

The Order 2621

Chapter: 2621

Chen Ping stood motionless, with his hands behind his back, his eyes full of disdain!

This time, Teng Chenglin was even more furious!

Bang!

Teng Chenglin hit Chen Ping hard on the chest!

It's a pity that Chen Ping didn't move at all, and even the expression on his face didn't change, but the wrist that escaped was directly broken by the shock!

"this....."

Teng Chenglin's face was full of shock, while others also looked at Chen Ping in disbelief!

Seeing Teng Chenglin's shocked expression, Chen Ping raised the corner of his mouth slightly: "I want to die, do you want to do it again?"

Teng Chenglin's face was extremely ugly and he gritted his teeth!

"I want to die too, give me a try too!"

At this moment, Hu Mazi jumped up and landed on the stage. Then he looked at Chen Ping and said, "Okay, you've already pretended to be cool once. Give it to me this time. This kind of show-off scene can't be done." See more..."

It's so cool to think about showing off in front of hundreds of people!

Chen Ping looked at Hu Mazi, dumbfounded, but he still made way for Hu Mazi to stand facing Teng Chenglin!

“Boy, Grandpa, I want to die, but I can’t die. Just give Grandpa a try. I promise not to fight back...”

Hu Mazi put his hands behind his back and said to Teng Chenglin.

Teng Chenglin’s face turned purple with anger. In front of hundreds of people, he had just praised Haikou, and now he was slapped in the face in public!

And not only once, but now someone is actually provoking him!

Hundreds of guests in the audience watched this scene, with rich expressions on their faces!

They didn’t expect that they would encounter such a thing!

“Don’t bully others too much...”

Teng Chenglin gritted his teeth, and the aura on his body swelled again!

I saw light lingering on Teng Chenglin’s hand, and all his energy was concentrated on his palm!

When Hu Mazi saw this, he couldn’t help but frowned: “Damn, why didn’t you hit him like this just now? Are you fucking targeting me?”

Hu Mazi is just at the peak of the Golden Core Realm, which is also the peak of the Great Wuzong. If he doesn’t use the talisman, although he can withstand Teng Chenglin’s palm, it will definitely not be easy.

Chapter: 2622

That's why Hu Mazi yelled at Teng Chenglin with great dissatisfaction, and then pulled Chen Ping over and said: "It's better you do it, this grandson doesn't respect martial ethics..."

Teng Chenglin was also very angry. This was a fight, and one slap could mean the difference between life and death. This was not playing house!

Chen Ping smiled, and then stood in front of Teng Chenglin casually!

At this moment, Teng Chenglin had an arrow ready to go and had to take action!

"Boy, suffer death..."

Teng Chenglin struck out with a palm, and the light lingering on his palm hit Chen Ping's chest with a bang!

Chen Ping remained motionless, but Teng Chenglin was knocked away by the huge force of the shock!

Teng Chenglin's body hit a table hard, smashing the table into pieces and scaring many guests to dodge in a hurry!

A mouthful of blood spurted out from Teng Chenglin's mouth, and the aura on his body dissipated instantly.

Seeing this scene, the surrounding guests applauded unconsciously!

Seeing everyone looking at Chen Ping in shock and applauding Chen Ping, Hu Mazi was a little disappointed and said: "Damn it, you kid is pretending to be cool again..."

It's obvious how much this Hu Mazi wants to show off in front of these people!

Teng Chenglin was so angry that his teeth ached. He stood up with all his strength, gritted his teeth and said, "Boy, you are dead this time. Let me tell you, I am a member of the Broken Heart Sect, and our sect leader will definitely kill you."

When Chen Ping heard about the Broken Heart Sect, he immediately laughed: "Are you really a member of the Broken Heart Sect?"

"Not bad, are you scared?"

Teng Chenglin raised the corner of his mouth and said.

He thought that if he mentioned the Broken Heart Sect, there would be no one in Baihai City who wouldn't be afraid of him.

"I'm afraid of your mother!" Chen Ping sneered, then looked at Hu Mazi and said: "Master Hu, I asked you to pretend for the last time..."

When Hu Mazi heard this, he immediately became happy and walked directly in front of Teng Chenglin!

"What...what do you want to do?"

Teng Chenglin looked at Hu Mazi in panic and asked.

Hu Mazi reached out and slapped Teng Chenglin: "Contact your sect leader now and ask him to come and kill me..."

Teng Chenglin was stunned. He was a little confused. Who were the old and the young in front of him?

Why don't you seem to be afraid of their Broken Heart Sect at all?

Chapter: 2623

Just when Teng Chenglin hesitated, Hu Mazi slapped him out again!

“I told you to fucking contact your sect leader, can’t you hear me?”

Hu Mazi scolded Teng Chenglin as if he were lecturing a child.

Teng Chenglin was so shocked that he was about to collapse!

He quickly contacted the head of the Broken Heart Sect, and the master of the Broken Heart Sect hurriedly led people here!

“Just wait, our sect master will bring someone here soon...”

Teng Chenglin said with a fierce face.

Upon seeing this, many guests were so frightened that they wanted to leave. If the head of the Broken Heart Sect really brought people here, they should not be implicated anymore!

When he saw that many guests were leaving, Hu Mazi became anxious!

If everyone leaves, who will he show off to?

“Everyone, everyone, don’t leave. Just sit back and watch carefully. You’ll be fine.”

Hu Mazi said loudly to everyone.

But no one believed him, and there were still guests who wanted to leave!

Seeing this, Hu Mazi took out two talismans, tossed them casually and stuck them at the door.

This time, everyone found that although the door was open, they couldn't get out!

"I told you not to leave, but you just don't listen and insist on forcing me to take action!"

"Go and sit down, I promise everyone will be fine!"

Hu Mazi said confidently.

Seeing this, everyone could only sit back and wait for the arrival of the heartbroken sect leader!

Soon, the leader of the Broken Heart Sect came with someone. As soon as he entered the door, he shouted loudly: "Teng Chenglin, who dares to look down on our Broken Heart Sect?"

Teng Chenglin hurriedly ran over: "Sect Master, it's them, they asked me to call you..."

The leader of the Broken Heart Sect looked in the direction of Teng Chenglin's finger. When he saw Chen Ping and Hu Mazi, his whole face turned green.

"I look down on your Broken Heart Sect, what's wrong?"

This is Hu Mazi walking towards the head of the Broken Heart Sect.

Chapter: 2624

"Grandson, this is our sect leader, you still dare to be so crazy, just wait..." Teng Chenglin shouted when he saw that Hu Mazi was still crazy.

But before he finished speaking, he was slapped hard on the face by the head of the Heartbroken Sect!

"Damn it, you damn thing, how dare you disrespect Master Hu?"

After the leader of the Broken Heart Sect finished speaking, he immediately said with a smile: “Master Hu, I didn’t know you were here, it was my subordinates who were rude.”

Teng Chenglin, who had been slapped, was dumbfounded when he saw that his sect leader was polite to Hu Mazi!

And the guests all looked at Hu Mazi in surprise, their eyes full of envy and admiration!

Feeling the attention of everyone, Hu Mazi felt so happy!

“It’s not that your man is rude, it’s that he wants to take over the Shen family!”

“I don’t care if it was your idea or not, I’m telling you, the Shen family has a connection with me.”

“If something happens to the Shen family in the future, I will be the first to take action on you...”

At this time, Chen Ping came over and said.

“Mr. Chen, I really don’t know. Don’t worry. As long as my Broken Heart Sect is still here, the Shen family will definitely be fine!”

The leader of the Broken Heart Sect quickly promised!

“Take your people and get out!”

Chen Ping waved his hand!

The leader of the Broken Heart Sect quickly took the people away!

The wedding venue was tidied up again and the wedding banquet continued!

This time, Chen Ping and Hu Mazi became more important figures than the bride and groom!

People keep coming over to toast and toast!

Chen Ping found an opportunity to leave, but Hu Mazi didn't refuse anyone who came!

In the end, I was so dizzy from drinking that I passed out drunk!

Early the next morning, when Hu Mazi woke up, he found that Chen Ping had left and returned to Kyoto.

I left a letter to Hu Mazi, asking him to stay in Baihai City so that he could study the ancient ruins of Tianfu Sect!

When there is a chance, Chen Ping will come back to explore again.

Chapter: 2625

"Does this guy think I'm working for him?"

Hu Mazi crumpled the letter into a ball and threw it away, then lay back down again!

.....

Kyoto, Long Family!

In just a few days, the scene in the Long family became even more lively!

Not only the Long family, but also Zhao Liguó's Wuying Villa and the Valley of the Evils of the Four Evil Villains have all moved back to Kyoto!

In order to avoid the martial arts alliance, Zhao Liguó and the four evil men had to unite and go to the Medicine God Valley together!

But now, the martial arts alliance is in decline, and there are countless sect families who follow Chen Ping!

So they moved it back again!

The Long Family, Shadowless Villa, and Valley of the Evil, the three families have become rivals in Kyoto, echoing each other.

Coupled with the Dong family's die-hard loyalty to Chen Ping and his identity as the master of the Medicine God Valley, Chen Ping's power in Kyoto is already the greatest!

As the saying goes, if one person attains Taoism, chickens and dogs can ascend to heaven. Not only in Kyoto, but also Lin Tianhu and Chifeng from Hongcheng have become the largest sects in the area!

Now Chen Ping can be said to be unparalleled, and he is an object of worship in the eyes of others!

Chen Ping also didn't expect that so many things would happen during the few days he left!

Just when major families were following Chen Ping one after another, Ning Zhi's face in the Kyoto Martial Arts Alliance was gloomy all day long!

The Martial Arts Alliance had just come into his hands, and something like this happened!

The current martial arts alliance has long lost its former glory!

“Chen Ping, I must kill him, I must...”

Ning Zhi roared angrily. He already hated Chen Ping and wanted to kill Chen Ping right away!

“If you want to kill him, it’s not impossible, but you have to go through careful planning...”

An old voice said in Ning Zhi’s mind.

“Senior, how can I kill him?”

Ning Zhi asked quickly.

“Now that you have the martial arts weapon in hand, you are gathering some black bronze robes to find a way to lure Chen Ping to the martial arts alliance, and then kill him...”

Chapter: 2626

The spirit said.

“Then I’m afraid Chen Ping won’t come to the Martial Arts Alliance easily, right? Now that we have broken up, will he still come?”

Ning Zhi asked.

“Of course he will, you forgot that he has the leverage in our hands!”

Soul smiled lightly.

Ning Zhi instantly thought of Su Yuqi who was imprisoned in the dungeon, and said with a smile on his face: “Yes, I can use his girlfriend to lure Chen Ping to the martial arts alliance!”

“As long as Chen Ping dares to come, I will never let him escape this time. If he doesn’t die, the martial arts alliance will never have peace...”

Soul said: “It’s not scary that the martial arts alliance will never have peace. What’s scary is that if Chen Ping grows up, you will lose your value and the powerful will no longer value you...”

“Yes, I can’t lose the respect of Da Neng. I must kill Chen Ping this time...”

Ning Zhi’s eyes flashed with firm determination, and he immediately used his identity to summon the black bronze robes!

But Chen Ping didn’t know Ning Zhi’s plan for him and was still staying in Kyoto!

He is waiting for Ge Fuhai to come back and inquire about the Zixiao Mansion!

On this day, Ge Jiayi called.

When Chen Ping saw that the call was from Ge Jiayi, he became a little excited!

Ge Jiayi is looking for her, which means that Ge Fuhai should be back!

Sure enough, Ge Jiayi informed Chen Ping to go to Ge’s house and said that her father had come back!

Chen Ping hurried to Ge’s house!

Ge Fuhai was waiting for Chen Ping in the living room. When he saw Chen Ping coming, he quickly stood up and said: “Mr. Chen, please sit down...”

“Master Ge, you are too polite, just call me Chen Ping...”

Chen Ping said quickly.

After all, Chen Ping didn't dare to ask for help!

"Hahaha, during the time I left, so many things happened in Kyoto. Mr. Chen, you can definitely bear this..."

Ge Fuhai laughed loudly: "I heard from Jiayi that you came to see me. Is there something wrong?"

"Master Ge, I want to ask you about Zixiao Mansion. Do you know where Zixiao Mansion is?"

Chapter: 2627

Chen Ping asked Ge Fuhai.

"Why are you asking about Zixiao Mansion? Even if I tell you the location, you won't be able to enter Zixiao Mansion!"

Ge Fuhai said.

"Why?" Chen Ping's face was full of confusion!

"Sects like Zixiao Mansion live in secret realms. You can't find them in this secular world."

"Just like our Ge family, the real power of our Ge family is also in the secret realm."

"Nowadays, many immortal cultivating families are hiding in secret realms and almost never come to the secular world!"

"I remember telling you all this. Immortal cultivators who stay in the secular world will not have very high achievements after all!"

Ge Fuhai followed Chen Ping to explain!

“Master Ge, if you live in the secret realm with Zixiao Mansion, can you lead me to find Zixiao Mansion?”

Chen Ping asked.

Ge Fuhai smiled: “Although we live in the same secret realm, we are not in the same secret realm!”

“The battle between immortals and demons, when the world collapses!”

“The eight Vajra Buddhas opened up eight secret realms, and some cultivating families who were able to survive entered these eight secret realms.”

“You should understand if I explain it this way, right?”

Ge Fuhai looked at Chen Ping and asked.

Chen Ping nodded: “Master Ge, can’t these eight secret realms communicate with each other?”

“That’s not true. There are teleportation arrays between the eight secret realms. You can teleport to the secret realm you want to go!”

“However, after one transmission, you need to wait three days before you can continue to transmit the same person, so few people use it!”

Ge Fuhai replied.

“Why?” Chen Ping was a little confused. Since there is a teleportation array, why not go to other secret realms.

“Let me ask Mr. Chen, would you suddenly be transported to a very strange place? And you have to stay there for three days, let alone three days. I am afraid that in three hours, all the treasures and resources in your body will be taken away. of.”

Ge Fuhai smiled: “The immortal cultivators in the secret realm are the same as ordinary people. The characters that ordinary people have are the same as the immortal cultivators.”

At this moment, Chen Ping finally understood. It seemed that in that secret realm, the major families were also intrigues and hostile to each other.

Chapter: 2628

Chen Ping suddenly remembered Han Qing'er whom he met some time ago, as well as those powerful men in black and the domestic servants.

“Master Ge, can people in the secret realm enter the secular world?”

Chen Ping asked.

“Of course. Didn't I just come back from the secret realm?”

“However, people in the secret realm generally rarely come to the secular world, because once people in the secret realm come to the secular world, after staying for a certain period of time, there will be a danger of stagnation in strength or even regression!”

“So people in the secret realm rarely come to the secular world unless they have urgent matters, and some things in the secular world can't even enter their eyes!”

“As the spokesperson of the Ge family in the secular world, I have stayed in the secular world for a long time, so my strength has not improved!”

Ge Fuhai smiled helplessly. It was obvious that he was eager for strength, but it was a pity that he was chosen to be a spokesperson in the secular world and could only obey!

Chen Ping thought about it and realized that the immortal cultivators he met in the secular world were not very powerful, but he was an exception!

It's just that Chen Ping doesn't know yet whether there will be a bottleneck in improving his strength in the future!

If there is really no way to improve in the secular world, Chen Ping would like to practice in the secret realm!

"Master Ge, I have an unkind request. I wonder if Master Ge can agree to it?"

Chen Ping asked slightly embarrassed.

"Mr. Chen just said it's okay..."

Ge Fuhai smiled.

"Could Master Ge take me to a secret realm to take a look at your immortal cultivating families?"

Chen Ping asked cautiously, he was afraid that Ge Fuhai would refuse!

After all, these all involve family secrets!

"Of course, to be honest, when I came back this time, our elder Ge family specially told me to take you to the Ge family land!"

Ge Fuhai said without any secret.

Chen Ping was stunned: “Master Ge, what... is going on? Do you Ge family elders still know about me?”

“Of course, I have reported all your deeds in the secular world to the clan elder, so the clan elder is very interested in you!”

Ge Fuhai said.

Chen Ping did not expect that Ge Fuhai would talk about him with the Ge family, but it was right to think about it. As the spokesperson of the Ge family in the secular world, Ge Fuhai would of course report what happened in the secular world!

Chapter: 2629

“Master Ge, when will we set off?”

Chen Ping couldn't wait in his heart!

“Mr. Chen, don't worry, you stay at my Ge's house for one night first, and we'll set off tomorrow!”

Ge Fuhai said to Chen Ping.

Seeing this, Chen Ping could only nod his head and agreed to stay at Ge's house for one night.

Ge Fuhai smiled, and then winked at Ge Jiayi who was standing aside, while Ge Jiayi's face was red with embarrassment!

I don't know what the father and daughter are doing.

Ge Fuhai ordered someone to prepare a room for Chen Ping!

When Chen Ping entered the room, he found that it was very clean, with a light fragrance, and all kinds of decorations. It looked like a woman's boudoir!

Chen Ping was a little stunned. He didn't understand why Ge Fuhai arranged himself in such a room.

However, Chen Ping didn't think about it and just lay on the bed, looking forward to entering the secret realm tomorrow!

After chatting with Ge Fuhai today, Chen Ping realized that this world is so big that there is more than just one Kyoto Martial Arts Alliance.

Unconsciously, Chen Ping fell into a deep sleep.

But I don't know how long it took, but Chen Ping felt someone groping for something on his body!

Chen Ping was suddenly startled and instinctively slapped out with a palm!

Chen Ping's forehead was covered with cold sweat, and he was shocked. He had never been so careless while sleeping. He didn't realize it until he was in front of him!

"ah....."

A woman's exclamation sounded, causing Chen Ping to stop his palm that was about to wave again!

Quickly turning on the light, Chen Ping was surprised to find Ge Jiayi standing in front of him.

The person who was groping on her body just now was Ge Jiayi!

At this time, Ge Jiayi was only wearing thin pajamas, which were very transparent under the light!

“Miss Ge, are you okay?”

Chen Ping didn't dare to look directly at Ge Jiayi, turned his head to the side and asked.

“You are too cruel, you don't know how to show mercy at all!”

Chapter: 2630

Ge Jiayi pouted and seemed a little angry.

“I'm sorry, I didn't know it was you, and it was so late at night. Why did you sneak into my room?”

Chen Ping asked.

“This is my room, why can't I come?”

Ge Jiayi asked rhetorically.

When Chen Ping heard this, he immediately panicked and quickly apologized: “Miss Ge, I'm sorry, maybe I went to the wrong room.”

Chen Ping was very embarrassed at this time and thought it was his fault that he went to the wrong room!

Just when Chen Ping was about to go out, he was stopped by Ge Jiayi: “You are right, I let you stay in my room.”

Chen Ping was stunned and looked at Ge Jiayi in disbelief.

At this time, Ge Jiayi was obviously dressed up simply, with a hint of rosiness on her fair face!

“I like you, so I want you to live in my room. I want to be your woman...”

Ge Jiayi actually said bluntly to Chen Ping.

Chen Ping was startled and quickly took two steps back: “Miss Ge, I’m really sorry, I... I already have a girlfriend.”

“I know, I don’t care, I don’t want a status, as long as I can be with you!”

Ge Jiayi said nonchalantly.

“Ms. Ge, I’m so sorry, I really can’t...”

Chen Ping said, and started to walk out in a bit of embarrassment.

But who knows, Ge Jiayi hugged Chen Ping from behind and asked with some resentment: “Is it because I am not beautiful? Is it because my strength is not good enough? Is it because the status of our Ge family is not good enough? Why? Why?”

Chen Ping felt the warmth on Ge Jiayi’s body, silently recited the Heart-Cleaning Mantra in his heart, and said slowly: “Miss Ge, you are very beautiful, and you are also the strongest among women.”

“Your Ge family also has status in Kyoto, but... it’s just that my girlfriend is still detained by the Martial Arts Alliance, and now I just want to rescue her...”

Chen Ping gently opened Ge Jiayi’s hands and wanted to break away from Ge Jiayi’s arms!

“I really don’t want anything. Really, just use me as a tool to vent your anger. Why can your girlfriend get you but I can’t?”

“I like you, I really like you, so much that I am your shadow every night...”

“Do you think I’m cheap now? But I don’t care.”
