

The Order 2681

Chapter: 2681

When Su Yuqi saw this, she was still exclaiming!

But the dragon-slaying sword in Chen Ping's hand didn't pause at all. The sword light flashed out and directly penetrated Su Yuqi's body!

This time, Su Yuqi was no longer exuding spots of light on Qianqian's body, and her appearance was also undergoing huge changes!

Su Yuqi, who was originally fair-skinned and beautiful, slowly turned into something like a monkey, covered in hair, and extremely ugly!

Seeing this, Chen Ping felt nauseous. Thinking about the thing he hugged just now, Chen Ping trembled all over!

Finally the light spot dissipated and everything was gone!

Chen Ping himself saw that his palms were pressed tightly on the boulder, and the rows of symbols in front of him seemed to come alive, all breaking away from the boulder and entering Chen Ping's body one after another.

The transformation spell appeared in Chen Ping's mind instantly, which surprised Chen Ping!

"You're still laughing, you almost died..." Looking at the surprised Chen Ping, Hu Mazi said angrily: "I've warned you, but you still fell into it, what a big lover!"

Chen Ping was a little embarrassed by what Hu Mazi said, and he smiled awkwardly and said: "Master Hu, the talisman you are talking about looks too disgusting."

“What? You still hope that Fu Ling is a beautiful woman. If he is a beautiful woman, are you still willing to kill him?”

Hu Mazi said with a smile.

Chen Ping smiled, nodded and said: “Regardless of whether they are beautiful women or not, anyone who hinders me will be killed...”

“Pull him down!” Master Hu waved his hand: “Okay, please pass the spell to me!”

“Oh well!”

Chen Ping hurriedly reached out his hand and gently pressed it on Master Hu’s head!

Soon, a ray of light lit up, and then countless symbols entered Hu Mazi’s body!

Hu Mazi was filled with joy and recited a spell in front of Chen Ping. Then Hu Mazi’s body glowed faintly, and then his appearance began to change!

In the end, he turned into Chen Ping. His appearance was exactly the same as Chen Ping’s!

Chen Ping was surprised when he saw this scene.

“This... this is too similar. Then, wouldn’t you be able to become anyone and do anything?”

Chen Ping asked incredulously.

“My current strength is still too low. This transformation technique can only last for half an hour at most.”

Hu Mazi returned to his original appearance, and then there was another flash of light. From behind Hu Mazi, a person exactly like Hu Mazi appeared.

Chapter: 2682

“But this clone technique can last for half an hour to an hour!”

Hu Mazi looked at his clone and kept nodding, looking very satisfied!

Chen Ping looked at the two Hu Mazi and was completely shocked.

He couldn't help but stepped forward and pinched Hu Mazi's clone's face, and then patted it with his hand!

“Fuck, you pinched my face, you're so perverted...”

Hu Mazi knocked Chen Ping's hand off!

“This...this is actually real, not an illusion...”

Chen Ping could really feel the temperature on the clone's body.

“Nonsense, if it is an illusion, can it still be called a clone technique? However, this clone can only have half of the original strength. If it can inherit all the strength of the original body, that would be awesome!”

Hu Mazi sighed and put the clone away.

If you can inherit the same strength as the original body, it will be equivalent to a person having double his own strength!

“That’s awesome enough!”

Chen Ping has finally seen the power of spells, although his Nine Shadows Sword Technique can also be divided into multiple bodies.

But it was just an illusion, just a shadow clone, not an entity at all!

If you have this kind of transformation and clone spell, you can directly create a clone, and your real self can escape. It is simply an escape spell!

Now Chen Ping actually regrets passing all the spells on to Hu Mazi!

“What? Regret it?”

Hu Mazi looked at Chen Ping like that and smiled lightly.

“What are you regretting? But you said you would help me find the hundred-eye grass, so leave now...”

Chen Ping asked Hu Mazi to take him to find Baimucao!

“Don’t worry, I promised you, how could I forget, let’s go...”

Hu Mazi was in a great mood and walked out with Chen Ping!

When passing the gate of Tianfu Sect, Chen Ping glanced longingly inside. When he gets stronger, he will definitely come and step into this ruins!

He believed that there must be more powerful spells waiting for him inside!

Chapter: 2683

After coming out of the ancient ruins, Chen Ping followed Hu Mazi to look for hundred-eye grass!

After walking for three days, we have reached the extreme edge of the southwest.

If you go further, you will see the endless sea!

“Master Hu, where is the hundred-eyed grass you mentioned? Don’t lie to me...”

Chen Ping looked at the sea and asked speechlessly.

“Don’t worry, I can still lie to you...”

Hu Mazi said, took out the compass card and started looking for something!

The sea breeze blew by, bringing with it a salty smell.

Chen Ping was following behind Hu Mazi. He wanted to see where Hu Mazi was taking him!

After walking on the beach for a long time, a small island soon appeared in front of them. The island was very close to the sea, only about a dozen miles away.

However, there is a light red color on the island, which looks like a flaming mountain from a distance!

Hu Mazi held his breath and concentrated, his spiritual power concentrated on the soles of his feet, and then began to walk on the sea, heading towards the small island!

When Chen Ping saw this, he hurriedly followed.

With their current strength, it is easy to walk on water.

And Ge Yuhan seemed to be floating on the water, and the three of them headed towards the island.

If an ordinary person saw it at this time, they would definitely think it was an immortal descending to earth!

Just when Chen Ping and the others were about to approach the island, waves of heat hit their faces, and their clothes were soaked in an instant!

“It’s too hot? Why does it feel like the stones on the island are red-hot?”

Chen Ping frowned slightly.

“This is a volcanic island. The rocks on the island are all formed by volcanic eruptions. The reason why it is so hot now is because the volcano under the island is about to erupt again!”

“That’s why the stones are dark red and very hot.”

Hu Mazi followed Chen Ping and explained.

“Damn, you don’t know how to play with me, do you? How is it possible for a hundred-eye grass to grow in a place like this?”

Chen Ping said in surprise.

Chapter: 2684

“The harsher the place, the better the grass will grow. As a pharmacist, you don’t understand this...”

Hu Mazi rolled his eyes at Chen Ping, then jumped up and landed on the island!

Seeing this, Chen Ping could only follow him to the island.

As soon as my feet landed, a burning sensation made them very uncomfortable!

Chen Ping could only concentrate his spiritual power on his feet so that he could feel more comfortable!

Hu Mazi took out two talismans, stuck them under his feet, and continued walking forward!

As it continues to deepen, the heat wave becomes more and more difficult to withstand.

“Are you there yet?”

Chen Ping asked, wiping the sweat from his forehead.

“It’s right in front!”

The flax seeds are also so hot that I can’t breathe!

Only Ge Yuhan remained expressionless. When Chen Ping left, she left. When Chen Ping stopped, she stopped...

Soon, several people came to a deep pit. Hu Mazi pointed at the pit and said: “The hundred-eye grass is in there.”

Chen Ping looked down, then looked at Hu Mazi: “Isn’t this a volcanic crater? The magma is rolling inside, can there be hundred-eye grass?”

Chen Ping didn’t believe that hundred-eye grass could grow in a place like this!

“If you don’t believe me, forget it. Anyway, I didn’t lie to you...”

After Hu Mazi finished speaking, he took out the kettle and drank it!

Chen Ping was speechless for a while and could only look at the pit again. He saw waves of heat rising up inside, as if the volcano was about to erupt at any time!

Picking up a stone, Chen Ping threw it directly in!

But when the stone fell into the magma, it instantly turned into a wisp of smoke!

“How...how do you get this?”

Chen Ping looked embarrassed!

“You have a strong physical body, and with the indestructible golden body, you are still afraid of this little heat!”

“If it doesn’t work, just let that little bitch go down. Anyway, her body is stronger than yours, and she doesn’t feel anything at all!”

Chapter: 2685

Hu Mazi pointed at Ge Yuhan and said.

“How can that work? Even if she goes down, she doesn’t know how to pick it, let alone what a hundred-eye grass is!”

Chen Ping shook his head directly, then looked into the pit again, feeling the rolling heat wave, and continued: “Master Hu, do you have any spells that can resist the heat wave and pick off the hundred-eye grass?”

“What do you think? If I had that ability, Baimucaos would be gone long ago, and it’s your turn to come over?”

Hu Mazi rolled his eyes!

“Then give me some fire-avoiding charms. You can’t say you don’t have such a charm, right?”

Chen Ping continued to ask.

“I have a fire-avoiding talisman, but it’s useless, because the flames here are the fire from the center of the earth, and the fire-avoiding talisman has no effect at all.”

“If you don’t believe it, let me try it for you!”

Hu Mazi said, then took out a spell, and then chanted a few spells!

Then throw the charm into the pit!

Before the talisman fell to the bottom of the pit, it was directly ignited by the heat wave and turned into ashes instantly!

“See, I didn’t lie to you, right?”

Hu Mazi spread his hands and said.

Chen Ping was speechless for a while, and looked at the deep pit again, his heart pounding. He didn’t want to become a roasted suckling pig!

“Master Hu, is there any other place where there is a hundred-eye grass? Let’s change places!”

Chen Ping wanted to see other places, but he really didn't dare to go down here!

"No, I just know this place. If you don't go down, then I'll leave..."

Hu Mazi said, turning around and leaving!

"Master Hu, wait a moment, I'll go down..."

Chen Ping hurriedly stopped Hu Mazi.

Hu Mazi stopped and said, "Let me tell you, if you are burned to death, don't blame me..."

"Don't worry, I don't blame you!"

Chen Ping's eyes were firm!

Chapter: 2686

Soon, golden light emitted from Chen Ping's body, his indestructible golden body activated, and golden scales covered Chen Ping's body!

Chen Ping glanced at the deep pit again, gritted his teeth for the last time, and suddenly jumped in!

The rolling heat wave instantly enveloped Chen Ping, and then Chen Ping's whole body burned with flames!

The raging fire surrounded Chen Ping. Fortunately, the immortal gold body was there and could block the flames. Chen Ping's clothes would not be burned!

However, the heat wave continued to penetrate into Chen Ping's body. The feeling of being burned made Chen Ping grit his teeth and his eyes were filled with bloodshot eyes!

At this time, Chen Ping was as if he was in a closed cauldron and being roasted by a fire!

Although you can prevent the flame from directly contacting the clothes, there is no way to isolate that kind of heat!

sizzling.....

Chen Ping could hear the direct skin being burned, making a sizzling sound!

He felt like he was about to be roasted. At this time, a smell of barbecue came out!

“Damn it, it’s not really cooked, is it?”

Hu Mazi was on top, and after smelling the smell of barbecue, his face couldn’t help but look ugly!

But at this time, Chen Ping’s body was still falling, and Chen Ping was suffering the most painful pain in the world!

The spiritual power and divine dragon power all over the body have been exerted to the extreme, but they still cannot stop the rolling heat!

Plop.....

Chen Ping’s body fell directly into the magma, and then his body began to fall rapidly!

Chen Ping was shocked and instinctively wanted to pull out his leg, but the magma seemed to have a huge suction force, constantly pulling Chen Ping downwards!

Soon, the magma submerged Chen Ping’s chest, and Chen Ping’s eyes were filled with despair!

“It’s over, it’s completely over...”

In Chen Ping’s mind, images from the past began to flash across his mind, including his parents, Su Yuqi, Gu Ling’er...

Chen Ping never thought that he would die like this!

In the end, I’m afraid not even the bones will be left, and even the soul will disappear!

But just when Chen Ping was about to be swallowed up by the magma, a figure suddenly jumped down from above!

This figure was instantly engulfed in flames!

Chapter: 2687

Chen Ping looked up, feeling moved in his heart.

“Master Hu, I didn’t expect that you could sacrifice your life and forget about death...”

Chen Ping thought it was Hu Mazi who jumped down!

But it wasn’t until the figure fell in front of him that Chen Ping realized that the one who jumped down turned out to be Ge Yuhan!

At this time, Ge Yuhan was naked, and the clothes on her body had long been burned to ashes by the fire!

It’s just that Ge Yuhan’s crystal clear skin was not damaged at all!

Ge Yuhan fell on the lava, and then looked at Chen Ping blankly.

“Yuhan, pull me, pull me quickly...”

Chen Ping hurriedly called for help to Ge Yuhan!

Ge Yuhan seemed to understand, and directly stretched out her hand to hold Chen Ping.

Chen Ping stopped his sinking body, but Ge Yuhan’s body started to sink!

Soon, Ge Yuhan’s calf was swallowed by the magma!

Seeing this, Chen Ping hurriedly let go of Ge Yuhan, and then yelled: “Go, leave me alone, hurry up...”

But no matter how Chen Ping shouted, Ge Yuhan’s eyes were dull, as if he didn’t hear it at all!

Gradually, Ge Yuhan’s body was about to be engulfed by the magma. Chen Ping was very anxious, but there was no way!

In the end, Chen Ping and Ge Yuhan’s bodies were all swallowed up, and there was no trace of them anymore!

As the bodies of Chen Ping and Ge Yuhan continued to sink, the hot feeling gradually disappeared.

There was a hint of coolness at the end, which made Chen Ping feel very strange!

This place has obviously entered the magma, how can it feel cool?

But soon, Chen Ping discovered that not only did the magma feel cool, but it could also breathe freely. It was completely like a closed space, isolating the magma from the outside.

Chen Ping hurriedly reached out and grabbed Ge Yuhan. In order to prevent Ge Yuhan from falling too fast, Chen Ping hugged her tightly!

But at this time, Ge Yuhan was naked, and Chen Ping was holding her tightly. The man's heat instantly made Chen Ping react.

Chen Ping hurriedly recited the Heart-Cleaning Mantra silently, and then looked at the bottomless pit, and the two of them slowly fell down like this!

In the end, the two people's bodies stopped and stopped falling. Chen Ping looked around hurriedly and found that the two people were standing on a bright red coffin!

Chapter: 2688

"Why is there a coffin here?"

Chen Ping was surprised for a while.

And Chen Ping felt that the waves of coolness were emanating from this coffin.

The coffin wrapped in magma can still emit waves of coolness. This is simply weird.

Chen Ping guessed that there must be some treasure in this coffin!

Chen Ping carried Ge Yuhan down from the coffin, and then their bodies began to fall again!

The moment Chen Ping fell, Chen Ping slapped the coffin with his palm and opened the lid of the coffin.

Before he had time to see what was inside, Chen Ping rolled in with Ge Yuhan in his arms!

If they didn't enter the coffin, there was no telling where the two people would descend.

Chen Ping and Ge Yuhan entered the coffin and were instantly enveloped by waves of cold air!

Waves of frost formed on the two people's bodies!

Chen Ping took a closer look at the coffin. Under them, there was a corpse, leaving only a pile of skeletons!

And at the position of the skull, a crystal clear bead, only the size of a thumb, was shining!

And the cold air comes from this bead.

"What is this?"

Chen Ping curiously picked up the bead, and from the bead, a chill that penetrated his heart instantly hit Chen Ping's body, making Chen Ping shiver involuntarily.

Just when Chen Ping was observing the bead, he didn't notice that Ge Yuhan's originally dull eyes began to shine.

His dull face also had an expression, and he kept looking at his body!

"What a strange bead. If I swallow this bead, will I no longer be afraid of flames?"

Chen Ping thought about swallowing that bead!

Seeing this, Ge Yuhan hurriedly reached out and grabbed the bead: "This is my orb, how can you, a bastard, eat it?"

Chen Ping was stunned, looked at Ge Yuhan with surprise, and then let out an incredible cry.

“ah.....”

Chen Ping seemed to be stimulated by something and screamed desperately!

Chapter: 2689

Ge Yuhan also started shouting.

“You...you have recovered?”

Chen Ping stared at Ge Yuhan and asked in disbelief.

“Recover from what? You big pervert, don't look at me...”

As Ge Yuhan said that, he covered Chen Ping's eyes with his hands.

Chen Ping pushed Ge Yuhan's hand away, grabbed Ge Yuhan's shoulders tightly and said, “How did you recover? Don't you remember me?”

Chen Ping looked excited and kept asking Ge Yuhan.

“I don't know you at all. What do I remember?”

“You are not allowed to look at this. Take off your clothes quickly and give me...”

Ge Yuhan looked shy and asked Chen Ping to take off his clothes for her!

Chen Ping didn't say anything, just took off his clothes and put them on Ge Yuhan.

Now that Ge Yuhan has recovered, of course she is shy when naked.

After putting on Chen Ping's clothes, Ge Yuhan's mood became more stable.

"Yuhan, do you really not remember me at all?"

Chen Ping asked Ge Yuhan.

Ge Yuhan looked at Chen Ping, and then placed his gaze on the withered bones, with a trace of tears in his eyes!

This time, Chen Ping was confused. He didn't understand what was going on with Ge Yuhan!

Chen Ping looked at Ge Yuhan, and then a divine consciousness instantly enveloped Ge Yuhan's body!

Chen Ping's expression changed: "Tell me, who are you?"

Ge Yuhan's mood seemed to calm down, and then he looked at Chen Ping and said, "I am not your friend. I just borrowed your friend's body. I didn't expect that someone would come here after thousands of years."

"This may be God's will. The person who came here turned out to be a soulless person. Otherwise, I wouldn't have survived..."

"God's will, this is God's will..."

Ge Yuhan was babbling, not knowing what he was talking about!

Chen Ping frowned. He did not expect that Ge Yuhan did not recover, but was resurrected by someone else. In this case, how could he follow Ge Cangsheng to explain?

Chapter: 2690

“I don’t care what kind of soul you are, leave my friend’s body immediately, otherwise don’t blame me for being rude to you?”

Chen Ping threatened the soul in Ge Yuhan’s body.

“Hahaha, why are you being rude to me? Are you going to kill me? Don’t forget that this is your friend’s body. If you kill me, only your friend will die...”

Ge Yuhan laughed and said.

Chen Ping was speechless for a while, but he still said: “Let me tell you, I have a way to force you out, and then this trace of your soul will disappear.”

“I advise you to come out on your own and find someone else when the time comes!”

“I don’t believe you have such ability!” Ge Yuhan smiled.

“If you don’t believe it, then try it...”

After Chen Ping finished speaking, the golden light on his body flashed, instantly surrounding Ge Yuhan. Then he placed his palm on Ge Yuhan’s head, and the Condensing Heart Technique was spinning rapidly!

Soon, Ge Yuhan’s expression turned ferocious. There was also a look of fear in his eyes!

“No, no, please let me go. As long as you take me away, I will never pester your friend.”

“Your friend’s soul is broken. I’m just borrowing her body temporarily. There is absolutely no harm done!”

“Please, please...”

Ge Yuhan cried and began to beg for mercy loudly!

When Chen Ping saw this, his heart softened, he took his hand back, and then asked: “Then tell me, who are you? Why are you here?”

Ge Yuhan’s face was filled with tears and she started to talk about herself with Chen Ping!

Chen Ping listened slowly, and finally became very angry!

It turns out that this soul is a saint from Guanghan Palace.

Thousands of years ago, Guanghan Palace was besieged by demons. The Saint of Guanghan Palace escaped with the sacred object of Guanghan Palace, the Fire Bead!

In the end, she was chased by the demons, and finally, as a last resort, the saint swallowed the fire-proofing bead!

Finally, the demons put the saint into a coffin and sealed it in the crater!

Fortunately, there are fire-preventing beads. Although the saint’s body has been corrupted for thousands of years, she still retains a trace of her soul!

However, as time goes by, this trace of soul becomes weaker and weaker!

If Ge Yuhan was a person with a sound soul, it would be impossible for the soul of the Saint of Guanghan Palace to enter Ge Yuhan’s body!
