

## **The Order 2991**

Chapter: 2991

“Good boy, you are looking down on me...”

As he spoke, the aura on Zheng Kai suddenly exploded.

Then Zheng Kai clenched his fists, and a unique blue light began to flash on his fists!

With a roar, Zheng Kai jumped up and swung his fists towards Chen Ping.

The terrifying aura instantly enveloped Chen Ping and the others!

It seems that Zheng Kai is not trying to deal with Chen Ping himself, but wants to beat Chen Ping and others down together!

When Chen Ping saw this, the aura on his body exploded instantly, an air explosion sounded, and a huge wave of air instantly pushed Zheng Kai out!

“If you keep doing this, will I really take action?”

When Chen Ping saw that Zheng Kai was unwilling to give up, he immediately became angry.

Zheng Kai said angrily: “What the fuck, the number one young man in the martial arts world. I think he is just a loser. If you have the ability, fight back.”

Chen Ping frowned, and the aura on his body became stronger.

At this moment, Zheng Kai had already realized Chen Ping’s strength, so he did not take the initiative to attack again.

“Go away...”

When Chen Ping saw that Zheng Kai was standing in front of him, not moving and not making any move, he immediately became furious.

When Chen Ping finished his words, his body also arrived in front of Zheng Kai.

Before Zheng Kai could react, the Chen Ping family slapped him!

Snapped!

This slap hit Zheng Kai directly on the face, and Zheng Kai flew away instantly!

The severe pain made Zheng Kai’s face instantly red and swollen.

At this time, all the people Zheng Kai called were stunned, and they all looked at each other.

The eldest young master of the Zheng family was slapped away without even the ability to fight back?

Simply incredible!

Zheng Kai became angry and glared at Chen Ping: “Good boy, if you dare to slap me in the face, my father will never let you go.”

“If you don’t want to die, get out of here. I didn’t want to be your enemy, but you are so aggressive.”

Chapter: 2992

“If you keep talking nonsense, do you believe I’m going to kill you?”

Chen Ping said with a cold expression.

Feeling the murderous intent on Chen Ping's body, the muscles in the corners of Zheng Kai's eyes couldn't help but twitch.

"Okay, just wait for me, this is not Kyoto..."

After Zheng Kai finished speaking, he waved his hand and led the people away!

Seeing Zheng Kai leaving, Chen Ping said to Zhou Jie: "Let's keep walking..."

"Mr. Chen, I have told you that the eldest young master of the Zheng family is very petty. If you hit him, he will definitely retaliate."

Zhou Jie reminded.

"Just take revenge. I don't mind being a city lord myself. I can just make use of the cultivation resources here."

Chen Ping smiled lightly and said nonchalantly.

"Mr. Chen, the Zheng family is not as easy to deal with as you think..."

Zhou Jie reminded again.

"What are you afraid of? Aren't you, the Demon Spirit Sect, afraid of the Zheng family?"

Chen Ping looked at Zhou Jie and asked playfully.

“How is it possible? How can our Demon Spirit Sect be afraid of a small Zheng family?” Zhou Jie suddenly said arrogantly.

“Isn’t that enough? If we cooperate, it will be a partnership. Will your Demon Spirit Sect watch me start a conflict with the Zheng family and ignore it?”

Chen Ping asked with a smile.

This time, Zhou Jie was stumped and didn’t know how to answer!

After all, she is just an envoy of the Demon Spirit Sect, and she cannot make the decision on this kind of thing.

Seeing that Zhou Jie stopped talking, Chen Ping smiled and said, “Let’s leave quickly, otherwise the eldest young master of the Zheng family will find help again.”

Zhou Jie nodded, and then drove Chen Ping and Hu Mazi out of Nanhu to an open area in the woods!

“Is the entrance to your Demon Spirit Sect’s secret realm right here?”

Chen Ping asked.

Zhou Jie nodded and said: “Yes...”

Chapter: 2993

“Hurry up and open the secret realm. I haven’t seen what the secret realm looks like...”

Hu Mazi seemed a little excited because he had never entered a secret realm before!

Zhou Jie looked embarrassed and said: “Every secret realm is opened secretly, so...”

Zhou Jie did not continue, but Chen Ping also knew what Zhou Jie meant, so he called Hu Mazi and walked aside!

“Damn, what’s the secret...”

Hu Mazi looked unhappy, but still followed Chen Ping to the side!

I saw Zhou Jie taking out a stone with a very special shape, and then muttered something!

Along with a wave of water ripples in the air, the space instantly flashed with light!

“Okay, let’s go in...”

Zhou Jie said to Chen Ping and Hu Mazi.

The two people walked over and looked at the light in front of them. Then Zhou Jie stepped in, followed closely by Chen Ping and Hu Mazi!

After entering, the light disappeared instantly, and the secret door was closed!

Entering the secret realm, Chen Ping saw a large hall in front of him. Then he looked into the distance and saw that it was gray and nothing could be seen clearly.

Everything he looked at was gray, and only the hundreds of meters surrounding the main hall in front of him could be clearly seen!

Chen Ping thought the Demon Spirit Sect had some secrets, so he deliberately made the secret realm so gray that no one could see clearly.

But who knew that Zhou Jie's words would instantly shock Chen Ping!

"This is our Demon Spirit Sect's secret realm. The space is only so big. Those gray places are chaotic spaces and cannot be entered."

Zhou Jie followed Chen Ping and Hu Mazi and said.

"Is it that big?"

Chen Ping looked surprised.

This secret realm is completely different from the secret realm where Chen Ping went to the Ge family!

Although Chen Ping didn't know how big the secret realm where the Ge family was, the places he saw were many times bigger than here.

"Such a huge secret realm was forcibly opened up by consuming all the resources of our Demon Spirit Sect. In the catastrophe that year, I don't know how many sects and aristocratic families completely disappeared in the long river of history. Our Demon Spirit Sect can preserve it. , it all depends on this secret realm."

Zhou Jie followed Chen Ping and explained.

Chapter: 2994

While Chen Ping and the others were talking, a man wearing a white gown came over, with a sword on his waist!

Seeing that this man is personable and handsome, there is no way he can be associated with the demon clan.

"Miss Zhou, aren't all of your Demon Spirit Sect demons?"

Chen Ping asked in surprise.

Zhou Jie glanced at Chen Ping and knew what Chen Ping was thinking. She rolled her eyes at him and said, "Demons are also human beings, but their cultivation methods are different. Are all demons evil and vicious and do all kinds of evil?"

"Those sanctimonious monks may have done more shameless things than us demons."

Chen Ping was immediately speechless.

"Zhou Jie, you are back..."

The man walked up to Zhou Jie and asked softly.

"Yes!" Zhou Jie looked at the man with a deep sense of ambiguity in her eyes!

It can be seen that Zhou Jie likes the man in front of her very much!

This moment made Hu Mazi beside him almost furious. But looking at the man opposite him, the image of this bad old man like Hu Mazi was indeed incomparable!

"Is this the person the clan leader is meeting?"

The man looked at Chen Ping and asked Zhou Jie.

"Yes, this is Mr. Chen..."

Zhou Jie nodded, and then said to Chen Ping: "This is Song Qingping, the deputy sect leader of our Demon Spirit Sect."

“Mr. Chen, our Demon Spirit Sect has offended many people in the past. I hope we can put aside our past grudges and cooperate sincerely in the future...”

Song Qingping stretched out his hand with a smile on his face and said politely.

“I just want to know how much I can get what I need by working with you.”

Chen Ping also stretched out his hand and shook hands with the other party!

Chen Ping knows that in this society, there are no eternal friends, only eternal interests!

And Chen Ping was even more vigilant about the Demon Spirit Sect, which he came into contact with for the first time!

“Of course, we will definitely satisfy Mr. Chen.”

After Song Qingping finished speaking, he said to Zhou Jie: “Zhou Jie, take Mr. Chen and the others to rest. I will send someone to notify you if something happens.”

Chapter: 2995

“Okay!” Zhou Jie nodded.

Then he watched Song Qingping leave with eyes full of little stars.

“Humph, pretty face...”

After Song Qingping left, Hu Mazi couldn't help but snorted coldly.

Zhou Jie gave Hu Mazi a hard look, but said nothing and took Chen Ping and the others to rest.

When Zhou Jie left, she warned Chen Ping and Hu Mazi again: “Remember, don’t run around, let alone go to the chaotic space. There is turbulence in time and space there, and you will die if you go in...”

After Zhou Jie left, Chen Ping instantly became interested in the chaotic space. If Zhou Jie hadn’t reminded him so emphatically, Chen Ping wouldn’t have been so interested.

“What? Are you interested in that chaotic space?”

Hu Mazi saw what Chen Ping meant!

Chen Ping smiled slightly and nodded.

“Come on, let’s go take a look. I haven’t been to the secret realm yet...”

Hu Mazi could no longer contain his curiosity.

Soon, Chen Ping followed Hu Mazi out of the room and quietly headed towards the chaotic space!

at the same time!

In a mansion in the center of Nanhu, Zheng Kai covered his face and threw things with an angry look on his face.

“They’re all fucking trash, how could they not be found?”

“Can they still go to heaven and earth?”

Zheng Kai yelled at his men!

He sent his men to keep an eye on Chen Ping and others, looking for opportunities to take revenge!

But who would have thought that Chen Ping and the others would disappear, as if they had disappeared out of thin air!

Zheng Kai sent people to search all over Nanhu, but couldn't find it.

You must know that Nanhu is not big, and the entire Nanhu City belongs to their Zheng family. It is too easy to find someone.

But there was no trace of Chen Ping and the others.

The men were all trembling with fear, lowering their heads and no one dared to speak!

Chapter: 2996

At this moment, a middle-aged man walked in. This man was Zheng Kai's father Zheng Anguo, the city lord of Nanhu!

Zheng Anguo waved his hand and asked all his men to leave, and then asked: "What happened, so angry? Did you even drop things?"

"Dad, look at my face..."

Zheng Kai looked aggrieved and took his hand away to let Zheng Anguo see his swollen face!

Zheng Anguo looked at it, frowned slightly and said, "What's going on? Was he beaten?"

"Of course, he was beaten by that Chen Ping, I must kill him..."

Zheng Kai gritted his teeth and said.

“Chen Ping?” Zheng Anguo thought about it, and then said with a surprised look on his face: “The Chen Ping you are talking about is not the Chen Ping who went against the Martial Arts Alliance, right?”

“He was the one who hit...”

Zheng Kai nodded.

“What is he doing in our Nanhu?”

Zheng Anguo showed some worry on his face, and then asked: “How many people are here?”

“Three, a man, a woman, and an old man. The old man is very perverted...”

Zheng Kai’s teeth started to itch when he thought of Hu Mazi.

Such beautiful white legs were touched here and there by Hu Mazi without even touching them.

“A man, a woman, and an old man?”

Zheng Anguo became even more confused at this time. He didn’t know why Chen Ping brought people to his place suddenly.

“Is it related to the upcoming Ten Thousand Years Medicine King?” Zheng Anguo murmured to himself.

“Dad, what are you muttering about? What about the Ten Thousand Years Medicine King?”

Zheng Kai asked.

“It’s nothing. Stop asking around.” Zheng Anguo glared at Zheng Kai, and then continued to ask: “Do you know where they are now?”

“I don’t know. I sent people to follow him and lost him. I searched all over Nanhu and couldn’t find him.”

Zheng Kai shook his head.

“Remember, you are not allowed to provoke Chen Ping. If you see him, stay away from him.”

Chapter: 2997

Zheng Anguo scolded Zheng Kai.

“Dad, am I going to get beaten in vain?”

Zheng Kai was not convinced. How could he be slapped in vain?

“A beating is in vain. I’m warning you, don’t mess with that Chen Ping. Do you hear me?”

Zheng Anguo warned Zheng Kai seriously again.

No matter what Chen Ping is here for, Zheng Anguo does not want to provoke Chen Ping, because in a few days, a thousand-year-old medicine king will be born. Not many people know the news, and it is still in Nanhu, so Zheng Anguo It can be said that Anguo is bound to win this Ten Thousand Years Medicine King.

Now that Chen Ping and the others suddenly came to Nanhu, Zheng Anguo had to become suspicious, but Zheng Anguo still didn’t want to cause any conflict with Chen Ping before the Medicine King was born!

As long as Chen Ping didn’t come for the King of Medicine, Zheng Anguo planned to follow Chen Ping without disturbing the river.

He couldn't be so stupid that his son was slapped, and then he followed Chen Ping to become enemies.

"Hmph, I think you are just afraid of Chen Ping. You have no courage at all. You have been guarding this small place in Nanhu for so many years and you have no courage at all!"

Zheng Kai looked down upon his father very much.

He always thought that his father was very timid and was content with guarding the small town of Nanhu.

"Sir, I think I beat you lightly..."

Zheng Anguo raised his hand angrily and was about to hit Zheng Kai.

Zheng Kai was so frightened that he ran out in a hurry, but he still shouted: "I will never let go of Chen Ping..."

Zheng Anguo was so angry with his son that he turned pale and gasped for air.

Although he is the lord of a city, he just can't control his son.

.....

In the secret realm of Demon Spirit Sect!

Chen Ping followed Hu Mazi to the edge quietly, and further forward was the gray and chaotic space.

Along the way, no one stopped Chen Ping and Hu Mazi, and there were no guards. ,

After all, there is only the Demon Spirit Sect in this secret realm, so there is no need to worry about safety.

Just when the two of them were approaching the edge of the chaotic space, the terrifying and murderous aura made it difficult for the two of them to move forward.

The two of them looked forward hard, but they couldn't see anything clearly, like a sandstorm blowing up!

Chapter: 2998

Just as the two people arrived with a murderous spirit, they were blocked by an invisible force. It was impossible to move forward!

"Is this the border of the secret realm?"

Chen Ping touched forward with his hand, and saw an invisible force pushing his hand back, making it impossible to move forward at all.

"Looking at the chaotic space, there is space in it. It's not nothing. Why can't I get through it?"

Hu Mazi looked forward hard and said with confusion.

"Use your spiritual sense to explore and see..."

As Chen Ping spoke, a ray of consciousness instantly emitted!

Soon, this ray of spiritual consciousness instantly penetrated the resistance in front of him, as if this resistance could not block the spiritual consciousness at all.

Chen Ping was overjoyed and hurriedly extended his consciousness forward!

But just when the consciousness entered the chaotic space, the terrifying killing energy instantly cut off the consciousness!

Chen Ping himself suffered a backlash and took a few steps back, with a trace of blood flowing from the corner of his mouth.

“What a terrifying killing energy. Since spiritual consciousness can enter, there must be space.”

Chen Ping wiped the blood from the corner of his mouth and said.

Seeing Chen Ping like that, Hu Mazi was so scared that he didn't dare to experiment.

The two of them could only stare at the chaotic space in front of them in a daze, knowing that there was still space behind them, but they just couldn't get in!

“If I reach the out-of-body stage and my soul can leave my body, I also think I can pass through this chaos...”

Chen Ping sighed with emotion.

He is only in the transformation stage now, and there is still a long way to go before he can reach the out-of-body stage.

If his soul could leave his body, Chen Ping could easily pass through the resistance in front of him, and then resist the murderous aura and enter the chaotic space to see what's inside!

“Chen Ping, there is a kind of talisman in our talisman that can make people's souls leave the body, but the effect is very short. Can you see if you understand this kind of talisman?”

Hu Mazi asked Chen Ping.

When Chen Ping heard this, he felt happy immediately, and then the inheritance of Tianfu Sect appeared in his mind, and various talismans kept flashing through Chen Ping's mind!

Soon Chen Ping discovered a kind of escaping talisman, but this kind of escaping talisman is difficult to draw, and depending on the strength of the talisman master, the time of leaving the body will vary!

“Master Hu, here are some talismans, let me try...”

Chapter: 2999

Chen Ping asked for some talisman papers from Hu Mazi, and decided to give it a try!

Hu Mazi took out the talisman paper and gave it to Chen Ping, and Chen Ping hung the talisman paper in the air, bit his finger and started drawing on it!

I saw Chen Ping's fingertips flashing with a faint red light, and lines began to appear on the talisman paper.

Chen Ping held his breath and concentrated, for fear of making a mistake, but even so, it took several times to complete the painting.

At this time, Chen Ping was already sweating profusely and panting!

“Master Hu, my soul will leave my body in a while. You must watch out for me and don't let anyone steal my body...”

Chen Ping warned Hu Mazi.

“Don't worry, I'm definitely optimistic about it, and this is in a secret realm, who would steal your body!”

Hu Mazi promised.

Chen Ping nodded, and then put the talisman on his body. Soon Chen Ping's body flashed with red light, and his soul instantly escaped from his body!

Chen Ping looked very excited when he looked at his body and Hu Mazi, because he had never seen himself from this perspective before.

"Chen Ping, you only have ten minutes, you have to remember. If you can't come back in ten minutes, I won't be able to save you."

Hu Mazi looked at Chen Ping's soul and said.

Chen Ping nodded, and then walked towards the chaotic space!

The originally powerful force was instantly broken through by Chen Ping without any resistance. Chen Ping's face was filled with smiles!

Just as he was walking forward, the killing aura began to attack Chen Ping continuously.

Although Chen Ping is only a soul body at this time, the killing energy can still cause harm to him!

Chen Ping had no choice but to grit his teeth, endure the fierce killing energy, and continue walking towards the depths of the chaotic space!

Chen Ping himself didn't know how long it had been, but he felt the pressure on his body relaxed, and the scene in front of him completely changed, as if he had entered another world.

I saw countless rare herbs growing in the vast white space, and the aura here was hundreds, or even a thousand times stronger than outside!

Chen Ping was stunned when he looked at these rare herbs in front of him, his eyes flashing!

Some of these herbs were mature, while others had just sprouted. Chen Ping saw that a thousand-year-old wild ginseng was already flashing with a faint golden light, and he reached out to dig out the wild ginseng.

However, when Chen Ping stretched out his hand, he couldn't catch it at all. Only then did he realize that he was just a spirit body and couldn't touch things now.

Looking at these treasures in front of him, Chen Ping couldn't take them away, which made him scratch his head anxiously!

Chapter: 3000

Soon, Chen Ping was hit by a golden light and couldn't open his eyes. He walked along the golden light and found that among these herbs, a ten thousand-year-old Polygonum multiflorum plant exuded a golden light that was more dazzling than other herbs!

"Wannian Polygonum multiflorum?"

Chen Ping's heart was pounding.

You must know that a thousand-year-old herb is already very precious. This kind of ten-thousand-year-old herb is hard to come by.

But Chen Ping could only stare, but there was no way he could take the herb away!

"Is this the plantation of a certain immortal?"

Chen Ping looked at the countless herbs and frowned slightly.

When so many medicinal herbs suddenly appeared in a secret space, Chen Ping could only suspect that the immortals were responsible. Ordinary monks simply did not have such strength!

Just when Chen Ping was staring at the patch of herbs in front of him in a daze, he suddenly felt a fit. He quickly looked at the time and found that the time was almost up.

Hu Mazi slapped Chen Ping's body outside, hoping to make Chen Ping's soul return quickly!

Chen Ping glanced at the herbs reluctantly, and finally had no choice but to return the way he came!

When he returned, he was still carrying that terrifying killing spirit.

Just when the time was approaching, Chen Ping's soul finally returned to its place, and Hu Mazi let out a long sigh of relief.

"You guy, you know you have time now, why are you so ink?"

"Is there something in there? Or is there nothing? It's just such chaos?"

Hu Mazi asked curiously.

Chen Ping was panting heavily, and his body was extremely sore!

This is a symptom after the soul leaves the body. Chen Ping has not yet reached the out-of-body stage. Using a spell to force the soul out of the body will definitely have side effects.

However, Chen Ping felt that this time he was out of body. He did not expect that there was another magical place behind the barrier around this secret realm.

"In that chaotic space..."

Chen Ping was about to tell Hu Mazi what he saw, but was interrupted.

“Why are you two here? Didn’t I warn you two?”

Zhou Jie looked at Chen Ping and Hu Mazi with an angry look.

“Ms. Zhou, I’m sorry, we just came here out of curiosity. We’ll go back right now...”
