

The Order 2661

Chapter: 2661

Ning Zhi said, the light on the Vajra became even stronger, and a more terrifying and intense aura emanated from the Vajra!

Chen Ping felt the bursts of breath, and his feet became faster.

He was really afraid that Ge Yuhan behind him would not be able to withstand this blow!

“You still dare to run...”

Ning Zhi said, and swung the vajra in his hand towards Chen Ping!

In an instant, waves of power like water rushed towards Chen Ping!

This power caused the earth to tremble and dark clouds swept in!

Many unsuspecting people ran out of the room and looked at the vision in the sky!

Even everyone in the Long family ran out one after another!

“That’s the direction of the Martial Arts Alliance. I wonder how Mr. Chen is doing?”

“Don’t worry, Mr. Chen will be fine!”

“I hope God will bless Mr. Chen.”

Everyone in the Long family prayed for Chen Ping.

boom!

There was a huge explosion, and Chen Ping felt waves of rolling heat coming!

However, Chen Ping did not look back to check. He could only hope that Ge Yuhan would be fine!

The smoke dispersed, and when Ning Zhi caught up with him, Chen Ping was no longer there!

“Damn it, you actually let him run away. What the hell is that woman?”

Ning Zhi couldn't help but cursed loudly.

“You have the martial arts weapon in hand, so Chen Ping has nothing to worry about!”

Soul said calmly.

“Too!”

Ning Zhi gently touched the vajra in his hand, his eyes full of heat!

At this time, Chen Ping fled back to Long's house in some embarrassment. Everyone was relieved to see Chen Ping back!

Chapter: 2662

Because there was so much movement in the direction of the Martial Arts Alliance just now!

“Chen Ping, are you okay?”

When Gu Ling'er saw Chen Ping, she rushed forward and checked Chen Ping's body.

"I'm fine!"

Chen Ping looked a little pale, then turned to look at Ge Yuhan, who had been following him, and inspected Ge Yuhan's body with concern.

Seeing this scene, Gu Ling'er's eyes flashed with jealousy!

Although Ge Yuhan looked stupid and motionless like a wooden man!

But she was a woman after all, and Gu Ling'er was naturally jealous when Chen Ping touched her body.

"It's okay, it's okay, this body is really strong..."

Chen Ping checked it over and found that there were no wounds on Ge Yuhan's body. He happily patted Ge Yuhan on the shoulder!

"Chen Ping, she is a girl after all. How are you touching her body?"

Gu Ling'er pursed her lips and reminded Chen Ping!

When other people saw this, they all laughed. They knew that Gu Ling'er was jealous!

"Ling'er, are you jealous?"

Chen Ping smiled.

"Who's jealous? I'm just reminding you..."

After Gu Ling'er finished speaking, she turned around and ran back to the room!

Chen Ping followed closely behind. He wanted to explain to Gu Ling'er!

Ge Yuhan is following behind Chen Ping. Wherever Chen Ping goes now, she will go!

After entering the room, looking at Gu Ling'er's slightly angry face, Chen Ping explained: "Ling'er, listen to me..."

Chen Ping told Gu Ling'er about Ge Yuhan's life experience, but he did not tell Gu Ling'er about his identity as the master of Tianlong Palace!

Listening to Chen Ping's words, Gu Ling'er looked at Ge Yuhan with pity!

"This is so pitiful. Is there any way you can help her recover?"

Gu Linger asked Chen Ping.

Chapter: 2663

Chen Ping shook his head: "I have no choice yet, so I plan to take Yuhan to the Medicine God Valley to see if I can find a pill that can help her recover."

"If the elixir doesn't work, then we have to find another way."

"What else can I think of?" Gu Ling'er asked.

"Maybe the spell can bring people back to life..."

Chen Ping has been very interested in Talisman since he went to Tian Fu Sect and learned about the power of Talisman!

After chatting with Gu Ling'er for a while, Chen Ping was ready to take a rest!

Although the battle with Ning Zhi was not fatal, Chen Ping was also scarred and needed some time to recuperate!

But soon, Chen Ping discovered a very embarrassing problem.

That is, when Chen Ping sleeps, Ge Yuhan will be with him, which means that they have to live in the same room together!

Chen Ping was relatively resistant at first, but when he thought that there was no difference between Ge Yuhan and a wooden man, Chen Ping was relieved!

After a few days of training at the Long Family, Chen Ping's injuries were basically all recovered!

He planned to take Ge Yuhan to the Medicine God Valley to see if he could use elixirs to restore Ge Yuhan.

After all, with the Shennong Cauldron in the Medicine God Valley, even high-level elixirs can be refined!

But just when Chen Ping was about to take Ge Yuhan to Yaoshen Valley, someone suddenly came to report that there was a girl outside the door looking for Chen Ping!

Chen Ping was very surprised. He didn't understand why a girl would look for him.

When Chen Ping went out, he saw that it was Ge Jiayi!

After Ge Jiayi saw Chen Ping, she immediately took action and patted Chen Ping's face: "I haven't seen you for a few days. Do you miss me?"

Ge Jiayi didn't listen at all to Ge Fuhai's advice!

Chen Ping stepped back slightly and said with some embarrassment: "Miss Ge, what do you want from me?"

"I'm not looking for you, it's my dad asking you to go to the Ge family..."

Ge Jiayi said.

Seeing that Ge Fuhai was looking for him, something must have happened, Chen Ping said, "Okay, let's go..."

Chen Ping didn't say anything else, just opened the door and got in the car.

Ge Jiayi smiled, got in the car, and sat in the back seat!

Chapter: 2664

"drive....."

Ge Jiayi asked the driver to drive, while she stayed close to Chen Ping.

At this time, Chen Ping was a little at a loss. On the left was Ge Jiayi, and on the right was Ge Yuhuan. He was caught in the middle, motionless!

Just after the car started, in the yard of the Long family, Gu Ling'er had some unspeakable sadness on his face!

“I told you, Chen Ping is a dragon among men, and many girls will like him in the future. If you follow him, you have to accept this reality...”

At this time, Long Wu said lightly beside Gu Ling'er.

Gu Ling'er squeezed out a smile: “Uncle Long, I can accept it, don't worry...”

.....

In the car!

Ge Jiayi clung to Chen Ping's body!

Chen Ping didn't dare to move, because if he moved, he would touch Ge Jiayi's body!

Looking at Chen Ping's stiff look, Ge Jiayi smiled and said: “Are you afraid of me? You have seen me all over my body, what will happen if you touch me?”

“I said, I like you, and I will use all means to pursue you...”

After saying that, Ge Jiayi did not forget to glance at Ge Yuhan on the other side, and there was a bit of provocation in Ge Jiayi's eyes!

This is what women are like. Even though Ge Yuhan's eyes were dull at this moment, like a wooden figure, Ge Jiayi still regarded her as her competitor!

“Ms. Ge, I know you like me, but I don't think about it yet, and I already have a girlfriend...”

Chen Ping explained awkwardly.

“I said, I don’t care. You don’t only have one girlfriend now, are you afraid of having me as well?”

Ge Jiayi said and rested her head directly on Chen Ping’s shoulder!

Chen Ping had no choice but to let Ge Jiayi lean on him, with his eyes slightly closed and silently reciting the Qingxin Mantra in his heart!

Without the Pure Heart Curse, Chen Ping was really not sure whether he would have bullied Ge Jiayi in the car.

After all, he is also a man, a perfectly normal man!

But just as Chen Ping was silently reciting the Heart-Cleaning Mantra, he suddenly felt someone leaning on his right shoulder.

Chen Ping opened his eyes and found that it was Ge Yuhan. Ge Yuhan’s eyes were still dull, but he followed Ge Jiayi’s example and rested his head on his shoulder.

Chapter: 2665

This time, Chen Ping was a little surprised. If Ge Yuhan had emotions, it would prove that she was slowly recovering!

The driver of the car saw that Chen Ping was surrounded by two beautiful women and looked like he was hopeless, and he felt envious and jealous in his heart!

After Chen Ping and the others arrived at Ge’s house, Ge Fuhai greeted Chen Ping respectfully. Even Ge Yuhan, who made no sound, was carefully served by Ge Fuhai!

Ge Jiayi was very puzzled when she saw her father like this. She didn’t understand what was going on with Ge Fuhai.

“Mr. Chen, please sit down quickly...”

Ge Fuhai gave up his position as head of the family to Chen Ping.

Chen Ping wanted to refuse, but saw Ge Fuhai sitting aside.

Chen Ping had no choice but to sit at the head of the family's seat, while Ge Yuhan stood motionless behind Chen Ping.

"Master Ge, why did you come to me?"

Chen Ping asked.

Ge Fuhai glanced at Ge Jiayi: "Jiayi, please go out for a while!"

"Dad, is there anything you can't let me hear?"

Ge Jiayi pursed her lips and asked dissatisfiedly.

"Just go out if I ask you to. Why are you talking so much..."

Ge Fuhai's face turned cold!

Seeing this, Ge Jiayi could only walk out, but Ge Fuhai waved his hand and wrapped up several people with a space spell!

Looking at Ge Fuhai's nervous look, Chen Ping felt that there must be something important!

"Mr. Chen, the elders of the tribe have sent people to bring the news. Now that the world is moving, the spiritual energy may be revived not far away. All the major sects and families in the eight secret realms are eager to try!"

“Nowadays, many sect families have begun to emerge as spokesperson families in the secular world. These families have been dormant for so many years and suddenly emerge at this time, which means that the pattern of the martial arts world will undergo earth-shaking changes.”

“If the spiritual energy is really revived, the eight secret realms will collapse, and the sect families in the secret realm will need to control resources and territory in the secular world in advance. The clan elder hopes that Mr. Chen can make arrangements now!”

“When the time comes for the secret realm to collapse, the Ge family, under the leadership of Mr. Chen, can quickly occupy the resource center and seize the opportunity...”

Ge Fuhai’s words were difficult for Chen Ping to digest for a while!

If the secret realm really collapses and the sects and aristocratic families in the secret realm return to the secular world, will the entire secular world be in chaos soon?

But what about the martial arts world?

Chapter: 2666

What to do with these people in the martial arts world?

You must know that the world of martial arts cannot be compared with the world of immortality.

“Master Ge, if the secret realm really collapses, wouldn’t there be no martial arts world anymore?”

Chen Ping asked.

Ge Fuhai smiled slightly: “Mr. Chen, even if the secret realm collapses and the sects who cultivate immortality return to the secular world, the martial arts world will not die.”

“But the martial arts world at that time will not be so prosperous, and the major families in the martial arts world will become vassals of the cultivating immortal family!”

“Nowadays, in the martial arts world, many martial arts families are also supported by immortal cultivating families. They act as the spokespersons of these immortal cultivating families in the secular world!”

“There are very few immortal cultivating families like our Ge family who personally send people to the secular world. After all, doing so will weaken the family’s strength. Like the people in our Ge family now, their strength is suppressed and there is no way to improve!”

“This is also the reason why I asked Jiayi to become a warrior since she was a child and did not let her practice immortal magic. If she practiced immortal magic, she would not be able to advance much in this secular world.”

Listening to Ge Fuhai’s words, Chen Ping began to think deeply. It seemed that he really had to focus on developing his own power and territory.

All this time, Chen Ping had no thoughts in this regard. He only thought about rescuing Su Yuqi and his mother.

As for establishing a sect, Chen Ping had never thought about it!

Even for these halls in Tianlong Palace, Chen Ping was in free-range mode and basically paid little attention to them.

As for the Medicine God Valley, although Chen Ping is the owner of the valley, he only has a position. He rarely takes care of things. Xu Changsheng takes care of it!

But now hearing what Ge Fuhai said, Chen Ping felt that he really should plan carefully!

“Master Ge, I have remembered what you said. I will consider establishing a sect.”

Chen Ping said to Ge Fuhai.

“Mr. Chen, if you need anything, my Ge family will give it to you...”

Ge Fuhai said.

“Okay, I will come to you if necessary. I have other things to do, so I won’t bother you...”

Chen Ping got up and left with Ge Yuhan!

He was going to Medicine God Valley to find a way to recover Ge Yuhan.

On the way to Medicine God Valley, Chen Ping thought about Ge Fuhai’s words!

Spiritual energy revives, the situation changes drastically, and major hidden aristocratic families emerge...

Chapter: 2667

Chen Ping didn’t know if this would have any impact on him, but his top priority was to recover Ge Yuhan and then find a way to rescue Su Yuqi!

Chen Ping took Ge Yuhan to Medicine God Valley and found Xu Changsheng directly!

If there is no medicine for Ge Yuhan to recover in the Medicine God Valley, then we can only look at other methods. In the entire martial arts world, the medicine refining skills of the Medicine God Valley are the best.

“Valley Master, I only have one soul left, how can I recover? Even if I only have one breath left, my soul is still there, so I can still be cured!”

“But in the current situation, it is obvious that the body is fine, but the soul is separated from the body. I am afraid it will be difficult to restore it with the pill.”

“This is equivalent to going to the underworld to follow the King of Hell to snatch souls. It is simply not something that can be achieved through alchemy.”

Seeing Ge Yuhan like that, Xu Changsheng said with a troubled expression.

Chen Ping was also an alchemist himself. Of course he knew this truth, but he just wanted to try it. If the elixir didn't work, he would have to go to Hu Mazi and ask about the magic spell.

“Hey, it seems I can only think of another way...”

Chen Ping sighed!

“Valley Master, don't you have the Supreme Alchemy Record? You can look for it and see if there is any way to restore this young lady. If there is no record in the Supreme Alchemy Record, I'm afraid there will be no way.”

Xu Changsheng reminded Chen Ping.

“Yes, why did I forget...”

Chen Ping slapped his head, and he almost forgot about this wonderful book on refining medicine!

At that time, Chen Ping obtained the Supreme Alchemy Record and copied it for everyone in Shishen Valley.

Chen Ping hurriedly asked Xu Changsheng to bring the Supreme Alchemy Record, and then checked it.

When Chen Ping saw the end, his eyes suddenly lit up.

“Hahaha, found it, found it...”

Chen Ping laughed.

Xu Changsheng hurriedly came over and saw the prescription recorded on it at a glance!

“Popular Pill? Sure enough, there is such a pill. This is so right!”

Xu Changsheng was also surprised when he looked at the elixir recipe!

At this time, Chen Ping’s face was full of joy and he hurriedly said to Xu Changsheng: “Elder Xu, you immediately follow the prescription to find the medicinal materials. You must be quick!”

“Okay, I’ll go right away!”

Chapter: 2668

Xu Changsheng nodded and then left!

Chen Ping turned to look at Ge Yuhan and said with a smile: “Yuhan, I will cure you soon...”

Chen Ping took Ge Yuhan to live in Medicine God Valley, waiting for Xu Changsheng to search for medicinal materials.

Because the Soul Ju Dan requires some extremely rare medicinal materials, it will take a certain amount of time to find all the medicinal materials.

While Chen Ping and Ge Yuhan were waiting for medicinal materials in Medicine God Valley, the entire martial arts landscape in the secular world was quietly changing!

Some unconcerned families in various places suddenly became high-profile, and the various rankings in the martial arts world were disrupted for a while. The younger generation of martial artists grew up like bamboo shoots in an instant!

The Kyoto martial arts world, which had always been the leader in the martial arts world, now found that it had been surpassed by other places!

Those martial arts families that suddenly appeared, the younger generation of strong men, turned out to be in the realm of great Martial Lords!

This is a huge shock in the martial arts world!

You need to know what a Dawuhou represents. Since these families have powerful Dawuhou, why do they keep hiding it?

This is everyone's doubt!

But now, these families have all appeared as if they had agreed!

.....

Kyoto Martial Arts Federation.

At this moment, Ning Zhi's face looked uglier than if he had eaten shit!

With the help of the soul, he cultivated to the realm of Great Wuhou. The younger generation who originally thought he could fight against him, except Chen Ping, was the only one!

As long as Chen Ping dies, the entire younger generation in the martial arts world will respect him!

But now, many families suddenly appeared out of nowhere, and the younger generations in these families are all in the realm of Great Wuhou!

This kind of blow is really unbearable for Ning Zhi!

“Why, why...where did these people come from?”

Ning Zhi roared desperately and kept hitting things to vent the anger in his heart!

“What’s supposed to come will come anyway. You still want to be a master? It’s a joke!”

At this time, the hoarse voice of the soul came from Ning Zhi’s mind!

“Senior, what do you mean? Can’t we still dominate this martial arts world if we work together?”

Chapter: 2669

Ning Zhi frowned slightly.

You must know that the soul in his body is also an old monster that has existed for thousands of years. With the help of such a person, how could he not dominate the martial arts world?

“Hahaha, it’s a joke, it’s a joke. If I had that strength, how could I live in a body like yours?”

“I’m just an insignificant little guy, and you still want to dominate.”

“The prophecy should be fulfilled soon. When that time comes, you and I will be nothing more than ants!”

The soul laughed, but there was a bit of sadness in the laughter!

“Senior, what’s the prophecy? What’s going on?”

Ning Zhi's face was full of confusion. He didn't know what the soul was talking about.

It's a pity that no matter how Ning Zhi asked, the soul stopped talking!

.....

Kyoto Dharma Protector Pavilion!

Changes in the martial arts world have also attracted the attention of the authorities!

"Mr. Shi, recently many families have emerged in the martial arts world and have made high-profile appearances. The martial arts alliances in various places, as well as the martial arts world rankings, have been refreshed rapidly!"

"One of them is a guy named Jiang Wei. In just three days, he fought against seventy-six martial arts masters without losing a single one!"

"If this continues, I'm afraid the martial arts world will be in chaos..."

Xing Jun said to Mr. Shi carefully.

"Let them go, it's not just the martial arts world that's going to be in chaos, the real chaos is coming soon!"

"All we can do is watch and wonder if the catastrophe thousands of years ago will happen again!"

Mr. Shi closed his eyes slightly and looked very haggard!

Seeing Mr. Shi like that, Xing Jun felt heartbroken. He opened his mouth and finally closed it again without saying a word!

“If you have anything else to say, just say it directly...”

Mr. Shi still closed his eyes and said calmly.

“Mr. Shi, the Watanabe family of the island country has never given up sneaking into our country, but we have blocked them every time.”

“But this time, the island country directly issued a note and came to our country in the name of a mission. We can’t intercept it!”

Chapter: 2670

Xing Junhui reports.

Mr. Shi frowned slightly. During this time, he has been blocking the steps of the Watanabe family. Otherwise, the Watanabe family would not know how many killers they would send to deal with Chen Ping!

But now, the other party directly changed his approach, which surprised Mr. Shi!

“Since the other party followed the formal procedures and issued the note, it should be let in, so let it in, but I will keep an eye on the person.”

“There are also members of the mission, each and every one of them must be checked carefully for me!”

Mr. Shi ordered.

“Understood!” Xing Jun nodded!

Xing Jun walked back and Mr. Shi opened his eyes, his eyes full of exhaustion.

“Chen Ping, I may not be able to help you much. You have to walk the rest of the way on your own...”

Mr. Shi muttered to himself!

.....

Medicine God Valley!

Chen Ping and Ge Yuhan have been waiting here for Xu Changsheng’s medicinal materials for many days!

Every day is torture for Chen Ping.

Fortunately, Gu Ling’er left the Nine Thousand Miles of Mountains and Rivers Map in Yaoshen Valley.

Chen Ping can practice with the help of the Nine Thousand Miles of Mountains and Rivers Map!

On this day, Chen Ping opened the Nine Thousand Miles of Mountains and Rivers map again, and his spiritual consciousness instantly entered it!

The biting cold wind howled, but compared with the rich spiritual energy, this cold wind was nothing!

Entering here, Chen Ping did not immediately enter the cultivation state this time!

Since getting the Nine Thousand Miles of Mountains and Rivers Map, Chen Ping has only used it a few times, except for Gu Linger and Xiaoru!

Chen Ping hasn’t really understood this picture yet!

Every time you enter, a scene will change. This kind of space magic can be applied to a picture. What an awesome character he must be!

Chen Ping stepped on the snow and walked slowly forward for a distance, but there was really nothing here except a sheet of white snow!

Just when Chen Ping was about to practice on the spot, he discovered that there was smoke not far away!
