

The Order 271

Chapter: 271

Wang Changfeng patted Wang Hanhan's shoulder gently and said!

"Yeah!" Wang Hanhan nodded, his eyes already moist!

After Chen Ping returned home, he rested early. Tomorrow and Saturday, he happened to go to Panlong Bay, where the spiritual energy was relatively abundant and no one disturbed him. He just happened to absorb the essence of the Ganoderma lucidum!

At the same time, in the office of General Manager Xianhezhuang, Xiao Lei was holding his injured arm and sitting face to face with Liao Feixiong!

"Master Xiao, please ask someone to contact me. What's the matter?"

Liao Feixiong poured Xiao Lei a cup of tea with his own hands and said!

After all, the Xiao family is also a wealthy family in Hongcheng. Although the Red Dragon Gang has no need to be afraid of the Xiao family, after all, these wealthy families are the God of Wealth. Liao Feixiong knows that Xiao Lei is here today to give money!

"Brother Xiong, I have always heard that Brother Xiong is very powerful. Today I saw that he is indeed well-deserved. With Brother Xiong's muscles, even three or five strong men can't get close to him!"

Xiao Lei praised Liao Feixiong!

"Haha, Mr. Xiao, you don't have to be like this. If you have anything to do, just say it. If I, Liao, can do it, I will never refuse..."

Liao Feixiong laughed!

“Brother Xiong, to be honest, I have an enemy, and I want Brother Xiong to help me get revenge. I will give you 10 million yuan as a reward after the incident is completed. I have 5 million here, which is a deposit...”

Xiao Lei said, pushing a bank card in front of Liao Feixiong!

“Hahaha, he is indeed a rich man, he is really generous...” Liao Feixiong was a little surprised, Xiao Lei’s shot turned out to be 10 million!

But after laughing twice, Liao Feixiong suddenly stopped smiling, looked at Xiao Lei with a solemn expression and asked: “I know that the Xiao family is kind to Lin Tianhu. Since you want to seek revenge from your enemies, why don’t you seek revenge from Lin Tianhu? Besides, I know that the Xiao family is kind to Lin Tianhu. Your Xiao family hires a lot of bodyguards, right? Why do you still need to ask me, the Red Dragon Gang?”

“Our Red Dragon Gang and Juyi Hall have always been incompatible with each other. Mr. Xiao abandoned Juyi Hall, but came to find me, the Red Dragon Gang. Isn’t this a matter of looking far away at the expense of the near?”

Liao Feixiong knew about some of the grievances the Xiao family had with Lin Tianhu. After all, this was no secret!

“Hmph, forget about that ungrateful guy Lin Tianhu. If it weren’t for our Xiao family, Lin Tianhu would have turned into bones by now. Now that Lin Tianhu has become the dog of the Su family, he would have severed all ties with me and the Xiao family!”

As soon as Xiao Lei heard Lin Tianhu, he cursed angrily, and then said: “As long as our Xiao family’s bodyguards, I can’t mobilize any of them. Do they only listen to my dad’s orders? My dad still thinks I am He’s recovering in the hospital!”

“Hehehe, I understand!” Liao Feixiong nodded.

“Lin Tianhu has indeed been following the Su family quite recently! Mr. Xiao’s enemy is not the second-generation official, right? I can tell you that our Red Dragon Gang has never dealt with the official family...”

“Brother Xiong, don’t worry. He’s just an ordinary person. He just has some skills. He’s not a second-generation official...”

Xiao Lei shook his head quickly!

“That’s good. Tomorrow I will ask Ah Shui to take a dozen brothers to find Mr. Xiao. As for how to deal with the enemy, Mr. Xiao, you can make your own decision...”

Chapter: 272

Liao Feixiong said calmly.

“Brother Xiong, can you send more people?” Xiao Lei asked a little uneasily when he heard that Liao Feixiong only sent a dozen people.

After all, Chen Ping is too strong. He saw with his own eyes that Chen Ping knocked down several people with three strikes, five divided by two!

“What? How strong is your enemy? A dozen people are not enough?”

Liao Feixiong was slightly startled!

“No, no, no, it’s not that strong. I just want to lead more people. Wouldn’t it be more impressive...”

Xiao Lei was cautious. He didn’t dare to tell Liao Feixiong that Chen Ping was very strong. He was afraid that Liao Feixiong would shrink back or ask him to increase his money!

“Well, since Mr. Xiao said so, I will send thirty people to help Mr. Xiao. I also hope that we can cooperate for a long time in the future...”

Liao Feixiong stood up and shook hands with Xiao Lei!

“Thank you so much, Brother Xiong...”

Xiao Lei said happily.

After coming out of Xianhe Village, Xiao Lei got into the car, and Geng Shanshan was waiting for him in the car!

“Brother Lei, how are you?” Geng Shanshan asked anxiously.

“Hmph, let’s wait and see Chen Ping kneeling in front of us tomorrow and begging for mercy. I will trample him severely under my feet and let him know how powerful I am...”

Xiao Lei’s eyes flashed with cold light, and he said proudly!

Early the next morning, Chen Ping told his parents, and then took the Ganoderma lucidum to the Panlong Bay Villa!

At this time, at the entrance of the Panlongwan villa area, Cui Zhiyuan, Sun Xiaomeng and Wang Lanlan were arguing with the security guard at the entrance!

“Why don’t you let us in? We’re here to buy a house. Is this how you treat your customers?”

Sun Xiaomeng roared loudly at the security guard!

I was in a very good mood. I came over to take a look at the houses in Panlong Bay. If the commission comes down, I can make a down payment here. Although I can’t buy a villa on the mountain, I can get a loan to buy a house at the foot of the mountain!

But when they arrived, the security guard refused to let them in, which made Sun Xiaomeng very angry.

“If you want to buy a house, you can go to the sales office next door. You can’t enter until you become the owner...”

The security guard said to Sun Xiaomeng calmly!

“How can we buy a house if we don’t go in to see the floor plan?” Sun Xiaomeng was still arguing!

Chapter: 273

“If you want to see the house, you can be led in by the salesperson. You cannot go in alone. This is our rule...”

The security guard still blocked the door and refused to let them in!

“Xiaomeng, forget it, let’s go to the sales office first and then let the salesperson take us in...”

Cui Zhiyuan pulled Sun Xiaomeng and said!

Although Cui Zhiyuan was angry, he didn’t dare to make trouble. This was Panlong Bay, the best community in Hongcheng. All the big shots lived here. How could he, a small department manager, dare to make trouble here!

Seeing this, Sun Xiaomeng could only give the security guard a hard look and said, “Just wait, when I become the owner, let the property management fire you first...”

The three of Cui Zhiyuan left and went to the sales office, while the security guard sneered, “What the hell, you really think of yourself as a character...”

Not long after Cui Zhiyuan and the others left the door, Chen Ping drove over, driving his second-hand Changan!

After the security guard saw Chen Ping's car from a distance, he immediately waved his hand to signal Chen Ping to stop!

These security guards have been working in Panlong Bay for a while, and they have never seen any owners living here who drive Changan cars!

Chen Ping stopped the car, and a security guard quickly ran over and wanted to ask Chen Ping what he did!

But when Chen Ping rolled down the car window, the security guard was stunned when he saw Chen Ping!

It took a while before he finally realized: "It turns out to be Mr. Chen. I'm so sorry..."

Chen Ping has been living in a villa on the top of the mountain some time ago. It is the most expensive villa in Panlong Bay, so these security guards all know Chen Ping!

"It's okay!" Chen Ping smiled lightly!

Soon, the security guard waved his hand: "Hurry up and open the door, it's Mr. Chen..."

When the security guard at the door heard that it was Chen Ping, he hurriedly opened the door. When Chen Ping drove by, the security guard hurriedly saluted!

But just when Chen Ping's car was about to enter the door, a red Maserati suddenly rushed in front of Chen Ping, trying to pass Chen Ping into the community!

Chen Ping failed to brake in time and hit the rear of the Maserati. This made several security guards dumbfounded. None of them expected that a car would suddenly rush over and a car accident would occur!

This was at the gate of the community. When something like this happened, they, the security guards, were responsible, so these security guards looked at the red Maserati angrily!

“How the hell do you drive? How dare you hit my car with a broken Changan? Do you know how much my car costs?”

A woman wearing sunglasses and a fashionable straw hat got out of the car. Seeing that her beloved car was hit, she yelled at Chen Ping!

Originally, Chen Ping wanted to resolve the matter calmly. It was the other party's fault for overtaking at a place like the gate of the community, but who knew that the other party would scold him as soon as he got off the car, which made Chen Ping's anger rise instantly!

“It was obviously you who suddenly came in front, why do you blame me for hitting your car?”

Chapter: 274

Chen Ping asked the woman!

“What? You are driving a broken Changan, why are you blocking the road at the door? Can you come to this place?” The woman looked at Chen Ping with disdain, and then yelled at several security guards: “How do you guard the door? , can such a car be put into a community? It brings shame to our community, and it also brings disgrace to the faces of us owners...”

Several security guards looked at the arrogant woman and dared not say anything. After all, they were just security guards and they couldn't afford to offend the woman in front of them.

Chen Ping looked at the woman's arrogant look and wanted to step forward and give her two slaps. However, he thought that he had to seize the time to practice and was unwilling to waste time, so he said to the woman: “Tell me the number, how much it will cost.” , I don't have time to talk to you here...”

Seeing that Chen Ping was still a little impatient, the woman immediately raised her voice and said, “Do you know how much my car costs? It's more than two million. If you hit it like this, it wouldn't be possible to repair it without more than ten or two hundred thousand. It's going to cost you.” Even the compensation for the car is not enough for me.”

“Stop talking nonsense, just tell me the number...” Chen Ping frowned slightly!

“You dare to talk nonsense about me? Believe it or not, I...”

As the woman spoke, she raised her hand and wanted to slap Chen Ping, but Chen Ping grabbed her and slapped the woman hard on the face!

The woman flew out with her sunglasses on, and even the straw hat flew off her head. This made the arrogant woman stunned!

She never thought that Chen Ping would dare to attack her. How could a man who broke into Chang'an have the courage?

“Good boy, if you dare to hit me, if I don't kill you today, I will never finish...”

The woman roared, took out her cell phone and started calling!

When several security guards saw Chen Ping beating the woman, they felt relieved, but they also knew that this action would make things worse. One security guard hurriedly ran to call the property manager!

After the woman made the call, she glared at Chen Ping with those red phoenix eyes: “Boy, just wait for me, my husband will come and chop you to death soon...”

“I don't have time to be here with you. If you don't move the car, I will knock it off for you...”

Chen Ping doesn't want to get entangled with women. He hasn't practiced well during this period. Chen Ping must seize the time to practice!

“You still dare to hit my car? If you can, just hit it. See if I don't let you go bankrupt...”

The woman screamed, she didn't believe that Chen Ping really dared to hit him!

This is a multi-million dollar luxury car, and Chen Ping cannot afford to pay for it!

Seeing the woman like that, Chen Ping knew it was useless to say anything, so he got in the car and prepared to knock the Maserati out of the way!

But at this moment, Cui Zhiyuan and the others were led over by a sales lady, ready to go in to view the house!

"Chen Ping?"

After seeing Chen Ping, Sun Xiaomeng shouted in surprise!

After all, not everyone can come to this place. People with no money and power like Chen Ping rarely come here, but I don't know what Chen Ping does here!

Chapter: 275

Chen Ping saw that it was Sun Xiaomeng and Cui Zhiyuan, so he casually asked: "Why are you here?"

"You are still asking us. You should ask why you are here, right? We are here to buy a house. What are you doing here?" Cui Zhiyuan looked at Chen Ping with contempt, then looked at Chen Ping's car and followed him. The Maserati collided with each other, and he immediately gloated: "Chen Ping, your driving skills are not good, why did you crash? Did you want to follow other people's cars and break in?"

At this time, Wang Lanlan also discovered that Chen Ping's car collided with someone else's car, and it was also a Maserati. She immediately screamed: "Chen Ping, you have won the lottery. You can't hit any car, but you actually hit a Maserati. This car costs several million, and your car insurance may not be able to cover it..."

"Whether I can afford the compensation or not, I don't need to worry about it. That's my own business!"

Chen Ping said coldly!

“Chen Ping, let me tell you, it is impossible for the company to withdraw your salary in advance. Why are you driving around in a shabby car? Now you are afraid that you will go bankrupt...”

The corners of Cui Zhiyuan’s mouth were raised high, unable to conceal the excitement on his face!

“Chen Ping, what is going on? You are in trouble now...”

Sun Xiaomeng frowned slightly and asked Chen Ping!

“It’s nothing serious. I just hit the car, right?”

Chen Ping smiled lightly. In his eyes, this was nothing!

“Crashed the car? Please open your eyes and see what kind of car it hit. This is a Maserati, a car worth millions. Do you understand?”

Wang Lanlan said with a sneer!

“Chen Ping, I advise you to ride an electric bike. You are not suitable for driving. If you hit a Maserati today and a Porsche tomorrow, you won’t be able to afford the compensation even if I sell you...”

Cui Zhiyuan persuaded Chen Ping earnestly, but his eyes were full of amusement!

At this time, the woman on the side saw Cui Zhiyuan and the others were sarcastic towards Chen Ping, and became even more convinced that Chen Ping was just a useless guy with no ability, so she shouted loudly: “Boy, aren’t you crazy? You still want to My car was knocked open, if you can, hit it...”

The woman was provoking Chen Ping, constantly stimulating him!

Chen Ping was too lazy to talk nonsense with him, so he got in the car and planned to knock the Maserati away!

“Chen Ping, you are crazy, come down here...”

Sun Xiaomeng grabbed Chen Ping and said, “Do you know how much this car costs? If you crash into it on impulse, you will lose everything and you won’t be able to afford the loss when you sell your house...”

Sun Xiaomeng didn’t want to take care of Chen Ping, but when it came to something as big as Maserati, Sun Xiaomeng had to take care of it. This would cost a lot of money. If Chen Ping couldn’t afford to pay, he would have to go find himself. Borrow money from home!

“Xiaomeng, what do you care about him? Isn’t he awesome? Let him hit him. If he can’t afford the compensation, let him continue to go to jail. It’s not like he has never done anything before...”

Cui Zhiyuan had a cold face and was very dissatisfied with Sun Xiaomeng for stopping Chen Ping!

“If this really happens, we will have to pay millions in compensation. That is no joke. Even if Chen Ping’s family sells the house, they won’t be able to afford the compensation. What will your parents do then?”

Chapter: 276

Sun Xiaomeng glared at Cui Zhiyuan and said!

Although Sun Xiaomeng doesn’t like Chen Ping, nor does she like Chen Ping’s family very much, after all, in her heart, Chen Ping’s family just sees that her family is rich, and they come here to curry favor and seek favors!

But it doesn’t mean that Sun Xiaomeng wants to destroy Chen Ping’s family. If Chen Ping really impulsively rushes into it, the whole family will be destroyed!

Cui Zhiyuan saw that Sun Xiaomeng was actually protecting Chen Ping, his eyes full of anger!

Chen Ping glanced at Sun Xiaomeng, and his view of Sun Xiaomeng changed a lot. It seemed that Sun Xiaomeng was not particularly bad!

At this moment, two vans drove over quickly, followed by a dozen men with fierce looks and sticks in their hands!

“Husband...” The woman ran towards a man in sportswear, and then said coquettishly: “Husband, someone just hit me, look at my face being hit...”

The man looked at the woman’s face and suddenly became furious. His face turned cold and he said: “Who the hell beat my wife? Stand up for me...”

Chen Ping took two steps forward: “I did it!”

The man looked at Chen Ping, then looked at Cui Zhiyuan and the others behind Chen Ping, and then shouted coldly: “Boy, if you kneel in front of my wife and apologize now, I may be able to spare your life, otherwise , just you guys, no one can escape!”

When Cui Zhiyuan heard this, this man actually thought that they and Chen Ping were together. He was so frightened that he waved his hands and explained: “Brother, brother, you misunderstood. We are not together. Although we know each other, what he did is not what we are doing.” I don’t know at all...”

The man looked at his wife, and the woman nodded and said, “This guy not only hit my car, but also slapped me...”

“Boy, let’s just consider the car crash. If you slap my wife, if you kneel down now, you can still survive...”

The man looked at Chen Ping with a murderous expression!

Chen Ping smiled lightly: "Do you particularly like to have people kneel down? But let me tell you, I can't kneel to anyone except my parents, and you are not worthy of letting me kneel down..."

"Boy, what did you say?" The man was stunned for a moment, then said angrily!

He couldn't believe that Chen Ping, alone, had the guts to say such a thing in front of so many people!

"Chen Ping, are you crazy? You are looking for death..."

Sun Xiaomeng scolded Chen Ping loudly!

Cui Zhiyuan said with a sneer on his face: "Chen Ping, it's now time, stop pretending, even if you kneel down, we won't laugh at you, let alone pass it on to you. In the company!"

"That's right, we won't tell you, so just kneel down, otherwise you'll get beaten up soon, and you'll still have to kneel down!"

Wang Lanlan also said with a smile!

"You like to kneel down so much, please kneel down..." Chen Ping looked at Cui Zhiyuan and Wang Lanlan and said!

"Hmph, if you can, keep going crazy and see who will kneel down and beg for mercy..."

Chapter: 277

Cui Zhiyuan snorted coldly!

When the man saw that Chen Ping had a lot of backbone, he didn't kneel down at all. He also said with a cold face: "Boy, you have some backbone, but when you meet me today, no matter how hard you are, I will make you soft..."

After saying that, the man waved his hand and said: "Come on, I'll destroy him..."

Soon, more than a dozen people swarmed towards Chen Ping!

When Cui Zhiyuan and the others saw this, they were so frightened that they hid far away. Although Sun Xiaomeng was anxious, there was nothing she could do about it at this time!

“stop.....”

There was an angry shout, and then a property manager in a suit hurried over with several security guards!

“Manager Zhang, what do you mean? Do you want to stop me from doing it?”

The man asked with an unhappy look on his face when he saw the property manager.

“Brother Dong, please give me some face. Forget about today’s matters. If there is any loss, I will take care of it...”

The property manager said to the man with a smile on his face!

It seems that the two people know each other. After all, one is the owner and the other is the property manager. It would not be surprising even if they know each other!

“Manager Zhang, did you take the wrong medicine today or is this kid a relative of yours? How do you plead for him?”

The man asked with a puzzled look on his face.

After Manager Zhang looked at Chen Ping, he slowly leaned into the man’s ear and said, “Brother Dong, you don’t know something. Mr. Chen lives in the villa on the top of the mountain for a while...”

When the man heard this, he was stunned: "Isn't that the Su family's villa?"

"That's right. Since he can live in it, he must have something to do with the Su family!"

Manager Zhang nodded!

The man looked at Chen Ping, his eyes full of disbelief: "I don't believe that this kid has anything to do with the Su family. With the way he is, I'm afraid he won't be able to fight with the Su family. He drove a car through Chang'an. How could he follow the Su family?" It has something to do with the family, Manager Zhang, don't lie to me, this matter won't give you face today..."

The man didn't believe it at all. How could Chen Ping's outfit and Changan car be related to the richest man, the Su family!

"Brother Dong, I really didn't lie to you, Mr. Chen..."

But before Manager Zhang finished speaking, he was pushed away by the man: "If he doesn't kneel down today, it will be useless even if the King of Heaven comes. I won't give anyone face!"

After the man finished speaking, his look would make his subordinates take action!

Upon seeing this, Manager Zhang hurriedly winked at the salesperson and asked her to take Cui Zhiyuan and others away quickly. The fewer people who see this kind of thing, the better. If this spreads out or is recorded, With the image, their reputation in Panlong Bay has plummeted!

Chapter: 278

Upon seeing this, the salesperson hurriedly called Cui Zhiyuan and the others to leave. Cui Zhiyuan was still a little reluctant. He wanted to see Chen Ping being beaten with his own eyes!

"It's a pity that such a wonderful scene is not allowed to be seen..."

Cui Zhiyuan said disappointedly!

“No, let this guy Chen Ping pretend to be cool all day long, and he will be unlucky if he encounters a tough situation this time!”

Wang Lanlan also said with a sneer!

Only Sun Xiaomeng frowned slightly, a little worried in her heart. If this really caused a loss of life, it would be troublesome!

“Xiaomeng, you’re not still worried about Chen Ping, are you? Haven’t you always hated him?”

Wang Lanlan saw Sun Xiaomeng like that and asked.

“I hate it, but I can’t just leave him alone...”

Sun Xiaomeng looked sad: “Otherwise we call the police!”

“You are so stupid to call the police. Didn’t you see how cruel that man is? If he knew that we called the police, maybe the whole family would be killed by him...”

Cui Zhiyuan threatened Sun Xiaomeng!

Sure enough, after saying this, Sun Xiaomeng was so frightened that she no longer dared to call the police!

At this time, at the gate of Panlong Bay, all of Brother Dong’s men had been knocked down by Chen Ping. They were just a bunch of gangsters. Chen Ping only took about ten seconds to deal with them!

Seeing Chen Ping’s skills so good, Brother Dong’s face changed slightly with fright, and the woman’s face became even more panicked!

“Do you still need me to kneel down and apologize?”

Chen Ping looked at Brother Dong and asked with a cold smile!

The muscles in the corners of Brother Dong's eyes kept twitching, and finally he gritted his teeth and said: "Boy, you are good at fighting, aren't you? Let me tell you, I have written down your license plate number. I can find out what your name is and where you live. No matter how you can fight, I don't believe that your family members can fight either..."

Brother Dong threatened Chen Ping with his family, but he didn't know that this had already touched Chen Ping's evil side!

"Are you threatening me?" Chen Ping's eyes instantly burst out with murderous intent, and the terrifying murderous intent directly enveloped Brother Dong!

Brother Dong couldn't help but tremble all over, feeling gusts of cold wind going straight into his neck and collar!

"Boy, you don't have to look at me like this. Do you still dare to kill me in front of everyone?"

Brother Dong also gritted his teeth and said with a fierce face: "If you don't kill me today, I will kill your whole family when I find the right opportunity..."

This Brother Dong actually followed Chen Ping and started acting like a rogue, with an expression like a dead pig who is not afraid of boiling water!

Chapter: 279

"You are looking for death..."

The murderous aura on Chen Ping's body became stronger and stronger, and when Manager Zhang saw this, he hurriedly stopped in front of Chen Ping: "Mr. Chen, forget it, forget it, it's not a big deal if you don't have to fight and kill!"

Manager Zhang, I don't want a murder to happen in front of my community, and he can't afford to offend either of these two people, and he doesn't want anything to happen to either of them!

Chen Ping didn't speak, but calmly took out his mobile phone and called Lin Tianhu!

"Ten minutes to the door of Panlongwan Community..."

After just one sentence, Chen Ping hung up the phone!

Brother Dong saw that Chen Ping could shake people, and the corner of his mouth suddenly raised: "I really can't believe that you are the only one who can shake people? I want to see who you called..."

Brother Dong said, and also made a phone call, obviously calling someone!

Soon, several more vans came quickly, followed by more people, all holding sticks!

When Brother Dong saw that the person he called had arrived, he immediately said proudly: "Boy, where is the person you called? Are you afraid to come?"

"We're here..." Chen Ping said calmly!

Not far away, I saw a car driving towards this side at a very fast speed.

When Brother Dong saw that only a small car came, he immediately laughed and said: "Are you fucking kidding me? Just call a car, how many people can it hold? Even if you can fight, I can keep a steady stream of people." Call someone here, even if you are tired, you will be exhausted..."

"I hope that after seeing you, you will still maintain your current smile..."

Chen Ping sneered!

Soon, the car arrived, and then a burly man opened the door and got out!

After seeing the person clearly, the smile on Brother Dong's face instantly solidified on his face!

Everyone else also gasped!

The person coming was none other than Lin Tianhu, and he was the only one!

After walking quickly to Chen Ping, Lin Tianhu respectfully shouted: "Mr. Chen..."

Seeing that Lin Tianhu was so polite to Chen Ping, Brother Dong was dumbfounded on the spot and trembled all over!

"Get rid of him..."

Chen Ping looked at Brother Dong and said!

Lin Tianhu nodded and turned to face the trembling Dong Ge.

Chapter: 280

Lin Tianhu glanced around, and all the people called by Brother Dong turned pale with fright, and they all hurriedly threw away their weapons!

"Why don't you get out and stay here to seek death?"

Lin Tianhu shouted loudly, scaring away all those people called by Brother Dong!

Are you kidding me? How dare you provoke these little gangsters from the majestic underground emperor of Hongcheng!

"Tiger...Master Hu..."

Brother Dong trembled and shouted towards Lin Tianhu!

Lin Tianhu stepped forward and slapped Brother Dong on the face!

Brother Dong didn't dare to move, but his wife gave up and immediately yelled at Lin Tianhu: "Who are you? Why do you beat someone?"

The woman yelled at Lin Tianhu, but Brother Dong was so frightened that he almost fainted!

Snapped.....

Brother Dong slapped his wife hard: "You stinky bitch from Male Gobi, who asked you to speak? Do you have the right to speak here?"

Brother Dong had already cursed his wife to death in his heart at this time. If she hadn't provoked Chen Ping and called him here, how could she have disturbed Lin Tianhu.

And looking at Lin Tianhu's respectful attitude towards Chen Ping, it's obvious that Chen Ping's identity is extraordinary!

But he just couldn't figure it out. How could a person with such status drive a Chang'an?

The woman was beaten by her husband until her nose was bruised and her face was swollen, and her whole face was disfigured!

But Brother Dong knew in his heart that if he didn't act cruelly, both of them might be dead!

"Master Hu, women speak freely. I hope Master Hu won't be angry..."

Brother Dong desperately followed Lin Tianhu to apologize!

But Lin Tianhu didn't appreciate it at all. He grabbed Brother Dong's collar and then punched him in the lower abdomen. Brother Dong fell to his knees in pain!

Chen Ping slowly walked up to Brother Dong and looked down at Brother Dong!

"Didn't you just ask me to kneel down and apologize? Why are you kneeling down now?"

Chen Ping asked slightly playfully!

Brother Dong didn't dare to raise his head and kowtowed desperately: "Mr. Chen, please show me your noble hand. I am not a human being. I am blind..."

Brother Dong desperately begged for mercy!
