

The Order 2641

Chapter: 2641

Ge Cangsheng said, and suddenly knelt down to Chen Ping again: "Please ask the palace master to resurrect the little girl. My subordinates will follow the palace master to the death and will not give up..."

This time, Chen Ping panicked. How could he resurrect Ge Cangsheng's daughter? His current strength was not even as good as an elder of the Ge family.

"Elder Ge Clan, with my current strength, I'm afraid I won't be able to resurrect your daughter. Otherwise, are you thinking of other ways?"

Chen Ping said with an embarrassed look.

"Palace Master, since the golden dragon entrusts the dream, it is definitely possible. Even if the palace master cannot do it now, he will definitely be able to resurrect the little girl in the future."

"I hope that my little girl will follow the palace master and seek the chance of resurrection!"

"My little girl is in the out-of-body realm, which is the qualification of a martial saint in the martial arts world. Although my little girl only has one soul left now, this physical body is also indestructible."

"??He follows the palace master and can also help the palace master solve his problems..."

Ge Cangsheng hopes that Chen Ping will take his daughter.

This puts Chen Ping in a very difficult position. If Ge Cangsheng's daughter is normal, then forget it, and with a martial arts saint by his side, Chen Ping can go to the martial arts alliance to rescue Su Yuqi directly.

But now Ge Cangsheng's daughter is like a puppet corpse, and it's hard to explain when Chen Ping takes her with him!

The most important thing is that Chen Ping knows that he simply does not have the ability to resurrect Ge Cangsheng's daughter.

But seeing Ge Cangsheng like that, Chen Ping had no choice but to agree in the end!

Ge Cangsheng was overjoyed, ordered a banquet, and then let Chen Ping stay at Ge's house!

Chen Ping has been living in the Ge family for three days, and during these three days, Chen Ping also gained a deeper understanding of the world of immortality and the secret realm!

It turns out that the secret realm is no different from the secular world. The major sects and families are also fighting for resources!

Chen Ping asked Ge Cangsheng if the Ge family was confident of dealing with the Zixiao Mansion with its current strength.

But Ge Cangsheng didn't know that because he was not in a secret realm, Ge Cangsheng didn't know the strength of Zixiao Mansion, so he had no way to determine whether he could defeat Zixiao Mansion.

However, if you fight across secret realms, the requirements for the strength of the attacking party are very strict. Otherwise, if you reach someone else's territory, you will never come back!

This is also the reason why there are teleportation arrays between various secret realms, but few people teleport to other secret realms!

And during the three days here, Chen Ping completely understood the background strength of the Martial Arts Alliance from Ge Cangsheng's mouth!

It turns out that the current martial arts alliance has already separated from the martial arts world!

The ones who truly control the Martial Arts Alliance are the surviving demon spirits after the war between gods and demons.

Although these people died back then, many souls survived!

Chapter: 2642

Now these souls are resurrected through corpses, ready to rule the entire secular world, and then slowly regain their strength!

Because of this, these souls are not restricted by laws in the secular world, and their strength can grow without limit!

But these immortal cultivators in the secret realm cannot stay in the secular world for long.

We can only wait for the heaven and earth to change, the spiritual energy to revive, and the secret realm to disappear, so that these immortal cultivators can reappear!

Only then can these immortal cultivating families escape from the artificially created secret realm!

“Why.....”

Sitting on the Ge family's highest honor seat, Chen Ping sighed softly!

The more he learned, the more powerless he felt!

At this time, he discovered that in the world of immortality, he was just like a speck of dust, and could only drift with the tide...

After staying in the Ge family for three days, Chen Ping planned to leave. Although the Ge family was full of spiritual energy and had far more resources than the secular world.

But Chen Ping can't stay here forever, he still has his own things to do!

"Palace Master, I will leave my daughter to you..."

Ge Cangsheng reluctantly handed over his daughter to Chen Ping!

Because the spiritual energy in the secular world is exhausted, Ge Cangsheng does not have to worry about his daughter's physical decay.

"Elder Ge Clan, don't worry, I will find a way to resurrect your daughter." Chen Ping could only comfort Ge Cangsheng with words. In fact, Chen Ping himself had no idea whether Ge Cangsheng could be resurrected!

"Palace Master, my daughter's name is Ge Yuhan. Although she only has one soul, she can still understand some words after staying here for a long time."

Ge Cangsheng said to Chen Ping.

"Okay, Mr. Ge, don't worry!"

Chen Ping took Ge Yuhan and left the Ge family with Ge Fuhai and returned to the secular world!

When Chen Ping showed up at Ge's house with Ge Yuhan, the jealousy on Ge Jiayi's face suddenly grew!

Ge Jiayi didn't understand why Chen Ping went to the clan area and came back with a girl!

"Chen Ping, you are so carefree. How many days have you left and then you come back with a girl?"

"It seems you were all lying that night, right?"

Ge Jiayi said to Chen Ping very dissatisfied.

Chapter: 2643

“Miss Ge, you misunderstood...”

Chen Ping smiled awkwardly.

But before Chen Ping could explain, Ge Fuhai’s face changed drastically and he yelled at Ge Jiayi: “Shut up, why are you talking to Mr. Chen? Can you control what Mr. Chen wants to do?” ?”

“Go back to your room quickly, what are you talking about here?”

Ge Fuhai was frightened. Who is Chen Ping now?

Even the elders of the clan bow down before Ge Jiayi. If Ge Jiayi dares to talk to Chen Ping in this tone, isn’t that asking for death?

In addition, Ge Yuhan is the daughter of the clan elder. Now that Ge Jiayi is jealous of Ge Yuhan, she will undoubtedly seek death!

“Dad, what’s wrong with you? He...”

Ge Jiayi wanted to say something else, but Ge Fuhai had already thrown her into the room!

“Mr. Chen, please ignore her, this child is like this...”

Ge Fuhai hurriedly apologized to Chen Ping!

Chen Ping smiled faintly: “I think you should explain it to Miss Ge. I’m not as sentimental as she thinks...”

“Yes, I will explain!”

Ge Fuhai nodded repeatedly.

Chen Ping left with Ge Yuhan, while Ge Fuhai found Ge Jiayi and solemnly warned her!

“I tell you, when you see Mr. Chen in the future, you must treat me with respect. You can’t be disrespectful at all, and you can’t speak like you just did. Do you understand?”

Ge Fuhai scolded Ge Jiayi!

Ge Jiayi looked confused: “Dad, what’s wrong with you? You went to the tribe, why did you become like this?”

“Then Chen Ping is quite capable, but you don’t have to be afraid of him to this extent, right? Who is that other woman? Did she have an affair with Chen Ping?”

When Ge Fuhai heard this, he immediately reprimanded loudly: “Shut up. From now on, you can do whatever Mr. Chen wants you to do. You are not allowed to question or talk back.”

“Dad, why, why exactly?” Ge Jiayi asked in confusion.

“You will know later, just listen to me now!” Ge Fuhai did not dare to tell the true identities of Chen Ping and Ge Yuhan!

Ge Fuhai walked back, and Ge Jiayi threw the pillow to the ground angrily. She didn’t understand what happened in the past few days to make her father become like this!

Chapter: 2644

Long family!

As the head of the Long family, Long Xingxu is gathering many masters of the Long family. Zhao Ligu and the four evil villains are also gathering at the Long family!

At this time, the Long family is full of experts!

It's just that everyone's face is not good-looking, and they look solemn!

"Everyone, today is the last day for the Martial Arts Alliance to post. If we can't find Brother Chen Ping, we will have to fight to the death with the Martial Arts Alliance."

Long Xingxu frowned and said.

"Go ahead, fight with the Martial Arts Alliance, there's nothing to be afraid of!"

Ding Busan shouted loudly!

"Third brother, shut your mouth!" Ding Buda glared at Ding Busan, and then said: "What if so many of us go to fight with the Martial Arts Alliance and hurt Miss Su for this?"

Ding Buda's words made everyone silent!

"Uncle Long, how about you come up with an idea?"

At this time, Long Xingxu looked at Long Wu and asked.

At this moment, only Long Wu has the highest status. This kind of decision-making needs Long Wu to make the decision!

Long Wu glanced at Gu Ling'er beside him: "Ling'er, what do you think we should do?"

Gu Ling'er didn't speak, but held the martial arts alliance's battle card tightly in his hand, his eyes filled with anger!

It turned out that after Chen Ping left, Ning Zhi from the Martial Arts Alliance sent a battle invitation, asking Chen Ping to go to the Martial Arts Alliance. If Chen Ping was not seen within three days, he would cut off one of Su Yuqi's arms!

It's the third day now, but Chen Ping still can't be contacted, so everyone got together to discuss countermeasures!

But now no one dares to make up his mind to fight with the Martial Arts Alliance. If so, if the Martial Arts Alliance attacks Su Yuqi, no one can bear the responsibility!

But just when everyone was at a loss, Chen Ping came back with Ge Yuhan!

"Mr. Chen is back..."

Someone shouted outside!!!

When everyone heard this, they rushed out in a hurry, and they were all excited!

When Chen Ping saw everyone there, he frowned: "Did something happen?"

"Chen Ping, look at..."

Chapter: 2645

Gu Ling'er stepped forward and handed Chen Ping the battle card from the Martial Arts Alliance!

And Gu Ling'er's eyes glanced at Ge Yuhan behind Chen Ping, but didn't say anything!

Chen Ping took over the battle invitation, and his whole body was filled with anger!

“This Ning Zhi deserves to die...”

Chen Ping gritted his teeth, and the battle post in his hand instantly turned into ashes!

“You guys wait here while I go to the Martial Arts Alliance...”

After Chen Ping finished speaking, he turned around and walked out!

“Chen Ping, Ning Zhi is so scheming, it’s too dangerous for you to go alone!”

Long Wu said to Chen Ping.

“Uncle Long, don’t worry, I will be careful!”

After Chen Ping finished speaking, he hurried towards the Martial Arts Alliance.

Because the battle post stated that only Chen Ping was allowed to go alone. For Su Yuqi’s safety, Chen Ping could not take anyone else there.

But as soon as Chen Ping left, Ge Yuhan followed closely behind him!

“Chen Ping, this...this girl, she...”

Gu Ling’er wanted to remind Chen Ping that this girl was following him!

Chen Ping looked back at Ge Yuhan and slowly said: “You stay here...”

But who knew that Ge Yuhan had no expression on his face and his eyes were dull, but he shook his head!

Gu Ling'er looked at Chen Ping with strange eyes.

"I'll explain it to you when I get back. Ning Zhi probably won't care if she follows."

After Chen Ping finished speaking to Gu Ling'er, he took Ge Yuhan and went straight to the Martial Arts Alliance!

Ge Yuhan looked at it now, and there was no difference between him and the wooden man, and there was no aura fluctuation on his body!

So even if Chen Ping takes him there, Ning Zhi won't say anything!

.....

Martial arts alliance!

Chapter: 2646

Ten men in black bronze robes had been arranged, and Ning Zhi, holding a vajra in hand, entered the dungeon and brought Su Yuqi out.

When the sunlight hit Su Yuqi, Su Yuqi couldn't help but close her eyes!

She hasn't seen the sun in a long time!

Su Yuqi's face was very pale and she looked a little weak!

Although the Martial Arts Alliance gives Su Yuqi a large amount of pills and nutrients every day, Su Yuqi's body still looks weak.

“Are you finally going to take action?”

Su Yuqi's face was calm and expressionless!

“Miss Su, don't worry, we won't kill you, we'll just use you as bait...”

Ning Zhi smiled coldly!

After Su Yuqi was taken out of the dungeon, she was locked in a huge iron cage!

This iron cage is made of black gold stone, it is extremely hard, and it is wrapped in a formation. It is very difficult to forcefully open it!

After Su Yuqi was put into a cage, she was then hung up high. At this time, Su Yuqi was like an animal being admired!

“Have you thought about it? Do you know the consequences of doing this? If this woman is rescued, you and I will both die...”

In Ning Zhi's mind, the voice of the soul appeared.

“Senior, don't worry. I have a sacred weapon in my hand, and the surrounding area is tightly guarded. Chen Ping can't save him.”

“What I want now is that Chen Ping sees his girlfriend's miserable condition. I want to mess with his mind!”

“When people panic, they become chaotic. As long as Chen Ping messes up his position, he will definitely die...”

Ning Zhi had a bit of a sinister smile on his face.

In terms of tactics and tactics, Zhu Zhishan is far behind Ning Zhi!

Ning Zhi looked at the time and waited quietly for Chen Ping’s arrival!

“Chen Ping, I have prepared such a big gift for you, I hope you won’t let me down...”

Ning Zhi looked at the gate of the Martial Arts Alliance with a ferocious smile on his face!

Chen Ping and Ge Yuhan rushed towards the Martial Arts Alliance quickly!

When he was still some distance away from the martial arts alliance, Chen Ping suddenly froze!

Chapter: 2647

Because he felt Su Yuqi’s aura, that aura was so strong!

“How could this happen? Could it be that Yu Qi was released by them?”

Chen Ping’s face was full of surprise, and then he quickened his pace!

When Chen Ping arrived at the gate of the Martial Arts Alliance, someone immediately reported Ning Zhi!

“Leader, Chen Ping is here!”

said a member of the Martial Arts Alliance.

“Okay, finally here, let him come in...”

Ning Zhi holds the vajra in his hand, his eyes full of confidence!

“Are you sure you can catch this Chen Ping?”

Soul asked Ning Zhi again.

“Don’t worry, I’m 90% sure that as long as Chen Ping fights to save his girlfriend, he won’t be able to escape.”

Ning Zhi smiled coldly.

He has already laid a trap for Chen Ping, and now all he has to do is to anger Chen Ping and make Chen Ping lose his mind!

The door of the Martial Arts Alliance slowly opened, and Chen Ping and Ge Yuhan walked in. A dozen people in black bronze robes instantly surrounded Chen Ping and the others.

When Ning Zhi saw that Chen Ping actually brought someone here, he frowned slightly: “Chen Ping, you broke our agreement, aren’t you afraid that your girlfriend will suffer?”

Chen Ping glanced at Ge Yuhan, and then said to Ning Zhi: “She is just a corpse now. She can only follow me. I can’t let her leave.”

Ning Zhi’s eyes focused together, and a ray of light shot out, instantly covering Ge Yuhan’s body.

Sure enough, Ge Yuhan had no breath at all, just like a wooden man!

Seeing this, Ning Zhi breathed a sigh of relief, looked away, and sneered: “Chen Ping, I didn’t expect you to have fallen to the point of refining a puppet corpse.”

“But this puppet corpse is so beautiful, but it has no breath and no strength at all. If you refine such a puppet corpse, it won’t be to sleep with you, right?”

“A majestic rising star in the martial arts world, the Valley Master of the Medicine God Valley, now you are refining female puppets to satisfy your own selfish desires. I never thought you would have such a hobby!”

“If I spread this matter, I wonder what those girls who have a crush on you will think?”

Ning Zhi had a ferocious smile on his face and scolded Chen Ping.

Chen Ping looked disapproving, and said with a faint smile: “What do you want, that’s your business, you asked me to come, didn’t you just come to talk nonsense, right? If it’s just for this, I don’t have time to talk to you!”

Chapter: 2648

Ning Zhi laughed a few times: “Hahaha, of course not. Haven’t you felt the aura of your girlfriend yet?”

“I know you have always wanted to rescue your girlfriend, but the martial arts alliance dungeon is protected by formations, and you can’t break through the formations at all.”

“But today I will give you a chance. I brought your girlfriend out. As long as you can rescue her from us, our Martial Arts Alliance will never be your enemy from now on!”

Ning Zhi said, waved his hand, and a light suddenly flashed behind him, and then Su Yuqi, who was locked in the cage, appeared!

When Chen Ping saw that Su Yuqi was locked in an iron cage, and her face was pale and her body was weak, his anger instantly rose to the extreme!

Feeling the rising anger in Chen Ping and the endless killing intent, Ning Zhi laughed!

“Ning Zhi, I, grass, you...”

Chen Ping roared angrily, and the Dragon-Slaying Sword instantly appeared in his hand, and then headed towards Ning Zhi fiercely!

A sword energy slashed towards Ning Zhi in an instant, and at the same time Chen Ping swung his sword again, and another sword energy shot out!

This sword energy went straight to the iron cage containing Su Yuqi!

Ning Zhi snorted coldly, waved his hand, and waves of air shot out from his palm!

Instantly slapped on Chen Ping’s sword energy.

But waves of energy hit Chen Ping’s sword energy, and he was instantly shattered by the sword energy.

Ning Zhi’s strength is still far behind Chen Ping’s.

But Ning Zhi didn’t panic. He took the vajra in his hand and slapped it hard!

The vajra made a buzzing sound, and the sound spread around like waves!

The sword energy that Chen Ping swung was shattered and disappeared after hitting the sound wave!

Chen Ping was also repelled by this sound wave, and his face became a little ugly!

“Haha, Chen Ping, have you forgotten that I have a martial arts weapon in my hand?”

“With your strength, you simply can’t withstand the fatal blow of the Holy Martial Artifact.”

Ning Zhi laughed arrogantly.

“Fuck you, I will kill you today...”

Chen Ping’s heart was filled with anger, and his whole body was trembling slightly because of the extreme anger!

Seeing Su Yuqi locked in an iron cage, Chen Ping felt very uncomfortable, and his whole heart felt like it had been pierced by thousands of arrows!

Chapter: 2649

Chen Ping’s body was trembling, and the Dragon-Slaying Sword in his hand also made a buzzing sound!

The golden light is constantly flashing, and the indestructible golden body is activated, and the scales glowing with golden light cover Chen Ping’s whole body!

“Chen Ping, leave me alone, go away, go quickly, this is a trap...”

Su Yuqi was in the cage, yelling at Chen Ping!

“Talk too much!”

Ning Zhi snorted coldly, then waved his palm, and a burst of energy turned into a whip, which was hit hard on the iron cage!

The iron cage suddenly shook, and there was a red mark on Su Yuqi's body.

But Su Yuqi didn't say a word...

"I, your ancestor..."

Chen Ping was furious, and with a roar, he headed towards Ning Zhi again!

But this time, when Chen Ping moved, more than a dozen people in black bronze robes around him also moved at the same time!

I saw a man in black bronze robe slap Chen Ping on the back of the head, the palm wind was extremely sharp!

At this moment, Chen Ping felt extremely sad and angry. Facing the attack of the black copper robe, he chopped it down with one sword!

brush.....

A golden light flashed, followed by a scream!

I saw the man in black copper robe slapping Chen Ping on the back of the head. At this moment, the arm was cut off with a sword and dripping with blood.

When the other black copper robes saw this, they all gasped involuntarily.

"Everyone here will die today..."

Chen Ping's eyes widened and turned red, and the killing intent in his body continued to rise.

“Chen Ping, you are really good at bragging. If you were really capable, you would have rescued your girlfriend long ago.”

“Who do you think you are if you brag outside all day long and can’t even save your own girlfriend?”

Ning Zhi was so surprised when he saw Chen Ping being furious that he even used his voice to stimulate Chen Ping!

Sure enough, Chen Ping became even more furious after hearing Ning Zhi’s words. He pointed the dragon-slaying sword in his hand at Ning Zhi: “Ning Zhi, today I am going to take out your liver and lungs...”

Chen Ping’s aura surged, he held the sword with one hand, and the dragon-slaying sword shone with light!

Chapter: 2650

A golden dragon appeared, surrounding the Dragon Slayer Sword!

Then Chen Ping suddenly waved, and the first sword of the Nine Shadow Divine Sword came out!

The terrifying sword light, accompanied by the roar of the golden dragon, headed directly towards Ning Zhi!

Ning Zhi has the martial arts weapon in hand, so naturally he is not afraid of Chen Ping!

I saw Ning Zhi raising the vajra, and then the vajra was overflowing with brilliance, and then a ray of light came forward instantly!

boom!

There was a loud noise, and the scattered aftermath spread around.

Those black copper robes were all resisting the aftermath, and Su Yuqi, who was locked in the iron cage, was affected. The whole iron cage was shaking, and Su Yuqi had scars on her body, looking extremely embarrassed!

“Yu Qi.....”

When Chen Ping saw this, his eyes showed great concern!

“Chen Ping, keep going, you can use all your strength, as long as you are not afraid of your girlfriend dying under your sword!”

“I don’t care. With the martial arts weapon in hand, you can’t hurt me...”

Ning Zhi stood in front of the iron cage, provoking Chen Ping!

And Chen Ping had no choice but to slowly lower the dragon-slaying sword he raised!

With the Dragon-Slaying Sword retracted, Chen Ping was also afraid that his sword energy would hurt Su Yuqi!

Seeing Chen Ping’s concerns, Ning Zhi smiled even brighter.

“Catch him...”

Ning Zhi waved his hand and said to those black copper robes!

More than a dozen people in black bronze robes shot at Chen Ping together, but Chen Ping’s body was glowing with golden light, and his face was terrifyingly cold!

Above the two fists, golden dragons surrounded them, and golden light made everyone's pupils shrink continuously!

A dozen men in black bronze robes also knew that fighting alone would definitely not be Chen Ping's opponent, so these people joined forces to attack Chen Ping with soaring energy!

Chen Ping shouted angrily and punched out, the golden dragon roared and the earth trembled!

Chen Ping's punch instantly defeated the strength that united a dozen black bronze robes!

Many black bronze robes couldn't help but be surprised!
