

The Order 2751

Chapter: 2751

“Master Hu, you are not wrong, are you? How could someone be caught here?”

Chen Ping looked at the uninhabited jungle around him and felt a little incredible!

“Don’t worry, I’m not wrong. Do you still doubt me?”

Hu Mazi glanced at Chen Ping.

“No... no doubt...”

Chen Ping smiled awkwardly, and then the two of them entered the jungle!

Chen Ping followed Hu Mazi for more than half an hour. Chen Ping suddenly stopped and directly grabbed Hu Mazi!

“What’s wrong?”

Hu Mazi turned around and asked.

Chen Ping made a silent movement to signal Hu Mazi to stop talking, and then a stream of spiritual consciousness slowly spread out!

Soon, Chen Ping discovered that in the jungle in front, there were two people who had directly integrated themselves into the jungle. It would be difficult to find them without using their spiritual sense to detect them!

“Ninja?”

Chen Ping frowned slightly.

He didn't expect that two ninjas from the island country would suddenly appear in a place like this?

Moreover, these two people's ninjutsu is very powerful. If Chen Ping hadn't noticed a hint of aura in advance, he might have been deceived by these two people.

Chen Ping winked at Hu Mazi, and then the two of them pretended not to know anything and started to move forward!

When the two ninjas saw Chen Ping and Hu Mazi, they were all surprised because few people came to their place.

The two ninjas looked at each other, then they flashed and suddenly appeared behind Chen Ping and Hu Mazi, and then two samurai daggers were placed on the necks of Chen Ping and Hu Mazi!

"You two, what are you doing?"

A ninja asked Chen Ping and Hu Mazi.

The two of them had been mentally prepared for a long time. Chen Ping reached out and grabbed the dagger directly. With a slight force, the dagger broke directly!

The ninja was startled, and with a sudden wave of his hand, a handful of white powder flew towards Chen Ping!

This is an effective move for their ninjas. When they encounter an enemy stronger than themselves, they will use the Ecstasy to escape!

It's just that their confusion has no effect on Chen Ping!

Chapter: 2752

Chen Ping sneered, then took a step forward and directly picked up the ninja!

When another ninja saw this, he swung the short sword in his hand and wanted to chop off Ma Zi's head!

"Damn, you thought I was easy to bully..."

Hu Mazi's face turned cold, then he ducked out of the way, and then instantly threw out three spells in his hand!

The three charms burned and turned into three fireballs, heading straight for the ninja!

The ninja couldn't dodge, and his body was set on fire!

The severe pain caused the ninja to keep rolling on the ground, trying to put out the fire!

But Hu Mazi is a real fire, how can it be extinguished so easily.

Just like that, the ninja was burned to death and turned into a coke!

This tragic scene was seen by another ninja, and his body was shaking constantly!

He struggled desperately, but found that he could not exert any strength at all, as if the energy in his body had been sealed!

"Who are you? Why are you here? Did you catch a girl?"

Chen Ping asked the ninja.

“I don’t know, we’re just lost here!”

The ninja shook his head and said.

When Chen Ping saw this, he slapped us: “Do you think we are fools?”

The ninja stopped talking after being slapped, and closed his mouth tightly!

“Chen Ping, it’s up to me. I’ll use the Bone-Eating Talisman to make his life worse than death. Let’s see if he can open his mouth...”

Hu Mazi said, took out a yellow talisman, and then quickly drew on it!

When the ninja saw this, he suddenly gritted his teeth, then his eyes widened, and a mouthful of black blood spurted out!

Seeing that the ninja committed suicide by taking poison, Chen Ping frowned slightly!

It seems that these guys are anything but simple and have very strict discipline. Even if they commit suicide by taking poison, they won’t say anything!

Chen Ping casually threw away the ninja’s body and said to Hu Mazi: “Master Hu, let’s go, be careful behind...”

Hu Mazi nodded, and then the two of them moved forward cautiously!

Chapter: 2753

At the same time, Chen Ping’s consciousness spread and he began to search the surroundings. As long as there were ninjas around, he would be able to find them immediately!

At the same time, in the cave, Ono Jiro was looking at Ge Yuhan in front of him!

Looking at Ge Yuhan's beauty, Ono Jiro felt a little thirsty!

But because of Kazuo Kawaguchi's instructions, Ono Jiro didn't dare to do anything to Ge Yuhan.

The moment Ono Jiro stood up, he suddenly felt a sense of consciousness.

"Someone broke in..."

Ono Jiro's expression changed, and he immediately shouted an order: "Quick, someone is breaking in, one group will meet the enemy, and the others will close the camp!"

Soon, a dozen warriors dressed in black rushed out in a hurry, and at this time, the entrance of the cave began to make a creaking sound. The entrance to the cave was quickly sealed, and it merged with the entire mountain, making it impossible to tell. Got it!

"Master Hu, there are more than a dozen people coming..."

Chen Ping reminded Hu Mazi.

"I feel it. They are all a bunch of great martial sects, not even a Martial Lord. They are rubbish..."

Hu Mazi said disdainfully.

"If these people are given to you, can you deal with them?"

Chen Ping looked at Hu Mazi.

“Damn, you look down on me?”

Hu Mazi said, muttering something in his mouth, and then his whole body instantly turned into the appearance of the ninja who had just been killed!

“I transformed into this appearance to catch them by surprise...”

Hu Mazi smiled at Chen Ping.

Chen Ping almost forgot that Hu Mazi had learned the Transformation Clone Curse and passed it on to him himself.

“Then it depends on your performance...”

Chen Ping smiled faintly, then straightened his body and hid in the tree, completely hiding his breath!

MaZi pretended to be injured and started to walk forward, but soon he was hit by a dozen warriors coming towards him!

“what’s the situation?”

asked one of the leading group leaders among the samurai.

Chapter: 2754

“Someone broke in and killed our people...”

Hu Mazi looked weak and pale.

“Baga, if anyone dares to break into our camp, you should be damned...”

“You follow me, and I’m going to kill the intruder...”

The team leader roared angrily, and then continued to move forward with the warriors!

Hu Mazi followed behind and gently patted the last warrior on the shoulder.

“What’s up?”

The warrior turned around and asked.

But when he just turned around, what he saw was a bright dagger, and he saw a flash of white light, and the warrior’s neck was cut open instantly!

Before he could make any sound, the warrior went directly to see the King of Hell!

Hu Mazi stretched out his hand, supported the warrior’s body, and let him slowly fall to the ground so as not to disturb the people in front!

Hu Mazi moved his hands cleanly, and the people in front didn’t notice at all!

Moreover, Hu Mazi now looks like one of their own, so no one will be wary of him at all!

In this way, Hu Mazi used the same technique to kill several warriors one after another. Chen Ping, who was hiding in the tree, almost laughed out loud when he saw it!

In the end, the team leader was still walking forward cautiously, holding a katana in one hand, ready to take action at any time!

After walking a certain distance, no intruder was seen. The team leader frowned slightly: “Let’s search separately, you...”

The team leader turned around, ready to give an order, but found that there was no one behind him. Except for Hu Mazi, there was no one else!

The team leader was surprised: "Where are they?"

Hu Mazi shook his head: "I don't know..."

At this moment, the team leader's gaze towards Hu Mazi changed somewhat, and then he suddenly pulled back: "Who are you?"

Seeing that his secret was revealed, Hu Mazi laughed and changed back to his original self.

Chen Ping also jumped down from the tree at this moment and said to Hu Mazi: "Master Hu, this transformation and cloning spell is really good, but it's a pity that it can't change the breath. If it could, no one would be able to tell it apart!"

"You haven't seen more powerful spells yet..."

Hu Mazi said proudly.

Chapter: 2755

When the team leader saw Chen Ping chatting with Hu Mazi, he ignored him. He suddenly became furious, pulled out his samurai sword, roared and swung it at Chen Ping and Hu Mazi!

Chen Ping just casually grabbed the katana directly, and then with a little force, the katana broke instantly!

When the team leader saw this, he was stunned for a moment. Only then did he realize the difference in strength between him and Chen Ping!

The team leader turned around and wanted to run away, but was beaten to a pulp by Chen Ping!

“The last guy, if you don’t leave it to me, let me have a full house...”

Hu Mazi looked at the group leader who was beaten to death by Chen Ping and said with a pity on his face!

“There’s no time to delay, let’s go quickly...”

Chen Ping rushed forward quickly, with Hu Mazi following closely behind!

The two people soon arrived at the foot of the mountain. Looking at the traceless peak, Ling Feng raised the corner of his mouth slightly!

Those guys thought that by camouflaging the entrance of the cave, Chen Ping would not be able to find it!

Chen Ping’s consciousness had already locked onto their location just now!

Looking at the mountain in front of him, Chen Ping’s fist began to shine with golden light!

Then came a punch.

boom.....

The entire mountain was shaking, and the entrance to the cave in front of it was instantly blasted open!

“what happened?”

Ono Jiro looked shocked, and the entire cave was shaking!

“Captain Ono, someone broke in...”

One of his subordinates hurriedly reported the news.

“Quickly, activate the magic circle...”

Ono Jiro ordered loudly!

At this moment, Chen Ping felt Ge Yuhan’s familiar breath the moment the cave opened!

“Just inside...”

Chen Ping and Hu Mazi quickly ran towards the cave!

Chapter: 2756

But not far into the cave, they saw dozens of white rays of light shining towards them!

Then these rays of light formed a large net, covering Chen Ping and Hu Mazi!

At the same time, Ono Jiro and his men rushed over and surrounded Chen Ping and the others tightly.

“Who are you? How did you find this place?”

Ono Jiro asked.

“We are your ancestors. I found this poor place with a little magic.”

“Hurry up and release the girl you captured, or else you’ll look good...”

Chen Ping said to Ono Jiro.

“It turns out you are here to find the girl, but it’s useless for you to come. No one can save anyone who enters here.”

Ono Jiro’s face is full of confidence!

Now that Chen Ping and the others are bound by the magic circle, Ono Jiro is not afraid at all!

“Who captured her? Anyway, with your ability, it’s impossible to capture that girl.”

Chen Ping asked Ono Jiro.

Ono Jiro himself is just a Wuhou, how could he catch Ge Yuhan!

Although Ge Yuhan’s strength is suppressed, he can still exert the strength of Dawuhou, which is not comparable to Ono Jiro.

“Now that you know who captured him, what can you do? You will die soon...”

Ono Jiro smiled coldly and didn’t say anything at all!

“Why, we are all prisoners and you don’t dare to say anything? Did your master tell you?”

Chen Ping looked at Ono Jiro with a mocking look on his face and asked.

He was deliberately irritating Ono Jiro. Chen Ping wanted to know who could catch Ge Yuhan!

When Chen Ping saw these island warriors, he actually had a guess in his mind, but he just wanted to verify whether his guess was correct.

“Humph, what can I do if I tell you? That girl was captured by Mr. Kawaguchi. It seems that there is some secret in that girl...”

Ono Jiro said without warning.

Anyway, Chen Ping and the others will die soon, so it's okay to tell them!

Chapter: 2757

“As expected, it is Kazuo Kawaguchi. He is the only one who can capture Yu Han here...”

Chen Ping's eyes narrowed slightly, with a cold look in his eyes!

“What are you islanders doing setting up a base here?”

Chen Ping asked Ono Jiro.

These island warriors secretly established a base in Daxia. They must have an agenda.

Chen Ping wants to ask what the intentions of these people are!

Only this time, Ono Jiro didn't say anything, but shouted coldly: “I am about to die, but I still want to inquire about so many things.”

“Kill them for me...”

Ono Jiro ordered loudly.

He always felt as if Chen Ping was deliberately trying to trick him!

Several samurai raised their samurai swords and stabbed at Chen Ping and Hu Mazi!

Seeing this, Hu Mazi hurriedly shouted: "Chen Ping, you are physically strong and not afraid of swords and guns, but I can't. You broke this formation!"

Hu Mazi knew that Chen Ping could definitely break this formation!

"Break it? Are you kidding? This is a formation set up by the envoys of our Jingguo God Sect. How could you possibly break it..."

As soon as Ono Jiro finished speaking, he saw Chen Ping suddenly burst into golden light!

A terrifying aura swept out, and several warriors who originally rushed towards them were instantly blown to the ground by the terrifying aura!

And the net made of dozens of rays of light instantly turned into nothingness!

"You...you..." Ono Jiro looked surprised: "You are actually Dawuhou..."

Ono Jiro's expression was extremely ugly!

"Master Hu, I'll give you the little one, and give this little head to me, how about that?"

Chen Ping said to Hu Mazi.

"no problem....."

Hu Mazi nodded.

Chen Ping took one step forward, and a terrifying aura erupted from his body. After feeling the aura on Chen Ping's body, Ono Jiro turned around and ran away!

Chapter: 2758

"You still want to run?"

Chen Ping sneered and chased after him!

Seeing this, Ono Jiro suddenly slapped his palm backwards, and several boulders went directly towards Chen Ping!

Chen Ping just punched out, and the boulders instantly turned into powder.

But Chen Ping's punch did not lose its force and hit Ono Jiro hard in the chest!

Ono Jiro's ribs were broken, and a large mouthful of blood spurted out.

Ono Jiro didn't dare to stay, and his body quickly escaped again!

Chen Ping chased after him unhurriedly, because he knew that Ono Jiro could definitely lead him to find Ge Yuhan!

But Ono Jiro was not stupid. Of course he knew Chen Ping's intentions and did not lead Chen Ping to the place where Ge Yuhan was imprisoned!

The cave where Ono Jiro escaped is getting narrower and narrower, and it also carries an eerie and terrifying atmosphere!

Just as Ono Jiro was running in front, he suddenly slapped his palm towards a stone wall, and golden light shot out from both sides in an instant.

Because the entrance to the cave was so small, Chen Ping had no room to dodge!

Rays of golden light hit Chen Ping!

Ono Jiro stopped with a sneer!

But when the golden light hit Chen Ping, Chen Ping didn't move at all, and there wasn't the slightest scratch on his body!

Those streaks of golden light seemed to be empty!

"This..." Ono Jiro was stunned!

Originally, by luring Chen Ping here and turning off the engine, Chen Ping could be killed by the formation, but he didn't expect that Chen Ping's body would be so strong!

"Where else do you want to run?"

Chen Ping looked at Onojiro coldly, and then punched out, and the terrifying wind of the punch directly knocked Onojiro away!

Ono Jiro looked at Chen Ping. He knew that he was an ant in front of Chen Ping and had no power to fight back!

"Where is the girl you captured?"

Chen Ping asked Ono Jiro.

"Boy, if you have the ability, come with me..."

Chapter: 2759

Ono Jiro's eyes flashed coldly, and he gritted his teeth, as if he was making some decision!

Chen Ping followed Ono Jiro. As he went deeper, the terrifying and bloody atmosphere became stronger and stronger!

Soon, Chen Ping discovered that the originally dry stone wall became a little damp, and the ground was also wet!

When he arrived at a stone gate, Ono Jiro stopped and looked at the stone gate in front of him, seeming to be hesitating!

Looking at Chen Ping approaching from behind, Ono Jiro suddenly pushed open the stone door and walked in!

Chen Ping didn't hesitate and followed directly.

But when Chen Ping walked into the stone door, he discovered that there was a very wide hall behind it!

And there is a circular altar in the middle of the hall. A big spider in the middle is constantly spinning silk threads, and around the big spider, there are cages made of light!

On the stone wall of the hall, there are actually silkworm chrysalis-like things one after another. These things are attached to the stone wall and are surrounded by silk threads!

Chen Ping didn't expect that there was a monster beast here, but judging from the size of the spider and the aura emanating from it, it was obvious that it was a high-level monster!

Those who are estimated to be at the level of Wuhou or Dawuhou must know that monsters are much stronger than humans with the same strength.

“Boy, you actually dare to follow me. If I release this spider beast, you will definitely die...”

Ono Jiro threatened Chen Ping.

“Stop talking nonsense, just let it go. If I’m not mistaken, this big spider probably won’t listen to you, right?”

“If you let him out, you will be the first thing he eats!”

Chen Ping sneered.

Ono Jiro’s face turned a little ugly, obviously because Chen Ping guessed correctly.

“You’d better quit. If you force me, I will die with you...”

Ono Jiro put his hand on a stone wall, and it seemed that it was the eye of the magic circle!

Chen Ping glanced at the big spider, his eyes became fiery, and then he slowly pulled out the Dragon-Slaying Sword!

For this kind of monster, you must know that the beast elixir is a rare treasure!

Even if Ono Jiro doesn’t release it, Chen Ping has no intention of letting go of the monster in front of him!

“Stop talking nonsense, let it go if you have the ability...”

Chen Ping was ready to deal with the monster!

Chapter: 2760

“I...I really let it go...”

Ono Jiro’s whole body was trembling slightly!

“Damn, there’s so much nonsense...”

Chen Ping raised his dragon-slaying sword and slashed towards Ono Jiro with one strike!

The terrifying energy roared up, like a ray of light, flying towards Ono Jiro in an instant!

When Ono Jiro saw this, he pressed his palm suddenly!

There was only a harsh sound, and then the beam of light around the spider beast disappeared, and the spider beast roared and pounced on the nearest Ono Jiro!

clang.....

Chen Ping’s sword was blocked by the spider beast and hit the spider beast!

There was a crisp sound, and the spider beast felt pain and roared, but it did not hurt the spider beast!

When Chen Ping saw this, his face suddenly turned ugly!

Although he didn’t use all his strength with his sword, it didn’t even break the spider beast’s defense!

The spider beast glanced at Chen Ping, but it did not attack Chen Ping. Instead, it opened its mouth and bit at Ono Jiro!

Upon seeing this, Ono Jiro jumped up, and then kicked something like a silkworm chrysalis attached to the stone wall!

The silkworm chrysalis-like thing flew towards the spider beast. The spider beast's legs were instantly clamped, and then two sharp claws directly cut open the outer silk thread!

When the silk thread of the package was cut open, a thick bloody smell came out, and then a corpse fell out of the silkworm chrysalis-like thing!

The spider beast swallowed all the threads and corpses into its stomach, and then attacked Ono Jiro again!

Ono Jiro's face was extremely ugly, and he kept yelling at the spider beast in his heart. He didn't understand why the spider beast always chased him!

Ono Jiro could only keep kicking things like silkworm chrysalis up and down the stone wall to stop the spider beast!

And inside each one, there was actually a corpse, including men, women, and even children...

This scene made Chen Ping a little shocked!

At this time, Hu Mazi chased after him. When he saw the scene, his expression instantly became extremely ugly!

"Master Hu, what's wrong with you?"

Chen Ping asked Hu Mazi.
