

The Order 2691

Chapter: 2691

“It seems that this is really God’s will...”

Chen Ping couldn’t help but sigh.

Because this is such a coincidence. There are very few people with incomplete souls like Ge Yuhan.

“Seeing that you are a miserable person, then you can temporarily live in my friend’s body, but you must leave after I help my friend find his soul.”

“But I will try to find a body for you.”

Chen Ping said to Ge Yuhan.

“Thank you sir...”

Ge Yuhan said and knelt down to Chen Ping!

“But I hope you will live as my friend and not let the outside world know about this.”

Chen Ping was afraid that the news about Ge Yuhan being possessed by a spirit would spread and the Ge family’s reputation would be tarnished!

After all, this kind of thing is very taboo for these immortal cultivating families!

“I understand!” Ge Yuhan nodded: “Then let’s go up now!”

“Not yet, I’m here to find the hundred-eye grass. I can’t go up until I find the hundred-eye grass...”

Chen Ping said.

“Hundred-eye grass?” Ge Yuhan frowned slightly, and then suddenly remembered something: “Are you talking about something with only three leaves, and the patterns on the leaves are like eyes?”

“Yes, yes, you know where it is?”

Chen Ping asked with a look of surprise.

Ge Yuhan looked embarrassed: “I’m sorry, that thing that has been growing on my coffin was absorbed by me...”

It is precisely because of absorbing the energy of the hundred-eye grass that the saint’s soul persists until now and has not disappeared!

When Chen Ping heard this, he felt a little disappointed, but now that the matter was over, there was nothing he could do!

I can only go up with Ge Yuhan!

At this time, Ge Yuhan swallowed the fire-proofing beads, so Chen Ping and Ge Yuhan were together and could not feel the heat wave at all.

But just as the two of them were heading upstream, waiting for Hu Mazi on the top, they were already anxious.

Hu Mazi looked at the bottom of the pit. Chen Ping and Ge Yuhan had not appeared. It had been a long time. It was obvious that something unexpected had happened. Hu Mazi was filled with grief and anger!

Chapter: 2692

“Brother Chen Ping, I didn’t expect you to die like this...”

Hu Mazi took out a handful of yellow paper and threw it towards the sky: “But it’s okay, there is a beautiful woman accompanying you on the road to hell. When you get to hell, you won’t be too lonely...”

Hu Mazi turned around and was about to leave. He didn’t expect that this trip would be Chen Ping’s last stop!

“Master Hu, you called me here, but you secretly left without waiting for me. This is your fault...”

Just when Hu Mazi turned around to leave, Chen Ping’s voice sounded from behind!

Hu Mazi’s face was full of surprise, and he turned around quickly and found that it was indeed Chen Ping, but Chen Ping was only wearing underwear at this time, looking very funny!

“Chen Ping, it turns out you are not dead. I thought you were dead...”

Hu Mazi rushed over and hugged Chen Ping fiercely.

“Ahem, Master Hu, I wasn’t burned to death, but I was going to be strangled to death by you...”

Chen Ping’s face turned red and he coughed loudly several times!

Upon hearing this, Hu Mazi quickly let go of Chen Ping apologetically, and then asked: “How is it? Did you get the hundred-eye grass?”

Chen Ping nodded: “I got it, now Yuhan has recovered...”

Chen Ping followed Hu Mazi and lied!

Hu Mazi looked at Ge Yuhan and found that Ge Yuhan really had eyes in his eyes and a smile on his face, he was no longer so dull!

“Sure enough, he has recovered.” Hu Mazi looked at Ge Yuhan, then smiled and said: “After recovering now, there is aura in my body, and I am more beautiful than when I was dull. Chen Ping, you are really a lucky boy...”

“Ahem, Master Hu, what are you talking about...”

Chen Ping glared at Hu Mazi.

Hu Mazi chuckled, then stretched out his hand towards Ge Yuhan and said, “Little girl, since you have recovered, let’s get to know each other again. My name is Hu Mazi, and you can just call me Master Hu!”

Ge Yuhan smiled, stretched out his hand, and shook it with Hu Mazi: “My name is Ge Yuhan, and I hope that Master Hu...”

But before Ge Yuhan finished speaking, he saw Hu Mazi’s face change, and then several talismans rose from his body, instantly surrounding Ge Yuhan.

“Bold soul, dare to show your embarrassment in front of this master...”

As Hu Mazi said, several talismans flashed with light. These lights shone on Ge Yuhan’s body, making Ge Yuhan’s face look very ugly!

“Master Hu, stop...”

Chen Ping hurriedly stepped forward, grabbed Hu Mazi, and then knocked the charms to the ground!

Chapter: 2693

“Chen Ping, are you fucking crazy? Are you fascinated by this woman? He is possessed by a soul, not recovering at all...”

Hu Mazi said loudly to Chen Ping.

“Master Hu, I know, please listen to me first...”

Chen Ping stopped Hu Mazi and hurriedly followed Hu Mazi to explain!

At this time, Ge Yuhan was also in tears. She didn't want to invade other people's bodies. That would be very unfair to the owner of this physical body!

But she had no choice. If she didn't enter Ge Yuhan's body, the remaining trace of her soul would dissipate.

Hu Mazi listened to Chen Ping's explanation, his whole face was full of surprise!

“The Saint of Guanghan Palace? This is a super sect from thousands of years ago.”

“But I heard that after the war between gods and demons, although Guanghan Palace was destroyed, many people in Guanghan Palace survived. The Guanghan Palace sect should still be alive somewhere!”

Hu Mazi said calmly.

“Master Hu, do you know where it is? Where is Guanghan Palace?”

When Ge Yuhan saw this, he rushed forward and wanted to kneel down to Hu Mazi!

“No, no, I just heard that I don't know if Guanghan Palace is still there or where it is!”

Hu Mazi quickly supported Ge Yuhan and did not let her kneel down!

When Ge Yuhan heard this, his face was filled with disappointment!

Rumble.....

Suddenly, the entire island began to tremble, and then bursts of roaring sounds were heard!

“It’s broken, the volcano is about to erupt, hurry up...”

Hu Mazi’s expression changed, he turned around and ran towards the sea!

Chen Ping also hurriedly picked up Ge Yuhan and quickly passed across the sea and ran towards the land!

As soon as the three people left the island, they saw lava tens of meters high spurting out instantly, falling into the sea water, and sending up bursts of smoke!

“Let’s go back...”

Chen Ping glanced at the small island engulfed by magma, and then said!

“Let’s go. I’m going to Baihai City. The Tianfu Sect’s secret realm is guarded by a group of evil cultivators. I’m not worried...”

Chapter: 2694

Hu Mazi doesn’t plan to follow Chen Ping!

Chen Ping glanced at Hu Mazi: “I think you can’t bear to part with those women in the Shen family, right?”

“Nonsense, we cultivators have to put aside our emotions and desires. How could a few women disturb my purity of mind?”

Hu Mazi said with a serious face.

“Master Hu really has the demeanor of a master. Many immortal cultivators end up being trapped by love and fail to transcend the world and step into the ranks of true immortals...”

Ge Yuhan looked at Hu Mazi with admiration and said.

As a saint of Guanghan Palace and a cultivator of immortality who existed thousands of years ago, Ge Yuhan has the deepest understanding of the journey of cultivating immortality at this time!

Hu Mazi was praised by Ge Yuhan, and his beard stood up, and he said with a proud face: “I have already seen through the secular world, and I have no desires or desires. No one can shake my heart of cultivating immortality!”

Chen Ping looked at Hu Mazi like that and couldn't help but cover his mouth and laugh.

“Why are you laughing? Did I say something wrong?”

Hu Mazi glared at Chen Ping!

Chen Ping shook his head: “Master Hu is right. Even if a woman is naked in front of you now, you won't even look at her.”

“Of course!” Hu Mazi nodded.

Chen Ping quietly tugged on Ge Yuhan's clothes. Ge Yuhan's top instantly slipped off, revealing her snow-white skin!

Seeing this, Ge Yuhan hurriedly grabbed the clothes with her hands and wrapped herself up.

At this moment, the flaxseed's eyes were wide open, his Adam's apple rolled, and his throat was about to flow out!

Chen Ping couldn't help but laugh when he saw Hu Mazi like that.

Ge Yuhan's face turned red and she glared at Hu Mazi.

Just now, she really thought that Hu Mazi was an expert in cultivating immortals and had no desires or desires...

But I don't want to be an old pervert...

Hu Mazi suddenly looked embarrassed and hurriedly wiped the saliva from the corner of his mouth: "You two go slowly, I have to go first..."

After saying that, Hu Mazi left in embarrassment without looking back!

Chen Ping took Ge Yuhan back to Medicine God Valley!

The original plan was to get the Baimucaos to help Ge Yuhan recover. Now that the Baimucaos have not been obtained, Ge Yuhan is possessed by a spirit. But fortunately, this spirit is not an evil person, but also a pitiful person, so it will be like this for the time being. .

Chapter: 2695

Chen Ping returned to Medicine God Valley and lied that he had restored Ge Yuhan, but no one doubted him!

"I didn't expect that after thousands of years, the spiritual energy between heaven and earth would be so thin!"

“How can such thin spiritual energy support cultivation?”

Ge Yuhan felt the aura of heaven and earth and said with emotion.

“After the war between gods and demons, the immortal way collapsed and the spiritual energy of heaven and earth dried up. This has been thousands of years.”

“Today, there are very few immortal cultivators in the entire world, and the world is already dominated by martial arts.”

“Immortal cultivators can only live in seclusion in the secret realm, slowly waiting for the spiritual energy to revive...”

Chen Ping followed Ge Yuhan in explaining!

“The reincarnation of heaven, I believe that the recovery of spiritual energy will not be too far away, but when the spiritual energy recovers and the fairy world prospers, those guys from the demon world will also be born...”

There was a bit of worry in Ge Yuhan’s eyes!

Chen Ping said nothing because what Ge Yuhan said was the same as what Ge Fuhai told him.

It seems that the spiritual energy is really going to revive, and the world’s pattern is going to change!

Thinking of this, Chen Ping decided to return to Kyoto. He wanted to establish the sect as soon as possible!

If you really wait until the spiritual energy is revived, relying on one person’s strength will simply not be enough.

Chen Ping returned to the Long family in Kyoto from Medicine God Valley!

Long Xingxu was immediately found.

“Brother Chen Ping, are you looking for me?”

Long Xingxu asked respectfully.

“Xingxu, I plan to establish a sect, called Longmen, based on the Long family.”

“When it comes to recruiting disciples, remember to guard them carefully. Those with evil deeds must not be recruited. Do you understand?”

Chen Ping warned Long Xingxu.

“I understand!” Long Xingxu nodded, and then asked Chen Ping: “Brother Chen Ping, if you establish a sect now, you need to go to the official report. Do you think you have to report it?”

“I’ll report it tomorrow. You can make preparations for Longmen to recruit disciples and spread the news.”

“Don’t be afraid of low level, as long as you don’t have any evil deeds!”

Chapter: 2696

Chen Ping warned again.

“Okay, I’ll go right away!”

Long Xingxu left!

Chen Ping stood on a high place, staring at Kyoto. He knew that the road ahead would become increasingly difficult, but he would never back down!

Soon, a piece of news on the martial arts forum that Longmen was recruiting disciples blew up the entire forum!

“Holy crap, Chen Ping founded a sect, and it’s called Longmen. It’s based on the Long family and has many disciples!”

“This Chen Ping is really awesome. He has been suppressed by the martial arts alliance, but the more suppressed he is, the stronger he becomes.”

“I want to join Longmen, Chen Ping is so awesome!”

Many people expressed their intention to join Longmen!

Another main reason why many people want to join Longmen is that the future concerns of Medicine God Valley will be given priority to Longmen.

After all, the master of Medicine God Valley is Chen Ping, and the current master of Longmen Sect is also Chen Ping.

It’s like Chen Ping started two companies by himself, so of course others will give priority to him.

Just when the news of Chen Ping’s establishment of the sect was released, many sect families began to congratulate him!

The Bai family, Dong family, Ge family, Wuying Villa, Valley of Evil, etc. all in Kyoto congratulated him.

Originally, Zhao Ligu and the other four villains wanted to join Longmen, but they were rejected by Chen Ping!

They all belong to the Tianlong Palace. It is true that Chen Ping is the master of the palace now. These people all obey him.

However, after all, Tianlong Palace does not belong to the sect established by Chen Ping himself. Although Tianlong Palace may have been founded by his father to pave the way for himself, Chen Ping does not want to sit back and enjoy the success.

Chen Ping wants to create a career through his own efforts. If he can meet his father one day, he hopes that his father will be proud of having a son like him!

Moreover, the identity of the master of Chen Ping's Tianlong Palace is also secret, which can be used as Chen Ping's killer weapon.

Early the next morning, Mr. Shi was sitting in the hall of the Dharma Protector Pavilion in Kyoto very early!

"Mr. Shi, why are you so early today?"

Xing Jun asked.

"Waiting for someone!" Mr. Shi said with a faint smile.

"Are you waiting for Chen Ping?"

Chapter: 2697

Xing Jun guessed.

"Yes!" Mr. Shi nodded.

“This Chen Ping is really getting bigger and bigger. He actually wants to establish a sect and build a dragon gate. I heard that thousands of people signed up to join the dragon gate at the martial arts forum yesterday.”

“This kid might want to bring out the largest sect in Kyoto’s martial arts world!”

Xing Jun said slightly surprised.

“Young people should be supported if they are enterprising. However, it is completely different for a person with strength to lead the development of a sect. I hope that in addition to improving his own strength, he can also improve the strength of the sect...”

Mr. Shi knows that it is completely different for a person to be able to work alone and to be an outstanding leader.

After Mr. Shi finished speaking, he looked at Xing Jun and asked, “How is the matter with the island country’s mission?”

“We have arrived at the port, and we can reach Kyoto in two days!”

Xing Jun replied.

“Well, remember to monitor closely and never let one of them leave your sight before entering Kyoto!”

Mr. Shi ordered.

“Understood!” Xing Jun nodded!

At this time, Zhao Wuji walked in and said to Mr. Shi: “Mr. Shi, Mr. Chen Pingchen is here!”

“Well, let him in!” Mr. Shi nodded!

Zhao Wuji then walked out.

Ever since Mr. Shi chose to work in the Dharma Protector Pavilion, Zhao Wuji, the master of the pavilion, has become an errand boy.

Soon, Chen Ping walked into the hall. After seeing Mr. Shi, he saluted slightly and said: "Meet Mr. Shi..."

Mr. Shi had a faint smile on his face: "When did you become so polite? Do you want to ask me for something?"

Chen Ping smiled and then nodded: "I want to establish a sect, so I need to report it to Mr. Shi."

"Xing Jun, go and bring him the formalities..." After Mr. Shi finished speaking to Xing Jun, he looked at Chen Ping again: "I have completed the formalities for you, so just go ahead and do it, but I have to warn you. Just tell me, leading a sect is far more difficult than you think."

"Thanks for the reminder, Mr. Shi, but I am confident!"

Chen Ping has the confidence to carry forward Longmen!

Soon, Xing Jun took the formalities and gave them to Chen Ping. Chen Ping didn't wait long and went directly back to Long's house!

Chapter: 2698

Now is the time for Longmen to be built, so there are a lot of things to deal with!

With the procedures in place, Longmen can officially recruit disciples, and the Long family's gate will soon be crowded.

Long Xingxu led people to conduct screening work. Anyone with bad habits would be rejected directly.

It doesn't matter how strong you are!

The recruitment of disciples is proceeding steadily, and the official change of Longmen's appearance is scheduled for three days!

The martial arts circles in Kyoto and even many other places were invited.

Da Wuhou, who is in his twenties, has such a state that he can be envied by many people in the martial arts world!

If some people are envious, others will be jealous!

There will also be people who think of ways to curry favor with Chen Ping!

The entire martial arts world began to boil because of Longmen, but within the Kyoto Martial Arts Alliance, Ning Zhi's face became increasingly ugly!

Ning Zhi was a little confused, how did Chen Ping grow up step by step?

The Chen Ping who was originally a year ago was nothing but bullshit.

I can crush him to death with just one finger!

But in just one year, such a big change has occurred?

Ning Zhi couldn't accept it, but he had to accept it!

This is a fact!

“Hey, I hope that Chen Ping’s establishment of a sect will attract the attention of the powerful and send black and silver robes to deal with him...”

Ning Zhi sighed.

He felt that he had worked hard enough and was definitely smart enough, but he just didn’t understand why he couldn’t compare to Chen Ping!

Now in the entire Kyoto martial arts world, apart from Chen Ping, he is the only one who can reach the level of Dawuhou at a young age.

There is also Long Xiao, who has already become a dead soul!

“You have the martial arts weapon in hand, but your fighting spirit has been suppressed by Chen Ping. It seems that your cultivation level will not improve much after all...”

The soul in Ning Zhi’s body said slightly disappointed.

“I...what can I do? Even with the martial arts weapon in hand, I couldn’t kill Chen Ping!”

Chapter: 2699

“The woman next to Chen Ping is so perverted that even the martial arts weapon can’t hurt her at all.”

Ning Zhi said with a decadent look!

“It seems that your position as alliance leader has hindered your cultivation. I think you should concentrate on your cultivation and stop worrying about the martial arts alliance.”

Soul persuaded Ning Zhi!

Ning Zhi smiled bitterly: “Why don’t I think that without strength, even if I sit in the position of leader, I will feel like sitting on pins and needles!”

Ning Zhi no longer wants to do this, and Chen Ping is now in the limelight and has founded Longmen again!

In the entire Kyoto martial arts world, how many sects and families still obey their martial arts alliance?

The prestige of the Martial Arts Alliance has long since plummeted.

At this moment, a black mist suddenly blew through, and then a man in black robe appeared in the martial arts alliance hall!

Ning Zhi took a closer look and found that the other party’s Peugeot was silver, so he immediately knelt down and said: “I pay my respects to the venerable man in black and silver robes!”

The other party just glanced at Ning Zhi contemptuously: “Da Neng is very dissatisfied with your recent performance and specifically asked me to take your place.”

The black silver robe said coldly.

When Ning Zhi heard this, he was immediately overjoyed. He just didn’t want to be the leader of such a martial arts alliance!

“My subordinates are incompetent, and I don’t deserve the respect of the Almighty!”

Ning Zhi said quickly.

“Huh!” The black silver robe snorted coldly, then waved his hand, and the black robe covering his body disappeared instantly!

A man in his twenties with a fair face was revealed!

When Ning Zhi saw this, he suddenly took a breath of cold air, because they all covered their faces with black robes. Ning Zhi had never thought that there would be such a young person in black and silver robes!

The man in front of me looks a few years younger than Ning Zhi, but his strength is no longer comparable to that of Ning Zhi!

At this moment, Ning Zhi was deeply hit again!

“Then Chen Ping will hold a sect ceremony in three days?”

asked the black and silver robe.

“right.....”

Ning Zhi nodded. Facing the black and silver robe who was younger than himself, Ning Zhi felt mixed emotions in his heart!

Chapter: 2700

“Prepare a generous gift and follow me to Longmen in three days...”

The black and silver robe said calmly.

“Sir, let’s go with Chen Ping...”

Before Ning Zhi finished speaking, he was slapped hard on the face by the other party!

“Didn’t you hear what I said?” The black silver robe stared at Ning Zhi.

“My subordinates dare not!”

Ning Zhi lowered his head and did not dare to say a word.

.....

Kyoto, Ge family!

Ge Fuhai said to Ge Jiayi: “Jiayi, pick some expensive gifts and send them to Mr. Chen’s dragon gate on the day of the ceremony.”

“Dad, I have already prepared it. I have already emptied the warehouse at home!”

Ge Jiayi said with a smile.

“What are you doing emptying out the warehouse?”

Ge Fuhai’s face was full of surprise!

“From now on, I will be Chen Ping’s, and Chen Ping’s Dragon Gate will also be mine. Of course I have to get more things to go there now...”

Ge Jiayi said without any shyness.

When Ge Fuhai heard this, he felt a little heavy because he knew Chen Ping’s true identity and how could his daughter be worthy of Chen Ping.

But if Chen Ping really gets together with Ge Jiayi, then the status of Ge Fuhai and others in the Ge family will be greatly improved.

“It’s true that women are not allowed to stay in college...”

Ge Fuhai smiled bitterly. He decided not to care about Ge Jiayi and let her pursue Chen Ping freely!

At this moment, a servant of the Ge family came to report: “Master, there is a young man asking to see him, saying he is from the Jiang family.”

“Jiang family?”

Ge Fuhai frowned slightly, then waved his hand and said: “Let him come in!”

Soon, a young man with dark skin wearing casual clothes walked in.
