was full of surprise, he didn't expect to meet an old man.

"That's not a living person, it's just an image that has been preserved for thousands of years using spells..."

"I didn't expect that thousands of years ago, I expected that someone would come to snatch the Tianfu Sect's treasure."

Chapter: 2618

Hu Mazi said with panic in his eyes.

When Chen Ping looked at Hu Mazi like that, he could guess how scared Hu Mazi was in his heart just now!

"It seems that we need to plan carefully for this Tian Fu Sect. No wonder the ruins of this Tian Fu Sect are at the back of the book..."

Chen Ping let out a long sigh!

He has an indestructible golden body to protect his body, and coupled with his abnormal physique, even so, he simply cannot withstand the energy that is shot out at will from the Tianfu Sect.

No one dares to predict what will happen next, no one can predict it!

After coming out of the ancient ruins, the leader of the Broken Heart Sect and his people were still waiting outside!

Seeing Chen Ping and Hu Mazi come out alive, surprise and admiration flashed in their eyes!

"Mr. Chen, please go back to the sect and rest first..."

The leader of the Broken Heart Sect said when he saw Chen Ping and Hu Mazi dressed in black and with solemn expressions.

Chen Ping nodded, and before leaving, he did not forget to look back at the entrance to the ruins!

Now he has stepped into Dawuhou, but he does not want to be brutalized by unknown men in black, and suppressed by the servants of Han Qing'er's family. This has already hit Chen Ping very hard!

But now he can't even explore and search for an ancient ruin. It seems that he still has a long way to grow!

In today's martial arts world, Da Wuhou is almost the strongest, and martial saints are almost unheard of. It can be seen that compared with the world of immortality, the martial arts world is really not bad at all.

If it weren't for the depletion of the spiritual energy of heaven and earth, which gave the martial arts world room to survive, where would the martial arts world still exist in this society!

Chen Ping asked the head of the Broken Heart Sect to guard the entrance to the ruins, while he and Hu Mazi returned to Baihai City!

The Shen family is still busy preparing for the wedding of Shen Mengchen and Bai Zhantang!

Because Chen Ping agreed to stay for the wedding, he could only stay at Shen's house for a few more days. In addition, he wanted to see if Shen Mengchen's cousin Teng Chenglin had any intentions!

Soon, the wedding of Shen Mengchen and Bai Zhantang was held as scheduled. Elites from all walks of life in Baihai City came to attend, hundreds of people!

Teng Chenglin was busy and dedicated, which made Shen Mengchen even more relieved about his cousin!

Among these guests, there was a table in the corner that looked a little weird. Each of these people had expressionless faces, as if they were not interested in the wedding!

“Chen Ping, have you seen the people at that table? They are all the Great Wuzong. They are probably not here to congratulate you!”

Hu Mazi said to Chen Ping.

Chen Ping had already discovered the people at that table. Just now, Chen Ping’s consciousness spread, and everyone present could not escape Chen Ping’s eyes!

Chapter: 2619

“Just wait and see. What should pop up after a while will eventually pop out.”

Chen Ping smiled lightly!

Soon, the wedding ceremony of Shen Mengchen and Bai Zhantang was completed, and as the elder, Teng Chenglin walked onto the stage, took the microphone and said to everyone: “Thank you for taking the time from your busy schedule to attend my niece’s wedding...”

“Now that Mengchen is married to a wife and is pregnant, the next days will be to take good care of the baby and live an ordinary and happy life.”

“So today I would like to take this opportunity to announce that I will fully manage the Shen family from now on, and my niece Shen Mengchen will go to Kyoto to live and never come back!”

“I hope that after I accept the Shen family, your cooperation with the Shen family will still be the same!”

After Teng Chenglin finished speaking, the guests below all looked surprised and started talking one after another!

Shen Mengchen, with an angry look on his face, asked Teng Chenglin: “Cousin, who said I would go to Kyoto and never come back? Who allowed you to take over our Shen family?”

“Mengchen, you don’t have to be angry. My cousin is doing this for your own good. You are a girl and you can just stay at home to support your husband and raise your children. How well have I taken care of the Shen family over the past year? You all can see it, right?”

“So it’s most appropriate to leave the Shen family to me, otherwise the Shen family will be defeated by you sooner or later.”

When Shen Mengchen heard this, he was so angry that he said loudly: “The Shen family was defeated by me, and that is also our Shen family’s business. What does it have to do with you? I asked you to take care of the Shen family, it’s nothing more than I give you food, do you really think of yourself as the master?”

“You are just hired by my Shen family. I can drive you away right now. You will have nothing to do with following the Shen family!”

“Mengchen, don’t be angry, be careful!” Bai Zhantang comforted Shen Mengchen, and then looked at Teng Chenglin with a cold face: “Who do you think you are, you still want to take over the Shen family?”

“I don’t know who I am, but you should know who they are!”

After Teng Chenglin finished speaking, the people at the table in the corner jumped up and landed on the stage!

Everyone exuded the aura of the Great Wuzong, causing the temperature in the entire banquet hall to drop sharply, and everyone shuddered!

Bai Zhantang looked at these great martial arts masters without the slightest fear.

Although his own strength is not enough to deal with these people, with Chen Ping as his backing, Bai Zhantang is not afraid at all!

“Do you just want to rely on these people to rob the Shen family’s property?”

Bai Zhantang asked Teng Chenglin.

“With these few people, not to mention the Shen family, even the entire Baihai City, who can be an enemy?”

“Today I am not only in charge of the Shen family’s property, I want a share of all the aristocratic families in Baihai City!”

Teng Chenglin glanced at the many guests below and said.

As soon as they heard that Teng Chenglin wanted to interfere in other families’ businesses, some people immediately became unhappy!

Chapter: 2620

“Who do you think you are? Do you want to get involved in other families’ businesses?”

A tall and thin middle-aged man was insulting and accusing Teng Chenglin!

But as soon as he finished speaking, Teng Chenglin jumped up and arrived in front of the tall and thin middle-aged man.

puff!

Without the slightest hesitation, Teng Chenglin penetrated the man’s chest instantly and dug out the bloody heart!

Seeing this bloody scene, everyone was so frightened that they didn’t dare to breathe.

Seeing everyone’s performance, Teng Chenglin’s face looked a bit ferocious and arrogant.

“Whoever dares to speak too much will suffer the consequences...”

Teng Chenglin held up the bright red human heart and shouted loudly!

At this moment, Shen Mengchen’s face became very ugly, while Bai Zhantang tightly protected Shen Mengchen and looked at Teng Chenglin coldly!

“Teng Chenglin, let me tell you, you don’t even think about taking over the Shen family, and don’t think you are invincible. If you were in Kyoto with your strength, it would be nothing!”

Bai Zhantang cursed angrily at Teng Chenglin.

“Haha, you are right. My ability is nothing in Kyoto, but this is not Kyoto. Who can stop me here?”

Teng Chenglin laughed arrogantly.

“I can.....”

At this moment, Chen Ping stood up and slowly walked onto the stage!

“Mr. Chen...”

Seeing Chen Ping standing up, Bai Zhantang quickly stepped forward and shouted!

With Chen Ping here, these people in front of him are just clowns.

“You?” Teng Chenglin looked at Chen Ping and said, “Boy, do you want to stop me? I’m telling you, get away if you don’t want to die.”

“What if I want to die?”

Chen Ping looked at Teng Chenglin and smiled!

“If you want to die, then I will make it happen for you...”

As he spoke, Teng Chenglin’s aura surged, and then he slapped Chen Ping with his palm.
