

## **The Order 2781**

Chapter: 2781

This kind of big demon who has lived for thousands of years must be very powerful!

Seeing Chen Ping's nervous look, Ge Yuhan continued: "Don't worry, although he is not dead, it is impossible for him to survive. Now he is probably only left with a breath of vitality to keep his body from decaying..."

When Ge Yuhan said this, Chen Ping felt relieved!

"Since I can't survive, I will burn this guy's body now. The savings will be scary..."

As Chen Ping spoke, light blue flames danced in his palms, and then a burst of spiritual power was injected into the flames, and a fire burst into flames!

Chen Ping pushed, and the fire enveloped the blood demon's body and began to burn continuously!

But the fire burned for a long time, and the blood demon's body did not change at all!

Chen Ping was stunned for a moment. You must know that he is really hot and almost indestructible!

But you don't want to be able to burn even a physical body?

"How is this going?"

Chen Ping said with surprise on his face.

"This blood demon is so powerful that even if it is a physical body, it cannot be easily destroyed by others."

Ge Yuhan said.

When Chen Ping heard this, he frowned slightly and looked carefully at the blood demon's body!

"This guy's body is so strong. If he could be transformed into a puppet corpse, wouldn't he be invincible..."

At this time, Hu Mazi said something from the side.

When Chen Ping heard this, his eyes suddenly lit up. Just as Hu Mazi said, if he could make this blood demon's corpse into a puppet corpse and obey his orders, then he would be invincible in the world.

What kind of martial arts alliance should go directly to overthrow and rescue Su Yuqi!

But Chen Ping doesn't know how to refine a corpse, and he doesn't know how to refine a puppet corpse!

"Master Hu, do you have a way to turn this blood demon's corpse into a puppet corpse?"

Chen Ping asked Hu Mazi.

"How could I possibly do that kind of evil magic? I am a serious cultivator of immortality, not an evil cultivator..."

Hu Mazi waved his hands and said.

"What do you think the Blood Demon is? And you want to turn his corpse into a puppet corpse? It's just a joke."

Chapter: 2782

Ge Yuhan rolled her eyes at Chen Ping and Hu Mazi and said.

This blood demon was a lord thousands of years ago. Even if he only has one breath of Qi now, his body cannot be easily turned into a puppet corpse by others.

When Chen Ping heard this, he immediately sighed: "Hey, it's a pity that this powerful body can't be destroyed and can't be used..."

But then Ge Yuhan changed the topic: "Although you can't make a puppet corpse, you can possess the soul and control the blood demon's body. However, the soul must be strong, and it is impossible to control the body for too long, otherwise the soul will be Devoured by the flesh."

"Possessed by a soul?" Chen Ping was stunned for a moment, but then shook his head: "If I were possessed by a soul, wouldn't my body become a walking zombie?"

"You are stupid. Why do you have to send out a soul? You can find a soul, bind it with your spiritual consciousness, and let it possess the body of the blood demon. In this way, you can control the body of the blood demon!"

Ge Yuhan smiled at Chen Ping!

Upon hearing this, Chen Ping had an epiphany, slapped his forehead and said, "Yes, why didn't I think of this method..."

"The method is good, but where are you going to find the soul? And the strength cannot be too bad, otherwise there will be no way to control this blood demon body..."

Hu Mazi asked Chen Ping.

Chen Ping was stunned for a moment, but soon he thought that Fan Jiang's soul still remained in his storage ring!

This guy is at the peak of Wu Hou's strength. There will definitely be no problem in controlling this blood demon body!

Thinking of this, Chen Ping hurriedly opened the storage ring and released Fan Jiang's soul!

As soon as Fan Jiang's soul appeared, it was directly controlled by Chen Ping with his spiritual consciousness!

At this time, Fan Jiang's soul was very weak, and he could only bow his head when facing Chen Ping.

"Fan Jiang, I kept your soul and spared your life. Now I have found a body for you, so you can see the light of day again."

Chen Ping said to Fan Jiang's soul.

Fan Jiang was stunned. He didn't expect that Chen Ping would really find him a physical body?

Aren't you afraid of taking revenge after finding your physical body?

Seeing Fan Jiang like that, Chen Ping knew what he was thinking, so he continued: "I will leave a spiritual consciousness on you. If you dare to betray me, then I can make you disappear immediately..."

When Fan Jiang heard this, he quickly knelt down and said, "I will never betray Mr. Chen..."

Chen Ping nodded, and then a golden light flew out from between his eyebrows and entered Fan Jiang's body instantly!

"This is the body I found for you, you can possess it!"

Chen Ping pointed at the blood demon's body and said to Fan Jiang.

Chapter: 2783

Fan Jiang took one look at the Blood Demon body and was still very satisfied, so he rushed towards the Blood Demon body!

But just as Fan Jiang rushed forward, he saw a ray of light emitting from the blood demon's body, instantly knocking Fan Jiang's soul away!

At this moment, everyone was stunned, and Fan Jiang even took a breath of air: "Such a powerful body, I...I can't possess it at all..."

Chen Ping also looked at Ge Yuhan in surprise!

"The strength of this soul is too weak, so it cannot break through the barrier of the blood demon body..."

Ge Yuhan explained.

"Is the strength of Wuhou at his peak still weak?"

Chen Ping was speechless for a while. Fan Jiang was at the peak of Wu Hou's strength, and he couldn't possess the body of a blood demon. What kind of strength was needed?

Dawuhou?

Where can Chen Ping find the soul of Lord Wu?

At this moment, Chen Ping suddenly felt like a deflated ball.

Since Fan Jiang's soul cannot possess him, Chen Ping can only put Fan Jiang's soul back into the storage ring!

Just when Chen Ping was about to take action, Fan Jiang suddenly said: “Mr. Chen, do you want this body to be resurrected?”

“Not bad!” Chen Ping nodded.

“Although I can’t possess him, we can make this corpse into a puppet corpse, which can also obey Mr. Chen’s orders!”

Fan Jiang said quickly, he didn’t want to be put into the storage ring by Chen Ping!

“Do you know what strength this corpse has? Do you still want to make it into a puppet corpse?”

Hu Mazi snorted coldly.

“Any corpse will do. As long as it’s a corpse, I can practice. Even if it’s a transformational state, I can practice...”

Fan Jiang said with confidence.

“Are you really good at practicing?” Chen Ping was a little doubtful!

“Mr. Chen, I would never dare to deceive you...”

Fan Jiang said respectfully.

“Well, you can refine it. If you can successfully refine it, I will definitely find you a physical body.”

Chapter: 2784

Chen Ping said.

Fan Jiang looked confused: “Mr. Chen, I am just a soul now. There is no way to refine it. I need to find a physical body.”

Chen Ping looked at Fan Jiang and didn't speak for a long time. After being stunned for a moment, he nodded and said, “Okay, I'll find you a physical body, but if you dare to lie to me, I will definitely make you regret it...”

“I dare not. Now Mr. Chen is the Great Wuhou. Even if I find a physical body, I am still no match for Mr. Chen. How dare I deceive you...”

Fan Jiang quickly assured.

“Du Nan, go find a corpse...”

Chen Ping ordered to Du Nan.

Du Nan nodded and quickly looked for the corpse. This corpse was full of beard and didn't look very good!

Although Fan Jiang was a little disgusted, at this point, as long as he could see the light of day again, he didn't care about that.

Soon, Fan Jiang possessed the corpse. With the bearded corpse opening his eyes, Fan Jiang woke up!

Looking at his body, Fan Jiang's face was full of excitement!

“Now you can refine the puppet corpse...”

Chen Ping said to Fan Jiang.

“Mr. Chen, to refine such a powerful puppet corpse, you need to build an array...”

Fan Jiang said.

Chen Ping frowned: “How much time will it take?”

“Just a few hours...”

“Okay, let Du Nan send someone to assist you, and you have to hurry up...” Chen Ping nodded, then turned around and left the forbidden area!

Chen Ping and the others were tired from the journey and needed to rest first.

“Chen Ping, do you really believe that guy?”

Hu Mazi asked Chen Ping.

“He shouldn’t dare to lie to me. As the leader of the evil cultivator, maybe he really has a way to refine the corpse of the blood demon into a puppet corpse...”

Chen Ping can only choose to believe in Fan Jiang now!

A few hours passed quickly!

Chapter: 2785

Du Nan sent someone to call Chen Ping and the others. When they entered the forbidden area, Chen Ping saw that in the middle, a five or six meter high formation had been set up!

Moreover, there are some magic weapons placed around the formation, which are probably used to stabilize the formation.

“Mr. Chen, the formation has been set up, but there is no decent magic weapon here to stabilize the formation. I’m afraid that during the refining period, the formation will not be able to withstand it and collapse. I wonder if Mr. Chen has any high-level magic weapons?”

Fan Jiang asked Chen Ping.

Chen Ping shook his head with an embarrassed look on his face: “I don’t have any magical weapons. I have a spiritual sword. Can I use it?”

Fan Jiang shook his head: “To be on the safe side, I think we need to find a few magic weapons...”

But where can Chen Ping go to find the magic weapon now?

At this moment, Hu Mazi stood up and said: “What kind of magic weapon should I use? I just need to draw a few spells to ensure that this formation is as stable as a rock.”

Hu Mazi said, took out the yellow paper, and then muttered something in his mouth, drawing something on the yellow paper!

Soon, Hu Mazi drew the talisman and pasted it on all the four corners of the formation!

Looking at Hu Mazi’s technique of drawing talismans, Fan Jiang was suddenly surprised. He didn’t expect that there were people who were so proficient in talismans!

Fan Jiang ordered people to place the blood demon’s body in the middle of the formation, then took it out and looked at Chen Ping and said: “Mr. Chen, we still need a few drops of your blood essence to drip into the corpse. Then you can control him.” !”

Chen Ping nodded, jumped up and landed on the platform, and then forced out a few drops of blood from the center of his eyebrows, and dropped them on the blood demon’s body!

When the blood essence dripped onto the body of the blood demon, it was instantly absorbed into the body!

And the blood demon's corpse seemed to be stimulated and started to twist!

Chen Ping looked at Fan Jiang in surprise!

Fan Jiang jumped onto the formation and said to Chen Ping: "Mr. Chen, no one can disturb me while I am refining the puppet corpse, otherwise I will fail in my work."

"Don't worry, I will personally guard here, but how many days will it take you to refine the puppet corpse?"

Chen Ping asked.

He couldn't protect Fan Jiang endlessly. If Fan Jiang lied, he wouldn't be able to refine it at all. Then wouldn't Chen Ping and the others have to be here all the time to protect the law?

Fan Jiang raised his head and looked at the sky, and then said: "The refining can be completed before dark..."

"Okay!" Chen Ping nodded and jumped down from the formation.

Soon, Fan Jiang slowly raised his hands and muttered words. Strange powers emerged from the ground one after another, and then these powers gathered on the body of the blood demon!

Chen Ping and Hu Mazi were waiting quietly to protect Fan Jiang!

Chapter: 2786

Time passes by minute by minute!

It was getting dark, but Fan Jiang didn't move, and neither did the Blood Demon's body.

However, strange forces are still emerging from the underground!

Chen Ping's face showed anxiety, but he could only wait!

At this moment, there were sudden sounds of fighting outside, and accompanied by two terrifying auras, they were heading towards the forbidden area.

Chen Ping's expression changed: "Is someone coming?"

"The breath is not weak, the realm of Da Wuhou..."

Hu Mazi also frowned and said.

Chen Ping glanced at Fan Jiang on the platform, and then said to Ge Yuhan: "Yuhan, stay here and don't let anyone get close. Master Hu and I will go out and have a look..."

Ge Yuhan nodded, and then Chen Ping quickly rushed out of the forbidden area with Hu Mazi!

As soon as I rushed out, I met Du Nan who was in a panic!

"what happened?"

Chen Ping stopped Du Nan and asked.

"Mr. Chen, what's wrong, two people broke into the palace and went straight to the forbidden area. My people couldn't stop them..."

Du Nan said anxiously.

When Chen Ping heard this, he immediately stepped forward to greet him.

However, the closer the distance, the uglier Chen Ping's face became, because he could clearly feel that the opponents were all powerful in the late stage of Da Wuhou.

Chen Ping was not sure about this kind of strength. If the two opponents were both powerful in the late stage of Da Wuhou, then Chen Ping would not be able to stop him at all!

Regardless of whether they can be blocked or not, Chen Ping will always stop them and cannot let them rush into the forbidden area!

Hu Mazi also had a solemn face at this moment, holding yellow paper in his hand and constantly drawing talismans!

When Chen Ping and Hu Mazi rushed into the main hall, they found corpses lying on the ground, and a man and a woman covered in blood were walking towards the back of the palace!

"Stop, who are you? Why did you break into the palace and kill people randomly?"

Chen Ping stopped the two people in front of him!

The man just glanced at Chen Ping, and then said coldly: "If you don't want to die, just get out of here..."

Chapter: 2787

After that, the man and the woman ignored Chen Ping and walked straight to the forbidden area with confidence!

When Chen Ping saw this, he punched him, blocking the way of the two people!

And the man immediately followed up with a punch.

boom.....

With a loud noise, Chen Ping's body flew back instantly, and then his arms trembled slightly.

The test of this punch let Chen Ping know that the opponent's strength was far superior to his!

"Who are you? What do you want? I can give it to you..."

Chen Ping knew that if force was used, he and Hu Mazi might not be able to stop the two of them, so he wanted to delay!

"We are members of the Demon Spirit Sect, and now we need to take away the blood demon's body..."

The man said to Chen Ping.

"Demon Spirit Sect?" Chen Ping was stunned. He had never heard of this sect, and how could the other party know that the blood demon's body was here?

"We don't have the blood demon body you're talking about here at all. Are you looking in the wrong place?"

Chen Ping said pretending not to know anything.

"Boy, stop pretending. You understand what we are talking about. If you hand over the Blood Demon's physical body now, we can leave immediately without embarrassment for you..."

The woman spoke!

"I really don't know..."

Chen Ping shook his head.

“Still pretending, I think you won’t shed tears until you see the coffin...”

After the woman finished speaking, she raised her foot and kicked Chen Ping!

The snow-white long legs were in front of Chen Ping in an instant!

Chen Ping quickly retreated, then grabbed the man’s ankles with both hands and pulled him back suddenly!

And the woman used her strength to jump up, and her legs were wrapped around Chen Ping’s body like a water snake!

Being in such close contact with a woman made Chen Ping instantly embarrassed!

“Well, you witch, come to me if you can...”

Chapter: 2788

When Hu Mazi saw this, his eyes turned red, and he immediately threw a spell at the woman!

The talisman exploded in the air in front of the woman, forcing the woman to let go of Chen Ping and roll her body backwards!

“Chen Ping, you are strong enough to deal with that man, let me deal with this woman...”

Hu Mazi stared at the woman in front of him with his eyes.

It’s just that his eyes kept scanning the woman’s long snow-white legs...

Feeling Hu Mazi's gaze, the woman frowned, her face full of disgust!

Chen Ping looked at Hu Mazi like that and felt speechless. When did this happen?

Hu Mazi still only has women in his eyes!

"Master Hu, that woman is not weak either. You have to be careful..."

Chen Ping warned Hu Mazi.

"Don't worry, I haven't learned anything during this period. I just learned how to deal with women. See how I deal with her..."

As Hu Mazi said, he threw several charms at the woman, and then Hu Mazi followed closely and rushed towards the woman!

Bang bang bang.....

Several talismans exploded in the air, rising into clouds of flames, directly blocking the woman's escape route.

At this time, Hu Mazi had already arrived in front of the woman, with a wretched look on his face, he opened his mouth and hugged the woman with both arms!

The woman's face became angry and she punched out hard.

Just when the woman was about to punch Hu Mazi in the chest, a spell suddenly exploded on Hu Mazi's chest!

The woman was startled and retreated only to find that her way was blocked behind her!

At this time, Hu Mazi was already in front of the woman, and he reached out and touched her face directly!

Seeing his hand, Hu Mazi quickly retreated, but he was still a step too slow!

The woman was touched by Hu Mazi, and she was so angry that she kicked her out!

He kicked Hu Mazi away and fell heavily to the ground!

Hu Mazi grinned in pain, but she kept mumbling: "It's so tender, so smooth..."

Chen Ping looked at Hu Mazi like that and really didn't know what to say!

Chapter: 2789

Why is this guy dying trying to pick up girls?

"You are looking for death..."

The man was angry, and a terrifying pressure erupted from his body.

Chen Ping suddenly felt a huge amount of pressure on his body, and his legs were trembling slightly!

That Hu Mazi lay directly on the ground, unable to get up due to the pressure on his body!

The aura on Chen Ping's body began to rise, trying hard to resist the pressure!

Golden lights flickered from his body, illuminating the dark night sky. The entire hall was filled with dazzling golden light!

The man looked at Chen Ping and his eyes narrowed slightly: "I didn't expect that your boy's physical body is also a good thing..."

Say it, the man's figure disappeared in a flash, and then he was in front of Chen Ping!

Then he punched Chen Ping in the chest!

Chen Ping met him with a punch, and the two fists clashed!

boom.....

A huge explosion sounded, and then Chen Ping's body instantly retreated!

And the man's figure also shook a few times, and his wrists were slightly numb!

"If this body grows up, it will probably be even stronger than that blood demon..."

The man's eyes narrowed slightly, with heat in his eyes.

"Don't hurt him. Capture him and keep him. This is definitely a top-notch body..."

The woman's eyes were also full of sparkle, and her gaze towards Chen Ping changed!

The man's face turned cold for a moment, and he looked at the woman and said, "You don't have a crush on this kid, do you?"

After hearing this, the woman frowned and said, "What nonsense are you talking about? I just like his body..."

"Then you can catch me, I don't care..."

The man seemed jealous and angry, and he actually stopped and walked aside!

Chen Ping looked at the man and the woman and suddenly felt speechless. These two people completely ignored him.

The woman rolled her eyes at the man, then looked at Chen Ping and said, "Little brother, listen to me. We will never hurt you, and we will make you stronger."

Chapter: 2790

"I don't want to hurt you, so you'd better stop resisting..."

The woman said as she walked towards Chen Ping!

Moreover, the woman's eyes were full of charm, and she was actually casting a charm spell on Chen Ping!

It's just that this woman's charm skills are obviously not her strong point. Compared with the two sisters Wu Meier and Xiaolan, they are far behind!

Chen Ping didn't even care about the sisters' charm skills. How could he still be charmed by this woman?

Chen Ping smiled secretly in his heart, but his face was expressionless.

Seeing Chen Ping's dull expression, the woman raised the corners of her mouth slightly, walked up to Chen Ping, and gently stroked Chen Ping's face with her hands!

Seeing this, Hu Mazi pounded his fists on the ground angrily: "That's too much. Why don't you touch me?"

The woman exhaled like blue and whispered softly: "Little brother, listen to your sister, follow your sister, and be good..."

The woman took Chen Ping's hand and planned to take Chen Ping away!

But just when the woman took Chen Ping's hand, a gleam suddenly flashed in Chen Ping's eyes, followed by a sneer at the corner of his mouth.

Before the woman could react!

Chen Ping smashed it out with one Holy Light Fist!

This punch hit the woman's stomach hard, knocking her away instantly!

The woman was unprepared and was punched by Chen Ping. Her body fell heavily to the ground, and there was blood flowing from the corner of her mouth!

"Damn, is this guy so cruel to women?"

Hu Mazi was shocked when he saw this!

When the man saw Chen Ping knocking the woman away with one punch, he became furious and red flames began to rise from his body.

The flames enveloped the man's body, and waves of heat swept over him instantly!

Chen Ping looked at the rising flames on the man's body, and his face instantly became a little ugly!

This man actually knows how to control fire, and he seems to be quite proficient in it!

Chen Ping activated the power of the dragon in his body, golden lights flashed, and then a golden dragon wrapped around Chen Ping's body!

call.....

I saw the man waving his palm, and the flames on his body hit Chen Ping, and a huge heat wave was also rolling.
