

The Order of the Dragon King

Chapter: 3

“Hey!” Tang Hongying sighed: “After you leave...”

Tang Hongying told the story in detail. It turned out that after Chen Ping was imprisoned, the Xiao family had no intention of letting them go and demanded compensation of one million yuan.

In the end, there was no choice. Chen Ping’s parents sold Chen Ping’s wedding house and borrowed a lot of money, but they still couldn’t get enough. In the end, they were left with 300,000 yuan, which they could only pay to the Xiao family in installments!

Because of this, Chen Ping’s father lost his job and had to make a living by sweeping the streets, while his mother cried all day long and went blind from crying!

This is also the reason why Chen Ping has been in prison for three years, but his parents have never seen him once.

Listening to his mother’s narration, Chen Ping slowly clenched his fists, with a majestic killing intent deep in his eyes!

He didn’t expect that the Xiao family would be so cruel. They wanted to kill them all!

“Mom, doesn’t Geng Shanshan care about you at all?”

Chen Ping asked with a puzzled look on his face.

Geng Shanshan was his soon-to-be wife, and he was in jail because of Geng Shanshan. It was impossible for Geng Shanshan to look at her parents like this and remain indifferent, right?

“Oh, don’t mention it. The Geng family not only doesn’t care about it, but even if I want to get my bride price back, they won’t give it back. It’s not their fault that I can’t get married. It’s because you’re in jail, so the bride price won’t be refunded!”

“Your father came to argue with them, and they beat him out!”

The more Tang Hongying talked, the more heartbroken she became, and in the end she couldn't stop crying!

“Then the Geng family is really like this?” Chen Ping's brows knit together tightly. He couldn't believe that Geng Shanshan would really be like this.

When he was arrested, Geng Shanshan still cried and said that they would get married when he came out!

Why did it become like this? Chen Ping decided to ask Geng Shanshan for clarification.

But at this moment, the door was suddenly knocked hard, so hard that it almost shook the door off!

Upon hearing the knock on the door, Tang Hongying's face suddenly turned pale, and it was obvious that she was scared!

“Mom, who is this?”

Seeing Tang Hongying's expression, Chen Ping frowned and asked.

“Don't worry about it. Go back to the house quickly and don't come out!”

Tang Hongying pushed Chen Ping into the room, and then opened the door nervously!

The door just opened, and a bald guy with four or five tattoos and a fierce look walked in.

“How are you preparing the money?”
