

## **The Order 2951**

Chapter: 2951

Feeling Zhou Jie's gaze, Hu Mazi trembled all over and jumped up excitedly.

"My heart is almost drunk. Is this what it feels like to be in love?"

Hu Mazi covered his beating heart, completely intoxicated.

Chen Ping walked out and could only roll his eyes when he saw Hu Mazi like that.

Everyone has their own weaknesses, and maybe Hu Mazi's weakness is women.

Chen Ping asked Long Xingxu to spread the news about following the martial arts alliance to fight!

Soon, the entire martial arts alliance became lively.

"It's so awesome. Chen Ping actually challenges the Martial Arts Alliance again, and this time people from the Martial Arts Alliance can join him."

"Then Chen Ping disappeared for a while and became so high-profile when he came back. Will he get any inheritance?"

"You must know that the Martial Arts Alliance has seven great Martial Lords, and they also have two Martial Saint Weapons in their hands. Even if Chen Ping really gets the inheritance, he will not be his opponent at all."

"Just wait and see, then Chen Ping will definitely lose, let's place a bet."

The martial arts forum began to place bets on Chen Ping to compete with the martial arts alliance!

It's just that many people are buying Martial Arts Alliance to win!

After all, the Martial Arts Alliance now has seven great Martial Lords, and there are two Martial Saint Weapons, so Chen Ping has no chance of winning.

But since Chen Ping dared to issue a challenge, he must have his own plans, and he might become a dark horse.

Therefore, there are also people who buy Chen Pingsheng, but compared to the martial arts alliance, there are still only a few people who buy Chen Pingsheng. This proves that these people do not have high expectations for Chen Ping's strength.

.....

Within the Martial Arts Alliance!

Seven people in black and silver robes gathered together and watched Chen Ping publicize this matter with great fanfare. They felt that Chen Ping must have some conspiracy!

"Brother, if Chen Ping dares to provoke our martial arts alliance in such a big way, is he being deceitful?"

Lao San asked.

"I feel something is wrong. He is only as strong as the Great Wuhou. How dare he challenge seven of us? What's more, we still have two martial arts weapons in our hands, so Chen Ping is obviously bound to lose."

"Who is his purpose for doing this? It's not a scam, right?"

Lao Wu also felt that Chen Ping had some intentions!

Chapter: 2952

“Whether it’s a scam or not, since Chen Ping has publicized this matter, our Martial Arts Alliance must take over.”

“And the magic envoy only gave us three days. We must catch Chen Ping.”

“And in the face of absolute strength, all strategies are in vain.”

There was coldness in the boss’s eyes.

“Brother, I have a note. No matter what Chen Ping’s plan is, we can make him lose control.”

At this time, the second child spoke.

“What’s the plan?”

When the boss heard this, he suddenly became interested and asked.

Then the second child spoke carefully in the boss’s ear.

After hearing this, the boss raised his lips and said, “That’s it, you go and do this...”

The second child nodded and then left!

Soon, the second child walked into the dungeon and came to the place where Su Yuqi was imprisoned!

Looking at Su Yuqi in front of him, the second child showed a bit of a sneer on his face.

Su Yuqi looked at the guy in front of her and frowned slightly, because she sensed danger from this guy!

Even though Su Yuqi has been locked up here for so long, she has not suffered any abuse or beating!

After all, Su Yuqi's blood is a superior cultivation resource. Without great power, who would dare to attack Su Yuqi!

But now, the second child looked at Su Yuqi with a deep coldness in his eyes!

After opening the cell door, the second brother directly tied Su Yuqi's hands and feet with chains!

This time, Su Yuqi panicked!

Su Yuqi glared at the second son. If he dared to violate her, Su Yuqi had already thought about it. She would rather bite her tongue and kill herself than let Chen Ping be sorry.

But the second guy didn't do anything to Su Yuqi. Instead, he took out a whip made of tiger tendon and started beating Su Yuqi!

The severe pain made Su Yuqi grit her teeth!

Seeing Su Yuqi like that, the second child took out his mobile phone and actually filmed it!

It clearly recorded that Su Yuqi was beaten and was covered in injuries.

Chapter: 2953

After the second child got tired, he let Su Yuqi go, and then left with satisfaction!

After walking out of the dungeon, the second child posted the video he had just recorded directly to the martial arts forum!

Soon, this video aroused heated discussion. Many people were scolding the martial arts alliance for being too domineering and even beating women!

But there were more people scolding Chen Ping, calling him a scumbag who didn't care about his girlfriend's life or death.

"Brother Chen Ping..."

Long Xingxu walked to Chen Ping's room, seeming to have something to say.

"What's wrong?"

Chen Ping asked.

Long Xingxu lowered his head, not knowing what to say to Chen Ping.

Chen Ping frowned: "If you have something to say, just say it, if nothing happens, just get out..."

"Don't forget that you are now the deputy sect leader of Longmen. Thousands of people are following you, so don't worry about anything."

Seeing that Chen Ping was angry, Long Xingxu hurriedly handed over his phone and said, "Brother Chen Ping, take a look at the video above. It was just posted by the Martial Arts Alliance."

Chen Ping took the mobile phone. The picture above showed Su Yuqi being tied up. A man in black robe was beating Su Yuqi continuously with a whip.

And while fighting, he also provoked Chen Ping!

"Chen Ping, I know you will definitely be able to see this video. You can't even protect your girlfriend, and you dare to challenge our martial arts alliance."

“Bah, don’t look at your own virtues. Any one of us can kill you.”

“Now let me show the people in the martial arts world that you brag all day long, but you can’t even protect your own girlfriend.”

As he said that, the whip hit Su Yuqi hard again.

Su Yuqi gritted her teeth tightly without making any sound, her eyes were full of anger!

After seeing this scene, Chen Ping’s body was trembling and his teeth were clenching.

Terrifying murderous intent instantly burst out from Chen Ping.

“Martial Arts Alliance, I want to kill all of you...”

Chen Ping suddenly crushed the phone in his hand, his eyes turned scarlet red!

The power in Chen Ping’s body was constantly wandering around, and he seemed to be going crazy. His anger had made Chen Ping lose his mind.

Chapter: 2954

Feeling the aura on Chen Ping’s body, Long Xingxu was trembling all over!

Chen Ping stood up and said to Long Xingxu: “Gather everyone in Longmen, I will make sure that there is no living person in the Martial Arts Alliance...”

“Brother Chen Ping, tomorrow we will officially compete with the Martial Arts Alliance. The battle invitations have been sent out. If we take action now, I am afraid that in the martial arts world...”

“Shut up, I will let everyone in the martial arts alliance die now.” Before Long Xingxu could finish speaking, Chen Ping roared angrily: “In addition, I would like to inform all the families in the martial arts world that anyone who joins the martial arts alliance is the enemy of our Longmen. You will be retaliated by my dragon gate.”

Seeing this, Long Xingxu nodded and said, “Okay, I’ll go right away.”

After Long Xingxu left, Chen Ping walked out of the room, raised his head and roared!

“ah.....”

The huge roar spread across a dozen miles in an instant, and the golden light on Chen Ping’s body kept flashing, and the terrifying aura swept over him like a tsunami.

The indestructible golden body was activated, and golden scales covered Chen Ping’s body, and the Dragon-Slaying Sword also appeared in Chen Ping’s hand!

Chen Ping can’t stand it anymore. He wants to kill all the guys in the Martial Arts Alliance now, leaving no one behind...

“If the Martial Arts Alliance is not destroyed, I, Chen Ping, swear that I will not be a human...”

Chen Ping roared!

The bright golden light made many people look around.

Hu Mazi, Gu Ling’er, Long Wu and others also felt the anger in Chen Ping, and they all came running!

They all also saw the video on the martial arts forum, and everyone was filled with indignation!

Looking at Chen Ping’s eyes that were scarlet because of anger, everyone showed distress.

They knew how uncomfortable Chen Ping would be at this moment!

“Mr. Chen, if you mess up your mind at this time, it will be exactly what the Martial Arts Alliance wants, so you should think twice.”

Zhou Jie came and persuaded Chen Ping.

“Yes, Chen Ping, you need to calm down. The Martial Arts Alliance released this video at this time, obviously to stimulate you. As long as you are angry, your mind will definitely be messed up.”

Long Wu also persuaded Chen Ping.

“I’ve said it before, it’s just an image, not your real girlfriend, so if you think about it, your girlfriend didn’t suffer a severe beating.”

Zhou Jie was still persuading Chen Ping.

At this moment, Chen Ping’s violent aura was slowly calming down, and he was silently reciting the Qingxin Mantra in his heart!

Chapter: 2955

“I know, I won’t mess up my mind.” Chen Ping nodded: “But this time I won’t destroy the Martial Arts Alliance, and I won’t give up.”

Although Chen Ping did not go to the Martial Arts Alliance to cause trouble, the families who joined the Martial Arts Alliance were all in bad luck!

In just one night, Longmen went out and wiped out more than a dozen aristocratic sects!

They all joined the Martial Arts Alliance, and some lucky ones immediately announced their withdrawal from the Martial Arts Alliance when they saw something was wrong!

For a time, everyone in the martial arts world changed their minds when talking about the martial arts alliance. No one dared to mention the martial arts alliance again, let alone join it!

Even many staff members in the Martial Arts Alliance resigned, and even the guards at the door ran away!

Originally, the Martial Arts Alliance wanted to use this method to stimulate Chen Ping and make Chen Ping mentally confused, so that they could deal with him easily.

Unexpectedly, in just half a day, the Martial Arts Alliance was isolated!

Except for their seven black and silver robes, there are only a dozen people left in the entire martial arts alliance.

At noon, it's time for competition!

The martial arts arena in the suburbs was already crowded with people.

Originally, the Martial Arts Alliance wanted to make a high-profile appearance, but now there are only a dozen people left, so how can they make a high-profile appearance?

With no choice but to go to the martial arts arena alone, the seven men in black and silver robes left the dozen or so people looking after the martial arts alliance!

Just as the seven black and silver robes left the martial arts alliance, Long Xingxu immediately rushed in with his men!

Killing everyone on sight, everyone in Longmen has endless anger towards the people in the Martial Arts Alliance!

More than a dozen people from the Martial Arts Alliance were quickly slaughtered, and Long Xingxu successfully occupied the Martial Arts Alliance!

And they smashed all the plaques and replaced them with Longmen's brand!

It's just that the seven black and silver robes don't know it yet, and they are on their way to the martial arts field.

Chen Ping stood alone on the ring quietly, waiting for the people from the Martial Arts Alliance.

Although Chen Ping was the only one on the stage, everyone felt Chen Ping's aura as if he had thousands of troops!

"I want to change my bet. I want to bet on Chen Pingsheng..."

"The aura of Chen Ping is indeed different from other great Wuhou."

"This competition will definitely be exciting. I want to watch it carefully."

Everyone looked at Chen Ping on the stage and started talking!

Chapter: 2956

"The people from the Martial Arts Alliance are here..."

At this moment, seven men in black and silver robes slowly walked over and then went up to the ring!

Seeing all seven great Wuhou from the Martial Arts Alliance appear, everyone stopped talking and looked at the ring quietly!

At this time, in a corner under the ring, a man also wearing a black robe with his face covered was staring at the ring!

This person is none other than Ning Zhi, and Ning Zhi at this time is no longer completely himself.

“These idiots wanted to anger Chen Ping and make him confused. Now it seems that it has the opposite effect.”

Ning Zhi spoke slowly.

“Observe carefully. When the time comes, you will have a fight with Chen Ping.”

In Ning Zhi’s mind, the voice of the devil appeared.

“Master Demon Envoy, do you think that seven men in black and silver robes, plus two sacred weapons, can’t catch Chen Ping?”

Ning Zhi asked in surprise.

“Not necessarily, but Chen Ping dares to challenge the martial arts alliance and looks calm and composed. It seems that he is well prepared.”

The devil said.

“If the seven men in black and silver robes are defeated at that moment, should we take action?”

Ning Zhi asked.

“No, your task now is to increase your strength as quickly as possible. It won’t take long, and it will be of great use.”

The demon said hoarsely.

Ning Zhi nodded. Although he didn't know how useful he could be, since the demon envoy said so, it seemed that his future was limitless.

On the ring, Chen Ping was alone with seven black and silver robes from the Martial Arts Alliance facing each other!

The boss slowly took a step forward, and then looked at Chen Ping!

Chen Ping also looked at the boss in the black and silver robe, his eyes full of murderous intent!

The two people began to exude aura, and the auras swept across like ocean waves, constantly impacting each other!

It's obvious that the boss is testing Chen Ping's background!

boom.....

Chapter: 2957

With a loud noise, Chen Ping took three steps back, but the boss in black and silver robes did not move at all!

Everyone in the stands was a little surprised when they saw this!

If Chen Ping couldn't even deal with a black-silver robe, how could he challenge the entire martial arts alliance?

If seven people had joined forces, Chen Ping wouldn't have been turned into a scumbag!

The boss showed disdain in his eyes and smiled coldly: "With this little ability, how can you find the courage to challenge our martial arts alliance?"

"Don't think how powerful your dragon gate is. In the face of absolute strength, I can disband your dragon gate in minutes."

"If you just admit defeat obediently and come with us, I can let you leave with dignity!"

"If you persist, I won't mind beating you like a dead dog and dragging you away."

The boss threatened Chen Ping. The previous test doubled his information.

"Are you so confident that you can beat me?"

Chen Ping smiled lightly.

"This is not confidence, but strength. If seven of us attack at the same time, you won't even be able to see the bones."

The boss raised his mouth slightly, his eyes full of disdain and contempt!

"Then let the seven of you do it together. Since I want to challenge your martial arts alliance, of course I will let the seven of you do it together and kill them one by one. I think it is a waste of time..."

Chen Ping said coldly.

Upon hearing Chen Ping's words, all seven men in black and silver robes were stunned.

They didn't expect that Chen Ping would dare to let the seven of them do it together in front of so many people.

This is simply too arrogant and disrespectful of them.

“Chen Ping, you little brat, you simply don’t know how high the sky is, you are so arrogant...”

The black and silver robed Lao Wu roared at Chen Ping.

However, the boss did not get angry, but with a sneer on his face: “Chen Ping, I have seen your little trick a long time ago. Don’t you just want the seven of us to do it at the same time? Even if you lose, you can also say that we bully you because of our strength in numbers.”

“Furthermore, our martial arts alliance does not respect martial ethics. If there are more people bullying you, I will not give you this chance. I can deal with you alone, which is enough...”

After the boss had just tested, he felt that he had no problem dealing with Chen Ping. With the martial arts weapon in hand, it would be easy to defeat Chen Ping!

“You mean you want to fight me one on one?”

Chapter: 2958

Chen Ping asked calmly.

“Of course, one of us is enough, why do we need seven people to do it?”

The boss nodded.

“Okay, I hope you won’t regret it.” Chen Ping nodded, and then said, “But I have a request.”

“You can tell...”

The boss nodded.

“Can I choose one of the seven of you to compete with me?”

Chen Ping asked.

The boss in black and silver robes was slightly startled: “Do you want to choose the one with the weakest strength among us? But I advise you to put away this little idea, because our brothers are equally matched in strength. Whoever you choose will be the same.” Same fate.”

But Chen Ping shook his head: “I just want one person to die first...”

“Okay, who do you choose?” asked the boss.

Chen Ping’s eyes swept across several people, and then his eyes fell on the second man in black and silver robes.

“it’s him.....”

Chen Ping’s eyes were filled with murderous intent.

Because from the video, Chen Ping could clearly see that it was this guy who beat Su Yuqi.

The boss glanced at the second child, then smiled coldly and said: “Second brother, this guy has chosen you, are you sure?”

“Brother, I will take down this kid within ten moves.”

The second child in black and silver robes was full of confidence. The boss had just tested Chen Ping, and he had already seen Chen Ping’s strength.

“Okay, then you take action, but be careful not to kill him...”

The boss warned.

Because Chen Ping’s body is needed, if Chen Ping dies, it will be a corpse, and the value of the body will be greatly reduced!

“I see.....”

The second child nodded, then stepped forward, pointing a long sword at Chen Ping.

“Boy, your little girlfriend is so skinny and tender. She really resisted being beaten. She didn’t even say a word. I believe you have also seen the video, right?”

Chapter: 2959

The second brother stepped forward and verbally provoked Chen Ping!

Chen Ping’s pupils suddenly shrank, and his whole body was filled with murderous intent!

“Today I will let you know what regret is...”

After Chen Ping finished speaking, the Dragon-Slaying Sword slowly appeared in his right hand!

The moment the Dragon-Slaying Sword was released, everyone seemed to feel the strong fighting spirit and bloody murderous aura emanating from the Dragon-Slaying Sword!

Chen Ping has already become one with the Dragon-Slaying Sword Human Sword. The anger in Chen Ping’s heart can also be truly felt by the sword spirit of the Dragon-Slaying Sword.

Therefore, the dragon-slaying sword at this moment was already thirsty and wanted to drink up the opponent's blood.

Seeing the Dragon-Slaying Sword in Chen Ping's hand, the long sword in the old man's hand trembled slightly, as if he was scared!

"Boy, take the move..."

Upon seeing this, the second child rushed directly towards Chen Ping.

If he didn't take action, he was afraid that he would also feel cowardly in his heart.

When fighting, the most taboo thing is to be timid towards the opponent, otherwise you will become very passive!

Obviously, the second man in black and silver robe also understood the reason, so he took the lead.

The long sword in his hand stabbed Chen Ping straight, and the sword energy was like Li Xuan's arrow, whistling in the air!

Chen Ping was unhurried. He waved the dragon-slaying sword lightly in his hand, and a surging sword energy enveloped the second child directly!

With Chen Ping's swing, the sword energy hit the second man like a wave.

But the sword energy emitted by the black and silver-robed man was sharp and concentrated, and it instantly pierced through the wave-like sword energy in front of Chen Ping!

The whistling sound came instantly, but Chen Ping's expression remained unchanged, and his indestructible golden body suddenly erupted,

A golden light instantly enveloped Chen Ping's body. At this time, Chen Ping was like a warrior in golden armor!

The second child's sharp sword energy struck Chen Ping, and bursts of fire broke out instantly. Apart from damaging a few scales on Chen Ping's indestructible golden body, Chen Ping did not suffer any other damage!

The second child's face was startled, and he looked at Chen Ping in disbelief, but just when he was shocked, Chen Ping's wave-like sword energy had already arrived in front of him!

The second child hurriedly backed away, and at the same time, he waved the long sword in his hand and waved sword flowers, trying to resist Chen Ping's sword energy!

But the sword flowers on the second child were like a lone boat, shattered to pieces in an instant under Chen Ping's wave-like sword energy.

The second child also seemed to feel the devastation of the violent storm. He fell heavily to the ground, and his clothes were torn to pieces by the sharp sword energy, like a beggar.

Chapter: 2960

"Is this all you have?"

Chen Ping looked at the second child who fell on the ground coldly, and said with a gloomy expression.

Everyone was shocked when they saw this scene. Chen Ping actually made the opponent fall to the ground with one strike of his sword!

You must know that just now several black and silver robes from the Martial Arts Alliance were still swearing that Chen Ping could be taken down by one person.

Especially the boss in black and silver robes, it felt like he was slapped in the face at this moment, and he was slapped in the face in front of everyone!

“Second brother, please step back...”

The boss said to the second child.

But at this time, the second child had already fallen into madness. After getting up, he glared at Chen Ping: “I must take him down today...”

Soon, a faint black mist began to emit from Lao Er’s body, and a black figure seemed to be walking around Lao Er, and finally slowly followed Lao Er’s body and overlapped it.

At this time, the second child’s face was full of ferocity, and the aura on his body began to change, and he became a little stronger.

“Boy, go to hell...”

The second child roared angrily, and the long sword in his hand instantly turned into a complete sword shadow, shrouding Chen Ping!

At this time, the entire arena seemed to be shrouded in the shadow of the sword!

Looking at the second child rushing towards him, Chen Ping snorted coldly, with murderous intent bursting out of his eyes!

Immediately afterwards, the dragon-slaying sword in his hand slowly passed through the air, and Chen Ping’s figure instantly split into two, and then split into four...

The Nine Shadows Sword Technique was instantly displayed on Chen Ping!

I saw several figures of Chen Ping, like ghosts, instantly approaching the second man in black and silver robes!

The second's expression changed drastically, and he swung the long sword in his hand towards Chen Ping, and thousands of sword shadows also struck Chen Ping's body at the same time.

But after a loud explosion, what was blown away by the dick just now was just a shadow of Chen Ping!

Just when Lao Er was about to take action again, he felt a sharp sword light coming from him!

“ah.....”

There was a shrill scream, and the arm holding the sword flew into the air in an instant!

The second's entire arm was cut off, and blood spurted out instantly!

An arm was chopped off, but Chen Ping was not satisfied!
