

## **The Order 3071**

Chapter: 3071

“To establish Longmen at such a young age, and with the support of Mr. Shi, we’d better not provoke him!”

“Let’s go. No matter who gets the Thousand Years Polygonum multiflorum, it won’t be the turn of us stragglers.”

Everyone talked in low voices and began to leave slowly. Although they were reluctant to leave the thousand-year-old Polygonum multiflorum, there was nothing they could do.

Seeing that everyone was about to leave, Zhu Hao said loudly: “Everyone, as long as you can stand with me and help me get the thousand-year-old Polygonum multiflorum, I, Zhu Hao, guarantee that everyone who contributes will get the thousand-year-old herb. ”

“I believe you have also heard about the strength of our Zhu family. Our Zhu family has been developing for hundreds of years. We are able to become a blockbuster and stand out among many martial arts families, thanks to the large resources of our Zhu family!”

“As long as there is someone who can help me now, it is my Zhu family’s friend...”

Zhu Hao’s words stopped everyone who had no hope and wanted to run away!

Although a thousand-year-old herb is not particularly rare, it is better than a trip in vain!

Moreover, he can also use this to build relationships with the Zhu family.

Soon, everyone came to Zhu Hao’s side and stood behind Zhu Hao!

Originally, the people brought by Zhu Hao were not weak, but now with the addition of these people, they are even stronger!

“Chen Ping, if you withdraw voluntarily, I can give you the wild ginseng in my hand, so that everyone can live in peace!”

“But if you insist on competing with me for this ten thousand-year-old Polygonum multiflorum, I’m afraid you won’t be able to bear the final result.”

Zhu Hao is surrounded by the masters of the Great Wuhou, and he has a hidden martial arts weapon on his body, so he is not afraid of Chen Ping at all!

But Zhu Hao didn’t know that Chen Ping was fighting with several black and silver robes from the Martial Arts Alliance. They had two martial arts weapons, and they were all killed by Chen Ping!

The dragon-slaying sword in Chen Ping’s hand is not comparable to ordinary martial arts weapons.

“Hmph, I had that ginseng buried there. It’s my thing. Now you’re giving it to me. Isn’t it ridiculous?”

Chen Ping snorted coldly.

When Zhu Hao heard this, his face was full of anger. Now he was sure that he had been tricked by Chen Ping.

Fortunately, the vision of the thousand-year-old Polygonum multiflorum is powerful, otherwise Chen Ping would have taken it and ran away, and Zhu Hao would probably regret it to death!

“Chen Ping, you actually used such a dirty trick to deceive us. It seems that the rumors about you in the martial arts world are all false. You are just a villain relying on a dirty trick!”

“Now that we are far away from Kyoto, without Mr. Shi supporting you from behind, let’s see if you can still make waves!”

Zhu Hao glared at Chen Ping, with strong fighting spirit erupting from his body!

“Chen Ping, it’s not easy to handle now...”

Chapter: 3072

Hu Mazi approached Chen Ping and said, “Hong Qianjiu next to me doesn’t know what he means, and he hasn’t said anything. If we fight and both sides lose, I’m afraid this kid will get the better of him.”

Hu Mazi was afraid that Chen Ping would start a fight with Zhu Hao, and Hong Qianjiu would gain in the end!

In fact, Chen Ping didn’t know this. It’s just that Zhu Hao was stubborn. Others didn’t even open their mouths to fight for Ten Thousand Years of Polygonum multiflorum. He was the only one who kept shouting!

“Master Zhu, this ten thousand-year-old Polygonum multiflorum is not an ownerless thing. If it is on the territory of Nanhu City, it belongs to my Zheng family. As the city lord of Nanhu City, I have the qualifications to allocate the resources of the entire Nanhu City.”

At this time, Zheng Anguo stood up and said to Zhu Hao.

Zhu Hao looked at Zheng Anguo, then snorted coldly: “Zheng Anguo, are you mentally ill? How dare you say such a thing even with your little Zheng family?”

“What if the ten thousand-year Polygonum multiflorum belongs to your Zheng family? I tell you now, I want the ten thousand-year Polygonum multiflorum. What can you do?”

“If you don’t want the Zheng family to be destroyed, don’t get involved in this muddy water!”

Zhu Hao didn’t look down on the Zheng family at all. Although the Zheng family also owned the Dawu Marquis, in Zhu Hao’s eyes, they were still a small and unworthy family!

You need to know the background of the Zhu family, but the sects and sects in the secret realm are not comparable to the sects and sects in the secular world.

“Zhu Hao, you are too arrogant. Our Zheng family is not a fool.”

Zheng Anguo was filled with anger, and several great Wuhous from the Zheng family stepped forward, exuding terrifying auras, and there were more than a dozen Wuhous behind them, staring eagerly!

“Zheng Anguo, do you mean to stand with Chen Ping?”

Zhu Hao’s eyes narrowed slightly.

“Yes, I will help Mr. Chen even if I fight against the Zheng family this time!”

Zheng Anguo said firmly.

But he was also betting. Looking at it now, Zhu Hao was obviously much stronger than Chen Ping, but Zheng Anguo knew that Chen Ping’s real strength might be much stronger than what he saw!

“Since you helped Chen Ping, don’t blame me for being rude!”

Zhu Hao winked, and a Dawuhou next to him jumped up instantly and headed straight for Zheng Anguo!

Zheng Anguo himself was also a great Wuhou, so he was not afraid at all when faced with the attack. He quickly clenched his fist and smashed it out with a bang!

boom!

The moment the fists collided, terrifying energy spread from all sides!

A large crater with a diameter of several meters suddenly appeared on the ground, which showed that the two men had used all their strength.

After Zheng Anguo's body rolled in the air, he landed on the ground and took a few steps back!

Chapter: 3073

His arms were also numb. It was obvious that Zheng Anguo was still slightly inferior compared to the other party!

The opponent fought back Zheng Anguo, but refused to let him go. He attacked again and punched Zheng Anguo directly in front of his face.

This is to kill with one move.

Seeing this, Zheng Anguo reached out and twitched his waist, and a Xuanhua ax appeared in his hand!

The Xuanhua ax shone with a cold light, and the aura of the martial saint began to spread!

"Martial Saint Weapon..."

Seeing the Xuanhua ax in Zheng Anguo's hand, everyone couldn't help but gasp!

When the attacking Zhu family master saw the martial arts weapon in Zheng Anguo's hand, he stopped quickly, with a hint of horror in his eyes!

"go to hell....."

Zheng Anguo shouted angrily and slashed upward with the Xuanhua ax in his hand!

A ray of light soared into the sky, and for a moment there was a strong wind. The terrifying power went straight towards the master of the Zhu family!

The Zhu family master was shocked and retreated quickly, but it was too late. His body instantly penetrated the light!

Everyone saw that the body of the Zhu family master in mid-air was penetrated by light, followed by a violent surge!

boom!

The Zhu family master's body was directly blown into powder, and a bloody mist fell from the sky!

When Zhu Hao saw this, his expression turned ugly!

He never expected that a small Zheng family would have a martial arts weapon!

You must know that the big sects and aristocratic families in Kyoto may not even have a martial arts weapon.

“Could it be that the Zheng family is also a secret family, the spokesperson family of a secret realm?”

Zhu Hao frowned!

“Zhu Hao, don't look down on others. I, the Zheng family, are not yours to pinch at will.”

Zheng Anguo held the Xuanhua ax in his hand, and his confidence instantly increased.

“Zheng Anguo, you are looking for death...”

Zhu Hao's eyes narrowed slightly, and then he took out a folding fan from his sleeve. Then he opened the folding fan, and golden light flashed. This folding fan was actually made of gold.

Chapter: 3074

Moreover, the aura emanating from the folding fan is even more huge and terrifying!

This folding fan is also a martial arts weapon!

When Zheng Anguo saw this, his expression changed and he was stunned on the spot!

The old man beside Zhu Hao also exuded an aura that was extremely powerful.

The peak of Dawuhou, the figure closest to the Martial Saint.

Moreover, the people brought by Zhu Hao are obviously much stronger than the Zheng family's Da Wuhou.

Most of the great Wuhous of the Zheng family are only first- and second-grade Great Wuhous, and the highest one is Zheng Anguo, a fourth-grade Great Wuhou!

But the Zhu family's Dawuhou is probably at the lowest level of the fourth rank!

This is not a competition of magnitude at all!

Zheng Anguo stopped talking, and Chen Ping also had a cold face. He took a deep breath and slowly mobilized the power of the dragon in his body!

The Dragon-Slaying Sword is also ready and ready to come out!

“Master Zhu, it's not good to go to war like this for a thousand-year-old Polygonum multiflorum plant, isn't it? Besides, you brought so many people here, but there are more important things. If you suffer heavy losses here, how will you explain it when you go back?”

“How about you sell me some face and give Ten Thousand Years of Polygonum multiflorum to Mr. Chen. Then my Jiang family will owe you a favor?”

Seeing that the two sides were already at war with each other, Jiang Wei stepped out and started to smooth things over!

Zhu Hao looked at Jiang Wei and said with a cold face: "Jiang Wei, what do you mean? Don't you want to help Chen Ping?"

"Master Zhu, if you insist on following Mr. Chen to fight for Ten Thousand Years of Polygonum multiflorum, then I can only help Mr. Chen."

"If my Jiang family is included, do you think you still have a chance of winning? Why not sell me a favor!"

Although Jiang Wei's tone was calm, he was full of threats!

When Zhu Hao heard this, his face turned red with anger and he frowned: "Jiang Wei, are you willing to become an enemy of my Zhu family for Chen Ping?"

"Zhu Hao, do you not know, or are you just pretending to be stupid? Even if this incident hadn't happened, would your family and I still be friends? Sooner or later we will become enemies..."

Jiang Wei smiled coldly.

Jiang Wei's words left Zhu Hao speechless, because he knew that sooner or later, they would become enemies because they were all competing for common interests. Since there was competition for interests, they would definitely become enemies.

Zhu Hao stopped talking and his expression turned extremely ugly!

Because if Jiang Wei also helps Chen Ping, then he has no chance of winning!

Chapter: 3075

Just when Zhu Hao was hesitating whether to retreat, Hong Qianjiu, who had been watching the excitement, took a step forward and said with a faint smile: "Jiang Wei, you said that people are

competing for Polygonum multiflorum, what does it have to do with you? You have to cross it. Damn it, it's so bad that even if I want to see the excitement, I can't even see it."

"Let me tell you, if you are watching the show, I won't care about anything. But if you insist on helping Chen Ping, then I can only help Zhu Hao. I believe the Zhu family will not forget me. Kindness."

Hong Qianjiu is forcing Jiang Wei to watch the show on the sidelines and not care about anything!

"Hong Qianjiu, you..."

Jiang Wei glared at Hong Qianjiu.

But Zhu Hao laughed at this time: "Brother Ninth, don't worry, our Zhu family will never forget your kindness. When the time comes to Peng..."

"Shut up....."

Just when Zhu Hao was about to say something, Hong Qianjiu glared at Zhu Hao, causing Zhu Hao to swallow his words instantly!

Chen Ping frowned slightly when he saw this. It seemed that these families were all heading to the same place, and all of them actually chose to keep it a secret.

It can be seen that this place is very important to several companies!

Others looked at it in confusion, wondering what the relationship between these families was, why you were helping him, and how he was helping you was all in confusion.

Also looking confused were Ning Zhi and Song Qingping hiding in the dark!

“Master Demon Envoy, what is the relationship between Chen Ping and the Jiang family? And why does Zheng Anguo take such a big risk to help Chen Ping?”

“And the Zhu family and the Hong family, it doesn’t seem like they came here for the Ten Thousand Years of Polygonum multiflorum.”

Song Qingping asked Ning Zhi in a low voice.

Ning Zhi frowned slightly, his eyes full of doubts.

He didn’t know the identity of Chen Ping, the master of Tianlong Palace, and he didn’t even know that the Ge family in the secret realm was a portal of Tianlong Palace!

The Jiang family is the spokesperson of Tianluo Tower in the secular world, and Tianluo Tower has an irreversible relationship with the Ge family.

That’s why Jiang Wuya, the owner of Tianluo Tower, ordered the Jiang family to help Chen Ping if he was in trouble!

It is impossible for Ning Zhi to know about this complicated relationship.

But Ning Zhi guessed one thing, that was where these families were going to go in the end!

“Have everything been arranged for Penglai Island?”

Ning Zhi asked Song Qingping.

“It has been arranged. As long as Chen Ping comes to the island, he will fall into our trap.”

Chapter: 3076

Song Qingping nodded.

“Don’t be careless. These guys are probably going to Penglai Island. They must also know that the place where spiritual energy is revived is Penglai Island!”

“That’s why they brought so many masters to Penglai Island. They also want to establish a territory on Penglai Island before the spiritual energy is revived, so as to give their masters in the secret realm behind them a place to live!”

Ning Zhi’s eyes narrowed slightly and he said with a worried look.

“If this is the case, then there will definitely be a bloody storm on Penglai Island. So can the fake ruins we created deceive them and trap these people?”

Song Qingping asked worriedly.

“Let’s take it one step at a time, but Chen Ping must get this ten thousand-year-old Polygonum multiflorum, otherwise we will have no chance to get it.”

Ning Zhi said to Song Qingping.

If Zhu Hao gets the Thousand Years Polygonum multiflorum, the Demon Spirit Sect will have no chance. If they openly rob the Zhu family, they may not be able to get it, and the Demon Spirit Sect’s secret realm will be exposed!

But if Chen Ping gets it and Zhou Jie is by his side, he can easily get the Thousand Years Polygonum multiflorum as long as he feeds Chen Ping some Sangong water.

“Okay, I’ll go back to the Demon Spirit Sect and call for help. If Chen Ping loses, I’ll help him, so that he can trust me more.”

After Song Qingping finished speaking, he hurriedly left to call someone!

At this moment, Chen Ping followed Zhu Hao, still tense!

At the same time, Jiang Wei glared at Hong Qianjiu and couldn't make up his mind for a moment!

"Brother Jiang, thank you for your kindness. You can just watch from the sidelines. I will handle this matter myself!"

Chen Ping said to Jiang Wei.

Jiang Wei could only nodded helplessly and stepped aside.

If he helps Chen Ping, then Hong Qianjiu will help Zhu Hao. In that case, the gain will outweigh the loss!

For a time, the two sides were in a stalemate, but the thousand-year-old Polygonum multiflorum was still shining, the sky was covered with dark clouds, and blue lightning kept streaking across the night sky!

However, as time went by, the light emitted by the ten thousand-year-old Polygonum multiflorum began to weaken, and the entire Polygonum multiflorum began to become more and more blurred, and seemed to be disappearing!

"It's broken. This ten thousand-year-old Polygonum multiflorum is going to disappear..."

When Chen Ping saw this, he immediately remembered what he saw in the resource area of Demon Spirit Sect!

At that time, Polygonum multiflorum looked like this, and then slowly became transparent, and finally disappeared completely!

Now look at the ten thousand-year Polygonum multiflorum, it looks like this. It is estimated that it will disappear in a short time. As for where it will go after the Ten thousand-year Polygonum multiflorum disappears, Chen Ping doesn't know!

Chapter: 3077

“Do it, Polygonum multiflorum will disappear for ten thousand years...”

After Chen Ping finished speaking, he shot towards Ten Thousand Years Polygonum multiflorum!

But just as Chen Ping rushed towards the Ten Thousand Years Polygonum Multiflorum, several people from Zhu Hao’s side rushed out in an instant to intercept Chen Ping!

Chen Ping’s expression changed slightly, and he quickened his pace again!

boom.....

At this time, a terrifying aura suddenly hit Chen Ping, and then he saw a black shadow hitting Chen Ping!

“Holy Light Fist...”

Chen Ping shouted loudly and punched him!

At this time, Chen Ping didn’t dare to hold back at all, and he used all his strength as soon as he made a move!

The black shadow was instantly repelled by Chen Ping!

At the same time, the old man at the peak of Dawuhou next to Zhu Hao also took action.

His target goes straight to Chen Ping!

Chen Ping frowned slightly. If the fight continued like this, there was no way he could get the Ten Thousand Years Polygonum multiflorum.

At this moment, Zheng Anguo held the Xuanhua ax and struck out at the old man with one strike. A bright light contained the power of the Martial Saint and directly forced the old man back!

“Mr. Chen, go get Polygonum multiflorum, leave this place to us...”

Zheng Anguo held the Xuanhua ax and said loudly to Chen Ping.

Chen Ping nodded and headed straight for the ten thousand-year-old Polygonum multiflorum.

At the same time, Hu Mazi and Zhou Jie took action, following the people brought by Zhu Hao directly into the melee!

Zhu Hao was holding a folding fan. When he saw Chen Ping heading towards Ten Thousand Years Polygonum multiflorum, he hurriedly waved the folding fan in his hand, and streams of light shot out towards Chen Ping!

When Chen Ping saw this, the Dragon-Slaying Sword instantly appeared in his hand. The Dragon-Slaying Sword shone with a faint cyan light, and the terrifying sword aura instantly erupted, even surpassing the aura of the martial arts folding fan in Zhu Hao’s hand!

Dang Dang Dang.....

With a few crisp sounds, Chen Ping directly blocked the rays of light.

But just when Chen Ping was about to reach out for the ten thousand-year-old Polygonum multiflorum!

Within the billowing black clouds, a blue lightning struck down instantly!

Chapter: 3078

Lightning struck Chen Ping directly, and Chen Ping’s whole body glowed with blue light, and then he was thrown heavily and fell to the ground!

Seeing this, Zhu Hao knew that his dream was almost here, so he jumped up and headed straight for the ten thousand-year-old Polygonum multiflorum!

This Zhu Hao completely ignored the danger of Chen Ping being hit by the lightning just now!

But just after Zhu Hao approached the Ten Thousand Years Polygonum Multiflorum, the same lightning struck down!

Seeing this, Zhu Hao threw the folding fan upwards and shouted: "Body Protection Technique..."

I saw the folding fan instantly enlarged in mid-air, covering Zhu Hao's entire body. Blue thunder and lightning instantly hit the folding fan, but Zhu Hao below was not harmed!

Zhu Hao was overjoyed and reached out to grab the ten thousand-year-old Polygonum multiflorum.

When Chen Ping saw this, he jumped up, and the dragon-slaying sword in his hand instantly slashed out a sharp sword energy. The sword energy was like a dragon, and a deep ravine appeared on the ground, heading straight for Zhu Hao!

Feeling the dangerous aura, Zhu Hao could only give up trying to catch the ten thousand-year-old Polygonum multiflorum. He dodged the sword energy in a flash!

But at this time, Chen Ping's figure was already in front of him, and Zhu Hao lost the chance to get the ten thousand-year-old Polygonum multiflorum!

After arriving in front of Zhu Hao, Chen Ping slashed out with his sword again, and a golden dragon appeared, roaring and rushing towards Zhu Hao!

Seeing this, Zhu Hao could only wave his hand and take the folding fan back into his hand. Then he waved the folding fan vigorously, and a strong wind swept across it, blowing away the golden dragon!

But Chen Ping didn't care. His current goal is to get the ten thousand-year-old Polygonum multiflorum!

Just when Zhu Hao took action, Chen Ping had already started to attack the ten thousand-year-old Polygonum multiflorum!

Just as Chen Ping was about to get the ten thousand-year-old Polygonum multiflorum, blue thunder and lightning fell from the black clouds! ! !

boom.....

The terrifying power instantly blew Chen Ping and Zhu Hao away!

The power of this thunder and lightning was so powerful that it was difficult for Chen Ping to withstand it!

After these two bombardments, neither Chen Ping nor Zhu Hao dared to approach the ten thousand-year-old Polygonum multiflorum.

Zhu Hao looked at the folding fan in his hand. There were actually cracks on it. Just after blocking the power of thunder and lightning, even the martial arts weapon was damaged. It is estimated that it will not be used many times.

Chen Ping and Zhu Hao stared at each other, but no one took action!

On the other side, Hu Mazi and Zheng Anguo were fighting with the people brought by Zhu Hao!

Although Zheng Anguo had the Xuanhua Ax in his hand, facing the old man at the peak of the Great Wuhou, and the overall strength of the opponent was much higher, they became very passive.

It is estimated that defeat will only be a matter of time. By then, Chen Ping will be the only one left, trying to get the Ten Thousand Years Polygonum multiflorum, which is tantamount to wishful thinking.

Chapter: 3079

Seeing Zheng Anguo and Hu Mazi retreating steadily, suddenly a group of people came in a hurry!

“Mr. Chen, I’m here to help you...”

After saying that, Song Qingping led the people from the Demon Spirit Sect and instantly joined the battle!

With the presence of the Demon Spirit Sect’s family, the balance began to tilt towards Chen Ping, and the people brought by Zhu Hao began to become a little tired of dealing with it!

Those warriors who chose to stand with the Zhu family and wanted to get some benefits also chose to flee one after another when they saw this.

These guys just watch the food and drink. Seeing that Chen Ping is weak, they help Zhu Hao!

Now that Chen Ping’s side has improved in strength, they will turn around and run away.

This sudden change directly confused Zhu Hao. He couldn’t understand why a group of people suddenly appeared to help Chen Ping?

“stop.....”

Zhu Hao shouted loudly. He knew that if the fight continued like this, everyone on his side would probably die!

Seeing Zhu Hao’s order, many experts from the Zhu family all retreated to Zhu Hao’s side!

Almost all of these Zhu family masters were injured, and even the old man at the peak of Da Wuhou looked ugly and his energy and blood were disordered!

“Mr. Chen, are you okay?”

At this time, Song Qingping stepped forward and asked Chen Ping.

“I’m fine. Thank you, Deputy Sect Master Song, for helping me.”

Chen Ping said very gratefully.

“Mr. Chen, it would be ridiculous to say this. We are in a cooperative relationship, and this herb is also our sincerity. If it is taken away by others, wouldn’t it mean that we have no sincerity.”

Song Qingping smiled lightly.

Seeing the sudden appearance of Song Qingping and others, Zheng Anguo was also confused at the moment. You must know that this is Nanhu, his territory. When did such a team of people appear on his territory, and they are all masters? He doesn’t even know it himself!

Hong Qianjiu and Jiang Wei were also confused. They looked at Song Qingping and others carefully, because it was very likely that this group of people would become their enemies!

At this time, they still don’t know how many sects and aristocratic families know the secret of Penglai Island, and how many sects and aristocratic families who are the spokespersons of the secret realm have not been exposed!

However, with the upcoming spiritual recovery of Penglai Island, I believe that these hidden sect families will come forward one after another.

Because no one wants to watch the first land of spiritual energy recovery be occupied by others!

“Who are you?”

Chapter: 3080

Zhu Hao looked at Song Qingping coldly: “Do you know who I am?”

Song Qingping looked at Zhu Hao and raised the corner of his mouth slightly: "I don't care who you are, this ten thousand-year-old Polygonum multiflorum belongs to Mr. Chen, no one is allowed to steal it from him, otherwise they will be against us."

"As for who we are, you don't deserve to know. It's best to take your people and get out now, otherwise none of them will leave."

Song Qingping's arrogance directly made Zhu Hao extremely angry.

Although Zhu Hao was angry, he did not take action because he knew that if he did so at this moment, he would definitely lose.

"Okay, I will remember you. Our Zhu family must avenge us, and none of you will end well today."

After Zhu Hao finished speaking, he waved his hand and said: "Let's go..."

Zhu Hao led the people away. When Hong Qianjiu saw this, he shook his head: "It's boring, it's really boring..."

Hong Qianjiu also left with his people, and now only Jiang Wei was left with his people!

Chen Ping looked at the increasingly faint Polygonum multiflorum and knew that he could not delay any longer, so he rushed towards the Polygonum multiflorum!

Rumble.....

A bolt of lightning struck down, and Chen Ping's body was struck instantly, knocking Chen Ping to the ground!

Chen Ping gritted his teeth, jumped up suddenly, and rushed towards the ten thousand-year-old Polygonum multiflorum again!

Chen Ping's body glowed with a faint golden light, and his eyes were fixed on the ten thousand-year-old Polygonum multiflorum!

boom.....

There was another thunder and lightning, and the black clouds in the mid-air seemed to have become crazy at this moment, rolling continuously, and blue lightning kept shuttling through the clouds!

The dragon-slaying sword in Chen Ping's hand began to buzz and tremble continuously, as if it was trying to break free from Chen Ping's hand!

Seeing this, Chen Ping suddenly threw the Dragon-Slaying Sword into the air: "Go..."

The dragon-slaying sword was like a wild horse, heading straight towards the thunder and lightning!

The thunder and lightning directly hit the sword body of the Dragon-Slaying Sword, causing the Dragon-Slaying Sword to emit streaks of blue light!

Although it was struck by lightning, the Dragon-Slaying Sword remained unabated and rushed directly into the black clouds!

I saw the dragon-slaying sword fighting within the black clouds, following the streaks of blue lightning!

When Chen Ping saw this, he couldn't help being shocked. He was afraid that the Dragon Slayer Sword would not be able to withstand the power of the thunder and lightning and would be damaged!

You must know that in Chen Ping's heart, Dragon Slayer Sword is not just a weapon, but more like a friend.
