

## **The Order 2851**

Chapter: 2851

“Tang Dali, my people were beaten by your people at the airport. How do you want to handle this matter?”

A big man with earrings and tattoos on his face stepped forward and spoke to Tang Dali in broken Daxia dialect.

“Ivan, it was obviously your people who made trouble first, and now they are beaten and come to me?”

“Besides, the people who beat you were not helped by our Daxia, they were just the passengers who couldn't stand it anymore!”

Tang Dali said to Ivan.

“It's him, they are obviously in the same group...”

At this time, the bearded man who was beaten saw Chen Ping behind him and immediately stood up and pointed at Chen Ping.

Seeing this, Ivan sneered and said: “Tang Dali, what else do you have to say? The person is here with you. Now that you have given the person to me and compensated me for medical expenses, I will not pursue this matter!”

“It's a joke, when have you ever seen our Daxia gang members? If you're not convinced, just make some gestures...”

Tang Dali didn't seem to take these motorcycle gangs seriously!

Being in the realm of Wuzong, it is easy to deal with these motorcycle gangs!

“Tang Dali, I know you have kung fu, but no matter how high your kung fu is, it’s useless...”

As he said that, Ivan actually took out his gun, and then all the motorcycle gangs took out their guns!

More than a dozen guns were pointed at Tang Dali and the others. Now the people in the Daxia Gang were a little panicked!

Tang Dali’s face also became ugly. If he only had a gun, he could easily dodge it.

But with so many guns pointed at them at the same time, Tang Dali definitely couldn’t escape.

Seeing that Tang Dali and the others’ expressions changed, Ivan sneered: “Tang Dali, no matter how skilled you are, you are not qualified to fight with us. Now hand him over obediently and pay me a sum of money, and I will forgive you.” Got you.”

Ivan’s gun was already pointed at Tang Dali’s head!

Tang Dali’s expression changed again and again. Just now he had praised Haikou and told Chen Ping to come to him if he had any problems. If Chen Ping is pushed out now, then their Daxia gang will be too unjust, and they are both Daxia people. , they won’t be able to mess around anymore!

“Ivan, I won’t hand over people. If you have the ability, shoot. I promise to let you die here while you shoot...”

Tang Dali gritted his teeth and said with fierce eyes.

Ivan sneered: “Since you are not afraid of death, let’s end it today...”

With that said, Ivan actually wanted to pull the trigger.

However, Tang Dali had quick eyesight and quick hands. At the same time that Ivan pulled the trigger, he suddenly kicked out. His speed was extremely fast, and he instantly kicked away Ivan's gun.

Chapter: 2852

When Ivan saw this, he shouted: "Shoot..."

Bang bang bang.....

Suddenly, more than a dozen guns fired at the same time!

The faces of everyone in the Daxia Gang were full of despair. Even Tang Dali knew at this moment that death was coming!

He did not dodge and gave up resistance. With so many guns, no matter whether he dodged or not, the outcome would be the same.

But just when Daxia was helping these people prepare to wait for death, a golden light suddenly dazzled behind them!

Golden light illuminated the entire compound, and then these people saw that the bullets fired at them all stopped in front of their eyes, as if the bullets had touched something and been stopped!

Click, click...

The bullet fell to the ground just a few centimeters away before everyone's eyes!

All the breaths were condensed, and there was a deathly silence for a moment!

This was the closest they were to death, watching helplessly as bullets fell before their eyes!

But no one understands what happened!

Ivan and the motorcycle gang members were even more shocked, and their eyes widened in disbelief.

They didn't understand what the golden light that just flashed was, and why the bullet suddenly stopped on its own and then fell to the ground?

At this moment, Tang Dali was the only one with his mouth wide open and his face full of shock.

Because he felt a very huge and terrifying aura, and this aura came from behind him!

It was precisely because of this breath that all of them were saved!

Those bullets hit the invisible barrier, so they stopped and fell to the ground!

Tang Dali turned his head and looked at Chen Ping in horror. At this time, the golden light on Chen Ping's body had just receded!

Chen Ping smiled at the shocked Tang Dali, and then walked forward a few steps: "It's me you are looking for. If you have the ability, come to me..."

Seeing Chen Ping standing up, Ivan woke up from the shock just now.

But he didn't know that Chen Ping did everything just now.

He only thought that the gods were protecting Tang Dali and the others!

"Boy, since you have stood up, you will be punished..."

Chapter: 2853

With that said, Ivan grabbed a gun from a motorcycle gang and pointed it at Chen Ping, but this time he followed Chen Ping and distanced himself!

He knew that many people in Daxia were highly skilled in martial arts, so by keeping a distance, Chen Ping had no choice but to be obedient!

“How are you going to punish me?”

Chen Pingping faced Ivan’s gun with no fear on his face.

“Of course I’ll lose one of your legs...”

With that said, Ivan pulled the trigger without hesitation!

It can be seen that this Ivan is also a cruel and evil master!

bump.....

The gunfire rang out, but Chen Ping was still standing intact, as if the bullet did not hit Chen Ping’s leg!

At this time, Ivan was stunned: “Damn it, you didn’t even hit me at such a close distance?”

Ivan was still doubting his shooting skills, so he shot Chen Ping in the leg again!

bump.....

Another shot, but Chen Ping was still standing intact!

At this time, all the motorcycle gangs looked at Ivan, with incredible expressions in their eyes!

At such a close distance, both shots missed?

“Damn it, I don’t believe it...”

Bang bang bang.....

Ivan shot several times in succession until the bullets in the gun were empty, and then he stopped!

But Chen Ping still stood in front of him with a sneer on his face, not hurt at all!

This time, Ivan was confused. Even the people from the Daxia Gang looked at Chen Ping in disbelief. They didn’t understand how Chen Ping could be okay?

Only Tang Dali was trembling slightly. If he hadn’t been in front of so many people, he would have knelt down in front of Chen Ping.

“This... what the hell kind of gun is this?”

Seeing that so many guns failed to hit Chen Ping, Ivan immediately grabbed his hand and fell to the ground, blaming it on something wrong with the gun.

“It’s not a gun problem, it’s a people problem...”

Chapter: 2854

Chen Ping said, opened his hand, and then the bullet fell from Chen Ping’s hand to the ground!

Seeing the scene in front of him, Ivan took a few steps back and looked at Chen Ping in disbelief!

He didn’t expect that there would be people who could catch bullets with bare hands?

This is outrageous!

“I don’t believe you can handle more than a dozen guns...”

Ivan asked everyone to point their guns at Chen Ping, preparing to shoot Chen Ping to death!

But just as these people raised their guns, they felt a black shadow pass by in front of their eyes, and then their hands were empty and the guns disappeared...

But Chen Ping kept standing in front of them without moving!

When they looked to the side, they realized that Fan Jiang already had more than a dozen guns in his hand.

“A pile of scrap metal, but you still dare to show off with it...”

As Fan Jiang said, his hands actually crushed the dozen guns into a big iron ball!

At this time, Ivan was dumbfounded and trembled all over!

The other motorcycle gangs also looked horrified.

They didn’t understand what kind of perverts they had encountered...

“I’m in a good mood today and don’t want to kill anyone, so you can go away now...”

Chen Ping said to the frightened motorcycle gangs.

As soon as Ivan heard this, he immediately turned around and ran away. In an instant, no one ran away.

As soon as those motorcycle gangs left, Tang Dali knelt down in front of Chen Ping with a bang!

“Senior, please accept my obeisance...”

“I was blind and offended my senior with my words just now. I deserve to die...”

Tang Dali’s forehead was covered with cold sweat and his whole body was trembling!

“Gang Leader Tang, why are you doing this? You didn’t offend me just now...”

Chen Ping gently lifted his hand, and a sudden force lifted Tang Dali up.

“Senior, I...”

Chapter: 2855

Tang Dali wanted to say something else, but Chen Ping waved his hand: “Gang Leader Tang, you are older than me. Don’t speak like a senior. It makes me feel uncomfortable!”

When Tang Dali heard this, he quickly changed his words: “Mr. Chen, you... are you not the Chen Ping who established the Dragon Gate in the Kyoto martial arts world?”

Chen Ping smiled and nodded, showing his strength. Chen Ping had nothing to hide!

When he saw Chen Ping admit it, Tang Dali’s face became even more excited!

“Mr. Chen, you are my idol. I didn’t expect to see you today. I am so excited. Mr. Chen is looking for the ruins. I believe he will find it...”

At this moment, Tang Dali changed his mind and no longer persuaded Chen Ping to leave!

Chen Ping smiled: "So many people can't find it, how can I definitely find it? This Ice Bear Island is not big or small. If I find it bit by bit, it will probably take a year and a half." ..."

"Mr. Chen, you don't need to search the entire Ice Bear Island to find the ruins. There is one place that is the most suspicious, because people disappear from there almost every year. No matter how you look for it, you can't find it."

"So some people suspect that there are ruins there, but they can't find the entrance..."

Tang Dali said to Chen Ping.

"Where?"

Chen Ping's eyes lit up and he said.

"Go get a map for Mr. Chen..."

After Tang Dali finished speaking, someone quickly brought the map, and Tang Dali drew a circle on the map: "It's right here. It's next to the snow mountain. There are also rumors that the ruins are under the snow mountain, but no one has seen it. ..."

Chen Ping looked at that place, thought for a moment, and then asked, "Have you been here?"

"I've been there twice, but I haven't seen any ruins. It's just a vast white snowfield."

Tang Dali said.

"Gang Leader Tang, can you take us to see this place tomorrow?"

Chen Ping wanted Tang Dali to take them there, after all, Tang Dali was familiar with the route!

“No problem, it’s my honor to be able to work for Mr. Chen...”

Tang Dali happily agreed!

After leaving the Daxia Gang, Chen Ping and Fan Jiang did not go back to the hotel, but went shopping in a market!

Because of the cold weather here, there are almost no live animals on sale in the market!

And in such a small market, there are actually some items selling jade, swords and the like.

Chapter: 2856

Maybe it’s because many warriors come here every year to explore the ruins, so there are people selling this kind of stuff. As the saying goes, if there’s a demand, there’s a market!

“It’s all rubbish, and I haven’t met many experts. Could it be that many people have left because they couldn’t find the entrance to the ruins?”

Fan Jiang found that the things sold in the market were very poor, and he didn’t meet many experts!

It stands to reason that since there are ruins here, a large number of experts will come.

But now I haven’t met many of them!

Maybe it’s because I’ve been here a few times and couldn’t find the entrance to the ruins, so they all gave up!

Just when Chen Ping and the others turned around and were about to go back, suddenly there was a buzz in Chen Ping's mind. The dragon-slaying sword seemed to sense something, and it actually vibrated!

Chen Ping stopped in a hurry, then looked not far away and found a vendor packing up his things, probably getting ready to go home!

At this moment, Chen Ping was attracted by the vendor who was about to put away a sword!

I saw that this sword exuded a vague aura, which instantly attracted Chen Ping!

"Brother, can I see your shuriken?"

Chen Ping walked over and asked.

"You said this sword, let me show it to you. If you like it, five million will be given to you..."

The merchant gave the sword to Chen Ping.

"What broken sword is worth five million? Aren't you trying to steal it?"

Fan Jiang looked surprised.

"What do you know? This sword cuts iron like clay, but it is the sword of the Wenjian Sect."

The merchant's words instantly stunned Chen Ping.

He didn't expect that a small vendor would actually know about the Wenjian Sect.

"Brother, how do you know this is the sword of Wenjian Sect?"

Chen Ping looked at the vendor strangely and asked.

“Isn’t it written on the blade of the sword?”

The merchant said while holding the sword.

Chen Ping looked carefully and saw that the sword was already rusty and looked very old. However, there were indeed three characters “Wen Jian Zong” on the bottom of the sword. These three characters were obviously engraved when the sword was made.

Chapter: 2857

When Chen Ping held the sword, the feeling of the Dragon-Slaying Sword in his body became even stronger!

Chen Ping’s face looked very excited.

“Brother, can I ask, where did you get this sword?”

Chen Ping asked.

The vendor pointed at the snow-capped mountains in the distance: “When I went to pick snow lotus, I picked up this sword. It’s been several years. It was very sharp at first and cut iron like mud. But I don’t know how to maintain it. It just got rusty recently.”

“If it weren’t for rust, I wouldn’t sell it for five million. Do you want it? If you don’t want it, I will close the stall and leave...”

“I want it!” After Chen Ping said that, he directly transferred five million to the vendor!

When the merchant saw this, he was very excited. It seemed that he didn’t expect that this sword could really sell for five million!

Chen Ping couldn't put it down while holding the sword. At least he could be sure that the Wenjian Sect was here, and that the ruins were probably the Wenjian Sect.

"If you buy a broken sword for five million and don't see it for a year, you will become rich..."

At this time, a woman's voice came from behind Chen Ping.

Chen Ping was stunned when he heard this voice. He felt that the voice was very familiar, but he couldn't remember it for a while.

Then Chen Ping turned around. When he saw the girl's face clearly, he suddenly remembered!

"Princess Anna, why is it you?"

Chen Ping said excitedly.

"This is my country. It's normal for me to come here to play. But I'm surprised to see you here. At first, I thought I was wrong!"

Anna said equally excitedly.

Behind Anna, followed by the tall and powerful Andrew, Chen Ping looked at Andrew and felt the aura on Andrew's body. Unexpectedly, in just one year, Andrew's strength had reached the level of Wuhou!

Although it is still far behind Chen Ping, this speed is fast enough!

A year ago, Chen Ping participated in the international competition at the request of Zhao Wuji. At that time, Andrew was just a martial arts master. It was also at that time that Chen Ping killed Ichiro Watanabe and completely formed a feud with the Watanabe family in the island country!

“Andrew, your strength is growing rapidly...”

Chen Ping said to Andrew with a smile.

“Mr. Chen is not bad either...”

Andrew smiled.

Chapter: 2858

In fact, Andrew didn't find out Chen Ping's strength, he just said so politely!

After all, Andrew had been impressed by Chen Ping during the international competition!

Otherwise, with their fiery personality like Xiong Guo, it would be impossible to talk to Chen Ping like this.

“Chen Ping, are you here for tourism?”

Anna asked.

“That's right...” Chen Ping didn't know what to say!

“Now that you are here with us, I will do my best to be a landlord. I will show you around and then take you to our house as a guest!”

“It only takes a few hours to get to our home by plane here...”

Anna stepped forward and took Chen Ping's hand, and happily followed Chen Ping.

Chen Ping was a little overwhelmed by Anna's enthusiasm.

Seeing Chen Ping like that, Anna smiled and said, "Didn't you bring your two girlfriends? Are you already married and have children?"

Looking at Anna's curious look, Chen Ping didn't know how to answer her.

Gu Linger is here, but Su Yuqi is still locked in the dungeon.

"You won't break up with them, right? I guess there are no good things in men, they are all scumbags..."

Anna said to Chen Ping with a smile.

Chen Ping sighed and did not refute, saying that he was a scumbag, so he was a scumbag.

Now that so many women are attracted to him, Chen Ping doesn't want to let anyone down!

Especially looking at Ji Ruxue's pitiful appearance, Chen Ping couldn't bear to refuse.

If you can, when you go into seclusion in the future, you can take all these women into your pocket!

Chen Ping just doesn't know if this is considered a scumbag...

Anna pulled Chen Ping and wandered happily, while Andrew and Fan Jiang followed closely behind!

"Chen Ping, besides traveling here, do you have anything else to do?"

Suddenly, Anna asked Chen Ping.

Chen Ping was stunned for a moment, then shook his head: "What can I do?"

Chapter: 2859

"Aren't you here for the ruins?"

Anna looked at Chen Ping with amusement, as if she wanted to read Chen Ping's heart.

When Chen Ping heard this, he smiled awkwardly and said nothing, but looking at Chen Ping's expression, Anna understood.

"Actually, I came here for the ruins, otherwise I wouldn't travel to this small place."

Anna said.

"Are you also here for the ruins? Just the two of you?"

Chen Ping was a little surprised. After all, Anna had no strength, and Andrew had just reached the strength of Wuhou!

How can I explore the ruins with this kind of strength?

Isn't that looking for death?

Seeing what Chen Ping said, the smile on Anna's face disappeared instantly, replaced by a touch of sadness!

Chen Ping didn't know what he said wrong and seemed a little at a loss!

"I heard that there was a Medicine King in the ruins, so I found the Medicine King to save my father..."

Ana bit her lip and whispered.

When Chen Ping heard this, he quickly asked: "What's wrong with your father? Is he sick?"

Anna shook her head: "No, my father was poisoned. I heard that only the Medicine King in this ruins can save him..."

"Poisoned?" Chen Ping looked surprised. You must know that Anna's father is a duke. Who dares to poison a country's duke?

"Someone peeked at my father's dukedom, so he wanted to kill my father and get the dukedom."

Anna saw Chen Ping's doubts and said quickly.

"Who is so bold?"

Chen Ping asked.

Anna looked at Chen Ping and said seriously: "Who do you think will get the title of Duke after my father dies?"

Anna's words instantly enlightened Chen Ping!

"Is he your elder brother or younger brother?"

Chen Ping was completely surprised, because only his son could inherit his father's title of Duke!

Chapter: 2860

But in order to get the position of Duke, he poisoned his father to death. This is so inhumane!

But when I think about Long Jingguo, he poisoned his father to death just to get the position of head of the Long family, let alone the position of Duke of a country, this position is even more tempting!

Thinking of this, Chen Ping felt a little emotional. They said that there is no father and son in the palace. It seems that it is really like that. For the sake of power, all family ties have been abandoned!

“I just doubt my brother now, but there is no evidence. When I find the Medicine King and revive my father, I will know who poisoned him.”

Anna’s eyes are full of determination!

“Are you so sure that you can find the Medicine King?”

Although Chen Ping admires Anna’s courage, courage cannot represent strength.

This kind of ruins cannot be explored by anyone with any strength.

“Even if it means death, I will give it a try...”

Anna seemed to have made up her mind.

In this way, Chen Ping followed Anna while walking and chatting, and unknowingly walked out of the bustling market and came to a sparsely populated place!

At a glance, you can see a vast expanse of white, and you can see some people pulling dog sleds and cheering for fun!

“Your Highness, we need to go back, it’s not safe here...”

Andrew looked around, and then said to Anna with a vigilant face.

Seeing Andrew's expression, Anna also seemed a little nervous: "Andrew, do you feel something?"

As a bear man, Andrew has a perception beyond normal humans and can sense the existence of danger in advance!

Andrew nodded, and then protected Ana.

"What? Someone wants to kill you?"

Chen Ping frowned.

Anna nodded and said: "We met and were chased several times along the way. I guess these people were also sent by my brother. He didn't want me to live..."

"I didn't expect that the power struggle abroad is also very cruel."

At this time, Fan Jiang opened his mouth and said.

"In that case, let's go back..."

Chen Ping takes Anna and prepares to go back!
