

The Order 2841

Chapter: 2841

Xiaolan got angry and scolded Chen Ping!

“I haven’t been to the Ice Bear Island you mentioned, I’m so curious...”

Ge Yuhan has been sealed for thousands of years, and she doesn’t even know the existence of Ice Bear Island!

“I haven’t been there either, I want to see...”

Xiao Min looked at Chen Ping pitifully: “Brother Chen, can you take me there?”

“Take me there, take me there...”

“I also need to go!”

“And I.....”

A bunch of women are chattering, they all want to go to Ice Bear Island!

At this moment, Chen Ping felt like he had a splitting headache, as if Tang Monk had recited a tightening curse!

“I went to explore a ruins, not to travel. It’s very dangerous...”

Chen Ping could only say helplessly.

“What’s wrong with exploring the ruins? Maybe we can help you, we’re not a burden!”

“Who among us is incompetent?”

Xiaolan retorted to Chen Ping!

“I’m not saying you are incompetent. This time is really dangerous. It’s inconvenient to bring a bunch of you women with you...”

Chen Ping was crying, he didn’t know how to explain to these women!

“Why is it inconvenient? You’re being sexist.”

Wu Meier said.

“I.....”

Chen Ping was speechless for a while, feeling the looks of these women, and finally he could only nod in compromise: “Okay, you all will follow, but when you get to the place, you must listen to me and don’t run around, otherwise I will I don’t have time to care about you...”

Seeing that Chen Ping agreed, a group of women immediately cheered and high-fived in celebration!

He seemed as happy as if he had won a battle!

Looking at the excited group of women, Chen Ping was still helpless. He could fight with any powerful enemy without fear!

Chapter: 2842

But facing so many women, he really didn’t know what to do...

At this moment, a resentful voice suddenly came from the door: "Have you forgotten me?"

Chen Ping turned around and found that Ge Jiayi was already standing at the door without knowing it, with tears in her eyes, looking like she had been wronged!

Seeing Ge Jiayi appear again, Chen Ping's head got bigger!

Seeing that Ge Jiayi was about to shed tears, Chen Ping hurriedly said: "Go, you go too, you are the only one left..."

After hearing Chen Ping's promise, Ge Jiayi burst into tears and turned into a smile!

Chen Ping did not dare to stay in the Red Lotus Palace for long, he was afraid that these women would eat him!

the next day!

At Kyoto Airport, Long Wu brought a group of people to see Chen Ping off!

Originally, Chen Ping planned to take Hu Mazi and Fan Jiang to Ice Bear Island, but now there are more than a dozen people!

In order to have someone to watch these women, Chen Ping asked Zhao Chuang to go with him, so that Zhao Chuang and Xiaoru could enhance their relationship with each other!

"Chen Ping, have a nice trip..."

Long Wu smiled lightly.

“Mr. Chen, your mission this time is quite difficult. I’m afraid these girls will be difficult to deal with...”

Ge Fuhai smiled playfully at Chen Ping.

Chen Ping smiled helplessly, and then took everyone on the plane!

Eight girls, Gu Ling’er, Ge Yuhan, Ge Jiayi, Ji Ruxue, Xiao Min, Wu Mei’er, Xiao Lan, and Xiao Ru, boarded the plane with Chen Ping and instantly attracted the attention of many people!

After all, these eight girls are all very beautiful, each with their own merits, especially Ji Ruxue’s fairy aura, Wu Mei’er and Xiaolan’s naturally charming bodies, which made the men on the plane all look at these girls. Look at it!

The eight girls didn’t care, they were all very happy talking to each other!

Chen Ping sat next to Hu Mazi. As soon as he got on the plane, Hu Mazi sighed.

“Master Hu, what’s wrong with you?”

Chen Ping asked puzzledly.

“Chen Ping, let me tell you, you are not allowed to talk about me when I am looking for a woman from now on. You have so many women, how dare you talk about me?”

“Look at the quality of your women. Each one is better than the last. Why can’t I find one like this?”

Chapter: 2843

Hu Mazi looked at Chen Ping, full of envy, jealousy and hatred...

When Chen Ping heard this, he was speechless and didn’t know how to answer Hu Mazi!

But Zhao Chuang said from the side: “Master Hu, when we get to Xiong Country, I will find you some foreign girls...”

Zhao Chuang’s words instantly touched Master Hu’s heart, and he immediately smiled and said: “Okay, okay, but you, Chen Ping, are not allowed to control me...”

“No matter, no matter...”

Chen Ping smiled and shook his head!

The plane flew smoothly, and everyone gradually became calm from the excitement at the beginning. Chen Ping closed his eyes slightly and rested quietly!

At this moment, a flight attendant’s voice came from the tail of the plane: “Sir, the plane is flying. I hope you can sit tight and don’t move around randomly...”

“I’m so fucking tired from sitting, what’s wrong with taking two steps? Stop fucking meddling in your own business...”

A bald passenger pushed the stewardess and almost knocked her down!

At this time, many passengers looked at the bald head with angry eyes!

But looking at the fierce look on the bald head, no one dared to say anything!

The bald man walked forward, and at some point, a rose appeared in his hand!

Then he walked up to the eight girls and looked at them with squinting eyes!

Feeling the bald head's gaze, all eight girls frowned with disgusted looks on their faces!

"Chen Ping, someone is interested in your woman..."

Hu Mazi pushed Chen Ping, who had his eyes closed, and said.

Chen Ping opened his eyes, glanced at the bald head, and then closed his eyes again!

Seeing that Chen Ping didn't respond, Hu Mazi said in surprise: "Chen Ping, someone is teasing your woman, don't you care?"

"No matter what, that bald head will be in trouble..."

Chen Ping said casually.

Gu Ling'er and the others are not easy to mess with!

Picking one out at random would probably knock the shit out of a bald man. Chen Ping had nothing to be afraid of.

At this time, the bald head felt the disgusted looks of several girls, but he didn't care at all. He said with a smile on his face: "Sisters, can you get to know each other? When you get to Ice Bear Island, I will take care of all your food, clothing, housing and transportation. Play whatever you want."

Chapter: 2844

"I can also take you to eat local food and visit all the attractions, and it won't cost a penny!"

The bald head praised himself vigorously, hoping to establish an image among Gu Ling'er and the others!

But no one looked at the bald head, but Xiaolan looked at the bald head and raised her eyes slightly!

Baldhead felt Xiaolan's eyes, trembled all over, and directly handed the rose in his hand to Xiaolan.

"Sister, I think we are quite destined. Can we leave each other's contact information?"

When the bald head saw that only Xiaolan was looking at him, he knew that his move had worked!

As long as one woman takes the bait, Baldhead is paying all his attention to Xiaolan!

"Brother, I do think we are quite destined..."

Xiaolan's eyes radiated with gleaming glances!

This shout of "brother" made the bald man's bones go numb, and his whole body looked like a fairy.

Looking at the expression on the bald head, Xiaolan knew that the time had come, so she continued:
"Go and do a pole dance to cheer us up..."

"well....."

The bald man looked at Xiaolan with blurred eyes, and he almost cried out. He would listen to whatever Xiaolan said!

So, the bald head began to twist his fat body on the plane!

This moment made everyone laugh.

But the bald man didn't know it, and looked straight at Xiaolan with his eyes!

“Let’s do a striptease...”

Xiaolan ordered!

Soon, the bald head began to take off his clothes until only his underwear was left. Xiaolan asked him to stop!

The bald head was twisting like this, almost making everyone laugh to death!

“Kneel down and slap yourself in the mouth...”

Xiaolan changed the order again!

The bald man knelt down in front of Xiaolan without hesitation, and then smacked his big mouth right in the face.

It didn’t take much force, and it quickly turned into a pig’s head!

Chapter: 2845

At this moment, everyone felt strange and looked at the bald head with strange eyes.

Among the crowd, a guy with sunglasses and an expressionless face took off his sunglasses and looked at Xiaolan with cold eyes!

Xiaolan also seemed to feel something, and hurriedly looked towards the man in sunglasses!

When the man with sunglasses saw Xiaolan looking over, he hurriedly put his sunglasses back on!

Xiaolan didn’t care and started playing with the bald head again!

“Chen Ping, I didn’t expect that among women like you, there are really hidden dragons and crouching tigers. Let me see how you can tame them in the future...”

Hu Mazi said with some gloating.

But Chen Ping pretended not to hear and continued to sleep with his eyes closed!

After flying for seven hours, the plane landed steadily on Ice Bear Island!

Originally there was no airport here, but due to the recent boom in trade and the increasing number of tourists, an airport was built!

When Chen Ping and the others walked towards the plane, they saw a vast expanse of white snowfield, as far as the eye could see, nothing but snow, just snow!

A police car was waiting, and as soon as he got off the plane, the bald man was taken away quickly!

The temperature on Ice Bear Island is between 20 and 30 degrees below zero all year round, so everyone here wears big fur coats!

Chen Ping and the others were wearing very thin clothes, but with their current strength, they were no longer afraid of the severe cold!

“Sir, do you want to take a car? Where do you want to go? I know everything...”

When I walked out of the airport, a short man came up to me. His accent sounded like he was from Daxia!

“Send us to the hotel first...”

Chen Ping said to the little man.

“No problem, sir, are you just the ones?”

The little man saw Chen Ping and Hu Mazi, and a car happened to pull them away!

Chen Ping shook his head, then pointed at Gu Ling'er and the others: “These people are also together...”

The little man frowned slightly when he saw so many people.

“What? Can't pull?”

Chen Ping looked at the little man's expression and asked a little strangely.

Chapter: 2846

“No, no, no, I'm going to find a car right now...”

The little man waved his hands repeatedly, and then ran away in a hurry!

It only took a few minutes for the little man to bring two more people, also from Daxia!

There are three cars in total, and Chen Ping and others can just sit down!

But just when Chen Ping and the others got on the bus, suddenly four or five burly men came over!

When the little man saw the people approaching, he turned pale with fright!

He quickly said to Chen Ping: “Sir, you'd better get out of the car, we can't pull it anymore, we won't pull it anymore...”

The little man quickly asked Chen Ping and others to get off!

Chen Ping looked surprised: "What's wrong? Why didn't you stop?"

But before the little man could say anything, several burly men came over. One of them, a man with a beard, instantly picked up the little man with one hand.

"Boy, are you trying to lure someone into my territory? Do you want to die?"

After the bearded man finished speaking, he punched the little man in the face!

The little man was beaten until his mouth and nose started to bleed, while the two companions looked at it and did not dare to move!

"You all get down..."

The bearded man looked inside the car and yelled at Chen Ping and the others.

Seeing this, Hu Mazi was about to get out of the car, but was held back by Chen Ping. Instead, he said to Zhao Chuang: "Zhao Chuang, go down and deal with it..."

"knew!"

Zhao Chuang nodded and then got out of the car!

But as soon as Zhao Chuang got out of the car, he saw a beautiful figure rushing past him, and then heard a scream, and the bearded man was kicked out!

"You guys, you are bullying others, it's so abominable..."

Ge Jiayi looked at those sturdy men with a cold face and shouted coldly.

When Zhao Chuang saw Ge Jiayi taking action, he could only look at Chen Ping helplessly, and Chen Ping waved to Zhao Chuang to get back into the car!

The bearded man was kicked away by Ge Jiayi, and he finally became frightened.

When he saw that he was kicked by a girl, he had a surprised expression on his face, but the surprise on his face was soon replaced by anger!

Chapter: 2847

“Come on, catch this little girl...”

The bearded man yelled.

Soon, several other sturdy men rushed towards Ge Jiayi.

“Don’t kill anyone...”

Chen Ping reminded Ge Jiayi that he was afraid that Ge Jiayi would lose control and kill these people.

After all, they had just arrived here and were unfamiliar with the place, and besides, these guys were not guilty enough to die!

Ge Jiayi nodded, and then slapped one of them at the group of burly men who rushed up. Everyone was knocked to the ground, and several teeth fell out of their mouths.

After dealing with these people, Ge Jiayi said to the little man who was beaten: “Okay, let’s drive...”

The little man looked horrified, nodded repeatedly, then started the car and left!

On the road, the little man always looked in the rearview mirror and observed Chen Ping!

Chen Ping saw that the little man was always looking at him, so he asked: "Master driver, what's the matter?"

Seeing Chen Ping ask this, the little man said in a panic: "Sir, thank you so much just now."

Chen Ping smiled: "It's just a little effort..."

"Sir, are you...are you warriors?"

asked the little man.

Chen Ping didn't hide anything and nodded: "That's right, I didn't expect you to know about warriors!"

"Of course I know, there are many warriors here."

The little man was very excited when he mentioned the warrior. It seemed that he envied the warrior.

But not everyone can become a warrior.

And it is even more difficult to become an immortal cultivator!

Along the way, the little man chatted with Chen Ping about many things about warriors.

When we arrived at the hotel, the little man didn't charge Chen Ping and his friends for their fare!

After choosing a room in the hotel, several girls didn't want to rest and wanted to go shopping. Chen Ping was afraid that these girls would cause trouble, so he asked Zhao Chuang to follow them!

Chen Ping also wanted to go out and get familiar with Ice Bear Island, but Hu Mazi didn't want to go. He directly booked a single room in the hotel and started contacting women.

Chapter: 2848

Chen Ping had no choice but to take Fan Jiang around.

As soon as the two people walked out of the hotel, they were stopped by a taxi!

Chen Ping looked and found that it was the little man who sent him to the hotel!

Chen Ping was very surprised as to why this little man stopped him.

"Sir, I wonder if you have time. Can I treat you to a meal?"

The little man said to Chen Ping.

"No, I've already said it. It's just a little effort. What's more, you didn't even ask for the fare. We're even, so there's no need to be so polite..."

Chen Ping rejected the little man.

But the little man followed Chen Ping, looking embarrassed!

Looking at the little man's expression, Chen Ping knew that he was definitely not just treating himself to a meal.

"Do you have anything else to do?"

Chen Ping asked.

The little man's face was full of embarrassment, then he nodded and said: "This gentleman, our gang leader asked me to invite you. He wants to meet you..."

"Gang leader?"

Chen Ping was stunned. How could a taxi driver still have a gang leader?

Seeing Chen Ping's surprised look, the little man quickly explained: "We Daxia people, the small merchants and hawkers doing business here, including us who drive rentals, formed a Daxia Gang in order to avoid being bullied!"

"After I just went back and told the gang leader about the airport, the gang leader wants to see you..."

After the little man explained this, Chen Ping understood. But seeing that they were all from Daxia, Chen Ping nodded and agreed!

In addition, Chen Ping might inquire about the ruins of Ice Bear Island from these people to see if they know about it.

After all, these people have lived here for decades!

Seeing that Chen Ping agreed, the little man happily invited Chen Ping and Fan Jiang into the car, and then sped away!

Soon, Chen Ping was taken to a large courtyard. The courtyard was very large, but there were not many houses!

After entering a two-story building, the little man quickly shouted: "Gang leader, someone has brought..."

From upstairs, a middle-aged man slowly walked down. The middle-aged man had a rough build and faint aura fluctuations on his body. It was obvious that he was also a warrior!

Chapter: 2849

It's just that this middle-aged man's strength is just that of a martial arts master, but even with this kind of strength, in front of ordinary people, he is almost like a god.

The middle-aged man glanced at Chen Ping and Fan Jiang, but frowned slightly, because he realized that he couldn't see through Chen Ping and their strength at all!

"Please take a seat..."

The middle-aged man waved his hand and told Chen Ping and others to sit down!

Then the middle-aged man said to the little man: "Little one, watch the tea..."

"Yes!" The little man quickly poured tea for Chen Ping and Fan Jiang!

"Sir, may I ask your name?"

The middle-aged man asked Chen Ping.

"My name is Chen Ping..."

Chen Ping replied politely.

"Chen Ping?" The middle-aged man frowned slightly, seeming to be thinking about something, and then said: "I heard that a very awesome young man came out of our Daxia. He seems to be named Chen Ping. He sat down at a young age. We have reached the position of the largest sect in Kyoto's martial arts world."

“Can’t it be you?”

The middle-aged man looked at Chen Ping carefully.

Chen Ping didn’t expect that his reputation would spread abroad.

However, he didn’t want too many people to know his whereabouts, so he shook his head and said, “Maybe it’s just the same name. How can I have that ability!”

“I think so. You don’t look like a great Wuhou!” The middle-aged man spoke straightforwardly, and then continued: “Thank you for taking action at the airport, otherwise several of my men would have suffered. loss.”

“Now that you are here, if you need any help, just ask. After all, we are all Daxia people, and our Daxia Gang exists so that Daxia people will not be bullied.”

“Thank you very much!” Chen Ping thanked him politely, and then said: “I don’t know the name of the gang leader...”

“Just call me Tang Dali...”

The middle-aged man said.

“Gang Leader Tang, I have something to ask you. I wonder if Gang Leader Tang knows about it?”

Chen Ping said.

“Just ask, there is nothing in the entire Ice Bear Island that I don’t know...”

Tang Dali said confidently.

Chapter: 2850

“I wonder if Gang Leader Tang knows about the ruins of Ice Bear Island?”

Chen Ping asked.

“Relics?” Tang Dali was stunned for a moment, then looked at Chen Ping: “Are you here for the relics?”

“Not bad!” Chen Ping nodded!

“Young man, I advise you to give up. That ruins are not something you are capable of getting your hands on. You must know that many people want to find the ruins and enter inside. However, after so many years, in addition to some people dying every year, No one can find the location of the ruins!”

Tang Dali said to Chen Ping.

“Can’t find the location? Why is that?”

Chen Ping was very surprised. Normally, this Ice Bear Island is not very large, so how could it not find a location?

“The ruins have been hidden under the heavy snow for a long time. How can they be so easy to find? Moreover, many people come to look for the ruins every year, and they are all masters above Marquis Wu. Even such masters cause many casualties every year. ”

“There are people from many countries around the world, but in the end they all find nothing. With your current ability, if you want to search for ruins, isn’t that asking for death?”

“For the sake of us being Daxia people, I advise you to have fun here for a few days and then go back. It’s not worth risking your life here.”

Tang Dali kindly advised Chen Ping.

Seeing what Tang Dali said, Chen Ping yearned for the ruins even more, so he asked again: "Does Gang Leader Tang know about Wenjian Sect?"

"Asking the Sword Sect?" Tang Dali thought for a moment, then shook his head: "I don't know what the Asking Sword Sect is, and I've never heard of it!"

Chen Ping saw that Tang Dali didn't know, so he didn't ask anything. After all, the Wenjian Sect had disappeared for too long!

After chatting with Tang Dali for a few more words, Chen Ping and Fan Jiang were about to leave. But just as they stood up, they heard a noise outside, and soon the little driver ran in!

"Little one, what's going on?"

Tang Dali asked.

"Gang leader, the motorcycle gang came and said that our people beat their people and they want compensation!"

said the little man.

"Damn, I haven't settled the matter with them at the airport yet, but they came here first. Come out with me to have a look!"

Tang Dali walked out vigorously!

When Chen Ping saw this, he got up and followed him out. As soon as he went out, he saw a group of burly men, all with angry eyes and murderous intent on their faces!

The people following this group of people to confront each other were the people from the Daxia Gang, but in terms of body shape, the people from the Daxia Gang were obviously thinner!
