

The Order 2771

Chapter: 2771

A golden ray of light instantly rose into the sky, and then slashed towards Kazuo Kawaguchi!

At the same time, Chen Ping rushed towards the beast pill.

“Hmph, you are not overestimating your own abilities!”

Kazuo Kawaguchi snorted and waved the katana in his hand rapidly!

The sword light that Chen Ping swung was instantly defeated, and then a dozen crescent-shaped blades suddenly appeared in front of Chen Ping!

The blade is extremely sharp and comes with a terrifying aura!

When Chen Ping saw this, he did not dare to take a step forward and quickly retreated.

However, the speed of these blades was extremely fast, and Chen Ping was swallowed up in an instant. Chen Ping gritted his teeth and used his indestructible golden body to the extreme.

And with his flexible speed, he can avoid these blades!

Swish, brush, brush...

The blades passed across Chen Ping's body one after another. At this moment, Chen Ping's clothes had many gaps and were in tatters!

And pieces of golden scales were scratched off, and then dissipated in the air!

Even with the indestructible golden body protecting him, Chen Ping still had many wounds on his body, and the indestructible golden body on his body was also incomplete!

Chen Ping looked at the wounds on his body, his face full of solemnity: "The speed is too fast, this guy's knife skills are really weird..."

Seeing that Chen Ping was in tatters and was also injured, Kawaguchi Kazuo raised his lips and said, "I've said it before, you are no match for me, and my sword skills are already superb, not Shun Watanabe's. That idiot can compare."

"If you obediently offer your soul now, I can save you from the pain of your skin and flesh, otherwise you will be worse than dead..."

"I'll donate your mother, I'll donate your mother, do you want it?"

Although Chen Ping was thinking about how to get the beast pill and escape at this moment, he didn't show weakness at all!

The corners of Kazuo Kawaguchi's eyes kept beating, and his anger rose: "I'm giving you a chance, but you don't want it!"

"Stop talking nonsense, your sword skills are great, and my sword skills are also good..."

As Chen Ping spoke, the light on his body continued to flicker. The originally incomplete and indestructible golden body was completely repaired at this moment, and the aura on his body also climbed to its peak!

Facing Kazuo Kawaguchi, Chen Ping knew that he had to go all out!

The power of the divine dragon was continuously injected into the Dragon-Slaying Sword. The Dragon-Slaying Sword emitted light, a dragon roar sounded, and then a golden dragon was seen hovering above Chen Ping's head!

The golden dragon is mighty and its aura is very powerful. Chen Ping is fighting to the death this time. If he can get the beast elixir, he will make a profit!

Chapter: 2772

Kazuo Kawaguchi narrowed his eyes slightly: "Hmph, do you think that transforming into a golden dragon can change your fate of failure?"

After Kazuo Kawaguchi finished speaking, he waved the katana in his hand again, and then countless sharp edges shot out towards Chen Ping!

This time, Chen Ping did not dodge, but held the sword with both hands, and then swung forward fiercely: "Nine Shadows Divine Sword..."

The golden dragon roared and headed forward with endless light, while Chen Ping's body used his indestructible golden body to the extreme and followed closely behind!

The golden dragon met the countless sharp edges and charged forward with overwhelming force!

The sharp edges were shattered one after another. Even if there were sharp edges hitting Chen Ping, Chen Ping still gritted his teeth and persisted!

The next second, Chen Ping's body appeared in front of the beast pill and he reached out to pick up the beast pill!

And the golden dragon that rushed forward turned into nothingness at the last moment.

Kawaguchi Kazuo's expression changed: "You actually know the Watanabe family's Nine Shadows Divine Sword?"

"Bah, the Watanabe family's Nine Shadows Divine Sword is just a defective product, my own is the genuine article!"

After Chen Ping got the beast pill, he no longer had any worries.

As his figure swayed, more and more figures of Chen Ping were seen.

Every figure is holding a dragon-slaying sword, and there is an aura emanating from them, making it impossible to tell the real thing from the fake one!

“Nine Shadows Divine Sword, thousands of arrows pierce the heart...”

Chen Ping shouted angrily, and then several figures waved their swords at the same time!

I saw countless sword rays heading towards Kazuo Kawaguchi. In the end, these sword rays gathered together, burst out with golden light, and fell in the air, leaving a wound directly on Kazuo Kawaguchi’s chest!

Kazuo Kawaguchi looked at his wounds, his eyes full of anger: “Boy, you are the first person who dares to hurt me...”

After saying that, Kazuo Kawaguchi jumped up, then muttered something, and threw the katana in his hand into the air!

Thousands of samurai swords were seen, directly surrounding Chen Ping and his figures!

Immediately afterwards, these samurai swords fell crazily towards Chen Ping like raindrops.

Thousands of transformed samurai swords directly surrounded Chen Ping!

Each one exudes a terrifying edge. The figure transformed by the Nine Shadow Divine Sword instantly dissipates under the thousands of edges!

Seeing the figures in front of him disappearing one after another, Kazuo Kawaguchi raised the corners of his mouth. He knew that no one could survive such an attack.

Countless edges merged together and burst into bright light.

Chapter: 2773

boom.....

Like a thunder explosion, a dazzling light rose into the sky!

Apart from the mess, there was not a single soul in sight!

“Huh, ignorant guy...”

Kazuo Kawaguchi snorted coldly, his face expressionless.

For him, there was nothing happy about killing Chen Ping, because in his opinion, it only took one move to kill Chen Ping, but now he had already used several moves in a row, which exceeded his expectations!

Just when Kazuo Kawaguchi thought that Chen Ping was dead and turned into a scumbag, and was about to turn around and leave, he suddenly noticed a figure running forward quickly!

That figure was in ragged clothes and was extremely fast. Who else could it be if it wasn't Chen Ping...

“How can it be?”

Kazuo Kawaguchi's expression suddenly changed. He hurriedly activated his energy and quickly chased Chen Ping!

He never expected that Chen Ping would escape!

How could Chen Ping escape under such a terrifying attack?

Kazuo Kawaguchi simply can't understand!

Soon, Kazuo Kawaguchi arrived behind Chen Ping, then held a samurai sword in his hand and struck Chen Ping fiercely!

With this knife, he wanted to see Chen Ping split in half with his own eyes!

Chen Ping felt the sound of wind behind him and did not look back. Instead, he swung the dragon-slaying sword back!

Under the control of Chen Ping's mind, the Dragon-Slaying Sword directly blocked Kawaguchi Kazuo's sword!

clang!

The fire splashed everywhere, and the Dragon-Slaying Sword was directly knocked away. Chen Ping jumped to catch the Dragon-Slaying Sword.

Under the violent impact, Kawaguchi Kazuo suddenly felt a slight numbness in the tiger's mouth, and the katana in his hand almost came out!

Chen Ping didn't even look at it. After catching the Dragon-Slaying Sword, he was still running fast!

Kazuo Kawaguchi looked shocked. Looking at the Dragon-Slaying Sword in Chen Ping's hand, his face became a little ugly: "The Spirit Sword is actually a sword that has generated a sword spirit..."

Kazuo Kawaguchi's eyes burst out with greedy light!

“Boy, you have a lot of treasures...”

Chapter: 2774

Kazuo Kawaguchi jumped, and then his katana drew a lotus in the air!

The lotus flower instantly enlarged and enveloped Chen Ping!

Kawaguchi Kazuo did not dare to follow Chen Ping in a head-on confrontation, he was afraid of destroying Chen Ping’s dragon-slaying sword.

You must know that a sword that produces a sword spirit is a priceless treasure!

Chen Ping felt something coming from behind him, and instinctively waved his hand back, and a sword light shot out instantly!

But the sharp sword light penetrated the lotus and did not cause any harm to the lotus!

Soon, Chen Ping’s entire body was enveloped by the lotus!

“Hmph, brat, if you have the guts, keep running...”

When Kazuo Kawaguchi saw that Chen Ping was under control, he snorted coldly.

Chen Ping ignored him, but held the Dragon-Slaying Sword in his hand, and the Dragon-Slaying Sword began to glow with a gray light!

Then Chen Ping slashed at the lotus with a fierce sword, but the sword light penetrated instantly and did not cause any damage to the lotus!

Chen Ping frowned. He didn't understand what the lotus that trapped him inside was, and why his sword light couldn't cause any harm to the lotus at all.

"Haha, you don't have to waste your efforts. This lotus is an illusory thing. No matter how hard you try, you can't break it."

Kazuo Kawaguchi laughed!

Kazuo Kawaguchi walked up to Chen Ping and looked at Chen Ping coldly: "Hand over the beast elixir and the sword in your hand. I may consider letting you live..."

Chen Ping stared at Kazuo Kawaguchi: "Are you telling the truth?"

"Of course, I keep my word. As long as you hand over what I want, I will definitely let you go..."

Kazuo Kawaguchi assured.

"Okay, I'll give you something..."

Chen Ping said, throwing the dragon-slaying sword to Kawaguchi Kazuo!

When Kazuo Kawaguchi saw this, he was so excited that he immediately picked up the Dragon Slayer Sword!

When Kazuo Kawaguchi held the Dragon-Slaying Sword, he suddenly felt a strong bloody smell from the Dragon-Slaying Sword, and scenes of horrific and bloody scenes kept flashing in his mind.

Kawaguchi Kazuo was startled and hurriedly threw the Dragon Slayer Sword to the ground!

"What about the beast elixir? Give me the beast elixir too..."

Chapter: 2775

Kazuo Kawaguchi said to Chen Ping.

“If I give you the beast elixir, will you let me go?”

Chen Ping confirmed again.

“Yes, I will definitely let you go!”

Kazuo Kawaguchi nodded.

Chen Ping hesitated for a moment, and finally put his hand into his pocket and took out the beast pill!

“You must keep your word...”

Chen Ping said again.

“Don’t worry, I will definitely count. Please give me the beast elixir quickly...”

Kazuo Kawaguchi is a little impatient!

Chen Ping took the beast pill and slowly stretched out his hand!

Seeing this, Kawaguchi Kazuo hurriedly reached out to pick it up!

But just when he was about to get the beast pill, Chen Ping suddenly shrank his hand, then opened his mouth and swallowed the beast pill!

“You idiot, you thought I really gave it to you...”

Chen Ping laughed!

Kazuo Kawaguchi suddenly shouted angrily: “Boy, how dare you play tricks on me...”

Just when Kazuo Kawaguchi was about to attack Chen Ping, the dragon-slaying sword that was thrown on the ground suddenly flew up on its own, and then stabbed Kazuo Kawaguchi fiercely from behind!

Kawaguchi Kazuo felt a chill on his back, and turned around quickly to block the attack of the Dragon-Slaying Sword!

At this time, Chen Ping clenched his fist and punched the lotus!

“Holy Light Fist...”

This time, Chen Ping did not use spiritual power, but used pure power to hit it hard!

boom.....

Under the Holy Light Fist, the lotus instantly shattered and turned into nothingness!

And Chen Ping’s body jumped up and disappeared instantly!

Chapter: 2776

When Kazuo Kawaguchi turned around, he found that Chen Ping had escaped!

“Boy, just wait for me, I will cut you into pieces...”

Kazuo Kawaguchi roared, but he comforted himself in his heart. Although Chen Ping ran away, the sword stayed!

But when Kawaguchi Kazuo turned around to look for the Dragon-Slaying Sword, he found that the Dragon-Slaying Sword had already disappeared!

The Dragon-Slaying Sword has long been fused with Chen Ping's body. It is simply impossible for Kazuo Kawaguchi to obtain the Dragon-Slaying Sword.

Chen Ping didn't dare to stop and galloped towards the nearest city!

The beast elixir in the body is constantly exuding bursts of monster power!

Chen Ping needs to find a place as soon as possible to refine this beast elixir!

Otherwise, the power in the beast elixir would always run rampant in Chen Ping's body!

At this time, in a small town closest to Chen Ping, Hu Mazi and Ge Yuhan were anxiously waiting for Chen Ping!

"Master Hu, do you think Mr. Chen will be fine?"

Ge Yuhan looked guilty, but Chen Ping acted like this because he saved her.

"Don't worry, this kid is very lucky. I've told him his fortune. He won't die..."

Although Hu Mazi spoke calmly, his face was full of anxiety!

Soon, Chen Ping's aura was sensed by the two people, so the two people's faces lit up and hurried towards the location of the aura with confidence!

When they saw Chen Ping, they were all dumbfounded. They saw that Chen Ping's body was in tatters and his face was red.

The skin on my body actually started to turn green!

"Chen Ping, what's wrong with you?"

Hu Mazi stepped forward and asked.

"Master Hu, I swallowed the spider beast's beast elixir and it hasn't been refined yet. I need to find a safe place to refine the beast elixir..."

Chen Ping followed Hu Mazi and explained.

"follow me....."

Hu Mazi took Chen Ping very quickly toward a hotel!

After checking in, Chen Ping asked Hu Mazi to find a way to notify Kyoto that Ge Yuhan had been rescued to avoid being summoned!

Chapter: 2777

Another point is to ask Hu Mazi and Ge Yuhan to protect him here and refine this high-level beast elixir. Chen Ping knew that it would not be possible to complete the refining in a short time.

Soon, Chen Ping entered into practice in the room, constantly refining the beast elixir in his body!

Hu Mazi followed Ge Yuhan and took turns guarding outside!

Time passes little by little...

In the blink of an eye, half a month passed, and Chen Ping suddenly opened his eyes in the room!

Let out a long breath!

“It seems that if this spiritual energy is not revived, the speed of practicing in this secular world is too slow...”

After Chen Ping refined a beast elixir, his realm had not yet broken through to the third level of Great Wuhou!

Although the laws of heaven and earth did not suppress Chen Ping, Chen Ping’s cultivation speed still felt very slow!

In fact, Chen Ping didn’t know that his current cultivation speed was already at the abnormal level. No one could reach the realm of Da Wuhou in such a short period of time!

Chen Ping opened the door and walked out, only to find Ge Yuhan guarding the door!

Seeing that Chen Ping was awake, Ge Yuhan quickly asked: “Mr. Chen, how are you doing?”

“The beast elixir has been refined, but it is not as good as expected, and the level has not been improved...”

Chen Ping was a little frustrated!

“The journey of cultivating immortals is all about gradual progress. You must know that in order to speed up the progress of cultivation, many immortal cultivators eventually abandon immortality and become demons. More and more immortal cultivators have inner demons, become demons, and finally evolve into gods and demons. Fight!”

“The whole world collapsed, gods and demons fell, and martial arts began to run rampant...”

Ge Yuhan comforted Chen Ping.

“Where’s Master Hu?”

Chen Ping asked Ge Yuhan.

“He...he is in the room...”

Ge Yuhan’s face turned red and she whispered.

“This guy won’t bully you and only let you protect the law, right?”

Chen Ping said and walked towards Hu Mazi’s room.

As soon as I walked to the door, I heard a woman’s voice coming from inside!

Chapter: 2778

Chen Ping instantly understood why Ge Yuhan blushed just now!

“Is this old guy possessed by a sex demon?”

Chen Ping stepped forward and kicked open the door!

“ah.....”

There was a woman’s scream, and then a girl ran out disheveled!

When Hu Mazi saw it was Chen Ping, he said with a face full of displeasure: “You guy, I have protected you for so many days, and now you want to relax, and you actually bother me?”

“Master Hu, I am doing this for your own good. Don’t let your body collapse in the end. You will never become a true immortal...”

Chen Ping said to Hu Mazi.

“It doesn’t matter if you are a true immortal or not, just live one day at a time...”

Hu Mazi put on his clothes haphazardly: “Since you’re awake, I’m going back to Baihai City. It’s okay if no one is guarding the ancient ruins of Tianfu Sect...”

Hu Mazi planned to return to Baihai City, but Chen Ping knew that he was not guarding the ancient relics of Tianfu Sect, but thinking about the two girls of the Shen family!

“You accompany me to Penglai Island. After finishing your work, you are going to Baihai City...”

Chen Ping said to Hu Mazi.

“What are you going to Penglai Island for? The formation there has been broken, and there is not much spiritual energy left. What are you going to do there?”

Hu Mazi asked.

“Have you forgotten that there is that sculpture? It contains a lot of spiritual power. Please accompany me for a walk. I will have a companion on the way...”

Chen Ping said with a slightly pleading tone.

“Forget it, I don’t want to run away. You still have that little girl with you. It just so happens that you two want to do whatever you want. I am not an eyesore to this old man...”

Hu Mazi waved his hand!

“I don’t have what you have. If you don’t come with me, don’t come to me again about the Fu Sect thing that day, and I won’t take the risk to pass on those talismans to you...”

After Chen Ping finished speaking, he turned around and walked out!

Seeing this, Hu Mazi hurriedly stepped forward and pulled Chen Ping: “Look, I was just joking, but you took it seriously. Clean up. Let’s leave now, just to relax...”

Chen Ping looked at Hu Mazi like that and smiled slightly.

The three people simply packed up and then headed towards Penglai Island!

Chapter: 2779

After two days and two nights of travel, we arrived at Penglai Island.

Just when the three people landed on the island, Ge Yuhan suddenly stopped!

“What’s wrong?”

Chen Ping asked.

“Why is there the scent of the Blood Demon here?”

Ge Yuhan’s face became very ugly!

“The Blood Demon is on this island, but now it’s a stone statue!”

Chen Ping explained.

“Stone statue?” Ge Yuhan looked confused.

“Let’s go, just follow me and have a look!”

Chen Ping pulled Ge Yuhan towards the palace on Penglai Island!

Du Nan knew that Chen Ping was back and hurriedly brought people to greet him with high standards!

“You’re the boss here, it seems like you’re very nourished...”

After Hu Mazi saw Du Nan, he stepped forward and patted Du Nan on the shoulder.

“Master Hu is here too, please come in quickly...”

Du Nan said with an embarrassed smile.

“I ask you, do you have any...”

Hu Mazi said, leaning into Du Nan’s ear and asking.

After hearing this, Du Nan nodded repeatedly: “Yes, I will definitely arrange it for Master Hu...”

“Hahaha, not bad...”

Hu Mazi walked into the palace with a smile!

And when Chen Ping looked at Hu Mazi like that, he knew without asking what kind of request Hu Mazi had made with Du Nan.

“Has there been any change in the forbidden area while I’ve been away?”

Chen Ping asked Du Nan.

Chapter: 2780

“Back to Mr. Chen, after you left, I sent people to seal off the forbidden area. No one has ever entered...”

Du Nan replied.

“Okay, let’s go directly to the forbidden area...”

Chen Ping wants to see how the stone statue is doing.

When Chen Ping led people into the forbidden area, they were stunned. They saw that the huge stone statue had long since fallen apart, and inside the stone statue, a corpse was lying lifelike inside the stone statue!

Looking at the intactness of the corpse, it looked as if it had just died, even the skin was still elastic!

At this time, Chen Ping was a little dumbfounded and couldn’t figure out why a corpse suddenly appeared here!

Chen Ping looked at Du Nan, who was so frightened that he was sweating profusely and said: “Mr. Chen, I... I don’t know what’s going on. No one has ever come in...”

“This...I don’t know who this corpse is!”

Chen Ping frowned, wondering why a fresh corpse suddenly appeared here?

But at this time, Ge Yuhan, who was next to Chen Ping, looked at the corpse, and his face became more and more ugly...

“This...this is the Blood Demon...”

Ge Yuhan said with a trembling voice.

“Blood Demon?”

Chen Ping was startled, and hurriedly looked at the corpse again, and found that the man’s corpse was very young, about thirty years old, with handsome features, and he was not that kind of demon.

And looking at the corpse, it looked like it had just died. How could it be a blood demon that had been dead for thousands of years?

“Girl, what kind of blood demon? Do you know this person?”

Hu Mazi didn’t know what the blood demon was yet, so he asked Ge Yuhan.

Ge Yuhan nodded: “I have seen the Blood Demon. Our Guanghan Palace was massacred by the Blood Demon clan back then...”

“I didn’t expect that this blood demon is so young and has been for thousands of years. His body is not rotten at all, as if he had just died...”

Chen Ping was very surprised!

“No, he is not dead. As soon as I landed on the island, I felt his breath. Dead people don’t have breath.”

Ge Yuhan said.

When Chen Ping heard this, he was immediately startled. If the blood demon was not dead, then none of them would be able to survive.
