

The Order 2741

Chapter: 2741

.....

Kyoto, Longmen!

There were more than a dozen people standing on the square. The strength of these people varied, but all of them were energetic and full of energy!

“Brother Chen Ping, according to your request, only these people will be selected for the time being.”

Long Xingxu said to Chen Ping!

Chen Ping nodded slightly: “Soldiers are more valuable than more. Have you clearly explained what you need to explain?”

“Everything has been explained!” Long Xingxu said.

“Okay, then let’s set off now. When we return, I hope you can reach the peak of Wuhou...”

Chen Ping patted Long Xingxu on the shoulder.

“Brother Chen Ping, where is it that can make people practice so quickly?”

Long Xingxu asked curiously.

“You’ll find out when you go.”

Chen Ping smiled lightly!

Soon, Chen Ping led these people straight to Penglai Island. There is also the stone statue of the Blood Demon on Penglai Island, which contains infinite spiritual power. If it is absorbed, everyone's cultivation speed will definitely speed up!

Chen Ping decided to let these talented people enter the world of immortality. Although the spiritual energy of heaven and earth was exhausted and suppressed the immortals, Chen Ping himself was not suppressed by the secular world at all, so he planned to use his bloodline to let these people enter the world of immortality, this way they will not be suppressed by the secular world!

In the not-too-distant future, if spiritual energy is revived, the gods and demons will reappear, and the martial arts world will begin to fall into despair. If Chen Ping wants to gain the upper hand, he must start at this time!

This is why Chen Ping asked Long Xingxu to challenge talented people and bring everyone in Longmen into the world of immortality on a large scale. That was impossible. Chen Ping didn't have that ability.

When Chen Ping led everyone to Penglai Island, everyone felt so novel!

"Brother Chen Ping, is this Penglai Island? It's like a fairyland..."

Long Xingxu also sighed.

And when Du Nan knew that Chen Ping had arrived, he immediately led people to greet him, welcomed Chen Ping into the palace, and sat on the throne!

"Du Nan, has the stone statue moved during this period?"

Chen Ping asked Du Nan.

"Back to Mr. Chen, there is no movement on the stone statue. It's just that every night, a lot of dewdrops will condense on the stone statue. I don't know why!"

Chapter: 2742

Du Nan replied.

“Dew is condensing late at night? Is it related to the humid weather?”

Chen Ping frowned slightly.

“No, the weather has been like this before, but this has never happened on the stone statue!”

Du Nan shook his head and said.

“This is strange. Take me to see it late at night!”

Chen Ping wanted to go and see what was going on. After he finished speaking, he said to Long Xingxu and the others: “You all go to rest. Get familiar with the environment in the past few days. I will teach you in a few days.” New technique!”

Long Xingxu took the people away, but Chen Ping did not rest. Instead, he used his own blood to start refining the elixir. As long as these people take this elixir, they will not be restricted by the secular world!

It wasn't until midnight that Du Nan found Chen Ping, and then the two of them walked towards the back of the palace!

The forbidden area behind the palace is still in ruins, maintaining its original appearance. Chen Ping looked at the scenes in front of him and remembered the scene of the battle again!

The stone statue lay on the ground, no longer as majestic as it was at the beginning.

Soon, midnight arrived, and I saw a hazy light emitting from the stone statue, and then I saw drops of crystal dew emerging from the body of the stone statue!

Chen Ping stepped forward and touched it gently with his hand. The dewdrops were instantly absorbed by Chen Ping, and a refreshing feeling came over him, making Chen Ping feel very comfortable!

“These dewdrops contain a lot of spiritual energy. Don’t waste it. Send someone to collect it!”

Chen Ping ordered to Du Nan.

Although Chen Ping doesn’t know why this stone statue is like this, it is a fact that these dewdrops contain a lot of spiritual energy!

In the next few days, Long Xingxu led the people to get familiar with the environment of Penglai Island, which also allowed everyone to relax!

Chen Ping, on the other hand, is working hard to refine the elixir!

Finally, the blood-red elixirs were refined one after another. These are all elixirs with Chen Ping’s bloodline!

Chen Ping summoned Long Xingxu and the others, and then ordered people to take these pills!

Looking at the blood-red pills and the nauseating smell of blood is really hard to swallow!

However, no one dared to disobey Chen Ping’s orders and swallowed them all!

After the elixir entered the body, everyone felt a warm current flowing through the body. The meridians and even the blood seemed to be changing!

Immediately afterwards, Chen Ping’s consciousness instantly covered everyone’s consciousness, and a series of skills were introduced into the minds of these people!

Chapter: 2743

“From now on, you must forget your previous cultivation techniques and concentrate on practicing new ones. If you have any difficulties along the way, you can always ask me!”

Chen Ping said to the people in front of him.

“As you command!”

These people all looked excited, and then started to practice under Chen Ping’s arrangement!

While these people were practicing, Chen Ping was not idle either. He stayed in front of the stone statue all day long, absorbing the spiritual power in the stone statue!

Moreover, the stone statue would emit spiritual energy every night and condense into dewdrops, and Chen Ping asked Du Nan to collect these dewdrops and send them to Long Xingxu and the others!

In this way, these people spend every day on Penglai Island!

On the other side of Kyoto, even without Chen Ping, the entire martial arts world was peaceful, and no one dared to cause trouble for Longmen!

Gu Ling’er and the others lived very comfortably in Honglian Palace.

A group of girls are together, talking and laughing, very happy!

These people especially like to hear Ge Yuhan talk about some weird things in the past.

But they didn’t know that what Ge Yuhan said was personal experience, not what they heard!

At noon, several girls gathered together for dinner again!

“Why haven’t you seen Sister Yuhan today? I’m still waiting for her to talk about the immortal’s ascension...”

Xiaoru looked over and found that Ge Yuhan was not there, so she asked.

“Maybe something happened. We won’t wait for her. I always feel that Sister Yuhan is mysterious sometimes.”

Gu Linger said.

Everyone didn’t care and started eating!

Unexpectedly, at this time, Ge Yuhan was already in a car speeding away from Kyoto!

Ge Yuhan’s eyes were closed tightly, and his face was very ugly!

And the driver was Kazuo Nakawaguchi!

At midnight, Kazuo Kawaguchi stopped the car, and then took Ge Yuhan and walked towards the dense forest!

At this time, Ge Yuhan was awake and looking at Kazuo Kawaguchi in front of him, he was not panicked!

Kazuo Kawaguchi took Ge Yuhan to the secret base, and then he breathed a sigh of relief!

Chapter: 2744

When Onojiro saw Kawaguchi coming back, he quickly asked: “Kawaguchi-sama, where will this woman be locked up?”

“Damn, this woman is very powerful, put her in a Class A cell!”

Kazuo Kawaguchi said.

Ono Jiro nodded, and then sent someone to take Ge Yuhan away!

Kazuo Kawaguchi took off his shirt, and a shocking wound appeared on his shoulder!

Looking at the wounds on his body, Kazuo Kawaguchi had a stern look in his eyes.

After briefly treating the wound, Kawaguchi Kazuo walked towards the cell, then waved his hand towards Ono Jiro and said: “You all get out, I have something to say to the little girl!”

Kazuo Kawaguchi walked to the cell. The cell was wrapped in a formation that could suppress the strength of the people locked inside!

But facing Kazuo Kawaguchi, Ge Yuhan didn't panic at all!

“Who are you? Why do you know the secrets and witchcraft from thousands of years ago? Are you reborn through reincarnation, or are you possessed by a soul?”

Kazuo Kawaguchi asked Ge Yuhan.

Ge Yuhan showed a trace of disdain: “I won't tell you my identity. If you have the ability, investigate it yourself!”

Kazuo Kawaguchi's eyes narrowed slightly, and a ray of consciousness instantly enveloped Ge Yuhan's body!

But just when this spiritual consciousness entered Ge Yuhan's body, it was cut off instantly by a force in Ge Yuhan's body!

Kazuo Kawaguchi was startled and retreated quickly: "You... your strength has not been suppressed?"

Ge Yuhan raised the corner of her mouth and said: "You are just an ant in my eyes with your little tricks..."

What is inside Ge Yuhan's body is the soul of the saint from Guanghan Palace thousands of years ago. It's a joke that Kazuo Kawaguchi wants to put his spiritual consciousness into Ge Yuhan's body!

If it were not suppressed by the power of heaven and earth, the saint's strength could only be exerted to half, how could she be caught by Kazuo Kawaguchi!

But Ge Yuhan is not afraid. Even if Kazuo Kawaguchi catches her, it will not be that easy to kill her!

Kazuo Kawaguchi stared at Ge Yuhan, and finally turned around helplessly and walked out!

"Keep an eye on her, don't let her run away, and no one is allowed to touch her, otherwise you will suffer a bitter fruit."

Kawaguchi Kazuo warned Onojiro.

He planned to go back and invite the soul-searching master to come over. From the just contact, Kawaguchi Kazuo knew that there must be a very powerful soul living in Ge Yuhan's body.

And this soul has probably existed for thousands of years. He has no way to surrender such a powerful soul, so he can only go back and ask for help!

Chapter: 2745

Soon, Kazuo Kawaguchi and his people left Daxia and returned to the island country!

.....

Ge Yuhan's disappearance made Gu Ling'er and Ji Ruxue anxious.

It has been many days, but Ge Yuhan is still nowhere to be found!

After learning that Ge Yuhan was missing, the entire Longmen was searching for her, including the Ge family, who also tried their best to find her!

It's just that no one knows Ge Yuhan's true identity, and there's no way to start!

Ge Fuhai knew it, but he couldn't tell it, let alone report it to the clan elders!

It seems that this matter can only be handled by Chen Ping!

At this time, Chen Ping was rapidly absorbing the spiritual power in the stone statue!

Chen Ping didn't know why, but the resistance in the stone statue had completely disappeared. Now the stone statue has become a resource for Chen Ping and the Longmen disciples!

In just ten days, Chen Ping's strength directly entered the realm of a third-grade Great Wuhou. However, no matter how much Chen Ping practiced, he could not feel the improvement in strength!

"It seems that the spiritual power in this stone statue is not enough to support cultivation..."

Chen Ping slowly opened his eyes.

When he saw the stone statue in front of him, he was a little shocked. He saw that the stone statue was covered with dense cracks, as if it was about to collapse at any time.

“It seems that this stone statue can’t hold on for long. I wonder if it can support them until they break through the realm of Wuhou...”

Chen Ping got up and walked out of the forbidden area!

“Mr. Chen...”

Seeing Chen Ping walking out of the forbidden area, Du Nan quickly stepped forward respectfully!

“How are other people practicing? Will there still be dew on the stone statue every night?”

Chen Ping asked Du Nan.

“Everyone else is practicing steadily, and the dewdrops produced by the stone statues have increased significantly in recent days...”

Du Nan replied.

Chen Ping nodded, and then checked the cultivation of Long Xingxu and the others. Chen Ping was quite satisfied with the progress of these people’s cultivation.

But just when Chen Ping walked out of the palace and was about to walk around, his mind suddenly trembled and his brows instantly wrinkled!

Chapter: 2746

“broken.....”

Chen Ping secretly screamed, and after explaining a few words to Du Nan, he immediately rushed back to Kyoto!

There is a certain connection between Ge Yuhan and Chen Ping. When he was in the Ge family, Ge Cangsheng asked Chen Ping to plant a spiritual consciousness in Ge Yuhan's body in order to let Ge Yuhan follow Chen Ping all the time!

Although Ge Yuhan has the soul of the saint in her body and no longer has to follow Chen Ping closely, the spiritual consciousness is still connected with Chen Ping!

Now that Ge Yuhan was imprisoned, Chen Ping felt it instantly after he came out.

After returning to Kyoto and seeing Chen Ping, Gu Ling'er and the others immediately surrounded him.

A group of girls chattered after Chen Ping!

"Okay, no need to say anything else, I know everything!"

Chen Ping waved his hand, then left the Red Lotus Palace and went to the Ge family!

He wanted Ge Fuhai to ask clearly. Gu Ling'er and a group of women couldn't explain some things clearly!

At this time, Ge Fuhai was already like an ant on a hot pot. He knew Ge Yuhan's identity. If there were any shortcomings, he couldn't explain it!

"Dad, Chen Ping is here..."

Just when Ge Fuhai looked anxious, Ge Jiayi opened the door and said to Ge Fuhai.

As soon as he heard that Chen Ping was coming, Ge Fuhai quickly ran out of the door to greet him!

"Mr. Chen, you are back, Ge..."

Before Ge Fuhai could finish speaking, Chen Ping waved his hand and said, "I understand, come in and chat!"

Ge Fuhai nodded, and then said to Ge Jiayi: "Jiayi, send someone to guard the door, no one is allowed in!"

After saying that, Ge Fuhai followed Chen Ping into the room and then closed the door.

Afraid of being unsafe, Ge Fuhai waved his palm and cast a space spell that instantly enveloped the two people!

"Master Ge, what happened to Ge Yuhan? How could such a big person suddenly disappear? And she is not weak. Logically speaking, no one can attack her, but I feel that she is in danger."

Chen Ping asked Ge Fuhai.

"Mr. Chen, I don't know either. I only learned that the eldest lady was missing after being notified by Miss Ling'er. I don't know how to explain it to the clan elders."

Ge Fuhai looked frustrated.

"Master Ge, don't worry. Ge Yuhan's life is not in danger now. I can feel that she is being controlled, but I can't sense the exact location."

Chapter: 2747

"Is there any way for the Ge family to know where Ge Yuhan is now so that we can rescue her!"

Chen Ping came to Ge Fuhai because he wanted to know the location of Ge Yuhan!

Although Chen Ping left a spiritual consciousness on Ge Yuhan's body, he couldn't sense Ge Yuhan's position!

"This...I don't know this either. Even if there is a way, only the clan elders know."

Ge Fuhai said.

"Then take me to the secret realm right away and ask the elder of the Ge clan. We can't waste any more time."

Chen Ping was afraid that Ge Yuhan's life would be in danger the longer time went on!

You must know that if Ge Yuhan is in danger, not only Ge Yuhan's life will be lost, but the soul of the saint in her body will also die.

The saint's soul was already very weak. Without the protection of her physical body, she would definitely not be able to survive the suppression of the power of heaven and earth.

"good!"

Ge Fuhai directly activated the space spell and disappeared instantly with Chen Ping!

When the two people arrived at the Ge family's land, they found Ge Cangsheng chatting with an old man!

Ge Cangsheng knew that Chen Ping was coming, and hurriedly got up and went out to greet him, which shocked the old man.

The dignified elder of the Ge family went out to welcome guests. Even if he came, he had never received such treatment!

With doubts, the old man also followed out!

“Mr. Chen.....”

Ge Cangsheng stepped forward quickly and respectfully shouted after Chen Ping!

“Elder Ge clan, I have something to ask you, so I took the liberty to come here!”

Chen Ping said.

“If anything happens to Mr. Chen, let us tell you inside!”

Ge Cangsheng hurriedly invited Chen Ping into the room!

And when the old man saw that Ge Cangsheng went out to greet a young man, he couldn't help but look surprised!

“Lao Ge, who is this person? How could he be so respectful to you?”

The old man asked Ge Cangsheng.

Chapter: 2748

“This is Mr. Chen Pingchen.” After Ge Cangsheng finished speaking, he said to Chen Ping: “Mr. Chen, this is Jiang Wuya, the owner of Tianluo Tower.”

“Hello, Mr. Jiang!”

Chen Ping nodded towards Jiang Wuya.

Jiang Wuya looked at Chen Ping with shock, and then said excitedly: “Are you the one who founded Longmen, followed the martial arts alliance to fight, and killed the Watanabe family in the island country?”

Chen Ping was stunned, with a face full of surprise. He didn’t understand how Jiang Wuya knew so much about his situation when he was in a secret realm!

“Mr. Chen, the family that represents Tianluo Tower in the secular world is the Jiang family, so Jiang Wei is from Tianluo Tower!”

At this time, Ge Fuhai stepped forward and explained to Chen Ping!

When Chen Ping heard this, he suddenly realized that it was Jiang Wei who said everything.

And it seems that the Ge family has a good relationship with Tianluo Tower. No wonder when Jiang Wei met him for the first time, he was not as full of hostility as others!

“What Jiang Louzhu said is not worth mentioning...”

Chen Ping smiled slightly.

“You are really young and promising, you are young and promising...”

Jiang Wuya’s eyes were full of envy!

“Thank you very much, Master Jiang. I have something to ask Elder Ge Clan, I’m sorry!”

Chen Ping said apologetically.

“You guys talk, you guys talk...”

Jiang Wuya walked aside very wisely!

Ge Cangsheng waved his hand lightly, and a closed space appeared. Then he said to Chen Ping: “Mr. Chen, why are you so anxious to see me?”

Chen Ping directly told Ge Cangsheng about Ge Yuhan’s disappearance, and even told Ge Yuhan that he was possessed by the spirit of the saint. After all, it was always wrong to hide this matter from Ge Cangsheng.

When Ge Cangsheng heard that Ge Yuhan was missing, he was immediately worried. As for being possessed by the soul of the saint, it was nothing. When Ge Yuhan’s soul returned to its place, the soul of the saint in her body would just leave!

“Elder Ge Clan, is there any way you can locate Ge Yuhan’s exact location so that I can rescue her...”

Chen Ping came to Ge Cangsheng just to know Ge Yuhan’s location.

Ge Cangsheng frowned: “It is too difficult for us to locate Yuhan’s location, but if there are spell masters, it will not be difficult. They only need to draw the tracking charm and sense the opponent’s breath. Find someone!”

“It’s just that the magic of spells has long since declined, and there are even fewer people who know it. I don’t know where to find a spell master!”

Chapter: 2749

When Chen Ping heard what Ge Cangsheng said, his eyes suddenly lit up and he said, “By the way, I know who can draw the tracking charm.”

Chen Ping immediately thought of Hu Mazi. When Zhu Zhishan was tracking Chen Ping, he asked Hu Mazi to draw the tracking charm. This made Chen Ping unable to escape Zhu Zhishan’s pursuit no matter how he escaped. !

Thinking of this, Chen Ping became a little excited and wanted to leave anxiously to find Hu Mazi!

Seeing Chen Ping's furious look, Jiang Wuya immediately stepped forward and said: "Brother Chen Ping, are you in trouble? If you encounter trouble, I can ask the Jiang family to help. We are all our own, so you don't have to be polite.!"

Jiang Wuya showed a strong interest in Chen Ping, and it seemed that he wanted to win over Chen Ping!

"Thank you, Lord Jiang, for your kindness. It's a private matter. If necessary, I will go to the Jiang family."

Chen Ping said gratefully.

"Okay, I will send someone to inform the Jiang family. As long as you speak, they must obey!"

Jiang Wuya smiled.

After Chen Ping said goodbye to Jiang Wuya and Ge Cangsheng, he followed Ge Fuhai back to Kyoto, while Chen Ping rushed towards Baihai City non-stop.

It is estimated that Hu Mazi is still in Wenrou Township now.

When Chen Ping rushed to Shen's house, Hu Mazi was indeed surrounded by two beauties, and Hu Mazi looked a little unhappy!

Chen Ping could tell at a glance that this was caused by excessive indulgence!

"Chen Ping, why are you here?"

Seeing Chen Ping, Hu Mazi waved the two beauties away and asked in surprise.

“If I don’t come, you will probably die in Wenrou Township. Look at you now, you have no energy at all!”

Chen Ping glanced at Hu Mazi helplessly and said.

Hu Mazi chuckled and said, “You don’t understand, I am also practicing...”

“You came here suddenly. Do you have something to do with me?”

Hu Mazi stood up and stretched his muscles and said.

“I want you to spend some tracking charms on me...”

Chen Ping said.

“Damn, tracking charms cost a lot of mana. Who are you trying to track?”

Hu Mazi asked.

Chapter: 2750

“Ge Yuhan, she is missing...”

Chen Ping replied.

“What? That girl can still go missing? Is she lost? After all, things were different thousands of years ago and now.”

Hu Mazi knew that there was a soul inside Ge Yuhan that had lived for thousands of years!

“No, I can feel that she is locked up and in danger, but I can’t find her exact location.”

Chen Ping said with a serious face!

Seeing how serious Chen Ping was, Hu Mazi also put away his smile, frowned slightly and said, "That girl is very powerful. Anyone who can capture her is definitely not an ordinary person. Do you have anything with her aura?"

In order for Hu Mazi to draw a tracking charm, he must have the breath of the other party's body, otherwise how would he track it!

"I brought..."

With that said, Chen Ping took out Ge Yuhan's underwear.

When Hu Mazi saw it, he was stunned. He swallowed and said, "Damn, you took these things deliberately to prevent me from drawing the talisman with peace of mind, right?"

"I...I just feel that her breath is the strongest on these clothes!"

Chen Ping didn't think much about it at the time. He went to Honglian Palace and picked up Ge Yuhan's personal clothes.

"Okay, give me the stuff!"

Hu Mazi took the clothes and put them on the table. Then he took out a yellow talisman and muttered something!

Suddenly, the yellow talisman burst into flames, and then Ge Yuhan's clothes also burned, with bursts of green smoke rising!

As the runes burned into ashes, Hu Mazi frowned tightly: "Why is it so far away?"

“What? Do you know where Ge Yuhan is?”

Chen Ping asked.

Hu Mazi nodded: “Yes, come with me...”

After saying that, Hu Mazi’s figure disappeared in a flash, and Chen Ping followed closely!

The two of them each used their own spells and moved forward quickly!

Every time a certain distance passes, Hu Mazi will take out a tracking charm and burn it to determine Ge Yuhan’s accurate position!

Soon Chen Ping followed Hu Mazi to the inaccessible jungle.
