

The Order 2631

Chapter: 2631

“You know how many people in Kyoto are pursuing me, but I won’t even look at them. I’m a girl and I’m so proactive. Why can’t you pity me?”

Ge Jiayi cried, tears flowing out uncontrollably.

When Chen Ping saw Ge Jiayi panicking, he felt a little confused. In fact, Chen Ping’s emotional intelligence was really low. He didn’t know how to coax girls, let alone say sweet words!

Chen Ping himself didn’t know why, but all these girls were actively pursuing him, which made him a little overwhelmed!

“You, please stop crying. It’s not what you thought at all. It’s really...”

Chen Ping was a little at a loss when he saw Ge Jiayi crying. He wanted to wipe Ge Jiayi’s tears, but he didn’t dare!

“Why not? Don’t think I don’t know, what is your relationship with that Gu Ling’er? I’ve already asked about it.”

“Why is it that your girlfriend is locked up in the Martial Arts Alliance, but you can sleep with Gu Ling’er?”

“She is still your girlfriend and best friend...”

Ge Jiayi questioned Chen Ping. It seemed that she had already found out everything about Chen Ping’s surroundings!

“No, I didn’t sleep with Ling’er. Who are you listening to?”

“Don’t talk about Ling’er, I haven’t slept with Yuqi, I’m still a young man!”

Chen Ping explained anxiously.

When Ge Jiayi heard this, she was stunned and her tears stopped flowing!

Looking at Chen Ping in disbelief, she couldn’t believe that Chen Ping was actually a young man!

“Are you telling the truth?”

Ge Jiayi asked incredulously.

“I swear to God, I really didn’t do anything to them. I just thought about doing what I should do after getting married...”

Chen Ping said seriously.

Seeing Chen Ping’s serious look, Ge Jiayi suddenly laughed!

“I never thought that such a powerful person like you could be a young man!”

“If that’s the case, then I’m relieved. In this way, at least we’re all on the same starting line, so I’m not afraid anymore!”

“I am confident that you will fall in love with me!”

Ge Jiayi’s face was full of confidence.

Chapter: 2632

Since no one had touched Chen Ping, Ge Jiayi was relieved.

Seeing Ge Jiayi's tears turning into laughter, Chen Ping looked helpless. He was really frightened by Ge Jiayi just now!

Fortunately, there is a Pure Heart Curse. Otherwise, how could a normal man like him be able to withstand this!

"It's getting late. You should rest quickly. I'm going out..."

Chen Ping wants to escape from here quickly!

"Don't leave, just sleep here..."

Ge Jiayi said to Chen Ping.

"No, no, no, I'm afraid..."

Before Chen Ping finished speaking, Ge Jiayi interrupted him: "You sleep here, I'll leave, I have another room!"

With that said, Ge Jiayi turned and left the room, and when she walked to the door, she suddenly turned around and smiled lightly at Chen Ping: "Good night..."

After Ge Jiayi walked out of the door, Chen Ping hurriedly closed the door!

Chen Ping was sitting on the bed, breathing heavily and wiping the cold sweat from his forehead. Chen Ping couldn't help but smile bitterly!

The majestic Lord Wu was actually frightened like this by a woman!

“Hey, in today’s society, women are too proactive...”

Chen Ping sighed and began to practice cross-legged. He would definitely not be able to fall asleep!

The next morning, Chen Ping got up early!

Breathing the fresh air, Chen Ping couldn’t help but sigh that the Ge family’s courtyard was well constructed!

“Mr. Chen, how did you sleep last night?”

At this time, Ge Fuhai came over and asked Chen Ping with a playful expression.

“Master Ge, it’s very good, it’s very good...”

Chen Ping was a little embarrassed and nodded quickly.

Seeing Chen Ping like that, the smile on Ge Fuhai’s face became even stronger. He stepped forward and patted Chen Ping on the shoulder. He said as if an elder was talking to a junior: “Just sleep well, I will take you there later.” In our Ge family’s land, you must know that outsiders are prohibited from entering our Ge family’s land.”

Ge Fuhai’s words made Chen Ping seem to understand something.

No wonder Ge Jiayi went to her room in the middle of the night last night. It turned out that it had been arranged long ago.

Chapter: 2633

If Chen Ping wants to go to the Ge family, he must be a member of the Ge family.

If he is with Ge Jiayi, he will become a member of the Ge family. It is reasonable to take him to the Ge family's land!

But Ge Fuhai didn't know that Chen Ping did nothing with Ge Jiayi last night!

Ge Jiayi did not blackmail Chen Ping because of her tribe's affairs. It seemed that she wanted to make Chen Ping fall in love with her through her own efforts!

"Master Ge, let's set off now. I can't wait any longer..."

Chen Ping urged Ge Fuhai.

He was really afraid that Ge Fuhai would suddenly regret not taking him with him if he knew that he had done nothing with Ge Jiayi.

"Okay, since you're in a hurry, let's go!"

After Ge Fuhai finished speaking, he waved his palm lightly, and suddenly a light enveloped the two people!

Chen Ping knew that this was space magic, and Ge Fuhai had already become proficient in space magic!

The light flashed, and Chen Ping closed his eyes tightly. When he opened his eyes, he found that he was already in the wilderness!

"This...is this the secret realm? It's no different from the secular world!"

Chen Ping looked around curiously and said with some surprise.

Seeing Chen Ping like that, Ge Fuhai chuckled: "We haven't entered the secret realm yet, and space spells can only be cast in the same space."

"The secret realm and the secular world are not in the same space. How can space magic bring people directly into the secret realm!"

When Chen Ping heard this, he was instantly embarrassed!

Chen Ping followed Ge Fuhai for another distance and came to the foot of a mountain!

I saw Ge Fuhai take out something with a gossip pattern, and then mutter something!

Soon, light flashed in the void, and then a door slowly opened!

This seemed to be the gate to heaven. Chen Ping could not see clearly what was inside at a glance!

"This is the Fire Gate. The eight secret realms at that time were all created based on the Eight Diagrams. The secret realm of our Ge family is located at Li, and Li represents fire. We call this the Fire Gate!"

"Others include Tianmen, Dimen, Thunder Gate, Fengmen, Water Gate, Shanmen, and Zemen!"

"The secret realm where Zixiao Mansion is located is in the earthquake position, which is Thunder Gate!"

Ge Fuhai followed Chen Ping in explaining, and then Chen Ping understood!

Chapter: 2634

"Master Ge, how many sect families are there in each secret realm? Is there a limit to the number?"

Chen Ping wanted to know how big this secret realm was and how many hidden sects there were.

But who knows, Ge Fuhai shook his head: “Then I don’t know how many sects and aristocratic families survived back then. I haven’t counted them, and they are no longer within the scope of my knowledge...”

Chen Ping followed Ge Fuhai into the light door. After the two people entered, the light door disappeared instantly!

What caught Chen Ping’s eyes was a different kind of scene. He saw only a deserted desert, with Gobi Desert everywhere. At a glance, he couldn’t see anything!

At this time, Chen Ping was a little dumbfounded and looked at Ge Fuhai with doubts on his face!

“Master Ge, this...is this the secret realm?”

In Chen Ping’s opinion, the secret realm should be filled with green trees, groups of animals, and a very good environment.

How could it be so desolate?

Seeing Chen Ping like that, Ge Fuhai smiled: “What? It’s different from the secret realm you imagined?”

“It’s different!” Chen Ping shook his head.

“Hahaha, not all secret realms are as you imagine. Each secret realm has its own environment!”

“The Thunder Gate where the Zixiao Mansion is located is covered with snow, and it is constantly covered with snow all year round...”

Ge Fuhai laughed.

Chen Ping looked embarrassed. Fortunately, he was still an immortal cultivator, but he knew absolutely nothing about the world of immortality!

That's why so many jokes happened!

"You will understand slowly. From now on, we will all be a family. I will often take you to visit the secret place."

Ge Fuhai looked at Chen Ping, smiled meaningfully, then waved his hands, and a ray of light enveloped the two people.

The two people instantly appeared in a prosperous town. They saw that this town was full of hawkers doing business, just like the secular world!

"Let's go..."

Ge Fuhai took Chen Ping through a street and stopped in a courtyard!

Chen Ping looked at the courtyard and asked in disbelief: "Master Ge, the Ge family land you mentioned is not here, right?"

Ge Fuhai nodded: "Yes, it's right here!"

Chen Ping didn't know what to say for a while, because this courtyard was really not that good. It didn't look like the place of a big family!

Chapter: 2635

Even the courtyard with Ge Fuhai in Kyoto is incomparable.

Ge Fuhai saw Chen Ping's thoughts, but he didn't say anything. Instead, he smiled lightly and then walked in with Chen Ping!

But as soon as Chen Ping entered the gate, a huge spiritual energy rushed to his face, and then a majestic manor appeared in front of him!

At the entrance of the manor, two guards were standing upright, exuding the aura of Wuhou. Are both guards Wuhou?

Chen Ping's jaw almost dropped in shock!

Chen Ping looked at Ge Fuhai in disbelief. You must know that Ge Fuhai is now in the realm of Wuhou. From this look, he is on the same level as the guards at the door!

"This is the land of our Ge family..."

Ge Fuhai smiled!

"Master Ge, you... what is your status in your Ge family?"

Chen Ping asked curiously.

Ge Fuhai smiled faintly: "I am just an errand boy in our Ge family. Who is a real direct member of the Ge family who would go to the secular world..."

When Ge Fuhai said this, he was a little helpless. After all, the main goal of immortal cultivators is to improve their strength.

Going to the secular world would limit the improvement of one's own strength.

“Then other secret realm families also have spokespersons in the secular world? I really don’t think I have encountered them!”

Chen Ping was a little puzzled that for such a long time, he had only met Ge Fuhai, the spokesperson of the Ge family in the secular world!

“There should be some, this kind of thing is kept secret, I don’t know!”

“Hurry in, the elders are probably waiting in a hurry.”

Ge Fuhai took Chen Ping towards the depths of the clan.

When passing by the guard, Ge Fuhai showed his badge and was let go.

It seems that Ge Fuhai’s status in the Ge family is indeed not very high!

After passing through several courtyards, Ge Fuhai and Chen Ping stopped at a three-story courtyard.

“Disciple Ge Fuhai, please see the clan elder...”

Ge Fuhai shouted loudly from his position at the door!

At this time, a middle-aged man walked out from inside, with a beard and a fierce look on his face.

Chapter: 2636

He glanced at Ge Fuhai and Chen Ping, and then waved his palm lightly!

A burst of spiritual power instantly enveloped the two people!

Ge Fuhai showed no expression, but Chen Ping looked shocked, and then a golden light suddenly appeared on his body, resisting this spiritual power!

Because Chen Ping discovered that this spiritual power actually sealed his own cultivation.

How could Chen Ping have his cultivation level sealed for no reason?

The golden light on Chen Ping's body kept flashing, and the power of the dragon in his body was holding on to that spiritual power, preventing him from entering his body!

The bearded man saw this and frowned slightly!

"Mr. Chen, don't resist. This is a necessary process to meet the clan elders. Everyone must seal their cultivation!"

Ge Fuhai walked in and followed Chen Ping to explain.

When Chen Ping saw this, he could only put away the power of the dragon in his body!

In an instant, the Dantian in Chen Ping's body entered a sealed state and he became an ordinary person!

"go in....."

The bearded man said.

"Thank you, Third Elder..."

Ge Fuhai bowed respectfully to the bearded man, and then walked in with Chen Ping!

As soon as he entered the courtyard, Chen Ping smelled a faint fragrance. Chen Ping sniffed hard, and then his whole brow furrowed!

As a pharmacist, Chen Ping is very familiar with this kind of thing. This kind of fragrance comes from a kind of tree. After the tree is burned, it will emit a faint fragrance.

However, this fragrance is not used to freshen the air, but is used for antiseptics. Some corpses can achieve the antiseptic effect after being fumigated by this smoke.

Chen Ping couldn't understand how a place where the dignified elders of the Ge family lived could use this kind of thing to make spices?

But before Chen Ping could figure it out, Ge Fuhai knelt down and worshiped.

"Disciple pays homage to the clan elder. He has been brought..."

Ge Fuhai kowtowed heavily and said loudly.

Chen Ping then took a closer look and found that sitting on the top seat was an old man. The old man's gray beard and eyebrows almost covered his entire face!

It seemed that the old man was very old, and his skin was all wrinkled. He was sitting on the seat, as if he was going to die at any time.

Chapter: 2637

The old man was motionless except for a pair of bright eyes. If he didn't look at those eyes, he would have thought he was a dead man!

Chen Ping looked at the elder of the Ge family and was entranced for a moment, but did not salute!

"Mr. Chen, hurry up and salute..." Ge Fuhai looked at Chen Ping and said anxiously: "You are now considered a member of the Ge family. If you don't salute when you see the elders, it is a crime!"

However, Chen Ping did not kneel down because he was not from the Ge family and had no habit of kneeling down for others!

“Hello, clan boss!”

Chen Ping just hugged his fists.

At this moment, cold sweat broke out on Ge Fuhai’s forehead. He was afraid that the clan elder would be angry!

But who knows, the clan elder was not angry, but said calmly: “You guys sit down...”

Ge Fuhai was stunned for a moment, because he had never sat down in front of the clan elders, always kneeling.

Why was Chen Ping brought here today, and why was this clan elder so polite and allowed them to sit down?

Chen Ping was not polite, but walked to the chair aside and sat down.

But Ge Fuhai didn’t dare and still knelt on the ground!

“Watching tea...”

The clan elder gave an order.

At this time, a woman wearing a white dress walked out from the side room. The woman’s face was as beautiful as a fairy in the sky.

It's just that his face is very pale and there is no breath at all, just like a walking corpse!

The woman walked up to Chen Ping step by step with small steps, bowed slightly, and placed the tea in front of Chen Ping!

Chen Ping looked at the woman's face and fell into huge doubts!

Because he couldn't feel the breath of a living person from this woman.

"Is this woman a puppet corpse?"

Chen Ping thought to himself, his scalp started to feel numb!

If this is the case, then this Ge family land may not be a good place.

Just when the woman turned around, Chen Ping pretended to touch the woman's hand casually.

It was cold and without any warmth. Chen Ping could conclude that this woman was a corpse!

Chapter: 2638

At this moment, Chen Ping's breathing began to become rapid.

Now that his strength has been sealed, he is completely like a piece of meat at the mercy of others, without the slightest ability to resist.

Gently picking up the tea, Chen Ping's hands were trembling slightly.

He had never been so nervous.

Looking at the tea in front of him, Chen Ping didn't dare to take a bite for a long time.

He didn't know what was in this cup of tea.

"Tea please..."

The clan elder spoke at this time, with a hint of respect in his tone, which shocked Ge Fuhai who was kneeling on the ground!

He has never heard a clan elder be so polite to others.

Chen Ping had no choice but to take a sip of tea.

Now that his cultivation level has been banned, there is no room for resistance at all. He can only take one step at a time!

But when Chen Ping took a sip of tea, a warm current flowed through his body.

Immediately afterwards, the sealed dantian opened instantly, and the spiritual power in the body was boiling!

Chen Ping tried it for a while and found that all his strength had been restored and the seal was lifted!

Chen Ping was very surprised. How could this sip of tea have such a great effect?

So he looked up at the clan elder and wanted to ask what was going on?

But when Chen Ping looked up, he found a huge relief sculpture on the wall behind the clan elder.

There is a giant dragon carved on the relief, and the dragon's appearance is exactly the same as the one on Chen Ping's Tianlong Ring!

Chen Ping looked at it with surprise on his face, and his whole person fell into huge doubts!

But the clan elder had already floated up and landed steadily in front of Chen Ping.

The old body knelt down before Chen Ping!

"My subordinate, Ge Cangsheng, pays homage to the Lord of the Palace..."

The elder of the Ge family actually knelt in front of Chen Ping and shouted respectfully!

This time, Ge Fuhai on the side was dumbfounded, and his jaw dropped in shock!

Chapter: 2639

You know, he has never seen the clan elder leave that position!

And I have never seen a clan elder kneeling before anyone.

In the Ge family, the elder is like God, and he is always the object of kneeling and worship. How have you ever knelt down and worshiped by others?

But now, the clan elder actually knelt down to Chen Ping, a young man in his twenties, and shouted at him like an adult.

How could this make Ge Fuhai not shocked?

Chen Ping looked at the elder of the Ge family who was kneeling before him, and looked at the relief, and seemed to understand something!

“Are you also a member of Tianlong Palace?”

Chen Ping asked the Ge family elder.

“Back to the Palace Master, our Ge family is one of the thirteen halls of Tianlong Palace. I have been waiting for the Palace Master to appear for twenty years...”

When the Ge family always said this, their voices were trembling and excited!

When Chen Ping heard this, he understood instantly, but at this time, Chen Ping was even more yearning for his father!

He didn't know what kind of strength his father was, and even a cultivating family like the Ge family was just one of them!

Chen Ping didn't know how shocked he would be by those who had not yet appeared among the thirteen halls!

However, Chen Ping discovered one thing, that is, the order in which the halls appear is getting stronger and stronger, and they are always following their own trajectory!

It's as if Chen Ping's life has been planned long ago!

“Get up and talk...”

Chen Ping waved his hand and made Ge Cangsheng stand up!

Ge Cangsheng nodded, then stood up and stood respectfully beside Chen Ping!

“Master Ge, please get up too...”

Chen Ping said to Ge Fusheng.

Ge Fusheng shook his head repeatedly: “I don’t dare, I don’t dare...”

He didn’t dare to get up. Even the clan elders stood respectfully beside Chen Ping. He could only kneel down!

“The master of the palace asks you to get up, just get up...”

Ge Cangsheng spoke!

Chapter: 2640

Seeing this, Ge Fuhai slowly got up, but bowed his body very low.

Although Ge Fuhai didn’t know about the Tianlong Palace, let alone the entrance of the hall, he only knew one thing, that is, the elders of the Ge family listened to Chen Ping, and Chen Ping would be the boss of the Ge family from now on.

“Let me ask you, what happened to that girl?”

Chen Ping asked Ge Cangsheng.

He doesn’t want things like refining puppet corpses to happen at the entrance of his Tianlong Palace!

Upon hearing this, Ge Cangsheng quickly explained: “Palace Master, this girl is my subordinate’s beloved daughter...”

“Your daughter?” Chen Ping’s face was full of disbelief: “Then she...then why is she not alive at all? Is she just a corpse?”

Hearing this, Ge Cangsheng's face was a little moved, and then said: "Back to the master of the palace, my daughter was assassinated and died many years ago. My subordinates tried their best to get back one soul of my daughter, so to be precise, The little girl is not a corpse!"

"However, in order to prevent the little girl's body from rotting, I can only burn incense in the main hall every day to control the little girl's body from rotting."

Speaking of this, Ge Cangsheng actually had a few tears in his eyes!

No one can bear to see their daughter like this and spend all day and night with her.

Chen Ping couldn't help but take a second look at the girl. She looked like she was only in her early twenties. Looking at Ge Cangsheng, she was already in her twilight years. She was already over a hundred years old. If Ge Cangsheng hadn't said anything, Chen Ping wouldn't have. I dare to think that this girl is actually Ge Cangsheng's daughter!

"How many years has your daughter been like this?"

Chen Ping asked curiously.

"Twenty years..."

Chen Ping was stunned by Ge Cangsheng's words.

"She...she looks like she is only in her early twenties. How is that possible?"

Chen Ping looked at Ge Cangsheng's daughter with disbelief. No matter how he looked at it, this girl didn't look like an old woman in her forties or fifties.

"Palace Master, my daughter was assassinated at the age of twenty-four, so her physical body has remained at that age."

“And we cultivators will increase our lifespan as our strength improves. It can easily last hundreds or even thousands of years, so a few decades is nothing...”

Ge Cangsheng followed Chen Ping and explained.

Chen Ping nodded slightly and continued to ask: “After all these years, haven’t you thought of a way to completely resurrect your daughter?”

“Hey!” Ge Cangsheng sighed: “Over the years, I have tried all my methods, but they are of no use. However, when my little girl became like this, my subordinate once had a dream. In the dream, a golden dragon told me, The next master of Tianlong Palace can completely resurrect the little girl!”

“So my subordinates have been waiting for the palace master to appear. They have been waiting for twenty years. Today, they really waited for the palace master...”
