

## **The Order 3021**

Chapter: 3021

Seeing this scene, Zheng Anguo and Zheng Kai were instantly dumbfounded!

You must know that this soul-locking chain is an heirloom of their Zheng family. It is an upper-level magic weapon, but it was destroyed in Chen Ping's hands so easily.

Chen Ping stroked the dust on his body, and then said lightly to Zheng Anguo: "Master Zheng, I'm sorry, I broke your treasure..."

Zheng Anguo didn't speak, he didn't even know what to say.

And when Zheng Kai looked at Chen Ping, it was as if he was seeing a devil. The arrogance he had just now had long since disappeared!

"For your father's sake, I will spare you once today. If there is another time, your Zheng family will prepare a coffin."

Chen Ping looked at Zheng Kai, and after finishing speaking, he turned around and walked out!

Just when Chen Ping walked to the door, Zheng Anguo realized what he was doing and hurriedly chased after him.

"Mr. Chen, please stay, please stay..."

Zheng Anguo shouted.

Chen Ping turned to look at Zheng Anguo: "Master Zheng, do you want me to accompany this precious child of yours?"

“No, no, no, Quanzi was at fault first. How dare I ask Mr. Chen to pay for it.”

“I just want to invite Mr. Chen to sit in his humble house so that Quanzi can apologize to Mr. Chen.”

“And I have admired Mr. Chen for a long time, so I want to talk to Mr. Chen...”

Zheng Anguo left Chen Ping behind because he wanted to talk with Chen Ping.

“Okay!” Chen Ping nodded and agreed without hesitation.

He was also wondering how Zheng Anguo could seize the power of creation from a city!

Zheng Anguo invited Chen Ping into the room, and then ordered to Zheng Kai: “You bastard, why don’t you pour tea for Mr. Chen yourself...”

This time, Zheng Kai put away his arrogant manner and respectfully poured Chen Ping a cup of tea!

Just now, Chen Ping easily broke the soul-locking chain. You can know that Chen Ping’s strength is not comparable to that of Zheng Kai. The two are thousands of miles apart!

“Mr. Chen, it was my fault in teaching that caused the dog to offend Mr. Chen. I apologize to Mr. Chen on his behalf...”

“I hope Mr. Chen has a lot of it and doesn’t care about it.”

Zheng Anguo picked up the tea and said respectfully.

“Master Zheng, you’re welcome, it’s just a small misunderstanding...”

Chapter: 3022

Chen Ping smiled lightly.

Seeing Chen Ping say this, Zheng Anguo felt a little more at ease. Otherwise, if Chen Ping really attacked Zheng Kai, Zheng Kai would be in danger.

“Mr. Chen, you are lucky to come to Nanhu. I will send someone to prepare a residence for Mr. Chen right away. Mr. Chen can choose a place at will in the entire Nanhu City.”

“And here, Mr. Chen can do whatever he wants and live as long as he wants. I, Zheng Anguo, still have this right.”

Zheng Anguo started to please Chen Ping!

“Master Zheng, you don’t have to be so polite. I told you that I just came here to play with my friends for two days and will leave soon.”

Chen Ping once again emphasized that he came here to play casually for two days.

He felt that Zheng Anguo was very cautious about his sudden arrival in Nanhu, as if he was afraid that he might have some intentions towards Nanhu!

So Chen Ping emphasized this again to reassure Zheng Anguo!

“That’s such a pity. I hope Mr. Chen can stay in Nanhu for two more days, but as long as Mr. Chen has time, he can come to Nanhu at any time...”

“Although our Nanhu Lake is located on the border, the scenery is pretty good, but the resources are a bit lacking!”

Zheng Anguo said it was a pity, but his face was already full of joy!

No matter what Chen Ping came to Nanhu for, Chen Ping's arrival did put a lot of pressure on Zheng Anguo.

"Master Zheng, I have something that I don't know whether to talk about or not..."

Chen Ping said.

"Mr. Chen, why are you being polite to me? You can say whatever you want. As long as I know what I know, I will tell you the truth."

Zheng Anguo said swornly.

"Master Zheng, if resources are so scarce in Nanhu, and your Zheng family is established in Nanhu, how do you practice? I heard that Master Zheng has absorbed the power of creation from the entire city to practice."

Chen Ping asked curiously.

Seeing Chen Ping's question, Zheng Anguo burst into laughter.

"Hahaha, Mr. Chen actually believes this rumor. I, Zheng Anguo, am so virtuous and capable that I can absorb the power of creation of the entire city."

"The rumors that everyone has said are all false. I am just using my identity to absorb the power of people's faith!"

"As the lord of the entire Nanhu City, I can still do it by asking every family to worship my statue."

"Furthermore, our ancestors have also passed down a set of techniques that can be practiced with the help of everyone's faith, but these are just a drop in the bucket."

Chapter: 3023

“If you really want to improve your strength, you still have to rely on a lot of resources. If I can really absorb the power of creation of the entire city, why should I stay in this little Nanhu now!”

Zheng Anguo followed Chen Ping and explained.

“The power of faith...”

Chen Ping suddenly realized that it seemed that the skills passed down by the Zheng family were similar to those of the Blood Demon on Penglai Island. The Blood Demon also relied on people to worship statues and absorb the spiritual power from people’s bodies!

However, Chen Ping did not agree with what Zheng Anguo said that the power of faith is not enough, but it is just a drop in the bucket!

The reason why Zheng Anguo feels that the power of faith is useless is because Nanhu is too small and has a small population base. In addition, people’s faith in Zheng Anguo may not be great, so Zheng Anguo feels that it is useless!

What if it was the power of faith concentrated by the people of a big city? What if it’s a country?

What if it was the whole world?

With such a large base, the power of faith will definitely be very terrifying!

It’s just that it’s extremely difficult to get so many people to believe in you.

But at this time, Chen Ping had already become interested in such exercises!

While Chen Ping was chatting with Zheng Anguo, Zhou Jie had returned to the Demon Spirit Sect!

“Vice Leader Song, it’s not good, it’s not good...”

After Zhou Jie returned to the Demon Spirit Sect, she found Song Qingping.

“Zhou Jie, what’s wrong?”

Song Qingping frowned slightly.

“Mr. Chen was kidnapped by Zheng Kai, the son of the Zheng family...”

“You should quickly find a way to save him!”

Zhou Jie said.

“He was captured by the Zheng family? Why did you arrest him?”

Song Qingping asked with a puzzled look on his face.

Zhou Jie could only tell her about the conflict with Zheng Kai, but she did not say that Hu Mazi took advantage of her.

“This young master of the Zheng family is really stupid. He even dared to arrest Chen Ping...”

Song Qingping smiled lightly.

Chapter: 3024

“Deputy Leader Song, hurry up and send someone to rescue Mr. Chen. Don’t we want to cooperate with him?”

Zhou Jie said with some doubts when she saw that Song Qingping was not in a hurry and even laughed.

“Don’t worry, Chen Ping will be fine. If he can’t even handle a small Zheng family, then what’s the point of us cooperating with him?”

“He will definitely be fine. It is probably the Zheng family that will be unlucky.”

“You go back now, otherwise he won’t be able to open the door to the secret realm by himself.”

Song Qingping said calmly.

Zhou Jie looked at Song Qingping in confusion. She didn’t know whether what Song Qingping said was true.

Seeing that Zhou Jie didn’t believe it, Song Qingping reached out and touched Zhou Jie’s face gently and said, “When did I lie to you? Don’t worry, go find Chen Ping. He will definitely be fine...”

When Song Qingping touched her face so ambiguously, Zhou Jie blushed instantly and nodded: “Okay, I’ll go find him...”

Zhou Jie walked out of the secret realm and then came to the Zheng family!

Sure enough, she saw Chen Ping drinking tea and chatting with Zheng Anguo, while Zheng Kai stood respectfully aside, not daring to raise his head!

After Zheng Anguo saw Zhou Jie, he looked at Chen Ping thoughtfully and said, “Mr. Chen, is this the friend you call?”

Chen Ping nodded and said, “Yes, her name is Zhou Jie!”

“Hello, Master Zheng!” Zhou Jie followed Zheng Anguo and said hello!

“Haha, no wonder Mr. Chen traveled thousands of miles to come to Nanhu, a remote place in the countryside. It seems that since ancient times, heroes have been saddened by beauties...”

Zheng Anguo thought that Chen Ping and Zhou Jie were boyfriend and girlfriend.

Seeing that Zheng Anguo had misunderstood, Chen Ping did not explain, but just smiled!

And Zhou Jie said: “It’s time for us to go...”

Chen Ping followed Zheng Anguo to say goodbye, and then followed Zhou Jie back to the secret realm!

As for Hu Mazi, Chen Ping didn’t even look for him, because he knew that as long as Hu Mazi found a woman, he wouldn’t leave the house for three to five days.

After returning to the secret realm, Chen Ping originally wanted to explore the chaotic space again, but because Hu Mazi was not around, Chen Ping was afraid that his body would be destroyed after his soul left the body, so he gave up the idea.

But as soon as Chen Ping closes his eyes, the ten-thousand-year-old Polygonum multiflorum plant is in his mind. You must know that the ten-thousand-year-old medicinal material is rare and has never been seen by even the major sects.

In the evening, Zhou Jie suddenly found Chen Ping: “Mr. Chen, our deputy sect leader is looking for you...”

Chen Ping was a little confused, what was Song Qingping doing with him so late at night?

Chapter: 3025

Soon Chen Ping saw Song Qingping, and Song Qingping didn’t talk nonsense and said directly: “Mr. Chen, the map shows that there will be medicinal herbs appearing on the mountains a hundred miles west of Nanhu City. As for what kind of medicinal herbs will appear, we I don’t know, but I’m sure the herbs this time should be quite large.”

“To express our sincerity, the herbs this time will be handed over to Mr. Chen. Our Demon Spirit Sect will not take away any of it...”

“Can you let me take a look at the map?” Chen Ping asked.

“of course.....”

Song Qingping took Chen Ping into the secret room, and then Chen Ping looked at the place marked on the map in the west of Nanhu City. A golden light spot was flashing continuously, and the frequency and brightness of the flashing were getting bigger and bigger.

“Hey, how can the herb display be different this time?”

Song Qingping looked at the flickering golden light spots with confusion on his face!

“What? What’s different?”

Chen Ping asked.

“In the past, all the flashing dots were red dots, and they were not so fast in frequency and brightness.”

“Why did it turn into gold this time? It was still red when I discovered it just now...”

Song Qingping looked at the map carefully, his face full of confusion!

“Vice Sect Leader Song, when will this herb appear? Can it be seen on this map?”

Chen Ping continued to ask.

“It will probably be three days later, but there is no way to tell the specific time.”

Song Qingping said.

“Okay, I’ll go take a look in three days!”

Chen Ping looked at the flickering golden dots on the map, his heart filled with infinite yearning, and he felt like he couldn’t wait!

“Mr. Chen, I hope you will make preparations early and check back in three days. I’m afraid there will be nothing left by then...”

Song Qingping reminded Chen Ping.

After all, the entire South Lake is in the hands of the Zheng family. If any medicinal herbs appear, it is impossible for the Zheng family not to know about it. Although they will not know about it in advance, they will definitely know about it as soon as the medicinal herbs appear.

“Okay, then I’ll leave tomorrow...”

Chen Ping said and walked out of the secret room!

“Mr. Chen, our Demon Spirit Sect is so sincere, what about the blood demon’s body?”

Chapter: 3026

Song Qingping looked at Chen Ping and asked.

“Don’t worry, as long as your Demon Spirit Sect is sincere, this blood demon body will be given to you. It’s of no use to me.”

After Chen Ping finished speaking, he left directly!

In the dead of night, Chen Ping always couldn't sleep and always wanted to see the thousand-year-old Polygonum multiflorum!

Finally, Chen Ping couldn't stand it any longer, slowly stood up, and took advantage of the night to reach the edge of the secret realm!

After observing the surroundings, Chen Ping drew the escape talisman. Following the last experiment, Chen Ping was very comfortable in drawing the talisman and succeeded in one try!

Putting the talisman on his body, Chen Ping's soul came out of his body instantly!

After taking a look at his own body, Chen Ping penetrated the barrier and entered the chaotic space!

A large amount of killing power attacked Chen Ping's soul, but Chen Ping persisted dazzlingly!

I don't know how long he walked, but suddenly his eyes lit up. Chen Ping re-entered the land of resources!

Chen Ping didn't look at anything else and went straight to the ten thousand-year-old Polygonum multiflorum!

I saw the ten thousand-year-old Polygonum multiflorum exuding a faint golden light. When Chen Ping came closer, the Ten-thousand-year-old Polygonum multiflorum was swaying slightly, as if it sensed Chen Ping!

Chen Ping reached out and touched it. Unfortunately, because he was a soul body, he couldn't touch the Polygonum multiflorum at all.

However, the large amount of spiritual energy from the three sides of Polygonum multiflorum still made Chen Ping feel refreshed!

“It would be great if we could take away this ten thousand-year-old Polygonum multiflorum...”

Chen Ping stared blankly, his eyes full of helplessness!

But at this moment, the ten thousand-year-old Polygonum multiflorum suddenly started to flash with golden light, and then began to become lighter and fainter!

Chen Ping was stunned when he saw this scene. He saw that the light of Polygonum multiflorum was getting weaker and weaker, and the Polygonum multiflorum seemed to become transparent, disappearing little by little in front of Chen Ping!

“What...what’s going on?”

Chen Ping stepped forward and wanted to catch the Polygonum multiflorum to prevent it from disappearing, but he couldn’t catch it at all!

Soon, Polygonum multiflorum disappeared, completely disappearing from Chen Ping’s eyes, as if it had never appeared here before!

Chen Ping’s face was full of surprise. He looked at the other medicinal materials. They were all growing well and there was nothing strange about them!

“how so?”

Chen Ping frowned. He was still thinking of a way to take away the Polygonum multiflorum after passing through the barrier!

Chapter: 3027

Now he actually disappeared in front of him!

Chen Ping thought for a long time, but couldn’t figure out what was going on. Seeing that the time was coming, Chen Ping could only retreat!

Back at his residence, Chen Ping stayed up all night and couldn't figure out the Polygonum multiflorum thing!

In the early morning, Zhou Jie found Chen Ping. She was going to take Chen Ping out of the secret realm and go together to the place where the medicinal herbs would be born!

After leaving the secret realm of Demon Spirit Sect, Chen Ping thought for a while and thought it would be better to take Hu Mazi with him!

Although this guy is lustful, sometimes he does know a lot!

After a lot of searching, I finally found Hu Mazi in a hotel!

Chen Ping stepped forward and knocked on the door. Hu Mazi opened the door impatiently. Hu Mazi was only wearing a pair of underwear. At this time, there were two beauties lying on the bed, scantily clad!

Seeing such a scene, Zhou Jie rolled her eyes at Hu Mazi, then blushed and walked aside. Chen Ping said to Hu Mazi: "Master Hu, there will be medicinal herbs born in three days. I hope you can come with me." Go and have a look..."

Hu Mazi looked at Zhou Jie who was hiding, and scolded Chen Ping: "You guy, why did you bring her here? Isn't this damaging my image?"

"What image do you have? Hurry up and leave..."

Chen Ping stepped forward and pulled Hu Mazi away.

"Hey, hey...you want me to put on clothes..."

Hu Mazi was dragged by Chen Ping and began to get dressed.

The three people headed towards the west direction of Nanhu City.

At the same time, in a secret room of the Zheng family, an old man sat in front of Zheng Anguo. Looking at Zheng Anguo's respectful look, you knew that this old man's identity was not simple!

"Master Wan, I wonder how your deduction went?"

Zheng Anguo asked the old man cautiously.

The old man frowned and said with a stern expression, "Shut your mouth while I'm making the deduction..."

After saying that, the old man stood up and walked out of the secret room, and then threw a handful of black stones into the courtyard!

The black stones actually shone faintly under the sunlight!

"The number of the Heavenly Evolution is the orthodoxy of the Dao. Disciple Wan Hong begs the Patriarch to deduce the Dao of Heaven..."

After the old man finished speaking, he started to kowtow to the black stones in front of him respectfully!

Kowtow to each stone, which is enough for dozens of times!

Chapter: 3028

Zheng Anguo watched from the side and did not dare to give birth anymore.

But at this moment, Zheng Kai suddenly broke into the yard: "Dad, you said..."

As soon as he rushed into the yard, Zheng Kai saw that the yard was full of black stones, and there was an old man kowtowing constantly. This made Zheng Kai puzzled!

Zheng Anguo was instantly startled by Zheng Kai's sudden intrusion, and he quickly waved his hand for Zheng Kai to leave!

But it was too late. Wan Hong raised his head with a cold light in his eyes!

Feeling Wan Hong's eyes, Zheng Kai's body couldn't help but tremble!

Whoosh whoosh whoosh...

Suddenly, the black stones on the ground shot out towards Zheng Kai like sharp weapons!

As a Wuhou, Zheng Kai would not sit back and wait for death. A white mist suddenly erupted from his body and instantly enveloped his whole body!

Bang bang bang.....

The stone hit Zheng Kai, and Zheng Kai flew backward instantly, and a mouthful of blood spurted out!

"Master Wan, please show mercy..."

Seeing this, Zheng Anguo jumped up and stood directly in front of Zheng Kai.

"This deduction technique is against the laws of heaven and spying on heaven's secrets. You broke in at this time. Do you want me to die?"

Wan Hong shouted with a very ugly expression.

“Master Wan, Quanzi is ignorant, and I didn’t tell him. I hope Master Wan won’t blame him!”

Zheng Anguo apologized to Wan Hong.

Zheng Kai clutched his chest and looked at Zheng Anguo in confusion: “Dad, who is this old man? Why is he so arrogant in our family and starting to reward me?”

Zheng Kai didn’t understand why his father, as the Lord of Nanhu City, was so timid!

Forget it if you were afraid of that Chen Ping, now you are even afraid of an old man!

“You bastard, shut up!” Zheng Anguo glared at Zheng Kai and said, “This is Master Wan Hong Wan, please apologize to Master Wan.”

Zheng Anguo asked Zheng Kai to apologize to Wan Hong, but Zheng Kai hadn’t spoken yet, so Wan Hong waved his hand and said: “Forget it, since you are disturbed, it is God’s will, and God’s will cannot be violated, you should hire someone else... ..”

After saying that, Wan Hong waved his hand, and all the black stones returned to Wan Hong’s hands!

Seeing that Wan Hong was about to leave, Zheng Anguo hurriedly stepped forward and said: “Master Wan, it is indeed our fault. Please deduce it once, and I can pay you double the price.”

Chapter: 3029

Zheng Anguo begged to Wan Hong, but Wan Hong seemed to have no intention of staying!

“Master Zheng, the number of Tianyan is child’s play, just for fun, but I can tell you that the opportunity I mentioned some time ago will appear in three days, and the place where it will appear will be a hundred miles west of the city.”

“I don’t know exactly what this opportunity means to you. I can’t deduce it a second time.”

“But I can tell you for sure that this is a great opportunity. If you succeed, your strength will be greatly increased. If not, you may be killed.”

After Wan Hong finished speaking, he ignored Zheng Anguo and left directly!

Zheng Kai listened to the chatter of Wan Hong Shen and said with disdain: “Dad, when did you even show such respect to the magic stick? It’s obvious that this guy is cheating money.”

“Lie to your mother...”

Zheng Anguo almost lost his temper. He stepped forward and slapped Zheng Kai hard!

When Zheng Kai saw that his father was really angry, he was too frightened to speak.

After calming down for a while, Zheng Anguo said to Zheng Kai: “Go and find all the senior officials. This time is a great opportunity for our Zheng family...”

Zheng Kai didn’t know what the great opportunity was, but he still obediently went to summon all the senior officials of the Zheng family.

But after Wan Hong left the Zheng family, he did not leave Nanhu City, but went straight to the west of Nanhu City!

“I didn’t expect that what appeared this time would be a thousand-year-old medicinal herb. This is something that can only be found but cannot be found...”

Wan Hong’s face was full of excitement, and his steps quickened the pace!

In fact, he had deduced it a long time ago, but because what appeared was too tempting, Wan Hong did not follow Zheng Anguo and tell the truth!

However, he was afraid that other people would also keep an eye on this place, so Wan Hong told Zheng Anguo the general location. He knew that Zheng Anguo would send people to guard the entire place. In this way, if the Zheng family appeared, other people might have some scruples!

Wan Hong can use Tianyan's numbers to know the exact location of the ten thousand-year-old herb in advance and take the herb away!

Along the way, Wan Hong kept throwing the black stones forward, and he walked forward along the path of the stones!

Soon Wan Hong came to a jungle. When he threw the stone in his hand, he found that the stone did not shoot forward, but landed steadily three meters away!

At this distance, let alone an adult, even a three-year-old child could throw it this far, but the stone Wan Hong threw with force did not fly far!

Seeing this scene, Wan Hong suddenly smiled on his face: "This is it..."

Then Wan Hong took out more black stones, muttering something in his mouth, and shot the stones in his hand into the surrounding trees one by one!

And there are a lot of black stones scattered on the surrounding ground!

At this time, Chen Ping and the others also rushed to this place. After discovering that there was someone here, Chen Ping looked confused!

Chapter: 3030

"Does anyone here know about it?"

Chen Ping frowned, then approached cautiously!

Chen Ping saw an old man mumbling something while throwing black stones in his hand, like a madman!

“Is this a fool?”

Zhou Jie looked at Wan Hong like that and couldn't help but ask.

“I can't figure it out, it looks like I'm setting up a formation...”

Chen Ping looked at Wan Hong not as a fool, but more like he was setting up a formation, but he had never seen such a technique in setting up an formation!

But when Hu Mazi saw Wan Hong, his face was slightly startled: “Wan Hong?”

When Chen Ping heard this, he immediately looked at Hu Mazi and said, “Master Hu, do you know this person?”

Hu Mazi nodded: “This guy's name is Wan Hong, and he is from the Tianyan Sect. The people in their sect are all talkative. They say all day long that they can understand the way of heaven and deduce the secrets of heaven. In fact, he is just a fucking Just a fortune teller.”

“They know some strange sect skills and cheat everywhere. Many sects and aristocratic families are convinced by these guys...”

Chen Ping stared at Hu Mazi closely, and then asked: “Master Hu, do you have any trouble with this Wan Hong? Is there something wrong with your tone?”

When Chen Ping heard Hu Mazi introduce Wan Hong, he was gnashing his teeth. He probably had something to do with each other!

“Hmph, it was this idiot who made me lose the woman I loved most. Originally, I was going to marry my girlfriend, but my girlfriend went to this guy for a chat before getting married, and was deceived by this guy...”

Hu Mazi stared at Wan Hong, his eyes full of anger!

When Chen Ping heard this, he almost couldn't hold it back and laughed out loud. He didn't expect that Hu Mazi would make such a fuss decades ago!

Zhou Jie on the side said with a face full of surprise: "You still have a girlfriend? Are you still married? If any woman finds you, I'm afraid she will be ruined for eight lifetimes."

"I wasn't like this before. I was very devoted to my girlfriend, but after she ran away, I became like this. I think all women are untrustworthy and can only be treated as playthings..."

Hu Mazi explained.

But when Zhou Jie heard that Hu Mazi referred to women as playthings, she suddenly became unhappy.

"Master Hu, you said this guy is worthless, but how did he find this place? It seems that his deduction skills are still very useful."

Chen Ping said.

After all, Chen Ping relied on the Demon Spirit Sect's map to know this place, but Wan Hong didn't have a map, so he must have relied on his own deduction.

"Bah, it's useless. What is born this time must be a ten thousand year old herb. When this kind of ten thousand year old herb is born, there will definitely be visions in advance. As long as I am nearby, I can also deduce it. What kind of skill is this."
