

The Order 2801

Chapter: 2801

“Even if I have this right, why do you ask me to let your girlfriend go? Is it just because of your bragging mouth?”

As he spoke, a strong aura erupted from Nie Cheng’s body, and this aura instantly enveloped Chen Ping!

Chen Ping’s body exuded a faint golden light, resisting the oppression of Nie Cheng’s aura!

The aura on Nie Cheng’s body became more and more manic, while the golden light on Chen Ping’s body became more and more dazzling!

The two of them were resisting like this, no one moved or retreated!

The two breaths constantly collided with each other.

Nie Cheng frowned slightly. He didn’t expect that Chen Ping seemed to be weaker than him, but in this trial, Chen Ping was not at a disadvantage!

At this moment, Nie Cheng had exerted his aura to the maximum, but Chen Ping remained motionless.

The men in black robes around them all took a few steps back. They didn’t want to waste their strength to resist this coercive force!

At this time, no one noticed that the aura in the entire hall had reached its extreme. The two auras intertwined, and the terrifying pressure had already turned all the tables, chairs and benches into powder!

But the Blood Demon who has been standing behind Chen Ping has not changed at all, his body is motionless and his face is expressionless!

boom.....

Finally, Nie Cheng and Chen Ping took a step back at the same time, and the aura on their bodies dissipated instantly!

In this confrontation, the two of them were evenly matched, and no one took advantage!

“Chen Ping, with your little ability, you still dare to enter our martial arts alliance on your own. You are really ignorant and fearless.”

“You don’t need anyone else. I can easily kill you with my vajra in my hand!”

Nie Cheng looked at Chen Ping with disdain and said.

“Really? I’m standing here. If you want my life, you can come and take it at any time...”

Chen Ping spread his hands and looked indifferent!

When Nie Cheng saw Chen Ping’s indifferent expression, he really didn’t dare to take action for a while. He didn’t know if Chen Ping had any back-up plans.

“What? You don’t dare to take action? If you don’t dare to take action, then release my girlfriend. If you force me to take action, the Martial Arts Alliance will cease to exist!”

Chen Ping sneered when he saw Nie Cheng like that.

“Hmph, why should I take action to kill you...”

Nie Cheng snorted coldly and stepped back: “Kill him...”

Chapter: 2802

Nie Cheng didn't take action, but let the others in black and silver robes take action!

The black and silver robes of the seven great Wuhous were more than enough to deal with Chen Ping!

One person can turn Chen Ping into ashes with just one move.

When Nie Cheng spoke, the seven men in black and silver robes had to listen. They all took a step forward and surrounded Chen Ping in an instant!

The aura exuded by the seven black and silver robes made the entire martial arts alliance tremble!

Chen Ping looked at the seven people coldly, with a cold light in his eyes!

"Kill them all, leaving no one behind..."

Chen Ping said coldly.

Nie Cheng was stunned and hurriedly looked outside and found that there was no one outside at all. Who was Chen Ping speaking to?

Could it be that guy with a dull look behind him?

Nie Cheng immediately investigated and found that the blood demon had no breath, just like a dead person!

How much strength can such a person have?

The Blood Demon received Chen Ping's order and took a step forward to block Chen Ping.

Chen Ping, with a cold smile on his face, retreated directly to the wall!

The seven men in black and silver robes faced the blood demon, all looking at each other, not knowing what to do for a moment.

A guy with a dull face stood up and had no breath on his body. They didn't know whether they should take action or not!

"Kill this fool too."

Nie Cheng said.

A man in black and silver robe nodded, and then punched the blood demon!

In this punch, the black silver robe did not use all his strength. After all, it only took 10% of the strength to deal with such a lifeless person, and he could beat him into a pulp!

When Chen Ping saw that the black and silver robe looked down upon the blood demon so much, he immediately laughed and watched the show from the side!

It would be much better if there were some melon seeds at this time!

The black silver robe punched in front of the Blood Demon, and then hit the Blood Demon's chest!

Bang...

Chapter: 2803

Although he didn't use his full strength, this punch had a force of tens of thousands of kilograms. It wouldn't be a problem to knock down a mountain!

But when this punch hit the blood demon, it was like a fart!

The blood demon didn't react at all, but the black silver robe suddenly felt a huge shock force, and then the arm bones broke instantly, directly piercing the skin and exposing it!

The white bones and bright red blood made the scene very scary!

Everyone was stunned by this scene.

Especially the black and silver robe who made the move, I was shocked for a moment, and then quickly retreated!

He knew that the breathless guy in front of them was far more powerful than they imagined.

But just as the figure in the black silver robe retreated, the Blood Demon moved, and the Blood Demon slapped him out!

This slap seems slow, but it is extremely fast!

The black and silver robe didn't have time to react, only to be hit by a slap!

puff.....

The head of the black and silver robe was exploded by a slap from the blood demon. Scarlet blood splashed everywhere, and the terrifying bloody smell also filled the air!

At this time, Nie Cheng and those men in black robes were dumbfounded!

“This...how is this possible?” Nie Cheng looked at the black and silver robe who died tragically, his face full of disbelief.

This is Da Wuhou, Da Wuhou!

How could he be beaten to death with just one slap?

Just want to swat a fly to death?

Is this too outrageous?

What kind of strength would it be that could kill Lord Wu with one slap?

Martial Saint? Transformation?

Nie Cheng felt that his brain was not working right now!

And those in black and silver robes looked at their companions, who were slapped to death, and their expressions were extremely ugly!

At this time, no one in the remaining black and silver robes dared to move, and involuntarily took a step back!

“If you release my girlfriend now and kneel down to apologize, I can spare your lives.”

Chapter: 2804

Chen Ping said.

Nie Cheng said with a cold face: “Chen Ping, don’t be complacent. Although I don’t know where you hired the masters from, don’t underestimate our martial arts alliance.”

“Even if the person you invite is a Martial Saint, so what? Do you think there are no Martial Saints in our Martial Arts Alliance?”

“The Martial Saint Weapon in my hand can also bring out the strength of the Martial Saint.”

Nie Cheng holds the vajra in his hand, and the aura on his body is rising!

“Okay, then let’s all die...”

Chen Ping stopped talking nonsense and directly controlled the blood demon to take action!

“Let’s go together. Even if it’s a Martial Saint, we don’t have to be afraid.”

Nie Cheng said loudly.

The remaining six men in black and silver robes could only grit their teeth and fight together. Do they still dare to escape?

You must know the punishment meted out by the Almighty to those who run away, it is worse than death.

The six men in black and silver robes all headed towards the Blood Demon, but Nie Cheng was at the end, holding a vajra in his hand, ready to find an opportunity to deliver a fatal blow to the Blood Demon!

But before Nie Cheng could take action, he saw the blood demon waving his big palm!

One slap in the face, and they are gone very fast!

In the blink of an eye, the six men in black and silver robes turned into headless corpses, and the entire hall was filled with a thick smell of blood.

Nie Cheng, who originally wanted to take action, suddenly became an idiot!

He stared blankly at the corpse on the ground, his face full of horror!

You must know that these black and silver robes are all Dawuhou, and some are even as strong as the late Dawuhou, and none of them are weaker than him.

But such a top person in the martial arts world was shot to death like this?

The problem is that if one is slapped to death, even the souls in these black and silver robes will not have time to escape.

Instantly disappeared into ashes...

Seeing this, those black copper robes could no longer control themselves, and they all ran out desperately. Even the black silver robes could not withstand a slap from someone. They were afraid that they would be blown to death in one breath!

“Don’t let them escape...”

Chen Ping said a word, and the blood demon’s figure shook slightly, and then the whole person appeared in front of those black copper robes!

Chapter: 2805

No one saw how the Blood Demon moved, it was like teleporting!

“ah.....”

Seeing this, those in black copper robes had fierce eyes, and then they all rushed towards the Blood Demon!

They know that only by working hard can they have a chance of survival!

A dozen men in black copper robes rushed towards the Blood Demon.

The Blood Demon, on the other hand, shot out both palms, one slap at a time, and directly knocked the souls of those black copper robes away, leaving not even a scum left.

In the blink of an eye, there were no more than a dozen men in black bronze robes left, not even a body was left!

Nie Cheng looked at the scene in front of him, his face turned extremely cold!

He clutched the vajra tightly in his hand. Now it seemed that this vajra was his life-saving talisman.

This is a sacred martial weapon. Even if it cannot deal with the blood demon, with the sacred weapon in hand, Nie Cheng still has the confidence to escape!

“Do you want to talk to me now? If you let my girlfriend go, I can spare your life...”

Chen Ping said to Nie Cheng.

“I’ve said before, I’m not qualified to let your girlfriend go. Let me tell you, even if you kill me, you can’t open the dungeon...”

Nie Cheng said expressionlessly.

“Then since you are useless, there is only one way to die...”

After Chen Ping finished speaking, he glanced at the blood demon, and the blood demon slowly walked towards Nie Cheng!

“Hmph, don’t forget the martial arts weapon in my hand...”

As he spoke, Nie Cheng’s aura instantly entered the vajra, and then the vajra emitted light, and the terrifying aura began to spread!

The aura of the martial saint in the Vajra is not only condensing, but the hall is filled with terrifying pressure!

Under this pressure, Chen Ping’s legs began to tremble, and finally he knelt down on one knee with a thud!

Under the aura of the Martial Saint, Chen Ping simply couldn’t bear it!

Seeing Chen Ping kneel down, Nie Cheng was filled with confidence.

“When I promised you this sacred martial weapon, you still disliked it. Now you know its power, right?”

Nie Cheng sneered, then raised the vajra in his hand high.

Chapter: 2806

In an instant, terrifying auras continued to emit, and then a dazzling light burst out from the Vajra, and that light went straight to the Blood Demon!

Chen Ping was instantly blown away by the dazzling light. In front of the martial arts weapon, Chen Ping had no power to fight back!

At this moment, Chen Ping truly saw the power of the Martial Saint!

This is just a wisp of breath emitted by the Martial Saint Weapon. If it were a true Martial Saint master, wouldn't his strength be even more terrifying?

Thinking of Fan Jiang's words about the existence of martial saints in the martial arts alliance, Chen Ping's face was filled with worry!

But now, fortunately, he has the Blood Demon around, so it's not a problem to deal with Nie Cheng. Otherwise, Chen Ping himself really wouldn't be able to deal with this sacred weapon.

The Blood Demon ignored the light emanating from the Vajra, and wisps of the Martial Saint's power kept hitting the Blood Demon's body!

But for the blood demon's terrifying body, it was just like scratching an itch!

When he arrived in front of Nie Cheng, the Blood Demon slapped him in the face!

Nie Cheng was shocked and roared. The Vajra in his hand glowed even brighter!

The Blood Demon still ignored the light and slapped Nie Cheng's Vajra directly. The power of the Martial Saint emitted from the Vajra was instantly defeated by the Blood Demon's slap!

Nie Cheng felt as if his arm was about to break, and the vajra in his hand flew out instantly!

Without the pressure of the Martial Saint's aura, Chen Ping stood up instantly, jumped up and headed towards the Vajra.

Nie Cheng was very anxious when he saw that Chen Ping wanted to get the Vajra. However, facing the blood demon, he had no choice but to run for his life, so he had no choice but to give up the Vajra!

Nie Cheng turned around and ran away, but after Chen Ping got the Vajra, he headed towards Nie Cheng with the power of a martial saint!

Nie Cheng felt a terrifying aura coming towards him from behind. Before he could react, he was knocked away!

Nie Cheng fell heavily to the ground and vomited blood all over his body. He was obviously seriously injured!

The Blood Demon was about to step forward to deal with Nie Cheng, but was stopped by Chen Ping!

“Don’t kill him...”

Chen Ping planned to let Nie Cheng take him to the dungeon to rescue Su Yuqi!

The blood demon stopped and then stepped back, while Chen Ping walked up to Nie Cheng with a vajra and said coldly: “Now you have no chance to talk to me, take me to the dungeon...”

Nie Cheng looked at the Blood Demon, then at the vajra in Chen Ping’s hand, took a deep breath and said, “Even if you enter the dungeon, you won’t be able to rescue your girlfriend.”

“Stop talking nonsense, just take me in. Whether I can be rescued or not is my own business...”

Chen Ping reached out and picked up Nie Cheng.

Chapter: 2807

Like a dead dog, Nie Cheng followed Chen Ping towards the back of the Martial Arts Alliance!

In front of the rockery he came from, Chen Ping said: “Go and open the dungeon...”

Nie Cheng didn’t dare to open it because he knew the consequences of betraying Dang Neng.

“Chen Ping, even if you open the dungeon, you really can’t save your girlfriend. She is locked in a special cell, and you can’t save her.”

Nie Cheng said with a bitter look on his face.

Chen Ping looked at Nie Cheng coldly, and suddenly a spiritual consciousness entered Nie Cheng’s mind.

How could Nie Cheng, who was seriously injured, be able to bear it? Chen Ping’s divine consciousness was desperately torturing Nie Cheng!

Nie Cheng felt like he had a splitting headache and felt as if all the insects were gnawing at his heart!

“Open the dungeon and you won’t have to suffer...”

Chen Ping said to Nie Cheng.

Nie Cheng had no choice but to agree, and then walked to the rockery, activated his spell, and slowly moved the rockery, revealing the entrance to the dungeon!

Seeing that the dungeon was opened, Chen Ping was extremely happy!

He was about to rush in, but then he thought again and feared there was a trap inside, so he let Nie Cheng go ahead!

Nie Cheng was walking in front, and Chen Ping was following behind!

After walking to Su Yuqi’s cell, Chen Ping couldn’t restrain himself and rushed towards the cell!

Holding the iron door of the cell tightly with both hands, he shouted to Su Yuqi!

At this time, Su Yuqi was sitting on the bed. The facilities in the cell were very good, and all the necessary daily necessities were there!

Hearing Chen Ping's call, Su Yuqi was pleasantly surprised and turned around hurriedly. When she saw Chen Ping, she couldn't help but burst into tears!

"Chen Ping, Chen Ping..."

Su Yuqi rushed to the old door and held Chen Ping's hand tightly: "How did you get in? Were you also caught by them?"

"No, I'm here to rescue you. I'll rescue you right away."

Chen Ping caressed Su Yuqi's face!

Although Su Yuqi looked good, she was in a very low mood after being detained here for a long time.

"Quick, open the dungeon, open the dungeon immediately..."

Chapter: 2808

Chen Ping ordered Nie Cheng impatiently.

"I can't open this cell door."

Nie Cheng said.

"Fart, you can definitely open it. If you don't open it, believe it or not, I will beat you to death?"

Chen Ping looked angry, and then punched and kicked Nie Cheng!

Nie Cheng could only curl up in front of Chen Ping and let Chen Ping punch and kick him!

Soon, Nie Cheng was beaten with bruises all over his body, but he still shook his head: "I really can't open it. I have no right to open this prison door."

"Then tell me, who can open this prison door? Who can open it?"

Chen Ping picked up Nie Cheng and grabbed his collar tightly and asked.

"Ning Zhi, he can open it. He has a way to open the cell door."

Nie Cheng looked at Chen Ping who was almost crazy and became a little scared, so he sold Ning Zhi!

"Where is Ning Zhi? Let him get out, get out..."

Chen Ping roared, telling Ning Zhi to get out.

But Ning Zhi is not in the Martial Arts Alliance at all, but is practicing in the Martial Arts Alliance's unique training chamber!

Even Nie Cheng doesn't know where Ning Zhi's specific address is!

"No... I don't know. Ning Zhi was recruited by the superiors to practice..."

Nie Cheng explained carefully.

"I don't believe it can't be opened..."

Chen Ping clung to the cell door with both hands, his aura rising from his body, and he tried to open the cell door with all his strength!

But no matter how hard Chen Ping tried, the cell door was still intact!

“Open the cell door...”

Chen Ping ordered to the blood demon!

The blood demon stepped forward and punched out!

boom.....

Chapter: 2809

The ground shook for a while, and the entire dungeon almost collapsed, but the cell door could not be opened!

This made Chen Ping very surprised. You know the strength of the Blood Demon. He was a big demon thousands of years ago. Why can't he even open a prison door now?

Just when the Blood Demon was about to punch the second time, Nie Cheng said hurriedly: “You can't open it by force, otherwise the entire dungeon will collapse and none of us will survive.”

Nie Cheng stopped the blood demon from forcing open the cell door again.

When Chen Ping saw this, he hurriedly said: “Stop...”

Although he is physically strong as the Blood Demon, even if the dungeon collapses, the two of them may not be in trouble, but Su Yuqi can't do it. If the dungeon really collapses, Su Yuqi will definitely die!

This made Chen Ping anxious and angry, not knowing what to do!

“You must have a damn way to open the cell door for me, or you will die...”

Chen Ping grabbed Nie Cheng’s neck!

If the cell door cannot be opened by force, Nie Cheng can only find a way. After all, Nie Cheng is the leader of the Martial Arts Alliance.

Nie Cheng was choked by Chen Ping and couldn’t move at all. He could only say with a red face, “I really can’t open it. It’s useless even if you kill me.”

Chen Ping didn’t listen, and the force on his hands became stronger and stronger.

“Since you want to die, I will make it happen for you.”

Chen Ping’s eyes glowed red.

Nie Cheng was having difficulty breathing at this moment, his face had turned purple, and he was going to die at any moment.

“Chen Ping, it seems like he really doesn’t know...”

At this time, Su Yuqi spoke.

Chen Ping finally regained some sense and let Nie Cheng go!

Nie Cheng kept coughing and breathing heavily: “I really don’t know. I was just temporarily sent to replace Ning Zhi as the leader of the alliance. I don’t have any rights.”

Chen Ping looked at Su Yuqi in the prison, feeling as if needles were pricking his heart.

“Chen Ping, don’t be sad or discouraged. I believe there is always a way, and they won’t kill me, let alone abuse me.”

Su Yuqi comforted Chen Ping!

“Well, I will definitely find a way to break this cell. Yuqi, please wait patiently.”

Chen Ping said firmly.

Chapter: 2810

“I believe in you. Now that your strength is so high, you can even rush into the dungeon. I believe the day when we are truly reunited is not far away.”

Su Yuqi nodded.

Chen Ping held Su Yuqi’s hand tightly and was unwilling to let go for a long time, but at this moment, a terrifying aura suddenly began to rise in the dungeon, as if something terrible was awakening!

Feeling this terrifying aura, Chen Ping knew that he could not stay in the dungeon any longer. After saying goodbye to Su Yuqi, he immediately picked up Nie Cheng and ran out.

As soon as he ran out of the dungeon, the dungeon door closed automatically, and fish scale-like light waves appeared around him, seeming to have once again enveloped the dungeon with a layer of formation.

Chen Ping frowned as he looked at the dungeon that was once again shrouded in formation.

He knew that someone must be behind all this, and he also knew that he had entered the dungeon!

“Destroy this martial arts alliance for me...”

Since the dungeon cannot be destroyed, then Chen Ping will destroy the martial arts alliance!

After the blood demon received the order, a terrifying aura began to erupt from his body, and then tornadoes rose from the ground around him!

Originally, the entire martial arts alliance was protected by formations, but now under the terrifying aura of the Blood Demon, the magnificent buildings instantly turned into ruins!

Seeing the terrifying ability of the Blood Demon, Chen Ping couldn't help but be speechless!

This is too damn powerful. If the Blood Demon is not dead at this moment and retains more than a physical body, is there anyone else who can be his opponent?

Nie Cheng saw the entire martial arts alliance turned into a mess, and his face suddenly turned ashen!

He knew that he was finished, and even if Chen Ping didn't kill him, Almighty wouldn't let him go.

In the blink of an eye, the Martial Arts Alliance no longer existed, and only the rockery still stood intact!

The members of the martial arts alliance can't even find their bodies, they have become scum!

Chen Ping looked at Nie Cheng, and Nie Cheng couldn't help but feel nervous at this moment!

As a great Martial Lord, the black and silver robe of the Martial Arts Alliance is now a prisoner, and he is still in such embarrassment!

"Chen Ping, I helped you open the dungeon, and I told you everything I know. Can you please stop killing me?"

Nie Cheng is begging for mercy, he is afraid of death!

Chen Ping stared at Nie Cheng closely, and then said with a cold face: "I gave you a chance, but you didn't cherish it. Don't blame me, blame yourself for not being the leader of this alliance."

Chen Ping did not kill Nie Cheng immediately, but let the blood demon carry Nie Cheng towards the Long family!

Chen Ping kept Nie Cheng in order to publicly sentence Nie Cheng to death. He wanted everyone to know the consequences of following the martial arts alliance.
