

## The Order 281

Chapter: 281

“I didn’t want to kill you originally, but it’s a pity that you threatened my family...”

After Chen Ping finished speaking, he ignored Brother Dong, got in the car, knocked the Maserati away, and drove into the community!

With Chen Ping’s words, Lin Tianhu knew what to do. No matter how Brother Dong begged for mercy, he was still taken into the car by Lin Tianhu. The only thing waiting for him was death!

The woman watched her husband being taken away, and looked at the Maserati that was smashed beyond recognition. She was dumbfounded.

After a while, Manager Zhang was followed by many security guards before he reacted. Manager Zhang said to the security guard: “Whenever you see Mr. Chen in the future, you will treat me respectfully. Anyone who dares to be disrespectful to Mr. Chen will get out of here right away.” ...”

At this time, Chen Ping was driving up the mountain. Just after walking for a while, he met Cui Zhiyuan and the others again. Several of them had already viewed the house and were being taken away by the sales lady!

Everyone was stunned when they saw Chen Ping driving the Chang’an that had been smashed in front and came in. They couldn’t figure out how Chen Ping got in!

“Chen Ping must have driven in while no one was paying attention. He was probably afraid of being beaten...”

Wang Lanlan looked at Chen Ping’s smashed car and said!

“This guy is so brave, he even dares to break into Panlong Bay...”

Cui Zhiyuan sneered!

Hearing the conversation between the two people, the sales lady seemed to have thought of something, and immediately rushed over and stopped Chen Ping!

If Chen Ping really broke in and stopped him now, the company would definitely reward him then!

The sales lady was very naive. Because she was not part of the real estate business, she didn't know about Chen Ping's residence in Panlong Bay!

"You are so brave, you dare to drive in..."

After the sales lady stopped Chen Ping, she asked loudly!

Chen Ping was slightly startled: "I drove in directly and didn't break in. Your manager saw it..."

"Chen Ping, stop making excuses. Look at how badly your car was hit. You must have driven in out of fear of being beaten. I guess someone is chasing you from behind, right?"

Wang Lanlan also walked over with a sneer on her face!

"Chen Ping, only the owners here can enter the community. We were brought in when we bought the house. You didn't buy the house and you're not the owner, so you just rushed in. What's this other than intrusion?"

Cui Zhiyuan asked with a raised corner of his mouth!

"Who told you that I am no longer the owner?" Chen Ping said calmly!

Everyone was stunned when they heard Chen Ping's words. The sales lady hurriedly asked: "Did you buy a house here? Why don't I have any impression?"

The sales lady looked at Chen Ping and felt that Chen Ping didn't look like someone who could buy a house here, and the people who bought houses here were either rich or expensive. Many of the sales ladies knew each other and even had their contact information!

Chapter: 282

"Chen Ping, can you stop bragging? Do you know how much a house here costs? You can't afford even the smallest houses at the foot of the mountain. How dare you say that you are the owner here?"

Cui Zhiyuan said with disdain: "I have been a manager for so many years, and after adding in bonuses and commissions, I can buy the cheapest house here, and it is just a down payment. How can you, a guy who just started working, have the money to buy a house?" ? I think you're afraid you can't even afford a house in the suburbs, and you can only live in an old and dilapidated community!"

Cui Zhiyuan's face was full of disdain. He didn't believe that Chen Ping would buy a house here!

Not only Cui Zhiyuan didn't believe it, but Wang Lanlan and Sun Xiaomeng didn't believe it either. If Chen Ping had the ability to buy a house here, how could Sun Xiaomeng find him a job?

"Sir, since you said you are the owner here, can you point out that house is yours? You don't have to try to deceive me, because I know who owns the houses here..."

The sales lady asked Chen Ping.

"Yes, you have the ability to point out which one is yours? How about we go to your house and sit down?"

Wang Lanlan asked with a half-smile.

Chen Ping pointed to the top of the mountain: "The set on the top of the mountain is mine..."

"The one on the top of the mountain?"

Cui Zhiyuan was stunned for a moment, then burst out laughing: “Chen Ping, you’re fucking teasing me to death. Do you know how much a villa on the top of the mountain costs? Even if your whole family is sold, you can’t afford it. , you are bragging a bit too much and it is unrealistic...”

“Chen Ping, can you live a more realistic life? Today you broke into Panlong Bay. I am afraid it is the first time you have entered this community in your life, and I am afraid it will be the last time. How dare you say that the villa on the top of the mountain is yours? I I don’t think you’ve even been to the top of the mountain, right?”

Wang Lanlan also laughed!

Sun Xiaomeng rolled her eyes at Chen Ping. In her eyes, Chen Ping was just an Adou who couldn’t be helped up, and the mud couldn’t stick to the wall!

“Sir, do you know the value of the villa on the top of the mountain? How dare you talk nonsense here?”

The sales lady also laughed!

“Why do you think I’m talking nonsense?” Chen Ping asked coldly.

“I sold that villa. The owner’s surname is Su, not Chen. How do you say it’s yours?”

The sales lady looked at Chen Ping with a sneer, as if waiting for Chen Ping to explain.

“Isn’t it okay that it was given to me by someone else?” Chen Ping said with a smile!

“Give it to you?” The sales lady covered her mouth and laughed: “Okay, okay, you can say that the entire Panlong Bay was given to you by others. It is not illegal. It’s just that you broke into Panlong Bay privately. According to the rules in our community, The rules are to drive you out...”

Just as the sales lady finished speaking, a casual guy wearing security uniform and holding a baton came over.

“Xiaolan, why do you have time to visit the community today?”

When the security guard saw the sales lady, he immediately smiled flatteringly!

Chapter: 283

“It turned out to be Captain Wang. Someone broke into the community and we just happened to drive him out...”

When the sales lady saw the security guard, she immediately said Chen Ping!

The security guard looked at Chen Ping, then looked at the Changan car beside Chen Ping that had been hit with bumps, and suddenly said angrily: “Damn, there are people who dare to break into the community I am responsible for. Do you not want to live anymore? I am You don’t want to ask about the security captain here...”

“Security brother, Chen Ping just hit a luxury car at the door. People are going to beat him up. He probably drove in directly because he was afraid of being beaten. If you catch him, it will be a great achievement... ..”

Cui Zhiyuan said to the security captain!

“Yes, yes, we all saw it just now. He hit a Maserati...”

Wang Lanlan also nodded repeatedly!

Sun Xiaomeng didn’t say anything, but her face didn’t look good either. She didn’t want to worry about Chen Ping anymore. This guy’s bragging character disgusted her!

“What a good boy, you crashed the car and dared to break in. If you meet me today, you are unlucky.”

The security captain said, grabbing Chen Ping!

But just as he reached out, Chen Ping grabbed his wrist and twisted it slightly, directly controlling the security captain. The severe pain instantly made the security captain scream.

“Boy, it hurts me so much. Let me go. Do you know who I am? The property manager here is my brother-in-law. If you dare to touch me, I guarantee that you will not be able to get out of here.”

The security captain roared angrily!

“You don’t even understand me, but you attack me directly. How did you become the security captain? I said, I am the owner here. Is this how you serve the owners?”

Chen Ping asked the security captain.

“You...let go, I’ll find out just by asking...”

The security captain saw Chen Ping for a moment. He was no match, so he could only ask Chen Ping to let go of him first.

Upon seeing this, Chen Ping released the security captain. The security captain rubbed his wrist, looked at Chen Ping viciously, and then took out the walkie-talkie.

“All the security guards gathered in Area A. Someone broke into the community and attacked me...”

The security captain directly used the intercom to call people.

He just used a delaying tactic to ask Chen Ping to let him go. As for whether Chen Ping is the owner, he will not ask. He can tell with his eyes that Chen Ping cannot be the owner!

“Boy, my people will be here soon, just wait to be beaten...”

The security captain looked at Chen Ping coldly and said.

At this time, Manager Zhang, who had just breathed a sigh of relief, suddenly heard his brother-in-law yelling on the intercom, and also said that someone broke into the community and beat him up. Manager Zhang's heart suddenly lifted.

Chapter: 284

He was not worried about his brother-in-law, but he was afraid that his brother-in-law, who didn't eat enough and couldn't do anything well, would get into trouble. He was a lazy brother-in-law, so he finally begged him for a long time before he agreed to let him come here as a security guard. team leader.

I've just been here for two days, and I don't want to do anything. I'm just messing around with women, and I'm familiar with the little girls at the sales office.

When Manager Zhang ran to Area A with many security guards, he saw Chen Ping's car parked there from a distance, and Chen Ping was standing next to the car. Cold sweat instantly flowed from Manager Zhang's forehead.

No matter what he was afraid of, his brother-in-law was in big trouble this time!

Manager Zhang hurriedly ran over. When the security captain saw that his brother-in-law had brought people here in person, he immediately went up to him and said, "Brother-in-law, this guy broke into the community and attacked me just now. You must teach him a lesson."

When Cui Zhiyuan saw the property manager chasing after him with the security guard, he immediately said with a sneer: "Chen Ping, let's see where you are going. Although it is not illegal to brag, you will have to pay for it if you brag too much." At a price, you still dare to say that you are the owner here and live in the house on the roof, why don't you say that you live in the sky!"

"I have lived for more than twenty years, and this is the first time I have seen such a shameless braggart..." Wang Lanlan covered her mouth and smiled.

The two people's eyes were full of fun, ready to watch the show.

Sun Xiaomeng sighed, thinking that if Chen Ping really wanted to be beaten, she would intercede and see if it worked. She couldn't just watch Chen Ping being beaten.

But while Cui Zhiyuan and Wang Lanlan were waiting for the property manager to bring someone over to teach Chen Ping a lesson, they saw the manager slap their brother-in-law in the face with great force. , almost slapped the security captain to the ground!

At this time, the security captain was stunned and looked at his brother-in-law with disbelief.

"Brother-in-law, why did you hit me? Did you take the wrong medicine?" the security captain asked dissatisfied.

"Yes, I took the wrong medicine. I shouldn't have let you come to work. You are the security captain. You are fired now. Get out of here as far as you can and never come back again..."

Manager Zhang snatched the baton from his brother-in-law's hand and said.

"You..." The security captain glared at Manager Zhang: "Okay, if you dare to do this to me, I will tell my sister..."

The security captain said and left immediately!

Manager Zhang's operation immediately confused Cui Zhiyuan and the others. Even the sales lady didn't know what was going on. Only the security guards brought here knew that Manager Zhang was trying to save his brother-in-law!

If the security captain continued to stay at the scene, Chen Ping might be unhappy and kill him!

After the security captain left, Manager Zhang looked at Chen Ping with cold sweat on his face. He was afraid that Chen Ping would say something and would not let his brother-in-law leave. However, seeing that Chen Ping did not say anything, Manager Zhang breathed a sigh of relief!

After walking quickly to Chen Ping, Manager Zhang said humbly: “Mr. Chen, I’m really sorry. My brother-in-law just came here and doesn’t understand anything. You, sir, have a lot of...”

Cui Zhiyuan and the others were dumbfounded when they saw the property manager following Chen Ping in such a condescending manner to apologize!

“I asked you, have you made a mistake? He broke into your community without permission, crashed a car, and beat up your brother-in-law. Why are you so low-minded? Is your property management service so good?”

Cui Zhiyuan asked looking at the property manager.

“That’s right, we just came in to look at and buy a house. Your security guards refused to let us in, but you were so polite to an intruder. I really doubt your property management capabilities. Isn’t he just a prisoner who has been in prison? As for you, Are you so condescending? You really think of him as the owner of your community.”

Chapter: 285

Wang Lanlan said with a sneer!

“If he could buy a house here, he wouldn’t have to drive a shabby Changan. He also said that the house on the top of the mountain was his. He was bragging. I know him very well. We work in the same company and I am his immediate boss. This guy knows nothing but bragging!”

Cui Zhiyuan continued to talk to the manager!

Manager Zhang looked at Cui Zhiyuan and Wang Lanlan, and then at Chen Ping. He didn’t know what the relationship between them was, but since Cui Zhiyuan and Wang Lanlan mocked Chen Ping so much, they definitely couldn’t be friends. !

Seeing that Chen Ping remained silent, Manager Zhang couldn’t stand it anymore and said to Cui Zhiyuan and Wang Lanlan: “Mr. Chen is indeed the owner of our place, and the villa on the top of the mountain is indeed his...”

As soon as Manager Zhang finished speaking, Cui Zhiyuan and Wang Lanlan were stunned, and Sun Xiaomeng was also stunned!

“Manager Zhang, the owner of the villa on the top of the mountain is named Su. I handled the formalities myself...”

The sales lady asked Manager Zhang with a full face of doubt.

“Are you mistaken? The starting price of a villa on the top of the mountain is at least over 100 million yuan. You said that a man who drove through Chang’an and worked as a salesman can be the owner of the villa on the top of the mountain? I won’t believe it...”

“You are so unqualified as a property manager. You can’t even figure out who owns the house you manage? Don’t you look at Chen Ping? Does he look like he has a villa?”

Cui Zhiyuan followed Wang Lanlan and asked Manager Zhang.

Looking at the questions from several people, Manager Zhang sneered: “It seems that you know more than me, the property manager? Let me tell you, the previous owner of the mountaintop villa was indeed named Su, but now it belongs to Mr. Chen. If there is nothing else, you can leave now, and you are not allowed to enter the community again...”

Manager Zhang’s words made Cui Zhiyuan and the others look confused. If Chen Ping had a villa worth hundreds of millions, no one would believe it.

“Manager Zhang, can I leave?”

Chen Ping didn’t want to waste time following Cui Zhiyuan and the others, he wanted to seize the time to practice.

“Of course. I’m really sorry for delaying Mr. Chen’s time...”

Manager Zhang immediately put on a humble look and opened the car door for Chen Ping himself!

Chen Ping drove his Chang'an, which had been smashed beyond recognition, directly towards the top of the mountain. When he passed by Cui Zhiyuan and the others, Chen Ping rolled down the window and deliberately sneered at Cui Zhiyuan!

"I don't believe it, I absolutely don't believe it. He can't have a villa. I want to follow him and have a look. He must be bragging..."

Cui Zhiyuan roared like crazy!

And Sun Xiaomeng watched Chen Ping's car driving farther and farther, feeling a burning sensation on her face. Now that things have reached this point, Chen Ping must not be bragging, because she doesn't believe that Chen Ping can bribe such a big property manager to accompany her. He is bragging!

Thinking of the fact that the villa was worth hundreds of millions, and that she initially despised his family for being poor, even when he was forced to find a job for Chen Ping, he was forced by his father. Thinking of this, Sun Xiaomeng's face became even hotter!

Wang Lanlan stared at the back of Chen Ping's car with wide eyes. Until the taillights disappeared, Wang Lanlan's eyes were still looking at the road to the top of the mountain without even blinking. The huge shock made Wang Lanlan stunned!

"Kick them all out, and don't let them enter the community again..." the property manager ordered loudly!

Chapter: 286

More than a dozen security guards quickly kicked Cui Zhiyuan and the others out. Because he was stimulated, Cui Zhiyuan desperately wanted to go to the top of the mountain to confirm whether Chen Ping was bragging, but after receiving two sticks in the end, this Then he left honestly!

After Chen Ping drove to the villa, he opened the door and found that it was still very clean and spotless inside. Su Yuqi should have sent someone to clean it. Su Yuqi had always hoped to talk to her parents and let her parents live back, but Chen Ping Ping wanted to wait a few days before talking. After all, his

parents were happily worrying about him and Wang Hanhan. If he told her at this time, he might not believe it!

Chen Ping sat on the sofa, took out the Ganoderma lucidum and put it on the coffee table. Feeling the strong spiritual energy emanating from the Ganoderma lucidum, Chen Ping was very excited!

This fleshy Ganoderma has turned into Aconitum, which is rare in a thousand years. I hope that after absorbing this fleshy Ganoderma, my realm will be improved!

Chen Ping now has excellent cultivation techniques. If he wants to increase his strength, the only thing he lacks is spiritual energy. But now the earth is lacking in spiritual energy. Only on top of this mountain top can the spiritual energy be full. If Chen Ping wants to quickly To increase strength, other methods are needed!

After thinking wildly for a while, Chen Ping calmed down and began to slowly operate the Heart Condensation Technique. Chen Ping's whole body was soon shrouded in a light mist!

As if feeling something, the Ganoderma lucidum inside the glass bottle started to twist wildly, as if it wanted to break through the glass bottle and escape.

But no matter how the fleshy ganoderma twisted, it was of no avail. Soon, the fleshy ganoderma slowly stopped moving, and from a place similar to an eye, streams of light pink gas rushed out, and soon it was Floating towards Chen Ping!

Chen Ping slowly opened his mouth and inhaled slightly. The light pink gas suddenly accelerated and was directly sucked into Chen Ping's body. The fleshy Ganoderma shrunk at a speed visible to the naked eye. It was originally a bit pink and white. , the appearance of a girl's skin is beginning to become wrinkled and dry at this moment!

Soon, the Ganoderma lucidum turned into a ball of powder. In the end, all the powder was sucked into Chen Ping's body. Chen Ping just sat on the sofa with his eyes slightly closed!

Time passed, I don't know how long it took, until it was almost dark, Chen Ping slowly opened his eyes!

Chen Ping, who was full of joy, hurriedly checked his Dantian. At this time, except for the spiritual power in his Dantian, Chen Ping's state had not improved!

"Why....."

Chen Ping sighed heavily, and finally had no choice but to get up and leave the villa!

Chen Ping drove the crashed Changan car out of Panlong Bay and found a repair shop to put the car there. Chen Ping took a taxi and prepared to go home!

But while Chen Ping was waiting for the bus on the side of the road, a red BMW stopped in front of him, the window opened, and Sun Xiaomeng stuck her head out: "Chen Ping, where are you going? I'll take you off... .."

Chen Ping was stunned. Sun Xiaomeng suddenly treated him like this. Chen Ping was not used to it!

"I go home....."

Chen Ping said calmly!

"Come up, I'm just on the way and I'll give you a ride..."

Sun Xiaomeng opened the door in the car!

Moreover, Sun Xiaomeng opened the passenger seat. You must know that she would not let Chen Ping sit in her car before. Even if he did, he could only sit in the back seat!

Chen Ping didn't know what Sun Xiaomeng was up to. He suddenly seemed like a different person!

"Come up..." Sun Xiaomeng saw that Chen Ping was still not moving, so she urged!

Chapter: 287

Chen Ping nodded and sat in the passenger seat!

Pressing the accelerator, Sun Xiaomeng's car headed towards Chen Ping's home!

Chen Ping sat in the car and said nothing. The atmosphere in the car was a bit awkward!

"Chen Ping, do you really have a villa on the top of Panlong Bay?"

After a while, Sun Xiaomeng broke the calm!

"Yeah!" Chen Ping just nodded slightly.

"Did you buy it yourself?" Sun Xiaomeng looked at Chen Ping in surprise!

"It was given by someone else!" Chen Ping said calmly!

Sun Xiaomeng saw that Chen Ping didn't seem to like talking to her, so she shut her mouth!

After a while, Chen Ping broke the calm and said, "At this time, if you don't go home for dinner, why are you driving?"

"Zhiyuan has booked a restaurant, let's go there to eat together and discuss marriage!"

Sun Xiaomeng said.

"You want to get married?" Chen Ping was slightly stunned!

“Well, we’ve been talking about it for a long time anyway, and my parents are urging me to get married...”

Sun Xiaomeng said!

Chen Ping was silent for a moment, and then said: “I advise you to think carefully, that Cui Zhiyuan is not suitable for you...”

Chen Ping said this not because Cui Zhiyuan often teased him and Chen Ping retaliated, but because Chen Ping had already asked Lin Tianhu to secretly investigate Cui Zhiyuan. This guy was just a playboy. During his relationship with Sun Xiaomeng, Chen Ping said this. , I don’t know how many women are hanging around!

Although Sun Xiaomeng is also a bit snobbish, she is the daughter of his father’s old comrade after all, and Chen Ping doesn’t want Sun Xiaomeng to jump into the pit of fire!

Sun Xiaomeng was not too surprised after hearing Chen Ping’s words. Instead, she smiled lightly and explained: “Actually, Zhiyuan is not as bad as you think. He may be a little mean to you, but I will persuade him in the future. of.....”

Sun Xiaomeng misunderstood Chen Ping. She thought that the reason why Chen Ping said this was because Cui Zhiyuan often targeted Chen Ping, and Chen Ping hated Cui Zhiyuan, so he persuaded her like this!

When Chen Ping heard this, he could only smile slightly and did not explain anything!

Soon, when the car was passing through a relatively dark road, a car suddenly blocked Chen Ping’s car!

Sun Xiaomeng was startled and hurriedly stepped on the brakes. Then she stopped the car and almost hit it!

“How do you drive? You are blind...”

Chapter: 288

Sun Xiaomeng rolled down the window, stuck her head out and yelled!

But just after she cursed, she was so frightened that she pulled her head back because she saw that what was blocking her was a Porsche 911. She was not someone she dared to offend who could drive such a car. She really scolded him. I'm anxious, I'm afraid I won't be able to eat anymore and have to walk away!

At this time, two people got out of the Porsche, a man and a woman. These two people were Xiao Lei and Geng Shanshan. After getting out of the car, the two people looked at Chen Ping with a sneer on their faces, with no intention of leaving!

Sun Xiaomeng was so frightened by the sight that she opened the car door and got out of the car. She hurriedly apologized: "Brother, I didn't mean to do it just now. Please give way to the car. Why don't you leave first?"

Sun Xiaomeng said to Xiao Lei in a low voice!

Xiao Lei took a look at Sun Xiaomeng and found that Sun Xiaomeng was wearing a light pink dress and a ponytail. She was a pretty young girl, so he took a second look, which made Geng Shanshan beside her very jealous!

"If you don't want to get out, we are here to find Chen Ping. If you don't want to die, just get out of here..."

Geng Shanshan shouted at Sun Xiaomeng!

As Geng Shanshan finished speaking, there were several vans behind the Porsche, and dozens of people got out, all holding machetes and walking towards this side with unkind expressions.

Sun Xiaomeng was frightened all of a sudden, her face turned extremely pale, and she didn't know what to do for a moment!

"Xiaomeng, please drive away first..."

Chen Ping got out of the co-pilot and said to Sun Xiaomeng, who was already frightened!

Sun Xiaomeng looked at Chen Ping and originally wanted to say something, but when she saw the dozens of big men with machetes, she was so frightened that she hurriedly got in the car and left!

“Chen Ping, you are really good at picking up girls. You were dumped by Su Yuqi just now, and you immediately found a rich girl. It seems that this girl is not old, drives a BMW, and has a good family, right? Tell me whose family she belongs to. Girl?”

Xiao Lei looked at Chen Ping with a sneer and asked.

“What? You also want to change your taste?” Chen Ping raised his lips: “But you really should change. You always eat other people’s leftovers, which is inconsistent with your status as the eldest young master of the Xiao family...”

Chen Ping’s words made Xiao Lei’s face instantly become extremely ferocious!

In fact, Xiao Lei has always been resentful. Although Geng Shanshan tried her best to explain that when she and Chen Ping were in love, she did nothing and never slept with Chen Ping at all, but Xiao Lei still had a knot in her heart!

If he hadn’t really liked Geng Shanshan to the point of discussing marriage, Xiao Lei would have abandoned Geng Shanshan long ago!

“Chen Ping, you fucking pissed and pissed to show yourself off. What kind of virtue are you? How could I sleep with you? Don’t be a toad and want to eat swan meat. I fucking feel sick when I see you...” ...”

Geng Shanshan angrily yelled at Chen Ping. Chen Ping’s words were obviously trying to instigate feelings between her and Xiao Lei!

“Chen Ping, you don’t need to sow discord here and talk so fast. I believe Shanshan won’t sleep with you. Besides, I think you are so virtuous that you don’t even have the ability to be a man. Otherwise, Su

Yuqi will Did you dump him? If you were good at bed and could eat Su Yuqi to death, you wouldn't be in this situation now..."

Xiao Lei gritted his teeth. Although he said he didn't care, he already had a grudge in his heart!

"I wonder which one of us doesn't have the ability to be a man? Didn't you find out during this time?"

Chapter: 289

Chen Ping smiled coldly!

On the day he was released from prison, Chen Ping disabled Xiao Lei's abilities, so now Xiao Lei is no longer a complete man!

After Chen Ping finished speaking, Xiao Lei's face instantly turned red and white!

During this period of time, he was recovering from his injuries. Logically speaking, it was just a broken arm, which did not affect his other aspects. However, Xiao Lei wanted to make out with Geng Shanshan several times, but every time he took off his clothes, Xiao Lei did not react at all.

Xiao Lei originally thought that his injury would affect his other abilities, but what Chen Ping said made Xiao Lei tremble in his heart!

"Brother Lei, don't listen to Chen Ping's nonsense. I know best whether you have the ability or not. You are the best. Stop talking nonsense to him. Just kill him and throw him into the river..."

Geng Shanshan persuaded Xiao Lei!

Xiao Lei nodded, and then said to Chen Ping: "Chen Ping, today is your death anniversary next year. You have offended me, and I want you to know what the consequences will be..."

After saying that, Xiao Lei waved his hand: "Come on, chop him to death, and then throw him into the river..."

Xiao Lei gave an order, and dozens of people rushed towards Chen Ping with machetes!

“People from the Red Dragon Gang?”

Chen Ping looked at the dozens of people rushing towards him and asked with a sneer!

Xiao Lei saw that Chen Ping was still in the mood to laugh, and couldn't help but become even more angry: “Chen Ping, it's useless even if you find him, because you will die soon. These people are indeed from the Chilong Gang, and they are all But they kill without blinking an eye, do you think you still have a chance to survive today?”

Xiao Lei's face was gloomy, with a vicious look in his eyes.

“I think I should still be alive today!” Chen Ping raised the corners of his mouth, then looked at the dozens of Red Dragon Gang members and said, “Didn't Liao Feixiong inform you not to provoke me?”

Chen Ping's words immediately caused dozens of members of the Red Dragon Gang to stop where they were and look at Chen Ping up and down!

“Boy, who are you and how do you know Brother Xiong's name?”

At this time, a middle-aged man wearing a long gown asked Chen Ping!

Obviously this middle-aged man is the leader of the Red Dragon Gang!

“You are not qualified to know who I am. Before taking action, you'd better call Liao Feixiong...”

Chen Ping said calmly!

“Chen Ping, what are you pretending to be? Brother Xiong is someone you can see whenever you want?” Xiao Lei took a step forward: “Don’t be afraid of him. I know this kid. He has no identity. He was just released from prison. Just reform-through-labor prisoners!”

“Brothers, start to chop him to death now. Whoever chops him to death first, I will give you 200,000 yuan, and the other one will give 10,000 yuan...”

Xiao Lei knows that people die for money and birds die for food. As long as there are enough benefits, people will lose their minds and fight for their lives!

Chapter: 290

When these people heard that whoever hacked him first would get an extra two hundred thousand, they all rushed towards Chen Ping like crazy, thinking of making the first chop!

Although Xiao Lei gave a lot of money to the Red Dragon Gang, it was extremely limited in the hands of people like them.

Chen Ping saw these people actively seeking death and sneered. Then he raised his hand and grabbed a machete. He didn’t see clearly how Chen Ping did it. He only saw the four-finger-wide machete. , jumped directly into two parts!

The member of the Red Dragon Gang who was the first to rush was dumbfounded. Looking at the machete with only half left in his hand, his eyes were filled with horror!

Others were also stunned. They didn’t expect that Chen Ping could catch the machete with his bare hands, and even broke the machete into two pieces. However, Chen Ping’s hand was not injured at all!

“How is that possible?” Xiao Lei’s eyes widened when he saw this scene, full of disbelief.

Just when everyone was stunned, Chen Ping flew up and kicked away the first member of the Red Dragon Gang!

It flew more than ten meters and then fell heavily in front of Xiao Lei. The Red Dragon Gang member vomited blood and wondered if he could survive!

Seeing the bloody scene in front of him, Xiao Lei's face became very ugly, and Geng Shanshan was so frightened that she hid behind Xiao Lei!

"Don't be stunned, come together, even if he can grab the blade with his bare hands, so many people can chop him into pieces..."

Xiao Lei shouted loudly!

The members of the Red Dragon Gang reacted, raised their machetes, and rushed towards Chen Ping again!

Chen Ping flashed and saw an afterimage constantly wandering among the crowd. These were all members of the Red Dragon Gang. Chen Ping had no need to be merciful. In just one minute, these dozens of people from the Red Dragon Gang All the members fell at Chen Ping's feet!

The wailing sounds were endless, everyone was covered in blood, their arms and legs were broken, and they were all disabled.

Chen Ping did not kill anyone and spared the lives of these Red Dragon Gang members.

Xiao Lei trembled when he saw the tragic scene in front of him. Geng Shanshan was so frightened that her face turned pale and she didn't dare to look into Chen Ping's eyes!

"With just such a small number of people, you want to take revenge and kill me? Are you looking down on me too much?"

Chen Ping slowly walked towards Xiao Lei!

Xiao Lei faced Chen Ping, and chills spread all over his body instantly, as if he had fallen into an ice cave!

“Chen...Chen Ping...you...don’t come here. You have crippled so many people in the Red Dragon Gang. The Red Dragon Gang will definitely not let you go...”

At this time, Xiao Lei was still threatening Chen Ping with the Red Dragon Gang!

“Do you think I’m afraid of the Red Dragon Gang?” Chen Ping walked up to Xiao Lei with a sneer on his face: “I’m giving you a chance. You can continue to call people from the Red Dragon Gang, but this time you have to Call some experts...”
