

The Order 2711

Chapter: 2711

Chen Ping understood instantly, nodded, and then went out to greet him.

After all, the visitor is a guest, and Chen Ping cannot drive people away!

Seeing this, Ge Jiayi followed Chen Ping and walked out together.

“Brother Chen Ping, congratulations, congratulations...”

Seeing Chen Ping follow Ge Jiayi out, Jiang Wei stepped forward and smiled slightly.

“Same joy, same joy...”

Chen Ping looked at Jiang Wei, slightly embarrassed, because he didn't know Jiang Wei at all and didn't know who he was!

“He is Jiang Wei from the Northwest Jiang family.”

Ge Jiayi introduced Chen Ping.

When Chen Ping heard this, he suddenly realized: “It turns out to be Brother Jiang, whose name I have admired for a long time...”

“Haha, Brother Chen Ping is overly praised. Now in the entire martial arts world, no one knows about you.”

Jiang Wei laughed, then pointed to the people behind him and said, “Brother Chen Ping, let me introduce you.”

“This is Zhu Hao from the Southwest Zhu family.”

“This is Qiao Zhiyong from the Qiao family in Northeast China.”

“This is Hong Qianjiu from the Hong family in East China.”

“We all admire your name and came all the way here.”

Jiang Wei introduced Chen Ping, and Chen Ping greeted everyone politely!

It’s just that these people had a cold expression, they just nodded slightly, and finally walked in!

Chen Ping didn’t care, but ordered people to entertain him, while he continued to greet the guests at the door!

“Chen Ping, you have to be careful. These guys are preparing to step on you and gain fame through you.”

Ge Jiayi reminded Chen Ping.

“It doesn’t matter, these people are just powerful as the Great Wuhou. If we really compete, I’m not afraid of them.”

“It’s not yet certain who will step on whom by then.”

Chen Ping smiled lightly!

Chapter: 2712

“I just like your confident look. Don’t worry, our Ge family will always stand by your side. After all, we are a family.”

Ge Jiayi said very boldly.

Chen Ping could only smile helplessly, not knowing what to say.

At this moment, someone suddenly shouted from outside the door: “Honglian Palace, Ji Ruxue has arrived...”

When Chen Ping heard this name, his body suddenly trembled slightly!

He didn’t expect that Ji Ruxue would come as well.

Ge Jiayi noticed Chen Ping’s strangeness, and immediately smiled playfully and said, “Is it because someone came to visit me because of the romantic debt I owed?”

“Don’t talk nonsense...”

Chen Ping glared at Ge Jiayi, and then hurried out to greet her!

I saw Ji Ruxue wearing a white dress, exuding a fresh and refined temperament, slowly walking in, followed by Xiao Min and several palace maids from the Red Lotus Palace!

This beauty that suddenly appeared suddenly attracted the attention of many guests, and all of them looked over!

“Miss Ji, I really didn’t expect you to come.”

Chen Ping stepped forward and looked at Ji Ruxue in front of him. The expression on his face was indescribably complicated!

“Mr. Chen, of course I have to come to congratulate you on such a big event.”

Ji Ruxue smiled faintly, and between her frown and smile, she was full of charm...

“Please come in quickly...”

Chen Ping didn't know what to say to Ji Ruxue. After all, the two hadn't seen each other for a long time.

“Yes, please come in quickly...”

Ge Jiayi actually stepped forward at this time, gently took Ji Ruxue's arm and said.

Ji Ruxue was stunned for a moment, then glanced at Chen Ping, wanting Chen Ping to introduce him.

But before Chen Ping could speak, Ge Jiayi said herself: “Sister, I am Chen Ping's girlfriend, and my name is Ge Jiayi.”

When she heard that she was Chen Ping's girlfriend, Ji Ruxue smiled slightly and said, “Hello, sister Jiayi, my name is Ji Ruxue, and I am a friend of Mr. Chen.”

“I know sister, Chen Ping often mentions you. What kind of friend is not a friend? Maybe we will all be a family in the future.”

“Sister, come with me. I want to ask my sister for advice on how you maintain such good skin and figure.”

Chapter: 2713

Ge Jiayi is also a familiar person. Although the words “family” made Ji Ruxue blush slightly, Ji Ruxue likes Ge Jiayi very much!

Chen Ping could only listen to Ge Jiayi's nonsense, but couldn't get a word in!

"Brother Chen, it turns out that you have been thinking about my sister, so why haven't you visited us for so long?"

"My sister keeps calling your name in her dreams."

Xiao Min stepped forward and looked at Chen Ping with a playful look on his face and asked.

"I...I've been too busy recently and haven't taken time..."

Chen Ping said a little embarrassed.

"It will be fine in the future. We can see each other more often..."

Xiao Min looked happy.

"What's going on?" Chen Ping was stunned.

"My sister decided to move the Red Lotus Palace here so that we can be close and see each other more often."

Xiao Min chuckled.

Chen Ping was completely surprised. He didn't expect Ji Ruxue to make such a major decision.

Seeing that Chen Ping didn't speak, Xiao Min continued: "My sister did this for you. You can't let her down..."

After saying that, Xiao Min jumped up and chased after him!

Chen Ping was stunned on the spot and couldn't react for a moment.

Chen Ping was originally worried about having so many women together, but now he didn't expect Ji Ruxue to join in the fun again...

After about an hour, most of the guests had arrived.

Chen Ping toasted at every table. After all, these people came to him, Chen Ping, to eat. Let's not talk about the purpose of these people coming. Since they are here, they are guests!

There was just one table, but Chen Ping didn't even dare to go there!

That was the table of Ji Ruxue and Ge Jiayi.

I don't know which uncle arranged it, but all the women were placed at the same table.

Ji Ruxue, Ge Jiayi, Ge Yuhan, Gu Linger, Wu Meier, Xiaolan...

With so many women at the table, Chen Ping was always worried whether they would fight!

Chapter: 2714

But in the end, Chen Ping walked over. After all, Ji Ruxue had traveled thousands of miles to come here, and he always wanted to express his gratitude.

When Chen Ping walked to the table, all the women's eyes suddenly fell on Chen Ping!

Chen Ping felt the eyes of these women, which was more stressful than facing a martial saint!

"Miss Ji, thank you for coming so far to congratulate me. I did it..."

Chen Ping looked embarrassed and drank it all in one gulp.

Ji Ruxue looked at Chen Ping's embarrassment and couldn't help but cover her mouth with a smile, and then picked up the wine glass and drank it all in one gulp!

"You drink, you continue, I will greet other guests..."

After Chen Ping finished speaking, he turned around and walked away as if to escape.

And behind him, there was a burst of laughter from girls!

Chen Ping finally sat at the table with Jiang Wei and the others. After all, these people were also young talents, and Chen Ping wanted to know more about them.

Whether you are friend or foe, it is always good to know more.

As soon as Chen Ping sat down, Jiang Wei looked at Chen Ping with envy and said: "Brother Chen Ping is not only the leader of my younger generation, but I didn't expect that he is also a man of temperament. There are so many beauties around him. If I can have so many My confidante, even if my cultivation is ruined, I am willing to do so."

It can be seen that Jiang Wei's words are not a compliment, but true envy!

You must know that the women at the table are more beautiful than the other and have better figures. If you pick one out at random, they are all stunning beauties.

Especially Ji Ruxue, many people watched mesmerizedly.

Because Ji Ruxue's every move, even her glance and smile, carried an air of immortality.

Just like a holy fairy descending from heaven!

If it weren't for being here with Chen Ping, many people would probably come forward to strike up a conversation.

There are also Wu Meier and Xiaolan, both of whom are born with charming bodies. Whether it is the aura exuding from their bodies or the light radiating from their eyes, they make men unable to stop!

"Brother Jiang is joking, they are just friends, they are all friends..."

Chen Ping smiled awkwardly.

Immediately afterwards, Chen Ping emitted an undetectable divine consciousness, which enveloped several people!

He wanted to find out what kind of cultivation these people had!

But as soon as Chen Ping's consciousness entered the bodies of several people, it was instantly cut off by an inexplicable force.

Chapter: 2715

Several people are exactly the same, and they all have an inexplicable power within their bodies.

This made Chen Ping frown instantly!

Seeing Chen Ping like that, Jiang Wei smiled faintly: "Brother Chen Ping, among our younger generation, you are now the strongest one. How about we compare our two moves when we find some time?"

"Brother Jiang is joking, how can I be Brother Jiang's opponent? Brother Jiang has defeated dozens of people in a row and has already caused a sensation in the martial arts world. In front of Brother Jiang, I am just a clown."

Chen Ping is very humble.

Chen Ping's words surprised Jiang Wei. After all, he was young and energetic, and each of them had extraordinary strength. Of course, he would not admit that he was inferior to others!

But he didn't expect that Chen Ping would lower his profile so low, even lowering himself and comparing himself to a clown.

Chen Ping's approach made Jiang Wei look at Chen Ping with admiration!

"Chen Ping, since you are so low-key, why did you start a sect with great fanfare? You are the only one at your age who founded a sect."

"So you don't have to be modest. We all know your strength. I came here just to ask you for some advice."

"You won't even give me this face, right?"

At this time, Zhu Hao from the southwest Zhu family spoke, and his tone was not good!

Chen Ping's face froze slightly, but he still smiled and said: "If Brother Zhu wants to ask for advice, of course I will accompany him, but I can't do it today."

"Okay then, tell us a time and we'll meet at the martial arts arena."

Zhu Hao looked impatient.

But just when Chen Ping was about to speak, he suddenly heard from outside the door: "Martial Arts Alliance, leader Ning Zhining has arrived."

Everyone was surprised when they heard that the Martial Arts Alliance was coming!

Who doesn't know that the Martial Arts Alliance has always been a sworn enemy with Chen Ping!

Why did he suddenly come to congratulate Chen Ping?

Or are you looking for trouble?

Chen Ping's face turned gloomy at this moment, while Long Xingxu immediately ordered people to be ready!

If the Martial Arts Alliance is here to cause trouble, then fight!

Soon, Ning Zhi followed a young man in casual clothes and walked in slowly.

But looking at his position, Ning Zhi was like a follower behind the young man.

Chapter: 2716

"Ning Zhi, what are you doing here? Are you looking for trouble?" Chen Ping looked at Ning Zhi coldly: "If you dare to make trouble today, I will destroy you both physically and mentally."

Ning Zhigang wanted to open his mouth, but was stopped by the young man.

"You are Chen Ping, right? My name is Nie Cheng. The current leader of the Martial Arts Alliance, Ning Zhi, is incompetent, so I will replace him."

"I know that Mr. Chen has some misunderstandings with the Martial Arts Alliance, so I came here specifically to turn the conflict into friendship with Mr. Chen, and to congratulate Mr. Chen for establishing the sect at such a young age."

"I have a gift here. It's not respectful."

After Nie Cheng finished speaking, he waved his hand, and Ning Zhi reluctantly handed over the vajra in his hand.

“This martial arts sacred weapon is a gift from our martial arts alliance and is not a respectful gift.”

Nie Cheng said with a faint smile on his face.

When everyone saw that the Martial Arts Alliance actually gave away the Martial Saint Artifact as a gift, everyone gasped, and some people’s eyes shone with envy!

Chen Ping was also a little surprised, but he still reached out and took the weapon!

After receiving the vajra, Chen Ping instantly injected a burst of spiritual power into the vajra, and soon a sneer appeared on his face.

“If my guess is correct, I’m afraid this Vajra will not be used a few times, right?”

Chen Ping doesn’t believe that the Martial Arts Alliance would be so kind!

It turns out that there is not much power left in the Vajra, and it will soon be broken.

You must know that martial arts weapons also have usage restrictions. Owning a martial arts weapon does not mean having a martial arts master by your side.

The Martial Saint Weapon is just a weapon used by the Martial Saint master. Because of years of use, the Martial Saint Weapon possesses the power of the Martial Saint!

However, when the power of the Martial Saint is exhausted and there is no way to replenish it, the Martial Saint weapon will be shattered.

Nie Cheng smiled awkwardly: "Even if it is a martial arts weapon that can be used once, it is priceless."

But Chen Ping threw the vajra away to Nie Cheng and sneered: "This is not a garbage dump, and I am not a garbage collector, so you rags, take it back for yourselves."

Everyone was shocked when they saw that Chen Ping actually called the martial arts weapon junk!

Nie Cheng frowned, and the aura on his body began to rise. A force that swallowed mountains and rivers instantly enveloped the entire hall.

Obviously, this Nie Cheng's aura is much stronger than Chen Ping's!

"If you want to fight, then let's go out and don't destroy what I have here, otherwise you won't be able to compensate."

Chen Ping didn't pay any attention to the aura on Nie Cheng's body.

Chapter: 2717

Seeing this, Nie Cheng slowly took back his breath, and then said to Chen Ping: "Then whatever Mr. Chen wants, as long as our martial arts alliance has it, I will definitely give it to you, as long as our two families live in peace."

"I want his life, will you give it to me?"

Chen Ping pointed at Ning Zhi and said.

This time, Nie Cheng was restrained, but Ning Zhike was quite frightened.

If Nie Cheng agreed to this, wouldn't he be dead?

“Leader, don’t believe this kid. He is full of nonsense. Last time he deceived us about the address of an ancient ruins.”

Ning Zhi was really afraid that Nie Cheng would agree to Chen Ping.

“Mr. Chen, I come here with sincerity and want to live in peace with you.”

Of course Nie Cheng knew that Chen Ping was playing tricks on him, but he still said with a faint smile.

“I get along with you...” Chen Ping’s face turned cold, and he suddenly burst out with swear words: “You have locked up my girlfriend for so long, and now you want to live in peace with me? As long as I, Chen Ping, have a breath, the Martial Arts Alliance will My lifelong enemy, I will never give up until you are wiped out.”

“Stop being an eyesore to me and get out of here, otherwise don’t blame me for being rude.”

Chen Ping’s scolding shocked many guests.

It was obvious that Nie Cheng had an extraordinary aura and must be very strong. How dare Chen Ping do this!

Listening to Chen Ping’s insults, Nie Cheng’s face turned ugly.

“Chen Ping, I hope you will not be ignorant of praise. You are not qualified to fight with the Martial Arts Alliance.”

Nie Cheng said coldly.

“Not qualified?” Chen Ping smiled coldly: “Since you are not qualified, what are you doing here? Don’t think that I don’t know about the bad things in your martial arts alliance.”

“Your martial arts alliance is just controlled by a bunch of souls. If what I said is right, you also have a soul in your body, right?”

“When I absorb all these old guys who have survived for thousands of years, let’s see what else your martial arts alliance can do to cause trouble.”

Chen Ping directly exposed the scandal of the Martial Arts Alliance in public!

Everyone was shocked when they heard what Chen Ping said!

“That’s nonsense. I don’t want to teach you a lesson. I really thought we were afraid of you...”

As he spoke, the aura on Nie Cheng’s body began to explode, and the temperature in the entire hall plummeted!

Some people with low strength feel that they are in difficulty with each other, as if falling into an ice cave!

Chapter: 2718

Chen Ping’s eyes narrowed, and a golden light suddenly appeared on his body, resisting the aura with all his might!

However, Chen Ping did not take action. If he does it here, then today’s ceremony will be a failure.

Seeing that the battle was about to break out, a sudden breeze blew by, and then the auras on Chen Ping and Nie Cheng instantly dissipated!

Nie Cheng frowned and looked directly outside the door!

“On such a lively day, why are there still people looking for trouble? Is the security of our Kyoto martial arts community this bad now?”

As a loud voice sounded, Mr. Shi slowly walked in!

Upon seeing Mr. Shi, many guests stood up one after another.

“Mr. Shi...”

These people all greeted Mr. Shi.

Chen Ping was also surprised. He didn't expect Mr. Shi to come.

“Mr. Shi, why are you here?”

Chen Ping hurried forward and asked unexpectedly.

“The youngest founder of a sect has appeared in Kyoto. Of course I have to be there to congratulate him.”

Mr. Shi smiled slightly.

When Nie Cheng saw Mr. Shi, his expression turned ugly!

“Mr. Shi...”

Nie Cheng walked up to Mr. Shi and shouted respectfully.

Mr. Shi glanced at Nie Cheng, and then uttered one word coldly: “Get out...”

Nie Cheng didn't say anything, took Ning Zhi and left quickly.

The arrival of Mr. Shi instantly brought Chen Ping a lot of glory. Many people just heard that Mr. Shi took great care of Chen Ping.

But now it seems that this is not just as simple as taking care of it!

Even Jiang Wei and other young talents were envious when they saw Mr. Shi's attitude towards Chen Ping!

"Mr. Shi, please take a seat..."

Chen Ping said to Mr. Shi.

Chapter: 2719

"No, I won't sit down. If I stay, I believe no one here will be able to eat well."

Mr. Shi smiled faintly, and then continued: "I am here to inform you of something. The Watanabe family from the island country has come and will challenge you. You must do what you can."

When Chen Ping heard this, he was not surprised. He didn't expect that after such a long time, the Watanabe family still hadn't given up.

In fact, Chen Ping didn't know that during this period, the Watanabe family had been trying to find a way to enter Daxia and kill Chen Ping, but Mr. Shi sent people to stop them at the border.

"Mr. Shi, I will pay attention."

Chen Ping nodded and said.

Mr. Shi did not stay. After following Chen Ping, he left directly.

“Brother Chen Ping, I didn’t expect Mr. Shi to be really kind to you. Now with official recognition, your Dragon Gate will definitely grow stronger.”

Jiang Wei said to Chen Ping with great envy.

At first, I envied the women around Chen Ping.

Now I envy Chen Ping for having an official cover!

Anyway, it makes people envious and jealous!

“Chen Ping, now I want to challenge you even more. Please hurry up and set a time. I didn’t expect that your reputation in Kyoto is greater than I thought.”

Zhu Hao followed Chen Ping with excitement.

If he defeats Chen Ping, Zhu Hao will become even more famous in Kyoto and even in the entire martial arts world!

Just as Chen Ping opened his mouth to say something, he heard a noise at the door, and then he saw several disciples at the door being thrown in!

Then Shun Watanabe, holding a samurai sword and wearing a samurai uniform, slowly walked in.

When everyone saw that they were from the island country, their eyes turned fierce!

But Jun Watanabe faced the gazes of so many people without any trace of cowardice!

“Who among you is Chen Ping? Come forward.” Watanabe Jun glanced at everyone, and then continued: “I am Watanabe Jun from the Watanabe family, and I came here specifically to challenge Chen Ping.”

Chen Ping frowned. He didn't expect that this guy from the Watanabe family would choose a day like today to challenge him. Wasn't he deliberately disgusting himself?

"Who are you? Get out of here quickly. Can any cat or dog challenge Mr. Chen?"

At this time, a guest stood up and cursed angrily at Watanabe Jun.

But Jun Watanabe grasped the katana with his palm, and then saw a cold light flashing through!

Chapter: 2720

brush.....

The guest didn't even have time to react. He saw a bloody mark on his neck and fell straight down!

And it was as if Jun Watanabe had never drawn a sword before, which shows how fast this Jun Watanabe is!

When everyone saw that Jun Watanabe dared to kill people openly, they all stood up instantly!

Chen Ping, on the other hand, had a cold flash in his eyes and was about to take action!

But before Chen Ping could take action, Zhu Hao had already jumped up.

"A mere ronin from an island country dares to run wild here..."

Zhu Hao exuded a terrifying aura, which instantly enveloped Jun Watanabe.

Watanabe Jun looked at Zhu Hao without any fear: "Are you Chen Ping?"

“I’m not Chen Ping!”

Zhu Hao shook his head.

“Since you are not Chen Ping, then I won’t fight you and let Chen Ping come out...”

Watanabe Jun’s words deeply stimulated Zhu Hao.

Isn’t this obviously looking down on him and thinking that his strength is not as good as Chen Ping?

This made Zhu Hao very angry!

“You ronin, don’t think that in our Daxia martial arts world, there is only one master, Chen Ping. If I want to kill you, I am enough...”

With that said, Zhu Hao punched Jun Watanabe.

Facing Zhu Hao’s punch, Watanabe Jun dodged slightly, and then withdrew into the courtyard!

Seeing that the punch missed, Zhu Hao jumped up and kicked out again.

Watanabe Jun stretched out his hand to block, and the huge force caused him to step back several steps!

And Zhu Hao fell in front of Watanabe Jun: “Do you think my ability is not worthy of your action?”

“Da Wuhou’s strength is indeed good and worthy of my action...”

After Watanabe Jun finished speaking, he suddenly grabbed the katana in his hand, and then threw it at Zhu Hao!

Watanabe Jun didn't even draw his sword, but directly hit Zhu Hao with the scabbard!
