3-4 minutes

---

“Let me see which of you dares to move!”

Su Wenzong shouted angrily: “Don’t forget, this is on my territory, this is my hotel!”

As Su Wenzong finished speaking, dozens of security guards hurriedly arrived, and the old housekeeper of the Su family also arrived sweating profusely.

“Master, I have given you your order. The security guards of the Su family and the industry are all rushing here. The bodyguards of the Su family will be here soon!”

The old housekeeper followed Su Wenzong to report.

Su Wenzong nodded, and the old housekeeper retreated!

Xiao Yan listened to the report of the old housekeeper of the Su family, and his brows knitted together in an instant: “Su Wenzong, are you planning to fight to the death with me for such a boy?”

“Xiao Yan, if you insist on killing Mr. Chen, what will happen if we fight with your Xiao family? Do you think I will be afraid of you?”

Su Wenzong was not afraid at all.

The Xiao family and the Su family are already equal in strength. If they were to fight, both sides would definitely suffer losses!

All the guests were hiding far away at this time, thinking about Xiao Jiujiu. If the Su family and the Xiao family fight, the other families will definitely benefit.

Xiao Yan’s face turned red with anger, and the murderous intent in his eyes became stronger and stronger!

“Su Wenzong, if you are forcing me again, don’t blame me for being rude. You have forgotten one thing, that is, Master Hu owes our Xiao family a favor!”

As soon as Xiao Yan's words came out, Su Wenzong's expression suddenly changed, and there was a bit of panic in his eyes!

Even the guests around me trembled when they heard the word Tiger Lord, and could not help but feel chills in their hearts!

This Mr. Hu's name is Lin Tianhu, and he is the leader of the Juyi Hall. This Lin Tianhu is the underground emperor of the entire Hongcheng!

There is a famous saying in Hongcheng: "It is better to offend King Yama than Juyi Hall!" This sentence is enough to show the strength of Juyi Hall in Hongcheng!

As for Lin Tianhu, the leader of the Juyi Hall, he is the one who stomps his feet and makes Hong City tremble!

Seeing Su Wenzong's frightened expression, Xiao Yan laughed: "Su Wenzong, take the people away now, and I will pretend that nothing happened. Don't force me to call Master Hu!"

The muscles in the corners of Su Wenzong's eyes kept twitching. He hesitated because Lin Tianhu's name was too loud and the Su family couldn't afford to offend him.

"Mr. Su, I will handle my own affairs myself. You should take the others away!"

Chen Ping saw that Su Wenzong was hesitating, so he spoke up.

Su Wenzong gritted his teeth and said: "Mr. Chen, you saved my life. If you say this, isn't it a slap in the face? If a fight breaks out, I will let Yu Qi take the opportunity to escape with Mr. Chen. When the time comes, No matter it's Lin Tianhu or Xiao Yan, they don't dare to kill me."

"Dad..." Su Yuqi grabbed Su Wenzong's sleeve tightly!

"Yu Qi, after you leave with Mr. Chen, go to the Su family's secret room. You know the location. Come out after the situation calms down!"

Su Wenzong warned Su Yuqi.

“Su Wenzong, how do you think about it? Do you want me to trouble Master Hu?”

Seeing that Su Wenzong had not expressed his position, Xiao Yan pressed him.

“Xiao Yan, Mr. Chen, I’m sure...”

Su Wenzong said firmly.

“Okay, you have the guts!” Xiao Yan gritted his teeth angrily and dialed Lin Tianhu’s number directly!

In fact, Xiao Yan didn’t want to use this favor, because it was used by the Xiao family to save his life. Back then, Xiao Yan’s father once let Lin Tianhu stay overnight on a rainy day, so Lin Tianhu, who was still very young, said that he owed the Xiao family A favor can be returned to him at any time!

Originally, the Xiao family expected to use this favor when the family encountered a disaster, but in today’s situation, Xiao Yan would not be willing to kill Chen Ping, and the Xiao family would also be ridiculed, so Xiao Yan decided Use this favor to invite Lin Tianhu.

Not long after the call was made, there was only a rumble, followed by chaotic footsteps. Many people looked out through the windows and were dumbfounded for a moment.

I saw people wearing black suits and holding machetes in their hands, directly surrounding the entire Regal Hotel. There were hundreds of people, and everyone had murderous intent!

Seeing this scene, Su Wenzong felt a little disappointed. It seemed that Chen Ping couldn’t escape today!

Crunch.....

The door of the banquet hall was pushed open, and first more than twenty men in suits, who were 1.9 meters tall, muscular and with stern faces, rushed in. Twenty people stood in two rows, with chests held out and heads raised, lined up!

“Welcome Mr. Tiger...”

Twenty men in suits shouted in unison, causing the lights on the roof to shake.

“What a grand display!”

“As expected of Lord Tiger!”

“Shut up, everyone, be careful not to save your life...”

Everyone was talking quietly, but soon they all shut up!

Everyone looked towards the door, and then a middle-aged man in his late fifties, wearing a well-fitting suit and leather shoes, walked in!

A pair of leather shoes with a polished shine that can reflect people’s figures. This person is the underground emperor of Hongcheng, Lin Tianhu, the leader of Juyi Hall!

“Master Tiger...”

Xiao Yan hurriedly stepped forward and shouted respectfully!

“I’m very busy, who are you going to kill?”

Lin Tianhu asked directly.

Xiao Yan pointed at Chen Ping and said, “That’s him!”

Lin Tianhu glanced at Chen Ping. He was dressed in ordinary clothes and looked a little thin. There was nothing special about him. He didn’t know why Xiao Yan killed him!

Lin Tianhu walked towards Chen Ping. Su Wenzong and Su Yuqi stood in front of Chen Ping. When they saw Lin Tianhu walking over, their bodies trembled.

“Go away...”

Lin Tianhu frowned when he saw the Su family’s father and daughter blocking the front!

With these two words, Lin Tianhu exuded a huge momentum, and Su Wenzong and Su Yuqi were instantly oppressed by this momentum and couldn’t breathe.

Seeing this, Chen Ping put his hands directly on the shoulders of Su Wenzong and his daughter: "Mr. Su, Miss Su, please step aside. I will handle my own affairs myself!"

Chen Ping pushed Su Wenzong and his daughter aside, took a step forward, and faced Lin Tianhu!

"Master Tiger, don't beat him to death at once, torture him to death..."

Seeing Lin Tianhu coming, Xiao Lei immediately started shouting.

"Are you teaching me how to do things?"

Lin Tianhu frowned and looked at Xiao Lei!

Just this one look was so frightening that Xiao Lei almost peed his pants and backed away: "Don't dare, don't dare..."

"You bastard, you and Mr. Tiger are talking like this!" Xiao Yan stepped forward and slapped Xiao Lei hard, then said with a smile on his face: "Master Hu, you are ignorant, I hope Mr. Tiger won't take offense!"

"Xiao Yan, let me tell you, I, Lin Tianhu, owe you a favor to the Xiao family, but I am not a servant of your Xiao family. I hope you understand!"

Lin Tianhu said coldly!

"I understand, I understand, Master Hu is a guest of my Xiao family, how can he be a servant!"

Xiao Yan was so frightened that he broke into a cold sweat and glared at his son fiercely!

Xiao Lei originally felt pain when his arm was broken. He was slapped by Xiao Yan just now. Now he lowered his head and did not dare to say a word!

Seeing that Xiao Yan's attitude was okay, Lin Tianhu turned his attention to Chen Ping again!

"Master Hu, Mr. Chen was also impulsive. The bride was Mr. Chen's girlfriend, but she was snatched away by Xiao Lei. Mr. Chen is a little resentful!"

Su Wenzong hurriedly stepped forward and followed Lin Tianhu to explain with a smile on his face!

“Oh!” Lin Tianhu nodded, finally understanding that this ordinary-looking guy dared to cause trouble at the Xiao family’s wedding. It turned out that his girlfriend was robbed.

But soon, Lin Tianhu reacted, suddenly stunned, and said to Su Wenzong: “What did you call him?”

Su Wenzong is the richest man in Hongcheng. How could he call an ordinary young man in his early twenties sir? There must be a reason for this!

“Mr. Chen!” Su Wenzong looked confused, but he quickly figured out what Lin Tianhu meant, so he explained: “Mr. Chen saved my life, so no matter what, I will protect him today!”

Lin Tianhu finally understood what was going on at this time. It was not a big deal, but the Su family and the Xiao family were in tit-for-tat, which was a big deal. That’s why the Xiao family came to find him!

“It’s just such a nonsense, look what you two have done? You are both prominent figures in Hongcheng. Pay attention to the impact. Since that kid caused trouble at the wedding and beat up the Xiao family kid, you can’t let it go easily. You have to offend him, but the crime will not lead to death, so let him cut off his arm and apologize in public, admit his mistake and get out!”

Lin Tianhu scolded Su Wenzong and Xiao Yan, but neither of them dared to refute!

Lin Tianhu could become the underground emperor of Hongcheng not only with his two fists, but also with his mind. For this little thing, Lin Tianhu could completely make Chen Ping disappear, but that would offend the Su family. Although he was not afraid of Su Family, but weighing the pros and cons, it’s not worth it at all. The Xiao family just wants to save face, let Chen Ping cut off his arm and apologize in public, give the Xiao family face, and let Xiao Lei vent his anger!

In this way, the Xiao family will gain face, and the Su family will not be offended. For Lin Tianhu, it is the best of both worlds!

“Do you two think what I said is okay?”

Seeing that Su Wenzong and Xiao Yan were silent, Lin Tianhu asked again.

He did not ask Chen Ping, the person involved, because in his eyes, Chen Ping was just a chess piece, and he would do whatever he was asked to do.

“Listen to Master Hu!”

Who dares to refute Su Wenzong or Xiao Yan?

“Isn’t it over already? Why make it so grand, as if it’s serious!” Lin Tianhu chuckled, then looked at Chen Ping and said, “Boy, you made a big fuss at someone’s wedding, beat someone’s son, and now you’ve broken off one of your arms. I’ll apologize to you and let you go, otherwise you won’t be able to leave today!”

Chen Ping looked at Xiao Lei, who had a proud face. He was waiting for Chen Ping to cut off his arm and then go over to apologize to him.

“They don’t deserve...”

Chen Ping calmly spit out four words!

Uh-huh.....

Suddenly, everyone present was stunned. You must know that in Hongcheng, no one has ever dared to disobey Master Hu, but today, this ordinary-looking Chen Ping did not give any face!

Lin Tianhu’s face turned cold, and murderous intent flashed in his eyes!

Xiao Lei on the side was laughing to death, and kept shouting in his heart: “Kill him, kill him...”

“Mr. Chen, you... apologize to Mr. Tiger!”

Su Yuqi hurriedly pulled Chen Ping’s sleeves, she was so nervous that she broke out in a cold sweat!

“Boy, if you dare to disobey Lord Tiger, you are seeking death...”

One of the men beside Lin Tianhu roared angrily and punched Chen Ping!

“Master Hu, I apologize to you on behalf of Mr. Chen!”

When Su Wenzong saw Lin Tianhu’s men taking action, he became very anxious, but he did not dare to let his men take action. Now even if he risked his life, the dozens of security guards under him would not be the number brought by Lin Tianhu. Hundreds of opponents have the same ending, they just take their Su family with them!

Lin Tianhu remained silent, paying no attention to Su Wenzong, and did not say anything to stop his men!

You must know that Lin Tianhu’s men are tall and powerful, a full head taller than Chen Ping, and their muscles are bulging. With this punch, Chen Ping will be disabled even if he is not dead!

Xiao Lei and Geng Shanshan all looked at Chen Ping with a sneer. They looked at Chen Ping’s miserable situation for a while, and Fu Wei and Jiang Wenjing were also waiting to see Chen Ping’s joke, especially Fu Wei, who had just been killed by Chen Ping. Ping slapped him away, and the pain was still severe. He wanted to watch Chen Ping be beaten and disabled.

But just after Lin Tianhu’s fist landed in front of Chen Ping, Chen Ping stretched out his hand and directly grabbed Lin Tianhu’s sandbag-sized fist. No matter how hard Lin Tianhu’s fist was, he found that he couldn’t move at all!

At this moment, everyone was calm, even Lin Tianhu couldn’t help but look at Chen Ping twice!

But just looking at it carefully, Lin Tianhu’s scalp was about to explode!

He saw the bronze ring on Chen Ping’s hand and the word “order” on the ring!

Tianlong Order, this is Tianlong Order!

The person who wears the Heavenly Dragon Order is the master of the Heavenly Dragon Palace!

Lin Tianhu was a little stupid, and then roared: “Get back here, who told you to do it!”

After a roar, he kicked his men away with one kick!

“Mr. Chen, my subordinates are ignorant and offended!”

Lin Tianhu hurriedly apologized after Chen Ping. He never expected that in the small Hongcheng, the master of Tianlong Hall would come in person. You must know that Tianlong Hall is the most mysterious organization in the world. If he stomps his feet, the whole world will tremble.

Lin Tianhu’s Juyi Hall belongs to Tianlong Hall. Tianlong Hall has a total of thirteen halls in Daxia, and Juyi Hall is just one of them. However, when there is no call from the hall master, these halls have their own entrances. When operating, your identity cannot be exposed!

So on this occasion, Lin Tianhu could only call Chen Ping Mr. Chen!

Seeing Lin Tianhu’s sudden change of attitude towards Chen Ping, everyone was confused and didn’t understand what Lin Tianhu was singing!

Even Chen Ping himself was a little confused!

“No need for me to apologize?”

Chen Ping looked at Lin Tianhu and asked tentatively.

“Don’t dare. How dare you ask Mr. Chen to apologize? If Mr. Chen has any appeal, just say it!”

Lin Tianhu was so frightened that he quickly shook his head and beat him to death. He did not dare to ask the master of Tianlong Palace to apologize!

“I said, if I come to the wedding, their wedding won’t be possible.”

Chen Ping said calmly.

Lin Tianhu nodded, then turned around and announced loudly: "Today's wedding is cancelled, everyone get out..."

"Master Tiger..."

Xiao Yan was stunned and looked at Lin Tianhu!

If the wedding is cancelled, the Xiao family will become a laughing matter in the entire Hongcheng!

"Clearance!"

Lin Tianhu ignored Xiao Yan at all. After clearing the place, hundreds of subordinates swarmed in!

The guests were so frightened that they all ran outside. Fu Wei and Jiang Wenjing, who originally wanted to see Chen Ping's joke, didn't take it seriously and were kicked out!

Not to mention how ugly Xiao Yan's face was at this time, and Xiao Lei, with his eyes staring and a ferocious look on his face, wanting to eat Chen Ping. The Xiao family has suffered such a big loss today, how can they see anyone in the future!

"Chen Ping, you toad, even if Shanshan's wedding doesn't happen today, don't even think about it. With your virtue, you will never find a wife."

Jia Meili shouted angrily at Chen Ping!

Their family finally climbed up the Xiao family tree, and the wedding that Chen Ping interfered with couldn't be held. Jia Meili was almost furious.

"Chen Ping, do you think you can stop me from marrying Xiao Lei like this? Stop dreaming. I have nothing to do with you anymore. Stop pestering me."

Geng Shanshan stared at Chen Ping with no emotion except hatred.

"Am I pestering you?" Chen Ping smiled coldly: "I remember that you seemed to insist that I come to attend. I said at the time that if I came to attend the wedding, your wedding would not be held!"

"you....."

Geng Shanshan gritted her teeth angrily and glared at Chen Ping!

“Shanshan, don’t pay attention to him. This toad is just trying to make you angry and talk to you on purpose. Look at his dog-licking look. He is also a prisoner in the labor camp. He is just waiting to be beaten!”

Jia Meili pulled Geng Shanshan and cursed Chen Ping viciously!

“Mr. Chen, if you don’t mind, can I be your girlfriend?”

Just when Jia Meili cursed Chen Ping, saying that he would never find a girlfriend and become a bachelor, Su Yuqi took a step forward and asked Chen Ping seriously.

At this moment, Chen Ping stood stunned on the spot. He did not expect Su Yuqi to say such words in public. You must know that she is the eldest lady of the Su family, and she will also be the helmsman of the Su family in the future!

When Geng Shanshan and Jia Meili heard what Su Yuqi said, their faces became extremely pale. This was obviously a slap in their faces, especially Jia Meili. After they just said that Chen Ping was a toad and would never find a girlfriend in his life, Su Yuqi immediately came. The eldest lady of the family confessed her love!

Geng Shanshan clenched her fists tightly, her face burning!

Just now, he said not to let Chen Ping pester him, but in the blink of an eye, Chen Ping was confessed by the eldest daughter of the Su family!

You know, compared with the eldest lady of the Su family, she, Geng Shanshan, is nothing!

“Miss Su, let me think about it for two days, I’m not ready yet!”

Chen Ping smiled gratefully at Su Yuqi!

He knew that Su Yuqi said this just to help him out, to slap Geng Shanshan and her daughter in the face!

But a girl, in order to help herself, even gave up her reputation, Chen Ping was very grateful!

“Mr. Chen, I will work hard to make you accept me!”

Su Yuqi smiled faintly.

Both the Xiao family and Geng Shanshan’s family all left. When leaving, Xiao Yan’s eyes wanted to eat Chen Ping. It seemed that he would not give up.

Su Wenzong and Su Yuqi were also invited out by Lin Tianhu’s people. In the huge wedding banquet hall, only Chen Ping and the people from Juyi Hall were left!

“Whatever you want, come on!”

Chen Ping knew that Lin Tianhu suddenly helped him clear everyone away, there must be something else going on!

But what Chen Ping didn’t expect was that as soon as he finished speaking, Lin Tianhu knelt down in front of him with a pop, and then hundreds of people in Juyi Hall knelt down!

This time, Chen Ping was dumbfounded. He wondered if Lin Tianhu had taken the wrong medicine.

“My subordinate Lin Tianhu, the master of Juyi Hall, pays homage to the master!”

“Meet the Palace Master...”

Hundreds of people in Juyi Hall shouted in unison!

This shocked Chen Ping. He didn’t even know what kind of palace master he was!

“You...you recognized the wrong person, right? I am not a palace master!”

Chen Ping shook his head quickly.

“The person who wears the Heavenly Dragon Order is the master of the Heavenly Dragon Hall. There is no mistaking it!”

Lin Tianhu said.

boom.....

Lin Tianhu's words reminded Chen Ping instantly!

When he was in prison, the old leader always said that he was the master of Tianlong Hall, and later gave him this ring. It seemed that it was because of this ring that Lin Tianhu recognized himself as the master of Tianlong Hall.

"You mean, is it because I wear this ring?"

Chen Ping took off the ring and asked Lin Tianhu.

"Yes, this is the Tianlong Order of Tianlong Palace, the ancestral training of Tianlong Palace, and the wearer is the master of Tianlong Palace!"

Lin Tianhu raised his head and looked at the ring in Chen Ping's hand.

"You guys get up first!"

Seeing Lin Tianhu and the others kneeling, Chen Ping felt a little uncomfortable, so he waved his hand!

"Thank you, Palace Master!"

Lin Tianhu and everyone in the gathering stood up.

"Let me tell you, I am not the master of the palace. This ring was given to me by someone else. You have mistaken the wrong person!"

Chen Ping explained!

"We only recognize the Heavenly Dragon Order, not people. Since the Heavenly Dragon Order is with you, then you are our palace master!"

Lin Tianhu said respectfully.

Chen Ping was speechless. It seemed that the old dragon head had deliberately passed on the position of the palace master to him.

“Are you also from Tianlong Palace?”

Chen Ping asked.

“Yes, there are a total of thirteen halls in Tianlong Hall, and our Juyi Hall is just one of them. However, I am not familiar with the brothers from other halls and rarely interact with them. Unless we are called by the master of the hall, we cannot easily Exposed!”

Lin Tianhu explained.

After Chen Ping heard this, he was speechless for a while. One Juyi Hall could stamp his feet in Hongcheng, and he was trembling. If there are thirteen such halls, then the strength of Tianlong Hall is really terrifying!

“Hall Master, in addition to the thirteen halls in Daxia, we have branches all over the world. As for the specific information, because my position is too low, I don’t know it!”

After Lin Tianhu finished speaking, Chen Ping was even more shocked. There are branches all over the world. This is so awesome!

He really couldn’t understand that such a slovenly guy like Lao Longtou could be such an awesome person!

Now Chen Ping is actually looking forward to the arrival of July 15th. Maybe then he will be able to understand the Tianlong Palace better!

After a moment of shock, Chen Ping waved his hand and said, “You all go back. If anything happens, I’ll be looking for you!”

“Yes!” Lin Tianhu bowed slightly!

Lin Tianhu took the people away, but Chen Ping did not move. His heart could not calm down for a long time. He could not accept this sudden additional identity for a while!

At this time, in the top-floor office of the Regal Hotel, Su Wenzong and Su Yuqi did not leave, but came to the top-floor manager's office. This was his Su family's property, so they could go wherever they wanted!

"Yu Qi, are you serious about what you just said to Mr. Chen?"

Su Wenzong looked at Su Yuqi and asked.

"What are you talking about?"

Su Yuqi pretended to be dumbfounded and didn't know!

"Stop pretending, I know my daughter better than my father. What are you thinking in your heart? Do you think I don't know?"

Su Wenzong smiled faintly.

"Dad, I was just helping Mr. Chen out of trouble. We just met him. How could I like him!"

Su Yuqi rolled her eyes at Su Wenzong, but her face turned red.

"Mr. Chen is a nice person, good-looking, and has good medical skills, but he just doesn't know how he is in other aspects..."

Su Wenzong has a good impression of Chen Ping, but if he wants to become the son-in-law of the Su family, he will not be able to just master medical skills. After all, Su Wenzong is just a daughter, and the Su family's huge family fortune will be handed over to Su Yuqi. We need to find someone who can help Su Yuqi Cuisine Company.

"Dad, stop thinking so wildly!"

Su Yuqi turned her head to the side and ignored Su Wenzong!

In fact, in Su Yuqi's heart, she really had a lot of affection for Chen Ping, especially when facing Lin Tianhu just now, Chen Ping pushed her aside and took that step forward, which made Su Yuqi suddenly feel An inexplicable sense of security!

“Mr. Su, Lin Tianhu took people away, and Mr. Chen also left!”

The hotel manager walked into the office and said.

“Oh, I see!”

Su Wenzong nodded, and then said to Su Yuqi: “Yu Qi, you have to hurry up to get the medicinal materials that Mr. Chen needs. In addition, you have to send someone to secretly protect Mr. Chen. I think the Xiao family will definitely not give up!”

“knew!”

Su Yuqi nodded and went to make arrangements!

## **The Order of the Dragon King Chapter: 40**

3-4 minutes

---

Chen Ping left the Regal Hotel and went home directly. It was already noon now, and his mother must be waiting for him too!

When Chen Ping got home, he found a table full of food already sitting there, and his parents were waiting for him to come back!

“Is it Chen Ping?”

Tang Hongying asked hurriedly when she heard the door open.

“Mom, it’s me!”

Chen Ping quickly stepped forward, supported Tang Hongying and said.

“You kid, you just came home and were out for a long time. Your dad has already prepared the food and is waiting for you to eat!”

Tang Hongying complained to Chen Ping, but her face was full of smiles!

“Mom, I went out to do something!” Chen Ping explained, and then looked at his father, Chen Baoguo, who was walking out of the kitchen. At this time, Chen Baoguo had white hair and wrinkles on his face. He was obviously a lot older!

“Back!” Seeing Chen Ping, Chen Baoguo could see a hint of excitement in his eyes, but he tried hard to restrain himself and did not show it. Instead, he asked Chen Ping calmly.

“Yeah!” Chen Ping nodded, his eyes turning red.

My father used to be an iron rice bowl and an enviable civil servant. He wore suits and leather shoes every day and was high-spirited. But looking at it now, in just three years, he seems to have aged by more than ten years and no longer has the spirit of before. Awesome!

“Eat quickly, it will get cold in a while!”

Chen Baoguo said, picking up a bowl of rice and placing it in front of Chen Ping.

You must know that Chen Bao’s tutor is very strict, and he is very dignified at home. He has never served Chen Ping food, let alone been in the kitchen. But now everything has changed, the environment can really make everything happen!

The family was eating, Chen Baoguo didn’t speak, and Chen Ping didn’t speak either. In front of his father, Chen Ping always felt a sense of fear, but Tang Hongying kept nagging!

“Chen Ping, I’m back. I’m looking for a job and a girlfriend. Although my family is poor now, if you two work hard, life will get better.”

“Your dad can save some money by sweeping the streets. When the time comes, I’ll ask your sixth aunt to introduce you to someone. We won’t mind getting married for the second time. Once we get married and have children, everything will be fine!”

“Don’t go looking for that Geng Shanshan. She is the young mistress of the Xiao family now. We can’t afford to offend her, and we can afford to hide from her!”

“Remember this time, don’t be stupid again. If you go in again, mom’s life will really be lost!”

Tang Hongying kept nagging, and Chen Ping could only nod in response!

After eating, Chen Ping took the initiative to clear away the dishes, while Chen Baoguo changed into sanitation worker clothes and got ready to go to work.

“Dad, don’t go sweeping the streets. Now that I’m back, leave everything at home to me!”

Chen Ping said and took out a key: "I have a friend who lent me his unused house. Let's clean it up and stop living here!"
