

The Order 2941

Chapter: 2941

“Chen Ping, what do you think of my daughter?”

Duke Ross suddenly asked Chen Ping.

“Princess Anna is very good, lively and cheerful, and beautiful. Especially her big eyes are very attractive.”

Chen Ping said truthfully.

“Then do you like my daughter?” Duke Ross asked again.

At this moment, Chen Ping was stunned.

Chen Ping didn't know how to answer Duke Ross!

If you say you don't like it, it would be a bit against your will. After all, Princess Anna is very beautiful and open-minded, and she often makes Chen Ping feel itchy!

But if he likes it, Chen Ping has so many women around him now, and sometimes he doesn't understand what he needs.

Seeing that Chen Ping was silent, Duke Ross said: “Chen Ping, my daughter likes you, I can see it. If you can be with my daughter, I can let you stay in the Bear Country.”

“You know my position in the future will be passed on to Anna. Maybe Anna can become the queen in the future.”

“And as Anna’s man, you will receive supreme honor and wealth...”

These words of Duke Ross are a huge temptation for anyone!

It’s a pity that for Chen Ping, he doesn’t care about honor or wealth!

It is even more impossible for him to stay in the Bear Country!

“Thank you Duke Ross for your kindness. I really can’t stay in the Bear Country. I’m sorry...”

Chen Ping politely declined.

Duke Ross sighed and said, “You can’t force feelings. I respect your choice.”

But Anna, who was not far away, was already in tears...

On the plane, Ge Jiayi said to Chen Ping with a hint of fun: “Chen Ping, why don’t you stay and be your consort? Then the whole castle will be yours.”

After listening to Ge Jiayi’s words, other girls also looked at Chen Ping.

“Brother Chen Ping, when the Duke kept you, were you really not tempted?”

Xiao Min also asked.

“I think Brother Chen is just sorry that we are here. If we are not here, he will definitely stay and be his consort.”

Chapter: 2942

“After all, she is a princess.”

Xiaoru also laughed and took Chen Ping to drink.

“What do you two kids know? How could I lose a forest for a tree?”

Chen Ping glanced around the girls and said.

Seeing Chen Ping say this, several people blushed with embarrassment!

On the other hand, Hu Mazi was on the side, crying and saying: “You didn’t lose the forest, but I lost two strong ocean trees...”

As he said that, Hu Mazi almost cried!

Seeing Hu Mazi like that made everyone laugh.

When he returned to Kyoto, Chen Ping immediately found Long Wu and asked if the Martial Arts Alliance had taken any action during this period!

However, Chen Ping did not find Long Wu, but saw that Long Xingxu had returned from Penglai Island.

“Xingxu, why did you come back from Penglai Island?”

Chen Ping asked strangely.

According to Chen Ping’s speculation, it is impossible for Long Xingxu and the others to reach the realm of Wuhou so quickly.

“Brother Chen Ping, Penglai Island is no longer suitable for cultivation. Frequent phenomena have occurred during this period, and many people have died on Penglai Island.”

“Although Nadu Nan kept issuing decrees, many people still left Penglai Island.”

Long Xingxu followed Chen Ping and explained.

“Vision? What vision?”

Chen Ping looked surprised.

“Penglai Island sometimes doesn’t see the sun for three days and is always in the dark. Sometimes it’s always bright and never sees the night.”

“Moreover, earthquakes and tsunamis occur frequently. Within a few dozen miles of Penglai Island, there are huge waves.”

“But it was calm outside, as if something was targeting Penglai Island and deliberately driving away the people on the island.”

“By the way, there are also some monsters emerging from the sea and attacking the residents of the island!”

When Long Xingxu was introducing Chen Ping, his expression changed slightly, which showed how terrifying the things they encountered on Penglai Island were.

“How did that happen?”

Chapter: 2943

Chen Ping frowned and couldn’t figure out why.

Is it because he took the blood demon body away from Penglai Island?

After thinking for a long time, Chen Ping couldn't come up with any clues, so he simply stopped thinking about it.

The Penglai Island matter will be discussed later. What he has to deal with now is the Martial Arts Alliance.

He wanted to see if Su Yuqi, who was imprisoned in the Martial Arts Alliance, was his true form!

"Let's forget about Penglai Island for now. Has the Martial Arts Alliance taken any action during this period?"

Chen Ping asked.

Long Xingxu shook his head: "That's not true, but during this period, many martial arts families have returned to the martial arts alliance."

"Then don't worry about it. You just need to write down these trivial families."

Chen Ping knew that as soon as the strength of the martial arts alliance increased, there would definitely be martial arts families trying to please it.

In any era, there are people like this.

"Brother Chen Ping, what are you going to do about the Martial Arts Alliance? Do you need me to gather people now?"

Long Xingxu asked Chen Ping.

“No, since many families have returned to the Martial Arts Alliance, I will show them that the Martial Arts Alliance is just a paper tiger.”

“Go and declare a challenge to the Martial Arts Alliance. Just say that I want to challenge the Martial Arts Alliance, so that anyone from the Martial Arts Alliance can fight.”

“Even if their martial arts alliance attacks together, I will continue.”

“Remember, make this event bigger. As long as I am still alive, I will make life difficult for the Martial Arts Alliance.”

Chen Ping decided to publicly slap the martial arts alliance in the face.

Now the Dragon-Slaying Sword in his hand is already comparable to the Martial Saint Weapon, and even surpasses the Martial Saint Weapon.

Moreover, Chen Ping also has the body of a blood demon, which is comparable to the strongest shield.

As long as he uses these two things well, Chen Ping is confident that he can destroy the people in the martial arts alliance.

“Okay, I’ll do it right away...”

Long Xingxu nodded.

Chen Ping went to rest. Knowing that Chen Ping was back, many people wanted to see Chen Ping, but Chen Ping didn’t see anyone!

Chapter: 2944

At this moment in the Martial Arts Alliance, the news of Chen Ping’s return was also immediately known to the people of the Martial Arts Alliance!

Seven people in black and silver robes were sitting on both sides, and in the main seat was Ning Zhi, who looked arrogant!

At this time, Ning Zhi was still wearing black copper robes, but when the seven men in black silver robes saw Ning Zhi, they all lowered their heads slightly!

Seeing the attitude of the seven men in black and silver robes towards him, Ning Zhi's heart felt so swollen at this moment!

"Then Chen Ping is back, have you thought of a way to deal with it?"

"You must know that when Chen Ping comes back, he will definitely cause trouble for the martial arts alliance, and now the great leader really wants to get that kid's body. You must find a way as soon as possible."

Ning Zhi said in a condescending tone.

"Magic Envoy, the seven of us will capture Chen Ping as soon as possible. With just seven of us brothers and two sacred weapons, Chen Ping is no match for him."

The boss stood up and said respectfully to Ning Zhi.

Although Ning Zhi is young, and although Ning Zhi was just a black-copper-robed man at the beginning, there is nothing he can do about it. Who made the demon envoy take a fancy to Ning Zhi's body? Now Ning Zhi has become a demon envoy, and they, those in black and silver robes, must be respectful. Listen!

"Okay, three days, I only give you three days. If you can't catch Chen Ping after three days, you can wait to be punished."

After Ning Zhi finished speaking, he saw a black mist filling the air, and then Ning Zhi's body disappeared.

“Bah, what the hell? Why did the Demon Envoy fall in love with this guy’s body?”

A man in black and silver robe spat hard, obviously unconvinced.

“Lao Wu, don’t talk nonsense. The devil’s actions are not something you and I can discuss. Think carefully about how to catch Chen Ping within three days.”

The boss said with a sad look on his face.

Although the seven of them join forces and add the martial arts weapon, it is not difficult to catch Chen Ping!

But Chen Ping is the leader of the Dragon Gate Sect, and now the entire Dragon Gate’s forces are spread throughout Kyoto. In addition, Chen Ping has connections with the official Mr. Shi. If they forcefully arrest Chen Ping, they will definitely encounter great resistance!

If you want to catch Chen Ping without causing turmoil in the entire Kyoto martial arts world, you need to find a way to get the best of both worlds.

“Brother, can’t we just use Chen Ping’s girlfriend to lure Chen Ping here?”

A man in black and silver robe said.

“No, this method has been used on Chen Ping a long time ago. This guy probably won’t be fooled. He also knows that none of us would really dare to kill his girlfriend.”

The boss shook his head.

“Brother, why don’t we stand guard and arrest Chen Ping as soon as he appears?”

Chapter: 2945

The third child said.

“Third brother, do you think that Chen Ping is an ordinary person and we will arrest him as soon as we reach out? There will definitely be a fight. If it causes a riot, many people will die. Do you think the officials will just sit back and watch? Does it make sense?”

“And the great power has told me not to go against the official until the spiritual energy is revived.”

Lao Liu reminded.

“Then what should we do? This won’t work, and that won’t work. Are we just going to wait for Chen Ping to come to us?”

Lao Wu shouted a little irritably.

But at this moment, there was a loud noise at the door of the Martial Arts Alliance, and the boss said: “Lao Wu, go out and take a look...”

Lao Wu nodded and walked out!

At this time, at the gate of the Martial Arts Alliance, two guards stopped Long Xingxu.

“This is an important place for the martial arts alliance. No one is allowed to enter without a reservation...”

A guard yelled at Long Xingxu angrily.

Long Xingxu looked at the guard and smiled coldly: “The martial arts alliance is about to be destroyed, and you are still here being a dog?”

“How much benefit has the Martial Arts Alliance given you? Come to our Dragon Gate to see the gate, and I will give you double the amount.”

“How dare you say something rude? Believe it or not, we will take you down now and put you in the dungeon.”

The guard guarding the door said angrily.

“It’s just you? I can knock you down with just one hand. The martial arts alliance is really bad. We can’t even look at the gate to find anyone with strength.”

Long Xingxu’s eyes were full of disdain.

“You are really looking for death.”

The guard couldn’t help it anymore and punched Long Xingxu.

In fact, the strength of this guard is not low. Judging from the strength of Wu Zong, it is already very good.

This punch also hit Long Xingxu’s head with a terrifying wind. If it hit, his brain would burst on the spot!

Long Xingxu’s eyes narrowed slightly. He didn’t expect that after a few words, the other party would actually kill him!

Also throw a punch!

Bang...

Chapter: 2946

The two fists collided, and the guard flew out instantly, while Long Xingxu did not move at all!

When the other guard saw this, he was so frightened that he didn't know what to do.

Long Xingxu snorted coldly and walked in swaggeringly, but the guard didn't dare to stop him!

Long Xingxu walked up to the downed guard, saw that the guard was about to get up, and then stepped down.

Plop!

The guard fell to the ground again!

"Are you still crazy?"

Long Xingxu looked at the guard coldly and asked.

"No... stop being crazy, I was wrong..."

The guard began to beg for mercy.

"If I hadn't come here to send you a battle note today, your nickname would have been gone long ago!"

Long Xingxu snorted coldly, then raised his feet and walked towards the martial arts alliance.

But just as Long Xingxu walked into the Martial Arts Alliance, a terrifying force suddenly struck and hit Long Xingxu directly.

Long Xingxu's heart trembled, and he quickly retreated and quit the martial arts alliance!

“Da Wuhou?”

Long Xingxu could feel that the terrifying aura just now was coming from a Dawuhou.

“Boy, who are you? You dare to come to our martial arts alliance and act wild. I think you are tired of living.”

Lao Wu said angrily when he saw that Long Xingxu dared to attack their guards.

Long Xingxu took a look at Lao Wu and found that he was wearing a black robe. He immediately understood that his identity was not simple in the martial arts alliance.

“I am Long Xingxu, the deputy sect master of Longmen. I am here today to give you a warning.”

As Long Xingxu said this, he took out a gilt war card in an instant!

The battle post was like a sharp blade, heading straight towards Lao Wu!

Lao Wu just pinched the war post with his fingers!

“War post? Whose war post?”

Chapter: 2947

Lao Wu asked.

“Our sect leader will have an appointment with people from your martial arts alliance at noon tomorrow. Your martial arts alliance can go out to fight as many as you like.”

“We are going to beat your martial arts alliance to the point of calling you daddy in front of many martial arts families...”

Long Xingxu smiled coldly.

At this time, Long Xingxu was blindly worshipping Chen Ping. He felt that as long as Chen Ping wanted to do it, there was nothing he couldn't do.

“Bastard thing...”

Lao Wu was immediately furious and clapped out with his palm!

When Long Xingxu saw this, he suddenly jumped up, but was still hit by the wind of his palm. He stepped back a few steps, and his blood boiled!

“Old guy, if you have the ability, fight with our sect leader. How can you bully me, a messenger?”

Although Long Xingxu knew that he was no match for the opponent, he did not show any weakness at all!

Lao Wu opened the battle card, looked at it, and said with a sneer: “Our martial arts alliance will definitely attend the appointment tomorrow, so let your sect leader wait for death.”

Lao Wu took the battle ticket and walked back to the Martial Arts Alliance, and Long Xingxu also left!

“Brother, big brother, this is such a good thing...”

As soon as he entered the door, Lao Wu started shouting.

After all, they were all worried about how to catch Chen Ping, but they didn't expect that Chen Ping would come to their door in person.

“What’s wrong?”

the boss asked.

“Brother, look, Chen Ping actually dares to challenge us directly. This evil move just saves us trouble.”

Lao Wu excitedly handed the battle ticket to the boss.

The boss looked at the battle post and laughed loudly: “Since Chen Ping is seeking death himself, he can’t blame us. After tomorrow, the symbols on the black robes of the brothers will be replaced by gold.”

.....

Dragon Gate!

Long Xingxu followed Chen Ping back to life and sent out the battle invitation.

“Brother Chen Ping, let’s go with more people tomorrow. If there is any accident, we can easily deal with it.”

Chapter: 2948

Long Xingxu was afraid that Chen Ping would suffer in the ring!

“No, you still have your things to do.”

Chen Ping said calmly.

Long Xingxu was stunned: “Brother Chen Ping, what are we doing?”

During the competition tomorrow, you take people to bring the Martial Arts Alliance to me, and directly occupy the Martial Arts Alliance.

From now on, martial arts alliances will never be allowed to appear in Kyoto.

When Long Xingxu heard this, he immediately said excitedly: "No problem, I'll make arrangements right away..."

Taking over the Martial Arts Alliance and occupying the Martial Arts Alliance was a feat.

If this spreads out, it will definitely go down in history!

Shortly after Long Xingxu left, Hu Mazi found Chen Ping, which surprised Chen Ping!

"Master Hu, you are not in Wenrou Village at this time. Why are you here?"

Chen Ping asked strangely.

"Chen Ping, there is someone who wants to see you..."

Hu Mazi said.

"No, I told you not to see anyone today. I won't see anyone."

Chen Ping shook his head.

"No, you must see this person. If you don't, I will break up with you..."

Hu Mazi said with a serious face.

Chen Ping was stunned for a moment and looked at Hu Mazi in disbelief.

“Master Hu, is this person a relative of yours?”

Chen Ping didn't understand why Hu Mazi insisted on letting him see this person.

“Don't worry, you must meet today, otherwise I won't recognize you.”

Hu Mazi looked determined!

Seeing Hu Mazi like this, Chen Ping could only nod helplessly: “Okay, I still want to give Master Hu this face. You go and call people in.”

Chapter: 2949

When Hu Mazi heard this, he immediately laughed and ran out!

Soon, Hu Mazi came back and brought a woman with him!

When Chen Ping saw this woman, he understood instantly.

It turned out that this woman was none other than Zhou Jie from the Demon Spirit Sect. Hu Mazi had a flattering look on her face and her eyes were fixed on Zhou Jie's legs!

Seeing this, Chen Ping almost couldn't help laughing!

“Mr. Chen is really busy. It's really hard to see you. You have to rely on connections and go through the back door...”

Zhou Jie saw Chen Ping and smiled lightly.

“Miss Zhou misunderstood. I just have something important tomorrow, so I want to rest more today.”

Chen Ping explained.

“For the purpose of competing with the Martial Arts Alliance?”

Zhou Jie said with a smile.

At this moment, Chen Ping was stunned for an instant, and the smile on his face disappeared instantly.

Because of this, Chen Ping didn't tell anyone, and no one knew about it except Long Xingxu!

But this time Zhou Jie found out, which made Chen Ping feel terrible!

“Competition, what competition?”

Hu Mazi was still confused. He didn't know that Chen Ping was going to officially compete with the Martial Arts Alliance.

“We agreed that you shouldn't interrupt, and if you interrupt, get out...”

Zhou Jie glared at Hu Mazi and said.

Hu Mazi quickly shrank his head: “Okay, okay, I won't ask anymore...”

Seeing Hu Mazi's cowardly look, Chen Ping was speechless for a while. This was directly taken advantage of by the woman.

Chen Ping looked at Zhou Jie coldly and asked, "How did you know? This is something I just decided and it hasn't been announced to the public yet..."

Chen Ping didn't believe that Long Xingxu would tell Zhou Jie about this. Since it wasn't Long Xingxu, it must be someone from the Martial Arts Alliance.

"What do you think?"

Zhou Jie smiled lightly.

Chapter: 2950

"You have arranged your own people within the martial arts alliance, right?"

Chen Ping asked.

Because only in this way can Zhou Jie know about this matter so quickly, as well as about Su Yuqi. This should be the secret of the Martial Arts Alliance, but the Demon Spirit Sect actually knows it, which proves that they must have someone in the Martial Arts Alliance!

And this person must have a high status, otherwise it would be impossible to know these secrets!

Zhou Jie smiled, neither admitting nor denying, because now she and Chen Ping have not reached a cooperation, so there are some things that Chen Ping cannot know.

"Tell me, what do you want from me?"

Since Zhou Jie took advantage of Hu Mazi's relationship to see him, there must be something going on.

"Our sect master admires you very much, so we want to invite you to the Demon Spirit Sect to show you the strength of our Demon Spirit Sect."

Zhou Jie said.

“I don’t have time these days...”

Chen Ping shook his head.

“I know, so I’m not in a hurry here. When you kill those people from the Martial Arts Alliance and know the secrets of the Martial Arts Alliance dungeon, you will naturally believe us.”

Zhou Jie said calmly.

“Are you so sure that I can defeat those from the Martial Arts Alliance?”

Chen Ping looked at Zhou Jie in confusion. He didn’t understand how Zhou Jie could have so much confidence in him!

“Of course, you will win...”

“Don’t forget the agreement we made after victory. Follow me to the Demon Spirit Sect. Then you will know more secrets you want to know.”

After Zhou Jie finished speaking, she turned around and walked out!

Hu Mazi followed closely behind him, his eyes fixed on Zhou Jie’s legs, and his breathing became rapid.

If Zhou Jie hadn’t been too strong, Hu Mazi might have been unable to bear it and would have pounced on him long ago.

“Miss Zhou, can I go to the Demon Spirit Sect together?”

Hu Mazi followed behind the Zhou family and asked with a flattering look on his face.

“You have to ask Mr. Chen about this. If he agrees, our Demon Spirit Sect has no objection!”

After Zhou Jie finished speaking, she glanced at Hu Mazi with a meaningful look, and then left.
