

The Order 3091

Chapter: 3091

With that said, Deacon Lu jumped up and slapped the senior executive who just spoke!

“court death.....”

When Song Qingping saw this, he waved his hand casually, and Deacon Lu felt a huge force coming, and then his whole person was directly knocked away!

It can be seen from this that there is still a huge gap in strength between Deacon Lu and Song Qingping.

Deacon Lu’s mouth was bleeding, and his internal organs were churning!

This palm seriously injured him!

“Deacon Lu, please leave quickly, we will stop them...”

After the few people standing with Deacon Lu finished speaking, they rushed forward without fear of their lives, giving Deacon Lu time to escape!

Seeing this, Deacon Lu could only grit his teeth and run out of the secret realm!

On the other side, Chen Ping was waiting quietly. He knew that after Zhou Jie administered the medicine, the Demon Spirit Sect would make the next move, so he was waiting!

Thousand-year-old Polygonum multiflorum was placed casually on the table.

Soon, Chen Ping felt a faint aura. It was obvious that the other party had deliberately hidden his aura.

Chen Ping showed a hint of excitement on his face. He felt that Song Qingping must be here!

At this moment, outside Chen Ping's room, there was a man wearing a black robe, with a sinister aura about him!

Under that black robe was Ning Zhi's somewhat pale face!

Ning Zhi pushed open the door of Chen Ping's room and found that Chen Ping had put Wannian Polygonum multiflorum on the table in a swaggering manner!

"This Chen Ping is too arrogant. He dares to place this ten thousand-year-old Polygonum multiflorum in such a random way."

The soul in Ning Zhi's body said upon seeing this.

But Ningzi didn't think so. When he saw Chen Ping placing the ten thousand-year-old Polygonum multiflorum haphazardly on the table, his heart suddenly thumped and he seemed a little nervous.

Ning Zhi has been with Chen Ping for such a long time, and he knows that Chen Ping is not such a careless person!

Now Chen Ping placed Ten Thousand Years of Polygonum multiflorum on the table casually. It was obvious that he was prepared or did so on purpose. He was waiting for someone to come!

"Why don't you hurry up and get the Ten Thousand Years Polygonum multiflorum, and take this Chen Ping away as well. Don't hurt his body."

Soul urged Ning Zhi.

Ning Zhi frowned: "Senior, I always have a bad feeling. Could Chen Ping do this on purpose?"

Chapter: 3092

“Then hasn’t Chen Ping already taken San Gong Water? Even if he knows you are coming, what will happen?”

“I noticed why you are becoming more and more timid?”

Soul said dissatisfied.

When Ning Zhi heard this, he had no choice but to step forward and carefully get the ten thousand-year-old Polygonum multiflorum!

Seeing that Chen Ping didn’t react at all when he was lying on the bed, Ning Zhi breathed a sigh of relief and at the same time completely let go of his breath!

Now that Chen Ping has taken San Gong Water, he is like ordinary people, so Ning Zhi doesn’t have to be afraid!

Holding Ten Thousand Years Polygonum multiflorum in his hand, Ning Zhi was filled with excitement.

“Take that Chen Ping away as well. When the great master sees this Chen Ping, he will definitely reward us heavily.”

Soul said.

Ning Zhi stepped forward, patted Chen Ping and said: “Wake up, wake up...”

Chen Ping pretended to be sleepy and muttered dissatisfied: “Who is it? You are not letting anyone sleep in the middle of the night?”

“Chen Ping, we meet again...”

Ning Zhi looked at Chen Ping with a ferocious smile!

“Ning Zhi?”

Chen Ping was stunned. He didn't expect that it was Ning Zhi who came!

Chen Ping originally thought it would be Song Qingping, but he didn't expect it to be Ning Zhi, which surprised him!

“Yes, it's me. Are you surprised? The ten thousand-year-old Polygonum multiflorum that you worked so hard to get is now mine.”

Ning Zhi held the Polygonum multiflorum in front of Chen Ping, and then reached out to grab Chen Ping's shoulder: “Not only is this Polygonum multiflorum mine, but I also want to take you with me.”

Ning Zhi thought that Chen Ping had lost his power, so he just grabbed him casually!

But Chen Ping's eyes flashed, and he directly grabbed Ning Zhi's wrist, snatched the ten thousand-year-old Polygonum multiflorum from Ning Zhi's hand, and then punched Ning Zhi hard in the chest!

Ning Zhi was knocked off guard, and his whole body was instantly knocked out, directly hitting a big hole in the wall!

Ning Zhi looked surprised, stood up and looked at Chen Ping: “You, your skill has not disappeared?”

“Disappear? Why disappear? Do you want to say that poisoning me will make my power disappear?”

Chen Ping looked at Ning Zhi coldly and said.

Chapter: 3093

Ning Zhi's face looked very ugly at this moment: "Damn, they are a bunch of trash..."

But now it's useless for Ning Zhi to scold him. Now that the matter has come to this, he can only take it hard!

But the loud noise just now caused Hu Mazi and Jiang Wei to rush over.

"No need to fight, let's go..."

Soul said to Ning Zhi.

If facing Chen Ping alone, Ning Zhizai and the soul in his body can still fight!

But now that Chen Ping has come to help again, Ning Zhi can only escape temporarily!

At this moment, Chen Ping felt the breath in Ning Zhi's body, and his eyes narrowed slightly: "No wonder I always felt a familiar breath just now. It turns out that the old man with a hunchback is now living in your body."

"Hunchbacked old man?"

Ning Zhi was confused. He didn't know that Chen Ping had acted with the demon residing in the hunchbacked old man's body before!

"Stop talking nonsense to him and leave quickly..."

Soul urged!

Ning Zhi nodded, and then flames suddenly rose from his body. The flames wrapped around Ning Zhi's body, and then began to slowly disappear!

When Chen Ping saw this, his eyes were full of surprise. He didn't know when Ning Zhi had such a technique!

"Hahaha, Chen Ping, let me tell you, not only do you have a special physique, I also have a fire demon body."

Ning Zhi laughed, and his body was slowly about to escape into the void!

"Hmph, even just using space magic, I want to escape..."

Suddenly, Jiang Wei snorted coldly, and suddenly there was a shining rope in his hand!

Suddenly, Jiang Wei threw the rope towards Ning Zhi!

Soon, a golden light flashed, and Ning Zhi, who was about to disappear, suddenly appeared again, and the rope entangled Ning Zhi.

"Tie the Immortal Rope?"

Ning Zhi's eyes showed fear.

"I didn't expect you to know the Immortal Binding Rope..."

Jiang Wei looked proud. This bundle of immortal ropes was a sacred weapon of the Jiang family. This time, Jiang Wei didn't bring it out!

Chapter: 3094

"Chen Ping, quickly confine this space..."

As Hu Mazi said, several yellow talismans suddenly appeared on his body and flew directly towards Chen Ping!

When Chen Ping saw this, he immediately understood, bit his finger in an instant, and waved his hand, and dense bloody runes appeared on the talisman paper!

These talismans shone with light, imprisoning Chen Ping's entire room to prevent Ning Zhi from using space magic to escape!

Ning Zhi looked at the constantly flashing talisman and said with surprise: "Chen Ping, you...how do you know how to use talismans?"

You know, Chen Ping knows so many things, and now he even knows spells, and he is so proficient in them, which makes Ning Zhi full of horror!

"Ning Zhi, I know more than that. I will let you taste them all today..."

As Chen Ping spoke, a faint golden light appeared on his hands!

At this time, both Ning Zhi and the soul in his body were a little panicked!

Facing Chen Ping, Hu Mazi and Jiang Wei, and the other party also has a martial arts weapon, Ning Zhi has no chance of winning!

"The golden cicada escapes from its shell."

Soul reminded Ning Zhi.

When Ning Zhi saw this, he could only grit his teeth, and his body instantly began to shrink, breaking free from the shackles of the fairy rope!

But as soon as Ning Zhi broke free, Chen Ping punched him!

“Holy Light Fist...”

Chen Ping’s terrifying punch swept forward, but Ning Zhi did not dodge. Chen Ping’s fierce punch actually penetrated Ning Zhi’s chest!

Ning Zhi spat out a mouthful of blood and looked at Chen Ping with anger on his face: “Chen Ping, you...do you have to kill everyone?”

“Nonsense, people like you will only be a disaster if they remain in this world.”

Chen Ping’s eyes were cold and without any mercy, he rushed towards Ning Zhi again!

boom!

Chen Ping used all his strength this time. With one blow, Ning Zhi’s entire upper body was almost shattered. He was covered in blood and his breath became very weak!

Seeing Ning Zhi like this, Hu Mazi and Jiang Wei relaxed their vigilance. After all, Ning Zhi was like this, and Chen Ping could kill him with one punch!

Chen Ping also felt a little strange at the moment. Although Ning Zhi might not be as strong as himself, he couldn’t be so weak that he was punched twice and immediately died.

But looking at Ning Zhi’s dying look, it didn’t look like he was pretending, which surprised Chen Ping!

Chapter: 3095

“Chen Ping, just wait for me. If I don’t die, I will cut you into pieces...”

Ning Zhi yelled at Chen Ping with a ferocious face, still irritating Chen Ping!

“Don’t worry, we will never let you leave alive today.”

After saying that, Chen Ping kicked Ning Zhi!

Ning Zhi followed Chen Ping’s kick and his body suddenly broke through the wall and fell outside!

“broken.....”

When Chen Ping saw this, he reacted instantly and chased after him.

But when Chen Ping chased him out, he saw that Ning Zhi instantly turned into a black light and disappeared without a trace!

Ning Zhi’s black robe remained on the ground, covered in blood.

“Damn it, let him run away...”

Chen Ping held the black robe and cursed involuntarily.

At this time, Hu Mazi and Jiang Wei also rushed out. Chen Ping hurriedly said to Hu Mazi: “Master Hu, go see if Zhou Jie is still there...”

Hu Mazi nodded, then rushed into Zhou Jie’s room and found that Zhou Jie was not in the room!

“Not here, I guess he has returned to Demon Spirit Sect.”

Hu Mazi said.

“Let’s go to the Demon Spirit Sect. I want to see what’s going on. Is the Demon Spirit Sect really like the Martial Arts Alliance?”

Chen Ping wants to see if the Demon Spirit Sect has become Song Qingping’s world!

Chen Ping took Hu Mazi towards the Demon Spirit Sect, and Jiang Wei followed with the Jiang family masters.

But when Chen Ping and the others arrived at the entrance of the Demon Spirit Sect’s secret realm, they found that the entrance door was flashing with light, and a man covered in blood ran out of it!

This man stumbled and ran straight towards Chen Ping and the others, and behind him, there were several people chasing him!

When he got closer, Chen Ping realized that the man covered in blood was actually Deacon Lu who had fought with him!

The people chasing behind him were also from the Demon Spirit Sect. Chen Ping had seen them in the Demon Spirit Sect’s main hall!

When Deacon Lu met Chen Ping, he was obviously stunned, and then said to Chen Ping anxiously: “Chen Ping, you came just in time. Now the Demon Spirit Sect has rebelled, and they have all become Song Qingping’s people. Now the Demon Spirit Sect has rebelled. The sect and the Demon Heart Sect no longer distinguish each other.”

“The cooperation between the Demon Spirit Sect and you is probably fake. You should run away quickly...”

Chapter: 3096

Deacon Lu’s words made Chen Ping stunned. It seemed that the situation was similar to what he expected.

Song Qingping is really not what he appears to be. This guy is very ambitious.

“Deacon Lu, what happened to the Demon Spirit Sect?”

Chen Ping asked Deacon Lu to explain clearly!

Deacon Lu sighed and said: “Then Song Qingping killed the sect leader a long time ago and has been secretly controlling the Demon Spirit Sect and cultivating his cronies. Now the time is ripe and he is going to annex our Demon Spirit Sect.”

As Deacon Lu was talking, several senior members of the Demon Spirit Sect were already chasing after him!

When they saw Chen Ping, several people were slightly startled. One of them pointed at Deacon Lu and said, “Deacon Lu, please follow us back obediently. This is the deputy sect master’s wish, otherwise we will have to be rude.”

“Hmph, you bunch of traitors, the sect master treated you well back then, but now that the sect master has been killed, you don’t even say you want to avenge the sect master, but you still act like traitors.”

Deacon Lu scolded several senior executives!

The senior leaders of the Demon Spirit Sect also looked ugly. After all, no one wanted to be called a traitor!

“Deacon Lu, we just want to live. I hope you won’t embarrass us.”

The senior executive slowly walked towards Deacon Lu!

Deacon Lu gritted his teeth and put on a desperate posture!

“You are from the same sect, how come you can fight each other in the blink of an eye? Is it just because of that Song Qingping?”

Chen Ping took a step forward, stood in front of Deacon Lu and said.

When the senior member of the Demon Spirit Sect saw this, his face turned slightly cold and he said, "Chen Ping, this is our Demon Spirit Sect's family matter and has nothing to do with you. You'd better not get involved."

"I am now working with the Demon Spirit Sect in a cooperative relationship. If something happens to the Demon Spirit Sect, of course I will intervene."

"Now go back and tell Song Qingping that I'm here to take his life."

Chen Ping smiled coldly.

Seeing what Chen Ping said, the faces of the top leaders of Demon Spirit Sect all turned ugly!

"Damn it, didn't you hear what Mr. Chen said?"

Jiang Wei cursed, and then the Jiang family masters behind him roared, and surrounded the top leaders of the Demon Spirit Sect!

Several senior members of the Demon Spirit Sect were frightened when they saw this!

They could betray the sect in order to survive, but now that they are facing danger, their expressions have changed greatly!

Chapter: 3097

If there really was a fight, they would definitely be no match!

"Okay, let's go back and inform the deputy sect master now."

The Demon Spirit Sect executive nodded, and then slowly backed away!

Until there was no danger, he turned around, opened the door to the secret realm, and walked in!

When the top leaders of the Demon Spirit Sect walked back, Deacon Lu suddenly knelt down to Chen Ping: "Thank you Mr. Chen for saving your life. I also hope that Mr. Chen can save our Demon Spirit Sect from the fire and water. Now many people have been killed by Song Qingping." Forced."

"Deacon Lu, you don't need to tell me, I will also get rid of Song Qingping."

Chen Ping followed the Martial Arts Alliance in a sworn relationship, and behind the Martial Arts Alliance was the Demon Heart Sect. Now Song Qingping wanted to lead the Demon Spirit Sect to submit to the Demon Heart Sect, and Chen Ping could not let him succeed.

"With Mr. Chen's words, our Demon Spirit Sect will be saved. I will take you into the secret realm..."

"If the method of entering the secret realm is changed later, we won't be able to enter."

After speaking, Deacon Lu led Chen Ping and the others through the gate of the secret realm and came to the Demon Spirit Sect!

At this time, Ning Zhi, after dealing with several senior members of the Demon Spirit Sect who resisted him, took control of the entire Demon Spirit Sect!

Now he is considered the true master of the Demon Spirit Sect, and Song Qingping is still looking forward to his future. When the spiritual energy is revived and the Blood Demon is resurrected, the whole world will be theirs.

Song Qingping, who looked excited, returned to the room. Zhou Jie was lying on the ground exhausted. Zhou Jie tried her best to break through the magic circle around the room, but she still couldn't break out.

Seeing Song Qingping coming back, Zhou Jie instinctively wanted to stand up, but she had no strength left in her body!

Zhou Jie looked at Song Qingping angrily. She had never thought that Song Qingping was such a person!

Seeing Zhou Jie's angry eyes, Song Qingping didn't take it seriously at all. Instead, he slowly squatted down, gently touched Zhou Jie's face and said, "You don't have to look at me like this. Let me tell you, the whole demon is now..." The Ling Sect is all mine, and you will be the sect leader's wife from now on, so you should be happy."

As Song Qingping said that, he jumped directly on Zhou Jie and kissed Zhou Jie desperately!

Zhou Jie refused and bit Song Qingping hard!

Song Qingping slapped Zhou Jie twice, causing blood to flow from the corners of Zhou Jie's mouth!

"I tell you, you have been mine for a long time, why are you still pretending to be here?"

After saying that, Song Qingping carried Zhou Jie to the bed and continued to vent his unfinished animal desires!

Zhou Jie could only turn her head to the side and cry silently!

At this moment, Deacon Lu had already rushed into the Demon Spirit Sect hall with Chen Ping!

As soon as they rushed in, they were surrounded by people from the Demon Spirit Sect!

Chapter: 3098

Deacon Lu looked at these people from the Demon Spirit Sect, and inexplicable sadness flashed across his face!

“You are all from the Demon Spirit Sect, how come you have become traitors? Then where is Song Qingping?”

Deacon Lu yelled!

None of the people from the Demon Spirit Sect said anything. In fact, they didn't want to do anything to Deacon Lu.

“Deacon Lu, you'd better take advantage of the deputy sect leader's absence and escape quickly. We won't embarrass you...”

At this time, a senior member of the Demon Spirit Sect stood up and said.

“I won't leave. If I leave, the Demon Spirit Sect will really be finished. I brought Mr. Chen here. We are here to kill Song Qingping.”

Deacon Lu said.

“Hmph, Deacon Lu, you are too arrogant. Can you kill the deputy sect leader?”

Several of Song Qingping's cronies came over. These guys were the most supportive of Song Qingping.

Just as Deacon Lu was about to speak, Chen Ping interrupted him and said, “It's not that he wants to kill Song Qingping, it's that I want to kill him.”

“Chen Ping, this is our Demon Spirit Sect's family matter, what does it have to do with you?”

one of them said.

“It doesn't matter. I just don't like Song Qingping and want to kill him. Is that okay?”

Chen Ping asked with a provocative look.

“you.....”

This time, several of Song Qingping’s cronies were immediately rendered speechless!

“Go call Song Qingping out, otherwise you will be the ones who die.”

Chen Ping said coldly.

“Chen Ping, don’t be too...”

Just as one of them spoke, a terrifying aura suddenly erupted from Chen Ping’s body, followed by a punch!

The terrifying fist wind swept across, and the punch hit the man so hard that he was blown apart!

boom!

The scattered flesh and blood filled the entire hall with the smell of blood!

Chapter: 3099

The reason why Chen Ping is like this is that he knows that to suppress these people, he can only use thunderous means to make them afraid, so that they will be easier to deal with next!

Sure enough, Chen Ping’s punch instantly shocked everyone!

Even several of Song Qingping’s cronies were so frightened that their expressions changed and they stepped back again and again!

“Go and call Song Qingping, otherwise you will die...”

Chen Pingping said expressionlessly.

Several guys looked at the shattered corpses of their companions and were so frightened that they quickly turned around and ran away!

The remaining members of the Demon Spirit Sect in the hall were all too angry to breathe. They did not expect that Chen Ping’s strength was so terrifying!

At this time, Song Qingping was venting desperately in the room!

At this moment, the door to the room was suddenly pushed open, and several of Song Qingping’s cronies hurried in!

But when they saw the scene in front of them, they were instantly stunned!

They never imagined that Song Qingping would be in the mood to play with women just after he took over the Demon Spirit Sect!

When Song Qingping saw this, he was furious and shouted: “Get out...”

Several cronies ran out in a hurry, and then anxiously exclaimed: “Sect Master, it’s not good, Deacon Nalu rushed in with Chen Ping, and brought many people with him.”

When Song Qingping heard this, he was stunned for a moment, then jumped out of bed and asked loudly: “Who do you think you are?”

“Chen Ping, it’s Chen Ping!”

A close confidant said.

“Impossible. Then Chen Ping should have been captured long ago. How could he come to Demon Spirit Sect?”

Song Qingping knew that Chen Ping had taken San Gong Water and Ning Zhi had gone to catch Chen Ping. How could he appear here?

“Sect Master, it is indeed Chen Ping, and he just killed one of us.”

Another confidant also said anxiously.

When Song Qingping heard this, he had no choice but to believe it. He frowned and said, “That’s really strange. Didn’t Chen Ping take San Gong water at all?”

Thinking of this, Song Qingping suddenly glanced at Zhou Jie lying on the bed, and then his eyes were filled with anger!

Chen Ping’s power has not disappeared, and it still appears here. The only explanation is that Zhou Jie deceived them and did not give Chen Ping the San Gong water.

After giving Zhou Jie a fierce look, Song Qingping led the people and quickly headed towards the main hall!

Chapter: 3100

Song Qingping left, but he forgot to restart the magic circle. Seeing this, Zhou Jie hurriedly got dressed, got up from the bed with difficulty, and walked out of the room!

Soon, Song Qingping came to the main hall!

When he saw that it was indeed Chen Ping, Song Qingping’s face became very ugly!

However, Song Qingping still maintained his previous polite attitude. He stepped forward and said to Chen Ping: "Mr. Chen, I didn't know why you came to our Demon Spirit Sect so late."

Chen Ping couldn't help but snorted when he saw that Song Qingping was still pretending at this time!

"Song Qingping, what is your intention behind Jiayi cooperating with me and then tricking me into coming here?"

Chen Ping asked bluntly.

"What are you saying, Mr. Chen? I really want to cooperate with Mr. Chen, and everything I told Mr. Chen is true."

"Did I tell you about the Ten Thousand Years Herb?"

"Did I tell you about the place where spiritual energy is revived?"

"How can you doubt my sincerity?"

Song Qingping actually pretended to be aggrieved and said to Chen Ping.

Chen Ping looked at Song Qingping's acting and raised the corner of his mouth slightly: "Song Qingping, what's going on with Deacon Lu? I heard that your Demon Spirit Sect is going to merge with the Demon Heart Sect."

"You must know that the Demon Heart Sect is the sect behind the Kyoto Martial Arts Alliance. You also know my hatred for following the Martial Arts Alliance."

"My girlfriend is still in the hands of the Demonic Heart Sect. You said you would help me rescue my girlfriend."

Chen Ping questioned Song Qingping, but Song Qingping did not seem to be panicked by this. Instead, he smiled lightly and said: "Mr. Chen, the matter about Deacon Lu is an internal matter within our Demon Spirit Sect. Although we are cooperating, Relationships don't mean you can interfere in our sect's affairs."

"I am cooperating with the Demon Heart Sect to help you rescue your girlfriend as soon as possible. Isn't this bad?"

Song Qingping is still quibbling!

Chen Ping didn't expect that Song Qingping would be so shameless and wanted to lie to himself at this time!

"Song Qingping, you are a beast with a human face and a beast's heart. You asked me to poison Mr. Chen. You are also the one who sent people to get the Ten Thousand Years Polygonum multiflorum. Is this also for Mr. Chen?"

At this time, Zhou Jie walked into the hall, holding one hand on the wall, and said to Song Qingping angrily.

At this time, Zhou Jie was exhausted, her hair was messy, and her face was very ugly.

Hu Mazi glanced at Zhou Jie, and a trace of pity flashed in her eyes. Even if Zhou Jie put medicine in their tea, Hu Mazi did not hate her at all.

Seeing Zhou Jie come out, Song Qingping's face instantly turned cold, and he said with a murderous look: "How dare you betray me? I asked you to give them San Gong water. Why didn't you do it and lied to me?"
