

The Order 2721

Chapter: 2721

“Hmph, arrogant...”

When Zhu Hao saw that Jun Watanabe had no weapons to use, he immediately snorted and pawed forward with his right hand!

He directly grabbed Watanabe Jun’s scabbard, and the auras of the two people collided instantly!

boom.....

After a loud noise, Zhu Hao felt a huge force coming from the samurai sword.

This force was so weird that it penetrated Zhu Hao’s body through the samurai sword in an instant!

Zhu Hao felt his heart tremble, and the aura on his body dissipated instantly. He stepped back continuously, and a mouthful of blood spurted out!

“As long as you have this ability, don’t come out and embarrass yourself...”

Watanabe Jun looked disdainful, and then glanced at everyone with a sneer: “Who is Chen Ping? Come out to challenge, don’t act like a coward...”

“Damn it, I’ll fight you...”

Zhu Hao was embarrassed in front of everyone, so of course he couldn’t swallow it!

Zhu Hao instantly pulled out the nine-section whip from his waist. With a flick of his wrist, the nine-section whip turned into a straight stick!

“You still dare to take action?”

Watanabe Jun’s eyes narrowed slightly!

“What nonsense, let’s do it...”

Zhu Hao said, and the nine-section whip in his hand hit Zhu Hao fiercely. A whistling sound sounded, and the entire void began to tremble.

The strength of Da Wuhou cannot be underestimated!

Upon seeing this, Jun Watanabe sent the katana forward and directly blocked Zhu Hao’s nine-section whip!

Bang!

There was a sound of collision, and the nine-section whip in Zhu Hao’s hand was instantly swung away!

It’s just that the nine-section whip that originally turned into a stick instantly turned into a poisonous snake when it swung away!

The head of the whip was like a poisonous snake spitting a message, exploding instantly and heading towards Jun Watanabe’s back!

No one thought that Zhu Hao’s nine-section whip actually had a mechanism on it!

Snapped!

Chapter: 2722

The nine-section whip struck Watanabe Jun on the back, instantly ripping open the flesh on Watanabe Jun's back!

Zhu Hao succeeded in this attack, his confidence greatly increased, and his face was full of pride!

Watanabe Jun narrowed his eyes slightly: "You are forcing me to kill you..."

"If you have the ability, come and kill me. I'm afraid you don't have the ability!"

After Zhu Hao said this, he repeated his old trick and directed the nine-section whip in his hand towards Watanabe Jun again!

This time, Watanabe Shun did not block directly with his katana, but instead drew the sword out of its sheath with a clang.

A dazzling cold light flashed through, and Watanabe Jun waved his hand in front of his eyes.

Everyone saw a flash of light and then saw that the katana in Jun Watanabe's hand had been sheathed!

But looking at the nine-section whip in Zhu Hao's hand, it turned out that it had been broken into several sections and could no longer be used.

Seeing this, everyone gasped, because Jun Watanabe's sword skills were so fast!

Zhu Hao looked at the nine-section whip in his hand and was stunned on the spot!

You know, his nine-section whip is the treasure of the Zhu family. It is extremely hard, but he doesn't want to be cut off easily!

Just when Zhu Hao was stunned, Watanabe Jun slapped Zhu Hao on the head!

This palm was a fatal blow, and it was obviously meant to kill Zhu Hao!

When Zhu Hao reacted, he found that it was already too late!

Just at the critical moment!

Chen Ping straightened up, and then followed Shun Watanabe with a palm strike!

Watanabe Jun kept retreating, and Chen Ping also shook his body!

“who are you?”

Watanabe Jun frowned slightly.

“I am Chen Ping, didn't you come to challenge me?”

Chen Ping smiled coldly.

Watanabe Jun looked at Chen Ping, with anger and murderous intent in his eyes!

Zhu Hao glanced at Chen Ping gratefully, then backed away without saying anything.

Chapter: 2723

This fight with Jun Watanabe has completely cost him his face!

“You dare to come out now. Do you want me to fight against me after my strength is exhausted?”

Watanabe Jun thought that Chen Ping must be being clever by coming out at this time!

“You are not worthy of letting me use tactics against you. If you think that your strength has been exhausted and you are not equal, I can let you use three moves...”

As Chen Ping said, he actually put his hands behind his back!

Chen Ping’s approach instantly made many people fearful!

And Watanabe Jun was instantly irritated and roared: “You are too arrogant, see if I don’t cut you in half!”

The next second, Jun Watanabe instantly pulled out his samurai sword, and with a slight flash of his body, he was directly in front of Chen Ping, and then slashed with his sword!

Watanabe Jun’s speed was so fast that no one could see his figure at all. They could only see the afterimage of the knife in mid-air!

Uh-huh!

The samurai sword struck directly at Chen Ping’s head with its sharp blade!

This is a plan to kill Chen Ping with one blow!

Facing the sharp blow, Chen Ping’s hands were still behind his back, and there was no trace of panic on his face!

Just when the katana was about to reach Chen Ping, Chen Ping’s head turned slightly to the side, and the katana slid down against Chen Ping’s face!

The fierce blade blew Chen Ping’s hair, and even Chen Ping’s clothes rattled.

But it failed to hit Chen Ping, and Chen Ping dodged the knife!

“You still have two chances...”

Chen Ping looked at Jun Watanabe calmly and said with a hint of fun.

“court death.....”

Watanabe Jun was so angry that he didn't take back the katana in his hand, but cut him in the middle!

Chen Ping, on the other hand, stood up from the ground, his body instantly in mid-air, and the blade passed directly under Chen Ping's feet.

The blade roared, and several pillars not far away were instantly cut off by the blade.

Chen Ping's body so lightly landed on Jun Watanabe's katana!

Watanabe Jun only felt a heavy force on his hand, and the katana in his hand almost fell to the ground!

Chapter: 2724

Chen Ping stepped lightly, and his body rose into the air again, and then landed steadily in front of Jun Watanabe!

“One last trick!”

Chen Ping looked at Jun Watanabe disdainfully and said.

“ah.....”

Watanabe Jun almost died of anger. He held a knife in both hands and struck Chen Ping from the middle.

This time it was extremely powerful and even faster!

Even a big mountain can be split from the middle.

Everyone hurriedly looked at Chen Ping and saw golden light flashing from Chen Ping's body, with a golden dragon surrounding his right hand!

Chen Ping, on the other hand, did not dodge or dodge, he just grabbed the samurai sword!

"Seize the sword with bare hands?"

Everyone was shocked when they saw this scene!

Snapped!

Watanabe Jun held the knife in both hands. It was the time when he was about to exert force, but he suddenly stopped!

It's like a high-speed car that was stopped in an instant!

Watanabe Jun was stunned for a moment, and then his eyes were full of disbelief!

Because he saw at this time that Chen Ping directly grabbed his katana with his right hand, but still grabbed it on the blade!

"This this....."

Watanabe Jun couldn't believe what he was seeing!

Zhu Hao on the side was even more surprised when he saw this scene. You must know that his nine-section whip was easily cut off by Jun Watanabe with his samurai sword, but it failed to hurt Chen Ping's hand!

This shows how powerful Chen Ping's body is!

"Three moves have passed..."

After Chen Ping finished speaking, he exerted a slight force on his palm, and Jun Watanabe's katana was broken instantly!

This time, Watanabe Jun was even more dumbfounded.

Before Jun Watanabe could react, Chen Ping had already raised his foot and kicked him out. This kick hit Jun Watanabe directly in the chest and kicked Jun Watanabe away!

Chapter: 2725

Watanabe Jun's body flew more than ten meters away and fell heavily to the ground. A large mouthful of blood spurted out from Watanabe Jun's mouth!

When everyone saw this, their expressions were complicated and they had an indescribable feeling, especially that Zhu Hao!

You must know that just now he vowed to challenge Chen Ping and step on Chen Ping to ascend to the throne!

Now Chen Ping has defeated Jun Watanabe almost instantly, which shows that his strength is still far behind Chen Ping!

Zhu Hao couldn't understand. Chen Ping's strength was obviously not higher than his, but in a real battle, how could Chen Ping easily leapfrog the opponent?

They won't understand what Chen Ping's golden dragon's true form represents!

This is the most powerful physique in the world, bar none!

Watanabe Jun wanted to stand up, but found that Chen Ping's kick almost shattered his internal organs.

Big mouthfuls of blood kept pouring out!

Chen Ping stepped forward and stepped on Jun Watanabe's head, causing Jun Watanabe's face to press tightly to the ground!

Watanabe Jun struggled, but to no avail!

This kind of humiliation made Jun Watanabe look very ugly!

"Is it possible that you, the Watanabe family, have no one left, so you are sending trash like you to deal with me?"

Chen Ping looked down at Watanabe Jun and said coldly.

Watanabe Jun struggled, his eyes full of anger: "Chen Ping, do you dare to let me get up? If you let me get up, I will definitely kill you..."

At this time, Watanabe Jun is still shouting!

"Remember? Call Ancestor and I will let you get up..."

Chen Ping said with a sneer!

Watanabe Jun was almost angry to death, but his head was stepped on by Chen Ping and he couldn't move at all!

"The Watanabe family has really embarrassed our island country by sending you here..."

As a deep voice appeared, Kazuo Kawaguchi walked in with two other envoys!

Chen Ping looked at the three of them and found that there was no aura fluctuation on the three of them. They were completely ordinary people!

This made Chen Ping a little strange. He didn't understand how these three ordinary islanders dared to come to him!

"Mr. Kawaguchi, save me..."

Chapter: 2726

When Shun Watanabe saw Kazuo Kawaguchi coming, he immediately shouted!

Kawaguchi Kazuo was not looking at Watanabe Jun, but looked at Chen Ping, and said with a smile: "Are you Chen Ping? We are a mission to visit your country, and Watanabe Jun is also a member of the mission, so you Can't kill him..."

"Bah, your people can kill people at will, but I can't kill him? Do you think this is in your house?"

"He must die today. Blood debt must be paid with blood..."

Chen Ping looked at Kazuo Kawaguchi like that and took a sip!

He didn't understand how this ordinary guy with no strength dared to speak so brazenly. Was it just because of his status as a missionary?

"I said, he can't be killed..."

Kawaguchi Kazuo's eyes narrowed slightly, and the smile on his face disappeared.

"Are you a bird? Just because you say you can't, you can't? I'll kill him today and see if you can stop me..."

Chen Ping said, he raised his foot and stepped on it!

With this kick, Jun Watanabe's head will definitely be torn apart!

But just when Chen Ping was about to step down, he suddenly felt a terrifying aura coming, causing Chen Ping to instantly retreat!

After retreating for more than ten meters, Chen Ping stabilized his figure.

When Chen Ping looked at Kazuo Kawaguchi, he found that Kazuo Kawaguchi seemed to be a different person. The aura exuding from his body made Chen Ping feel scared!

Chen Ping frowned, his eyes full of surprise. He didn't understand what method Kazuo Kawaguchi used to hide his aura without leaking it at all!

"Thank you Mr. Kawaguchi..."

Jun Watanabe followed Kazuo Kawaguchi to say thank you!

"Watanabe Shun, can you still fight?" Kawaguchi Kazuo asked.

“Okay!” Watanabe Jun nodded!

“Since you can fight, let’s continue. Our island warriors have no tradition of returning after failure...”

Kazuo Kawaguchi said.

“Hi!” Watanabe Jun nodded, his eyes filled with determination to die.

Chen Ping looked at Jun Watanabe. Although he could kill Jun Watanabe easily, the sudden appearance of Kazuo Kawaguchi now made Chen Ping afraid!

Kazuo Kawaguchi seemed to see Chen Ping’s worries, and smiled lightly and said: “Don’t worry, I won’t take action. It’s you two who are going to compete. As the head of the mission, of course I will abide by the rules!”

Chapter: 2727

Seeing what Kazuo Kawaguchi said, Chen Ping breathed a sigh of relief. After all, the aura on Kazuo Kawaguchi’s body just now was too terrifying!

“bring it on!”

Chen Ping waved to Jun Watanabe!

“Go ahead...” Kazuo Kawaguchi patted Jun Watanabe on the shoulder!

But with this shot, I saw the aura on Watanabe Jun’s body change instantly, and then his strength increased rapidly, and soon reached the peak!

A terrifying power emanated from Watanabe Jun.

At this moment, Watanabe Jun's eyes became sharp, as if he was a different person!

Chen Ping's face began to look a little ugly, because the aura he felt from Jun Watanabe was somewhat similar to that of Kazuo Kawaguchi!

Chen Ping didn't understand what Kazuo Kawaguchi did to Jun Watanabe.

"Today, I will let you see the true strength of our island country..."

Watanabe Jun spoke slowly, but at this time, Watanabe Jun's voice even changed!

"Hmph, he's just a guy possessed by a soul. Why are you so arrogant? When I kill you, I will destroy the soul in your body..."

Chen Ping said coldly.

Chen Ping could tell that Watanabe Jun's current behavior was completely consistent with being possessed by a soul and controlling his body!

Chen Ping has killed many soul-possessed people, so he is not afraid!

After all, although those souls were very powerful when they were alive, after they turned into souls, their strength was very weak, so there was nothing to be afraid of.

"Hahaha, ignorant person, what do you know..."

Watanabe Jun laughed, and then his body slowly floated into the air, followed by a terrifying force that instantly enveloped the entire Long family.

At this time, many people became nervous, and now it was impossible for them to leave the Long family!

Watanabe Jun's body was slowly wrapped in red blood mist. The thick bloody smell, coupled with the terrifying power, instantly made many people unable to bear it!

Some of the weak ones began to look ugly.

Gu Ling'er and the others also frowned, exuding the aura in their bodies, resisting this terrifying power!

When Chen Ping saw this, the golden light on his body flashed, and auras emanated from his body, and he followed Watanabe Jun to resist!

With Chen Ping's resistance, many people were obviously relieved!

Chapter: 2728

"Hmph, a bunch of ants really think they can fight against me..."

Watanabe Jun was in mid-air, his blood red color slowly transformed into a big turtle!

I saw the big turtle sticking out its head, and with every breath it took, terrifying power surged out, putting pressure on Chen Ping and the others!

"Chen Ping, this is the Turtle Breathing Technique. Stop him quickly. Don't let him complete the casting..."

At this time, Ge Yuhan looked at the big turtle in the air, and shouted loudly at Chen Ping!

Ge Yuhan's roar instantly attracted Kazuo Kawaguchi's attention. Kazuo Kawaguchi looked at Ge Yuhan coldly, with a bit of surprise in his eyes!

Because of this ancient turtle breathing method, few people can understand it now, but they don't want to be recognized by a little girl!

Kazuo Kawaguchi didn't know that there was a saint from thousands of years ago living in Ge Yuhan's body. Of course she knew all about the ancient methods.

"Damn, it turns out you are all turtle sons..."

Chen Ping roared and his body instantly rose from the ground!

The golden fist struck hard at the condensed turtle!

Seeing Chen Ping's direct attack, Watanabe Jun didn't panic at all. He used the turtle's breath to instantly form a seal with his palms to form a barrier in front of him!

"When the Turtle Breathing Technique is completed, none of you can even think of leaving here alive..."

Watanabe Jun had a faint sneer on his face!

Chen Ping's body was coming quickly, his golden fists were shining with light, and a golden dragon roared out of Chen Ping's body!

The barrier was broken through in an instant without any hindrance!

"how so?"

Watanabe Jun's expression changed, and he was full of surprise.

Even Kawaguchi Kazuo frowned!

“Hmph, let’s see how our sons of dragon teach you turtle sons...”

Chen Ping snorted coldly, and the breath that burst out from his body went straight to Watanabe Jun!

Jun Watanabe retreated violently, stepped on the turtle’s back with his feet, and murmured something unknown in his mouth. Then as the turtle breathed out, he lightly pawed with his fingers, and then a dazzling white light flashed up.

“Infinite Turtle Power...”

Watanabe Jun roared, and the dazzling white light was instantly thrown towards Chen Ping!

Chapter: 2729

When Chen Ping saw this, he dodged and wanted to hide away, but the white light turned into a big net in an instant, covering Chen Ping before he could react.

Chen Ping was trapped inside all of a sudden, and Watanabe Jun didn’t hesitate at all. With a wave of his hand, a blood-red samurai sword appeared in his hand!

Immediately afterwards, he slashed with a knife, heading directly towards the trapped Chen Ping!

In an instant, the earth trembled and the avenue buzzed. This sword almost caused a strange phenomenon in the world!

“Chen Ping...”

When everyone saw this, they couldn’t help but sweat for Chen Ping!

However, Chen Ping did not panic. He waved his right hand and the Dragon-Slaying Sword appeared. A dark light emitted from the Dragon-Slaying Sword!

When Chen Ping injected the power of the dragon into the Dragon-Slaying Sword, dragon roars resounded throughout the sky!

“break.....”

With a wave of the dragon-slaying sword in Chen Ping’s hand, the net that trapped him dissipated instantly!

Then the blade and sword energy collided directly, emitting a dazzling light!

Watanabe Jun looked at Chen Ping coldly: “I tell you, no one can escape from the Turtle Breathing Technique...”

But as soon as Watanabe Jun finished speaking, the light dissipated, but Chen Ping’s sword energy was not weak at all!

The collision just now failed to dissipate the sword energy swung by Chen Ping!

Watanabe Jun’s expression changed and his eyes widened: “How could this happen?”

As he spoke, Watanabe Jun retreated quickly, not forgetting to let the transformed turtle retreat with him!

brush!

The sword energy was so fast that Jun Watanabe had no time to step back. The sharp sword energy flashed across the turtle’s head in an instant!

Everyone saw that the turtle’s head was cut off directly, and then the whole body disappeared!

Watanabe Jun fell directly from mid-air to the ground, and his aura was a little weaker!

“good.....”

The people around him couldn't help but start applauding Chen Ping.

Kazuo Kawaguchi had a cold face, but he did not set his sights on Chen Ping, but stared at Ge Yuhan!

People who can know the Turtle Breath Dafa are definitely not ordinary people!

Chapter: 2730

Jun Watanabe's face was ugly, and he got up from the ground. A blood-red samurai sword appeared in his hand, and around the samurai sword, there were countless resentful spirits, which showed that Jun Watanabe had killed many people.

Blood-red light flashed, and Watanabe Jun's whole body turned red, as if he had been soaked in blood!

Countless death auras emerged from Watanabe Jun's body, just like the auras in a mountain of corpses and a sea of blood!

At this moment, the dragon-slaying sword in Chen Ping's hand was glowing with light, and there were constant buzzing sounds, as if a hungry beast had seen its prey!

The resentful spirits around Watanabe Jun's samurai sword seemed to feel the breath of the dragon-slaying sword. They all looked ferocious and seemed to be deliberately dodging!

When Jun Watanabe saw this, he frowned!

Before the battle, the weapon in his hand was weak!

“Burn your essence and blood, rejuvenate your bushido spirit...”

At this time, Kawaguchi Kazuo spoke slowly, his voice was low, as if it came from the ancient underground!

When Jun Watanabe heard this, he bit the tip of his tongue without hesitation, and then sprayed a mouthful of blood on the katana.

The blood-red samurai sword seemed to become excited after encountering blood, and the resentful spirits that were originally dodging began to roar like wild beasts!

“The resentful spirit attacks...”

Watanabe Shun let out a loud shout, and then swung the katana in his hand suddenly. A terrifying breath seemed to fall from the sky, and then the resentful spirits opened their bloody mouths and headed towards Chen Ping!

Chen Ping looked at those resentful spirits and smiled coldly: “Buddha’s light shines everywhere...”

The dragon-slaying sword in Chen Ping’s hand instantly emitted a burst of golden light, and the light soared into the sky!

Then, like the sun, it cast down rays of light, illuminating the entire earth!

Those originally ferocious resentful spirits, after being illuminated by this golden light, suddenly struggled in pain, and finally turned into a wisp of blue smoke and dissipated in the air!

The resentful spirit disappeared, but the golden light remained. The dazzling golden light shone on Jun Watanabe instantly. Jun Watanabe suddenly showed panic, followed by a painful struggle!

A black mist emitted from Watanabe Jun’s body, and then quickly disappeared. At this moment, Kawaguchi Kazuo’s body shook slightly!

When Chen Ping saw this scene, the corner of his mouth raised slightly: "It seems like this is indeed the case..."

Just now, Chen Ping felt that Jun Watanabe's aura suddenly surged, and he must be possessed by a soul, but he didn't expect that Kazuo Kawaguchi was still alive, but he could emit a ray of soul into other people's bodies!

Chen Ping had never seen this kind of technique before, and he couldn't help but become very interested in Kazuo Kawaguchi!

Jun Watanabe was soaked in cold sweat. Without Kazuo Kawaguchi's help, Jun Watanabe was already a lamb waiting to be slaughtered.

Chen Ping jumped up and then punched him down!
