

The Order 301

Chapter: 301

“I didn’t bring anyone with me, just Su Dong came here by himself!” Secretary Li said!

“No one is with you?” Cui Zhiyuan was stunned, and then asked: “Isn’t it an appointment? Isn’t it dispatched from the headquarters?”

“No, they were directly promoted from within the company. Director Su did not bring anyone here from the headquarters. Manager Cui, please prepare quickly and bring someone there!”

Secretary Li left after saying that!

Cui Zhiyuan looked confused and walked out of the office with a frown. He said to everyone in the sales department: “Stop what you are doing. Let’s go to the conference room for a meeting...”

“Manager Cui, is it about appointing a general manager?” someone asked.

“Well, Director Su came here just because of this matter!”

Cui Zhiyuan nodded.

“Does Manager Cui know who is appointed this time? Is it a man or a woman?”

Wang Lanlan asked quickly.

“He was not sent from the headquarters. He was said to be promoted from within the company...”

Cui Zhiyuan said!

With one sentence, everyone was stunned, and then analyzed: “Who in the company is qualified to be the general manager?”

“I think Manager Cui is qualified. Our sales department just signed a big deal with Tianmei. There’s no way the headquarters doesn’t know about it!”

“I also think Manager Cui is the most qualified. You must know that a general manager must understand products and sales. There is no one more suitable than Manager Cui!”

“Manager Cui, if you become the general manager, you must not forget us...”

A group of people surrounded Cui Zhiyuan, saying that Cui Zhiyuan was about to become the general manager!

Cui Zhiyuan himself felt very comfortable after hearing this, with a proud look on his face.

“Don’t worry, if I really want to become the general manager, the salary of the sales department will definitely be improved...”

Cui Zhiyuan waved his hand and said.

“Long live Manager Choi...”

“Manager Cui is great. This position of general manager must belong to Manager Cui!”

“Manager Cui has become the general manager, so the position of sales manager must belong to Xiaomeng. Congratulations to Xiaomeng!”

Someone started to congratulate Sun Xiaomeng!

Chapter: 302

After all, Cui Zhiyuan and Sun Xiaomeng are lovers. Cui Zhiyuan has become the general manager, and Sun Xiaomeng will definitely not be able to escape the position of sales manager!

Everyone congratulated Sun Xiaomeng, and Wang Lanlan also looked happy. She pretended to congratulate Sun Xiaomeng, but she was already jealous to death in her heart!

“Okay, it hasn’t been announced yet, so stop yelling around and let’s go to the meeting quickly!”

Cui Zhiyuan urged!

Soon, Cui Zhiyuan led everyone in the sales department towards the conference room!

Just after Cui Zhiyuan led everyone from the sales department into the conference room, he saw Chen Ping inside. Chen Ping took a piece of paper towel, wiped the main seat, and sat on it directly!

“Chen Ping?” Cui Zhiyuan saw Chen Ping and said with a surprised look on his face: “Why are you here? Who asked you to come here? Didn’t they ask you to leave?”

“This is not your home, and this is not the sales department. Is it your responsibility?”

Chen Ping said with a faint smile!

“Chen Ping, do you know where this place is? And when you sit down, do you know who it is? You are simply looking for death...”

Wang Lanlan saw Chen Ping sitting in the chairman’s seat and said with a sneer!

“Brother Chen Ping, you...what are you doing here? Have you been transferred to logistics work?”

Wang Hanhan saw Chen Ping wiping tables and chairs just now, and thought Chen Ping had become a logistics cleaner!

“Chen Ping, this is the position of chairman. Even the general manager is not qualified to sit here. Get up quickly...”

Sun Xiaomeng winked at Chen Ping.

If Chen Ping is discovered, I’m afraid he will be kicked out immediately!

“This is my place, why should I get up?”

Chen Ping said nonchalantly!

“Haha, Chen Ping, can you stop bragging? This is the position of chairman. Chairman Su is in the company now. If she sees it, you will be dead...”

Cui Zhiyuan said with a smile!

“Manager Cui, although you fired Chen Ping, it has not been filed with the Human Resources Department. Now Chen Ping is still a member of our sales department. If he is discovered by the chairman and the chairman is angry, will you be implicated?”

Someone reminded Cui Zhiyuan!

At this time, Cui Zhiyuan panicked. Although he fired Chen Ping, only the sales department knew about it, and it had not gone through the human resources department. If Chen Ping really messed up here, the final punishment would be their sales department.

Thinking of this, Cui Zhiyuan’s face became more and more ugly, and he stared at Chen Ping and said: “Chen Ping, get up and get out of here right now. This is not a place for you to stay. I know what you are thinking. Do you want to?” Take this opportunity to cause trouble here and ruin the reputation of our sales department?”

Chapter: 303

When everyone heard this, they all accused Chen Ping. If the chairman punished their sales department, none of them would be able to escape!

“Chen Ping, get out of here quickly, don’t let a smelly fish make the pot full of fishy fish!”

“I never thought you were this kind of person, so scheming that you would use this method to retaliate against us!”

“We all drive him out. If he doesn’t leave, we will throw him out...”

Everyone in the sales department surrounded Chen Ping and shouted!

But Chen Ping still sat in the chairman’s position as if nothing had happened, and had no intention of getting up.

“Chen Ping, are you going out or not? Will I call for help?”

Cui Zhiyuan and Chen Ping had no intention of moving, and shouted angrily!

“If you dare to attack me, then please do so...”

Chen Ping smiled coldly!

Cui Zhiyuan was completely angry. He no longer cared about anything and said to the people in the sales department: “You all carried Chen Ping out and threw him outside. You are just a scoundrel. What the hell...”

When everyone in the sales department heard this, they all moved towards Chen Ping, planning to carry Chen Ping out!

“Stop, everyone, stop...”

Sun Xiaomeng shouted loudly!

Wang Hanhan was also desperately trying to prevent everyone from attacking Chen Ping!

“Xiaomeng, what are you doing?” Cui Zhiyuan frowned and asked!

“Zhiyuan, I advise Chen Ping to go out and don’t do anything yet. If Director Su sees this, we will all be scolded...”

Sun Xiaomeng said to Cui Zhiyuan!

Cui Zhiyuan had the right idea. If he made a mess in the conference room and Director Su found out about it, he would definitely be scolded!

“Okay, tell him to get out of here, or throw him out of the window...”

Cui Zhiyuan nodded!

Sun Xiaomeng looked at Chen Ping and said helplessly: “Chen Ping, you’d better leave. Staying here will only make you more humiliated. If Director Su sees you sitting here, he will definitely ask the security to beat you.” go out... ...”

“She won’t...” Chen Ping shook his head!

“Chen Ping, you have met Su Dong. Even though Su Dong is a girl, she is very angry when she gets angry. I kindly advise you. If you listen, just pretend that I didn’t say anything!”

Chapter: 304

Sun Xiaomeng was a little angry when she saw that Chen Ping was not a good guy!

“Brother Chen Ping, you’d better go, there’s no use sitting here...”

Wang Hanhan also persuaded Chen Ping!

“It’s not that I won’t leave. If I leave, no one will hold this meeting today, and you will all be punished...”

Chen Ping smiled slightly and said!

“Chen Ping, you are so fucking shameless. Who do you think you are? If you leave, no one will hold the meeting? Can’t you still host this meeting today?”

When Wang Lanlan heard Chen Ping’s words, she was so sick that she almost vomited!

Others also looked at Chen Ping with disdain. Even a shameless person would not say such a thing!

“Chen Ping, do you want to be shameless? I’ve never seen you such a shameless braggart...”

Cui Zhiyuan attacked Chen Ping with vicious words!

Sun Xiaomeng was furious at this time and glared at Chen Ping: “Chen Ping, I’m asking you, are you leaving?”

“Brother Chen Ping, let’s go, please leave quickly...”

Wang Hanhan pulled Chen Ping’s sleeve!

At this moment, the door of the conference room was suddenly pushed open, and Su Yuqi walked in with other senior executives of the company!

Everyone was shocked when they saw Su Yuqi arriving.

Cui Zhiyuan was even more stunned, and his expression changed drastically, because Chen Ping was still sitting in the chairman's position at this time!

"What are you doing with all the fuss?"

Su Yuqi heard the commotion in the conference room outside, so she asked aloud.

When Su Yuqi asked, Cui Zhiyuan suddenly looked desperate!

I'm done thinking!

He didn't know how to explain it. Now that Chen Ping was sitting in the position of chairman, and he was also from his sales department, how could he explain it?

Could it be that there is something wrong with Chen Ping's mind?

"Manager Cui, what's going on?"

Seeing that no one answered Su Yuqi's words, Secretary Li glared at Cui Zhiyuan and asked.

Chapter: 305

"Oh, Director Su, there's a guy in our sales department who suddenly lost his brain and made a lot of noise in the conference room. I'm about to send someone to take him out and go to the hospital to have his brain checked!"

Cui Zhiyuan quickly made up a lie!

“Is your brain broken?” Su Yuqi frowned slightly: “Who’s brain is broken?”

“It’s him, that Chen Ping, who suddenly became crazy and stupid, and actually sat in the position of chairman...”

Cui Zhiyuan pointed at Chen Ping, who had assumed the position of chairman, and said.

Su Yuqi looked at Chen Ping and saw Chen Ping grinning at her!

“You said he has lost his mind? Is he stupid?”

Su Yuqi looked at Cui Zhiyuan and asked.

“Yes, I was about to fire him just now. Maybe I couldn’t stand the stimulation, and suddenly my brain went crazy...”

Cui Zhiyuan nodded!

But just as Cui Zhiyuan finished speaking, Su Yuqi slapped Cui Zhiyuan hard on the face!

“I think you’ve lost your mind?”

After Su Yuqi finished speaking, she walked towards Chen Ping and then sat next to Chen Ping!

At this moment, everyone was stunned and looked at Chen Ping and Su Yuqi!

Cui Zhiyuan looked even more confused!

“Let me introduce to you, this is Chairman Chen of the company. From now on, my position as chairman will be handed over to him. I hope you can create greater glory under the leadership of Chairman Chen...”

Su Yuqi pointed at Chen Ping and said!

Chairman Chen?

At this time, everyone was shocked, and then they all looked at Chen Ping with their mouths open. Everyone in the sales department was dumbfounded!

Cui Zhiyuan’s eyes almost popped out of his head. Seeing Chen Pingzheng looking at him with a smile on his face, his legs weakened and he fell to the ground!

Wang Lanlan was also so frightened that her face instantly turned pale and her mouth was so wide that she could not speak!

Sun Xiaomeng looked at Chen Ping, as motionless as a statue!

But Wang Hanhan’s eyes suddenly became moist at this time. She finally knew who the woman who drove Chen Ping was, the Chairman Su in front of her!

Thinking about the gap between herself and others, Wang Hanhan’s heart felt like needle pricks.

Chapter: 306

Wang Hanhan started to laugh at herself, laughing at herself for being stupid. She was like this, and she even dreamed of being boyfriend and girlfriend with Chen Ping!

Recalling that Chen Ping helped her solve the loan, recalled that Chen Ping easily recovered the company’s debt, and easily won the Tianmei contract, Wang Hanhan understood everything!

Compared to the astonishment, shock and regret of everyone in the sales department, other senior executives of the company applauded and welcomed Chen Ping to take office!

Zhang Tongjian in the corner clenched his fists tightly at this time. He regretted and really wanted to punch himself twice. If he could insist on standing on Chen Ping's side and insist on following Chen Ping, wouldn't he be the right person now? Just seize the great opportunity?

But there are no ifs in the world. If you miss the opportunity, you will miss it forever!

"Chen Ping, why don't you say a few words to everyone?"

Su Yuqi looked at Chen Ping and smiled slightly!

Everyone in the company looked at the way Su Yuqi looked at Chen Ping and knew what their relationship was.

"There's nothing to talk about. Everything in other departments of the company is business as usual. Let's all go back to work. Just stay in the sales department..."

After Chen Ping finished speaking, everyone in other departments left!

"Just wait and see, the sales department will be in trouble!"

"I know that Cui Zhiyuan has been targeting the current Director Chen. I didn't expect that he has connections. Going to the sales department is to experience life."

"There is going to be a big earthquake in the sales department. It is estimated that many people will be fired..."

Cui Zhiyuan, Wang Lanlan and others in the sales department were all trembling slightly as they listened to the discussions from other departments!

Cui Zhiyuan's face was already ashen at this time. He knew that he was finished, completely finished...

Sun Xiaomeng looked at Chen Ping with a complicated expression. She didn't know what Chen Ping would do to her!

After all, she was targeting Chen Ping from the beginning!

However, many people in the sales department turned to Wang Hanhan for help. After all, the only one who is good with Chen Ping here is Wang Hanhan!

At first, they all thought that Wang Hanhan and Chen Ping were in a relationship, but no one expected that Chen Ping would actually be boyfriend and girlfriend with the company chairman.

But at this time, Wang Hanhan lowered his head slightly, tears kept rolling in his eyes!

Chen Ping's eyes swept over everyone in the sales department, so they all lowered their heads and did not dare to look directly into Chen Ping's eyes!

Cui Zhiyuan even buried his head very low, wishing he could find a hole in the ground to crawl in!

"Cui Zhiyuan, do you think it's appropriate for me to sit in this position? You just seemed to want to kick me out?"

Chen Ping looked at Cui Zhiyuan and asked with a playful expression.

Chapter: 307

Cui Zhiyuan was shocked: "Suitable, suitable, this is the position prepared for Director Chen..."

"But I think the position of sales manager is not suitable for you to sit in..."

As soon as Chen Ping finished speaking, Cui Zhiyuan hurriedly apologized to Chen Ping with a mournful face: "Director Chen, it's me who looks down on others. It's because I have blind eyes. Please spare me this time. I work in the company like this." After many years, I finally managed to reach the position of manager..."

“Spare you?” Chen Ping smiled coldly: “When you fired me just now, why didn’t you think of sparing me once?”

Cui Zhiyuan’s body was shaking more and more violently, and he couldn’t speak a word!

“I announce that you, the sales manager, have been fired. From today on, you are no longer an employee of the company...”

Chen Ping said loudly!

“Director Chen, no, no...” Cui Zhiyuan shouted like crazy, and then looked at Su Yuqi: “Yu Qi, please speak to me, I don’t want to be fired...”

Seeing Cui Zhiyuan like that, Su Yuqi could only bite her lips and said to Chen Ping: “Chen Ping, can you...”

But before Su Yuqi could finish speaking, Chen Ping waved his hand and said: “Let me show you something first. If after reading it, you still want to plead for Cui Zhiyuan, I can promise you...”

As Chen Ping spoke, he turned on the slide projector in the conference room. Everyone stared at the white wall, wondering what Chen Ping wanted to show Sun Xiaomeng!

But when he opened the slide projector, pictures of Cui Zhiyuan following other girls soon appeared, including some explicit chat records, which made Sun Xiaomeng stunned.

Cui Zhiyuan looked at himself in the picture and was dumbfounded for a moment. Then he wanted to smash the slide projector like crazy: “This is all fake, fake...”

Chen Ping kicked Cui Zhiyuan down, then trampled him under his feet, while the slide projector was still playing!

At the end, there was a scene of Cui Zhiyuan making out with Wang Lanlan. At this moment, Sun Xiaomeng seemed to have been hit hard and almost fell to the ground. Fortunately, Wang Hanhan was quick to catch her!

Wang Lanlan looked at herself on the screen, no matter how deep her intentions were, her face was still red with embarrassment!

“Damn, this is so shameless. I always thought Wang Lanlan and Sun Xiaomeng were good friends, but I didn’t expect Wang Lanlan to be such a shameless person!”

“Knowing people but not knowing their hearts, no wonder Wang Lanlan has been following Sun Xiaomeng all the time. It turns out she has another agenda...”

“Bah, I hate this kind of person the most, shameless...”

Everyone was shocked, and then they all accused Wang Lanlan!

Wang Lanlan felt the accusations and curses from everyone, and her whole body was about to collapse!

After the show was over, Chen Ping turned off the slide projector, looked at Sun Xiaomeng and said, “Do you still want to plead for Cui Zhiyuan? I have said, this Cui Zhiyuan is not suitable for you...”

Sun Xiaomeng stood blankly for a while. After a while, anger burst out in her eyes and she walked quickly to Wang Lanlan!

“Xiaomeng, Xiaomeng, listen to my explanation, it was Cui Zhiyuan who seduced me, he seduced me, and he also used money to bribe me...”

Chapter: 308

Wang Lanlan put the responsibility on Cui Zhiyuan!

“Wang Lanlan, you are so fucking shameless. It was you who seduced me. You wanted me to help you in the company. You pretended to be drunk and asked me to help you back to your room. Then you took off my clothes directly. You bitch...”

Cui Zhiyuan was stepped on by Chen Ping and could only curse Wang Lanlan desperately!

When Chen Ping saw this, he directly raised his feet. Cui Zhiyuan jumped up and rushed towards Wang Lanlan!

He slapped Wang Lanlan hard on the face!

Wang Lanlan covered her face and stared at Cui Zhiyuan: “Cui Zhiyuan, you are a fucking scumbag. You told me that you only love me, and you follow Sun Xiaomeng because you also like her family’s money. I didn’t expect you to follow so many people.” The woman is having an affair...”

Not to be outdone, Wang Lanlan started fighting with Cui Zhiyuan.

Soon, both of them were beaten until their clothes were ragged, and Cui Zhiyuan’s face was covered with blood stains!

“Security, get these two people out...”

Su Yuqi looked at the two people like that and said with a look of boredom.

Several security guards rushed in, preparing to drive Cui Zhiyuan and Wang Lanlan away...

“Xiaomeng, I was wrong, I was wrong, please help me, help me...”

Cui Zhiyuan didn’t want to leave and hugged Sun Xiaomeng’s legs tightly!

Sun Xiaomeng looked at Cui Zhiyuan with disgust and kicked Cui Zhiyuan away!

Cui Zhiyuan wanted to rush over, but was dragged away by the security guards!

“Why...why...I’m not convinced...”

Cui Zhiyuan roared, but no one pitied him!

Cui Zhiyuan and Wang Lanlan were both dragged away and fired. Everyone else in the sales department was also in danger. After all, they all mocked Chen Ping just to curry favor with Cui Zhiyuan!

Chen Ping glanced at everyone, and then said: “The company still lacks a general manager. This position will be given to Sun Xiaomeng. As for the position of sales manager, let Hanhan take the position. I hope you two can work hard. , giving back to the company...”

After Chen Ping finished speaking, everyone in the sales department applauded!

Sun Xiaomeng herself was confused. She thought that even if Chen Ping didn’t blame her or fire her, he wouldn’t reuse her. After all, her attitude towards Chen Ping was not good at the beginning!

Unexpectedly, Chen Ping gave himself the position of general manager, which Sun Xiaomeng couldn’t believe!

“Xiaomeng, Xiaomeng, please thank Mr. Chen quickly...”

Someone reminded Sun Xiaomeng!

Chapter: 309

Only then did Sun Xiaomeng react and hurriedly said to Chen Ping: “Chen Ping... no, no, no, Director Chen, thank you, I will definitely work hard!”

After Sun Xiaomeng finished speaking, she pulled Wang Hanhan beside her: “Hanhan, thank you, Director Chen...”

Wang Hanhan looked at Chen Ping expressionlessly and said, “Thank you, Director Chen...”

Chen Ping looked at Wang Hanhan’s expression and actually felt a little distressed, but feelings cannot be forced!

“Others’ duties remain unchanged, let’s all go back to work...”

After Chen Ping finished speaking, everyone breathed a sigh of relief. Chen Ping did not blame them. This made the people in the sales department feel grateful to Chen Ping!

Everyone left. Looking at Wang Hanhan’s back, Chen Ping wanted to catch up and explain, but Su Yuqi was aside and Chen Ping did not move.

“Go ahead. It’s better to say some things clearly. I have to leave too...”

After Su Yuqi finished speaking, she stood up and left!

Chen Ping caught up with Wang Hanhan and called her aside.

“Hanhan, actually I treated you as my sister from the beginning. I didn’t mean to deceive you. It’s just that my parents had some misunderstandings about Yu Qi, so I didn’t say anything...”

Chen Ping didn’t mean to hide it!

“Brother Chen Ping, you don’t need to explain. It’s all my own wishful thinking. You are doing well now. I am also young and I will definitely be able to find a suitable boyfriend...”

Wang Hanhan tried her best to smile!

“Well, I’m sure you can find it!”

Chen Ping nodded!

Two days passed in the blink of an eye.

It’s not interesting for Chen Ping to be the chairman. He always wants to find an opportunity to explain Su Yuqi’s matter to his parents!

It would be best if his parents could agree to move to Panlong Bay. Chen Ping would be able to speed up his cultivation. There is no aura here and there is no way to practice!

But seeing his parents and Wang Hanhan’s mother, Wang Changfeng, happily discussing things between him and Wang Hanhan, Chen Ping didn’t know how to speak!

But on this day when Chen Ping got off work at noon, Chen Baoguo called Chen Ping!

It is said that Wang Hanhan’s family has moved away!

When Chen Ping heard this, he was shocked. He hurriedly drove home and saw that the door of Wang Hanhan’s house was locked!

And there was a letter in Chen Baoguo’s hand!

Chapter: 310

“Chen Ping, this is Hanhan’s letter to you...”

Chen Baoguo handed the letter to Chen Ping!

Chen Ping opened the letter and read it. It turned out that Wang Hanhan didn't want to live in this city anymore, so she took her mother to live with relatives in other cities because she couldn't face Chen Ping every day!

Moreover, Wang Hanhan also explained to Chen Ping's parents in the letter, and made it clear that Chen Ping followed Su Yuqi!

After reading the letter, Chen Ping clenched his fists tightly. He didn't want to hurt Wang Hanhan. Maybe this was the best result. If he faced it every day, Wang Hanhan would be even more painful.

"Hey, Hanhan is a miserable child. It's just that you two are destined but not destined..."

Tang Hongying sighed, obviously she knew the content of the letter!

"Chen Ping, you kid didn't tell us that if you and Yu Qi were really friends, your mother and I wouldn't object. It doesn't matter what their identity is, as long as they are serious, we are afraid that you will be deceived. Now, in the evening, you invite Yuqi to your house for a meal, and your mother and I will apologize to them. They lent us their house, and we misunderstood them..."

Chen Baoguo said to Chen Ping.

"Yes, yes, it's your father's fault for believing others' words. They lent us such a nice house, how could they still be lying to you? Now I have misunderstood them, how bad it is, you must call Yu Qi Come home, let me follow Yu Qi and apologize. She is such a rich girl, but she doesn't dislike our family, and we actually misunderstood her motives..."

Tang Hongying also followed Chen Ping with a face full of shame!

"Well, I'll call her home in the evening..."

Chen Ping nodded!

In the evening, Su Yuqi happily went to Chen Ping's house and brought many gifts. Chen Baoguo and Tang Hongying prepared a sumptuous dinner!

"Uncle, aunt, you are getting older and older. I think you should move to Panlong Bay. After all, the air there is good and the environment is good..."

Su Yuqi said to Chen Baoguo and Tang Hongying at the dining table!

Chen Baoguo didn't speak, and Tang Hongying said: "Yu Qi, we will listen to whatever you say. From now on, your uncle and I will only listen to you, and we will not listen to anyone else..."

Tang Hongying still feels guilty for listening to strangers and misunderstanding Su Yuqi!

"Okay, then we'll move there tomorrow..." Su Yuqi said happily!

When Chen Ping saw that his parents agreed to move to Panlong Bay, he felt relieved. He could finally practice properly. He had been delayed for a long time!

Early the next morning, Chen Ping took his parents back to Panlong Bay. Feeling the spiritual energy on the top of Panlong Bay mountain, Chen Ping could not wait to sit down and practice right away!

At noon, Su Yuqi called Chen Ping and said that Gu Wentian had something to do with Chen Ping, and it seemed to be about the magic pen.

After Chen Ping received the call, he was very excited. As long as he found the magic pen, his mother's eyes could be cured.

Chen Ping rushed to the Su's house without stopping, just when Lin Tianhu was looking for him, and the two of them went to the Su's house together.
