

The Order 2911

Chapter: 2911

“Wait until I deal with this guy first. You are hugging me. If you hold me like this, how can I kill him...”

Chen Ping said helplessly.

When Anna heard this, she quickly let go of Chen Ping. After all, they were not out of danger yet!

The surroundings were still shrouded in black mist, and the two priests were still looking at Chen Ping eagerly!

“It’s just some underground Yin Qi and souls that are worth so much effort, ignorant guy...”

Chen Ping looked at the two priests coldly, and then walked towards them!

The second priest looked at Chen Ping walking over, and couldn’t help but trembled in his heart!

“This is a devil, you are the one who is ignorant...”

As the second priest spoke, he began to recite the magic formula in his mouth, and soon the clouds of mist condensed into a humanoid monster with a huge figure.

“The devil is coming and everyone will die...”

The second priest activated the condensed human form and was about to attack Chen Ping!

Chen Ping’s body flashed with golden light, followed by a slap in the face!

The humanoid monster that had just condensed was instantly dispersed, and turned into mist and scattered around.

“this.....”

The second priest was dumbfounded...

Before Chen Ping could wait for the two priests to react, he slapped him again!

The two priests instantly rolled down from the altar.

“Fan Jiang, take care of these guys and give me Dharma protectors. With such a good opportunity, I want to practice...”

Chen Ping said to Fan Jiang on the altar.

“Okay, Mr. Chen...”

Fan Jiang nodded.

Fan Jiang alone is enough to deal with these guys, let alone Hu Mazi and Ge Yuhan!

“Go down. Someone will protect you. I have to refine these yin energy...”

Chen Ping asked Anna to step off the altar, while he sat cross-legged and began to refine the souls and yin energy emerging from the ground!

Chapter: 2912

Under the altar, there was a wailing sound and the roar of the tiger demon.

Even if the tiger demon is released, people like the second priest cannot escape the fate of death!

The difference in strength is too great.

Soon, all the second priests and the others died, and Hu Mazi put the tiger demon's beast elixir into his pocket!

At this moment, only Andrew was left, looking ugly and at a loss!

"Ann...Princess Anna..."

Andrew looked at Princess Anna walking towards him with a look of embarrassment!

Anna looked at Andrew with grief and anger, and finally turned around, waved her hand and said: "Andrew, go away, never let me see you again, and you should never show up at the Duke's Palace again..."

Anna did not kill Andrew, but she also knew that Andrew could no longer be used!

Once betrayed once, whether by coercion or voluntarily, such a guard can never be used again.

Andrew's face was full of shame, and he finally turned around and left. He himself didn't have the courage to ask Anna to stay!

Daniel and the high priest also left. Since the second priest was dead, they went back and planned to clear out the associates of the second priest in the royal family.

Hu Mazi and the others were here to protect Chen Ping, and Chen Ping stayed at the altar for three days.

For three whole days, Chen Ping remained motionless!

Absorbing the yin energy that emerged, the breath in Chen Ping's body was constantly changing!

Once all this Yin Qi is truly consumed, Chen Ping's strength will definitely reach a higher level.

On the fourth day, the black mist on the altar was completely absorbed, and Chen Ping opened his eyes, and the breath was rolling around his body!

Chen Ping clenched his fist tightly.

"With the strength of the sixth-grade Great Wuhou, it seems that this trip is really worth it..."

Chen Ping's face was filled with joy.

When Chen Ping came down from the altar, Hu Mazi stepped forward and patted Chen Ping on the shoulder and said, "You kid, you took advantage of me again..."

Chen Ping smiled slightly, then looked around and said, "I heard the tiger demon's roar. Where is the beast pill?"

Fan Jiang and Ge Yuhan all looked at Hu Mazi!

Hu Mazi, on the other hand, covered his pocket and said, "Chen Ping, I'm going to come with you to ask for a beast elixir. You don't want to take the beast elixir away, do you?"

Chapter: 2913

"Of course not. Thanks to Master Hu this time, let alone one beast elixir, even if it is ten, it is not an exaggeration for Master Hu to take it away..."

Chen Ping smiled.

“You kid still has a conscience...”

When Hu Mazi heard this, he immediately felt very comfortable!

“Mr. Chen, you’d better go and see Princess Anna. She hasn’t eaten or drunk these days, and she’s feeling depressed...”

At this time, Fan Jiang whispered to Chen Ping.

Only then did Chen Ping see Anna curled up in a corner. She had become much more haggard in a few days.

Chen Ping knew that Anna must be very sad after suffering such a blow, so he walked over.

“Princess Anna, people’s hearts are unpredictable. You don’t have to be so sad for someone who betrayed you...”

Chen Ping persuaded Anna.

But Anna shook her head: “I’m not sad because of Andrew’s betrayal, but there is no Medicine King here, and my father is probably hopeless...”

Anna has been worried about her father’s safety since she knew that Andrew deliberately lied to her about Medicine King!

When Chen Ping heard that Anna was sad about this, he said confidently: “Princess Anna, after I finish dealing with the ruins, I will accompany you back. I am confident that I can cure your father. Don’t worry.”

“Really?” Anna’s eyes lit up and she looked at Chen Ping closely.

“Of course, how dare I joke with the majestic princess of the Bear Kingdom...”

Chen Ping smiled slightly and said!

Anna’s face instantly became energetic and she also had a smile on her face!

“Chen Ping, should we leave or go explore the sword tomb?”

Hu Mazi came over and asked.

“Master Hu, during the past few days of my practice, have you discovered the entrance to the Sword Tomb? You can’t just jump into the abyss, right?”

Chen Ping knew that Hu Mazi must have been busy these days.

“I found it, but it’s a pity that we can’t get in...”

Hu Mazi said a little embarrassed.

“Why? Is there a magic circle blocking it?”

Chapter: 2914

Chen Ping asked.

“It’s not a magic formation, but a sword formation. As you know, none of us understands swordsmanship, and we can’t break through that sword formation at all...”

None of Hu Mazi and the others knew about swordsmanship. Even if they did, they would only scratch the surface, so it was impossible to break the sword formation.

Upon hearing that it was a sword formation, Chen Ping suddenly became interested and said, "Take me to see..."

Hu Mazi nodded, and then led Chen Ping to find a cave only one meter high in the ruins.

The cave is so dark that I don't even know where it leads!

"Through this cave, you can reach the Sword Tomb. But you have to be careful. There is a very strong sword energy inside, and the sword array is full of murderous aura. You might not be able to return."

"If it really doesn't work, let's go back. Don't lose our lives here!"

Hu Mazi persuaded Chen Ping.

"Come here, I have to give it a try..."

After Chen Ping finished speaking, he got in without hesitation!

In this small cave, if something unexpected happens, there won't even be a place to dodge!

However, Chen Ping believed in Hu Mazi. Since Hu Mazi had gone in, there would definitely be no danger in the cave.

After drilling in the cave for more than ten minutes, Chen Ping suddenly became clear!

I saw a large virgin forest appearing in front of Chen Ping, and the temperature here was very high, not like the snowy outside!

Moreover, there is a lot of spiritual energy here, and there is a light mist lingering on the ground, just like a fairyland!

“Shouldn’t this place of sword graves be in ruins, with piles of corpses?”

Chen Ping looked surprised, but now that he had come in, Chen Ping slowly walked into the woods!

But after just a few minutes of walking, Chen Ping saw that the tall trees were dead and the ground was full of corpses. The scene here was obviously different from the green trees he just saw. It was like there was a barrier that surrounded it. There are two different scenes here!

Chen Ping continued to take a step forward. When he took this step, he suddenly felt bursts of sword energy coming, and Chen Ping hurriedly activated his indestructible golden body to resist the bursts of sword energy!

Chen Ping continued to walk forward, but just after taking two steps, the mountain suddenly shook, and more than a dozen gleaming swords emerged from the ground!

I saw all these swords stuck in the soil, forming a wall blocking Chen Ping!

“Is this the sword formation?”

Chen Ping looked at the dozen swords stuck in the soil in front of him and felt a little incredible!

Chapter: 2915

However, Chen Ping didn’t want to get entangled, so he wanted to go around from one side, but no matter how Chen Ping walked, the sword formation in front of him was still in front of Chen Ping!

Seeing this, Chen Ping could only stretch out his right hand and pull out the Dragon-Slaying Sword. The moment the Dragon-Slaying Sword was pulled out, a dozen swords in the sword array began to shake violently!

The Dragon-Slaying Sword in Chen Ping’s hand also began to shake violently. If Chen Ping hadn’t held it hard, the Dragon-Slaying Sword would have probably fallen out of his hand.

At this moment, Chen Ping could clearly feel the bloodthirsty aura of the Dragon-Slaying Sword in his hand. It seemed that this Dragon-Slaying Sword was also a spirit sword that was good at fighting and ruthless!

Just when Chen Ping was about to break the sword formation, someone suddenly appeared behind him. Chen Ping was startled and swung the dragon-slaying sword back in his hand!

A sharp sword energy shot out directly!

“Holy shit...”

Hearing just one curse word, Hu Mazi fell to the ground like a dog chewing shit, and then escaped the sharp sword energy!

“Master Hu...”

Seeing this, Chen Ping hurriedly stepped forward and helped Hu Mazi up: “Why are you here?”

“I was afraid that you were in danger, so I came after you.” Hu Mazi glared at Chen Ping: “I didn’t expect that you, a guy like you, would give me a sword when you came up...”

Chen Ping smiled: “Master Hu, I didn’t mean it, but if you chase me in, I’m afraid there might be some treasure inside, and I’ll swallow it for myself, right?”

“Nonsense, I’m not the kind of person you say...”

But when Hu Mazi said this again, his eyes kept looking away, obviously feeling guilty!

Chen Ping looked at Hu Mazi like that and really couldn’t laugh or cry, so he said: “When I break the sword formation, let’s go in and have a look...”

“Chen Ping, you have to be careful, this damn sword formation is really powerful...”

Hu Mazi looked at the dozen long swords stuck in the soil in front of him and said with lingering fear.

“kindness!”

Chen Ping nodded, then jumped up with the dragon-slaying sword in hand!

The dragon-slaying sword made a buzzing sound, and the vertical and horizontal sword energy began to rage out!

At the same time, more than a dozen swords on the ground broke out of the ground, forming a barrier instantly.

But just when Chen Ping was about to strike with his sword, the Dragon-Slaying Sword in his hand actually came out!

I saw the Dragon-Slaying Sword flying directly towards the sword formation, and then I heard a sound of metal collision!

When Chen Ping saw this, he could only retreat and saw his dragon-slaying sword fighting with the dozen swords.

Chapter: 2916

Hu Mazi’s eyes widened and he was dumbfounded!

“Damn, you guys are so awesome with just one sword?”

Hu Mazi’s face was full of disbelief!

I saw the Dragon-Slaying Sword continuously attacking, and soon more than a dozen swords were cut off by Lazy Yao, while some were shot down directly to the ground!

A faint cyan edge will instantly appear on each sword, and then be absorbed by the Dragon Slayer Sword!

In just a few minutes, the Dragon-Slaying Sword was back in Chen Ping's hands, and there were more than a dozen swords lying on the ground!

At this moment, the sword formation disappeared, and even the sword energy that just erupted also disappeared!

Chen Ping was holding the Dragon Slaying Sword, and he could clearly feel the excitement of the Dragon Slaying Sword, and the strength of the Dragon Slaying Sword had also increased significantly!

"Could this dragon-slaying sword absorb the sword spirit to increase its strength?"

Chen Ping looked at the Dragon-Slaying Sword with unconcealable excitement on his face!

If this continues, it will not be difficult for the dragon-slaying sword's strength to be raised to the level of a holy weapon.

"Chen Ping, can you show me your sword?"

Hu Mazi looked at the Dragon-Slaying Sword in Chen Ping's hand, his eyes filled with envy.

"Here you go..." Chen Ping handed the Dragon-Slaying Sword to Hu Mazi.

Hu Mazi was holding the Dragon-Slaying Sword, but the Dragon-Slaying Sword shook for a while, and then emitted a sword energy.

As a result, Hu Mazi loosened his grip, and the Dragon-Slaying Sword instantly returned to Chen Ping's hand!

"Hahaha, Master Hu, I'm really sorry. It seems that this Dragon-Slaying Sword doesn't like you very much..."

Chen Ping laughed loudly when he saw this.

"Hmph, it's a broken sword, and it's not a woman. I'm not that curious about it..."

Hu Mazi snorted coldly.

The two people continued to walk forward. Just after walking a certain distance, the sword energy that had disappeared began to appear again, and the further they walked, the more sword energy became.

These sword energies will automatically attack any living creature that walks in here, whether it is a human or an animal!

Chen Ping and Hu Mazi could only rely on their own strength to resist the sword energy!

It's just that the sword energy is endless and endless, but Chen Ping's spiritual power is limited. Chen Ping can still rely on the strength of his body to resist the sword energy, but Hu Mazi can't, and can only rely on spiritual power to generate it. Protect yourself with a shield!

Chapter: 2917

As Chen Ping and the others went deeper, the power of the sword energy became more and more powerful, and they kept attacking Chen Ping and Hu Mazi!

At this time, Hu Mazi was gritting his teeth and persisting, with cold sweat on his forehead, but Chen Ping looked calm. After all, Chen Ping's strength was several levels higher than that of Hu Mazi!

"Master Hu, can you still persist?"

Chen Ping looked at Hu Mazi and asked.

“That’s enough. This damn sword energy is so powerful. Where does all this sword energy come from?”

Hu Mazi was very puzzled. Apart from seeing a lot of corpses along the way, they didn’t see a sword at all!

But where does so much sword energy come from?

When Chen Ping saw this, the Dragon-Slaying Sword in his hand shook slightly, and immediately emitted an aura, helping Hu Mazi block the sword energy!

But soon, Chen Ping found that the Dragon-Slaying Sword in his hand was shaking slightly, and then the sword energy around him seemed to be attracted, and it was all swallowed up into the Dragon-Slaying Sword!

At this moment, the Dragon-Slaying Sword is like a thirsty person, drinking water crazily, and the surrounding sword energy has been swallowed up!

Hu Mazi instantly felt the pressure lighten and let out a long breath.

With the Dragon Slayer Sword, Chen Ping and the others moved forward significantly faster!

After walking some distance, the space in front of them obviously fluctuated, and then a woman in white appeared in front of Chen Ping and the others.

I saw this woman with an oval face, thin eyebrows and a moist nose, a pair of bright almond eyes, and a moon-white Taoist robe. She looked very graceful.

The woman carries a long sword on her back. The scabbard and the hilt are all sky blue, bright in color, and there is a faint flow of light. You can tell it is a sword at a glance.

“Who are you? You broke into the Sword Tomb. Leave quickly, otherwise don’t blame me for being rude...”

The woman looked at Chen Ping and Hu Mazi with an angry look.

When Hu Mazi saw the woman, his eyes flashed, and then he smiled and said: “Such a beautiful woman is just a soul, useless...”

It was obvious that Hu Mazi had a look of pity on his face.

“You...you bold fanatic...”

When Hu Mazi said this, the woman’s face turned red with anger.

Chen Ping also saw at a glance that this woman was just a soul. No matter how strong she was before, she could not exert much strength now.

“Miss, I heard that Wenjian Sect has a divine sword, which is located at the Sword Tomb. We just came to take a look!”

Chen Ping smiled slightly.

Chapter: 2918

“Bah, don’t think that I don’t know your intentions. As long as I’m here, you can’t even think of entering the Sword Tomb...”

The woman said and suddenly stretched out her hand: “Here comes the sword...”

The woman waved her right hand, and with a buzzing sound, a sword energy came through the air, and a spiritual sword flew out from the woman’s back. The sword energy soared into the sky, and finally fell into the woman’s hand.

This spiritual sword has a cold light and a frightening aura.

“If you don’t leave, you will have no choice but to die under my Wentian Sword!”

The woman stared at Chen Ping and said.

Just as the woman’s spiritual sword appeared, the Qiankun Sword in Chen Ping’s hand began to shake violently. If Chen Ping hadn’t held it hard, the spiritual sword would have fallen out of his hand.

Chen Ping tried hard to control the already irritable and restless Dragon-Slaying Sword, and then looked at the woman with cold eyes.

The woman Wentian Sword was in her hand, her face was full of sternness, but she didn’t know that the Dragon Slaying Sword in Chen Ping’s hand was an ancient spiritual sword. It was just that the sword spirit had not fully matured, so it could not exert such great power. , so the woman did not pay attention to the dragon-slaying sword in Chen Ping’s hand.

“You and I both have a spiritual sword in our hands. Today I will show you that not just anyone using a spiritual sword can exert its power.”

The woman looked at Chen Ping with a sword in her hand, her face expressionless and her eyes burning.

“You want to swordfight with me?”

Chen Ping raised the corners of his mouth slightly and asked lightly.

“You do not dare?”

There was a hint of sarcasm on the woman’s face.

“As a soul, I can give you a sword. If you can hurt me, I will leave here immediately and never step in.”

Chen Ping's face was calm and he said in an indifferent tone.

If he couldn't deal with even one soul, Chen Ping might as well just hit him to death.

The woman was slightly startled, but looking at Chen Ping's expression, it didn't seem like he was joking.

"Are you too arrogant?"

The woman knew that even though she was a soul, she could only use part of her strength, but Chen Ping could say such big words as letting him strike with a sword, which was extremely arrogant.

"Stop talking nonsense, come on!"

Chen Ping blocked the dragon sword in his hand, preparing to receive the woman's sword.

Seeing Chen Ping being so arrogant, the woman's eyes were filled with murderous intent. Since Chen Ping himself was seeking death, she didn't mind giving Chen Ping a ride.

Chapter: 2919

At that moment, the Wentian Sword in the woman's hand was raised, and there was a buzzing sound. The sword energy was everywhere, and the violent sword energy made Hu Mazi feel a pain in the skin all over his body, the kind of pain that was cut by force.

Hu Mazi stayed away, he didn't want to be affected by the two people.

As the woman stared at Chen Ping, the aura on her body instantly rose to its peak, the energy and blood surged, and the raging aura had burst out. Facing Chen Ping, the woman would not be careless.

Since Chen Ping dared to say such words, and also came here unscathed, he must have some ability.

“Wentian Zhan!”

The woman roared, and the Wentian Sword in her hand slashed towards Chen Ping in an instant. On the Wentian Sword, white mist instantly rose. The sword spirit was activated by the woman, and turned into a long white snake, wrapping around Wentian. On the sword, there was a buzzing sound.

Looking at the woman’s peak sword strike, a smile appeared on Chen Ping’s face. He was still afraid that the woman would not activate the sword spirit. But now it seems that the woman is still afraid of him, and she actually activated the sword spirit from the beginning. Moved out.

In this way, Chen Ping saved some things and just let the Dragon-Slaying Sword Spirit devour the Wentian Sword Spirit.

After devouring the sword spirit, Chen Ping believes that the strength of Dragon Slayer Sword will be even higher.

Chen Ping took a deep breath, and golden rays of light appeared all over his body, and then bursts of green light erupted from the Dragon-Slaying Sword in his hand. In an instant, the Dragon-Slaying Sword was wrapped in a bunch of green light.

Looking at the woman getting closer and closer, Chen Ping’s eyes were full of provocation.

The woman’s eyes were cold, without any fluctuation. The Wentian Sword in her hand slashed hard at Chen Ping, swallowing up mountains and rivers with one strike.

The terrifying sword energy was everywhere, and this sword, with a devastating momentum, instantly struck at the Dragon-Slaying Sword in Chen Ping’s hand.

Hu Mazi on the side had a horrified look in his eyes, a trace of worry on his face, and his breathing was a little short.

He didn’t expect that a soul could exert such great power. If this woman was not a soul, wouldn’t her strength be even more terrifying?

Bang!

With a slash of the sword, the Wentian Sword and the Dragon-Slaying Sword collided heavily, causing the ground to shake and the entire Sword Tomb to tremble involuntarily.

There was no splash of fire, and the two sword energies, one green and one white, instantly entangled together and rose into the sky, like two fighting giant dragons, intertwined and intertwined.

Hu Mazi looked up with a look of disbelief on his face. He had never seen such a scene before. Two sword energies could actually fight together.

In fact, this is not sword energy, but sword spirits fighting with each other. The green light is like a vast brilliance, illuminating the entire Sword Tomb.

The white light tried desperately to cover up the brilliance of the green light, but the white light looked very small under the green light, and it was swallowed up at a speed visible to the naked eye.

“This...how is this possible?”

Looking at the scene in front of her, the woman’s eyes were full of horror.

Soon, the white light disappeared, and the green light became more dazzling, and then returned to the Dragon-Slaying Sword in Chen Ping’s hand. In an instant, the Dragon-Slaying Sword buzzed, and a sword energy came from the Dragon-Slaying Sword. It shot out from the sword.

Chapter: 2920

The terrifying sword energy instantly cut a terrifying sword mark in the sword tomb. The sword mark followed Chen Ping’s feet and headed towards the woman. The woman was shocked, then quickly retreated, and then she jumped into the air. And rise.

The sword marks continued for tens of meters, and a deep ravine was cut into the ground. The high bulges on both sides were divided into two. The sword energy was vertical and horizontal, and it was so terrifying.

With one move, the victory or defeat was already clear. The woman looked at her Wentian Sword. At this time, the Wentian Sword had already lost any luster. It was like a piece of broken copper and iron, with no trace of aura left.

The woman was startled, and a surge of spiritual power was injected into her. She wanted to activate the Wentian Sword and summon the sword spirit out, but no matter how the woman tried to activate it, the Wentian Sword did not respond at all.

Without the sword spirit, the Wentian Sword is just a broken piece of iron, not even as good as a sword. This is a spiritual sword made by the sword master of the Wenjian Sect, but now it has become a piece of broken copper.

“Want to compete?”

Chen Ping looked at the woman and asked lightly.

The woman’s face was expressionless, the Wentian Sword in her hand was casually thrown to the ground, and then she shook her head.

“Since you are defeated, let us in. I just came here to see the divine sword!”

Chen Ping didn’t want to beat the woman to pieces, so she said.

But who knows, the woman suddenly smiled bitterly: “That’s not a divine sword, it’s not a divine sword, it’s a demonic sword that kills people without blinking an eye. Our entire Sword Asking Sect was destroyed in the hands of that demonic sword!”

“Our sect master gathered all the elders of the Wenjian Sect and used all our spiritual swords to suppress the demon sword here.”

“And after so many years, the clan members who originally died in the Sword Tomb have now absorbed the sword energy and turned into sword puppets. Even I have not dared to enter it for hundreds of years!”

“If you insist on going in, you will definitely die...”

“Life is impermanent, who can avoid death? If you can do what you like, why not die?”

Chen Ping smiled slightly and was not intimidated by this woman!

Regardless of whether it is a divine sword or a demonic sword, Chen Ping’s Sword Tomb is determined. No matter what kind of sword it is, it will end up being swallowed up by his own dragon-slaying sword!

Seeing Chen Ping’s determination, the woman sighed and said: “Maybe this is the number of days. Stepping here is the real place of the sword tomb. The sword energy there is hundreds of times stronger than now. Think about it for yourself... ..”

After saying that, the woman’s figure became lighter and lighter, and finally disappeared completely.

“Chen Ping, I think you should go in by yourself. With my strength, I’m afraid I will need your protection if I go in, which will be a burden to you.”

Hu Mazi is scared!

If the sword energy inside was really as strong as what the woman said, and the sword energy was hundreds of times stronger, Hu Mazi might be torn into pieces by the sword energy.

Chen Ping nodded: “Master Hu, wait for me here. If I haven’t come out within three days, you can go back. You don’t have to wait for me.”

Upon hearing this, Hu Mazi hurriedly said: “Chen Ping, you must come out. If you die, what will happen to your women? What a pity. Thinking about your women, you have to come out alive.”
