

The Order 2791

Chapter: 2791

Chen Ping did not dare to resist, so he could only keep retreating and dodging everywhere, but the balls of flames seemed to have eyes, chasing Chen Ping.

Seeing this, Chen Ping could only stop, and light blue flames instantly ignited in his palms. With the blessing of a divine dragon, the flames rose up!

Chen Ping decided to fight fire with fire. Chen Ping's palm gently pressed down, and the light blue flame burned on the ground instantly, forming a wall of fire in front of Chen Ping!

"You actually know how to control fire, but you're just too unskilled..."

The man looked at the wall of fire in front of Chen Ping and couldn't help but laugh out loud!

Huhu.....

Soon, balls of flame penetrated the fire wall and hit Chen Ping hard!

Chen Ping's body suddenly burst into flames, and he fell to the ground!

Immediately afterwards, I saw the man's body jumping up, and flames began to burn in the air. It seemed that the entire hall was burning with raging fire!

The flames pressed downwards, with terrifying pressure, as if they were going to tear Chen Ping's body into pieces!

Chen Ping gritted his teeth, and all the joints in his body were rattling.

Chen Ping's eyes turned blood red, and blood began to seep out of his mouth and nose!

But just when the flame was about to fall on Chen Ping from mid-air, there was a sudden chill, and then he saw streams of water mist rushing towards the flame, directly extinguishing the flame!

Chen Ping looked surprised. He didn't know who was helping him. When he turned around and looked, he found that the woman who was helping him was actually the woman just now.

“what are you up to?”

The man looked at the woman with anger on his face!

“You can't kill him, I'll do it...”

The woman walked towards Chen Ping with a cold face, looking like she was still worried about the punch just now!

The man looked at the woman's expression and said nothing, but took a few steps back!

The woman looked at Chen Ping, and the coldness on her body enveloped Chen Ping!

Ice blue crystals were rapidly condensing on Chen Ping's body, and icicles suddenly appeared from the ground, trapping Chen Ping on the ground like a cage!

Chen Ping wanted to break free, but found that his body was stiff and he couldn't move at all!

“I could have given you a chance, but you personally destroyed the chance, so now you have no choice but to die...”

After the woman finished speaking, a sharp ice pick suddenly appeared on her palm and was pointed directly at Chen Ping's head!

Chapter: 2792

The power of the divine dragon in Chen Ping's body is constantly surging, and the spiritual power in his dantian is also surging outward rapidly!

He must break through the layer of crystals on his body, otherwise he will really die!

Just when the woman was about to attack Chen Ping, Hu Mazi, who was originally lying on the ground, suddenly jumped up and hugged the woman's snow-white thigh...

"Chen Ping, run quickly..."

Hu Mazi shouted at Chen Ping!

"ah....."

Chen Ping shouted angrily, and the crystals on his body shattered. Then Chen Ping jumped up, turned around and ran towards the forbidden area!

He knew that he would never be a match for these two people if the fight continued!

The woman was stunned for a moment, and then she wanted to chase Chen Ping, but found that Hu Mazi was hugging her legs and rubbing her face against her legs in disgust!

"Let go, let me go..."

The woman kicked Hu Mazi hard, but Hu Mazi wouldn't let go.

At this moment, when the man saw Chen Ping running away, he jumped up, his fists were wrapped in flames, and then he punched Chen Ping.

This punch is extremely powerful, and it carries waves of heat!

Chen Ping didn't dare to stop. The dragon-slaying sword instantly appeared in his hand, and when he turned around, he slashed it out with one piece!

clang.....

There was a loud noise, and a terrifying force came from the Dragon-Slaying Sword, which almost made the Dragon-Slaying Sword fly away from Chen Ping's hand!

With the help of this power, Chen Ping's figure rushed forward very far!

"Damn, this power is so terrifying..."

Chen Ping did not dare to stop for a moment and continued to run forward!

The man was chasing Chen Ping again!

The man was very fast and caught up with Chen Ping in the blink of an eye!

Chen Ping gritted his teeth, turned around and struck out with another sword!

clang.....

This time, the dragon-slaying sword in Chen Ping's hand was instantly knocked away, and Chen Ping's tiger's mouth cracked open and blood flowed out!

Chapter: 2793

Chen Ping's expression changed. Without the Dragon-Slaying Sword, Chen Ping could only fight head-on...

Bang bang bang.....

The man punched three times in a row, and Chen Ping punched the same three times!

After three punches, Chen Ping's body flew out and fell heavily to the ground!

"What a pervert..."

Chen Ping stood up with a worried look on his face. The man in front of him was too powerful!

Chen Ping took a deep breath, and the Dragon-Slaying Sword returned to Chen Ping's hand, and then the power of the dragon was injected into the Dragon-Slaying Sword!

The dragon-slaying sword buzzed, and then a golden dragon hovered above Chen Ping's head!

But the man didn't pay any attention to Chen Ping's changes. He punched Chen Ping again and yelled at Chen Ping to hit him!

This punch was so powerful that the wind turned into a fire dragon, roaring towards Chen Ping!

When Chen Ping saw this, he waved the Dragon-Slaying Sword in his hand with all his strength!

The golden dragon roared and rushed out!

boom!

Two dragons collide and the earth shakes!

Chen Ping's golden dragon instantly turned into specks of light and dissipated, but the fire dragon continued to roar towards Chen Ping!

Chen Ping frowned, feeling the powerful aura of the fire dragon. Chen Ping could only use his indestructible golden body to the extreme and bear the blow with all his strength!

Bang...

Chen Ping's body flew out, and in mid-air, the indestructible golden body was shattered, and wounds appeared on Chen Ping's body!

Chen Ping hit the ground hard, making a deep hole in the ground!

The man jumped up, without any unnecessary nonsense, volleyed directly down into the air and punched Chen Ping.

Chen Ping might not be able to bear this punch!

But at this moment, there was a shout, and Ge Yuhan flew out and stood directly in front of Chen Ping. From bottom to top, he exuded a light blue aura, forming a barrier in an instant!

boom.....

The man's punch hit directly on the barrier. The barrier shattered with a sound, and at the same time offset the power of the punch!

Chapter: 2794

But Ge Yuhan's face turned a little pale.

It was obvious that Ge Yuhan's physical body and the saint's soul had reduced his strength a lot, and he was no match for the man in front of him.

But the appearance of Ge Yuhan gave Chen Ping a chance to breathe!

“I didn’t expect that there is a master hiding there, so let’s go together, both of you...”

Seeing Ge Yuhan, the man didn’t panic at all, but was actually a little excited!

Flames began to rise from the man’s body again, his whole body was like a burning man, and a terrifying aura rippled around!

Then the man punched out both fists, and balls of flames, mixed with terrifying power, rushed toward Chen Ping and Ge Yuhan!

Ge Yuhan and Chen Ping took action quickly, and bursts of explosions rang in their ears!

boom.....

In the end, neither Ge Yuhan nor Chen Ping could hold on, and were directly hit by the flames. The huge force made their internal organs tumble.

Ge Yuhan and Chen Ping stood up. Although they were injured, they still gritted their teeth. They could not let the man enter the forbidden area!

But just as the two of them were preparing to deal with the man together, waves of ice struck, and the woman rushed out of the hall.

Seeing the woman appear, Chen Ping felt sad. He knew something might have happened to Hu Mazi!

Anger rose in Chen Ping’s eyes, and terrifying murderous intent filled Chen Ping’s body at this moment!

“Don’t waste time, kill these two people quickly, I feel the blood demon’s aura has changed...”

The woman said to the man.

The man nodded, and then the two of them shot at Chen Ping and Ge Yuhan!

Chen Ping knew that if it was two against one, he and Ge Yuhan could still hold the man back, but now that they were two against two, they had no chance of winning, and they were afraid that they might not even be able to survive a single move.

Just when Chen Ping was about to fight for his life, the mountains suddenly shook like an earthquake!

Immediately afterwards, a white light shot into the sky from the forbidden area, followed by a violent explosion!

The man and woman stopped at the same time, looking in the direction of the forbidden area with solemn expressions!

The light slowly disappeared, and then an extremely terrifying aura came out from the forbidden area!

“This is?”

The man and woman’s eyes widened at the same time, and their faces became very ugly!

Chapter: 2795

In the darkness, two figures walked out of the forbidden area!

Fan Jiang was walking in front, but at this time Fan Jiang’s aura was very weak and his face was ugly. It could be seen that he spent a lot of energy in performing this technique!

And behind Fan Jiang is the body of the blood demon, now a puppet corpse!

The blood demon's eyes were dull and he stood like a robot.

"Mr. Chen, it's successful..."

Fan Jiang said weakly.

"Okay, you take a rest first..."

Chen Ping asked Fan Jiang to sit down and rest, while he himself entered the blood demon's body with a spiritual consciousness, and instantly connected with the blood spiritual consciousness he left in the blood demon's body!

Chen Ping was overjoyed. Even though he was so embarrassed at the moment, he couldn't help but laugh!

But at this time, the faces of the man and the woman were surprisingly ugly!

"Quickly, kill that kid. The kid's consciousness is connected with the blood demon's body..."

The woman seemed to see something and said hurriedly.

The man jumped up, the flames on his body burned even more intensely, and his aura reached its maximum!

The terrifying aura shrouded Chen Ping. He wanted to kill Chen Ping with one blow and not let Chen Ping live!

Chen Ping felt the terrifying aura and immediately activated his consciousness. The blood demon's body jumped up and stopped directly in front of the man!

The man didn't stop at all, but punched the Blood Demon with a punch. After a loud bang, there was no trace on the Blood Demon's body!

On the contrary, the man only felt a huge counter-shock force coming, and his arm bent strangely.

Looking at his broken arm, the man was greatly shocked!

"How...how can it be so powerful?"

The man couldn't believe it. The Blood Demon obviously didn't take action. His punch on the Blood Demon did not cause any harm to the Blood Demon. Instead, his own arm was broken.

"Let's go, we can't stay here anymore..."

The man said to the woman.

The woman also noticed it, so she nodded, and the two of them jumped up!

"Kill them..."

Chapter: 2796

Chen Ping ordered to the blood demon.

How could Chen Ping let them go when he was beaten into such a mess.

After receiving the order, the Blood Demon seemed to be motionless, but he moved directly behind the man.

The man was startled and instinctively turned around and punched out!

But the blood demon directly raised his hand, grabbed the man's fist, and crushed the fist with force!

"ah....."

A painful scream came from the man's mouth!

When the woman heard the man's scream, she didn't dare to stop at all. She didn't even dare to look at him, and quickly ran towards the distance!

Immediately afterwards, the blood demon slapped the man, and this slap directly blew the man's head open!

puff!

The man's head instantly splattered with blood, and he died immediately, and even his soul disappeared!

At this time, the woman seemed to feel the disappearance of the man's breath. After looking back, she continued to run forward!

The Blood Demon was about to chase the woman, but was stopped by Chen Ping.

"Come back, don't chase me..."

After hearing Chen Ping's order, the blood demon's figure seemed to be traveling all the time, and he was in front of Chen Ping in an instant!

Seeing the blood demon's strength, Chen Ping simply couldn't put it down. He was even happier than seeing a woman.

With such an invincible younger brother by his side, any martial arts alliance is rubbish!

When Chen Ping was excited, Fan Jiang directly poured cold water on Chen Ping!

“Mr. Chen, I don’t have a real body, so I can’t fully perform the spell. This puppet corpse can only last for seven days. After seven days, it will turn into a corpse again.”

Fan Jiang said to Chen Ping.

When Chen Ping heard this, his original excitement disappeared in an instant: “After seven days, can’t we continue to refine him while we are casting spells?”

Fan Jiang smiled bitterly: “Mr. Chen, you cannot refine a puppet corpse with this strength for a second time. However, you can keep the corpse. When a suitable soul is available, you can use the soul to control the corpse. ”

When Chen Ping heard this, he felt a glimmer of hope in his originally discouraged heart, but seven days was enough to destroy the martial arts alliance!

“How long do you think it will take for this puppet corpse to destroy the martial arts alliance?”

Chapter: 2797

Chen Ping asked.

Fan Jiang has been in the Martial Arts Alliance for more than 20 years. He must know some inside stories about the Martial Arts Alliance!

But Fan Jiang shook his head: “Mr. Chen, the waters of the Martial Arts Alliance are very deep. I don’t know much about the Martial Arts Alliance, but this puppet corpse is not invincible. He is just a corpse, and his strength is definitely not as good as when he was alive.”

“And for the puppet corpse, the strength of the controller also has a lot to do with it, but it should be easy to deal with the people in the Martial Arts Alliance now.”

When Chen Ping heard this, he nodded and said: "That's enough. My own strength will always increase. I can't rely on a corpse to protect me all day long."

"Mr. Chen, what about Master Hu?"

At this time, Ge Yuhan thought of Hu Mazi and had never seen him.

"Damn, it's broken, I forgot about Master Hu..."

When Chen Ping heard this, he immediately ran towards the main hall!

At this moment, Hu Mazi was lying in the main hall with scars, blood pouring out of his mouth!

"Master Hu, Master Hu..."

Seeing Hu Mazi like that, Chen Ping felt guilty.

If Hu Mazi hadn't saved him, he wouldn't be like this.

Chen Ping put his hands on Hu Mazi's body and found that Hu Mazi was not dead and was still breathing, so he quickly sent streams of spiritual power into Hu Mazi's body!

"Cough cough cough....."

Hu Mazi coughed twice and finally slowly opened his eyes!

When Chen Ping saw that Hu Mazi had woken up, he quickly asked happily: "Master Hu, are you okay?"

“Smooth... tender... white...”

Hu Mazi was nagging, and Chen Ping was confused for a while. He didn't know what Hu Mazi was going to say!

But soon, Chen Ping heard it and was speechless. This guy was almost dying, and he was still thinking about the snow-white thighs of the woman just now!

Because Chen Ping knew that the blood demon's physical body could not last for a few days, he put the flax seeds on Penglai Island and let Du Nan take a good look at it. Then he took Ge Yuhan and the others directly back to Kyoto!

Ge Yuhan is back, which makes Gu Ling'er and the others very happy. A group of girls can play happily again in Honglian Palace!

As for Chen Ping's plan to destroy the martial arts alliance, he did not tell Gu Ling'er and the other girls. First, he was afraid that they would worry about him, and second, he was afraid that they would be in danger if he followed.

Chen Ping took Fan Jiang and the Blood Demon back to the Long Family, and now Long Wu is in charge of the Long Family.

Chapter: 2798

“Chen Ping, while you have been away, the Martial Arts Alliance has not been idle. I don't know where they found the masters. Now I heard that the number of Dawuhou in the Martial Arts Alliance has reached eight.”

After Long Wu saw Chen Ping, he hurriedly said.

“Eight great Wuhou?”

Chen Ping was slightly startled: “Where did they find so many great Wuhou?”

At this time, Fan Jiang on the side spoke: "It's not surprising that the Martial Arts Alliance found eight great Wuhou. I know that there are even Martial Saints in the Martial Arts Alliance."

"Martial Saint?" This time, Chen Ping was even more surprised.

"Yes, the hierarchy of the Martial Arts Alliance is very strict, and the Martial Arts Alliance you see is just a corner of the Martial Arts Alliance."

"Those people in the real martial arts alliance should be in the secret realm, directly controlling everything."

"They use the markings on the black robes to distinguish between levels. I heard that the highest black and gold robe is the Martial Saint, but I have never seen it."

Fan Jiang said to Chen Ping.

Long Wu looked at Fan Jiang and asked Chen Ping curiously: "Chen Ping, who is this person? It seems that he knows the martial arts alliance very well?"

"He's a friend of mine." Chen Ping explained casually, and then asked Fan Jiang: "Why do you know so much about the Martial Arts Alliance?"

Fan Jiang shook his head: "I only know these, but there are many secrets of the Martial Arts Alliance. Zhu Zhishan told me these."

"But the leader of the Martial Arts Alliance has very little power, so he doesn't know much. However, the Martial Arts Alliance will never be like what you see in front of you."

"If you want to directly destroy the Martial Arts Alliance and uproot it, I'm afraid it's impossible."

"But if you want to rescue your girlfriend, you may be able to succeed now with this puppet corpse."

Fan Jiang followed Chen Ping in detail. Chen Ping's words of "friend" just now really warmed Fan Jiang's heart a lot!

"No matter whether we can succeed or not, we have to try..."

Chen Ping had a determined look in his eyes.

.....

Kyoto Martial Arts Alliance!

Since Nie Cheng replaced Ning Zhi and became the leader of the alliance, he has summoned many black bronze robes and even seven black silver robes.

Since Chen Ping established Longmen, the Martial Arts Alliance has become the object of avoidance by almost everyone. No sect family is joining the Martial Arts Alliance!

Even the former sect families have chosen to leave the martial arts alliance!

Chapter: 2799

Nie Cheng is almost the commander-in-chief. However, in order to increase the strength of the Martial Arts Alliance and let many sects and aristocratic families know the power of the Martial Arts Alliance, Nie Cheng directly applied and mobilized many black bronze robes and even seven black silver robes. !

You must know that these black and silver robes are all Dawuhou, and each of them is extremely powerful. Even those black and bronze robes are also very powerful!

At this time, after many sect families saw the strength of the Martial Arts Alliance, some people began to move closer to the Martial Arts Alliance!

There is no way, there are too many people on the wall. In this society where strength is respected, those people will fall to whoever is strong!

In the hall of the Kyoto Martial Arts Alliance, Nie Cheng was holding a vajra and his expression was not very good!

He didn't understand that Ning Zhi was so virtuous and capable that he could be allowed to practice in a secret room. Originally, Nie Cheng thought that if he replaced Ning Zhi, Ning Zhi would be worthless and would definitely be executed. However, he didn't want to send him directly. Went to the secret room to practice!

However, even though he was dissatisfied, Nie Cheng did not dare to complain at all, because of the power of the almighty, none of them dared to try it!

"In recent times, Chen Ping's whereabouts have been uncertain, but this is a good thing for us. As long as he doesn't cause trouble for us, we shouldn't look for him."

"Everyone just needs to practice with peace of mind. I will give priority to supplying that girl's blood to you."

"Now that the Martial Arts Alliance has become like this, Almighty is very angry, so we must work together to make the Martial Arts Alliance glorious."

Nie Cheng faced the black copper robe and black silver robe below and said calmly.

However, none of these men in black robes spoke. They knew how difficult it was to make the Martial Arts Alliance glorious again.

Nie Cheng looked at these people without saying a word, and his face turned slightly ugly!

These people are very shrewd in their hearts. They know how difficult it is to make the Martial Arts Alliance glorious again. If it is not done by then, everyone will be blamed and none of them can escape!

Now these people just want to shift the responsibility to Nie Cheng. Who makes Nie Cheng the leader of the alliance? They are just invited helpers!

Nie Cheng also regretted at this moment, regretting that he had made such a mess. Why did he become the leader of this martial arts alliance in the first place?

But what's the use of regretting now!

Now Nie Cheng only hopes that Chen Ping will stop making trouble in the Martial Arts Alliance and let him develop the Martial Arts Alliance well.

But at this moment, a sound of reprimanding sounded outside the door of the Martial Arts Alliance!

"Who are you? Do you know the crime of breaking into the martial arts alliance without permission?"

Someone was scolding loudly, which proved that someone was breaking into the martial arts alliance!

After hearing this, Nie Cheng's face turned extremely ugly: "Hmph, these guys really don't take our martial arts alliance seriously at all. We must teach them a lesson this time."

During this period, there were always people who broke into the Martial Arts Alliance without reporting it, and they looked down upon the Martial Arts Alliance at all.

Nie Cheng stood up and walked out, with those men in black robes following closely behind!

Chapter: 2800

As soon as he reached the door, Nie Cheng saw that Chen Ping pushed away the guard of the Martial Arts Alliance and walked in swaggering, followed by someone behind him, but that person was expressionless and dull, like a fool!

"Chen Ping?"

Watching Chen Ping break into the martial arts alliance, Nie Cheng frowned!

Just now, he was hoping that Chen Ping would not come to the Martial Arts Alliance to cause trouble during this period, but he didn't expect Chen Ping to come now!

Chen Ping glanced at Nie Cheng, and then said calmly: "Now the martial arts alliance, you have the final say?"

Nie Cheng nodded: "Yes, I am the leader of the alliance now..."

"Okay, then I'll talk to you..."

After Chen Ping finished speaking, he walked straight into the hall, completely ignoring Nie Cheng and those men in black robes!

At this moment, Chen Ping has a blood demon following him, so of course he won't be afraid of guys like the Martial Arts Alliance.

Seeing Chen Ping like that, Nie Cheng instantly became furious. However, for the sake of the overall situation, Nie Cheng suppressed his anger and followed in!

"Chen Ping, why did you come to our martial arts alliance? Aren't you afraid that there will be no return?"

Nie Cheng admired Chen Ping's courage very much.

"Now that I'm here, I have no intention of leaving. You know why I'm here!"

"If you can let my girlfriend go, I can spare your martial arts alliance!"

"Otherwise, the Martial Arts Alliance will disappear from this world today!"

Chen Ping said with a stern expression.

When Nie Cheng heard this, he burst out laughing: “Chen Ping, you do have some abilities, but aren’t you just a great Wuhou? Do you really think you are invincible?”

“Let me tell you, we now have eight great Wuhou, and each of them is as strong as you. Why do you come here to ask for someone?”

“I can keep you alive now, so you should kowtow and say thank you!”

Nie Cheng held the Vajra in his hand with a sneer on his face.

And those men in black robes also had sarcasm in their eyes. If Chen Ping summoned all the power of Longmen to come and fight to the death with the Martial Arts Alliance, maybe they would be afraid!

But now Chen Ping brought one person here, and that was to die. How could there be so many of them afraid of Chen Ping.

Chen Ping didn’t pay any attention to Nie Cheng’s words, but continued to say calmly: “I’m giving you a chance. If you don’t cherish it, you won’t blame me.”

Nie Cheng smiled: “Chen Ping, let me tell you, your girlfriend is locked in a dungeon. No one can let her out, and no one can save her. I don’t have this right.”
