

The Order 3081

Chapter: 3081

“Chen Ping, what are you still hesitating about? Hurry up and take down the ten thousand-year-old Polygonum multiflorum...”

When Hu Mazi saw Chen Ping looking up at the sky, he immediately shouted anxiously!

Only then did Chen Ping react, hurriedly stepped forward, and grabbed the ten thousand-year-old Polygonum multiflorum!

With a gentle push, the ten thousand-year-old Polygonum multiflorum rose out of the ground!

Feeling the vigorous aura within the Ten Thousand Years Polygonum Multiflorum, Chen Ping was extremely excited!

As the Ten Thousand Years Polygonum Multiflorum was taken into Chen Ping’s hand, the black clouds in the sky began to dissipate quickly, and the blue thunder and lightning also disappeared.

The dragon-slaying sword fell from the sky and was instantly caught by Chen Ping!

When Chen Ping just got the Dragon-Slaying Sword, he actually felt the power of thunder and lightning spread through his body from his palm!

Chen Ping looked surprised and couldn’t help but look at the Dragon Slayer Sword. He saw streaks of blue thunder and lightning flashing on the sword!

“this.....”

Chen Ping was shocked. He was afraid that his dragon-slaying sword would be damaged by the power of thunder and lightning!

A divine dragon's power entered the Dragon-Slaying Sword, and then Chen Ping's consciousness began to communicate with the Dragon-Slaying Sword!

Dragon Slayer Sword also felt Chen Ping's communication, and it was buzzing continuously, seeming to be responding to Chen Ping!

"cut....."

Chen Ping took the Dragon-Slaying Sword and suddenly swung it into the distance. He wanted to know whether the power of the Dragon-Slaying Sword was still the same as before!

Rumble.....

Chen Ping slashed out with his sword, and suddenly the heaven and earth changed, and the wind roared loudly!

A bolt of blue lightning instantly shot out from the Dragon-Slaying Sword!

The hilltop not far away was instantly flattened by the power of thunder and lightning.

Rocks flew everywhere and trees turned into ashes, it was like the end of the world!

Chen Ping looked at the Dragon-Slaying Sword in his hand in disbelief. He did not expect that this Dragon-Slaying Sword actually possessed the power of thunder and lightning!

When other people looked at this scene, their eyes almost fell out of shock!

Zheng Anguo was holding the Xuanhua Ax in his hand. At this moment, he felt that the holy weapon in his hand was nothing compared to Chen Ping's Dragon-Slaying Sword!

Song Qingping's eyes narrowed slightly, and the muscles at the corners of his eyes twitched involuntarily.

Chapter: 3082

Ning Zhi, who was hiding in the dark, had eyes full of envy and worry!

Now that Chen Ping is getting stronger and stronger, and with such terrifying weapon bonuses, it will be very difficult for Ning Zhi to defeat Chen Ping.

"What? Are you afraid? Are you afraid?"

Feeling the changes in Ning Zhi's heart, the soul in Ning Zhi's body spoke!

"I...I didn't..."

Ning Zhi hurriedly began to adjust his mentality!

"You can't lie to me, but you don't have to worry. The higher Chen Ping's strength is, the better it will be for us."

"When his body is strong enough, Almighty can use his body to return to the world of heaven and humans, and maybe even see the Demon Lord."

Soul said excitedly.

Ning Zhi wanted to ask what the world of heaven and humanity was, but he guessed that the other party would not be able to tell him, and even if he told him, he would not understand, so he did not ask!

"Chen Ping, we have got the Thousand Years Polygonum multiflorum, let's leave as soon as possible..."

Hu Mazi reminded Chen Ping!

After all, if you hold this rare thing in your hands, it is inevitable that someone will be jealous and take risks in the end!

In the face of absolutely great interests, no cooperation or friendship is reliable.

Chen Ping nodded, then followed Zheng Anguo and Song Qingping to say thank you, and prepared to return to the hotel. Jiang Wei and others followed Chen Ping!

With Ten Thousand Years Polygonum multiflorum in his hand, Chen Ping did not dare to go to the Zheng family, let alone the Demon Spirit Sect. However, Chen Ping still trusted Jiang Wei.

After all, Jiang Wuya of Tianluo Tower personally ordered the Jiang family to help him, and he believed that the Jiang family would not dare to disobey the order.

Chen Ping took the ten thousand-year Polygonum multiflorum and planned to refine the Ten-thousand-year Polygonum multiflorum into elixirs in the hotel, so that he no longer had to worry about someone thinking about the Ten-thousand-year Polygonum multiflorum and trying to rob it!

For refining herbs like Thousand Years Polygonum multiflorum, an ordinary medicinal cauldron will definitely not work. Chen Ping thought of the Shennong cauldron placed in the Medicine God Valley!

So Chen Ping notified Xu Changsheng overnight and asked him to bring someone to deliver the Shennong Cauldron immediately!

“Mr. Chen, are you tired too? Let me make you a cup of tea!”

Back at the hotel, Zhou Jie said to Chen Ping.

“Ms. Zhou, thank you very much for today. You should go to bed quickly and let the waiter do the tea making.”

Chen Ping said politely.

Chapter: 3083

“It’s okay, I’ll just come!”

Zhou Jie smiled slightly, then walked out of the room. In the tea room, Zhou Jie took out the San Gong water given by Song Qingping and looked at the teapot in front of her. Zhou Jie hesitated!

During this period of time, Zhou Jie had a good impression of Chen Ping, so when Song Qingping asked her to do this, Zhou Jie was very dissatisfied!

But as a member of the Demon Spirit Sect, she must obey orders!

Finally, Zhou Jie gritted her teeth and poured the San Gong water into the teapot. After shaking it gently a few times, she brought the teapot into the room!

Zhou Jie put down the teapot and poured a cup of tea for Chen Ping and Hu Mazi herself!

It’s just that Zhou Jie’s face looks a little bad and she doesn’t dare to look at Chen Ping!

Hu Mazi glanced at Zhou Jie in surprise, because normally, Zhou Jie would not be able to pour him tea.

Today was a bit surprising to Hu Mazi, but at this time, Hu Mazi’s inner knot was untied, and he did not intend to use women to numb himself!

“Ms. Zhou, are you too tired? I see you don’t look good!”

Chen Ping asked when he saw Zhou Jie’s expression was wrong.

“Oh, it’s okay, maybe it’ll be fine if you rest!”

Zhou Jie forced out a smile and said.

“Oh, then you should go and rest quickly. Don’t worry about it here.”

Chen Ping urged Zhou Jie to take a rest!

“Mr. Chen, I’d better wait until you finish drinking tea and clean up before you go to rest.”

Zhou Jie had to watch Chen Ping and the others drink the tea with her own eyes.

When Chen Ping saw this, he didn’t say anything more, but said to Hu Mazi: “Master Hu, this is Miss Zhou’s kindness, we did it...”

Hu Mazi also raised his tea cup, and the two of them drank the tea without hesitation!

“Wait a moment.....”

Seeing this, Zhou Jie hurriedly called out to Chen Ping and Hu Mazi!

At this time, Zhou Jie was still struggling in her heart. She didn’t know what the fate of Chen Ping and Hu Mazi would be after this cup of tea!

What’s more, I don’t know if Song Qingping will kill these two people!

“Ms. Zhou, what’s wrong?”

Chapter: 3084

Chen Ping asked doubtfully.

“Mr. Chen, I’m afraid the tea I just poured is too hot and will burn you.”

Zhou Jie made an excuse to explain.

Chen Ping smiled slightly: “It’s okay...”

With that said, Chen Ping drank the tea in one gulp, and Hu Mazi also drank it directly!

Seeing Chen Ping and Hu Mazi drinking all the tea, Zhou Jie felt an indescribable feeling in her heart.

“You guys can chat, I’m going to rest...”

Hu Mazi stood up and then walked out of the room. During this period, Hu Mazi didn’t even look at Zhou Jie!

This made Zhou Jie very strange, and she couldn’t help but ask: “Mr. Chen, is there something wrong with Master Hu? It feels like he has changed into a different person.”

Chen Ping knew what Zhou Jie was referring to and smiled slightly: “Master Hu has indeed changed...”

Then Chen Ping told Zhou Jie what happened to Hu Mazi.

After hearing this, Zhou Jie couldn’t help but look surprised.

“Master Hu is still such an infatuated person? I really didn’t expect him. I always thought he was a big pervert, but I didn’t want to have this kind of experience. It’s also pitiful.”

Zhou Jie actually felt a little pity for Hu Mazi at this moment.

After all, the person he loved most ran away with someone on the eve of the wedding, and is now dead. But even so, Hu Mazi did not forget that woman, which shows that Hu Mazi is also a dedicated person.

“Everyone may have his own secret in his heart, but outsiders don’t know it.”

Chen Ping smiled lightly. He was enjoying great glory at this time, but who would have thought that more than a year ago, his experience would be even worse than that of Hu Mazi!

Going to jail for his girlfriend, only to be abandoned by her in the end, isn’t this kind of bloody thing happening to him too?

It’s just that no one knows this part of his history unless Chen Ping talks about it.

“Mr. Chen, when you go to bed, remember to lock the doors and windows. I’m going to rest.”

Zhou Jie reminded Chen Ping, then packed up and left.

Watching Zhou Jie leave, Chen Ping sighed softly and said, “It’s a good girl. I hope you can cherish the opportunity I gave you.”

After Chen Ping finished speaking, Hu Mazi entered Chen Ping’s room in a flash!

“Chen Ping, how did you know that Zhou Jie was going to poison us?”

Chapter: 3085

After entering the door, Hu Mazi asked with confusion on his face.

Chen Ping smiled slightly: “After she came back from the Demon Spirit Sect, I smelled a strange smell from her body. It was something she had never had before, so I was a little suspicious.”

“In addition, Song Qingping and his people were able to show up at the critical moment when we took Ten Thousand Years Polygonum multiflorum today, which proves that Song Qingping has been observing us for a long time, otherwise it wouldn't be such a coincidence.”

“The tea that was just brought clearly has the same smell that I smelled on Zhou Jie, and Zhou Jie's expression today is very unnatural. Didn't you notice?”

Hu Mazi shook his head: “I didn't notice it. I didn't smell any strange smell in the tea either?”

“Of course you won't be able to smell it, otherwise you will become a pharmacist. However, they have calculated everything, but they don't know that I am already immune to all poisons. The poison they administered can only become a resource for my cultivation.”

Chen Ping's Heart Condensation Technique is a truly superior technique that can refine everything.

No matter what toxin it is, if it enters Chen Ping's body, it will be refined by the Heart Condensation Technique!

“You are immune to all poisons, but what should I do? But I don't seem to feel anything strange. Could you be wrong?”

There was nothing strange about Hu Mazi's body at this time, and there were no signs of poisoning.

“Poisoning doesn't necessarily mean to kill us. Maybe they want something else.”

After saying that, Chen Ping looked at the Thousand Years Polygonum multiflorum at his hand.

“Did the Demon Spirit Sect poison us just for the ten thousand-year-old Polygonum multiflorum? Then why didn't they just get it themselves? They wanted you to get it, and they were trying to find a way to get it from you?”

Hu Mazi asked puzzledly.

“I don’t know, but their goal is by no means limited to the ten thousand-year-old Polygonum multiflorum. Song Qingping always gives people a feeling that they can’t figure it out. There is also the leader of the Demon Spirit Sect. I have only met him once. Seen it before.”

“I suspect that the leader of the Demon Spirit Sect does not exist at all, and the one who really controls the Demon Spirit Sect is Song Qingping.”

Chen Ping said slowly.

“What do these guys want to do? I just can’t believe these demons.”

Hu Mazi said angrily.

“That’s not true. The people of the Demon Spirit Sect probably don’t know that their sect leader is no longer here at this time, and they are all following Song Qingping’s orders.”

“Furthermore, the people of the Demon Spirit Sect are not like other demon clans who kill indiscriminately. Now they are just being deceived by Song Qingping.”

“I guess we’ll know what’s going on tonight. I have an antidote pill here. No matter if you feel any abnormality in your body, you’d better take it first.”

Chen Ping took out a pill and gave it to Hu Mazi. Although Hu Mazi didn’t feel strange at the moment, it didn’t mean that there was nothing wrong.

Hu Mazi took the pill, swallowed it in one gulp, and then left Chen Ping’s room!

Chapter: 3086

.....

In the Demon Spirit Sect, Zhou Jie went back to take orders!

“Zhou Jie, did Chen Ping take that San Gong water?”

Song Qingping asked.

Zhou Jie nodded: “Well, I took it...”

“That’s great. You have really made a great contribution to our Demon Spirit Sect.”

Song Qingping said, stood up and walked to Zhou Jie, gently touching Zhou Jie’s face with one hand!

Then they kissed her deeply.

Zhou Jie’s heart was very complicated at the moment. If Song Qingping was like this, Zhou Jie would have been so excited that she couldn’t bear it any longer!

But today, Zhou Jie didn’t feel anything at all, and even had the slightest hint of conflict!

Song Qingping kissed Zhou Jie for a long time, but found that Zhou Jie didn’t respond at all, and couldn’t help but ask: “What happened today?”

“I...” Zhou Jie said with a bit of worry on her face: “Deputy Sect Leader, you... will you kill that Chen Ping?”

“What? Are you worried about him?”

Song Qingping frowned slightly.

“No, I just think we can get what we want, there’s no need to kill anyone.”

Zhou Jie explained quickly.

Song Qingping stared at Zhou Jie, and suddenly slapped Zhou Jie hard on the face!

Snapped!

Zhou Jie was knocked to the ground instantly!

“Damn, you bitch, I think you have fallen in love with that boy? You are actually worried about his life and death.”

“Tell me, have you and that boy slept together?”

Song Qingping pulled Zhou Jie up and asked with a ferocious face.

Zhou Jie was frightened and at a loss when she saw Song Qingping like this, because she had never seen Song Qingping look so ferocious and terrifying.

Song Qingping was usually polite, but Zhou Jie couldn't adapt to this sudden change!

Chapter: 3087

Seeing that Zhou Jie didn't speak, Song Qingping pushed Zhou Jie onto the bed, and then tore Zhou Jie's clothes!

Zhou Jie wanted to resist, but what she got in return was a severe beating from Song Qingping!

In the end, Zhou Jie was desperate, tears kept flowing out, and she could only let Song Qingping vent his animal desires on her body.

At this time, Zhou Jie's eyes were empty. She still couldn't figure out where the polite and gentle Song Qingping was.

Just when Song Qingping was struggling to vent, the door was suddenly pushed open!

Song Qingping was startled and turned around to scold the person who broke into the room. But when he saw the person, Song Qingping stopped talking and quickly put on his clothes.

"Lord Demon Envoy..."

Song Qingping shouted respectfully.

The person coming was none other than Ning Zhi. Ning Zhi was dressed in black at this time, and his eyes glanced at Zhou Jie's body!

Zhou Jie hurriedly covered her body with a quilt.

"Song Qingping, under the current circumstances, you are still in the mood to play with women. It's so exciting..."

Ning Zhi smiled coldly, and the voice coming out of his mouth was old and hoarse!

Hearing this voice, Zhou Jie, who was lying on the bed, frowned slightly. She could conclude that there was definitely a soul living in the body of the person in front of her!

You must know that the Demon Spirit Sect is absolutely not allowed to do this, and only the Demon Heart Sect can do this.

Zhou Jie stared at Ning Zhi. Such a strange face suddenly appeared in the Demon Spirit Sect, which instantly gave Zhou Jie a bad feeling in her heart!

“Master Demon Envoy, I...I...”

Song Qingping wanted to explain, but he didn't know how to explain!

“Okay, I don't want to hear your explanation. How did your explanation go?”

Ning Zhi asked.

“Then Chen Ping has taken the San Gong Water, and he is probably an ordinary person now.”

Song Qingping replied.

“That's good. Now that Chen Ping has been dealt with, let's deal with all the people who went to Penglai Island. After today, you, the deputy sect leader, will become official.”

Ning Zhi patted Song Qingping on the shoulder and said.

“Thank you, Lord Demon Envoy, for your cultivation. I'll go right away...”

Chapter: 3088

Song Qingping nodded, then looked back at Zhou Jie, then turned and left the room!

At this moment, only Zhou Jie followed Ning Zhi in the room.

Ning Zhi's eyes were slightly focused, looking at Zhou Jie's fair shoulders and skin, his eyes full of desire!

“Do what you need to do. Are women still afraid that they won't be able to do it in the future?”

The soul in Ning Zhi's body said calmly.

When Ning Zhi heard this, he quickly retreated!

Although Zhou Jie didn't know who Ning Zhi was at this time, he knew that Chen Ping was in danger, and probably the entire Demon Spirit Sect was in danger.

After hurriedly getting dressed, Zhou Jie wanted to rush out of the room, but found that the door was locked and a magic circle was set up to prevent Zhou Jie from escaping.

In the main hall of the Demon Spirit Sect, many senior officials of the Demon Spirit Sect were summoned.

"Why did the deputy sect leader summon us so late at night?"

"I don't know either, I've already fallen asleep!"

"I went out to have a fight today. My whole body is sore and I want to rest!"

"Our Demon Spirit Sect hasn't had such a big conflict with anyone in many years."

Many senior officials were talking about it, but Deacon Nalu frowned slightly and said nothing!

"Deacon Lu, you didn't go today. The deputy sect master led us to have a big fight and beat the other party down."

One person said to Deacon Lu.

Deacon Lu nodded and said nothing, his face still full of worry!

It seems that Deacon Nalu knows something!

Soon, Song Qingping arrived, and everyone shut up and took their seats!

“Everyone, I have called you all together late at night to announce something. As you all know, we are now facing a resurgence of spiritual energy and renewed strife.”

“When the time comes, those so-called decent sects will definitely kill all our demons, so I decided to join forces with the Demon Heart Sect before the spiritual energy is revived. We are of the same blood, so why bother killing each other!”

“When the time comes, as long as we unite, the other sects and families will be vulnerable and will surrender to us.”

Song Qingping’s words instantly caused an uproar!

You must know that although the Demon Spirit Sect is a demon sect, its purpose is to live without fighting against the world and practice peace of mind!

Chapter: 3089

After so many years, the Demonic Heart Sect rarely leaves the secret realm and starts disputes with the sects and families in the secular world outside!

Moreover, the Demon Spirit Sect and the Demon Heart Sect are almost incompatible with one another. Now that Song Qingping suddenly made such an announcement, many people could not bear it!

“Deputy Sect Master, what do you mean? Where is the Sect Master? Why doesn’t the Sect Master come out and announce such an important matter?”

A senior executive stood up and asked Song Qingping.

In their eyes, the person with the highest power is the patriarch.

As for Song Qingping, many people are still a little unconvinced. After all, Song Qingping is too young.

“The sect master is ill, so I will announce it on his behalf. The sect master has already decided on this matter, so you just need to obey.”

Song Qingping glanced at everyone, and then said coldly.

“The sect master is ill, then we should go and have a look. Let’s go see the sect master and listen to the sect master’s personal orders.”

Another senior executive stood up and said loudly.

“Asshole, as the deputy sect leader, don’t I have any rights at all? I’m really rebelling against you.”

After Song Qingping finished speaking, he waved his palm suddenly, and a terrifying force instantly hit him, directly knocking the senior executive away!

Song Qingping’s hand instantly calmed many people!

Everyone doesn’t know Song Qingping’s true strength. They only know that he is young and polite, so his strength may not be too high!

Therefore, no one was afraid of Song Qingping, the deputy sect leader. If the sect leader hadn’t personally given the order, no one would have listened to Song Qingping.

But now Song Qingping only showed his hand and suppressed everyone!

Seeing that no one dared to speak, Song Qingping had a sneer on his face.

“Deputy Sect Master, what you said is probably not what the Sect Master meant, but what you meant, right?”

“Because our sect master should have been killed by you a long time ago.”

Deacon Lu stood up and asked Song Qingping.

“Deacon Lu, what do you mean?”

Song Qingping’s eyes narrowed slightly.

“What do I mean? You should know best. Our sect leader suddenly started wearing a mask a few years ago. He said he was disfigured and was afraid of seeing people.”

“Actually, our sect master should have been killed by you at that time. It was you who had been controlling the sect master’s body with magic.”

Chapter: 3090

“The current sect leader is probably just a skeleton!”

Deacon Lu’s aura began to explode, and he looked at Song Qingping coldly and said.

“Deacon Lu, what are you talking about? Be careful, I will punish you for your evil words and deceiving the public!”

Song Qingping yelled.

“I am deceiving people with my lies. Today I will let you see if I am deceiving others with my lies.”

After Deacon Lu finished speaking, he immediately shouted loudly: “Bring the sect master in...”

Soon, two members of the Demon Spirit Sect brought the sect leader in, and the sect leader still had a mask on his face!

When everyone saw this, they knelt down one after another and shouted: "Sect Master..."

When Song Qingping saw that Deacon Lu had actually sent someone to secretly bring the sect leader, his eyes were filled with murderous intent, but his fists were slightly clenched!

"Everyone has seen clearly what our sect master has become..."

With that said, Deacon Lu took off the mask, revealing the gloomy skull inside!

When everyone saw this, they were all shocked.

"Song Qingping, how do you explain this?"

Deacon Lu asked Song Qingping.

"Hmph, there is nothing to explain. Those who obey me will prosper and those who go against me will perish. If you submit to me, everyone's cultivation resources will be doubled in the future."

Song Qingping promised to everyone!

When everyone saw this, they were completely upset, and many people stood behind Song Qingping!

Song Qingping has been the deputy sect leader for so many years, so of course he also has some close followers of his own!

As for Deacon Lu, only a few people stood with him.

There are also some people who are indecisive and don't know which side they should be on!

Deacon Lu looked at the people standing behind Song Qingping and couldn't help but cursed angrily:
"You treacherous people, have you forgotten what the sect master taught us?"

"Deacon Lu, those who know the current affairs are heroes. I advise you to listen to the deputy sect master. Now that the sect master is dead, it will not be good for you to be so persistent!"

A senior member of the Demon Spirit Sect said to Deacon Lu.

"Bah, you are shameless. Our Demon Spirit Sect and the Demon Heart Sect are incompatible with each other, and now they want to mix together. I will never agree to it."
