

The Order 2821

Chapter: 2821

Feeling the coldness in the beast elixir, Chen Ping did not expect that this evil dog was indeed nourished by Yin Qi.

Fortunately, Chen Ping's Heart Condensation Technique is the same as refining Yin Qi, otherwise this beast elixir would have been wasted.

After putting away the beast elixir, Chen Ping sent people to the martial arts arena to inform everyone that the public execution of Nie Cheng had been cancelled, and that Nie Cheng had been killed.

Nie Cheng's head was gone, and there was no way Chen Ping could kill Nie Cheng again in public!

After everyone got the news, there was a lot of discussion. This incident did have a slight impact on Chen Ping in everyone's mind, but Chen Ping didn't care. His most important thing now was to rescue Su Yuqi.

Chen Ping took Blood Demon and Fan Jiang to Penglai Island to find Hu Mazi, and then went to Tianfu Sect!

In order to rescue Su Yuqi, Chen Ping can only run like this!

.....

In the martial arts alliance, atop the ruins, a hunchbacked old man stood in front of the rockery!

Immediately afterwards, the hunchbacked old man recited the spell silently, and a mysterious force instantly enveloped the entire rockery!

Following a burst of space fluctuations, the old man's body disappeared, along with the entire rockery!

And when the hunchbacked old man and the disappeared rockery appeared again, they were already in another lush green place!

This is a secret realm of the Martial Arts Alliance, and the dungeon is in the secret realm!

The dungeon in the martial arts alliance outside is just a reflection of the dungeon in the secret realm!

All the scenery is exactly the same, but it is not impossible to rescue people from the dungeon.

Because those are all false, even if Chen Ping can open the cell and rescue Su Yuqi, once out of the control of the dungeon formation, the Su Yuqi that Chen Ping saw will disappear in an instant!

The real Su Yuqi was locked up in this secret realm, which is why the great power said that the martial arts alliance was a bait. Even if it was destroyed, the great power didn't feel sorry at all!

Being able to open up a secret realm and even map the entire dungeon to the secular world. This generous approach shows how powerful the strength behind the Martial Arts Alliance is!

But at this time, Chen Ping still had no idea and was still working hard to save Su Yuqi!

After the hunchbacked old man entered the secret realm, a man in black and silver robes quickly came forward and said: "Magic Envoy, the great power has ordered you to open the secret realm and restore the martial arts alliance..."

The hunchbacked old man looked a little ugly at this time. He waved his hand and said, "I understand. The Martial Arts Alliance will be restored in three days. Have you found the place of recovery that you are looking for?"

The black silver robe shook his head: "Not yet, but I already know the general direction..."

"You have to speed up. You have to find that place and occupy it before the major secret realms are discovered. Now the laws of heaven and earth have no restrictions on us. This is our advantage..."

The hunchbacked old man said.

Chapter: 2822

The black and silver robe nodded, then turned and left!

The hunchbacked old man took off his shirt, and there was a clearly visible wound on his chest, which was caused by Chen Ping's vajra pestle.

"Chen Ping, sooner or later I will kill you and get your body..."

The cold light in the eyes of the hunchbacked old man kept flickering...

.....

Penglai Island.

The injuries on Hu Mazi's body have long since healed, and now he is hugging her from left to right, living a very free and easy life!

Du Nan treated Hu Mazi as his grandfather.

In particular, Hu Mazi tries his best to satisfy women's requirements!

This made Hu Mazi feel that Penglai Island was much better than when he was in the Shen family. At this moment, he had already forgotten all about the two beauties of the Shen family.

"Master Hu is so elegant. I was worried about your health. It seems that I was worried in vain..."

Chen Ping walked into the hall and looked at Hu Mazi who looked satisfied and said.

Seeing Chen Ping coming, Hu Mazi stood up, covered his chest and said, "I'm still feeling tight in the chest and short of breath. I almost died trying to save you..."

Chen Ping saw that Hu Mazi was just pretending, but he didn't expose it. He smiled and said, "Get ready, come with me to Baihai City..."

"What are you going for?"

Hu Mazi was stunned.

"Didn't you keep making troubles back to the Shen family? Someone in the Shen family is waiting for you..."

Chen Ping smiled.

"No, no, I'm still injured now and it's not suitable for traveling and traveling. It's good to recuperate here."

Hu Mazi waved his hands repeatedly, and then sat back!

"Master Hu, do you like the new and hate the old?" Chen Ping asked.

"No way, I'm a very dedicated person, but my body doesn't allow me to go back now..."

Hu Mazi shook his head.

"Hey, I originally wanted to ask you to go to Tianfu Sect and excavate the ruins. Now that you don't go, then I will go myself."

Chapter: 2823

Chen Ping sighed, then turned around and left!

However, Hu Mazi stood up in a hurry and stopped Chen Ping: "With your strength, aren't you afraid of dying inside the ruins of Tianfu Sect?"

"What are you afraid of? Don't forget that there is a perverted body like the Blood Demon. This is a good shield. What kind of hidden weapon can hurt us?"

Chen Ping patted the Blood Demon on the shoulder and said to Hu Mazi.

Hu Mazi slapped his forehead: "Yes, how could I forget this guy..."

"We'll leave soon after I clean up..."

Faced with women and the ruins of the Tianfu Sect, of course Hu Mazi would choose the ruins!

But just when Chen Ping led Hu Mazi and others out of the hall, he saw a woman walking towards him with a group of people!

The woman's long white legs instantly made Hu Mazi stare straight at her!

Chen Ping frowned, because this woman was the one who failed to snatch the blood demon's body some time ago and escaped!

This woman almost beat Hu Mazi to death, but looking at Hu Mazi's expression at this time, she didn't seem to be angry!

A pair of eyes looked at the woman's legs with squinting eyes!

“Are you here for revenge?”

Chen Ping stepped forward and asked the woman.

With the Blood Demon around, Chen Ping wasn't afraid of these people at all.

There was a slight smile on the woman's face: “Don't be nervous. I'm not here for revenge. I have something to talk to you about.”

“What are you talking to me about?”

Chen Ping looked confused. He didn't understand what this woman was talking to about him.

Besides, I followed the Demon Spirit Sect and had no interaction!

The woman glanced at everyone, and then said: “There are too many people here, do you plan to talk here?”

Chen Ping looked at it and then said: “Come with me...”

Chen Ping took the woman into a room, and Hu Mazi followed behind. It wasn't until Chen Ping closed the door that Hu Mazi reacted.

“Damn, it's so long and white...”

Hu Mazi muttered!

Chapter: 2824

After entering the room, Chen Ping said with a cold face: “If you have anything to do, just tell me quickly. I don't have much time to chat with you...”

The woman was not angry either, and still had a faint smile on her face: "My name is Zhou Jie, and I came here under the entrustment of my sect master to discuss cooperation with Mr. Chen."

"Cooperation?" Chen Ping looked Zhou Jie up and down: "What cooperation are you talking about? What else do we have to cooperate with?"

"We know some secrets that Mr. Chen doesn't know, and we also know that Mr. Chen has been troubled by his girlfriend recently. Our Demon Spirit Sect can help Mr. Chen solve all this..."

Zhou Jie said calmly.

"Are you investigating me?" Chen Ping frowned slightly. It was obvious that the Demon Spirit Sect was investigating him.

"Of course, if we haven't investigated Mr. Chen, how can we talk about cooperation?"

Zhou Jie admitted directly.

"You have investigated me, but I don't know your Demon Spirit Sect at all. Isn't this kind of cooperation unfair?"

Chen Ping asked.

"If Mr. Chen is willing to cooperate, I can take you to visit our sect. We are sincere about cooperating with Mr. Chen, so we have no reservations. You can rest assured about this."

Zhou Jie said frankly.

"What benefits do you want to gain from cooperating with me? Do you want to get the body of the blood demon?"

Chen Ping looked curious!

It is impossible that this Demon Spirit Sect is out of kindness and cooperates with them without any benefit.

Zhou Jie nodded: "Yes, we only hope to get the blood demon's body. To tell you what Mr. Chen doesn't like to hear, the blood demon's body is a waste in Mr. Chen's hands..."

"Although you have found a way to refine the blood demon body into a puppet corpse, it will not take too long. In this way, the blood demon body will be wasted. But if it falls into the hands of our Demon Spirit Sect, we have a way Let the blood demon body come to life."

"But Mr. Chen, don't worry. When the time comes, our Demon Spirit Sect will be Mr. Chen's strong backing. You can destroy him at any time with the Kyoto Martial Arts Alliance..."

Chen Ping stared at Zhou Jie and saw that Zhou Jie's eyes were sincere and she was not lying.

"You just said you could rescue my girlfriend, and you also had a secret that I didn't know about. What secret was it?"

Chen Ping asked.

"Mr. Chen, I'm sorry I can't tell you now. Only when we both reach a cooperation can we tell you this secret..."

Zhou Jie shook her head!

"You've been talking for a long time, but it's all nonsense. How can you make me believe that your Demon Spirit Sect is powerful?"

Chapter: 2825

Chen Ping saw that Zhou Jie didn't tell any secrets, so he said excitedly.

Zhou Jie smiled, not angry, and exposed Chen Ping's provocation: "Mr. Chen is using provocation against me. You don't have to. In order to express our sincerity, I will still tell you a secret."

"You are trying so hard to save your girlfriend, but in fact, what you see is just a reflection. Even if you find a way to open the cell door, your girlfriend cannot leave the dungeon!"

"As long as she leaves the magic circle, her body will dissipate instantly. Her body is not in the dungeon..."

Zhou Jie's words instantly stunned Chen Ping.

"Impossible, absolutely impossible. I have seen Yuqi several times. The aura and everything about her are real. How can it be a reflection?"

"You don't have to think of me as a fool. I trust my intuition. There's no way it's fake..."

"If it's a lie, why didn't Yu Qi tell me? It can't be a lie."

Chen Ping shook his head, not believing it at all.

Zhou Jie smiled coldly: "I've already said what needs to be said. It's up to you whether you believe it or not. As for cooperating with our Demon Spirit Sect, I hope Mr. Chen will consider it carefully..."

After saying that, Zhou Jie turned and left the room. As soon as she opened the door, she saw Hu Mazi outside the door, and the two almost bumped into each other!

Seeing Zhou Jie come out, Hu Mazi quickly looked at Zhou Jie's thighs and breathed in the fragrance of Zhou Jie desperately!

Looking at Hu Mazi's wretched look, Zhou Jie rolled her eyes. If she hadn't come over to discuss cooperation with Chen Ping, she would have given Hu Mazi a beating!

However, Zhou Jie was a little surprised that Hu Mazi was able to escape from death last time. She felt that Hu Mazi was a bit perverted and quite powerful!

Zhou Jie led the people away, and Chen Ping also walked out of the room!

Hu Mazi hurriedly smelled Chen Ping's body!

Chen Ping looked surprised and said: "Master Hu, what are you doing?"

"I heard what you were doing in there, alone and alone? That's my woman, don't mess around..."

Hu Mazi warned Chen Ping.

When Chen Ping heard this, he immediately couldn't laugh or cry: "Your woman almost killed you..."

"Then don't worry about it. I'm happy to do it. It's cool to be a ghost under the peony flower..." Hu Mazi shook his head and said, "By the way, what did that little bitch tell you?"

Chen Ping didn't hide anything and said directly: "She wants to cooperate with me..."

"Cooperate?" Hu Mazi was stunned: "Do you agree? If we cooperate, then we will be our own, right?"

Chen Ping nodded: "Yes, if you cooperate, you will be one of our own, and you can see her often..."

Chapter: 2826

"Really?" Hu Mazi's eyes lit up: "Promise her, promise her quickly, and cooperate with her..."

Hu Mazi grabbed Chen Ping's shoulders and shook them vigorously, looking very excited!

Seeing Hu Mazi's excited look, Chen Ping asked with confusion: "Master Hu, what do you like about that woman?"

"Legs..." Hu Mazi replied without hesitation: "Long, thin, and white..."

Chen Ping was speechless for a while and could only say: "Let's go to the Tianfu Sect ruins first and wait two days before we talk..."

A group of people rushed to the ruins of Tianfu Sect, and Chen Ping kept thinking about Zhou Jie's words on the way!

If there is a chance, Chen Ping decides to enter the Martial Arts Alliance dungeon once to see if Su Yuqi is just a reflected person like Zhou Jie said!

When Chen Ping and others arrived at the ruins of Tianfu Sect, they were already familiar with the journey.

The whole journey went very smoothly and we reached the door!

Looking at the gate of Tianfu Sect's ruins, neither Chen Ping nor Hu Mazi dared to act rashly!

Chen Ping glanced at Fan Jiang, who waved his hands and said: "Mr. Chen, my strength cannot open this door..."

In the end, Chen Ping could only let the Blood Demon step forward and open the door!

boom.....

The blood demon didn't think, he stepped forward and punched the door of Fu Sect that day!

This punch directly caused a sensation, and the entire space of the ruins began to fluctuate and become distorted!

Chen Ping was stunned and didn't understand how the blood demon's punch on the door could still cause fluctuations in space.

"A bold maniac who broke into the Tianfu Sect without authorization is an unforgivable crime..."

A faint voice came from the ruins of Tianfu Sect!

Along with the sound, waves of killing aura hit, this aura is extremely terrifying!

Chen Ping and the others felt the killing energy, their faces changed drastically, and they hid behind the Blood Demon!

Fan Jiang also hid behind the Blood Demon, and several people used the Blood Demon's body as a shield!

Ding-ding-ding-ding-ding.....

Those blasts of killing energy hit the Blood Demon's body without leaving any scars at all!

Immediately afterwards, the Blood Demon punched out again, and the door of Fu Sect collapsed that day!

Chapter: 2827

As the gate of Tianfu Sect fell, a figure appeared in the void. An old man with childish face and heavy hair was seen, wearing some white clothes, floating in the air!

Seeing this, Hu Mazi hurriedly knelt on the ground and said, "Disciple Hu Mazi, pay homage to the Patriarch..."

But the old man didn't seem to be looking at Hu Mazi, but at the blood demon's body: "I didn't expect that after thousands of years, this old demon's body is not rotten, but it was turned into a puppet corpse by you little dolls..."

Seeing this, Chen Ping hurriedly said loudly: "Senior, we don't mean to offend. It's just that the spells of Tianfu Sect are invincible in the world. If it is lost, it will be a pity for the entire world of immortality. That's why we came here. I hope Can carry forward the talisman skills of Tianfu Sect..."

Chen Ping gave the old man a rainbow fart, making the old man so proud of himself!

"You little kid can talk, but the spells of our Tianfu Sect are not spread to anyone else. You are not our disciple, so how can you carry forward the spells of our Tianfu Sect?"

The old man asked Chen Ping.

This confused Chen Ping, but Chen Ping pointed at the sesame seeds and said, "Master Hu is from your sect. You can pass on the spells to him..."

When Hu Mazi heard this, he was so excited that he had already thanked all eight generations of Chen Ping's ancestors!

He didn't expect that Chen Ping would push himself out at this time and let himself inherit the inheritance!

Hu Mazi was trembling all over!

"Hmph, as a Talisman Master with a head full of women, how can we promote our talisman skills?"

The old man snorted coldly.

Chen Ping couldn't help laughing when he heard this, while Hu Mazi's face was full of frustration!

Then the old man looked at Chen Ping and said, "Are you willing to worship me as your teacher now and become a member of our Tianfu Sect?"

Chen Ping was slightly startled, a little embarrassed!

This old man has obviously died long ago, and only this ray of spiritual thought is left here.

How could he worship a god as his teacher?

Seeing Chen Ping's hesitation, the old man looked unhappy and said: "If you don't want to, then go back. I won't pursue the matter of destroying my sect..."

"Senior, I am willing..."

Chen Ping had no choice but to agree.

Hu Mazi looked at Chen Ping and was speechless for a while. If Chen Ping really worshiped the old man in front of him as his teacher, wouldn't he become his own ancestor...

"Okay, since you are willing, then step into the sect, and others will not wait to break in..."

After the old man finished speaking, his figure disappeared from mid-air!

Chapter: 2828

Chen Ping looked at the dark appearance inside the sect and said to Hu Mazi: "Master Hu, please wait here while I go in and take a look..."

"Chen Ping, you have to be careful!"

Hu Mazi warned.

Chen Ping nodded, and then stepped into the sect!

After Chen Ping stepped into the sect, the space behind him fluctuated, and then the entire figure disappeared!

After Chen Ping stepped in, the dark scene in front of him disappeared. What followed was a towering palace and a peaceful and busy scene!

I saw that everyone here was dressed as a talisman master, and the talismans in the sky were flying at will, but these people seemed to not be able to see Chen Ping at all!

“Is this the prosperous period of Tianfu Sect?”

Chen Ping couldn't help but murmur to himself!

Just when Chen Ping was stunned, the old man suddenly appeared in front of Chen Ping and said to Chen Ping: “Follow me...”

Chen Ping nodded and followed the old man into the towering hall!

Then he stopped in front of a statue, and then the old man muttered something, and the statue flashed three times.

At this time, the old man looked at Chen Ping and said: “To join our Tianfu Sect, you need to have no distracting thoughts and a kind heart and a strong will. Now I want to enter your body. You have to relax yourself and let go of all your consciousness!”

Chen Ping also had no ink marks. He closed his eyes slightly and opened all his consciousness, waiting for the old man to check!

Soon, the old man turned into a ray of light and entered Chen Ping's body instantly!

The old man had just entered Chen Ping's body, and the spiritual thought kept wandering around. But when it came to Chen Ping's mind, a burst of golden light suddenly shone, and then he saw a golden dragon hovering in an instant and opening its bloody mouth towards the old man!

Jinlong's eyes were like lanterns, full of arrogance, looking down at the old man!

The old man's expression changed drastically, his spiritual thoughts kept retreating, and he hurriedly exited Chen Ping's body!

Chen Ping opened his eyes and found that the old man was already sweating profusely, and his eyes were full of fear!

"Senior, can you finish the inspection?"

Chen Ping asked.

The old man didn't say a word, and it took him a long time to recover.

"You are the true form of the Golden Dragon, the son of the Heavenly Dragon. I am presumptuous, please forgive me..."

As the old man said this, he actually knelt down to Chen Ping!

Chapter: 2829

Chen Ping looked surprised and hurriedly helped the old man up.

"Senior, many people say this about me. Can you tell me who my father is? Is he a dragon?"

Chen Ping asked immediately when he saw that the old man also said that he was the son of a dragon.

Seeing Chen Ping asking this, the old man asked curiously: "You don't know who your father is?"

Chen Ping shook his head: "I have never seen my biological parents since I was born..."

When the old man heard this, he was silent for a moment and said: "This may be God's will. The spiritual energy will revive and the catastrophe of heaven will appear again. Maybe you are the one who stirred up this catastrophe!"

"It is our Tianfu Sect's honor to be able to teach you the spells of our Tianfu Sect..."

Chen Ping became even more confused when he heard what the old man said. He wanted to continue asking, but the old man smiled slightly and his whole body radiated light!

Immediately afterwards, the old man's body slowly disappeared and turned into runes, which quickly entered Chen Ping's body!

Chen Ping only felt a sharp pain in his brain, and then a series of spells began to flash!

Chen Ping hurriedly sat cross-legged, digesting this huge spell!

At this moment, the aura on Chen Ping's body was growing rapidly!

Hu Mazi followed Fan Jiang and waited outside.

But after waiting for a long time, Chen Ping didn't come out!

"Master Hu, will Mr. Chen be okay? Why haven't you come out for so long?"

Fan Jiang asked.

“It should be okay, we are waiting...”

Hu Mazi said.

The two of them continued to wait until the blood demon’s body fell to the ground with a thud. Only then did the two of them realize that they had been waiting here for several days.

This time, Hu Mazi was also a little anxious.

“This guy, the time to control the blood demon body is up, why can’t he see his shadow? What a waste...”

Looking at the blood demon lying on the ground, Hu Mazi sighed!

“How about we go in and look for it?”

Fan Jiang said.

Chapter: 2830

“Who knows if there are any hidden weapons inside? With the abilities of the two of us, we will definitely die after entering...”

Hu Mazi knew that the hidden weapons in Tianfu Sect would be even more powerful, and the two of them simply couldn’t resist them!

Just like that, the two of them waited for another day. Suddenly, a burst of golden light exploded in the dark sect, illuminating the entire ruins!

Only then did they see clearly that Chen Ping was sitting cross-legged only ten meters away from them!

I saw the golden light on Chen Ping's body flashing continuously, like the sun, lighting up the entire ruins!

Chen Ping suddenly opened his eyes, and a golden light shot out of his eyes!

The aura on his body exploded!

Chen Ping clenched his fist and felt very comfortable all over his body.

"This...did I break through to the fifth rank of Great Wuhou?"

Chen Ping's eyes were full of surprises. He didn't expect that after digesting the talisman technique, his strength would directly jump from the third-level Dawuhou to the fifth-level!

You must know that crossing such a large realm requires too many resources and energy.

The golden light on Chen Ping slowly disappeared, and the entire Tianfu Sect ruins returned to darkness!

At this moment, Chen Ping was mumbling words and drawing random words in the air!

Immediately afterwards, a flame burned in the mid-air, and the flames burned brightly, illuminating the ruins of Tianfu Sect again!

Chen Ping looked around and saw rubble everywhere, and among the rubble, there were many bones scattered!

These bones should all be disciples of the Tianfu Sect!

Looking at the tragic situation in front of him, Chen Ping recalled the peaceful scene he had just seen. It was like heaven and earth!

It seems that the war between gods and demons thousands of years ago was really tragic...

“Chen Ping, have the Tianfu Sect’s spells been passed down to you?”

Hu Mazi hurriedly stepped forward and asked Chen Ping.

Chen Ping nodded.

Hu Mazi was extremely happy now: “Remember, you have to teach me when you have time...”

“Mr. Chen, since you have obtained the inheritance, let’s go...”

Fan Jiang said.
