

The Order 291

Chapter: 291

“Mr. Xiao, if it’s all done so quickly, do you need to pay the balance?”

As soon as the call came through, Liao Feixiong asked excitedly.

“Brother Xiong, all your people have been destroyed, you are no match at all, and your members of the Red Dragon Gang are too weak...”

Xiao Lei complained very dissatisfiedly. Thirty people couldn’t even deal with Chen Ping alone!

When Liao Feixiong heard this, he stood up immediately: “What did you say? All my people were destroyed?”

“No, they all have broken arms and legs, and they are all wailing. If you don’t believe me, just listen...”

Xiao Lei said, putting his phone close to the members of the Red Dragon Gang who were lying on the ground!

The tragic screams made Liao Feixiong suddenly furious!

“Nude, whoever dares to touch our Red Dragon Gang members, tell me the address and I will go there right away...”

Liao Feixiong shouted!

After Xiao Lei told the address, he hung up the phone, then looked at Chen Ping with a proud look on his face and said: “Chen Ping, you have completely angered the Red Dragon Gang. Brother Xiong will be here soon. Don’t leave if you can. Take a look.” How can you still be so arrogant...”

Chen Ping raised the corner of his mouth: "I said I would give you a chance, and I will definitely give it to you. I will wait here..."

Chen Ping found a place and sat down directly, without any intention of escaping!

Seeing that Chen Ping really didn't run away, Xiao Lei's eyes became more cruel. As long as Liao Feixiong came, Chen Ping would definitely die!

About ten minutes later, the quantity vehicle drove over quickly, and then Liao Feixiong and his men got out of the vehicle!

"Hahaha, Chen Ping, you are dead, Brother Xiong is here..."

Seeing Liao Feixiong coming, Xiao Lei laughed proudly, and then hurriedly greeted him!

Liao Feixiong got out of the car and looked at the wailing men all over the ground. He suddenly became furious: "Who is it? Who the hell did it? If you dare to attack our Red Dragon Gang, I have to kill you today..."

Liao Feixiong's roar resounded for hundreds of meters. When Xiao Lei heard Liao Feixiong's roar, he was so frightened that he trembled all over!

"it's me....."

Chen Ping stood up slowly and walked towards Liao Feixiong!

When Liao Feixiong saw Chen Ping's face clearly, he was stunned and was so scared that he didn't even dare to say a word!

"Brother Xiong, this is the boy who knocked down these people from the Red Dragon Gang. You can't let him go..."

Seeing that Chen Ping dared to admit it, Xiao Lei immediately said with excitement!

Chapter: 292

But who would have thought that just after Xiao Lei finished speaking, Liao Feixiong walked quickly to Chen Ping and said with a respectful look: "It turns out to be Mr. Chen. I'm really sorry. I really didn't know it was you..."

When Xiao Lei saw Liao Feixiong following Chen Ping in a respectful manner and apologizing, he was so dumbfounded that his eyes almost popped out of his head!

"Brother Xiong, what are you doing? Why are you apologizing to him? He is just a reform-through-labor prisoner who has just been released from prison. You don't have to be afraid of him..."

Xiao Lei said with a puzzled face!

"Shut up..." Liao Feixiong turned around and slapped Xiao Lei hard on the face.

Liao Feixiong continued to face Chen Ping: "Mr. Chen, I really don't know that it is you who Xiao Lei is going to deal with. If I knew, I would not accept it no matter how much money you give me. I also hope that Mr. Chen will have a lot of money and spare us." once!"

But before Chen Ping could say anything, Xiao Lei shouted as if he was crazy: "Why, why is this? Your majestic Chilong Gang is so afraid of a reform-through-labor prisoner. You still claim to be the biggest gangster in Hongcheng." Gangs..."

Xiao Lei couldn't understand why Liao Feixiong was so afraid of Chen Ping. What was so scary about Chen Ping? Can't we just hit some? There are hundreds of people in the Red Dragon Gang. If Chen Ping can fight, how can he beat hundreds of people?

"What are you talking about? It's not your turn for our Red Dragon Gang to point fingers. Do you believe I can kill you now?"

Liao Feixiong turned around and looked at Xiao Lei coldly!

Feeling the murderous aura on Liao Feixiong's body, Xiao Lei closed his mouth instantly!

But at this moment, the ground suddenly shook, and then a dark group of people rushed towards here!

There were hundreds of people, all with weapons in their hands, and the movement was like an earthquake!

Looking at these people who suddenly appeared, Liao Feixiong was a little stupid, and Xiao Lei was also confused. He didn't understand who these people suddenly appeared!

But soon, they saw clearly that the leader of the hundreds of people was Lin Tianhu, which meant that these people were all from Juyi Hall!

When Liao Feixiong saw Lin Tianhu coming, his expression became extremely ugly, while Xiao Lei stood aside stupidly, watching helplessly as Lin Tianhu led people past him!

"Protect Mr. Chen and don't let anyone go..."

Lin Tianhu shouted angrily!

"yes....."

Hundreds of people from the Juyi Hall roared and immediately blocked the entire road!

"Mr. Chen, are you okay?"

Lin Tianhu hurriedly walked to Chen Ping and asked.

"Do you think something will happen to me?" Chen Ping smiled slightly!

Dong Lei was dumbfounded. He never expected that Lin Tianhu brought so many people here to protect Chen Ping, and Lin Tianhu's attitude towards Chen Ping was also so respectful!

Chapter: 293

The Chilong Gang and the Juyitang Gang are the largest gangs in Hongcheng, but at this time both gangs are extremely respectful to Chen Ping!

"Liao Feixiong, you Red Dragon Gang dare to sneak attack Mr. Chen, do you believe I will destroy you now?"

Lin Tianhu looked at Liao Feixiong with an angry look and said.

Liao Feixiong's face was full of dissatisfaction, but he knew that this was not the time to show off as a hero. The gang leader Feng Sihai had not returned yet, so they could only swallow their anger for the time being!

"This is a misunderstanding, all caused by Xiao Lei..."

Liao Feixiong explained!

When Lin Tianhu heard this, he looked directly at Xiao Lei who was not far away. Xiao Lei was so frightened that he saw Lin Tianhu looking towards him.

Lin Tianhu quickly walked up to Xiao Lei, slapped Xiao Lei hard and said: "You still dare to attack Mr. Chen, believe it or not, I will kill you now and destroy your Xiao family..."

Lin Tianhu was not bragging. With the strength of Juyitang, he could really destroy the Xiao family!

"Lin Tianhu, our Xiao family is kind to you, but you help others and still beat me?"

Xiao Lei was going crazy at this time, his brain had been stimulated!

“If it weren’t for the fact that your Xiao family is so kind to me, do you think you could still be standing here?”

Lin Tianhu looked at Xiao Lei coldly and said!

Xiao Lei did not dare to look directly at Lin Tianhu. At this time, he could not understand why these people were so respectful to Chen Ping!

“Mr. Chen.....”

At this moment, Gu Wentian and Tang Long hurried over!

Seeing that Chen Ping was fine, Gu Wentian let out a long breath and said: “I heard that Mr. Chen was caused trouble by the Chilong Gang, so I rushed here without stopping. I hope Mr. Chen is fine... ..”

Gu Wentian had just arrived, and Su Wenzong and Su Yuqi came in a hurry.

As soon as Su Yuqi arrived, she nervously checked Chen Ping’s body up and down, for fear that Chen Ping might be injured somewhere!

Seeing all the respectable people in Hongcheng coming, Liao Feixiong didn’t dare to breathe at this time, and he had long hated Xiao Lei in his heart!

At this time, Xiao Lei was completely dumbfounded. It was okay to say that Liao Feixiong and Lin Tianhu were respectful to Chen Ping. After all, these people were gang members and were relatively martial. Seeing Chen Ping’s strength, it was reasonable to show respect. !

But this Gu Wentian is a retired official. It can be said that he is not the same as Lin Tianhu and Liao Feixiong. Although Gu Wentian has retired, his weight in Hongcheng is still very important. Otherwise, Gu Wentian will hold a At the banquet, almost all the wealthy businessmen and families in Hongcheng went!

Now that Gu Wentian is so respectful to Chen Ping, this is a bit unreasonable, and it makes Xiao Lei feel even more confused!

“What...what’s going on? Hasn’t Chen Ping been dumped by Su Yuqi? Hasn’t he already moved out of Panlongwan Villa? He has already become a salesperson. Why is Su Yuqi still treating Chen Ping like this? nervous?”

Chapter: 294

Geng Shanshan hid behind Xiao Lei, looking at everything in front of her, she was also confused!

When Su Yuqi heard what Geng Shanshan said, she walked over with an air of aura, and slapped Geng Shanshan. Geng Shanshan didn’t dare to fight back even after being slapped, and Xiao Lei was even more motionless. At this time, where was Xiao Lei? How dare you move!

“Bitch, it’s a good thing you left Chen Ping. Otherwise, you would only embarrass Chen Ping with your behavior. It seems that God is fair and allowed you, a bitch, to become a couple...”

Su Yuqi said to Geng Shanshan with a look of disdain!

Geng Shanshan and Xiao Lei’s faces turned red after being talked about, but no one dared to talk back!

“Mr. Chen, what should we do with these two people?”

Lin Tianhu pointed at Xiao Lei and Geng Shanshan and asked Chen Ping.

Seeing Lin Tianhu ask this question, Xiao Lei and Geng Shanshan’s legs immediately softened with fear, and they almost fell to their knees. In this situation, if Chen Ping said a word, their lives would be in danger!

“I beg Mr. Chen to be merciful, open your eyes and spare my son this time...”

Before Chen Ping could speak, Xiao Yan rushed over and knelt down in front of Chen Ping regardless of his identity!

The Xiao family has great strength, but at this time they are facing all the prominent people in Hongcheng. No matter who stands up, they can bankrupt the Xiao family. At this time, Xiao Yan has to kneel down!

Otherwise, Xiao Lei's life may be in danger, and the Xiao family's foundation may also be ruined here!

"Dad...you...you...this is..."

Xiao Lei was surprised when he saw that his father knelt down to Chen Ping in front of everyone!

The Xiao family is a wealthy family after all. As the head of the Xiao family, Xiao Yan actually knelt down to a young man like Chen Ping!

"You bastard, why don't you come here and kneel down for me..."

Xiao Yan pulled Xiao Lei hard, then slapped him hard and said!

The Xiao family father and son knelt in front of Chen Ping, and behind them, Geng Shanshan stared blankly at everything in front of her. She couldn't believe that what she saw was real. She didn't dare and couldn't believe it...

"Bitch, it's all because of you that I harmed my son, and you haven't even kneeled down yet..."

Xiao Yan stood up and kicked Geng Shanshan hard, knocking Geng Shanshan to the ground and making Geng Shanshan kneel down!

Seeing Xiao Yan's humble and begging for mercy, Chen Ping raised the corner of his mouth slightly!

"let's go....."

Chen Ping walked away, and Lin Tianhu and Gu Wentian also took people away!

Liao Feixiong did not dare to stay any longer and took away all his injured members. In the end, the Xiao family father and son and Geng Shanshan were left kneeling on the ground!

Chapter: 295

“Why? Why is this? Then what’s so great about Chen Ping...”

Xiao Lei roared desperately. He couldn’t understand. Isn’t Chen Ping just a prisoner in a labor camp? Why so many people praise him and respect him!

Snapped!

Xiao Yan slapped Xiao Lei hard again, causing Xiao Lei to shut up instantly!

“I tell you, from now on, you are not allowed to provoke that Chen Ping. You must respect him when you see him. I know you hate him in your heart, but it is never too late for a man to take revenge in ten years. When you don’t have the strength to deal with him, You’d better put away your dignity, otherwise you will be in trouble...”

Xiao Yan stood up and scolded Xiao Lei with a serious face!

Xiao Lei’s eyes flashed with a cold light, and he nodded slightly. He would not let Chen Ping go, but when he did not have the strength to deal with Chen Ping, he would temporarily put away his edge.

Otherwise, with the few people who came today, it would be easy for any one of them to deal with the Xiao family. If they join forces, the Xiao family will die without a burial place!

Seeing that Xiao Lei understood what he said, Xiao Yan sighed and patted Xiao Lei’s shoulder gently: “Let’s go, I hope you can grow up this time...”

“Brother Lei, Brother Lei...”

Seeing that Xiao Lei was about to leave with Xiao Yan, Geng Shanshan hurriedly hugged Xiao Lei's legs!

She only has Xiao Lei now. For Xiao Lei, she offended Chen Ping. If Xiao Lei doesn't care about her now, what will she do in the future?

Xiao Lei looked at Geng Shanshan with a bit of reluctance in his eyes!

"Go away..." Xiao Yan on the side gave Geng Shanshan a hard kick: "Bitch, I've long seen you as a broom star..."

Originally, Xiao Yan did not agree with the marriage between Xiao Lei and Geng Shanshan. After all, the two families were not compatible, but Xiao Lei insisted on marrying Geng Shanshan, and Xiao Yan had no choice!

Now that this happened because of Geng Shanshan, how could Xiao Yan agree with Xiao Lei and Geng Shanshan to be together again!

Xiao Yan and Xiao Lei left, and Geng Shanshan lay on the ground and cried bitterly!

On the other side, Chen Ping was riding in Su Yuqi's car on the way home and asked curiously: "How did you know that the Chilong Gang was causing trouble for me?"

Chen Ping was very surprised how Gu Wentian, Lin Tianhu and Su Yuqi knew about his place.

"It was my uncle and aunt who called me. As soon as I found out, I asked my dad to contact Lin Tianhu and Gu..."

Su Yuqi replied!

"Did my parents call?"

Chen Ping was slightly startled!

But he soon figured it out. Sun Xiaomeng must have informed his parents, and then his parents had no choice but to contact Su Yuqi. After all, in their impression, a rich girl like Su Yuqi must be very powerful.

Chapter: 296

When Su Yuqi dropped off at the door of Chen Ping's community, she left without getting out of the car. After all, Chen Ping's parents may still have some misunderstandings about Su Yuqi!

After Chen Ping got out of the car, he just took two steps and found Wang Hanhan secretly watching him behind a big tree!

When Wang Hanhan saw that Chen Ping had discovered her, she wanted to run away, but was stopped by Chen Ping.

"Hanhan, it's so late, what are you doing here?"

Chen Ping asked strangely.

"Oh, it's nothing. I just had a full meal and came down for a walk. You should go back quickly. Uncle Chen and the others are still worried about you..."

After Wang Hanhan finished speaking, he left in a hurry!

"What's wrong with this girl?" Chen Ping looked at Wang Hanhan's back, shook his head, and then walked quickly towards home!

At this time, at Chen Ping's house, Tang Hongying was wiping her tears, Chen Baoguo was smoking a cigarette with a sad look on his face, Sun Fuhai and Sun Xiaomeng were also there, and Wang Changfeng was also comforting Tang Hongying!

"Hongying, don't worry, Chen Ping will be fine. He might be back soon!"

Although Wang Changfeng was comforting Tang Hongying, his face was also full of worry.

“Dad, Mom, I’m back...”

Just as Wang Changfeng finished speaking, he heard Chen Ping’s shout!

As soon as everyone heard that Chen Ping was back, they all stood up and went out to greet him!

When Chen Ping saw so many people coming to his home, he couldn’t help but be stunned!

“Chen Ping, are you okay...”

Tang Hongying rushed forward and kept groping with her hands, trying to see if Chen Ping was injured!

“Mom, I’m fine. I’m fine. I’m just hungry. I haven’t eaten yet!”

Chen Ping said with a smile on his face.

“As long as it’s okay, it’s okay. Mom will prepare a meal for you...”

Tang Hongying looked happy.

“Hongying, I’ll go with you...” Wang Changfeng helped Tang Hongying into the kitchen!

“Uncle Sun...” Chen Ping shouted to Sun Fuhai!

“Chen Ping, are you really okay?” Sun Fuhai looked at Chen Ping: “When Xiaomeng came back and said something, I felt something was wrong, because I knew that the Porsche was the car of the eldest young master of the Xiao family. You follow that Xiao Lei is having trouble again, and he will definitely not

forgive you lightly. It's a pity that no one I know dares to offend the Xiao family, so they can only worry..."

Chapter: 297

"Uncle Sun, it's really okay. Didn't you see that I was okay? Thank you Uncle Sun for worrying..."

Chen Ping was very grateful that Sun Fuhai was so worried about him!

"As long as everything's okay, it's getting late, let's go..."

After Sun Fuhai finished speaking, he took Sun Xiaomeng and left.

Although Sun Xiaomeng did not speak, Chen Ping could see the concern for him in Sun Xiaomeng's eyes!

Chen Ping took a rest after eating, and Wang Changfeng also rested for a while and left!

The next day, Chen Ping went to Panlong Bay to practice for another day. Although he made little progress, it was better than nothing!

When he went to work on Monday, Chen Ping just arrived at the sales department and found that there was something wrong with the atmosphere in the sales department!

"Every Monday, Mr. Xing holds a meeting for us. Why is there no movement today?"

"Yeah, I've been here for three years, and there's never been a meeting without me. What's going on today?"

"Mr. Xing won't be sick, right?"

Everyone in the sales department was talking quietly.

“Okay, let’s stop talking nonsense. We’ll know what’s going on when Zhiyuan comes back!”

Sun Xiaomeng said to everyone!

Soon, Cui Zhiyuan came back with a document in his hand!

“Manager Cui, what’s going on with Mr. Xing?”

“Yeah, I don’t think I saw him at work today!”

“On Friday, I heard that Mr. Xing left before getting off work...”

Everyone asked Cui Zhiyuan.

“Mr. Xing has been fired and has left the company...”

Cui Zhiyuan said with some frustration.

After all, Cui Zhiyuan had worked with Xing Jun for many years, and Cui Zhiyuan often fawned over Xing Jun. He also hoped that relying on the contract signed by Chen Ping, he could climb to the position of purchasing manager. Now that Xing Jun was fired, his hopes were dashed!

“Ah? Why? Then who will become the general manager of the company?”

“This was too sudden, I didn’t get any news at all!”

Chapter: 298

“That’s right. Once Mr. Xing leaves, if we send someone else here, we’re probably going to suffer!”

“The new official has three fires when he takes office, let’s wait and see!”

Everyone started talking about each other!

“Shut up!” Cui Zhiyuan shouted angrily. He was already depressed enough, but these guys were still chirping!

Everyone shut their mouths and looked at Cui Zhiyuan quietly!

“No matter who becomes the general manager, our sales department must be united. Only in this way will no one dare to bully us...”

Cui Zhiyuan was afraid that the new general manager would give him power, so he thought of getting these people in the sales department together in advance!

“Yes, we listen to Manager Cui and advance and retreat together...”

“We will fight wherever Manager Cui tells us. We only listen to Manager Cui!”

“Don’t worry, Manager Cui, we only listen to you...”

Everyone in the sales department expressed their loyalty to Cui Zhiyuan!

Chen Ping snorted coldly at this time, which made Cui Zhiyuan feel very uncomfortable!

“Chen Ping, what do you mean?” Cui Zhiyuan asked.

“It’s not interesting. Do you want to treat the company as your own home? You are just a small department manager, and you dare to form a clique?”

Chen Ping said with disdain!

“It’s true that I am a small department manager, but I am also your immediate boss. I now announce that you have been fired...”

Cui Zhiyuan said with a cold expression!

In the past, there was Xing Jun who wanted Chen Ping to work in the company, and then looked for opportunities to humiliate Chen Ping. Now that Xing Jun has been fired, Cui Zhiyuan has nothing to worry about!

“Why do you fire me?” Chen Ping asked coldly.

“Why? Just because I am your boss, in the sales department, I can fire whoever I want. Don’t you have a mansion? You don’t have to experience life here. You can leave now...”

Cui Zhiyuan doesn’t want Chen Ping to stay here, because Chen Ping is a time bomb and disturbs his entire sales department!

“Zhiyuan, why do you say that Chen Ping also signed a contract with Tianmei? Can you...”

At this time, Sun Xiaomeng spoke. She wanted to plead for Chen Ping!

“Shut up!” Cui Zhiyuan yelled at Sun Xiaomeng: “I think you have fallen in love with this guy? You actually begged for him? The day before yesterday, you even ruined the dinner I carefully prepared for him. He pushed it back and didn’t even discuss the matter of marriage. Are you fucking attracted to him...”

Chapter: 299

Cui Zhiyuan roared with his face flushed, which made Sun Xiaomeng instantly embarrassed.

“You...what are you talking about?” Sun Xiaomeng tried her best to explain: “It was because Chen Ping was in some danger at that time. I went to tell him that his family was gone. Where did you think you were going...”

“Stop talking nonsense, I will fire him today, no one can stop me...”

Cui Zhiyuan’s eyes widened, like a mad lion!

Chen Ping also knew at this time why Cui Zhiyuan suddenly acted abnormally today. It turned out to be because Sun Xiaomeng did not attend the dinner because of herself!

Everyone in the sales department watched quietly. No one would intercede for Chen Ping. Even Zhang Tongjian, who was in the same group with Chen Ping at the beginning, was silent!

Wang Lanlan looked gloating. She was not gloating about Chen Ping being fired, but because Cui Zhiyuan quarreled with Sun Xiaomeng. If the two separated, she would have a chance to be with Cui Zhiyuan in an honest way!

The two of them have actually had sex secretly several times, and it was Wang Lanlan who took the initiative, and Wang Lanlan is Sun Xiaomeng’s best friend. Whenever something happens, the three of them go together, in order to have more with Cui Zhiyuan. Contact opportunity!

Now that there is a rift between Cui Zhiyuan and Sun Xiaomeng, Wang Lanlan is already very excited!

“Manager Cui, you...”

“Shut up. If you don’t want to do it anymore, get out of here too...”

Wang Hanhan wanted to plead for Chen Ping, but as soon as she said the words, Cui Zhiyuan scolded him back!

Chen Ping looked at Cui Zhiyuan coldly, his eyes getting colder and said: “You are not qualified to expel me, and I think you are the one who will be expelled...”

“What?” Cui Zhiyuan was stunned, and then laughed: “Chen Ping, can you stop bragging all the time? I am the biggest in the sales department, and I can fire whoever I want, unless you are not an employee of my sales department. , It’s a pity that you are now, so you have to follow my arrangements, and you still want to fire me? You don’t follow your own moral standards...”

“I know best what I am like. It’s a pity that you can’t see yourself clearly. Soon you will know who was expelled...”

After Chen Ping finished speaking, he sat back at his work station!

Seeing that Chen Ping dared to sit back, Cui Zhiyuan immediately roared: “Chen Ping, if you want to be shameless, do you still want to stay in the sales department and not leave?”

“This is the first time I see an employee who has been fired and refuses to leave. How shameless are you?”

Wang Lanlan said with a sneer.

“That’s right, hurry up and leave, don’t make our sales department a mess!”

“Dear old man, can’t you find a job? Are you still hanging around?”

“It’s really enlightening to see such a skinny person!”

Everyone in the sales department also laughed at Chen Ping, and they used this to curry favor with Cui Zhiyuan!

“Don’t worry, I won’t stay in the sales department...”

Chapter: 300

Chen Ping packed up his things and walked out directly!

“Brother Chen Ping...”

Seeing that Chen Ping was really leaving, Wang Hanhan hurriedly chased after him.

Although Wang Hanhan was angry with Chen Ping these past two days, she still couldn't bear to see Chen Ping really fired!

“Brother Chen Ping, if you really leave, I won't work here anymore. There's nothing good to do in this lousy company!”

Wang Hanhan doesn't want to do it anymore!

“Don't be stupid. I didn't say I was leaving. I just left the sales department. Just do your job well. The company is a good company, but Cui Zhiyuan is too bad!”

Chen Ping smiled slightly and said!

“So, are you going to another department?” Wang Hanhan was stunned!

“That's right!” Chen Ping nodded!

Wang Hanhan saw that Chen Ping was just transferring subordinate departments, so he didn't say anything!

“Chen Ping, how about I find you another job?”

Sun Xiaomeng came over and said.

“No, thank you!” Chen Ping said and left directly!

Seeing Chen Ping finally leaving, Cui Zhiyuan let out a heavy sigh. After a while, no one in the sales department dared to go against him. After Chen Ping came, he always opposed him and refused to obey. Cui Zhiyuan had long wanted to Get away!

“Everyone, please continue working. Stop discussing the general manager’s affairs. No matter who the headquarters sends here, as long as our sales department is united, there will be no problem!”

Cui Zhiyuan walked back to Chen Ping and said to everyone in the sales department!

Everyone sat back at their desks to work, but not long after, the secretary to the general manager came to the sales department!

“Manager Cui, Director Su is here and asked everyone to go to the conference room for a meeting. He said there was something to be announced...”

The secretary said to Cui Zhiyuan.

“Secretary Li, is it because of the appointment?” Cui Zhiyuan asked hurriedly with a smile on his face.

“Probably!” Secretary Li nodded.

“Does Secretary Li know whether the person brought by Director Su is a man or a woman, and what is his identity?”

Cui Zhiyuan wants to know the situation in advance!
