

The Order 3011

Chapter: 3011

Perhaps it was precisely because of the different philosophies of the two demon clans that they were completely separated.

Chen Ping felt that he really had to re-examine the so-called evil cultivators and demons in the future.

“Actually, our sect leader is the most loving person I have ever seen. Every time I see him, I feel like a father!”

Zhou Jie’s eyes sparkled with admiration.

Seeing Zhou Jie’s behavior, Chen Ping frowned slightly and said, “Your sect master wears a mask and speaks strangely. He doesn’t feel as good as you said?”

“That’s because you have never seen our sect master before. Our sect master used to look more polite than the current deputy sect master.”

“It’s just that a fire five years ago caused our sect leader’s face to be destroyed, and his temperament also changed a lot. Since then, I haven’t said a word to the sect leader.”

When Zhou Jie talked about this incident, her face was obviously a little sad!

“Is your deputy sect master very senior in your Demon Spirit Sect?”

Chen Ping saw that Song Qingping was not very old, but he was able to become the deputy master of the Demon Spirit Sect!

And looking at Song Qingping’s performance today, it seems that he has more power than the sect leader.

So Chen Ping asked curiously.

“Our deputy leader has only been here for six years, which is even later than me. However, our deputy leader has outstanding abilities. Since our sect leader’s accident, we have appointed him as deputy leader to help take care of the affairs of the Demon Spirit Sect.”

Zhou Jie said.

When Chen Ping heard this, he frowned slightly. He always felt that something was wrong, but he couldn’t tell what was wrong!

Song Qingping was also respectful to him and seemed very sincere. He also told Chen Ping all the secrets in the Demon Spirit Sect!

But Chen Ping always felt that Song Qingping was very confusing and he couldn’t see through it!

“Hmph, what does outstanding ability mean and look good? At first glance, he looks like a pretty boy...”

Hu Mazi on the side immediately became unhappy when he saw Zhou Jie praising Song Qingping, so he snorted coldly.

“What nonsense are you talking about...”

Zhou Jie frowned slightly and looked at Hu Mazi angrily!

When Chen Ping saw this, he quickly said to Zhou Jie: “Miss Zhou, I’m sorry, we are going to rest...”

After saying that, Chen Ping took Hu Mazi and left!

“Hmph, I saw that the pretty boy was definitely not a good person. This silly girl must have been deceived...”

Chapter: 3012

Hu Mazi seemed very jealous when she saw that Zhou Jie cared so much about Song Qingping!

“Okay, whether you were deceived or not, that’s someone else’s business. But about Song Qingping, I always feel like something is wrong, but I can’t really explain it!”

Chen Ping frowned slightly.

“What? Didn’t we have a good deal today? Is that place a resource area of the Demon Spirit Sect?”

Hu Mazi looked at Chen Ping like that and asked.

Chen Ping shook his head: “The Demon Spirit Sect doesn’t have many resources, but they have a very magical map.”

Then Chen Ping told Hu Mazi what happened in the hall in detail!

“It’s incredible that there is such a magical map in this world.”

After hearing this, Hu Mazi also exclaimed!

This kind of map that can predict the growth of precious medicinal herbs is simply unheard of!

Chen Ping stayed in the secret realm with Hu Mazi for another day. The two of them were very bored!

After all, the secret realm is too small and there is basically nothing, so the two of them plan to go out and play around in Nanhu!

Another important reason why Chen Ping wants to go to Nanhu is that he wants to know whether Zheng Anguo is really capable of absorbing the fortune of a city!

After getting permission, Zhou Jie took Chen Ping and Hu Mazi out of the secret realm, and then to Nanhu!

Zhou Jie took Chen Ping and Hu Mazi around Nanhu for a long time. Nanhu City was very small, and they almost covered the entire Nanhu in half a day.

“I’m too tired, you two go around, I’m going to find a place to rest!”

Hu Mazi made an excuse and left in a hurry!

Chen Ping knew immediately what Hu Mazi was doing. This guy couldn’t live without women!

Zhou Jie also seemed to know what Hu Mazi was going to do, and couldn’t help but rolled her eyes: “Are men so irresistible to that kind of thing?”

“Look at that impatient look...”

Zhou Jie’s words made Chen Ping instantly embarrassed. He coughed lightly and said, “Miss Zhou, not all men are like Master Hu. I am still a young man...”

Chen Ping’s words instantly surprised Zhou Jie, who looked at Chen Ping in disbelief: “You... you have so many women and girlfriends around you, don’t you have any...”

“No, absolutely not. I always feel that that kind of thing is sacred and has to wait until marriage...”

Chen Ping waved his hands repeatedly and said.

Chapter: 3013

Zhou Jie looked at Chen Ping like that and suddenly smiled: "I didn't expect that in such a society, there would be such an innocent young man like you. If it weren't for the fact that I already have a sweetheart, I would really want to pursue you..." "

"Is your sweetheart that Song Qingping?"

Chen Ping asked directly.

Zhou Jie's face turned slightly red, then she nodded: "Well, our deputy leader is very good to me..."

Chen Ping looked at Zhou Jie's shy look, and didn't know why he always felt strange in his heart. He could never see clearly about Song Qingping, and he always felt that Song Qingping was not as he seemed on the surface!

Chen Ping followed Zhou Jie while walking and chatting. Soon it was noon, and the two of them found a place to eat!

In this small border town, although there are no high-end hotels like big cities, it still has its own special food!

Zhou Jie ordered a large table of dishes, and they all looked good!

"Do you often eat here?"

Chen Ping asked.

Zhou Jie shook her head: "The rules of our Demon Spirit Sect are very strict and we cannot leave the secret realm casually. However, because of my position, I need to go out of the secret realm frequently. I have eaten here twice!"

"But some of our fellow Demon Spirit Sect members have never left the secret realm after joining the Demon Spirit Sect."

“What’s the difference between that and going to jail...”

Chen Ping couldn’t help but smile. Being trapped in such a small place and unable to take a step out was like being in prison!

“As a monk, shouldn’t you be concerned about worldly affairs and concentrate on your cultivation? In fact, it is the sect master’s intention to prevent people within the sect from entering and exiting the secret realm at will.”

“Now that the spiritual energy of heaven and earth in this world has been exhausted, it is no longer suitable for monks to survive. Moreover, according to the laws of heaven and earth, if we stay here for a long time, not only will our cultivation not be able to grow, we may even regress, and our bodies may even suffer irreversible damage!”

“Otherwise all the monks would come out of the secret realm, and there would be nothing going on in the martial arts world in this world!”

“But the spiritual energy will be revived soon, and perhaps a battle will begin again...”

Zhou Jie’s eyes flashed with a hint of worry!

When the spiritual energy is really revived, a battle for resources will be staged again!

All fairies and demons will do anything to benefit themselves!

“Actually, it’s good to live like this. If the spiritual energy really recovers, it will be a disaster for ordinary people...”

Chen Ping could even imagine that when the spiritual energy revived, all the secret realms would be opened, and the whole world would be in chaos.

At that time, ordinary people will be nothing more than ants in the eyes of these monks, worthless...

Chapter: 3014

“This may be fate, no one can change it, destiny cannot be violated...”

In fact, Zhou Jie doesn't want to get to that point, because then she will face a loss of life and endless fighting!

“By the way, Miss Zhou, your Demon Spirit Sect and the Demon Heart Sect behind the Martial Arts Alliance are of the same origin. Why can their people walk around this world at will without being controlled?”

Chen Ping asked in surprise.

It turns out that Chen Ping had always thought that the laws of heaven and earth were only applicable to immortal cultivators and had no restrictions on demon cultivators.

But now it seems that the Demon Spirit Sect is obviously being restricted, so his idea is wrong.

“The Demon Heart Sect is also subject to restrictions. Otherwise, if you were so provocative to the Martial Arts Alliance, why did the Demon Heart Sect never send a master to kill you directly?”

“The Martial Arts Alliance is just the spokesperson of the Demonic Heart Sect in the secular world, and those people are possessed by souls. The laws of heaven and earth cannot control souls without their own bodies, so the Demonic Heart Sect used this loophole to make its disciples commit suicide. , and then controlled the soul to come to the secular world!”

“However, this method has a fatal drawback, that is, the strength of soul possession will be greatly reduced, and not everyone can become a host, and the selection of hosts is also very demanding.”

“The Demonic Heart Sect has spent a lot of money in order to lay out the entire secular world before the spiritual energy is revived. However, their approach of killing one thousand enemies and damaging eight hundred to themselves is too cruel...”

Zhou Jie told Chen Ping in detail, while Chen Ping looked shocked. He did not expect that the Demon Heart Sect would do such a thing and let his disciples commit suicide just to create souls.

But at this time, Chen Ping suddenly remembered that in the secret realm of the Demon Spirit Sect, his soul passed through the chaotic space out of his body and was not blocked by that mysterious force. It seemed that that force should be the power of the laws of heaven and earth.

But soon, Chen Ping seemed to find a problem. Zhou Jie's status in the Demon Spirit Sect was not high, so how could he know so many things?

Logically speaking, the recovery of spiritual energy and the layout of the Demon Heart Sect are considered secrets. How did Zhou Jie know about it?

"Ms. Zhou, I can take the liberty to ask you, how do you know so much?"

Chen Ping asked with a puzzled look.

When Chen Ping asked, Zhou Jie realized that she seemed to have said too much.

With someone like her, it stands to reason that she shouldn't know so much.

But now Chen Ping is starting to get suspicious, and Zhou Jie can't hide anything!

"Mr. Chen, I regard you as a friend, that's why I told you so much without knowing it. I tell you, you must never tell the sect master, okay?"

Zhou Jie looked at Chen Pingdao with a pleading look on her face.

"Don't worry, Miss Zhou. Since you treat me as a friend, how could I betray my friend..."

Chen Ping nodded.

Zhou Jie hesitated for a moment, then gritted her teeth and said, "Since Mr. Chen asked, I will tell you. In fact, what I know was told to me by the deputy sect leader."

Chapter: 3015

"Our deputy sect master seems to know the Demonic Heart Sect very well and told me a lot of things."

"You must not tell anyone, otherwise the sect master will definitely punish the deputy sect master if he finds out."

"Don't worry, Miss Zhou, I won't tell you anything," Chen Ping promised.

But Chen Ping still didn't understand, so why did Song Qingping follow Zhou Jie and say this?

Even if the two are now boyfriend and girlfriend, there is no need to say this, right?

After all, in such an environment, the more you know, the more dangerous it is. If Song Qingping was thinking about Zhou Jie, he would not tell her these things.

"Miss Zhou, I still don't understand. Then Deputy Leader Song, why do you need to tell you all this?"

"After you know these secrets, it won't do you any good, right?"

Chen Ping asked.

Zhou Jie's face turned slightly red and she said, "Our deputy alliance leader was drunk once. He came to my room and told me. He also said that he would give me a life that I could never imagine..."

"You're drunk and want to go to your room? Have you already..."

Chen Ping looked at Zhou Jie, which made Zhou Jie blush even more!

“I am already the deputy leader...”

Zhou Jie lowered her head and whispered.

Chen Ping smiled awkwardly and didn't ask any more questions. He could only lower his head and start eating!

While Chen Ping was eating with Zhou Jie, he suddenly felt a strange feeling, as if someone was staring at him from behind!

Chen Ping frowned slightly, and his consciousness instantly dispersed, but soon a smile appeared on the corner of Chen Ping's mouth, and he took his consciousness back!

“Mr. Chen, what's wrong with you?”

Zhou Jie looked at Chen Ping, frowning and smiling, and asked in confusion.

“Nothing, let's eat, some people are probably impatient...”

Chen Ping smiled slightly.

“Are you waiting? Who is waiting for us?”

Zhou Jie looked confused.

“You'll know later. Hurry up and eat.”

Chapter: 3016

After Chen Ping finished speaking, he started eating quickly!

After eating and paying the bill, Chen Ping followed Zhou Jie and walked out!

Chen Ping seemed to be walking casually on the street, but he was already secretly observing the people behind him!

“Are you all ready? People will be here soon...”

At this time, Zheng Kai asked eight servants at a street corner.

“Master, everything is ready, don’t worry.”

One of the servants said.

“That’s good!” Zheng Kai nodded, then raised the corner of his mouth: “You brat, if you dare to slap me in the face, I will let you taste the power of our Zheng family’s soul-locking chain today.”

Soon, Chen Ping followed Zhou Jie to the corner of the street, but at this time, Zhou Jie frowned slightly, as if she felt a hint of danger!

“Mr. Chen, that’s not right. There should be people coming and going here now. Why is this street so quiet?”

Zhou Jie became more vigilant and said to Chen Ping.

“Maybe they all went home for dinner, there’s nothing wrong with that.”

Chen Ping smiled slightly and continued to walk forward.

“Mr. Chen, be careful of an ambush. I feel something is wrong here...”

Zhou Jie stood in front of Chen Ping and looked at both sides of the street with vigilant eyes!

Zheng Kai, who was hiding in the dark, saw that Zhou Jie actually blocked Chen Ping from moving forward. He suddenly became anxious. If Chen Ping didn't continue to move forward, he would not be able to fall into the trap he set!

“Damn it, you stinky bitch, don't ruin my good deeds...”

Zheng Kai was in the dark, cursing at Zhou Jie.

“Ms. Zhou, you are too cautious. I think it is quite safe here. Don't worry...”

Chen Ping pushed Zhou Jie away and continued to move forward!

Seeing this, Zheng Kai smiled secretly in his heart: “Idiot, this is God's will...”

Zhou Jie looked wary and slowly grasped the hilt of the sword with one hand!

Chen Ping turned the corner, then glanced at the empty street, then glanced at both sides, raised the corner of his mouth slightly, and walked forward indifferently.

Zheng Kai clenched his fists tightly, and his nervous palms were sweaty!

Chapter: 3017

Chen Ping immediately walked into the trap, but suddenly stopped.

This time, Zheng Kai raised his voice directly, and his whole body was exerting force!

“Go in, go in, go in...”

Zheng Kai secretly whispered in his heart!

“Ms. Zhou, you still said there was danger, but I don’t think there is anything wrong...”

Chen Ping turned around, took two steps back, and said to Zhou Jie who was following behind.

Zhou Jie looked around. Although she had a feeling of danger, she was not sure. Now she found that nothing happened, so she relaxed.

“Maybe I’m really sensitive...”

Zhou Jie put away her tense expression and said.

This time, Zhou Jie was no longer nervous, but Zheng Kai in the dark was extremely nervous. Seeing that Chen Ping was about to step into the trap, he didn’t want to take the last step and retreated.

“Mr. Chen, although there is no danger, we should go back...”

After Zhou Jie finished speaking, she took the lead and walked forward.

When Zheng Kai saw that Zhou Jie was walking in front, his heart suddenly rose. If Zhou Jie triggered the trap, Chen Ping would have to escape!

At this moment, Zheng Kai was anxious and scratching his head!

“Miss Zhou...”

At this moment, Chen Ping called Zhou Jie, and Zhou Jie stopped and saw Chen Ping.

“Mr. Chen, what’s wrong?” Zhou Jie asked.

“It’s okay. I think it’s more appropriate for me to go in front. After all, I’m a guest...”

Chen Ping smiled lightly.

Zhou Jie was stunned for a moment, but then she smiled: “That’s right, distinguished guest, please invite me first...”

Zhou Jie made a gesture of invitation, while Chen Ping walked forward swaggeringly!

Zheng Kai was extremely happy when he saw this scene.

“Idiot, I asked you to pretend, just waiting for you to take the bait...”

Zheng Kai smiled secretly and stared at Chen Ping with his eyes!

Chapter: 3018

Just after Chen Ping stepped into the trap that Zheng Kai had laid long ago, the sky suddenly darkened, and eight people suddenly appeared on both sides of the street, each holding a black chain in their hands.

Eight people were thrown away at the same time, and the eight chains instantly moved towards Chen Ping. At this moment, Chen Ping’s body seemed to be sucked to the ground, unable to move at all!

The eight chains were like pythons, wrapping around Chen Ping’s body and tying him tightly.

Seeing this, Zhou Jie drew her sword and wanted to save Chen Ping!

But Chen Ping shouted loudly: "Miss Zhou, run quickly and leave me alone, otherwise none of us will be able to escape..."

When Zhou Jie heard this, she paused and then said: "Mr. Chen, don't worry, I'll call someone to save you right now..."

Zhou Jie jumped up and disappeared in an instant!

Zhou Jie knew that the only person who arrested Chen Ping was Zheng Kai from the Zheng family. This guy was a petty person and would avenge himself.

Zhou Jie's strength is not enough to fight against the entire Zheng family!

Zhou Jie ran away, and Zheng Kai did not pursue him. His main purpose was to target Chen Ping!

Seeing Chen Ping being chained up by his own soul chain, Zheng Kai walked out of the darkness with a proud look on his face!

"Chen Ping, I said that no one dares to disrespect me in Nanhu. You are the first, so I will make you pay the price today."

Zheng Kai looked at Chen Ping with a sneer.

When Chen Ping saw Zheng Kai coming out, he didn't seem to be panicked. Instead, he smiled lightly and said, "You caught me, what are you going to do to me? Kill me?"

"No, no, no, how could I kill you? You are now a big celebrity in the martial arts world. I, Zheng Kai, want to let the martial arts world know who is the number one among the younger generation."

"No matter how awesome you Chen Ping is, you are now my prisoner. I want to show my father that he thinks too highly of you. You are just showing off."

After Zheng Kai finished speaking, he waved his hand and said: "Take it away, I want to show the entire martial arts world that this dazzling new star in the martial arts world fell into the hands of me, Zheng Kai."

Chen Ping didn't resist at all and followed Zheng Kai back to Zheng's house obediently!

"dad....."

As soon as he entered the door, Zheng Kai shouted loudly!

He wanted Zheng Anguo to see that Chen Ping was not as awesome as the rumors said and that he was not caught as soon as he made a move.

At this time, Zheng Anguo was discussing things with several senior members of the Zheng family!

Hearing Zheng Kai's yelling voice, Zheng Anguo frowned: "This bastard, I don't know what trouble he got into again."

"That's it for today. You all go back. Don't talk to anyone about what happened today."

Chapter: 3019

Zheng Anguo waved his hand and asked those senior officials to leave!

Then he walked out of the secret room and yelled at Zheng Kai, who was yelling: "Why are you yelling all day long? What do you want from me?"

When Zheng Kai saw his father coming out, he immediately said with a proud look on his face: "Dad, didn't you say that Chen Ping is awesome? He's awesome. I haven't caught him yet. I want to make the martial arts world Everyone knows that I, Zheng Kai, caught Chen Ping..."

Zheng Kai showed off to Zheng Anguo and raised his head, not to mention how happy he was.

But Zheng Anguo looked surprised and said, "What did you say?"

"I said I captured Chen Ping..."

Zheng Kai said.

"How is it possible? Chen Ping is a leader who is not even afraid of the Martial Arts Alliance. Many masters of the Martial Arts Alliance have died in his hands. How could you capture him?"

Zheng Anguo didn't believe it. After all, Zheng Anguo knew very well what his son's strength was.

"Dad, why don't you believe it? I caught him with our soul chain."

Zheng Kai explained.

When Zheng Anguo heard this, his anger suddenly rose: "Damn it, you beast, you are going to piss me off. Can you use the soul locking chain casually?"

"Dad, I used it anyway and captured Chen Ping. From now on, our Zheng family will be famous throughout the martial arts world."

"By then we won't have to stay in this small Nanhu, we can go to big places for development."

Zheng Kai said nonchalantly.

"You...you..." Zheng Anguo was so angry that his whole body was trembling slightly, and then he said: "Then where is Chen Ping?"

"It's in the front yard. I'll take you to see that guy. He's not just a trivial person..."

Zheng Kai took Zheng Anguo and walked to the front yard!

At this time, Chen Ping was being chained to a big stone pillar in the Zheng family yard by a soul chain!

When Zheng Anguo saw that Chen Ping was indeed locked, the expression on his face became very complicated.

After hesitating for a moment, Zheng Anguo walked quickly towards Chen Ping and said, "Mr. Chen, I'm so sorry. You are so ignorant that you offended Mr. Chen..."

"Do you know me?" Chen Ping was a little surprised. He had no friendship with the Zheng family. Why was Zheng Anguo so polite to him?

"Mr. Chen's name is well known to everyone in the martial arts world. Mr. Chen is the leader of the younger generation in the martial arts world..."

"I wonder what Mr. Chen is doing in Nanhu after traveling thousands of miles?"

Chapter: 3020

Zheng Anguo wanted to know if Chen Ping came to Nanhu and what was going to happen in Nanhu was related!

"A friend of mine brought me here to play..."

Chen Ping said casually.

Of course, it was impossible for him to tell Zheng Anguo about his cooperation with the Demon Spirit Sect.

"Mr. Chen, are you just here to have fun?"

It seems that Zheng Anguo doesn't quite believe what Chen Ping said.

Seeing Zheng Anguo's reaction and expression, Chen Ping seemed to have something going on, so he asked, "Master Zheng, what do you think I do in Nanhu?"

Zheng Anguo was asked by Chen Ping and didn't know what to do, so he smiled awkwardly and said: "I think Mr. Chen is just here to have fun, but with Mr. Chen's prestige and status in the martial arts world, when he comes to Nanhu, my Zheng family should give him warm hospitality ah....."

Zheng Anguo praised Chen Ping.

Then Zheng Anguo will be released by Chen Ping!

"Dad, you are crazy. I finally caught him."

Zheng Kai stepped forward to stop Zheng Anguo and asked.

Snapped.....

Zheng Anguo stepped forward, slapped Zheng Kai directly, and then said viciously: "You bastard, I am still the head of the Zheng family. Are you going to rebel?"

Zheng Kai got even more angry after being slapped, so he said with all his heart: "Dad, I won't let you let him go anyway, or you will kill me. I can't swallow this breath anyway..."

Zheng Kai is threatening Zheng Anguo. Zheng Anguo is just a son like him, so he might kill him!

"you....."

Zheng Anguo's face turned red with anger when he was threatened like this by his son!

The palm of his hand was raised but not falling. He couldn't really beat Zheng Kai to death.

"You father and son even quarreled over whether to let me go, which made me feel embarrassed." Chen Ping smiled lightly and said, "I'd better do it by myself to save you father and son from having a conflict!"

After Chen Ping finished speaking, bursts of golden light began to emit from his body, and a terrifying aura filled the sky over the entire Zheng family!

Feeling the terrifying aura on Chen Ping's body, Zheng Anguo and Zheng Kai both widened their eyes and were shocked!

Wow.....

Suddenly, the eight soul-locking chains tied to Chen Ping's body broke directly, and the broken soul-locking chains fell to the ground!
