

The Order 2671

Chapter: 2671

“Is there anyone here?” Chen Ping was surprised: “Is this the real world?”

Chen Ping hurried towards the smoky place, and when he walked in, he discovered that it turned out to be a hot spring!

It’s so strange that there are hot springs in this ice and snow!

Chen Ping looked at the hot hot spring water and finally couldn’t help but take off his clothes and soak in it!

There’s no one here anyway, it’s just an illusory space, so Chen Ping doesn’t have to be afraid!

Sitting in the hot spring, Chen Ping suddenly felt waves of extremely pure spiritual energy drilling into his body.

Chen Ping was overjoyed. He didn’t expect that the aura in this hot spring was much purer than the aura of heaven and earth here!

Chen Ping immediately closed his eyes and practiced, and the Heart Condensation Technique began to operate!

Pure spiritual energy spreads in Chen Ping’s body!

At this time, Chen Ping’s whole body was wrapped in spiritual energy, as if he was sitting in the clouds, and then the spiritual energy poured into his Dantian!

Endless spiritual energy continues to flow into the body, and Chen Ping’s cultivation level is also quietly changing!

I don't know how long it took, but a fierce knock on the door woke Chen Ping up. When Chen Ping opened his eyes, the body in the hot spring disappeared in an instant!

But just after Chen Ping's body disappeared from the hot spring, the sounds of the two women fighting got closer and closer!

When the two girls came to the hot spring, if Chen Ping was still there, they would definitely be surprised.

Because these two girls are none other than Han Qing'er and Qiu Ju!

And the place that Chen Ping was brought to by the Nine Thousand Miles of Mountains and Rivers Map is not an illusory space, but the Shocking Secret Realm among the eight secret realms, which is where Thunder Gate and Zixiao Mansion are located!

This place is covered with snow all year round, and the Nine Thousand Miles of Mountains and Rivers map changes to a different space every time you practice. It is actually a secret realm that changes.

Because the environment of each secret realm is different, Chen Ping seems to be in a different place every time he practices.

The real function of the Nine Thousand Miles of Mountains and Rivers Map is the teleportation map of the eight secret realms, but Chen Ping doesn't know it yet!

"Sister Qiu Ju, why don't you take a dip in this hot spring today? I was the one who caused you to be seriously injured last time."

Han Qing'er said to Qiu Ju with an apologetic look.

"Miss, please stop joking. There is no hot spring for us servants to soak in." Qiu Ju waved her hands repeatedly, and then said: "Miss, let me take off your clothes for you..."

Just when Han Qing'er took off her clothes and entered the hot spring, she suddenly froze and frowned.

"Miss, what's wrong?"

Chapter: 2672

Seeing this, Qiu Ju asked hurriedly.

"Sister Qiu Ju, why do I feel like someone has been to this hot spring?" Han Qing'er frowned slightly: "It seems that Chen Ping's aura exists."

Seeing this, Qiu Ju chuckled: "Miss, please stop making trouble. How could someone come here? Even if there is someone, it can't be Chen Ping. I see that since you came back, you have always mentioned Chen Ping intentionally or unintentionally." Ping, you probably like him, right?"

"You know, he is just a mortal in the secular world, how can he be worthy of you? Moreover, you and Mr. Lu are engaged, so stop thinking about it."

Qiu Ju persuaded Han Qing'er.

"Who likes him? I just said it casually..."

After Han Qing'er finished speaking, she began to slowly absorb the spiritual energy in the hot spring.

.....

Medicine God Valley.

Chen Ping opened the door and found that Xu Changsheng was back!

"Elder Xu, how are you? Have you found all the medicinal materials?"

Chen Ping asked Xu Changsheng with a surprised look on his face.

“Valley Master, most of the medicinal materials have been found, but there is still a hundred-eye grass, which I really can’t find.”

Xu Changsheng said with a look of shame.

Chen Ping frowned slightly: “This hundred-eye grass is really hard to find. It has no roots and no fruit, and its survival time is very short. It really takes a lot of time to find it!”

“Valley Master, if you can ask the wandering people, maybe they can know where it is. After all, it will take a lot of time for us to look for it in a large area!”

Xu Changsheng knew that Chen Ping was in a hurry, so he couldn’t have a lot of time for him to search slowly.

This thing is hard to come by. It may take a year or a half to find it, or it may take three to five years!

“Don’t worry about the hundred-eye grass. Keep the other medicinal materials you find. I’ll find another way...”

Chen Ping decided to go find Hu Mazi!

This guy is looking for ancient tomb ruins everywhere, and has traveled all over the country. He may know where such things can be found!

Chen Ping didn’t delay and took Ge Yuhan directly to Baihai City by plane!

At this time, Hu Mazi was living a leisurely life in Baihai City!

The Shen family now treats Hu Mazi as an ancestor.

Chapter: 2673

After Bai Zhantang and Shen Mengchen got married, they returned to Kyoto to let Shen Mengchen wait for delivery!

Hu Mazi stayed in Baihai City, and the Shen family took care of everything!

This makes Hu Mazi extremely happy!

When Chen Ping took Ge Yuhan to find Hu Mazi, they found that this guy was surrounded by two beauties and being fed fruit!

“Cough cough cough.....”

Seeing Hu Mazi like that, Chen Ping coughed hard twice!

When Hu Mazi saw Chen Ping coming, he hurriedly waved his hand to let the two beauties go down!

“Chen Ping, why are you here?”

Hu Mazi asked in surprise.

“If I don’t come back, there will be no more Master Hu in the world, and those sugar-coated bullets will corrupt you.”

Chen Ping glared at Hu Mazi and said.

“Hahaha, don’t worry, any gold, silver, jewelry, or beauties are not as good as the treasures in the ancient tomb!”

“If you’re not here, I don’t dare to go to Tianfu Sect myself. I have nothing to do but chat with two beauties.”

“Aren’t you bringing a beautiful woman with you? There are more beauties around you than me, so stop pretending to be aloof here!”

Hu Mazi smiled and patted Chen Ping on the shoulder, which made Chen Ping not know what to say!

“Hi, beauty...”

Hu Mazi said hello to Ge Yuhan, but Ge Yuhan didn’t react at all!

Chen Ping was about to say something after Hu Mazi, but he saw Hu Mazi’s face turned cold. Then he picked up a charm, muttered something in his mouth, and suddenly put it on Ge Yuhan’s forehead!

“Master Hu, what are you doing?”

Chen Ping looked puzzled!

“This woman is lifeless and full of corpse energy. She is simply a puppet corpse. You kid has been fooled.”

Hu Mazi said to Chen Ping solemnly.

“Puppet is a piece of shit...”

When Chen Ping saw this, he stepped forward and tore off the talisman!

Chapter: 2674

“Hey...you guy, are you obsessed with the female corpse? Why don't you believe me?”

“Or maybe this is your taste?”

Hu Mazi looked at Chen Ping with a strange expression!

“You are the best at this kind of taste!” Chen Ping rolled his eyes at Hu Mazi, and then explained along with Hu Mazi.

After hearing this, Hu Mazi finally understood and laughed immediately: “Tell me the truth, did you succeed? Anyway, this woman doesn't know anything. You can do whatever you want.”

“I'm not as dirty as you...” Chen Ping was speechless for a while. It seemed that Hu Mazi had been dealing with women a lot during his time in Baihai City, and all he could think about was this.

“Then why are you bringing a woman here? Let me tell you, I don't have the ability to make this woman recover!”

Hu Mazi thought Chen Ping brought Ge Yuhan to him to help him recover.

“I don't need you. I have already found the recipe for her recovery. I just need a kind of herb, which I couldn't find at the moment. I want to ask you if you know where to get it?”

Chen Ping asked Hu Mazi.

“Hundred-eye grass?” Hu Mazi frowned slightly, but soon his eyes lit up: “I really know where it is!”

“Where?” Chen Ping asked with surprise on his face.

“I can tell you, but you have to help me go to Tianfu Sect and get a set of spells...”

Hu Mazi said with a smile.

“Damn, don’t you know how dangerous it is? Are you asking me to die?”

Chen Ping gave Hu Mazi a fierce look!

“Don’t worry, there’s no way I could let you die. During this time, you really thought I was just having fun.”

“Let me tell you, I have entered the ruins of Tianfu Sect several times. As long as I don’t step into the gate of Tianfu Sect, there will be no danger.”

“We can handle the talisman traps in the corridor!”

Hu Mazi said with a smile.

“If I don’t go in, how can I get you a spell?”

Chen Ping was surprised.

“Don’t worry about it. There’s no danger anyway. As long as you help me get the spell, I will definitely help you find the 100-eye grass.”

Hu Mazi actually followed Chen Ping to betray him!

Chapter: 2675

Chen Ping looked at Hu Mazi like that and finally nodded.

“Let me tell you, if you dare to harm me, I will never be done with you...”

Chen Ping said to Hu Mazi with a serious look.

“Don’t worry, how could I harm you? I still expect to follow you in the future!”

Hu Mazi looked happy, and then followed Chen Ping towards Xuanyue Valley!

After passing Xuanyue Valley and arriving at the entrance of the ancient ruins of Tianfu Sect, Chen Ping felt a little nervous when he looked at the pitch black entrance.

After all, when they first entered, Chen Ping and the others escaped in embarrassment!

“Let’s go, it’s okay, I’ve been in there several times...”

After Hu Mazi finished speaking, he pulled Chen Ping and walked inside!

After entering the ancient ruins, Chen Ping carefully hid behind Ge Yuhan!

Because he knew that Ge Yuhan’s body was much stronger than his own!

Seeing that Chen Ping was hiding behind a woman, Hu Mazi couldn’t help but sneered: “Chen Ping, when did you become such a coward? Does hiding behind a woman count you as a man?”

“What do you know? Don’t just think of her as a woman. Her body is stronger than mine...”

Chen Ping rolled his eyes at Hu Mazi!

“Yeah?”

Hu Mazi suddenly became interested in Ge Yuhan and reached out to touch Ge Yuhan's body.

"what are you doing?"

Chen Ping reached out and knocked back Hu Mazi's extended hand.

"I'm just curious, how can such a fair and tender woman be so physically strong..."

Hu Mazi said with a smile.

But just as the two people were talking, several rays of light suddenly burst out, and then a bunch of energy like sharp blades came towards them!

Swish, brush, brush...

Dang Dang Dang.....

Those waves of energy hit Ge Yuhan's body and was directly shattered, but Ge Yuhan didn't even leave a mark on his body!

Chapter: 2676

You must know that the martial arts weapon can't do anything to Ge Yuhan's physical body, let alone these energies!

Chen Ping hid behind Ge Yuhan and was not hurt at all!

But Hu Mazi was not so lucky. The energy from the spell directly caused blood to drip from Hu Mazi's body.

"Damn, why are there still untriggered spells?"

Hu Mazi cursed loudly!

Chen Ping actually laughed out loud when he saw Hu Mazi looking like that!

“Why are you laughing?” Hu Mazi glared at Chen Ping!

However, seeing Chen Ping hiding behind Ge Yuhan without any harm at all, Hu Mazi also hurriedly hid.

“Master Hu, if you don’t say that hiding behind a woman, don’t you count yourself as a man?”

Chen Ping smiled.

“I’m not hiding behind a woman. This is a female corpse and cannot be called a woman...”

Hu Mazi quibbled.

Chen Ping didn’t say anything, but walked forward cautiously!

The two grown men hid behind Ge Yuhan and moved forward step by step!

Soon, several people arrived at the gate of the ancient ruins of Tianfu Sect. Once here, Chen Ping did not dare to move forward.

“Master Hu, where is the spell you mentioned? If you want me to go in, I won’t go...”

Chen Ping said to Hu Mazi.

“You don’t have to go in, it’s just aside...”

After Hu Mazi finished speaking, he led Chen Ping and the others to one side.

Soon, I saw a huge boulder on one side, and there were densely written symbols on the boulder that Chen Ping couldn't see!

"What is this?" Chen Ping asked.

"This is the Talisman Stone, and what is recorded on it is the Talisman Technique."

Hu Mazi said to Chen Ping.

"Damn, it's just here. Can't you just memorize it yourself?"

Chapter: 2677

Chen Ping was so angry that the talisman in front of him actually deceived him!

Hu Mazi looked at Chen Ping and suddenly smiled and said: "Do you think you can cast these spells by memorizing them? You are too naive. In that case, wouldn't everyone be able to cast spells?"

"What should we do?" Chen Ping asked with a surprised look on his face.

"For high-level spells like this, you must conquer the Talisman Spirit. It's not just a matter of memorizing it."

Hu Mazi explained.

"Fu Ling?" Chen Ping looked puzzled.

“In every high-level spell, there is a talisman. If you want to learn the talisman, you must conquer the talisman. Do you understand?”

Hu Mazi had no choice but to explain it once.

“Then you go and conquer...” Chen Ping said.

“Nonsense, if I could conquer, I wouldn’t have to call you to come!”

Hu Mazi was speechless for a while!

Chen Ping looked at Hu Mazi with some despair: “I conquered the talisman spirit, and I was the one who learned the talisman. What does it have to do with you?”

“If you learn it, you can teach it to me so that I don’t have to conquer the Fuling Spirit...”

Hu Mazi said with a wicked smile.

“you.....”

Chen Ping was speechless, and finally sighed and said: “Okay, I’ll conquer that talisman...”

“You just need to put your hand on that stone. Let me tell you, this is a set of transformation and cloning spells, so don’t believe anything you see.”

Hu Mazi warned Chen Ping.

“okay, I get it.....”

After Chen Ping finished speaking, he stretched out his hand and touched the boulder!

Immediately afterwards, the symbols on the boulder began to emit light, and finally the light enveloped Chen Ping!

A white light flashed before Chen Ping's eyes, and soon he seemed to be in a trance!

Then he found himself in a dungeon!

"So familiar, where is this?"

Chapter: 2678

Chen Ping frowned slightly. At this time, he always felt in a trance. Everything in front of him seemed like a dream, but also seemed real.

"Chen Ping, Chen Ping..."

Suddenly, someone seemed to be calling him!

Chen Ping turned around and saw that it was Su Yuqi. Su Yuqi was being locked up in a cell at this time!

"Yuqi, Yuqi..."

Chen Ping was overjoyed and rushed forward in a hurry.

Holding Su Yuqi's hand tightly, Chen Ping's face was full of excitement.

"I didn't expect to see you. I always feel like it's a dream!"

Chen Ping looked at Su Yuqi with a gentle face!

“This is not a dream, this is real. I have been waiting for you. I miss you so much...”

Su Yuqi looked at Chen Ping with tears in her eyes and said.

“Don’t cry, don’t worry, I will definitely rescue you!”

Chen Ping gently wiped the tears on Su Yuqi’s face!

“Chen Ping, you don’t have to save me. As long as I can see you, I’ll be satisfied. Let’s go!”

Su Yuqi was actually chasing Chen Ping away.

“No, I will never leave. Even if I flatten this dungeon, I will still save you...”

Chen Ping’s body erupted with a monstrous aura, and then he beat the cage in front of him desperately. He wanted to open the cage and rescue Su Yuqi!

At this time, in Hu Mazi’s view, Chen Ping had been pressing his hand on the boulder in the same posture!

But when Chen Ping’s aura rose and his face changed drastically, Hu Mazi became nervous.

“It’s bad, this guy is a lover...”

Hu Mazi secretly screamed, then picked up a piece of yellow paper, bit his finger, drew on it, and muttered something.

Soon a talisman was drawn, and then it was suddenly placed on Chen Ping’s forehead!

A ray of red light directly entered Chen Ping's mind!

Chen Ping, who was in the cage, was waving his hands and constantly hitting the cage, but suddenly his body shook and he was stunned!

Chapter: 2679

Then he looked blankly at Su Yuqi in front of him: "You, you are not Yuqi, you are not..."

"Chen Ping, what's wrong with you? Why do you say that?"

Su Yuqi cried, with pear blossoms on her face.

"No, you're not, you're definitely not..."

Chen Ping closed his eyes slightly and began to recite the Qingxin Mantra repeatedly. He wanted to wake himself up!

But Chen Ping chanted the Heart-Cleaning Mantra for a long time, but when he opened his eyes, Su Yuqi was still in front of him, and he was still in the dungeon.

"This...isn't this an illusion?"

Chen Ping's face was full of surprise.

"Chen Ping, what are you doing? It makes me so sad..."

Su Yuqi cried bitterly and was very sad!

This time, Chen Ping panicked, completely panicked.

It turns out this is no illusion at all.

“Yu Qi, I’m sorry, I’m sorry, I will rescue you right now...”

Chen Ping said, his hand flashed with light, and then he smacked it out with a palm, smashing the cage into pieces!

Su Yuqi rushed out and threw herself tightly into Chen Ping’s arms!

Chen Ping hugged Su Yuqi. Su Yuqi felt so warm and real!

“Chen Ping, don’t leave me anymore, okay?”

Su Yuqi looked at Chen Ping with tenderness on her face.

“Okay, I will never leave you!”

Chen Ping gently kissed Su Yuqi’s forehead!

Chen Ping fell into the gentle land, which made Hu Mazi anxious.

“This kind of love, this kind of love...”

Hu Mazi spun around in a hurry, and finally another spell was attached to Chen Ping. Then Hu Mazi’s voice sounded in Chen Ping’s mind: “Chen Ping, wake up, this is all fake, it’s fake, I Didn’t I tell you?”

Chen Ping was startled. He recognized that it was Hu Mazi’s voice.

Chapter: 2680

“No, it’s not fake, this is not an illusion...”

Chen Ping shook his head!

“Nonsense, of course this is not an illusion, but your girlfriend is fake. She is just a talisman transformed into a talisman. Have you forgotten? This is a transformation spell. This talisman can change in ever-changing ways...”

Hu Mazi yelled anxiously, hoping to make Chen Ping understand that Su Yuqi was fake.

“Fake?”

Chen Ping pushed Su Yuqi away.

“Chen Ping?”

Su Yuqi looked at Chen Ping, her face full of indescribable sadness. Both her movements and expressions were exactly the same as Su Yuqi’s!

Chen Ping frowned slightly and stared at Su Yuqi. She couldn’t see anything strange at all. How could this be fake?

“Chen Ping, what are you doing...”

Su Yuqi rushed towards Chen Ping again!

Chen Ping was motionless, he didn’t know what to do.

“Aura, although the appearance can change, the aura cannot change...”

Hu Mazi reminded Chen Ping.

When Chen Ping heard this, his spiritual consciousness instantly spread out and enveloped Su Yuqi's body. As expected, the aura on Su Yuqi's body was not something Chen Ping was familiar with.

"You are indeed fake..."

Chen Ping was startled, and then he slapped him with a palm!

Su Yuqi's body was sent flying directly, a mouthful of blood spurted out, and her body fell heavily to the ground.

"Chen Ping, why, why do you do this to me?"

Su Yuqi looked at Chen Ping resentfully, and the blood on the corner of her mouth made her even more pitiful!

Chen Ping was stunned. Facing his girlfriend, he really couldn't tell the truth from the lies!

Su Yuqi slowly stood up, with a look of pain on her face, and slowly walked towards Chen Ping, and she also exuded a faint fragrance!

It was this fragrance that made Chen Ping's heart tremble suddenly, and then the Dragon-Slaying Sword suddenly appeared in his hand, and he slashed at Su Yuqi in front of him!

"Chen Ping..."
