

The Order 2761

Chapter: 2761

“Living human figurines, these beasts actually made living human figurines...”

Hu Mazi gritted his teeth, his eyes filled with anger!

“Master Hu, what are living human figurines?”

Chen Ping looked confused, he had no idea what Hu Mazi was talking about!

“Living human figurines are made by wrapping living people directly in silk, letting people starve to death of thirst inside, and then use these living human figurines to raise monsters and beasts!”

“The purpose is to allow those living people to remove all the dirt from their bodies, so that the monsters will like to eat more...”

Hu Mazi explained.

When Chen Ping heard this, he became furious instantly. Only now did he realize that the corpses inside were actually wrapped before they were alive.

At this time, Ono Jiro was still using the living figurines to avoid the attack of the spider beast!

Chen Ping struck out with a palm, and with overwhelming pressure, he went straight towards Ono Jiro!

Ono Jiro was focusing his attention on the spider beast, and now he suddenly found a terrifying aura coming, and Ono Jiro had no time to dodge!

boom!

After a deafening sound, Ono Jiro disappeared and was beaten to ashes by Chen Ping!

After the spider beast lost its target, it instantly set its sights on Chen Ping!

The spider beast seemed to know that the person in front of it was relatively strong, so it did not rush over directly, but instantly spit out a few threads, and then entangled Chen Ping and Hu Mazi!

When Chen Ping saw this, he raised the dragon-slaying sword in his hand outwards, instantly cut off the threads, and then slashed at the spider beast with one sword!

Feeling the danger, the spider beast retreated continuously, and then its two front legs were as sharp as knives, and it swung out a series of piercing energy towards Chen Ping!

Dang Dang Dang.....

Chen Ping held the Dragon-Slaying Sword in his hand and instantly blocked the powerful attacks, and then fiercely stabbed the Dragon-Slaying Sword into the spider beast's body!

puff.....

A stream of dark green blood flowed out, and Chen Ping's dragon-slaying sword pierced the spider beast's body, but the distance it penetrated was very small, and it could only break through the spider beast's defense.

Chen Ping was shocked. This was a blow with all his strength. He didn't expect that he had just broken through the spider beast's defense!

The injured spider beast roared, then opened its bloody mouth and bit Chen Ping directly.

At the same time, the spider beast's claws controlled Chen Ping's dragon-slaying sword.

Chapter: 2762

Upon seeing this, Chen Ping wanted to pull out the Dragon-Slaying Sword, but found that the Dragon-Slaying Sword had been controlled by the spider beast's claws, so he retreated sharply, avoiding the spider beast's attack, but at the same time, he also got rid of the Dragon-Slaying Sword!

"Chen Ping, don't fight here. Let's go out. The space here is too small..."

Hu Mazi said to Chen Ping.

To fight with such a monster, you must take advantage of speed. Such large monsters are generally not very fast!

But in this sealed hall, no matter how fast Chen Ping was, he had no place to show his speed.

Upon seeing this, Chen Ping hurriedly followed Hu Mazi and rushed outside, with the spider beast chasing after him. Because the cave was narrow, the spider beast's body kept hitting the stone wall, causing rocks to fly and the whole mountain to shake!

"Master Hu, go find Yuhan and rescue her..."

When Chen Ping saw this, he hurriedly said to Hu Mazi.

If this collapses the entire mountain, Ge Yuhan will definitely die if she is pinned underneath.

Hu Mazi nodded, and then instantly disappeared at a fork in the road!

Chen Ping ran away as hard as he could, with the spider beast chasing after him. Some island warriors who didn't know what was going on were directly eaten by the spider beast!

The entrance to the cave was right in front of him. Chen Ping jumped up and rushed out. The spider beast also rushed out. The original entrance to the cave was instantly smashed into a big hole!

The moment the spider beast rushed out, it spit out several threads and directly restrained Chen Ping tightly. Then it opened its bloody mouth and headed towards Chen Ping!

Chen Ping's body flashed with golden light, and he suddenly tore off the silk thread with force. He stared at the spider beast with his eyes fixed on the spider beast. Seeing that the dragon-slaying sword on the spider beast was still inserted into his body, with a thought, the dragon-slaying sword flew away instantly. return!

Chen Ping was holding the Dragon-Slaying Sword. The moment the Spider Beast opened its mouth and bit it down, Chen Ping threw the Dragon-Slaying Sword directly into the Spider Beast's mouth. The Dragon-Slaying Sword instantly supported the Spider Beast's mouth!

The spider beast tried its best to shake off the Dragon-Slaying Sword, but unfortunately the Dragon-Slaying Sword penetrated deeply into its upper jaw and could not be shaken off at all.

Moreover, the Dragon-Slaying Sword is extremely hard. No matter how hard the spider beast exerts its strength, it cannot break the Dragon-Slaying Sword!

Now the spider beast can no longer bite with its mouth, and can only use its sharp claws to continuously wave.

The surrounding trees flew in all directions, causing a mess, and large areas of the jungle were destroyed!

Chen Ping took advantage of his small body and speed to constantly avoid the spider beast's attack!

Just when the two claws of the spider beast were stabbing at Chen Ping again, Chen Ping jumped up and landed directly on the spider beast's head!

Then Chen Ping's fist flashed with golden light, and with the continuous blessing of the dragon's power, he punched the spider beast in the head!

This punch is powerful enough to weigh ten thousand kilograms...

boom.....

Chapter: 2763

There was a loud noise, and Chen Ping only felt numbness in his arms. However, when he looked at the spider beast, he was not injured at all. He was just twisting his body in pain, as if he wanted to throw Chen Ping off!

Chen Ping took the opportunity to grab the down on the spider beast, controlled his body, and punched it again!

Bang bang bang.....

Chen Ping threw more than ten punches in a row. Although the spider beast felt pain, it could not hurt the spider beast!

On the contrary, Chen Ping's own arm has no intuition at this moment!

The power of the dragon is constantly weakening, which makes Chen Ping a little anxious!

He didn't expect this spider beast's defense to be so strong!

The spider beast shook its body violently, but it could not shake Chen Ping off its body, so it began to hit the mountain crazily!

boom.....

The huge spider beast hit the mountain hard, causing the ground to shake and rocks flying everywhere!

Chen Ping was knocked unconscious, but he still held on tightly with his hands!

boom.....

There was another violent impact, the rocks collapsed, and half of the entire mountain was collapsed by the spider beast!

Chen Ping's indestructible golden body was used to its extreme, and he was not afraid of those rocks. However, the huge impact of the spider beast made Chen Ping unable to control his body.

If it falls from the spider beast, it may be difficult to jump onto it!

But even on the spider beast, Chen Ping had no way to start!

Just when Chen Ping was at a loss, Ge Yuhan, suddenly dressed in white, floated down, like a fairy, and stopped in front of the spider beast!

The spider beast, which was already going crazy at this time, immediately waved its sickle-like claws towards Ge Yuhan after seeing Ge Yuhan!

But Ge Yuhan refused to hide or escape, and just looked at the spider beast quietly, and kept chanting something in his mouth.

The sounds, like the sounds of nature, can instantly make people feel very comfortable, and their manic mood can also be instantly calmed!

The spider beast that originally attacked Ge Yuhan suddenly stopped its claws and looked directly at Ge Yuhan.

After Ge Yuhan finished singing, he stepped forward and started stroking the spider beast's head with his hands!

At such a close distance, the spider beast did not attack Ge Yuhan and allowed Ge Yuhan to touch it!

“Mr. Chen, go take your sword out of its mouth...”

Chapter: 2764

Ge Yuhan said to Chen Ping who was lying on the spider beast.

Chen Ping looked at Ge Yuhan in surprise: “If you take out the sword, it might swallow you...”

“No, this is the art of controlling animals, the ancient art of controlling animals, it’s so amazing...”

At this time, Hu Mazi looked up and shouted excitedly.

Chen Ping looked confused. He didn’t understand what the beast control technique was, but he still believed in Ge Yuhan and took out the dragon-slaying sword from the spider beast’s mouth!

Ge Yuhan gently stroked the spider beast’s head, and then a faint light enveloped the spider beast.

Soon the body of the spider beast became smaller and smaller, and finally it was only a small spider the size of a thumb!

Chen Ping was stunned when he looked at everything in front of him.

Ge Yuhan found a bottle, put the spider beast in it, and then put it in his pocket!

At this time, Hu Mazi also came over and looked at Ge Yuhan with excitement and admiration: “Girl, you...you actually know such an ancient animal control technique, can you teach me?”

Ge Yuhan glanced at Hu Mazi, then shook his head: “Can’t...”

When Hu Mazi heard this, he was immediately unhappy: “You girl, you were rescued by me, and I am your savior.”

“It’s not that I don’t teach, it’s that you can’t learn it at all. To learn the art of controlling animals, one must be pure in heart.”

“I am a saint from Guanghan Palace. I can learn the art of controlling beasts, but you are so full of women that you can’t learn it...”

Ge Yuhan’s words instantly made Hu Mazi blush with embarrassment.

“Haha, it doesn’t matter if you don’t want to learn. I have the Beast Trap Spell, which is no worse than the Beast Controlling Technique...”

Hu Mazi is looking for a way out for himself!

“Master Hu, since you have that beast-trapping curse, and I almost died just now, why didn’t you take action?”

Chen Ping glared at Hu Mazi and asked.

“Are you kidding? How could you, the son of a dragon and the true form of a golden dragon, die? Even if you were eaten by that monster, you wouldn’t die.”

Hu Mazi quickly explained.

“Okay, stop flattering me...”

After Chen Ping finished speaking, he looked at Ge Yuhan: “Yuhan, can you teach me that beast control technique? When the time comes, I will conquer a heaven-level monster and I will be invincible in the world.”

Ge Yuhan rolled her eyes at Chen Ping: “What kind of dream do you have? Although this beast control technique is powerful, it can only subdue monsters that are equal to or inferior to him in strength.”

Chapter: 2765

“It is simply impossible to tame a high-level monster.”

Chen Ping was stunned for a moment, and then asked in confusion: “The spider beast may have surpassed the strength of Da Wuhou just now, so how did you subdue it?”

Chen Ping knew that Ge Yuhan’s strength was limited, and now it was only the strength of Da Wuhou. How could it be possible to subdue a monster that exceeded Da Wuhou’s strength!

“The strength of this spider beast is not very high. The highest level is only the early stage of Dawuhou...”

Ge Yuhan said.

“Impossible, absolutely impossible. I was almost eaten by this spider beast just now. Could it be that I can’t even deal with a monster that only has the strength of the early stage of Dawuhou?”

Chen Ping didn’t believe it. He was now a third-grade Dawuhou. How could he not even be able to deal with the monsters in the early stage of Dawuhou!

Ge Yuhan smiled: “Every monster has its weaknesses and strengths. This spider beast’s defense is particularly strong, and you resist it.”

“If you had attacked its tail at the moment it was spinning silk, you would have killed it long ago...”

When Chen Ping heard this, he was speechless, because he really had not understood the characteristics of these monsters. It seemed that he would need to learn more in the future.

Looking at the collapsed cave and thinking of the people inside who were made into living figurines, Chen Ping’s heart was filled with anger and murderous intent!

“These sons of bitches, I will make them pay.”

“Jingguoshen Cult, I remember you...”

Chen Ping gritted his teeth, his eyes filled with coldness.

“let’s go.....”

Hu Mazi called Chen Ping.

Chen Ping nodded, and the three of them were ready to leave!

But just when Chen Ping and the others were about to leave, a car was driving quickly on the road outside the jungle!

Sitting in the car was Kazuo Kawaguchi and a middle-aged man with a mustache.

“Sakata-kun, I’ll help you later.”

Kazuo Kawaguchi said to the middle-aged man very respectfully.

This middle-aged man is the soul-searching master Sakata Masamura invited by Kazuo Kawaguchi from the island country. Although Sakata Masamura’s strength is not high, the soul-searching technique has reached the point of proficiency!

“Kawaguchi-sama is serious. I also want to see what the souls of thousands of years ago looked like.”

Sakata Masamura said with a faint smile.

Chapter: 2766

Soon the car stopped and the two people started walking into the jungle!

As soon as he entered the jungle, Kawaguchi Kazuo's expression changed instantly.

"It's broken, someone has been here..."

Kazuo Kawaguchi frowned, then ran forward quickly.

Sakata Masamura followed closely behind!

Chen Ping and the three of them were just thinking about leaving when they suddenly felt an extremely dangerous aura coming towards them!

Chen Ping captured Kazuo Kawaguchi's aura in an instant.

He is very familiar with this breath!

"Then Kazuo Kawaguchi is here, we have to leave quickly..."

After Chen Ping finished speaking, he changed direction directly. Instead of walking towards the outside of the dense forest, he ran towards the depths of the dense forest!

After Kazuo Kawaguchi and Masamura Sakata ran to the base, everyone was dumbfounded. They saw many corpses on the ground, and the mountain collapsed, and the entire base was destroyed!

"idiot....."

Kazuo Kawaguchi roared angrily, then closed his eyes slightly, feeling the surrounding atmosphere!

Soon his eyes opened: "Just in front, chase..."

Kazuo Kawaguchi's eyes were full of anger and he began to chase Chen Ping and the others.

Chen Ping and the others ran away, with Kazuo Kawaguchi chasing after them!

I don't know how far I ran, but Kazuo Kawaguchi refused to let go!

"Master Hu, you take Yuhan and run in another direction. I'll lead Kazuo Kawaguchi away..."

Chen Ping said to Hu Mazi.

"Chen Ping, can you do it yourself? It seems that Kawaguchi Kazuo is not weak."

Hu Mazi asked Chen Ping.

"Yes, Kazuo Kawaguchi is very strong. I guess even in the later stages of Dawuhou, I am no match for him."

Ge Yuhan also spoke.

"It's okay. I run fast. As long as he can't catch up with me, I'll be fine. Otherwise, if we do this, he will catch up sooner or later."

Chapter: 2767

Chen Ping knew that if the three of them ran like this, they would be overtaken sooner or later, and no one would be able to escape by then!

Now as long as Hu Mazi and Ge Yuhan are safe, Chen Ping can use his speed to escape.

"Well, you have to be more careful. We will meet in the city ahead."

After Hu Mazi finished speaking, he took Ge Yuhan and left.

“Wait a minute.” Ge Yuhan took out the small bottle from his pocket and handed it to Chen Ping: “If there is danger, this spider beast can help you withstand it.”

Then Ge Yuhan told Chen Ping two spells, and then left with Hu Mazi!

Chen Ping put the small bottle into his pocket, deliberately exposed his breath, and started running in the other direction!

Kazuo Kawaguchi and Masamura Nasakata pursued him in hot pursuit, and finally caught up with Chen Ping on a hill.

“It’s really your boy...”

Looking at Chen Ping in front of him, Kawaguchi Kazuo’s eyes were filled with murderous intent. Just now he felt that the aura belonged to Chen Ping.

Chen Ping killed Watanabe Shun and now destroyed their secret base. Kawaguchi Kazuo will never let him go.

“Kawaguchi kid, your island country dares to set up a private base here, and also mutilates our compatriots and feeds you monsters. I will kill you today to avenge those who died.”

Chen Ping yelled at Kazuo Kawaguchi.

“Haha, don’t you think you’re funny? You can kill me too?”

Kazuo Kawaguchi laughed, not taking Chen Ping into his eyes at all.

“If I can kill you, I’ll find out if I try.”

Chen Ping's body began to glow with golden light, his indestructible golden body activated, and his body was instantly covered with scales!

At the same time, Chen Ping was holding the small bottle in his hand, preparing to release the spider beast. As long as the spider beast blocked Kawaguchi Kazuo for a while, he could escape.

Chen Ping is not stupid enough to actually fight with Kazuo Kawaguchi.

Now Chen Ping has no advantage in terms of strength or numbers.

"Humph, you don't overestimate your capabilities..."

Kazuo Kawaguchi snorted coldly, and then the aura on his body began to rise, and then he was about to slap Chen Ping with his palm!

Kazuo Kawaguchi was about to take action, but was stopped by Sakata Masamura on the side:
"Kawaguchi-sama, please don't kill him. This man's soul is too powerful. If we can extract his soul and control it, we will have one more person at our disposal." Master."

When Kazuo Kawaguchi heard this, he nodded slightly and then calmed down his aura!

Chapter: 2768

"Sakata-kun, I'll help you..."

Kazuo Kawaguchi said.

"Kawaguchi-sama, just look at me..."

Sakata Masamura said, took two steps towards Chen Ping, and then sneered: "Boy, if you cooperate obediently, you can avoid the pain of scraping your bones and biting your heart. Do you understand?"

Chen Ping looked at Sakata Masamura, who didn't have much strength, so he smiled coldly: "I cooperate with your mother, but with your little strength, you still want to arrest me?"

"Boy, don't be so harsh, you'll know after a while..."

After Sakata Masamura finished speaking, bursts of black mist began to appear all over his body, and then the black mist turned into a black shadow and instantly surrounded Chen Ping!

The moment the black shadow came into contact with Chen Ping, it directly entered Chen Ping's body.

Immediately, Chen Ping was stunned, and his eyes instantly became dull!

Seeing this scene, a faint smile appeared on the corner of Sakata Masamura's mouth!

Kazuo Kawaguchi said with a surprised look on his face: "Sakata-kun, your soul-searching skills are really getting stronger and stronger..."

"Hahaha, Kawaguchi-sama has given me the award, it's just so-so..."

Sakata Masamura laughed.

Soon, black mist began to emerge from Chen Ping's body, and then the black shadow slowly left Chen Ping's body, and inside Chen Ping's body, a figure of only about half a meter was also taken out!

This figure is Chen Ping's soul. Seeing Chen Ping's soul escape from the body and being brought out, Sakata Masamura and Kawaguchi Kazuo laughed even louder!

But just after Chen Ping's soul escaped from the body, suddenly the soul flashed with golden light, and then turned into a golden man-like appearance!

Seeing this scene, Sakata Masamura and Kawaguchi Kazuo were both stunned, and they had not yet reacted!

I saw Chen Ping's soul punch out directly, and instantly hit the black shadow of Sakata Masamura!

"You idiot, you still want to control me just these two times..."

Chen Ping's soul grabbed Sakata Masamura's shadow and punched it down!

The light emitted by Chen Ping's soul made both of them unable to open their eyes, which showed how powerful Chen Ping's soul was.

"Too...too strong..."

Sakata Masamura looked at it in surprise, and then a mouthful of black blood spurted out!

He only felt as if his soul was being torn into pieces, and he had no power to fight back!

Chapter: 2769

boom!

Chen Ping's soul punched out again, and the black shadow was directly knocked out. Sakata Masamura endured the severe pain, suddenly opened his mouth, and sucked the black shadow into his body again!

When Sakata Masamura looked at Chen Ping, his eyes were full of fear!

Kawaguchi Kazuo frowned. He didn't expect that besides Chen Ping's physical strength, his soul had also reached such a terrifying level. Even the Soul Searching Master's Soul Searching Technique couldn't do anything to Chen Ping!

At this moment, Chen Ping's soul also entered the body, and said with a sneer: "With this little ability, I'd better go home and feed..."

Sakata Masamura was so angry that he spurted out another mouthful of blood!

As for Kawaguchi Kazuo, his energy and blood were rising, and his aura was constantly rising!

"Boy, I want you to die today..."

As he spoke, Kazuo Kawaguchi suddenly had a katana in his hand. This katana looked very simple, and there were waves of terrifying aura exuding from the blade!

Then Kazuo Kawaguchi turned his wrist, and then the katana in his hand came towards Chen Ping at an extremely fast speed!

A sharp blade came straight towards Chen Ping and was in front of Chen Ping in an instant.

Chen Ping retreated continuously, and then quickly ran away!

"You can't escape..."

Kazuo Kawaguchi snorted coldly and immediately chased Chen Ping.

When Chen Ping saw this, he threw the small bottle in his hand without hesitation, and then chanted a spell in his mouth!

boom.....

With a loud noise, the spider beast instantly broke through the bottle and quickly grew in size.

Seeing the spider beast in front of him, Kawaguchi Kazuo stopped instantly!

“Eat him...”

Chen Ping ordered the spider beast to move towards Kazuo Kawaguchi!

Chen Ping himself turned around and continued running. He wanted to use this opportunity to escape from Kawaguchi Kazuo’s pursuit!

“Hmph, we raised this monster, and you still want it to stop me...”

Kazuo Kawaguchi snorted coldly, and then jumped up high!

Then he swung the katana in his hand and slashed hard at the spider beast’s tail!

Chapter: 2770

Seeing it, Kawaguchi Kazuo completely knew the weakness of this spider beast!

boom.....

With this slash, the spider beast’s tail was cut off instantly, and then its body exploded.

The huge spider beast was killed by Kazuo Kawaguchi with one sword!

Chen Ping looked at this scene and felt speechless...

After the explosion, inside the spider beast’s mutilated body, a green bead was glowing!

“Beast elixir...”

Chen Ping saw the spider beast's beast elixir at a glance!

At the same time, Kazuo Kawaguchi also discovered it and was about to step forward to pick up the beast pill!

Chen Ping, who originally ran away, looked at the spider beast's beast pill and felt extremely reluctant to give up!

This is a beast pill with the strength of Da Wuhou!

Maybe this beast pill can help Chen Ping advance to a small realm!

Thinking of this, Chen Ping gritted his teeth, directly took out the dragon-slaying sword, and swung it at Kazuo Kawaguchi!

Kazuo Kawaguchi didn't expect that Chen Ping would dare to turn around and attack. He was caught off guard and retreated suddenly, but he couldn't pick up the beast pill!

"Good boy, how dare you turn around..."

Kazuo Kawaguchi's face was extremely gloomy.

Chen Ping ignored him and quickly moved towards the beast pill. Now Kawaguchi Kazuo understood that Chen Ping was so desperate because he wanted to get the beast pill.

Kazuo Kawaguchi would not let Chen Ping get the beast pill. The katana in his hand flashed again, and then his right hand continued to slide, and sharp edges shot towards Chen Ping!

Chen Ping was about to get the beast elixir, but sharp edges came at him quickly, with terrifying killing intent. Chen Ping did not dare to resist, so he could only keep retreating!

Boom boom boom.....

A series of sharp edges continued to explode around Chen Ping, the surrounding mountains and rocks flew in all directions, and deep ravines appeared on the ground!

Looking at the mess at the scene, Chen Ping felt scared. Fortunately, in order to obtain the beast elixir, he did not resist Kawaguchi Kazuo's attack, otherwise his head would have been dismembered by now!

"I'm going to order this beast elixir today..."

Chen Ping looked at the beast pill and swung the dragon-slaying sword in his hand.
