

The Order 2731

Chapter: 2731

I saw that the space around Watanabe Jun was distorted by this punch, and Watanabe Jun's body was covered in blood, and it was terrible to see!

Chen Ping saw that Watanabe Jun was still alive, so he punched again!

Under this punch, it was impossible for Watanabe Shun to survive no matter what.

At this moment, Kazuo Kawaguchi waved his hand, and a huge force came, causing Chen Ping's body to retreat quickly. Even so, Chen Ping still felt the breath in his body rising continuously!

"what do you mean?"

Chen Ping asked, glaring at Kazuo Kawaguchi angrily.

"The victory has been decided, there is no need to kill anymore..."

Kazuo Kawaguchi spoke slowly.

"Hmph, he could just kill people at will, why can't I kill him?" Chen Ping's eyes narrowed: "If you are blocking me, then I will kill you all too!"

Kawaguchi Kazuo's face was filled with a sneer: "You are really loud. With all your abilities, you can still kill me? Even if you are all here, who can do anything to me?"

"Now that the outcome has been decided, I won't let you kill him."

Kazuo Kawaguchi's words made everyone feel very excited, but they also felt powerless. After all, Kazuo Kawaguchi's strength is indeed unpredictable!

“Mr. Kawaguchi, in our Daxia, all you have to do is abide by your duty, so that I can ensure your safety in Daxia. If you bully me, there is no one in Daxia, then don’t blame me for leaving you...”

At this time, Mr. Shi’s figure slowly appeared at the door, with a faint smile on his face!

“Mr. Shi...”

After Kazuo Kawaguchi saw Mr. Shi, his face instantly became a little ugly!

“Mr. Shi, let’s compare our skills. Now the winner has been decided. I just want to take my people and leave!”

Kazuo Kawaguchi said.

“Mr. Shi, as soon as this guy comes, he raises his hands to kill people. Is his life important and our lives not life?”

Chen Ping said to Mr. Shi.

Mr. Shi waved his hand to shut up Chen Ping, and then said to Kazuo Kawaguchi: “Sparring is a life and death battle. I remember that the Bushido spirit of your island country does not allow the loser to live?”

Mr. Shi’s words left Kazuo Kawaguchi speechless!

At this time, Jun Watanabe, who was already dying, suddenly got up and suddenly took out a dagger!

“The competition is not over yet...”

Chapter: 2732

After Watanabe Jun finished speaking, he stabbed his body with a knife!

Everyone was stunned when they saw this, thinking that this guy had failed and was going to disembowel himself!

I saw Jun Watanabe cut his chest, took it out casually, and took out the bright red heart that was still beating!

This scene scared many girls to scream and close their eyes!

I saw Watanabe Jun's heart begin to flash with a coquettish light, and then this light enveloped Watanabe Jun's whole body!

The wounds on Watanabe Jun are recovering at a speed visible to the naked eye!

In the end, Watanabe Jun's heart turned black and hung outside his body, and Watanabe Jun's body seemed to be put on a layer of black armor, which looked very disgusting!

Everyone looked at Jun Watanabe in shock, wondering what Jun Watanabe was doing.

Only Kazuo Kawaguchi stared at Jun Watanabe with shock in his eyes!

At this moment, Watanabe Jun knelt on the ground, inserted his hands into the soil, and muttered: "Supreme gods and demons, please give me strength, I am willing to dedicate everything I have..."

Chen Ping frowned slightly when he saw Watanabe Jun like that. He couldn't figure out what this guy was doing, but he could tell that the aura in Watanabe Jun's body was getting more and more terrifying.

"Gods and demons eat their hearts..."

"This is an ancient witchcraft unique to the island country. Chen Ping, you have to be careful."

“He is sacrificing his life and soul to obtain the power of gods and demons...”

“I didn’t expect that after thousands of years, there would still be people practicing such witchcraft.”

Ge Yuhan reminded Chen Ping loudly!

Ge Yuhan’s words instantly raised Chen Ping’s vigilance, and Kazuo Kawaguchi looked at Ge Yuhan with even more confusion!

Soon, Watanabe Jun’s prayer-like ceremony was completed, and Watanabe Jun’s body seemed to be filled with air, swelling by nearly one meter.

Especially the black heart on the chest, which is beating constantly, makes people look very chilly!

“Hmph, even if you become a real big devil, I will still kill you...”

After Chen Ping finished speaking, he put away his dragon-slaying sword and struck it with a golden light fist.

Watanabe Jun snorted, and his body instantly shot towards Chen Ping!

The fists of the two people collided instantly!

The moment his fists touched each other, Chen Ping felt a huge force coming. This force didn’t seem to come from the human body at all, but more like it radiated from the ground.

Chapter: 2733

Chen Ping’s body was instantly knocked out, and then hit the ground, making a deep hole in the ground!

When everyone saw this, they all took a breath, and Mr. Shi’s face also looked a little ugly!

No one thought that Jun Watanabe, who was about to die, could actually perform such terrifying witchcraft!

Seeing Mr. Shi's face, Kawaguchi Kazuo smiled faintly and said: "Mr. Shi, no one can survive the devouring of gods and demons. This is the oldest witchcraft of the Watanabe family. I just don't know why this Watanabe... Jun learned from it."

"You just said that this is a sparring match and a life and death battle. If Chen Ping is beaten to death in a while, you are not allowed to intervene, otherwise you won't blame me..."

Kazuo Kawaguchi had a bit of pride in his eyes.

"It's not yet certain who will live and who will die. Let's wait and see..."

Mr. Shi said calmly.

At this time, Chen Ping had slowly stood up and looked at Watanabe Jun in front of him, with a bit of excitement on his face.

"Today, I will use you to temper my body..."

After Chen Ping finished speaking, he shot directly towards Jun Watanabe!

Watanabe Jun didn't give up and rushed forward. The two of them didn't have any other fancy moves, they just faced each other head-on, punching to the flesh!

Chen Ping's body was knocked out several times, but soon Chen Ping would charge forward!

At this time, Chen Ping was like a weakling who couldn't be beaten to death!

Ten minutes later, Chen Ping became more and more courageous as he fought, and the power in Jun Watanabe's body began to drain away!

This time, Kazuo Kawaguchi's face became ugly. He didn't expect that Jun Watanabe used the oldest witchcraft of the Watanabe family and still couldn't kill Chen Ping!

Chen Ping's body was so powerful that Kazuo Kawaguchi himself began to doubt whether he could kill Chen Ping with one punch even if he took action.

"Okay, I won't play with you anymore..."

Chen Ping sneered, and then his body began to be surrounded by golden light, and then a golden dragon circled behind Chen Ping, making bursts of dragon roars.

After the golden dragon's blessing, Chen Ping's aura began to rise!

"Look at my indestructible golden body..."

Chen Ping's body began to glow with golden light, and then his whole body was covered with shining scales!

Soon, Chen Ping stood majestically in front of Jun Watanabe like a warrior riding a dragon!

Chen Ping's powerful body, coupled with the blessing of an indestructible golden body, instantly made Chen Ping reach an indestructible level!

Chapter: 2734

Kazuo Kawaguchi looked at Chen Ping with a look of surprise in his eyes!

But Jun Watanabe, relying on his divine and demon powers, was not afraid of Chen Ping at all, and punched Chen Ping!

Bang!

Watanabe Jun's punch hit Chen Ping firmly on the chest.

But this time, unlike before, Chen Ping's body didn't move at all!

Watanabe Jun's punch was like hitting a steel plate!

This time, Jun Watanabe's expression changed, and his eyes were filled with incredulity!

He dedicated his life and soul, and even lost the chance of reincarnation. In the end, he was not Chen Ping's opponent.

Just when Jun Watanabe was shocked, Chen Ping punched Jun Watanabe.

Watanabe Jun's body was thrown high into the air by a punch, and then fell to the ground!

Chen Ping's body also jumped up.

Then he stepped on Jun Watanabe, and Jun Watanabe's body was directly stepped into the ground several meters deep by Chen Ping!

Watanabe Jun no longer has the strength to fight back!

Soon, Watanabe Jun's body was slowly wrapped in a black energy. When the black energy dissipated, Watanabe Jun's body disappeared, not even a trace of residue was left!

"Mr. Chen is awesome..."

“Well done, Mr. Chen!”

“Chen Ping, you are awesome, I love you...”

Watanabe Jun died, and everyone was cheering for Chen Ping!

Not to mention how ugly Kawaguchi Kazuo’s face was.

“Mr. Kawaguchi, I said it’s not certain who lives and who dies, but the witchcraft of your island country is really rubbish.”

Mr. Shi smiled lightly at Kawaguchi Kazuo.

Kazuo Kawaguchi’s face was cold, he waved his hand and said: “Mr. Shi, farewell...”

After finishing speaking, Kawaguchi Kazuo did not forget to glance at Ge Yuhan. He wanted to remember the little girl in front of him.

Kazuo Kawaguchi left, and Mr. Shi did not stay. The reason why he came here was to prevent Kazuo Kawaguchi from taking action.

Chapter: 2735

If Kawaguchi Kazuo takes action, Chen Ping will definitely be no match!

Chen Ping beheaded Jun Watanabe. This battle made those who originally wanted to step on Chen Ping’s throne hesitate!

Originally, they wanted to take advantage of today to compete with Chen Ping, but after seeing Chen Ping’s true strength, these people were all unsure!

Especially Zhu Hao, when he saw Chen Ping, he didn’t dare to look directly at him. He always felt embarrassed!

On that day, the news that Chen Ping had killed the island warrior instantly spread on martial arts forums. In addition to the sect founded by Chen Ping, Mr. Shi personally came to congratulate him!

This has brought Chen Ping's status to an unprecedented height, and many people want to join Longmen!

In just a few days, the development of the entire Longmen has rapidly surpassed other sect families.

This kind of development momentum is definitely the first in the entire martial arts world!

In addition to Chen Ping's personal star effect, there is another more important reason, which is that Chen Ping plans to release resources, select talented people, and train them to become Wuhou masters!

The Dragon Gate is getting bigger and bigger, and Chen Ping knows that it is useless to rely solely on his own strength. Only the overall strength of the Dragon Gate can be improved!

On this day, Chen Ping called Long Xingxu in front of him.

"Xingxu, how is the recent development of Longmen?"

Chen Ping asked calmly.

"Brother Chen Ping, there are thousands of Longmen disciples now. In the entire Kyoto martial arts world, no sect family can surpass us."

Long Xingxu said with an excited expression.

"Although there are many people, how strong are they? Have you picked out the people I asked you to choose?"

Chen Ping asked.

“Strengths vary. The highest one is only the Great Wuzong. There is no one in the Wuhou realm. The candidates you asked me to choose have already been selected.”

Long Xingxu replied.

Chen Ping thought about it and it was right. Wherever the realm of Wuhou is placed, there is an overlord. Who will join their sect and become a disciple who is controlled by others.

Moreover, Longmen has just been established and there is no future in sight, so it is understandable that no powerful people have defected to it.

“Please explain everything about Longmen properly. I will take you to a place in a while. I hope that when you come back, you can reach the peak of Wuhou.”

Chen Ping patted Long Xingxu’s shoulder and said.

When Long Xingxu heard this, he was extremely excited: “Brother Chen Ping, I will make arrangements right away, don’t worry!”

Chapter: 2736

Long Xingxu left happily. You must know that the peak of Wuhou was a state that Long Xingxu could not even imagine!

After Long Xingxu left, Gu Ling’er entered Chen Ping’s room!

Seeing that Gu Ling’er was coming, Chen Ping waved and asked Gu Ling’er to sit in his arms.

“Didn’t you go shopping with Xiaoru and the others today?”

Chen Ping asked.

“Xiao Min is here. I want to invite you to sit in the Red Lotus Palace. We will go with you!”

Gu Linger smiled slightly.

“Red Lotus Palace? Is it too far?”

Chen Ping frowned slightly.

In fact, he also wanted to go, but it was too far!

“Why is it so far away? Ji Ruxue has already moved the Red Lotus Palace to Kyoto, right in the valley on the outskirts.”

Gu Linger said.

When Chen Ping heard this, he immediately remembered that Xiao Min had told him that Ji Ruxue was going to move the Red Lotus Palace to Kyoto.

I didn't expect to act so quickly.

“Okay, let's go over and take a look!”

Chen Ping knew that Ji Ruxue moved the Red Lotus Palace here for her, so he wanted to go over and see if Ji Ruxue needed help.

When Chen Ping followed Gu Ling'er out, he found that Ge Yuhan, Xiaoru and the others were also there, and they might want to go to the Red Lotus Palace together!

The group of people followed Xiao Min towards the Red Lotus Palace!

Ji Ruxue chose Honglian Palace to be located some distance away from Kyoto. It was located in a remote place. Although it was a little inconvenient, it could still be a relaxing place!

After all, the Red Lotus Palace is full of women, so it will inevitably attract prying eyes from some people!

After arriving at the place, Chen Ping discovered that the conditions in the place chosen by Honglian Palace were really difficult, and some of the living facilities were not very complete!

Moreover, there are obviously fewer people in Honglian Palace, and many people are busy!

“Xiao Min, why do you still have so few people in Honglian Palace?”

Chen Ping asked in surprise.

Chapter: 2737

“A lot of people didn’t want to leave, so only these people came...”

Xiao Min explained!

There was an indescribable feeling on Chen Ping’s face. She knew that Ji Ruxue did all this for him.

But what can he give Ji Ruxue?

When Chen Ping saw Ji Ruxue, he found that Ji Ruxue’s face looked a little tired. After all, a major event like relocation is very labor-intensive.

“You are here, please take a seat...”

But after meeting Chen Ping and the others, Ji Ruxue was still smiling!

“Sister Ruxue, you are quite old. Why don’t you tell us if something happens? We can help you!”

When Gu Ling’er saw Ji Ruxue like that, she stepped forward and said.

“Sister Ling’er, I can handle this little thing myself. If this doesn’t hold firm, I’ll ask Xiao Min to invite you!”

Ji Ruxue smiled lightly.

“Well, we will also live here in the future, with you, and we can help each other if anything happens...”

Gu Linger nodded.

This made Chen Ping a little confused, and he looked at Gu Ling’er with a surprised look on his face: “You also plan to live in the Red Lotus Palace?”

“Yes, we have agreed a long time ago that when sister Ruxue moves here, we will all move in together. It is convenient for all girls here!”

Gu Linger nodded!

“You all live here?”

Chen Ping still asked in disbelief.

“Nonsense, since we are here, of course we will all live here. This is not just for your convenience. You can see us all once you come...”

Xiaolan said with a wink at Chen Ping.

“If you look at it this way, wouldn’t this Honglian Palace become Brother Chen Ping’s harem? By then, Brother Chen Ping will be treated like an emperor.”

Xiaoru chuckled.

Chen Ping suddenly blushed and looked very embarrassed!

When the girls saw this, they all laughed, and the vicissitudes of life on Ji Ruxue’s face were wiped away!

Chapter: 2738

Chen Ping did not stay in Honglian Palace for long. After returning, he immediately arranged for Long Xingxu to send people to Honglian Palace to help with its construction!

And the Red Lotus Palace immediately announced that it would be merged into Longmen.

In this way, Honglian Palace has really become Chen Ping’s harem!

While Chen Ping was vigorously developing Longmen, within the Martial Arts Alliance, Ning Zhi was being soaked in a large pool full of black water!

At this time, Ning Zhi had a ferocious look on his face, as if he was in great pain!

Black mist kept coming out of Ning Zhi’s body, and the water in the pool was boiling. Ning Zhi gritted his teeth, and the veins on his forehead popped out!

“As long as you persist for seventy-seven forty-nine days, your physical body will be able to be successfully tempered. The reason why you can’t defeat Chen Ping is because Chen Ping’s physical body is too strong. You also need to temper your own physical body!”

“The great power can bring out the rotten bone liquid to temper your body, which shows that the great power attaches great importance to you...”

The soul in Ning Zhi said.

“Senior, don’t worry, I will definitely persevere...”

Ning Zhi gritted his teeth, then shouted angrily, and the black water in the pool boiled even more!

.....

In Daxia, on an extremely desolate road, a black car was driving rapidly!

Sitting in the car was Kazuo Kawaguchi and two other envoys!

Originally, by this time, they had already boarded the plane back home.

Watanabe Jun was beaten to death by Chen Ping, so there was no need for the envoys to stay around.

But after a few people bought their tickets, a golden cicada escaped from its shell and did not return to the country.

“Kawaguchi-sama, where are we going?”

At this time, a messenger asked.

“Driving, don’t ask random questions...”

Kazuo Kawaguchi closed his eyes slightly and said calmly.

The messenger did not dare to speak, but kept driving. When he reached a deserted place with no roads, the car stopped!

Kazuo Kawaguchi got out of the car and looked at the majestic mountains and the endless virgin jungle, with a faint smile on his face!

“It’s been more than twenty years, I never thought I would have the chance to come back...”

Chapter: 2739

After saying that, Kazuo Kawaguchi plunged into the primeval forest, with the two envoys following closely behind him!

After Kawaguchi Kazuo and the others had been walking for more than half an hour, they suddenly stopped. Then he waved his palms, and two figures appeared directly in front of the empty eyes. The two figures quickly threw out the weapons in their hands. Kazuo Benkawaguchi!

However, the weapon was easily caught by Kazuo Kawaguchi and then dropped to the ground.

The two figures were stunned when they saw this, and after looking at each other, they disappeared out of thin air!

But Kazuo Kawaguchi waved his hand again, and those two figures appeared again!

“A bunch of pig-like idiots, the checkpoints haven’t changed in twenty years...”

Kazuo Kawaguchi said with an angry look.

As soon as the two figures heard this, their figures became more and more obvious. Two samurai wearing black samurai uniforms and holding katana swords were looking at Kazuo Kawaguchi and the others in confusion.

When the two envoys behind Kazuo Kawaguchi saw this, their eyes widened. They did not expect that there would be samurai from their island country appearing on Daxia's territory!

"Who are you?"

one of the warriors asked.

"Let Ono Jiro come to see me, this idiot..."

Kazuo Kawaguchi said with a cold expression.

When the two warriors heard this, they all looked surprised, then one of them turned around and ran away quickly!

Soon, the samurai hurried over with a middle-aged man!

When the middle-aged man saw Kazuo Kawaguchi, he was shocked and hurriedly stepped forward and said: "Welcome Mr. Kawaguchi. I wonder why Mr. Kawaguchi is here suddenly?"

"Is there any new order from headquarters?"

Kazuo Kawaguchi looked at Ono Jiro in front of him, stepped forward and slapped him twice!

Ono Jiro didn't dare to say anything, he could only keep having fun!

"You're a pig-like idiot, but the checkpoints don't change, and you even send this kind of garbage to guard them. Did your brain get caught in the door?"

Kazuo Kawaguchi cursed!

“Kawaguchi-sama, our place has never been exposed in these years, and no one has ever been here...”

Ono Jiro explained.

“Idiot, can you let your guard down when you have never been exposed?”

Chapter: 2740

Kazuo Kawaguchi slapped him again!

Ono Jiro’s face turned red after being beaten and he didn’t dare to speak anymore!

Soon, Kazuo Kawaguchi and the others were taken into a cave. The cave was extremely wide and had all the living facilities inside.

All the people living inside are island warriors, and they all have a good atmosphere!

This made the two envoys look stunned.

“You all stand down!”

Kazuo Kawaguchi waved his hand, and everyone retreated. Only Jiro Ono remained in the room!

“Kawaguchi-sama, is there an order from the headquarters? We have been living in seclusion here for so many years, and we are all exhausted...”

After everyone went out, Ono Jiro said hurriedly.

“There is no order. I just came here to inspect and see if you are slacking off. As a nail planted in Daxia, you must always be vigilant!”

Kazuo Kawaguchi lectured.

“Hey, Kawaguchi-sama taught you the right lesson!”

Ono Jiro said.

“In a few days, I will bring a woman over. You have to keep an eye on me.”

Kazuo Kawaguchi said.

“Women?” Ono Jiro was stunned: “Kawaguchi-sama, our rules here do not allow women or people from Daxia to enter.”

“I know this rule, but this woman is very important to us. I can’t bring her back to the island country. I can only bring her here for research!”

Kazuo Kawaguchi narrowed his eyes slightly and said!

“What kind of woman is it that makes Lord Kawaguchi so attracted to her?”

Ono Jiro asked curiously.

“Baga...” Kawaguchi Kazuo frowned: “You are not qualified to ask these things.”

“Understood!” Ono Jiro nodded repeatedly!

Kazuo Kawaguchi only stayed in that secret base for one day and left quickly!

But this time, he was the only one left!
