

## **The Order 2931**

Chapter: 2931

“Chen Ping...”

After seeing Chen Ping, Anna rushed over excitedly: “I knew you wouldn’t die.”

“Damn it, you are so lucky. The sword energy in the Sword Tomb is so terrifying, yet you are still alive.”

Hu Mazi was also a little surprised!

“Mr. Chen, how’s it going? Have you got the divine sword?”

Fan Jiang also asked with great interest.

“Let’s go out and talk as we walk...”

Chen Ping said.

.....

Ice Bear Island, in a hotel!

Gu Ling’er and the other girls were waiting for Chen Ping with dissatisfaction!

“What does this Chen Ping mean? How many days have passed? He threw us at the foot of the mountain and didn’t care.”

“I must have been fascinated by that foreign girl and couldn’t bear to come back!”

“Is Brother Chen Ping in danger?”

A group of women’s daily job is to wait for Chen Ping to come back.

As a man, Zhao Chuang can only be reduced to the object of these women’s orders. Whether it is buying things or pouring tea and water, Zhao Chuang takes care of it all!

Zhao Chuang can’t afford to offend these girls. Except for Xiaoru, maybe the girls here will become Chen Ping’s women.

Who does Zhao Chuang dare to offend?

But just when these girls were chattering away, Chen Ping and the others came back!

Seeing Chen Ping back, all the complaints against Chen Ping disappeared. Everyone rushed up and wanted to give Chen Ping a hug!

It’s a pity that so many people are here, no one is embarrassed!

“Did you miss me?”

Chen Ping looked at the group of women in front of him, then smiled slightly and said: “Come one by one, I will give each of you a hug.”

“Hmph, you have a good idea, sisters, we ignore her...”

Chapter: 2932

Xiaolan snorted coldly and rolled her eyes at Chen Ping!

“Yes, ignore him. Who asked him to leave us alone?”

Ge Jiayi said.

A group of girls went back to their rooms, but Chen Ping could see that the faces of these girls were worried about him!

Hu Mazi looked at this scene, his eyes turned red with envy!

“I won’t eat dog food here anymore. I’m going to see my two little babies...”

Hu Mazi said and hurried towards his room!

Chen Ping and the others did not stay on Ice Bear Island for too long. Instead, they took a special plane and followed Anna to the capital of the Bear Country to treat Anna’s father, Duke Ross!

Originally, Hu Mazi didn’t want to go, but after hearing Anna say that the women in the capital were more beautiful and more developed, Hu Mazi couldn’t wait to follow!

After getting off the plane and seeing the motorcade greeting them at the airport, everyone truly realized how awesome the royal family is!

I saw more than a dozen Rolls-Royces lining up to greet me, and there were even hundreds of guards on both sides to maintain order!

This kind of pomp is not something people like them can create.

But when they arrived at Anna’s home, these people were even more shocked!

Because Anna’s home is actually a castle covering an area of thousands of acres!

The beautiful castle immediately attracted all the girls, and they all took photos excitedly!

Anna arranged for people to entertain Gu Ling'er and the other girls, and sent someone to entertain Hu Mazi alone.

Then he brought Chen Ping into the castle to prepare his father for medical treatment!

In Duke Rose's room, Anna's brother, Prince Hal, was also there, and there was also a wizard wearing various headdresses, spraying some liquid on Duke Rose's body!

"What are you doing....."

When Anna saw this, she rushed forward and pushed the wizard aside!

And Prince Nahal was very surprised after seeing Anna!

"Ana, you...when did you come back?"

Prince Hal asked.

He thought Anna should have died on Ice Bear Island a long time ago, and Prince Hal obviously had not received news about the ruins of Ice Bear Island.

Chapter: 2933

Anna glanced at her brother coldly. Although she knew that Prince Hal was sending people to hunt her down, Anna had no evidence, so she couldn't do anything.

"Brother, my father is seriously ill in bed. What are you doing?"

Anna asked Prince Hal.

“Of course it’s treatment. My father is sick, but you ran out to play, so I need to find someone to treat my father.”

Prince Hal replied.

“Cure a disease? Do you rely on this guy who is neither human nor ghost to cure the disease?”

Princess Anna pointed at the wizard and said.

“Shut up, this is the master I invited from abroad. He has the ability to bring the dead back to life. He can definitely save my father’s life. If you are talking nonsense like this, get out of here!”

Prince Hal glared at Anna and said.

“I don’t think you want to treat my father at all, right? You want to kill my father.”

Anna was filled with anger. She couldn’t understand why she would harm her own father for the sake of power.

“What nonsense are you talking about? My father will be fine soon. It’s you who are causing trouble here. Get out of here...”

Prince Hal scolded Anna.

But Anna wouldn’t leave at all. She didn’t believe that her brother would cure her father’s illness!

“Anna, let me tell you, my father is seriously ill now, and I have the final say in this family. You are just a girl, and you will get married sooner or later.”

“If you are obedient, I can let you continue to be a princess. If you are disobedient, don’t blame me for being rude...”

Prince Hal had a gloomy face, and he completely broke up with Anna!

“I won’t leave, I want to see how you cure your father!”

Anna said firmly.

Seeing Anna’s resolute attitude, Prince Hal did not ask him to go out. Instead, he looked at the wizard and said, “Master, please do something to save my father.”

While speaking, Prince Hal winked at the wizard.

However, this small action did not escape Chen Ping’s eyes!

Just when the wizard was doing what Duke Ross was doing, Prince Hal glanced at Chen Ping coldly and didn’t care.

Anna looked at Chen Ping for help, and Chen Ping reassured Anna!

Chapter: 2934

As soon as Chen Ping entered the door, he could see the strength of this wizard!

Moreover, what the wizard sprayed on Duke Ross was a potion used to perform soul control.

In other words, this wizard plans to use soul control to control Duke Ross to obey him!

Chen Ping has seen this kind of low-level witchcraft before!

Ling Zhenchuan, the mayor of Hongcheng at that time, was controlled by two wizards and almost caused a big mistake.

It was Chen Ping who came to the rescue.

Now this little soul control technique is worthless in Chen Ping's eyes. Chen Ping is just watching the wizard's performance quietly!

I saw the wizard murmuring something in his mouth, and gently tapping his finger, Duke Ross' eyes were closed suddenly, and he suddenly opened his eyes!

Seeing that Duke Ross was awake, Anna suddenly became excited and rushed towards him.

"Father, father....."

Anna called out to Duke Ross, but Duke Ross looked dull, as if he didn't hear him!

At this moment, Anna panicked a little, then looked at Hal and said: "Brother, what...what is going on? Why doesn't father recognize me?"

Hal did not speak, but the wizard spoke: "Princess Anna, the soul of Duke Ross has been away from the body for too long. He has just returned and needs to rest for a few days."

Seeing what the wizard said, Anna believed it. After all, the wizard really cured her father twice.

"Duke Ross, you have been lying down for so long, it's time to get out of bed and take a walk..."

The wizard said to Duke Ross.

Sure enough, after hearing the wizard's words, Duke Ross got up from the bed and walked around on the ground. This made Anna extremely happy!

"Sister, did you see that my father's illness was cured by me? You will stay at home from now on and you are not allowed to go anywhere."

"And who is this Daxia person? Why did you bring a stranger to your home?"

Only then did Hal ask about Chen Ping's identity!

When Anna heard this, she hurriedly explained: "This is my friend, his name is Chen Ping. He is here to treat his father."

When Hal heard this, he immediately laughed: "Haha, are you kidding? At his age, is he worthy of treating his father?"

"Aren't you afraid that he will kill your father?"

Anna didn't know how to answer Hal's words. After all, Anna herself didn't know whether Chen Ping could see a doctor!

Chapter: 2935

"Do I know how to treat a doctor? I'm better than this wizard. I just use simple soul control techniques to wake people up. Does that count as seeing a doctor?"

Chen Ping said coldly.

Hearing the words soul control, the wizard and Hal were both slightly startled!

They didn't expect that Chen Ping actually knew witchcraft!

“What are you talking about? What kind of soul control technique?”

The wizard denied it.

“Although Duke Ross is awake now, he is just a walking corpse. He can only obey your orders. Please don’t use this inferior soul control technique to embarrass yourself.”

Chen Ping sneered.

“Chen Ping, what...what’s going on? Are you saying that my father is controlled by them now?”

Anna asked nervously.

Chen Ping nodded: “Yes, they are now using soul control to control your father’s mind. Your father is now a machine that obeys orders, that’s why he doesn’t recognize you.”

When Anna heard this, she immediately looked at Hal angrily.

Hal’s face turned cold: “Boy, what are you talking about? Do you believe I will cut off your tongue right now?”

“Am I talking nonsense?”

Chen Ping raised the corners of his mouth, and then gently waved his palm in front of Duke Ross!

From Duke Ross’s body, a black energy instantly emerged and was directly sucked into Chen Ping’s stomach!

After the black energy emerged from his body, Duke Ross’s eyes instantly became brighter.

“What’s going on? Where am I?”

“Anna? Hal, why are you all here?”

Duke Ross suddenly woke up, looked at the people in the room, and asked with a surprised look on his face.

“Father.....”

Anna threw herself into Duke Ross’s arms and began to cry bitterly.

Duke Ross comforted Anna: “Anna, what’s wrong? What’s wrong?”

“Father, you have been in a coma for many days, and my brother actually asked a wizard to control you...”

Chapter: 2936

Anna followed Duke Ross and told him!

When Hal saw that his father was awake, he was so frightened that his face turned ugly!

“Hal, what’s going on?”

Duke Ross asked, glaring at Hal angrily.

“Father, don’t listen to my sister’s nonsense. You are sick. I’m just looking for someone to treat you!”

Hal tried his best to explain!

“Okay, don’t talk anymore. Now that I’m awake, I will investigate this matter.”

Duke Ross said with a cold face and waved his hand.

Then he looked at Anna with a doting look on his face and gently stroked Anna’s hair!

Seeing how doting his father was on his sister, Hal’s face became very ugly and ferocious!

Hal’s eyes flashed with murderous intent, and he knew that if he really investigated, what he had done would definitely be exposed!

Thinking of this, Hal’s eyes narrowed slightly and he winked at the wizard. The wizard understood and directly blocked the exit of the room!

“I’ve been in a coma for so many days, and my government affairs must have been delayed a lot. I’m going to have a look...”

Duke Ross had just woken up and was worried about government affairs.

But as soon as he reached the door, he found the wizard blocking the door.

Duke Ross said with a cold face: “Who is this? What are you doing blocking the door?”

“My father is going out, what are you doing here blocking me?”

Anna asked the wizard.

But the wizard didn’t move at all.

Duke Ross was furious and turned to Hal: “Hal, what’s going on?”

Hal walked towards Duke Ross with a sinister smile on his face.

“Father, you have just recovered from a serious illness and are getting older. I don’t think you have to worry about government affairs. You should leave it to me.”

“I promise to keep this Duke’s Mansion in good order.”

Hal said coldly.

Chapter: 2937

When Duke Ross heard this, he frowned and his eyes were full of anger: “Hal, what do you mean? Do you want to be in my position?”

“Yes, I also want to be a Duke now...”

Hal admitted it directly.

“Brother, how can you say this? Why do you want to inherit your father’s dukedom while your father is still alive?”

Anna asked with a surprised look on her face.

Hal’s murderous aura rose up: “Soon, my father will not be alive...”

Hal’s words almost made Duke Ross angry to death!

“Beast, you rebellious guy, I will kill you...”

Duke Ross roared angrily and slapped Hal with his palm!

Unfortunately, Duke Ross had just woken up and was still very weak, so Hal easily dodged this palm.

“Father, I am your biological son, are you willing to kill me?”

“If that’s the case, then I don’t have to worry...”

After Hal finished speaking, he said to the wizard: “Master, do it. None of the three people in the room can survive...”

The wizard nodded, then muttered something, and bursts of black mist began to rise from his body!

Immediately afterwards, the entire room was wrapped in black mist, and I couldn’t see anything.

Seeing this scene, Anna was so frightened that she screamed!

Duke Ross also looked panicked!

But at this moment, someone suddenly grabbed Anna’s hand and pulled Anna!

“ah.....”

Anna screamed desperately, trying to break free.

“It’s me, hiding behind me.”

Chen Ping whispered after Anna!

When Anna heard this, she nodded, quickly pulled Duke Ross and hid behind Chen Ping.

I saw a faint light flickering around Chen Ping, which directly blocked the black fog outside.

Chapter: 2938

“Master, can we kill them all in this way?”

At this time, Nahal’s voice came.

“Prince Hal, don’t worry. This is poisonous mist. If you breathe it in, you will definitely die. They won’t survive.”

The wizard said confidently.

Ten minutes later, the black fog slowly dissipated, and things began to be visible inside the room!

Soon, Hal and the wizard saw Chen Ping and the three of them standing on one side of the room. There was nothing wrong with the three of them.

At this time, the wizard and Hal were a little dumbfounded.

“Master, this...what’s going on? Didn’t you say that you will definitely die?”

Hal asked in confusion.

The wizard was also confused: “It’s impossible. If they inhale my poisonous mist, they will definitely die. How can they be fine?”

“Your witchcraft is so rubbish. Only a fool like this would believe in a rubbish wizard like you.”

Chen Ping said to the wizard with a look of disdain.

“Boy, you are so brave. You dare to say that to me. Today I will let you see how powerful I am!”

As he said that, the clothes on the wizard’s body turned on their own without any wind!

The wind began to blow in the room, and clouds of black mist suddenly appeared, turning into fierce ghosts and rushing towards Chen Ping and the others with bared teeth and claws!

Anna and Duke Ross had never seen such a scene before, and they were all frightened!

But Chen Ping did have a sneer on his face, and then he opened his mouth and sucked in. A huge suction force actually sucked the clouds of black mist directly into his body!

Although the wizard is not very powerful and does not have much yin energy, the grasshopper legs are also meat, and Chen Ping does not dislike it.

Seeing that Chen Ping actually sucked the clouds of black mist into his body, the wizard was instantly dumbfounded.

Then his face turned pale and cold sweat broke out on his forehead!

He knew that he had met an expert today!

“If you have any other skills, let’s use them together. We won’t have a chance in a while...”

Chen Ping said to the wizard.

The wizard didn’t speak, but glanced outside, then jumped up and rushed outside!

Chapter: 2939

The wizard was originally guarding the door, so he quickly rushed outside!

But just as the wizard rushed outside, he saw a figure flash past, and Chen Ping actually stood in front of him.

The wizard was shocked, and punched Chen Ping, but Chen Ping grabbed him by the collar, and then he flashed back into the room!

Chen Ping dropped the wizard on the ground as if he was carrying a little chicken!

“Spare your life, sir, please spare your life...”

The wizard had a psychological breakdown at this moment. In front of Chen Ping, he was like an ant!

I can only kneel on the ground and beg for mercy loudly!

Duke Ross looked at Chen Ping in surprise. He didn't expect that Chen Ping had such powerful abilities at such a young age.

Da da da.....

There was a chaotic sound of horse hooves, and then hundreds of guards rushed in, surrounding the entire room.

Several sturdy guard captains walked into the room and saluted Duke Ross!

“Catch Hal, the traitor...”

Duke Ross ordered loudly.

But the guard captains did not move, but looked at Hal in surprise.

Hal smiled coldly: "Father, now that they are taking orders from me, why don't you just surrender and capture them?"

"I tell you, not only the guards of the Duke's Palace now obey my orders, but also the royal priests.

"We have a secret base on Ice Bear Island. By then, the entire Bear Country will be under my control..."

Hal's heart was swollen to the extreme at this moment.

"Are you talking about the ruins? Stop dreaming about your Spring and Autumn Dream. The altar has been destroyed, and your priest is already dead by now."

Chen Ping sneered.

Hal's smile instantly froze on his face, and he said with disbelief: "It's impossible, you can't destroy that place."

"Since you don't believe it, there's nothing I can do."

Chen Ping shrugged.

"Don't worry about whether the altar is destroyed or not. Now none of you can escape. If you want to die quickly, then commit suicide..."

Chapter: 2940

Hal has the guards at hand now, so he doesn't panic at all!

"Hmph, with your abilities, you still want us to commit suicide?"

Chen Ping snorted coldly, and then said loudly: “Stop watching the show, let’s do it...”

Chen Ping said a word, and then he heard the sound of fighting outside!

I saw a group of girls charging into the guards one by one with ferocious looks!

Regardless of the uneven strength of these girls, if you really want to deal with these guardsmen, they will be able to capture them easily. It is simply a dimensionality reduction strike!

In less than a minute, there were already people lying outside, all of them wailing!

And Gu Ling’er and a group of girls walked into the room!

Anna simply rushed forward with a smile on her face and no longer afraid.

Hal was stunned. He couldn’t understand how this group of seemingly weak girls could be so powerful!

The guard captains all looked ashen, and they knelt on the ground with a thud.

Begging the Duke of Ross for forgiveness!

“You arrested Hal, I can forgive your crimes...”

Duke Ross said.

He knew that these guard captains were just bewitched.

Upon hearing this, several guard captains took action and arrested Nahal. The wizard did not escape the fate of being arrested!

But Chen Ping didn't even want to ask what fate would be next for Hal!

After staying in the Duke's Mansion for two days, Chen Ping planned to take Gu Ling'er and the others back. Now the strength of the Dragon Slayer Sword was comparable to that of the Martial Saint Weapon, so Chen Ping planned to return to Kyoto and go to the Martial Arts Alliance to verify that Su Yuqi in the dungeon is true or not.

When Chen Ping and the others were preparing to leave, Duke Ross held a grand farewell ceremony for Chen Ping and the others!

After all, without Chen Ping, I don't know what the Duke of Ross's palace would be like!

"Chen Ping, thank you very much for everything you have done for our Duke's Palace. I would like to toast you..."

As Duke Ross said, he drank a glass of vodka in one sip!

Chen Ping didn't show any weakness and drank it in one gulp!

For Chen Ping, there is no difference between wine and water nowadays!
