

The Order 3001

Chapter: 3001

Chen Ping pulled Hu Mazi and ran back in a hurry!

Back in the room, Hu Mazi couldn't wait to ask: "What is in the chaotic space?"

Chen Ping glanced out the window, and then told Hu Mazi what he saw!

At this time, Hu Mazi was shocked, his eyes widened, and he could fit an egg into his mouth.

"Are they all precious medicinal herbs? And there are ten thousand years of Polygonum multiflorum?"

"You kid can't lie to me, why doesn't it look real to me?"

Hu Mazi couldn't believe what Chen Ping said.

"Master Hu, what's the point of lying to you? This is absolutely true."

Chen Ping said with sincerity.

"Fuck, wouldn't we be rich? If the two of us find a way to cross that barrier, those medicinal materials will be ours."

Hu Mazi looked excited, but his smile soon disappeared and he said, "Do you think the Demon Spirit Sect also knows this place, so that's why they don't let us get close?"

"There is another possibility. This is the resource area of the Demon Spirit Sect. With so many people in the Demon Spirit Sect, they always have to rely on resources to practice. As you can see, the secret realm of the Demon Spirit Sect is too small and does not have many resources."

Chen Ping also somewhat agreed with Hu Mazi's words, but if it was really the resources of the Demon Spirit Sect, then there must be experts in the Demon Spirit Sect.

"When I meet the Demon Spirit Sect leader tomorrow, I will test it out and find out whether that place is the Demon Spirit Sect's resource area."

As long as Chen Ping meets the leader of the Demon Spirit Sect and tries it out, he should know.

Early the next morning, after Chen Ping and Hu Mazi had dinner, Zhou Jie came to see Chen Ping.

It was said that the head of the Demon Spirit Sect was meeting with Chen Ping, while Hu Mazi was waiting in the room!

When Hu Mazi saw that Zhou Jie came with Song Qingping, his face suddenly turned ugly!

I feel like my wife was abducted by another man!

"Mr. Chen, our sect master invites you..."

After Song Qingping saw Chen Ping, he said politely.

"Vice Sect Leader Song, lead the way..."

Chen Ping also said politely.

Although Chen Ping has always been wary of the Demon Spirit Sect, Song Qingping has always been polite, and Chen Ping can't be cold-faced!

Chapter: 3002

The group of people walked into the largest hall in the middle. At this time, there were more than ten people sitting in the hall, and everyone had an evil look on their face, with a faint murderous aura about them.

Looking at these people, Chen Ping was a little doubtful as to how Song Qingping, such a polite and scholarly person, could achieve the position of deputy sect leader.

“Mr. Chen, please sit down first. I will invite the sect master out right away...”

After Song Qingping finished speaking, he turned and left.

Chen Ping found a chair and sat down.

Feeling the unkind eyes of a dozen people around him, Chen Ping was not afraid or flinched at all, and he also glanced at these people!

“Are you Chen Ping?”

At this time, a man wearing a dark green gown stood up and asked Chen Ping.

“Yes!” Chen Ping nodded.

“I heard that you fought against the Martial Arts Alliance alone, killed several leaders of the Martial Arts Alliance, and made the Martial Arts Alliance very restless. Is it true?”

the man asked.

“It’s not that chickens and dogs are restless, but that there is no martial arts alliance in Kyoto now.”

Chen Ping said calmly.

After Chen Ping said this, the people around him, instead of being shocked, all laughed.

“Haha, you are really too young. Do you really think you destroyed the Martial Arts Alliance?”

“Let me tell you, the martial arts alliance is just a cover. If the other party wants to keep the martial arts alliance, another martial arts alliance will appear in Kyoto soon.”

The man laughed, with a bit of contempt in his eyes!

In their opinion, Chen Ping is still too young and doesn't understand anything, let alone the dangers of society!

Chen Pingping faced the man's contemptuous gaze, but he was not angry. Instead, he smiled slightly and said: “If one appears, I will destroy one; if two appear, I will destroy both...”

“That's such a big statement. I really don't know how you got the good luck to get the blood demon's body.”

“It is rumored that you are the number one among the younger generation in the martial arts world. I just have itchy hands and want to give it a try...”

As he spoke, the man opened his hand, and a long sword appeared in the man's hand, and then the sword light burst out.

Heading straight towards Chen Ping's eyebrows.

This is not a competition, this is going to kill Chen Ping.

Chapter: 3003

Chen Ping's face instantly turned extremely cold!

The sharp sword light pierced Chen Ping, but Chen Ping leaned back and then slid out close to the ground, dodging the sword!

The sword light struck Chen Ping's chair, instantly smashing the chair into pieces!

Chen Ping gently supported the ground with his hands and stood up directly!

"You are looking for death..."

Chen Ping looked at the man coldly and said in a cold tone.

"Boy, this is the Demon Spirit Sect. Don't be so boastful. Do you think we are all scared?"

The man sneered, not paying attention to Chen Ping's threat.

"Deacon Lu, Mr. Chen was invited by the sect leader, how could you do this?"

Seeing this, Zhou Jie hurriedly said to the man.

"Zhou Jie, this is my business. I don't need you to tell me what to do. The master will punish me when the time comes. Today I want to learn a few tricks from this guy..."

Deacon Lu didn't listen to Zhou Jie's dissuasion at all, and then rushed towards Chen Ping again with his sword.

Chen Ping's eyes narrowed slightly. He knew that this guy had definitely received the instruction from the sect leader!

If during the competition, he was defeated and injured, the Demon Spirit Sect would have the upper hand after a moment of negotiation and cooperation.

But if Deacon Lu is defeated, the leader of the Demon Spirit Sect will have other plans.

Thinking of this, Chen Ping no longer tolerated it, grabbed his right hand forward, and the Dragon-Slaying Sword instantly appeared in his hand!

As soon as the Dragon-Slaying Sword appeared, the entire hall shone with bursts of light.

Moreover, the aura emanating from the Dragon-Slaying Sword also surprised everyone!

You must know that Chen Ping's Dragon-Slaying Sword has become much stronger after Wenjian Sect absorbed those sword spirits.

At this time, the dragon-slaying sword spirit is enough to withstand one side!

Deacon Lu was slightly startled when he saw the dragon-slaying sword in Chen Ping's hand, but he did not stop. The long sword in his hand stabbed Chen Ping directly!

“snort.....”

Chen Ping snorted coldly and swung the dragon-slaying sword smoothly!

A dazzling sword light instantly cut through the void and struck hard on Deacon Nalu's long sword!

Chapter: 3004

clang.....

After a crisp sound, Deacon Lu found that the long sword in his hand had been cut in half.

At this time, Deacon Nalu was dumbfounded and looked at it in disbelief.

You know, the long sword in his hand is also a sword, forged after seven, seven and forty-nine days, cutting iron like clay!

But now it was easily cut off by Chen Ping's Dragon-Slaying Sword.

While Deacon Lu was stunned, Chen Ping's sword energy did not stop. After cutting off the long sword in Deacon Lu's hand, it reversed course.

brush.....

Before Deacon Lu could react, he found that his right arm holding the long sword fell directly to the ground. Because the speed was so fast that the blood didn't have time to flow out. All he could see was that the broken arm was covered in white and very oozing. people!

A second later, the blood from the severed arm splattered out, and the severe pain made Deacon Nalu scream!

Everyone was stunned when they saw this. Even Zhou Jie felt a little incredible!

Chen Ping raised the dragon-slaying sword in his hand, and the tip of the sword pointed directly at Deacon Nalu's eyebrows!

As long as Chen Ping stabbed him hard at this time, Deacon Na Lu would definitely die suddenly on the spot.

Seeing this scene, the people around him stood up instantly, each one exuding murderous intent, covering Chen Ping!

Zhou Jie was startled and quickly stepped forward and said to Chen Ping: “Mr. Chen, you have to calm down. If you kill Deacon Lu now, then there will be no room for cooperation with our Demon Spirit Sect. Don’t even think about rescuing your girlfriend by then...”

When Chen Ping heard Zhou Jie mention Su Yuqi, he slowly put away the Dragon-Slaying Sword.

Deacon Nalu glared at Chen Ping, sat down on the chair, and was bandaged!

At this moment, Song Qingping came out, and beside Song Qingping, there was a man wearing a mask!

The mask on the man’s face is bronze and decorated with rings around it, which looks a bit funny!

Chen Ping didn’t understand why the leader of the Demon Spirit Sect still wore a mask?

Is it because you are afraid that people will not see you?

“Mr. Chen, our sect leader was injured on his face many years ago, so he always wears a mask.”

Zhou Jie followed Chen Ping in a low voice and explained.

“How is this going?”

Song Qingping looked at the blood on the ground and Deacon Lu’s broken arm, his face turned cold, and he asked.

Chapter: 3005

“Deputy Sect Master, it was Deacon Lu who wanted to compete with Mr. Chen in swordsmanship and was accidentally injured.”

Zhou Jie stepped forward and replied.

“Nonsense, Mr. Chen is a distinguished guest invited by the sect master. Is this how you treat guests?”

“You bunch of trash, get out of here...”

“In addition, use bone-setting powder to reattach the broken arm...”

Song Qingping scolded him sternly.

None of those people dared to speak, nodded and retreated. Deacon Nalu also picked up his severed arm and left the hall!

“Zhou Jie, please go out too...”

Song Qingping waved his hand.

“Yes.” Zhou Jie nodded and left.

“Mr. Chen, please sit down...”

Song Qingping put on a smile and made a gesture of invitation.

Chen Ping was sitting in the first place, very close to the master of the Demon Spirit Sect, but Chen Ping could not feel the aura of the master of the Demon Spirit Sect.

Could it be that the leader of the Demon Spirit Sect is too powerful and has hidden his aura so that he cannot detect it?

Chen Ping was very puzzled!

“Mr. Chen, I invite you here this time because I want to cooperate with you. As long as you give us the body of the Blood Demon, our Demon Spirit Sect can help you and rescue your girlfriend...”

The leader of the Demon Spirit Sect spoke, but his voice was a bit hoarse, as if he had squeezed out his voice.

“I can give you the blood demon’s body, but how do you make me believe that you can help me rescue my girlfriend?”

Chen Ping asked calmly.

“Your girlfriend is locked up in a secret realm right now. I believe you already know that behind the martial arts alliance is the Demonic Heart Sect. Our two sects were originally from the same lineage, but later they parted ways due to different philosophies...”

“So I know how to open the secret realm of Demon Heart Sect, but you need to find the location of the secret realm yourself.”

The leader of the Demon Spirit Sect said.

After hearing this, Chen Ping smiled coldly and said: “Is the only way you can help me to open the secret realm? This doesn’t seem to be a good deal for me?”

The leader of the Demon Spirit Sect was silent for a moment, and then continued: “I can also tell you a secret...”

Chapter: 3006

“What secret?” Chen Ping asked.

“Now the spiritual energy is about to revive, but where is the place of recovery, everyone is looking for it, but I can tell you now, where is the place of recovery, if you plan it now, you will definitely get great benefits in the future!”

The leader of the Demon Spirit Sect said.

“Dear me, mother-in-law, if you don’t tell me, then I will leave. If you don’t let out some blood, you want me to give you the Blood Demon’s body. That’s impossible.”

Chen Ping said straightforwardly.

“It’s Penglai Island. The place where spiritual energy was first revived is Penglai Island. This is why the Blood Demon sealed his body in Penglai Island.”

The leader of the Demon Spirit Sect was afraid that Chen Ping would really leave, so he hurriedly said.

“Penglai Island?”

Chen Ping was stunned for a moment and frowned slightly.

No wonder Penglai Island has been experiencing frequent strange phenomena recently. Long Xingxu and the others could not stay any longer and had no choice but to return to Kyoto!

It seems that this should be a precursor to the revival of spiritual energy!

“That’s it?” Chen Ping asked pretending not to be interested.

“Yes, that’s all I can provide you...”

The leader of the Demon Spirit Sect said.

“Forget it then. I feel it’s too uneconomical. Cooperation between us needs to be fair. I handed over the blood demon body, but you can’t give me anything. Why should I cooperate with you?”

“If I hand over the body of the Blood Demon to the Demonic Heart Sect, maybe they will let my girlfriend go and I won’t have to find their secret realm myself!”

Chen Ping said slowly.

“Then what do you want?”

The leader of the Demon Spirit Sect seemed a little anxious.

He might be really afraid that Chen Ping would give the Blood Demon’s body to the Demonic Heart Sect!

“I want resources, precious medicinal herbs that are tens of thousands of years old. Is it not difficult for a sect like you in the secret realm?”

Chen Ping laughed!

As soon as these words came out, Chen Ping couldn’t see the expression of the Demon Spirit Sect leader, but Song Qingping’s expression became extremely ugly!

Chen Ping said this just to test them and see if the place he found was the resource area of the Demon Spirit Sect!

Chapter: 3007

But looking at Song Qingping’s expression, it doesn’t seem like it!

“Mr. Chen, I hope you know the value of a ten-thousand-year-old herb. It’s not something you just have.”

“We have been living in a secret realm, and resources are scarce. Where can we find herbs that are tens of thousands of years old?”

“I hope Mr. Chen will proceed from reality and not deliberately embarrass us.”

Song Qingping followed Chen Ping and explained.

Chen Ping looked at Song Qingping, obviously not convinced, so he asked: "There are so many people in your Demon Spirit Sect. Since there are no resources in the secret realm, where do the cultivation resources come from?"

"To be honest, Mr. Chen, many of our resources were purchased from outside to support the training of the disciples of the Demon Spirit Sect!"

Chen Ping frowned: "Since you don't tell the time, there is no sincerity, then let's not talk about today's cooperation, it is meaningless..."

After Chen Ping finished speaking, he turned around and walked out!

Seeing this, Song Qingping hurriedly stepped forward to stop Chen Ping and said, "Mr. Chen, how do you say this...I didn't lie to you at all."

"Do you think I'm a fool? Today's resources are very expensive and scarce. Which family is willing to sell resources and support your Demon Spirit Sect for so many years."

"Obviously your Demon Spirit Sect has its own resources, but you don't believe me, so you lied to me."

After Chen Ping finished his analysis, he turned sideways and continued walking out.

"Mr. Chen, wait a moment..."

Song Qingping stopped Chen Ping, then his eyes flashed with embarrassment, but finally he gritted his teeth and said: "To be honest with Mr. Chen, our Demon Spirit Sect does not have many resources, but the ancestor left a map. Once a precious medicinal herb comes out, it will be displayed on the map!"

“Over the years, our Demon Spirit Sect has obtained a lot of resources according to the instructions of the map.”

When Chen Ping heard this, he immediately became interested. He didn't know that there was such a map in the world?

Could it be that the map is like a radar, capable of scanning the surrounding environment?

“Vice Sect Master Song, can you take me to see that map?”

Chen Ping asked.

“Okay!” Song Qingping nodded, without hesitation this time!

Now that I have chosen to tell Chen Ping, I am ready to tell Chen Ping everything.

Song Qingping led Chen Ping towards the back of the hall, but the leader of the Demon Spirit Sect did not move or speak.

This made Chen Ping feel a little surprised. Song Qingping, the deputy sect leader, made the decision on such an important matter. Doesn't the sect leader have any opinions?

Chapter: 3008

When passing by the master of the Demon Spirit Sect, Chen Ping couldn't help but take a few more glances. Except that he couldn't feel any breath on his body, he didn't see anything wrong with him!

Chen Ping followed Song Qingping to a secret room, and saw that the secret room was very large, covering more than one hundred square meters.

On one wall of the secret room, there is a very detailed map painted, and even the flowers and plants on the map are lifelike!

If you don't look carefully, you might think it's a picture played on a big screen!

Chen Ping looked at it and found that although the map was large, the area drawn was not large. Only the hundreds of miles around Nanhu City were drawn in it.

"Is this the map you rely on to obtain resources?"

Chen Ping was very surprised and couldn't see anything special about this map!

"Yes, as long as there are precious herbs that are over a thousand years old around here, the location will be displayed immediately."

Song Qingping nodded.

"It's really strange!" Chen Ping looked carefully and even touched it with his hand, but found nothing special.

"Then if you go to seize resources, won't you conflict with the Zheng family? After all, this is the territory of the Deng family?"

Chen Ping was very puzzled. Such a large sect as the Demon Spirit Sect must have obtained a lot of resources. Could it be that no one in the Deng family stopped it?

You must know that these resources are extremely valuable to anyone.

"There are very few conflicts because we can obtain the location of resources immediately and then send people to get them. The Zheng family in Nanhu doesn't even know."

"Even if they get the news, by the time they go there, we will have already obtained the resources."

Song Qingping explained.

When Chen Ping heard this, he thought it made sense. After all, the Demon Spirit Sect had such a map, which was like having a radar. How could other people compete with the Demon Spirit Sect!

“No matter how you got the resources, I can’t just rely on you to open your mouth and give you the blood demon’s body.”

“I have to get some benefits, right?”

Chen Ping asked Song Qingping.

“No problem. According to past rules, there will definitely be a big resource in the recent period. No matter how precious the herbs appear this time, we will give them to Mr. Chen. What do you think?”

Song Qingping asked.

“Okay, if I think it’s appropriate, I will give you the blood demon body!”

Chen Ping nodded.

Chapter: 3009

Anyway, the blood demon’s physical body is on his body and has no other use than being used as a shield.

The most important thing is that Chen Ping also wants to use the Demon Spirit Sect to rescue Su Yuqi!

Su Yuqi had been detained for such a long time, and Chen Ping was already worried.

I just tried many times without success.

After leaving the secret room, Song Qingping called Zhou Jie over and asked her to stay with Chen Ping during this time.

After following Chen Ping from the Zhou family, Song Qingping, who was smiling at first, instantly turned cold!

“Do you think he would really believe you and give you the body of the Blood Demon?”

At this time, from behind the main hall, a man shrouded in black robes came out and asked Song Qingping!

“If he wants to save his girlfriend, he will definitely do it, but the resources that will appear recently will probably have to be given to him.”

Song Qingping said with a cold expression.

“This kid is too rebellious, but if he can be used well, he might become a good helper.”

The man in black robe said calmly.

“I will find a way to use him. You should leave as soon as possible to avoid being discovered.”

Song Qingping urged the man in black robe to leave quickly!

“Then I’ll leave the matters here to you. When the spiritual energy is revived, it will be the time when our demon clan can be proud and proud.”

After the Black Faction man finished speaking, he waved his hand in the air, and a bright light flashed up.

The man in black robe quickly disappeared into the light!

After the man in black robe left, Song Qingping glanced at the motionless Demon Spirit Sect master, then slowly stepped forward and took off the Demon Spirit Sect master's mask.

And under that mask, there is a skull without any flesh and blood...

.....

After Zhou Jie sent Chen Ping to his residence, she said to Chen Ping: "Mr. Chen, if anything happens, you can come to me at any time. I'm really sorry for what happened today. Deacon Na Lu was a little reckless."

Zhou Jie is apologizing for what Deacon Nalu did to Chen Ping!

"This has nothing to do with you!" Chen Ping smiled lightly. He knew that Zhou Jie's status in the Demon Spirit Sect was not high, so he had no right to speak.

"Then Mr. Chen, please rest more, I won't disturb you!"

Chapter: 3010

Zhou Jie said, and was about to leave!

At this time, Hu Mazi had been waiting at the door. He immediately opened the door and said to Zhou Jie: "Miss Zhou, come in and sit down and chat for a while?"

When Zhou Jie saw Hu Mazi, she just rolled her eyes. She knew that if she went in, she would definitely be eaten by Hu Mazi again!

But just when Zhou Jie was about to turn around and leave, Chen Ping suddenly called out to Zhou Jie: "Miss Zhou, how long have you been a member of the Demon Spirit Sect?"

Zhou Jie turned to look at Chen Ping and said, "Mr. Chen, are you asking this for something?"

“Oh, I just think that we will have a cooperative relationship from now on, and I want to get to know each other better!”

Chen Ping explained.

Zhou Jie smiled slightly and said, “I have been here for more than ten years. I have been brought here since I was a few years old.”

“Why did you think of joining the Demon Spirit Sect? Or maybe they forced you?”

Chen Ping asked curiously.

“No, no, no, our Demon Spirit Sect will never force others to join. It’s just that when I was a few years old, my whole family was hunted down by enemies. Later, my parents died. It was a member of the Demon Spirit Sect who saved me. I brought me to the Demon Spirit Sect.”

Zhou Jie explained.

Chen Ping seemed a little embarrassed when he heard this. He didn’t expect Zhou Jie to have such a miserable past.

“Ms. Zhou, I’m sorry...”

Chen Ping felt very embarrassed because it reminded Zhou Jie of her painful past!

“It’s okay, it’s been so many years, and I’m living quite well here. Although outsiders call us demons, I feel warm here.”

“And during the more than ten years I have been here, our sect leader always taught us to cultivate our moral character and not to lose our original intention because of cultivation!”

“If our personal determination and greed are too strong in the exercises we practice, we will be eaten up by the exercises and become murderous and cruel, so many people misunderstand us.”

“After you came, did you see that the people in our Demon Spirit Sect were different from what you imagined?”

When Zhou Jie introduced the Demon Spirit Sect, her eyes were filled with pride.

“There is indeed something different!” Chen Ping nodded.

Although Deacon Nalu saw Chen Ping, he started to challenge Chen Ping and compete with Chen Ping, and every time he made a move, it was a killer move!

But those people did not have that evil spirit in them.

And those black-robed men in the Martial Arts Alliance all have souls in their bodies, and they are full of evil spirits!
