

## **The Order 2701**

Chapter: 2701

“Junior Jiang Wei, meet Uncle Ge...”

Jiang Wei saluted Ge Fuhai.

“Jiang Wei?” Ge Fuhai was somewhat familiar with this name. After thinking for a moment, he said, “I remembered it. You are the Jiang Wei from the Northwest Jiang family who defeated dozens of people in a row and became a blockbuster?”

Jiang Wei smiled awkwardly: “It’s me, but in front of Uncle Ge, all my tricks are just trivial!”

Ge Fuhai shook his head: “You are much stronger than me. You are now in the realm of Great Wuhou, and you are so young. Your future achievements are limitless.”

“But my Ge family seems to have no friendship with your northwest Jiang family. I wonder what your purpose is in coming to my Ge family this time?”

Ge Fuhai didn’t remember any friendship between the Ge family and the Jiang family, and he didn’t know why Jiang Wei came to his home.

Jiang Wei smiled lightly: “Uncle Ge doesn’t know about the Jiang family, but you should know about Tianluo Tower, right?”

Jiang Wei’s words made Ge Fuhai’s eyes suddenly open: “Is your Jiang family the spokesperson of Tianluo Tower?”

Ge Fuhai knew that many powerful aristocratic families had suddenly appeared recently, and they must be the spokespersons of certain sects and aristocratic families in various secret areas!

But Ge Fuhai didn’t know that behind these sects and aristocratic families was the force in the secret realm!

But when Jiang Wei mentioned Tianluo Tower, Ge Fuhai understood it instantly!

Because only the spokesperson will know what is going on in the secret realm.

Tianluo Tower, like the Ge family, is in the secret realm of leaving the throne, which is the fire gate!

In the secret realm, the Ge family and Tianluo Tower have cooperated several times, and they can be considered to have some friendship.

So there is nothing wrong with Jiang Wei finding the Ge family and calling Ge Fuhai Uncle Ge!

“Uncle Ge, my Jiang family is the spokesperson of Tianluo Tower in the secular world. Our Jiang family has been secretive in the martial arts world for hundreds of years, and we have only recently chosen to make a high-profile comeback.”

Jiang Wei followed Ge Fuhai truthfully.

After all, these things are known to everyone, and there is no need for Jiang Wei to hide them!

Ge Fuhai looked at Jiang Wei’s strength, smiled bitterly and said: “Originally, I thought our Ge family was forbearing enough, but I didn’t expect other spokesmen families to be able to endure it!”

Ge Fuhai chose to establish himself in the Kyoto martial arts world, not caring about worldly affairs, and living a tolerant life, also because the various life and resources in the Kyoto martial arts world are better than those in other places!

But he didn’t expect that so many spokesmen families would choose to hide in very remote places. In remote places, resources are obviously scarce. However, in this environment, among these families, they can actually cultivate masters like Da Wuhou. !

Ge Fuhai couldn't help but look at Ge Jiayi. He felt that he was a failure, no matter in any aspect, he was a failure...

"Uncle Ge, as far as I know, a large number of people from the spokesperson family will come to Kyoto in the past two days."

Chapter: 2702

Jiang Wei said.

"Come to Kyoto?" Ge Fuhai was a little surprised: "What are they doing in Kyoto? Do they want to attract official attention?"

Jiang Wei shook his head: "Their purpose here is the same as mine, to step on others and gain power..."

This time, Ge Fuhai was confused. These people are all very powerful. Do they still need to step on others to get the upper hand?

"I understand. A ceremony will be held at Chen Ping's Dragon Gate in two days. Are these people here to step on Chen Ping?"

Ge Jiayi asked.

Jiang Wei nodded: "Nowadays, the most famous person in Kyoto's martial arts world is Chen Ping, so everyone wants to step on him and rise to the top."

"Then you came to Kyoto just to step on him?" Ge Jiayi frowned slightly and said with an ugly expression!

Jiang Wei hadn't noticed that Ge Jiayi was unhappy, so he nodded and said, "Of course, as long as anyone defeats Chen Ping, his reputation in Kyoto's martial arts world will soar, which is very important for the future development of the family."

"Hmph, whoever steps on Chen Ping is going against my Ge family. We will never stand idly by."

Ge Jiayi said sharply.

Jiang Wei was stunned for a moment, then looked at Ge Fuhai: "Uncle Ge, what does Miss Ge mean? Does it have anything to do with the Ge family following Chen Ping?"

Of course Ge Fuhai would not tell the truth about Chen Ping being the master of Tianlong Hall and the Ge family being the mouthpiece of Tianlong Hall!

So he explained: "Then Chen Ping and my daughter are friends, and maybe we will be a family in the future. Do you understand what I say?"

When Jiang Wei heard this, he suddenly realized: "Oh, I see????, in this case, I really want to meet that Chen Ping soon. What kind of charm does it have that can make a peerless beauty like Miss Ge like him?" "

"I can tell you, if you dare to take Chen Ping's idea, our Ge family will become mortal enemies with you in the future. You should take care of yourself..."

Ge Jiayi glared at Jiang Weidao.

Whoever goes against Chen Ping now is the enemy of the Ge family!

Jiang Wei frowned slightly, then looked at Ge Fuhai. You must know that in the secret realm, the Ge family and Tianluo Tower can be regarded as a cooperative relationship. Is it just because of Chen Ping that the Ge family wants to fall out with Tianluo Tower?

Ge Fuhai nodded: "My little girl is right. Anyone who follows Mr. Chen as an enemy is an enemy of my Ge family..."

"Uncle Ge, can Chen Ping actually make your Ge family pay so much? Besides, the Ge family and Tianluo Tower are now cooperating. Can what you say represent the elders of the Ge family?"

Jiang Wei didn't believe it. The Ge family really dared to turn against Tianluo Tower because of Chen Ping!

So what if Chen Ping is Ge Jiayi's boyfriend?

The Ge Fuhai family has a very low status in the Ge family, otherwise they would not be sent to the secular world to be spokespersons!

Chapter: 2703

"I would like to advise you, what I say, our clan elders will also say the same thing. If you really dare to be disrespectful to Mr. Chen, I believe that the clan elders will not only cut off cooperation with your Tianluo Tower, but also do it at any cost. It will make your Tianluo Tower suffer."

Ge Fuhai had a solemn look on his face and said very seriously.

Jiang Wei looked at Ge Fuhai like that and didn't want to make a joke, so he smiled lightly and said: "Uncle Ge, I have no enmity with that Chen Ping, so why would I target that Chen Ping? It's just a normal exchange and discussion. I think Uncle Ge Wouldn't you mind?"

Jiang Wei had already said this, what else could Ge Fuhai say!

Isn't it possible for people to communicate and learn from each other?

You must know that in the martial arts world, exchanges and exchanges are normal.

"It's okay to communicate and discuss, but stop at the key points. If you have your mind twisted, you will definitely be the one to regret it!"

Ge Fuhai threatened Jiang Wei.

"No, since Chen Ping is half of the Ge family, and he is on the same front as our Tianluo Tower, how could I have any wrong ideas..."

Jiang Wei assured hurriedly.

time flies!

Two days have passed in the blink of an eye, and tomorrow is the time for the Dragon Gate Ceremony!

The entire Long family was in motion!

But because Long Xingxu is in charge, Chen Ping doesn't have to worry about it!

In the past two days, I just took Ge Yuhan to get familiar with the environment and the people around me.

And also let Ge Yuhan get more familiar with her body to avoid exposing her secrets!

"Sister Ling'er, Brother Chen Ping has been taking that woman around these two days. Do you want me to remind him that you are his girlfriend?"

Seeing that Chen Ping was always taking Ge Yuhan around in the past two days, Xiaoru said to Gu Ling'er with some grievances.

"He can take with him whoever he likes. Uncle Long said not to put too much pressure on Chen Ping. If you really like someone, the tighter you hold him, the more he will want to break free..."

Gu Ling'er finally thought about it, then looked at Xiaoru and asked, "Where is your Zhao Chuang? He didn't come to see you today?"

"He is busy. Brother Chen Ping's dragon gate ceremony will be held tomorrow. There are a lot of things to do!"

“Sister Ling’er, if you feel bored, let’s go for a walk...”

Xiaoru was afraid that Gu Ling’er would be bored alone, so she said.

“Okay!” Gu Ling’er nodded!

Chapter: 2704

But just when Gu Linger and Xiaoru were about to go out for a walk, two girls who looked exactly the same and dressed very enchantingly walked in!

“Wherever you two plan to go, take us with you...”

The two girls laughed.

“Sister Mei’er, Sister Xiaolan...”

Xiaoru saw this and hurriedly rushed forward!

When Gu Ling’er saw this, she stepped forward happily and followed the two people to chat!

Wu Meier and Xiaolan were sent away by Long Wu. He asked them to practice. They were born with the art of charm. If they could find someone to lead them and practice them, they would definitely achieve great things in the future!

So these two sisters were sent abroad to practice the art of charm!

It’s been a few months since we said goodbye!

“Why did you two come back suddenly?”

Gu Linger asked curiously.

“Chen Ping is going to establish a sect. How can we sisters be absent from such a big event...”

Xiaolan smiled lightly.

This smile is like the wind blowing on the face and flowers blooming. Even the woman is a little shaken when she sees it!

It can be seen that Xiaolan’s charm skills have improved a lot.

“Just in time, the four of us go out for a walk together...”

Xiaoru said happily.

“What about Chen Ping?” Wu Meier asked.

When Wu Mei’er asked, Gu Ling’er looked slightly embarrassed and didn’t say a word, but Xiaoru pursed her lips and said: “Brother Chen Ping went shopping with a woman. I don’t know where he brought the woman from, and we were inseparable all day long. of.”

When Wu Meier and Xiaolan heard this, they were immediately furious!

“Come on, take us to find him. I promise to make Chen Ping obedient. He will listen to whatever we say.”

Wu Meier said.

The four girls went to find Chen Ping. Walking on the street, the four women attracted the attention of many people!

Especially Wu Meier and Xiaolan, their smiles are so charming that many men actually get into fights just because they look at them!

Chapter: 2705

Soon, the four of them discovered Chen Ping's figure, and Ge Yuhan was also following Chen Ping!

It's just that Chen Ping didn't notice the four of them!

"I never expected that after thousands of years, the world would become like this..."

Ge Yuhan looked around, acting very curious, but then he revealed his confusion: "It's just that the spiritual energy of the world is too thin, and it's impossible to practice. Let alone practice. I'm afraid I can't exert the strength of my physical body." Two thirds would be good."

"Is there no other way for you to return to your peak condition?"

Chen Ping asked.

In Chen Ping's view, there is a soul that has survived for thousands of years in Ge Yuhan's body at this time. Is there nothing the Saintess of Guanghan Palace can do?

Ge Yuhan shook his head: "No, the spiritual energy of this world is thin, and it seems that there is a forbidden power between heaven and earth, which is hindering the growth of the immortal cultivator. What kind of forbidden power is it, I don't know. I can't say, but it feels like something is restricting me anyway."

"The power of taboos?" Chen Ping was confused for a moment, and then thought of the time on Penglai Island. The power of taboos was also set up on the entire island, so no matter how hard the people on the island practiced, they could not reach a higher level. Strength!

At this time, Chen Ping actually had a bold idea in his mind.

“Could it be that someone has set up a forbidden power on the entire earth to control the development of immortal cultivators?”

When Chen Ping thought about this, he felt ridiculous!

Who has such great ability to set up taboo power on the entire earth? That is simply impossible!

“Let’s go, I’m taking you around...”

Chen Ping sighed helplessly. He originally thought that Ge Yuhan would be almost invincible if he recovered and had a martial arts master beside him.

But I don’t want Ge Yuhan’s strength to be limited, and now he can only reach the fifth level of Dawuhou!

Just when Chen Ping was wandering around with Ge Yuhan, two faint fragrances suddenly came and entered Chen Ping’s nose instantly!

Smelling this aroma, Chen Ping felt dizzy, and then a surge of blood surged up, and his whole body began to feel hot!

Chen Ping hurriedly looked back and found that it was Gu Ling’er and the others.

And Wu Meier and Xiaolan are also among them!

Seeing these two people, Chen Ping understood instantly. Just as he was about to speak, he saw Ge Yuhan’s face change: “A bold witch, how dare you use charm in broad daylight...”

Ge Yuhan didn’t know Wu Meier and Xiaolan. When she saw the two using charm techniques on Chen Ping, she immediately became angry and attacked them!

Wu Meier and Xiaolan didn't show any weakness, and said to Ge Yuhan: "You little vixen, you seduce other people's boyfriends, you are the witch..."

Soon, the three of them started fighting in the street. Because they were in a busy city, none of them dared to use their full strength!

Chapter: 2706

Otherwise, landslides will occur and many people will be killed or injured, which is not allowed by the authorities.

Because of this, Ge Yuhan's strength is limited. Even if he fights with Wu Meier and Xiaolan, it's hard to tell the winner!

Many people watching the excitement gathered around and pointed.

Not to mention how embarrassed Chen Ping was at this time!

"Okay, okay, stop fighting..."

"Stop fighting..."

Chen Ping had no choice but to step forward and separate several people!

"Okay, this is a misunderstanding, let's talk about it when we get back..."

Chen Ping couldn't help but say something, took a few people and went back!

Although Chen Ping quickly took a few people back, he was still photographed by others and spread on the Internet!

At this moment, on the martial arts forum!

There are discussions everywhere about several women fighting for Chen Ping.

This time, Chen Ping was dumbfounded, but the women were sensible. After Chen Ping explained, they reconciled!

At that time, Ge Yuhan also took action to protect Chen Ping, and Wu Meier and Xiaolan did not blame her!

Chen Ping looked helpless and sat alone on the balcony smoking!

Facing powerful enemies, Chen Ping can find a way to deal with them!

But facing so many women, Chen Ping really didn't know how to deal with them!

"The majestic Lord of the Dragon Gate actually worries about women..."

At this time, Long Wu walked to Chen Ping and sat down.

"Uncle Long!" Chen Ping lit a cigarette for Long Wu: "Hey, I really don't know what to do."

"You don't have to do anything. I believe those girls will handle their relationship well. Women should not be the source of your worries. You should use your energy elsewhere..."

Long Wu persuaded Chen Ping.

Chen Ping nodded, and the sadness on his face disappeared!

Kyoto, Dharma Protector Pavilion!

Chapter: 2707

Xing Jun hurriedly walked into the lobby of the Guardian Pavilion: “Mr. Shi, the island country’s mission has arrived and is outside now!”

Mr. Shi nodded: “Let them come in!”

Soon, Xing Jun came in with a group of island country envoys!

The leader is a middle-aged man with a beard named Kazuo Kawaguchi, who is also the leader of this mission!

And behind Kazuo Kawaguchi, there were five people, all in suits and ties, but there was only one person, wearing a samurai uniform, carrying a samurai sword, and his hair was combed into pigtails and carried behind his back!

When Xing Jun saw that the man came in with a knife, his face turned slightly cold, and he immediately stepped forward and said: “Hand over the knife and meet Mr. Shi. No weapons are allowed...”

“The sword is the soul of our warriors. We never have the habit of handing over our weapons unless you kill me...”

The warrior said with disdain.

Xing Jun frowned and reached out to grab the knife in the warrior’s hand.

Just when Xing Jun grabbed the samurai sword, he saw the samurai’s wrist flick, and then a huge force shook Xing Jun back several steps!

“Watanabe Jun, don’t be rude...”

Kazuo Kawaguchi scolded the samurai!

Mr. Shi waved his hand to Xing Jun: "Let them do whatever they want..."

Xing Jun could only retreat, and Mr. Shi said to Kazuo Kawaguchi: "Mr. Kawaguchi, please sit down..."

"Thank you Mr. Shi..."

Kazuo Kawaguchi nodded, and then everyone sat down aside!

But just when Jun Watanabe was about to sit down, Mr. Shi flicked his finger.

Wow...

The chair under Jun Watanabe broke into pieces and scattered all over the floor!

This time, Jun Watanabe looked very ugly!

"Mr. Kawaguchi, I'm really sorry. The chair has been in disrepair for a long time. I didn't expect it to break..."

After Mr. Shi finished speaking, he winked at Xing Jun and said: "Captain Xing, go bring a chair..."

Xing Jun looked at Mr. Shi's eyes and understood instantly, so he pretended to say: "Mr. Shi, because of the event, the chairs have been moved away, and there are no extra chairs."

"Oh, what a coincidence. Mr. Watanabe can only stand..."

Chapter: 2708

Mr. Shi smiled apologetically.

This made Toshi Watanabe very angry, but Kazuo Kawaguchi quickly said: "It doesn't matter, as a samurai of the island country, it doesn't matter if you stand."

Although Watanabe Shun was angry, but Kawaguchi Kazuo said so, he couldn't say anything and could only stand aside obediently!

"Mr. Kawaguchi, I wonder what happened during your trip?"

Mr. Shi asked knowingly.

Because the mission clearly stated their intentions before visiting, it was impossible for Mr. Shi not to know.

"Mr. Shi, we are here just to compete in martial arts and increase the feelings between the two countries. We have no other purpose..."

"We have long heard that in your country's martial arts world, there is a rising star with extraordinary strength at a young age, so we came here specifically to ask for advice."

Kazuo Kawaguchi also got straight to the point. He knew that going around the bush with Mr. Shi was useless!

"Indeed, a new star has appeared in the martial arts world recently, but I just don't know who Mr. Kawaguchi plans to ask for advice?"

Mr. Shi said with a puzzled look.

Kawaguchi was stunned, and then said: "Of course it's our Watanabe Shun. Among our group, he is the only one who is a martial artist!"

In fact, Mr. Shi has long seen that the others are just ordinary people, with no breath on their bodies, only the breath of Jun Watanabe is surging!

“Okay, but because this rising star is not an official of mine, if you want to ask for advice, you can only make a challenge yourself. As for whether they will accept the challenge, that is not something I can control.”

“I can’t rely on official reputation to force others to accept the challenge. I hope Mr. Kawaguchi understands!”

Mr. Shi said.

“With Mr. Shi’s words, we feel relieved and won’t bother you any more...”

Kazuo Kawaguchi said goodbye.

The reason why he met Mr. Shi was because of Mr. Shi’s words, otherwise the official would come forward and they would be in great trouble.

the next day!

The entire Long family has become the focus of the martial arts world, because from now on, the Long family has changed into the Dragon Gate!

The Long family has also become a sect from a family, so that it can recruit more disciples!

Long Xingxu was very capable. He decorated the entire venue very luxuriously and gathered thousands of newly recruited disciples together.

This is also to show the strength of Longmen to the major sect families!

Chapter: 2709

“Brother Chen Ping, Longmen is officially established today. I have a gift for you...”

Long Xingxu said mysteriously.

“what gift?”

Chen Ping asked in surprise.

“Follow me, you’ll know when you see it...”

Long Xingxu took Chen Ping to a square, which was specially expanded for the establishment of Longmen.

Above the square, a towering sculpture stands in the middle!

Long Xingxu waved his hand, and a big red cloth covering the sculpture was slowly pulled down!

When the red envelope was pulled down, Chen Ping was stunned.

Because this statue turned out to be himself!

The sculpture is so lifelike that it looks exactly like Chen Ping!

“When did you do this?”

Chen Ping asked in surprise.

“I’ve been doing it for a long time, just to surprise you...”

Long Xingxu smiled.

Chen Ping smiled and patted Long Xingxu on the shoulder: "I'm interested..."

Chen Ping felt that Long Xingxu did have some brains, but Long Jingguo had suppressed him too hard before and he couldn't use them at all.

Around noon, people began to come with gifts to congratulate me!

Chen Ping greeted everyone one by one with a humble attitude!

In just over half an hour, dozens of people from the Kyoto martial arts community came to congratulate Chen Ping.

Such a battle has never been seen by other sects and aristocratic families.

"The head of the Ge family has arrived..."

At this time, there was a shout outside the door, and Chen Ping hurried out to greet him!

"Master Ge..." Chen Ping handed over!

Chapter: 2710

"Mr. Chen, congratulations..."

Ge Fuhai hurriedly handed over the gift!

"Master Ge, please come inside..." Chen Ping stepped aside.

At this time, Ge Jiayi said: "Chen Ping, my dad has given me a gift. I haven't given it yet. I want to give it too..."

As Ge Jiayi said this, she waved her hand and looked like a truck was driving in!

I saw that they were all filled with rare cultivation resources, including some aged medicinal materials, etc...

Chen Ping was dumbfounded. Where could anyone give such a gift?

Ge Fuhai looked at Chen Ping and smiled and said, "Mr. Chen, this kid Jiayi has emptied our Ge family's warehouse..."

When Chen Ping heard this, he smiled helplessly: "Miss Ge, please come in, you are too polite..."

"I'm not being polite. I'm just moving. Anyway, I will come here and live with you in the future!"

Ge Jiayi said without hesitation.

This made Chen Ping speechless for a while!

Fortunately, at this time, the door shouted again: "Jiang Wei from the Northwest Jiang family has arrived..."

"Zhu Yuhao from the Southwest Zhu Family has arrived..."

"Qiao Zhiyong of the Northeastern Qiao family has arrived..."

"Hong Qianjiu of the Hong family in East China has arrived..."

.....

This sudden scene made Chen Ping and many other guests confused!

Because these people I just called out are all from aristocratic families who have just emerged recently, and all of these people are very powerful!

Especially Jiang Wei, who defeated dozens of people in a row and became famous for a while.

Chen Ping also looked puzzled, wondering why these people suddenly appeared.

He has no friendship with these people.

“Mr. Chen, these people come with bad intentions, you have to be careful...”

Ge Fuhai approached Chen Ping and reminded him in a low voice.
