

The Order 2981

Chapter: 2981

Gu Ling'er looked at Chen Ping, she knew that Chen Ping must have a way.

“Ling'er, please step back...”

After Chen Ping finished speaking, light shone faintly on his palms, and then he pressed lightly on the cell door!

Soon, the entire cell was filled with light, and runes flashed around it, constantly rotating around the cell!

This is the magic circle that controls the entire cell. As long as the magic circle appears, Chen Ping can find the center of the magic circle!

Chen Ping carefully searched for the eyes of the magic circle among the complicated runes!

boom.....

Chen Ping suddenly took action and punched a certain part of the magic circle!

This punch caused the entire dungeon to tremble, and Chen Ping was knocked out by the huge counter-shock force, but the magic circle remained intact.

This proves that Chen Ping's search for the formation is wrong.

Chen Ping did not give up, still searched carefully, and then punched again!

This time, the result was the same, Chen Ping's body was shot away!

After trying it a dozen times in a row, Chen Ping was already sweating profusely and there was blood flowing from the corner of his mouth!

“Chen Ping, don’t try again, don’t try again...”

Su Yuqi persuaded Chen Ping that if he continued to try like this, Chen Ping would be shocked to death by the magic circle.

“Try again, try again...”

Chen Ping gently touched the cell door with his hands again, and the magic circle appeared with flashing light!

This time, Chen Ping closed his eyes slightly and felt the movement of the magic circle with his heart!

Just like this, Chen Ping felt quietly. After a full ten minutes, Chen Ping suddenly opened his eyes, and then a golden light flickered on his right fist.

“Holy Light Fist.....”

Chen Ping took a sharp breath and punched it down!

boom.....

This time, after a loud noise, the magic circle began to tremble under Chen Ping’s punch.

When Chen Ping saw this, he was so happy that he didn’t dare to hesitate at all and punched out again!

Chapter: 2982

Bang bang bang.....

Chen Ping threw more than a dozen punches in a row, and Chen Ping's entire fist was already dripping with blood!

After more than a dozen punches, the magic circle finally couldn't bear it anymore and collapsed suddenly.

Chen Ping hurriedly opened the cell door, rushed in and hugged Su Yuqi!

The two of them hugged each other tightly, as if there was no one else around!

Chen Ping could really feel the temperature of Su Yuqi's body, so he didn't believe what Zhou Jie said that Su Yuqi was just a reflection now.

If it were an illusion, it wouldn't have such a real feeling!

Chen Ping hugged Su Yuqi for a long time. At this moment, Chen Ping's eyes were red. He had been waiting for this moment for too long. He had paid too much for this moment...

Gu Ling'er also had tears in her eyes, hugging and talking with Su Yuqi. Everyone seemed to have endless things to say.

Rumble.....

Suddenly, the ground shook, and the entire dungeon began to shake, as if it was about to collapse.

"The dungeon is about to collapse, get out quickly..."

Zhou Jie said, and then ran out of the dungeon quickly!

The others hurriedly followed and ran out.

Chen Ping held Su Yuqi's hand tightly, not daring to let go for a moment.

After they escaped from the dungeon, the dungeon behind them collapsed, and the rockery fell with it!

The collapse of the dungeon also indicates that the martial arts alliance will become a thing of the past!

Chen Ping looked at the collapsed dungeon and was filled with emotion!

"Ms. Zhou, I hope that our cooperation can be based on trust and honesty. Now that my girlfriend is here, the image you are talking about must be fake, right?"

Chen Ping looked at Zhou Jie and asked.

Zhou Jie smiled faintly: "If you have anything to say to your girlfriend, just tell her quickly. Your girlfriend is out of the magic circle now, so she won't exist for long."

"What nonsense are you talking about?"

Chen Ping glared at Zhou Jie!

But at this moment, Su Yuqi suddenly screamed!

Chapter: 2983

"My feet, my feet..."

Su Yuqi looked at her feet and screamed loudly.

Because at this moment, Su Yuqi's feet are slowly disappearing!

Chen Ping was dumbfounded when he saw this scene, and everyone else was also shocked!

Only Zhou Jie looked calm, as if he had known the result for a long time.

Su Yuqi was slowly disappearing, and Chen Ping desperately held Su Yuqi's hand!

He desperately injected his spiritual power into Su Yuqi's body, but it was useless and could not stop Su Yuqi's body from slowly disappearing.

"No, I won't let you leave, you can't..."

Chen Ping held Su Yuqi's hand tightly, and all the breath in his body burst out.

Chen Ping waved hard and tried his best to open up a new space.

This is the so-called secret realm, but Chen Ping's strength is not enough. This was created when he was in an extremely crazy state.

It's just that this space didn't last long before disappearing!

Chen Ping saw that he couldn't stop Su Yuqi from disappearing, so he looked at Zhou Jie.

"Miss Zhou, I can agree to any request of your Demon Spirit Sect. As long as you don't let my girlfriend disappear now, I can give you whatever you want..."

Chen Ping stepped forward and begged Zhou Jie!

But Zhou Jie shook her head: “No one can stop it, because she does not belong to this world. I have said that she is just an image. If you prevent your girlfriend from disappearing now, then her true body will what to do?”

“When her true body returns, do you want to have two identical girlfriends? Is it possible?”

Zhou Jie followed Chen Ping and explained, trying to get Chen Ping not to waste his efforts. This was just an image, not worthy of what Chen Ping was doing!

“No, I can’t let her leave...”

Seeing Zhou Jie, Chen Ping had no choice but to turn around and hug Su Yuqi tightly.

He tried to use this method to prevent Su Yuqi from disappearing, but it still didn’t work!

“Chen Ping, don’t be like this. I don’t really die, I really disappear forever. If I am just a reflection now, then you should let go, you should cheer up and save the real me, right?”

Su Yuqi gently touched Chen Ping’s cheek to comfort him.

Chen Ping held Su Yuqi’s hand tightly: “I promise, I promise to rescue you. Even if I go to heaven or earth, I will do it.”

Chapter: 2984

Su Yuqi smiled slightly at Chen Ping, and slowly disappeared.

Not even a trace of breath was left, as if it had never existed!

Chen Ping stood there in a daze, looking at everything empty in front of him, but he didn’t move!

When everyone saw this, they all left one after another, no one bothered him.

In this way, Chen Ping stood in one place for three days and three nights...

Three days later, Chen Ping's eyes radiated light again!

He knew that Su Yuqi was right and he had to cheer up, because Su Yuqi was still waiting for him to save her!

Chen Ping found Zhou Jie: "I will go to the Demon Spirit Sect with you, but you must promise me to help rescue my girlfriend..."

"You can rest assured that we know exactly where your girlfriend is being held."

Zhou Jie said with a faint smile.

Seeing Zhou Jie like that, Chen Ping narrowed his eyes slightly: "Who are you? Why do you know so much about the Martial Arts Alliance? Could it be that your Demon Spirit Sect is the master behind the Martial Arts Alliance?"

Chen Ping always felt that Zhou Jie seemed to know the forces behind the martial arts alliance very well, and even knew where his girlfriend was being held.

Zhou Jie smiled: "If we were the masters behind the martial arts alliance, would we still go to such great lengths to cooperate with you? I know you are doubting it, but because my rights are limited, I can't tell you much."

"But one thing I can tell you is that the manipulator behind the martial arts alliance is also a very powerful sect, and it is also a demon sect."

"So we are all very aware of these techniques of the Martial Arts Alliance. We, the Demon Spirit Sect, can even create a magic circle that creates such a realistic image of your girlfriend."

“Because we are of the same blood. When I say this, do you understand what I mean? As for the deeper things, I don’t know. I need you to go to the Demon Spirit Sect and talk to our sect master in person.”

“The same blood?” At this moment, Chen Ping was a little confused: “Since we are the same blood, then why do you want to cooperate with me and help me? Isn’t this tantamount to fratricide?”

“Hahaha, you are so naive. Wherever there are siblings now, they are all for their own benefit.”

Zhou Jie laughed hahaha.

Chen Ping was speechless after hearing this. In today’s society, even brothers, fathers and sons would kill each other for profit, let alone being of the same blood.

Chen Ping didn’t stay too much in Kyoto and followed Zhou Jie straight to the Demon Spirit Sect.

But Hu Mazi had to follow him no matter what. He was afraid that Chen Ping would steal his woman. In the end, Chen Ping had no choice but to let Hu Mazi follow.

Hu Mazi followed, and if there were some things, the two of them would take care of them. After all, Hu Mazi knew a lot sometimes!

The three people got on the plane and headed straight to Nanhu City, a small border town.

Chapter: 2985

I don’t know whether it was Hu Mazi’s intention or God’s will, but Hu Mazi’s seat happened to be right next to Zhou Jie, which made Hu Mazi very happy!

Although Zhou Jie’s face doesn’t look good, there is nothing she can do!

Along the way, Hu Mazi had a feast for his eyes, but he was not honest with his hands. Zhou Jie could only stare at Hu Mazi with her eyes, but there was no other way.

You can't start a fight on the plane, right?

Besides, Hu Mazi is with Chen Ping. If the Demon Spirit Sect wants to cooperate with Chen Ping, it can't offend Hu Mazi!

Chen Ping closed his eyes slightly and pretended not to see anything!

However, Hu Mazi's harassment was seen by a young man not far away.

As soon as the man got on the plane, he set his sights on Zhou Jie, but when he saw that there was a bad old man next to Zhou Jie, and that he was taking advantage of him, the young man felt a little uncomfortable.

"Hey, old guy, let's change places..."

The man stood up, walked to Hu Mazi and said.

Hu Mazi raised his eyelids slightly, and then said coldly: "If you don't change..."

Then in front of the man, he put his hand on Zhou Jie's snow-white thigh!

Seeing this scene, the man had an expression of envy in his eyes.

"Old guy, I'll give you 10,000 yuan and change places with me..."

The man took out 10,000 yuan and threw it directly on Hu Mazi.

Hu Mazi didn't even look at the 10,000 yuan, and said coldly again: "If you don't change it..."

At this time, the man became a little angry and grabbed Hu Mazi's collar: "Old man, don't be so shameless. Do you know who I am? I am Zheng Kai, the eldest son of the Zheng family in Nanhu. You are the best Give up your seat, otherwise it will scare the plane and make you walk around without food..."

Hu Mazi still didn't move, letting Zheng Kai grab his collar with a faint smile on his lips: "Are you greedy? Want to touch it too?"

Zheng Kai was stunned when Hu Mazi asked this question, and then said with an embarrassed face: "You...you are talking nonsense, I think you are dishonest and bullying this girl!"

"Who bullied me? I touched my wife, and you still have to control her?"

Hu Mazi had a sneer on his face, one hand still touching Zhou Jie's leg.

Zhou Jie's face was expressionless and motionless...

Seeing this scene, Zheng Kai was a little dumbfounded. He never expected that they were actually a couple...

"Sir, it is dangerous to fly the plane. Please return to your seat..."

Chapter: 2986

At this time, the flight attendant came over and said to Zheng Kai.

Zheng Kai could only helplessly let go of Hu Mazi, and angrily turned around and returned to his seat!

Just when Zheng Kai turned around, Hu Mazi took out a charm from his pocket and stuck it behind Zheng Kai.

Zheng Kai didn't notice at all and sat down.

Then Zheng Kai kept looking at Hu Mazi with angry eyes, but Hu Mazi didn't care at all.

But after a while, Zheng Kai felt extremely itchy all over his body, as if there were thousands of insects crawling on his body!

Zheng Kai's expression became very painful, and he kept scratching everywhere with his hands, but to no avail!

"It itches me to death....."

Zheng Kai couldn't help it, stood up and started to take off his clothes, wanting to see if there were any bugs on his body!

Everyone on the plane saw Zheng Kai suddenly starting to take off his clothes, and everyone started talking!

The stewardess also hurried over to stop him and said, "Sir, this is on a plane. What are you doing?"

When Zheng Kai was feeling uncomfortable, he didn't care about that. He pushed the flight attendant away, then took off his clothes and rubbed himself on the seat. Everyone looked at Zheng Kai with strange eyes!

Finally, Zheng Kai took off his pants. After taking off his pants, the extremely itchy feeling on Zheng Kai's body disappeared instantly.

Zheng Kai picked up his pants and took a look and found that there was a charm attached to them.

At this moment, Zheng Kai suddenly became furious and looked at Hu Mazi fiercely. He didn't need to think about it to know that this talisman was attached to his body by Hu Mazi.

"Old guy, I didn't expect you to be a Talisman Master. When I get off the plane, I'll skin you..."

Zheng Kai said through gritted teeth, and then put on his clothes.

But Hu Mazi didn't care and looked at Zheng Kai like an idiot!

Seeing Hu Mazi like that, Zhou Jie, who had been expressionless and silent, said, "You will be in trouble if you offend the petty young master of the Zheng family..."

Hu Mazi was slightly startled: "Do you know him?"

"Who in the whole of Nanhu doesn't know him? His father Zheng Anguo is the lord of Nanhu City, and the entire Nanhu City belongs to their family..."

Zhou Jie smiled coldly.

Hu Mazi was a little unbelievable. Even Chen Ping, who had been sleeping, opened his eyes!

"This kind of thing still happens now? Isn't this the king of the mountain? Isn't there anyone who cares about it?"

Chapter: 2987

Chen Ping asked Zhou Jie.

You have to know that in today's society, there is no such thing as the old situation of occupying the mountain as the king and proclaiming oneself as the lord of the city.

"This small border town belongs to a three-no-one zone, and no one has time to take care of it."

"So there is a power vacuum here. The Zheng family has been operating in Nanhu for many years, and now Zheng Anguo is the lord of the city."

Zhou Jie explained.

“Fuck, does this kid have such a powerful father?”

Hu Mazi couldn't help but look at Zheng Kai twice!

“But the son of the lord of a city, this guy has the strength of Marquis Wu. This is too low.”

Chen Ping thought that Zheng Kai's strength was only that of Marquis Wu, which was indeed not enough for the son of the lord of a city!

“That kind of small border town must be lacking in resources. It is estimated that the strength of Marquis Wu is already very good.”

Hu Mazi explained.

“I guess so!” Chen Ping nodded, agreeing with Hu Mazi's view.

“Both of you are wrong. Although Nanhu is a small border town, the Zheng family can control a vast area. The entire Nanhu area, which is hundreds of miles away, belongs to the Zheng family's sphere of influence.”

“And I heard that Zheng Anguo seized the entire Nanhu City for his own cultivation. Do you think the Zheng family will have fewer resources?”

Zhou Jie asked calmly.

At this moment, Chen Ping and Hu Mazi were stunned. Is it okay to seize the entire city's fortune cultivation?

From this point of view, the Zheng family is wealthy and not lacking in resources at all!

“It seems like this Zheng Kai is really a waste. With such resources, he is just a Wuhou...”

Hu Mazi said.

“Master Hu, I think you should restrain yourself. Even if Zheng Kai is a Wuhou, you will still suffer if you enter his territory.”

Chen Ping asked Hu Mazi to keep a low profile. They came to discuss cooperation with the Demon Spirit Sect and then find a way to rescue Su Yuqi.

I didn't come here to fight with others.

“Miss Zhou, since the entire Nanhu belongs to the Zheng family, then your Demon Spirit Sect is also in Nanhu. Don't the Zheng family care?”

Chen Ping asked with some confusion.

Chapter: 2988

After all, whether it is a family or a sect, if another force appears on their territory, they will definitely not agree.

Zhou Jie smiled: “Our Demon Spirit Sect is in a secret realm, what does it have to do with following the Zheng family...”

When Chen Ping heard this, he suddenly realized that the secret realm was another space opened up. Although it was in the same place, it was not in the same space, so there was no conflict.

“Miss Zhou, I wonder which of the eight secret realms your Demon Spirit Sect's secret realm belongs to?”

Chen Ping knew that the Ge family was in the Fire Gate Secret Realm, and that the Zixiao Mansion was in the Thunder Gate Secret Realm, but he didn't know which secret realm the Demon Spirit Sect was in.

When Zhou Jie heard this, surprise flashed across her face and she looked at Chen Ping in disbelief.

"I didn't expect you to know the eight secret realms?"

"You have to know that these things are all secrets. Even the top brass in the martial arts world don't know much about them."

"You actually know this, it seems I still underestimate you!"

Zhou Jie was surprised that Chen Ping knew the secret realm and knew it in such detail.

Chen Ping smiled awkwardly: "I know some people from the Secret Realm family, and I was lucky enough to go to the Secret Realm twice..."

At this time, Zhou Jie's eyes obviously changed a lot when she looked at Chen Ping.

"Our Demon Spirit Sect is not among the eight secret realms. It is said that the eight secret realms were created by an immortal using the Eight Diagrams in his hand during the war between gods and demons and the catastrophe of heaven and earth, in order to give the immortal cultivators a place to live."

"And our secret realms were created by their respective sects. In terms of scale and endurance, they are much worse than the eight secret realms."

"Our secret realm is the real secret space, and those eight secret realms can be called a world, incomparable..."

Zhou Jie followed Chen Ping and explained.

Only then did Chen Ping understand that there were not only eight major secret realms in this space, but there were also many smaller secret realms!

And in these small secret realms, there is only one sect or family...

“Oh I got it.....”

Chen Ping nodded with some understanding.

The plane flew smoothly. After flying for more than three hours, it landed in Nanhu!

It is quite surprising that such a small town even has an airport.

After getting off the plane, Zheng Kai looked at Hu Mazi fiercely, but Hu Mazi ignored him!

A group of people walked out of the airport, but Zheng Kai was following behind!

Chapter: 2989

“Damn, this guy looks like he won’t look back until he hits the wall...”

Hu Mazi said angrily when he saw Zheng Kai following him.

“Okay, leave him alone and let him follow...”

Chen Ping was afraid that Hu Mazi would cause a conflict with Zheng Kai, so he said.

“Let’s go, I’ll take you to eat something delicious. The most famous snack here is mutton steamed buns...”

Zhou Jie said, leading Chen Ping and Hu Mazi towards a street not far from the airport!

This is a snack street with all kinds of food!

In fact, for Chen Ping and Hu Mazi, even if they didn't eat for three days and three nights, they wouldn't be hungry. But when they saw the delicious food in front of them, their stomachs started growling.

The three of them sat down in front of a snack bar and started eating!

But Zheng Kai was watching them not far away with his ghostly spirit!

But no one paid attention to Zheng Kai. He could follow if he wanted to, and watch if he wanted to!

After dinner, Zhou Jie called for a car, then took Chen Ping and followed Hu Mazi towards the east of the city!

This time Zhou Jie learned wisely and never sat next to Hu Mazi, but directly sat in the passenger seat!

Along the way, Hu Mazi ate a lot of tofu, and Zhou Jie was going crazy!

Just as their car was driving towards the east of the city and was about to leave the city, suddenly a dozen luxury cars behind them made a huge roar and chased after them!

When the driver saw this, his face changed with fear, and his hands holding the steering wheel were trembling slightly!

It was obvious that the cars behind were chasing them!

Just as they were about to drive out of the city, a Porsche suddenly crossed in front of the taxi. The driver was so frightened that he hit the brakes!

Zheng Kai got out of the car, then looked at Chen Ping and the others in the car, and then waved!

When the driver saw this, he was so frightened that he immediately opened the car door and ran away, not even wanting to take the car.

At this moment, Chen Ping and the others were surrounded by more than a dozen cars, and more than 20 people got out of the cars. The aura on each of them was very strong!

When Chen Ping and the others saw this, they could only open the car door and get out!

“Old guy, you embarrassed me on the plane. Today I’m going to beat you until you kneel down and beg for mercy...”

Seeing Hu Mazi coming down, Zheng Kai said fiercely.

Chapter: 2990

Hu Mazi didn’t like this, and was about to curse, but was stopped by Chen Ping!

“Mr. Zheng, we have no intention of offending you, and we hope you can clear a way to avoid misunderstanding.”

Chen Ping said to Zheng Kai very politely.

Zheng Kai looked Chen Ping up and down, and then said with disdain: “Who are you? Do you have the right to speak here?”

“My name is Chen Ping. I wonder if Mr. Zheng has heard of me?”

Chen Ping asked calmly.

After all, Chen Ping's current name is resounding throughout the martial arts world, and since Zheng Kai was also on the plane from Kyoto, he would naturally have heard of Chen Ping's name.

"Are you Chen Ping, the Chen Ping who doesn't even look down on the martial arts alliance?"

Zheng Kai said with some surprise.

"Yes, it's me!"

Chen Ping nodded.

Chen Ping thought that if he admitted it, the other party would gain face when he heard his name.

But who would have thought that Zheng Kai smiled coldly: "I have long heard that you are the number one among the younger generation in the martial arts world, but I don't believe it. We are competing. If you beat me, I will let you go.!"

Zheng Kai actually wanted to compete with Chen Ping.

Chen Ping smiled. He didn't know what to say. This Zheng Kai was really ignorant and fearless!

A little Wuhou actually wanted to spar with him!

Chen Ping said nothing, but Hu Mazi laughed and said, "Boy, you must be self-aware. Chen Ping can easily defeat you even with just one hand."

"Huh, what's the use of talking about it? It's better to do it with real swords and guns..."

Zheng Kai snorted coldly.

Seeing Zheng Kai's disdainful look, Hu Mazi hurriedly said to Chen Ping: "Chen Ping, just use one hand to defeat this guy and save him from wasting time."

Chen Ping glared at Hu Mazi fiercely. Before he could speak, this guy had made a decision for himself!

"You'd better go home. Since your father is the lord of the city, I won't argue with you."

"If anyone else questioned me like this, they would already be a corpse by now."

Chen Ping said slowly to Zheng Kai.
