

The Order 2811

Chapter: 2811

The leaders of the Martial Arts Alliance have all been sentenced to death, and the Martial Arts Alliance has been destroyed. Who else will join the Martial Arts Alliance?

Chen Ping is going to follow the Martial Arts Alliance and fight to the end until death...

At the same time, in an extremely fluctuating space, a person whose body was looming and hidden under a black robe slowly stood up!

“There are still people in the secular world who can shake my magic circle. The fluctuation of the aura just now was too terrifying. Is the spiritual energy really going to revive? Are some old things coming back to life?”

The man in black robe spoke calmly, but there was no one in front of him!

“Mighty, all the secret realms seem to have received the news that the era of spiritual energy recovery is coming, and all the hidden aristocratic families seem to be making preparations.”

“Many powerful spokespersons for famous families have emerged in the secular world, but the martial arts alliance that we have worked so hard to manage has lost its glory and been destroyed at this time.”

In the fluctuating space, an old man with a wrinkled face and a slight hunchback appeared.

“Hahaha, the martial arts alliance is just a bait for me. Even if it is a bait, it cannot be destroyed easily. You should take someone to see it. If you can, bring Chen Ping.”

“The true form of the golden dragon, maybe with his body, we can enter another world and see our long-lost demon king...”

Da Neng laughed wildly and seemed not angry because the martial arts alliance was destroyed.

“As ordered...”

The hunchbacked old man retreated slowly, and soon his body was hidden within the fluctuating space.

In Kyoto, the Martial Arts Alliance was destroyed, and the news that Nie Cheng, the new leader of the Martial Arts Alliance, was arrested spread instantly!

At this time, Chen Ping’s reputation has reached its peak!

But for Chen Ping, all the reputation is meaningless. He has to find a way to break open the cell and rescue Su Yuqi.

Now that the Martial Arts Alliance no longer exists, but looking at the dungeon, Chen Ping is helpless, which makes him very desperate!

“Mr. Chen, are you worried that you can’t break into the martial arts alliance’s cell?”

At this time, Fan Jiang came over and asked.

Chen Ping looked at Fan Jiang and then nodded: “The formation in that cell is so powerful that even the Blood Demon can’t break it.”

“I have been in the Martial Arts Alliance dungeon for twenty years. The formation in that dungeon is very strange, but as long as I find the eye of the formation, I may be able to break the formation.”

Fan Jiang said.

When Chen Ping heard this, he immediately rolled his eyes. Everyone knows that if you find the eye of the formation, the formation can be broken. After all, the eye of the formation is the weakest point of every formation!

But the most difficult thing is how to find the formation eye!

Chapter: 2812

Fan Jiang also seemed to see what Chen Ping was thinking, and said quickly: "Mr. Chen, Master Hu is the master of spells, and each spell actually corresponds to a magic circle. If you find him, maybe Master Hu can. If you know where the formation's eye is, you might be able to break the formation."

When Chen Ping heard this, his eyes suddenly lit up. Indeed, the reason why each talisman has different abilities is because the magic circle given to each talisman is different, so the abilities are different!

For example, the killing formation and the mountain-protecting formation are just condensing the formation onto the talisman paper, which makes each talisman have different abilities!

It's just that this ability to draw symbols is not available to everyone.

You can set up formations, but you may not be able to draw talismans. Arrange formations on talisman paper!

In the same way, Hu Mazi can draw talismans and is almost invincible in spells, but if he is really asked to set up a mountain-protecting formation arranged by a sect, he can't do it!

All things are interoperable, but they are also different!

After thinking about it, Chen Ping decided to go find Hu Mazi immediately after beheading Nie Cheng in public tomorrow.

If Hu Mazi can't do it, they can go to the ruins of Tianfu Sect, and maybe they can have an adventure!

Now that the Blood Demon's body is here, he is like a walking tank. There is no need to worry about the traps set up in the ruins!

Early the next morning!

The martial arts arena was crowded with people because Chen Ping decided to publicly execute Nie Cheng here today!

This is the first leader of the Martial Arts Alliance to be executed since its existence!

Officials should come forward to stop this kind of thing. After all, Chen Ping's Longmen is just a sect and has no right to execute the leader of the Martial Arts Alliance!

Officials needed to speak out, but when Chen Ping decided to execute Nie Cheng, there was no official voice.

Everyone also understood that given the relationship between Chen Ping and Mr. Shi, it was normal for the officials to remain silent.

In Longmen, in a dungeon, Chen Ping personally took Nie Cheng out!

Nie Cheng also seemed to know his fate, and his face became extremely pale!

"Chen Ping, you...can you not kill me? I can tell you more secrets of the Martial Arts Alliance..."

Nie Cheng said with his body trembling.

When Chen Ping heard this, he was stunned and said, "What other secrets do you know about the Martial Arts Alliance?"

"You promise not to kill me first, and then I will tell you..."

Nie Cheng said.

"Do you think you are still qualified to bargain with me?"

Chapter: 2813

Chen Ping said with a cold expression.

Feeling the cold chill on Chen Ping's body, Nie Cheng hesitated for a moment, and finally gritted his teeth and said, "Okay, I'm telling you, I hope you can let me go..."

Nie Cheng said, and was about to speak when he heard an old voice from the side: "You know it's just superficial, how dare you claim to be a secret?"

Chen Ping and Nie Cheng were startled at the same time, and turned around hurriedly to look!

They discovered that at some point, an old man with a hunchback appeared behind them!

Chen Ping was startled and asked the old man, "Who are you? How did you get in?"

You must know that the dragon gate is now heavily guarded, how could a stranger enter casually.

Moreover, this person was very close to Chen Ping and the others at this time, and Chen Ping didn't even notice it yet, which shows how strong the opponent is!

"It's not important how I got in. What's important is that Tangtang Black Silver Robe is so afraid of death. It really embarrasses the Martial Arts Alliance."

The hunchbacked old man sighed, shook his head and said.

"Are you from the Martial Arts Alliance?" Chen Ping frowned.

Nie Cheng was so frightened that he looked extremely ugly. He didn't know the hunchbacked old man because they were all wearing black robes during the meeting, and no one knew the other's identity.

Now that he saw the Martial Arts Alliance sending people, Nie Cheng was filled with fear and uneasiness!

“Senior, save me, save me. What I just did was just a temporary measure and I didn’t reveal any secrets of the Martial Arts Alliance.”

Nie Cheng shouted for help to the hunchbacked old man!

“It seems like everything under the black gold robe is rubbish. It’s true...”

The hunchbacked old man snorted coldly!

Then a ray of light shot out from his eyes. When Chen Ping saw this, he wanted to take action, but found that it was already too late!

I saw that ray of light entering Nie Cheng’s mind instantly, and then Nie Cheng’s head exploded instantly, and he died at the sight.

Chen Ping looked at Nie Cheng who died tragically in front of him, and his aura began to increase rapidly!

He knew that this old man was so powerful that he was no match for him!

A ray of divine consciousness came out, and Chen Ping urgently began to summon the blood demon!

“You alone are not qualified to fight with us. If you can submit to us, we can consider letting your girlfriend go.”

“And the resources in our hands can also allow you to quickly improve your cultivation. Otherwise, it would be a pity for you, the golden dragon’s true form.”

Chapter: 2814

The old man looked at Chen Ping with a sneer and said.

“If you are sincere, let my girlfriend go first. I’m considering whether to join you.”

Chen Ping was deliberately stalling for time to let the blood demon arrive.

“Hahaha, do you think I’m a fool?” The old man laughed: “Don’t worry, I will give you time. I want to see who the master who appears next to you is.”

The old man’s words made Chen Ping look surprised, so he asked: “Did you arrange the formation in the dungeon?”

Because only the person who arranged the formation can feel the fluctuations of the formation and know that there is a master around Chen Ping who has set up the formation!

“You think too highly of me. I can’t arrange that formation. I advise you not to waste your efforts. No one can break that formation.”

“It’s impossible for you to rescue your girlfriend. You have to wait until her value disappears, and maybe you can release her.”

“But with the physical body of the fire spirit and the blood that is comparable to elixir, it is almost impossible for you to let your girlfriend leave the dungeon.”

The hunchbacked old man sneered.

Seeing that Su Yuqi was mentioned, Chen Ping’s body rose with anger, golden light suddenly appeared, and the indestructible golden body began to cover Chen Ping’s body!

At the same time, the Blood Demon has arrived behind Chen Ping, waiting for Chen Ping’s order with an expressionless face!

Seeing the blood demon appearing behind Chen Ping, the hunchbacked old man's eyes instantly flashed with light!

"I thought some old guy was resurrected, but it turned out to be the Blood Demon..."

When the hunchbacked old man saw the blood demon, he immediately sneered: "But you just rely on this old thing, do you still expect to be invincible?"

When Chen Ping saw that the old man could see the blood demon at a glance, he was so surprised that his eyes almost popped out of his head.

You know that this blood demon has been dead for thousands of years, how can anyone still know him?

Could it be that the old man in front of me is also a monster that has lived for thousands of years?

Seeing Chen Ping's surprised expression, the hunchbacked old man said: "If this blood demon is still alive, I may not be able to escape from his clutches, but now he is just a body, trained into a puppet corpse by you, and with your At the current level, even if one can refine the blood demon into a puppet corpse, the control ability will never exceed seven days."

"I really thought you had some master around you, but you were expecting a dead man to show off your power..."

The hunchbacked old man's disdain made Chen Ping's face become extremely ugly!

He really couldn't figure out who the old man in front of him was and how he knew so much.

"Even if it's a dead person, it's easy to kill you now."

Chen Ping urged the blood demon to attack the hunchbacked old man.

Chapter: 2815

“Huh, you ignorant and fearless guy...”

The hunchbacked old man snorted coldly!

“Do it...”

Chen Ping ignored him and directly asked the blood demon to take action.

The blood demon directly slapped the hunchbacked old man with one palm!

The hunchbacked old man snorted coldly, and then began to chant something in his mouth, and ripples of breath began to flash on his hands.

The hunchbacked old man sang faster and faster, and that simple and mysterious atmosphere began to erupt!

Then a ray of light instantly hit the blood demon’s head!

But the Blood Demon who originally started to attack suddenly stopped. Chen Ping instantly felt that his connection with the Blood Demon’s consciousness was suddenly cut off by something!

At this moment, Chen Ping’s expression changed drastically, and he looked at the hunchbacked old man in disbelief.

He couldn’t figure out what method the old man used to cut off the connection between him and the Blood Demon.

The hunchbacked old man looked at Chen Ping with a sneer: "It's just a puppet corpse. As long as you lose control of your spiritual consciousness, this is just a dead corpse. Do you really think he can help you get rid of our martial arts alliance?"

The eyes of the hunchbacked old man were slightly condensed. The obsidian-like eyes exuded a cold and sharp light, giving people an endless sense of oppression.

Chen Ping frowned, and his consciousness kept attacking, trying to regain control of the blood demon's body!

But every impact seemed to be blocked by something!

The cold sweat on Chen Ping's forehead began to drop!

And suddenly, the blood demon started to move, but the person controlling the blood demon turned into a hunchbacked old man!

The hunchbacked old man's spiritual consciousness wanders in the blood demon's body, controlling the blood demon's actions!

"I didn't expect that you could turn this powerful corpse into a puppet corpse, but your consciousness is too weak..."

With a sneer on his face, the hunchbacked old man controlled the blood demon to walk towards Chen Ping!

Chen Ping closed his eyes slightly, and the golden power of consciousness in his mind rushed out, directly wrapping the blood demon!

He didn't believe that his consciousness couldn't enter the blood demon's body!

Seeing the Blood Demon arrive in front of Chen Ping, suddenly a golden light burst out from the center of the Blood Demon's eyebrows, and then Chen Ping's consciousness instantly connected with that golden light!

It turned out that when refining the puppet corpse, Chen Ping's blood essence and blood left in the blood demon's body came into play.

Chapter: 2816

As Chen Ping's consciousness entered the Blood Demon's body, he immediately followed the hunchbacked old man and began to fight for control of the Blood Demon!

The consciousness of the two people began to compete with each other in the blood demon's body.

The hunchbacked old man had a sneer on his face. In his eyes, Chen Ping was just an ant!

The battle between the two people's spiritual consciousness became more and more intense. If it weren't for the physical strength of the Blood Demon, they would have been completely torn apart by now!

As the two consciousnesses competed, the hunchbacked old man's expression began to turn serious!

He didn't expect Chen Ping's power of consciousness to be so powerful!

I saw Chen Ping's spiritual power pouring into the blood demon's body crazily. These spiritual powers turned into sharp swords and continued to attack the hunchbacked old man's spiritual consciousness.

The hunchbacked old man's spiritual consciousness actually began to retreat steadily. In addition, Chen Ping's essence and blood was in the blood demon's body. Chen Ping was attacking from two sides at the moment!

Soon, the hunchbacked old man's consciousness was instantly shattered, and control of the Blood Demon returned to Chen Ping's hands.

The hunchbacked old man's face became very ugly, and he looked at Chen Ping in disbelief.

Chen Ping is not much better at the moment. The battle for his consciousness just now has cost Chen Ping a lot of energy. Now Chen Ping feels a little dazed.

However, Chen Ping did not dare to rest. After taking control of the Blood Demon, he immediately ordered the Blood Demon to take action.

The Blood Demon punched the hunchbacked old man.

The hunchbacked old man snorted coldly, and then the aura on his body continued to rise. Then he raised his hand and slapped it out with a palm, trying to block the blood demon's attack.

boom.....

With this casual punch from the Blood Demon, the moment the two people came into contact, the hunchbacked old man's face became extremely ugly!

Because he discovered that the seemingly random punch of the Blood Demon contained a terrifying and huge power. There was no time for any reaction, and the hunchbacked old man was instantly knocked away.

The hunchbacked old man stood up and said with an ugly face: "This old guy has been around for thousands of years, but he still has such a powerful body with such a physical body?"

The hunchbacked old man underestimated the power of the Blood Demon. He had no idea that the body of the Blood Demon was more than just a corpse.

The blood demon's physical body still retains a trace of breath, and it has absorbed the energy of everyone on Penglai Island for so many years. If Chen Ping had not appeared, the blood demon would have been completely resurrected.

So this hunchbacked old man only saw the Blood Demon as a corpse. That was a big mistake!

When Chen Ping saw that the hunchbacked old man was no match for the Blood Demon, he was immediately overjoyed. He immediately controlled the Blood Demon and attacked the hunchbacked old man again.

The expression of the hunchbacked old man changed, and he waved his palm into the air. In an instant, the sky became dark, and billowing black clouds began to gather.

Immediately afterwards, the black cloud turned into a huge fist and instantly hit the blood demon!

Chapter: 2817

Chen Ping's face became very solemn when he saw the spell performed by the hunchbacked old man!

This kind of terrifying technique can show how powerful this old man is!

At this moment, Chen Ping truly felt the power behind the Martial Arts Alliance!

The Blood Demon looked up at the giant fist that was smashing down in mid-air, and punched it directly!

The Gorefiend's body looked so small under that giant fist, but this punch came out!

A hurricane surged up and smashed the giant fist into pieces in an instant!

The figure of the hunchbacked old man suddenly retreated, and a trace of blood flowed from the corner of his mouth!

"How could this happen? This old thing is just a puppet corpse. How could he emit such powerful power?"

The hunchbacked old man is puzzled by everything!

After the blood demon shattered the giant fist with one punch, he stepped towards the hunchbacked old man. Upon seeing this, the hunchbacked old man suddenly thrust his hands into the ground, and the spells in his mouth began to float in the sky!

Rumble.....

After a loud noise, the entire ground began to tremble, and then a gap nearly one meter wide opened. Under the bottomless gap, only roars were heard coming out.

“Come out, hell dog...”

Along with the hunchbacked old man’s constant shouting, from the depths of the bottomless gap, a black wolfdog suddenly sprang out.

The wolf dog that jumped out seemed to be very gentle, and there was no trace of it following the abyss of hell!

Chen Ping frowned slightly as he looked at the wolf dog that suddenly jumped out of the ground!

He couldn’t believe it. Is there really a hell underground?

And this hunchbacked old man can actually make this ordinary secular world connect with hell and release the evil dogs inside?

Just when Chen Ping was puzzled, he saw the wolf dog docilely running in front of the hunchbacked old man. The hunchbacked old man cut his finger and blood gushed out instantly!

Then the wolfdog began to lick the blood of the hunchbacked old man, and the blood of the hunchbacked old man entered the wolfdog’s body!

The aura of the wolfdog began to change, its size continued to grow, and its eyes were extremely scarlet!

The terrifying aura on the wolf dog began to spread!

Chen Ping looked at the wolf-dog that was constantly changing in size, with a sparkle in his eyes!

Chen Ping was not afraid, he was just excited. If he could kill this hell dog and get the beast pill, Chen Ping felt that his strength could be greatly improved.

Chapter: 2818

Or perhaps by catching the hunchbacked old man and directly absorbing his strength, Chen Ping's strength could also be improved.

It was obvious that this old man was much stronger than Chen Ping. If Chen Ping could absorb his strength, the gains would be huge.

At this moment, the wolf dog that had sucked the old man's blood fixed its gaze on the Blood Demon.

The aura of the wolf dog carries a strong smell of blood!

"This divine dog was imprisoned in hell, absorbing yin energy all year round, and also devouring souls. Now this divine dog is sucking my blood, and it has become invincible..."

The eyes of the hunchbacked old man flickered. It was obvious that the appearance of this wolf dog gave him a lot of confidence!

"Hmph, do you really think I'm a fool? If you can open the door to the secular world and hell, how can you not even defeat the corpse of a blood demon? It was just your cover-up."

"What are you raising in hell and devouring souls? I think you raised it in the secret realm of space. Are you letting it out now to scare people? It's just a good time to kill your useless dog and eat the meat. The beast pill also happens to help me practice. ..."

Chen Ping snorted coldly.

The hunchbacked old man's face turned cold. It was obvious that Chen Ping had been right!

In fact, Chen Ping was just guessing. Someone who can really open the door to hell cannot have this ability.

"Do it..."

The hunchbacked old man knew that he could no longer scare Chen Ping, so he immediately let the vicious dog attack the blood demon.

The vicious dog showed its fangs, its eyes were fierce, and every time it breathed out, it could set off gusts of wind!

But no matter how ferocious the vicious dog showed, the blood demon showed no expression at all, because the blood demon was just a corpse, and it was useless to intimidate the vicious dog.

Seeing that it could not scare the blood demon, the evil dog could only open its big mouth and bite directly at the blood demon.

The blood demon couldn't dodge, but was bitten directly on the arm by the vicious dog!

But how could the blood demon's powerful body be injured by a jumping vicious dog?

The vicious dog suddenly bit down hard, leaving no trace of wounds on the Blood Demon's body. However, the vicious dog's teeth broke instantly, and the vicious dog had to let go of its mouth in pain.

The moment he released his mouth, the Blood Demon struck out with a palm, knocking the vicious dog's huge body away.

But soon, the vicious dog became afraid again. I have to say that this vicious dog's body is also very strong!

With the same strength, the physical bodies of monster beasts are much stronger.

And this evil dog showed no fear at all, roaring and charging towards the Blood Demon again, at extremely fast speed, and bursts of black mist kept coming out of its body!

Along with the black mist that emerged, the sides of the evil dog's head began to change, and then two huge heads grew.

Chapter: 2819

"Three-headed monster?"

Chen Ping was a little surprised when he saw this!

One body, three heads, each with a bloody mouth!

Just when Chen Ping was surprised, he suddenly felt a strong wind coming.

Just when Chen Ping reacted, the hunchbacked old man had already arrived in front of Chen Ping, and then his withered palms instantly grabbed Chen Ping!

It seems that he wants to catch Chen Ping or control Chen Ping. As long as Chen Ping is controlled, the blood demon will not be the slightest threat.

Chen Ping was startled and hurriedly punched the hunchbacked old man.

Bang...

Chen Ping's body was directly knocked away and fell heavily to the ground!

The figure of the hunchbacked old man was just a slap in the face, and then he grabbed Chen Ping again!

Chen Ping knew that he was no match for the old man at all, so he took out the Vajra directly, and injected a dragon's power into the Vajra, and the huge power of the Martial Saint began to exude power!

The power of the vajra in Chen Ping's hands was much greater than that in Nie Cheng's hands.

Martial Saint Weapons also depend on who uses them. The stronger the user, the greater the power of the Martial Saint Weapon. In the hands of the Martial Saint, the Martial Saint Weapon can exert its full power.

If only one Martial Sect uses the Martial Saint Weapon, it won't be able to exert any power at all.

The hunchbacked old man felt the huge power of the Martial Saint, and his body obviously froze, and his speed also slowed down a lot!

But in the end, the hunchbacked old man gritted his teeth and still grabbed Chen Ping.

Chen Ping waved the vajra in his hand, and a burst of martial saint power went directly towards the hunchbacked old man!

boom.....

The hunchbacked old man's body directly collided with the power of the Martial Saint, and then flew backwards.

Seeing that the hunchbacked old man could not withstand the attack of the martial saint's power, Chen Ping was overjoyed, and the power of the dragon was injected into the vajra again.

The Vajra is shining with a faint light, and the breath of the power of the Martial Saint is spreading!

The hunchbacked old man's face became a little ugly. He slowly stood up and looked at Chen Ping, but he didn't take action!

"Damn it, you old guy, keep doing it?"

When Chen Ping saw that the hunchbacked old man was scared, he immediately sneered.

Chapter: 2820

The hunchbacked old man looked very ugly. Even though Chen Ping was humiliating him, he did not take action!

But Chen Ping didn't know it yet, but the vajra in his hand, blessed by the power of his dragon, had begun to crack!

Originally, the vajra would not last long, but Nie Cheng later activated the vajra and followed the blood demon into a fight.

Now Chen Ping uses the vajra again. It is obvious that this has reached the limit of the vajra.

It may break at any time!

"Roar....."

Just as Chen Ping was confronting the hunchbacked old man, a sudden roar made both of them look over.

I saw only two heads of the three vicious dogs left at this moment. The Blood Demon was waving his iron fist and smashing hard at the heads of the vicious dogs.

With this punch, the whole space began to tremble, and the vicious dog's head was smashed away!

The two extra heads that the evil dog suddenly had were smashed by the blood demon!

When the hunchbacked old man saw this, his face instantly became extremely ugly. He had no time to express any sadness and muttered words, and saw space fluctuations starting to appear around the hunchbacked old man!

Chen Ping knew that this guy thought something was wrong and wanted to use space magic to escape!

"It's not that easy to leave..."

Chen Ping activated the vajra and smashed it directly at the hunchbacked old man.

But as soon as Chen Ping exerted force, the vajra in his hand instantly shattered and turned into pieces!

In this moment of delay, the body of the hunchbacked old man slowly disappeared!

"Chen Ping, when the time comes for your puppet corpse, I will come and take your life again..."

The hunchbacked old man's voice echoed in Chen Ping's ears!

Chen Ping snorted coldly: "I should be the one who takes your life..."

But the hunchbacked old man had already left and could not be heard at all.

Chen Ping looked at the vicious dog again. At this moment, it had been smashed into pulp by the blood demon's punches!

“stop.....”

Chen Ping hurriedly stopped the Blood Demon. If he smashed it like this, he might even destroy the beast elixir!

The blood demon stopped, and Chen Ping hurried forward and found the beast elixir from the pile of meat.
